COTY OF NEW YORK, DEPARTMENT OF PUBLIC HUMBINGS, LIGHTING AND SUPPLIES,

OFFICE, No. 546 BROADWAY, NEW YORK, October 11, 1898.

Hen, MAURINE F. H. LAHAN, Frendent, Board of Public Improvements, No. 346 Broadway, Man-

hatrau. N. V. :

Respectfully yours, HENRY S. KEARNY, Commissioner.

And the following resolution was adopted : Resolved, In pursuance of section 415, chapter 378, Laws of 1897, and with the concurrence of the Minucipal Assembly, that authority be and is hereby given to the Commissioner of Public Buildings, Lighting and Supplies to enter into a contract by public letting to furnish and pat in place = steam-beating apparatus in the Zbrowski Mansion, Claremont Park, Borough of The Bronz.

Afirmative-Commissioner of Water Supply, Commissioner of Highways, Commissioner of Sewers, Commissioner of Public Buildings, Lighting and Supplies, Commissioner of Bridges, and President of the Board.

The question of the Rules and Regulations for the Department of Public Buildings, Lighting and Supplies, submitted by the Commissioner of that Department on September 21, and then laid

 and Supplies, submitted by the Commissioner of that Department on September 21, and then faid over, was taken up, and the following resolution was unanimously adopted 1
 Resolved, That this Board hereby approves of the rules and regulations submitted by the Commissioner of Public Buildings, Lighting and Supplies for the construction, care, maintenance and operation of poles, wires, conducts, subways and other electrical appliances ; also be it Resolved, That the Corporation Connect be requested to prepare and submit to the Municipal Assembly, ordinances based upon the aforestid rules and regulations.
 In the matter of the proposed change of grades of Sixty-eighth and Sixty-ninth attrets between Seventeenth and Eighteenth awmaes, Borough of Brouklyn, a report from the Secretary was read, stating that the matter had been duly advertised for hearing on this date in the manner prescribed by law. No one appearing in opposition to the proposed change, the following resolution was

adopted :

adopted : Whereas, It appears from the report of the Secretary to this Board, that he has caused the resolutions adopted by this Hoard on the 21st day of September, 1898, proposing to alter the map or plan of The City of New York by changing the grade of Sixty-eighth and Sixty-einth streets, between Seventeenth and Eighteenth avenues, in the Borough of Brooklyn, City of New York, and for a meeting of this Board to be held in the office of this Hoard, at No. 346 Horodway, on the 12th day of October, 1898, at 2 o'clock, F. M., at which such proposed change of grade would be considered by this Board to be held in the office of this Hoard, at No. 346 Horodway, on the 12th day of October, 1898, at 2 o'clock, F. M., at which such proposed change of grade would be considered by this Board to be notice to all presents affected thereby, of the aforesaid time and place at which such proposed change of grade would be considered, to be published in the Citry RixCoxft and corporation newspapers for at least ten days continuously, exclusive of Sundays and legal holidays, prior to the 12th day of October, 1898, and Whereas, It appears from the affidavit of the Supervisor of the Citry RixCoxft and of the publishers of the corporation newspapers, that the aforesaid resolutions and notice have been publishers of the City and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 12th day of October, 1898; and

Whereas, At the aforesaid time and place a public hearing was given to all persons affected

by such proposed change of grade who have appeared, and such proposed change of grade was duly considered by this Board ; now, therefore, be it Resolved. That the Board of Public Improvements of The City of New York, in pursuance of the provisions of section 436, of chapter 478, Laws of 1807, deeming it for the public interest to alter the map or plan of The City of New York by changing the grade of Sixty-sighth and Sixty-ninth streets, between Seventeenth and Eighteenth avenues, in the Boraugh of Brooklyn, City of New York, does hereby favor and approve of the same so as to charge the grade of the aforeanid streets a follows : streets as follows :

Beginning at the intersection of Sixty-eighth street and Seventeenth avenue, the elevation to be 42.5 feet above mean high water datum as heretofore.

Thence easterly to a point 130 feet from the eastern line of Seventeenth avenue, the elevation to be 43.74 feet above mean high water datum.
 Thence easterly to the intersection of Sixty-eighth street and Eighteenth avenue, the elevation to be 38.60 feet above mean high water datum and heretofore. The mean high water datum to which the elevations are referred, is the one in use in the Department of Highways.

