To the Honorable the Board of Aldermen of the City of New York:

I have the honor to submit to your Honorable Body a certificate of the amount I have found to be due to John Foley on account of his claim for salary as a Supervisor of the County of New York under the provisions of chapter 528 of the Laws of 1884, a copy of which is herewith transmitted.

The law provides that the amount found due shall be included in the Estimate for the year 1884, but the payment of said claim will, however, be subject to the decision of the Supreme Court upon the constitutionality of said act.

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
August 4, 1884.

To the Honorable the Board of Aldermen of the City of New York:

I, S. Hastings Grant, Comptroller of the City of New York, do hereby certify, in pursuance of chapter 528 of the Laws of 1884, that I have examined into the facts and circumstances relating to the claim of John Foley for his salary as a Supervisor of the County of New York, and have ascertained the amount of such salary as the same was fixed by law in 1869, for so much of the period for which the said John Foley was elected to said office as preceded January 1, 1875, and I find and certify that such salary, as fixed by law in 1869, was two thousand dollars (\$2,000) per annum, and that the amount of the salary of a Supervisor for the period for which said John Foley was elected prior to January 1, 1875, was ten thousand dollars (\$10,000). That the interest on said salary to August 1, 1884, was eight thousand dollars (\$8,000), making a total of eighteen thousand dollars (\$18,000). That the amount of such salary, which has been paid is ten hundred and twenty-two dollars and twenty-one cents (\$1,022.21), the interest on which from June 6, 1875, when the same was paid, is six hundred and seven dollars and eighty-eight cents (\$607.88), making a total of sixteen hundred and thirty-nine dollars and ninety cents (\$1,639.09), leaving a balance of sixteen thousand three hundred and sixty-nine dollars and ninety-one cents (\$16,369.91), which sum I find and hereby certify to be the amount of such salary as aforesaid for the period aforesaid, with interest, which has not been heretofore paid; and in pursuance of the provisions of said act, I make this certificate of the amount to be included in the estimate of the amount to be raised by tax in the year 1884, in addition to the amount certified on the 7th day of June, 1884.

NOTICE  
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1883.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed of interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable jurors, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,  
Commissioner of Jurors,

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation under debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time, and in such quantities as may be directed by the said Corporation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of the Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the price thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is required that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, as aforesaid, in the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the consent of the head of the Department, or of a Deputy thereof, or of a Clerk therein, or of any other officer of the Corporation, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, as aforesaid, in the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the consent of the head of the Department, or of a Deputy thereof, or of a Clerk therein, or of any other officer of the Corporation, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, as aforesaid, in the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the consent of the head of the Department, or of a Deputy thereof, or of a Clerk therein, or of any other officer of the Corporation, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, as aforesaid, in the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the consent of the head of the Department, or of a Deputy thereof, or of a Clerk therein, or of any other officer of the Corporation, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, as aforesaid, in the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or oaths, in writing, of each of the persons making the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above the sum to which he would be entitled on its completion, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per cent. of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or his bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it as in and to the Corporation, and the contract will be re-advertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested, and the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

The consent above mentioned shall be accompanied by the consent of the head of the Department, or of a Deputy thereof, or of a Clerk therein, or of any other officer of the Corporation, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, as aforesaid, in the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per cent. of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or his bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

New York, until ten o'clock A. M., of Tuesday the  
9th day of September, 1884.

The person or persons making an estimate shall furnish  
the same in a sealed envelope, marked "Estimate for

pounds for the coal to be delivered (see eighth paragraph  
of the specifications). The price must be written in the

for the withdrawal of any estimate, and the right is  
expressly reserved by the head of said Department to  
reject any or all bids which may be deemed prejudicial  
to the public interests.

No estimate will be accepted from, or a contract  
awarded to, any person who is in arrears to the Corporation  
upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corporation.

The person or persons to whom the contract may be

place of residence of each person making the same;  
the names of all persons interested with him or  
them therein; and if no other person be so interested,  
it shall distinctly state that fact, also, that it is made  
without any connection with any other person, and that  
the estimate is for the same purpose, and is in all respects fair  
and without collusion or fraud, and that no member of the  
Common Council, head of a Department, chief of a bureau,  
deputy thereof, or any other officer or person in the  
Corporation, is directly or indirectly interested therein,  
or in the supplies or work to which it relates, or in any  
portion of the profits thereof. The estimate must be verified  
by the oath of the person signing the same, and the parties

are in all respects true. Where more than one person is  
interested, it is requisite that the verification be made and  
subscribed to by all the parties interested.

or refuse to execute the same, they will pay to the  
Corporation any and all sums which may be lawfully  
demanded by it, and that the person making the estimate  
will be entitled upon its completion, and that which  
the Corporation may be obliged to pay to the person or  
persons to whom the contract may be awarded at any  
subsequent letting; the amount in each case to be  
calculated upon the estimated amount of the work by  
which the bids are tested. The consent above men-  
tioned shall be accompanied by the oath or affirmation,  
in writing, of the person signing the same, that he is a  
householder or freeholder in the City of New York,

completion of this contract and herein stated, over and  
above all his debts of every nature, and that he has offered  
himself as a surety in good faith and with the intention to  
execute the bond required by law. The adequacy and sufficiency of the  
security offered will be subject to approval by the Controller  
of the City of New York after the award is made and  
prior to the signing of the contract.

may be awarded neglect or refuse to accept the contract

been awarded to his or her bid or proposal, and that the  
adequacy and sufficiency of the security offered has

the signing of the contract.

No estimate will be received or considered unless ac-  
companied by either a certified check upon one of the  
national banks of the City of New York, drawn to the order  
of the Controller, or money, to the amount of five per  
centum of the amount of the security required for the  
faithful performance of the contract. Such check or money  
must not be enclosed in the sealed envelope containing  
the estimate, but must be handed to the officer or clerk  
of the Department, who has charge of the estimate-box,  
and no estimate can be taken in said box until such check  
or money has been examined by said officer or clerk  
and found to be correct. All such deposits, except  
that of the successful bidder, will be returned by the  
Controller to the person making the same, three days  
after the contract is awarded. If the successful bidder  
shall refuse or neglect, within five days after notice  
that the contract has been awarded to him, to execute  
the same, he shall be considered as having abandoned it,  
and he shall be liable for the same, and he shall be  
held to be forfeited to and retained by the City of  
New York as liquidated damages for such neglect or  
refusal; but if he shall execute the contract within the  
time fixed for its completion, his deposit will be returned  
to him by the Controller.

Bidders are informed that no deviation from the specifi-  
cations will be allowed, unless under the written in-  
structions of the Engineer-in-Chief.  
No estimate will be accepted from, or a contract awarded  
to, any person who is in arrears to the Corporation, upon  
debt or contract, or who is a defaulter, as surety or other-  
wise, upon any obligation to the Corporation.

The right to decline all the bids, if reserved, if  
deemed for the interest of the Corporation of the City of  
New York.

Bidders are requested, in making their bids or esti-

submit a copy of each, together with the form of the  
agreement, including specifications, and showing the  
manner of payment for the work, can be obtained upon
