TITLE SEARCH SERVICES - Small Purchase -PIN# 09232008 – DUE 09-23-08 AT 4:00 P.M. – The New York City Housing Authority (NYCHA), through its Department for Development, is seeking proposals from appropriately qualified firms to provide title search services for various projects in accordance with standard practices and procedures of the title search industry. To ensure these Services are performed in a timely manner, NYCHA plans to execute a requirements contract with the Proposer selected. The Contract will have a not-to-exceed value of \$100,000. NYCHA will, as needed, demand Services from the Proposer on retainer. Proposers must have the capacity to complete and submit, on average, each search within two weeks of the order. In any three month period, NYCHA anticipates search requests for fifteen (15) lots. The properties for which NYCHA requests Services to be performed will be located within the five boroughs.

Pursuant to Local Law 34 of 2007, amending the City's Campaign Finance Law, the City is required to establish a computerized database containing the names of any "person" that has "business dealings with the city" as such terms are defined in the Local Law. In order for the City to obtain necessary information to establish the required database, vendors responding to this solicitation must complete the Doing Business Data Form and return it with this proposal. The submission of a Doing Business Data Form that is not accurate and complete may result in appropriate sanctions.

Proposers must submit a complete Minority, Women and Small Business Enterprise (MWSBE) Registration Form. A Proposer's failure to deliver a completed MWSBE Registration Form may result in the rejection of the Proposer's Proposal.

After proposals are evaluated, NYCHA will engage in preliminary negotiations with one or more of the most qualified Proposers. NYCHA specifically reserves the right to award a requirements contract to a Proposer other than the Proposer presenting the lowest cost proposal. This Solicitation does not commit NYCHA to award an Agreement for any services.

AGENCY RULES

HOUSING PRESERVATION AND DEVELOPMENT

NOTICE

Notice of Proposed Rules

Notice of Adoption of Rules Governing Tax Exemption under §421-b of the Real Property Tax Law

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Housing Preservation and Development by $\$1802\ (6)(c)$ and in

accordance with the requirements of \$1043 of the New York City Charter that the Department of Housing Preservation and Development is adopting rules governing tax exemption under \$421-b of the Real Property Tax Law of the State of New York. Additions to the rules are <u>underlined</u> and proposed deletions are [bracketed].

A public hearing was held from 10:00 A.M. to 1:00 P.M. on August $29,\,2008,\,$ at 100 Gold Street, 3rd floor, Room $3Y-8,\,$ New York, New York.

Section one. Subdivisions (g) and (h) of section 7-05 of Chapter 7 of Title 28 of the Rules of the City of New York are amended to read as follows:

(g) All applicants for a Preliminary or Final Certificate of Eligibility must, in addition to the timely filing of an application, provide all of the required documentation for such application on or before December 31, [2008] 2009.

(h) Notwithstanding anything to the contrary contained in this section, the Department may waive the filing deadlines for an application for a Final Certificate of Eligibility set forth in Sections 7-05(d) and 7-05(e) of this chapter if (1) the Department, in its sole discretion, determines that the owner of such private dwelling reasonably relied upon a representation by the seller of such private dwelling that the seller would file or had filed the application for the Final Certificate of Eligibility, and (2) the owner of such private dwelling provides all of the required documentation for such application on or before December 31, [2008] 2009.

Statement of Basis and Purpose. The RPTL section 421-b tax incentive program currently applies to residences which commence construction before July 1, 2006. The program was not extended by the Legislature, so its application has ceased with the exception of unfinished units, which were previously required to obtain a certificate of occupancy by July 1, 2008. However, the State Legislature recently extended the deadline for completion of projects eligible for RPTL § 421-b benefits from July 1, 2008 to July 1, 2009. The reason for this extension was that the downturn in the housing market coupled with the difficulty involved in obtaining construction financing had prevented some builders from completing projects which were commenced in compliance with the RPTL § 421-b program.