1st. Beginning at the intersection of Sixty-ninth street and Seventeenth avenue, the elevation to be 40.46 feet above mean high water datum.

2d. Thence easterly to a point 200 feet from the eastern line of Seventeenth avenue, the elevation to be 42.26 feet above mean high water datum

3d. Thence sasterly to the intersection of Sixty-ninth street and Eighteenth avenue, the ele-vation to be 37.60 feet above mean high water datum as heretofore.

The mean high water datum to which the elevations are referred is the one in use in the Department of Highways,

Besolved, That the foregoing resolution, approving of the above-named proposed change in the map or plan of The City of New York, by changing the grade of Sixty-eighth and Sixty-ninth streets, adopted by this Board, together with a statement of its reasons therefor, be transmitted to the Municipal Assembly for its action thereon. Attirnative- Commissioner of Water Supply, Commissioner of Highways, Commissioner of Street Cleaning, Commissioner of Sewers, Commissioner of Public Buildings, Lighting and Supplies, Commissioner of Bridges, President Borough of Brocklyn and President of the Board, Negative-None. Negative-None.

The following resolution, fixing a date for a hearing in the matter of the change of grade of Yan Corlear place, was unanimously adopted : Resolved, That the Board of Public Improvements of The City of New York, in pursuance of

the provisions of section 436, chapter 378, Laws of 1897, deeming it for the public interest as to do, proposes to alter the map or plan of The City of New York by changing the grade of Van Corlear place, from Wicker place for a distance of two hundred and forty-three and eight one-hundredths feet southerly, in the Borough of Manhattan, City of New York, more particularly described as follows: described as follows :

Beginning at a point the intersection of the centre lines of Wicker place and Van Corlear place, elevation seventy-four feet : thence southerly along the contre line of Van Corlear place, distance one hundred and eighty feet, elevation eighty-seven and twenty-four one-hundredths feet ; thence southerly and along said centre line, distance sixty-three and eight one-hundredths feet, elevation eighty-eight feet, to meet the established grade, elevation eighty-eight feet. All elevations above city hase.

All elevations above city base. Resolved, That this Board consider the proposed change of grade of the above-named place, at a meeting of this Board to be held in the office of this Board at No. 340 Broadway on the 26th day of October, 1898, at 2 o'clock r. a. Resolved. That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby, that the proposed change of grade of the above-named place will be considered at a meeting of this Board to be held at the aforesaid time and place, to be published in the Cirry RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 26th day of October, 1898. October, 1898.

The following report from the Chief Topographical Engineer was read r

CITY OF NEW YORK, PRESIDENT OF BOARD OF PUBLIC IMPROVEMENTS, TOPOGRAPHICAL BUREAU, BOROUGH OF THE BRONX, ONE HUNDRED AND SEVENTY-SEVENTH STREET AND THIRD AVENUE,

October 10, 1898.

Mr. JOHN H. MOONEY, Secretary, Board of Public Improvements :

Sin-In reply to the action taken by the Local Board of the Eighth District, Borough of Brooklyn, recommending the reducing of the width of the roadway of President Street, from New

York avenue to Kingston avenue, from 50 feet to at feet, for the purpose of increasing the width of the sidewalk from 25 feet to 25 feet, I report as follows : President street, east of New York avenue is legally established on the official maps as 100 feet in width, but is as yet not physically opened. West of New York avenue the street is shown

The ordinance relating to the sidewalks in Brooklyn establishes a width of 20 feet for a 100 foot street, but in this case, I do not see any objection to the granting of the petition of the Fastern Parkway Company for increasing the width to 29 feet, which was recommended by the Deputy Commissioner of Highways, Borough of Brooklyn.

Commissioner of Highways, Borough of Brooklyn. I recommend, therefore, that, in accordance with chapter 10, title 1, section 416 of chapter 378 of the Laws of 1897, the Board of Public Improvements prepare and recommend to the Muni-cipal Assembly an ordinance establishing the width of the sidewalks of President street, from New York avenue to Kingston avenue, Borough of Brooklyn, as 29 feet. The papers in this matter are herein returned. Sketch attached. Kespectfully, LOUIS A. RISSE, Chief Transcreables Fordings and Engineer of Concourse.

Chief Topographical Engineer and Engineer of Concourse.

