- *Win More Contracts, at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)

Statement of Basis and Purpose of Rule

The Department of Buildings (DOB) is amending Section 103-06 of Title 1 of the Rules of the City of New York relating to the annual reporting of energy and water use by individual “covered” buildings. This amendment will provide for the issuance of a violation with a monetary penalty to the owner of any covered building for the failure to annually post the energy efficiency grade and the energy efficiency score achieved by the building. The amendment will also provide a basis to challenge the issuance of a violation for failing to comply with the annual posting requirements.

New material is underlined.

[Deleted material is in brackets.]

Section 1. Subdivision (l) of section 103-06 of title 1 of the rules of the city of New York is amended to read as follows:

(l) Violations and penalty lies.

- (1) Failure to benchmark energy and water use for the prior calendar year by May 1 may result in a penalty of \$500. Continued failure to benchmark may result in additional violations on a quarterly basis and an additional penalty of \$500 per violation.

[Exception: Covered buildings that exceed 25,000 gross square feet but do not exceed 50,000 gross square feet may benchmark energy and water use for Calendar Year 2017 on or before February 1, 2019.]

- (2) Failure to annually post the energy efficiency grade and the energy efficiency score for the building within thirty (30) days after October 1, the date upon which the energy efficiency grade will be available, in accordance with the requirement of section 28-309.12.3 of the Administrative Code, may result in a penalty of \$1,250.

§2. Subdivision (m) of Section 103-06 of title 1 of the rules of the city of New York is amended to read as follows:

(m) Challenge to violations.

- (1) An owner may challenge a violation for failure to benchmark issued pursuant to paragraph (1) of subdivision (l) of this section. Proof in support of any such challenge may include, but need not be limited to:
 - (i) Proof from the Department of Finance that the building in question is not a covered building as defined in section 28-309.2 of the Administrative Code;
 - (ii) Proof of timely benchmarking as indicated by a confirmation email from the EPA that includes a date-stamped copy of data released to the city;
 - (iii) Proof of change in ownership during the year in question;
 - (iv) Proof of each factor listed in the “Exception” provision of section 28-309.4.3 of the Administrative Code, including proof of a request for benchmarking assistance, as defined in section 28-309.11 of the Administrative Code. Such proof shall consist of a completed copy of the submitted Department form for requesting benchmarking assistance; or
 - (v) Proof of owner’s request to their utility company, no later than fourteen days prior to the benchmarking due date, to directly upload information necessary to benchmark energy use for such building, as described in section 28-309.4 of the Administrative Code.

(2) An owner may challenge a violation for failure to post issued pursuant to paragraph (2) of subdivision (l) of this

section. Proof in support of such challenge may include, but not be limited to, photographic proof of timely posting of the energy efficiency grade and the energy efficiency score, as directed in section 28-309.12.3 of the Administrative Code.

[(2)](3) Such challenge must be made in writing to the Department within thirty (30) days from the postmark date of the violation served by the Department.

HEALTH AND MENTAL HYGIENE

■ NOTICE

Notice of Concept Paper

Healthcare and Social Service Systems in New York City, have made efforts to improve the health of the most vulnerable populations; however, these systems were not designed to be equitable or to address the complex needs of communities suffering from historical and contemporary injustices, including poverty, racially-motivated segregated housing, disinvestment, and discrimination. The Department of Health and Mental Hygiene's (DOHMH) Harlem Health Advocacy Partners (HHAP) is a place-based Community Health Worker (CHW) program aiming to address this systems gap. Launched in 2014 as a Demonstration Project, the initiative operates in 5 NYC Housing Authority (NYCHA) public housing developments in East and Central Harlem, which are home to nearly 10,000 adults. DOHMH proposes to issue an RFP for a contractor to provide East and Central Harlem NYCHA residents, health coaching to increase self-efficacy for healthy behavioral changes and disease management, and to build community capacity to seek and/or create healthy conditions and acceptable services through advocacy to government and other service providers.

The Concept Paper will be posted on the DOHMH website, www.nyc.gov/health, October 23, 2019 through December 6, 2019. Written comments in response to the Concept Paper should be submitted to RFP@health.nyc.gov. Please include "HHAP CHW Concept Paper" in the subject line.