In 2006, HPD adopted rule amendments that allowed it to waive the filing deadline for RPTL § 421-b applications in certain instances in order to ensure that homeowners who purchase private dwellings with the reasonable expectation that their new homes will be eligible for 421-b benefits are not penalized due to the seller's misrepresentations regarding the filing of a 421-b application. The 2006 rule amendments also provided that all of the required documentation for any application for a Preliminary or Final Certificate of Eligibility must be filed on or before December 31, 2008. Due to the above-mentioned completion extension, HPD is now extending the deadline for filing required documentation for such tax exemption benefits from December 31, 2008 to December 31, 2009.

Robert Dobruskin, Director, 212-720-3423 Environmental Assessment and Review Division New York City Department of City Planning

Pursuant to City Environmental Quality Review (CEQR), Mayoral Executive Order No. 91 of 1977, CEQR Rules of Procedure of 1991 and the regulations of Article 8 of the State Environmental Conservation Law, State Environmental Quality Review Act (SEQRA) as found in 6 NYCRR Part 617, a Final Environmental Impact Statement (FEIS) has been prepared for the action described below. Copies of the FEIS are available for public inspection at the office of the undersigned. The proposal involves actions by the City Planning Commission and Council of the City of New York pursuant to Uniform Land Use Review Procedures (ULURP). A public hearing on the Draft Environmental Impact Statement (DEIS) was held on July 23rd, 2008. Comments were requested on the DEIS and were received and considered by the Lead Agency until Monday, August 4th, 2008. This FEIS incorporates responses to the public comments received on the DEIS and additional analysis conducted subsequent to the completion of the DEIS.

The New York City Department of City Planning (DCP) on behalf of the City Planning Commission (CPC) as lead agency is proposing zoning map and text amendments for an area encompassing approximately 40 blocks in the Dutch Kills neighborhood of Queens Community District 1. The area would generally be rezoned from current M1-3D and M1-1 to mixed-use districts where a Residence District would be paired with a light Manufacturing District, or for a small portion of the western side of the rezoning area, to M1-2. The proposed zoning text amendments would facilitate the creation of the Dutch Kills Subdistrict within the Special Long Island City Mixed-Use District, establish an Inclusionary Housing program in the proposed M1-3/R7X district near Northern Boulevard, and modify certain provisions of the proposed underlying districts. Together these amendments (map amendments and text amendments) comprise the "Dutch Kills Rezoning and Related Actions" or what will be referred to herein as the "proposed actions."

The rezoning area is comprised of 70 acres and is generally bound by 36th Avenue to the north, the west side of Northern Boulevard to the east, 41st Avenue to the south, and 23rd Street to the west. The rezoning area is located north and west of the Sunnyside Yard and north of the Queens Plaza Subdistrict and the Special Long Island City Mixed-Use District. The rezoning area is highly accessible by mass transit, both subway and bus lines. The proposed zoning changes would work in conjunction with the proposed Dutch Kills Subdistrict provisions which are intended to encourage appropriate new development and economic growth opportunities in the subdistrict as well as accomplish the following land use policies: provide residential and mixeduse development in the Dutch Kills Subdistrict at appropriate scales with the contexts; direct new development at higher densities to wide streets with good access to transit; provide incentives for affordable housing in areas proposed for higher density mixed-use development; support existing light-industrial businesses; and, reinforce the mixed-use residential and light-industrial/commercial context by bringing existing nonconforming residential uses into compliance.

In order to assess the environmental impacts of the development that could occur under the proposed actions, DCP has developed a reasonable worst-case development scenario (RWCDS). This RWCDS identifies both "projected" and "potential" development sites that could be developed as the proposed project with the proposed actions implemented. As identified by DCP, projected development sites include sites that are likely to be developed as a result of the proposed actions. DCP has identified 40 projected development sites considered most likely to be developed by 2017 as a result of the proposed actions. In addition, there are 192 potential development sites considered to have less development potential and which are less likely to be developed in the foreseeable future.

Based on the RWCDS, and as a result of the proposed actions, development in the rezoning area is expected to achieve a build-out that would include 1,555 additional dwelling units than in the future condition without the proposed actions, of which approximately 187 would be affordable units provided through proposed the Inclusionary Housing program, and 410 additional accessory parking spaces. The RWCDS envisioned under the proposed actions would also result in a decrease of 197,470 square feet (sf) of commercial space; a net decrease of 180,536 sf of industrial space; and a net decrease of 41,697 sf of community facility space from the anticipated future condition without the proposed actions.

