Note: Transfer reasons with an indication of "emergency" are subject to the rule requiring written notice no later than 48-hours after any emergency shelter transfer. All other transfers are non-emergency.

*Transferees labeled "Safety Concern for Self" and "Safety Concern for Self - Emergency" are combined in FY24. Combine these two categories in prior fiscal years to compare data.

**The category "Other" captures a variety of transfer reasons, including some of the available transfer options. DHS is working to refine the transfer reasons to reduce the use of other.

***The category "NULL" captures instances where there was a system error and users were unable to select a transfer reason. DHS is working to fix this issue.