The above-described actions are subject to both City Environmental Quality Review (CEQR) and the Uniform Land Use Review Procedures (ULURP). The FEIS has been prepared in accordance with the Final Scope of Work for the Dutch Kills Rezoning and Related Actions completed in March 2008, Executive Order No. 91, New York City Environmental Quality Review (CEQR) regulations, and

follows the guidance of the CEQR Technical Manual (October 2001). The proposed project was then referred to Queens Community Board 1 who held a public hearing and voted to approve the proposed project with conditions on June 17, 2008. The project was then reviewed by the Queens Borough President's Office who voted to approve the proposed project with conditions on July 10, 2008. As stated above, the CPC held a public hearing on the proposed project July 23, 2008. It is anticipated that the CPC will vote on the proposed project September 8, 2008.

PROPOSED ZONING MAP AMENDMENTS

The DCP is proposing zoning map amendments affecting all or portions of 40 blocks in Dutch Kills neighborhood of Queens Community District 1. The proposed zoning map amendments would create the Dutch Kills Subdistrict within the Special Long Island City Mixed-Use District and establish Inclusionary Housing provisions for an area along Northern Boulevard proposed for an M1-3/R7X District. Under the proposed actions, approximately 70 acres of land currently zoned M1-3D and M1-1 would be rezoned to a finely tuned combination of M1-2, M1-2/R5B, M1-2/R5D, M1-2/R6A and M1-3/R7X, resulting in a net decrease in permitted light manufacturing density and a net increase in residential density. It would also allow new development at higher densities along 41st Avenue, 31st Street and Northern Boulevard. These locations are served by numerous subway and bus lines and Northern Boulevard, a wide 100-foot primary thoroughfare. The proposed zoning map amendments that would encourage moderate and high density development near public transportation and wide streets are by changing the M1-3D and M1-1 to M1-2/R6A and changing the $\overline{\text{M1-3D}}$ to $\overline{\text{M1-3/R7X}}$.

The proposed zoning changes would generally allow as-ofright residential development, encourage compatible land uses at a fine-grained range of densities, provide new opportunities for mixed use development, and bring residential uses currently located in manufacturing zoned areas into conformance. Specifically, the rezoning would:

- change from M1-3D to M1-2/R5B all or a portion of 18 mid-blocks bounded by 37th Avenue, 38th Avenue, 24th Street and 30th Street; 38th Avenue, 39th Avenue, 24th Street, and 29th Street; 39th Avenue, 40th Avenue, 24th Street, 40th Avenue, 41st Avenue, 23rd Street and 29th Street; and 36th Avenue, 37th Avenue, and 32nd Street;
- change from M1-3D to M1-2/R5D all or a portion of 20 blocks bounded by a line 100 feet on both sides of 40th Avenue between 23rd Street and 29th Street; and a line 100 feet on both sides of 39th Avenue between Crescent Street and 30th Street and the east side of 29th Street between 40th Road and 39 th Avenue and 100 feet on both sides of CrescentStreet between 41st Avenue and 38th Avenue and 41st Avenue from 29th Street to 23rd Street;
- change from M1-3D and M1-1 to M1-2/R6A all or a portion of 22 blocks bounded by a line 100 feet north of 41st Avenue, 23rd Street and 29th Street; a line 100 feet on both sides of 38th Avenue, 24th Street, 39th Avenue, 34th Street, 32nd Street, and a line 100 feet south of 37th Avenue, 24th Street, $29 \mathrm{th}$ Street, $34 \mathrm{th}$ Street, $33 \mathrm{rd}$ Street and $36 \mathrm{th}$
- change from M1-3D to M1-3/R7X all or a portion of

11 blocks bounded by 40th Road, Northern Boulevard, 29th Street, 39th Avenue, a line 100 feet south of 38th Avenue, 34th Street, 37th Avenue and 37th Street.

The proposed zoning map amendments will support continued economic growth in a mixed-use residential, commercial and light industrial community. Each proposed Residence District will be paired with a light Manufacturing District to allow a broad range of commercial and light industrial businesses in the rezoning area, compatible with residential uses. The range of mixed-use zoning districts reflects both the use and scale of non-residential development typically found in the area today.

ZONING TEXT AMENDMENTS

Creation of the Dutch Kills Subdistict is proposed in conjunction with the zoning map amendments and would extend over all or portions of 40 blocks in the Dutch Kills neighborhood except for a small sliver adjacent to 23rd and 24th Streets. The proposed Dutch Kills Subdistrict would be part of the Special Long Island City Mixed Use District, which was established in 2001 to include the Court Square, Queens Plaza, and Hunter's Point subdistricts. The overarching goal of the Special Long Island City Mixed Use District is to support the continued growth of the area's longstanding mix of residential, commercial, industrial and cultural uses by permitting their development and expansion at varying densities. The Queens Plaza and Hunter's Point subdistricts are subject to the provisions of 123-00, as modified by special provisions within each subdistrict. The Dutch Kills Subdistrict would follow the same format. The objective of the subdistrict is to achieve a strong mixed-use community, to reinforce the existing street wall, and retail community of Northern Boulevard. The proposed Dutch Kills Subdistrict is generally bound by Queens Plaza North to the south, 23rd Street to the west, 36th Avenue to the north and Northern Boulevard to the east.

Special zoning text provisions are proposed for the Dutch Kills Subdistrict primarily to modify FAR, lot coverage, and street wall height in the proposed M1-2/R5B district and to make modifications to the parking requirements. The zoning text provisions include the following:

- the street wall of any residential or mixed-use building or enlargement shall be located no closer to nor further from the street line than the street wall of an adjacent existing building;
- the floor area of a building shall not include floor space used for accessory off-street parking spaces provided it is located no more than 33 feet above curb level;
- the maximum FAR for residential use in the proposed M1-2/R5B district shall be 1.65 and the maximum lot coverage for a residential building shall be 60 percent on an interior lot and 80 percent on a corner lot.
- the maximum height of a street wall in the proposed M1-2/R5B district shall be 33 feet or three stories, whichever is less for all residential or mixed-use buildings;
- the maximum base FAR for residential use in the proposed M1-3/R7X district is 3.75 which may be increased up to 5.0 if affordable housing is provided; and.

Use Group 6A supermarkets of any size would be permitted.

Modifications to the parking requirements would include the following:

- the C8-2 commercial/light manufacturing parking regulations shall apply for all commercial and community facilities except that this modification shall not apply to uses listed in Use Group 5 where the parking requirements applicable to the designated M1 District shall apply to Use Group 5;
- the maximum number of parking spaces for Use Group 5 uses shall be 10 spaces;
- all new residential developments in the proposed M1-3/R7X district to provide 50 percent parking regardless of lot size with a maximum waiver of 5
- parking waivers in the proposed M1-2/R6A and M1-3/R7X districts would not be allowed on existing lots that are subdivided;
- the prohibition of curb cuts on lots 40 feet or less in the proposed M1-2/R5B district shall not apply for residential or community facility uses; and
- for enlargements of existing non-residential buildings where new floor area would be used for dwelling units in the proposed M1-2/R5B and M1-2/R5D districts allow a maximum waiver of 2 spaces

INCLUSIONARY HOUSING TEXT AMENDMENT

To promote affordable housing development within the rezoning area, a zoning text amendment is proposed to establish an Inclusionary Housing Program near Northern Boulevard. Similar to other efforts in the city, the program promote such development by providing the incentive of additional allowable floor area to developers willing to provide affordable units as part of their project. The proposed Inclusionary Housing text amendment would apply only to the proposed M1-3/R7X district within the Dutch Kills Subdistrict. Developments would qualify for a maximum FAR of 5.0 by providing 20 percent of residential floor area for lowincome households; such households have incomes below 80 percent of the area median income. Developments not participating in the Inclusionary Housing Program would be allowed only a maximum FAR of 3.75. Affordable units would be developed and administered pursuant to a Lower Income Housing plan with the Department of Housing Preservation and Development and would remain affordable in perpetuity.

PROPOSED ZONING E-DESIGNATIONS

The proposed zoning would place E-designations on projected and potential development sites to avoid the potential for impacts with respect to hazardous materials, air quality, and

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the $\it CR$.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