And the following resolution was thereupon adopted :

Resolved, That the Board of Public Improvements, with the concurrence of the Municipal Assembly, directs that the roadway of President street, from New York avenue to Kingston ave-nue, Borough of Brooklyn, he reduced from fifty (50) feet to forty-two (42) feet, and the width of the sidewalk increased from twenty-five (25) feet to twenty-nine (29) feet. Athernative-Commissioner of Water Supply, Commissioner of Highways, Commissioner of Street Cleaning, Commissioner of Sewers, Commissioner of Public Buildings, Lighting and Supplies, Commissioner of Bridges, Fresident Borough of Brooklyn, President of the Board. Negative-None,

The following communication from the Chief Topographical Engineer was read, and the Secretary was directed to forward said maps to the Commissioner of Highways with the request that he return same when they have served his purpose:

CITY OF NEW VORK, PRESIDENT OF BOARD OF PUBLIC IMPROVEMENTS, TOPOGRAPHICAL BUREAU, DOROUTH OF THE BRONS, ONE HUNDRED AND SEVENTY-SEVENTH STREET AND THIRD AVENUE, CONTABLE IN 1805

OCTOBER 10, 1898.

Mr. JOHN H. MOONEY, Secretary, Board of Public Improvements:

Siz-In accordance with the request of Mr. John D. Greamer, Secretary of the Department of Highways, I transmit herewith the mops to accompany the catalogue for the sale of encroachments an 18 avenues and streets in the Borough of The Bronx, which catalogue was transmitted on

August 29, 1898. I recommend that the Commissioner of Highways be requested to return the said maps after copies are made.

The above-mentioned letter is herein returned.

Respectfully, LOUIS A. RISSE, Chief Topographical Engineer and Engineer of Concourse.

The following communication from the Commissioner of Highways was read and ordered filed :

DEPARTMENT OF HIGHWAYS-COMMISSIONER'S OFFICE, NO. 150 NASSAU STREET, BORDUGH OF MANHATTAN, October 7, 1898.

Hon, MAURICE F. HOLANAN, President, Board of Public Improvements : DEAB STR-I beg to acknowledge receipt of a letter, dated September 22, from your Secretary, transmitting, for investigation and report, a copy of a petition from business men and residents in the neighborhood of Leonard street for an asphale pavement on said street, between West Broadway and Hudson street.

In reply, I beg to report that the pavement on this street is granate, in good condition, and that as the rathe on the strees is very heavy, asphalt would be ansaitable. Moreover, there is no appropriation to pay for a new pavement this year. Very respectfully, JAMES P. KEATING, Commissioner of Highwaya.

THE CITY RECORD.

The following communications from the Commissioner of Highways were read and the matters laid over :

DEPARTMENT OF HEDIWAYS-COMMISSIONER'S OFFICE,

NO. 150 NAMAD STREET, BORDUILI OF MANDATIAN, October 7, 1898.

How, MAURICE F. HOLAHAS, President, Board of Public Improvements:

DEAK SIE-I have the honor to acknowledge receipt of a latter, dated September 22, from the Secretary of the Board of Public Improvements transmitting, for investigation and report, a reso-lation of the Board of Addemon providing for the repaying of East Twelith street, between University place and Fifth avenue, in the Borough of Mashattan, with asphalt pavement. The estimated cost of the proposed improvement is \$5,100. There is no money to pay for the work this year. The street has been liked for consideration when next year's appropriation for the work this year.

the work this year, becomes available.

Very respectfully, JAMES P. KEATING, Commissioner of Highways.

DEPARTMENT OF HIGHWAYS-COMMISSIONER'S OPPICE, NO. 150 NASSAU STREET, BOROUGH OF MANHATTAN, October 7, 1898,

Hon. MAURICE F. HOLAHAN, President, Reard of Public Improvements : Mon. MADRICE F. HOLAHAN, Provident, Reard of Public Improvements: Drag Stit-In answer to a latter, dated the 15th addime, from the Secretary of the Board of Public Improvements, remoniting, for investigation and report, a copy of a communication from the National Shoe and Letther Bank and other requesting that Chambers street, from Broadway in West Broadway, he paved with aphabi, I bug to mate that the estimated cost of the proposed improvement is \$8,400 and that there is no money to pay for a this year. The improvement is desirable and has been listed for combination mext year's appropriation for "Repaying Streets and Avenues" becomes available. Very respectfully, IAMES P. KEATING, Commissioner of Highways. The following report from the Commissioner of Water Supply was filed and the Secretary was directed to multip the petitioner r.

was directed to notify the petitioner : DEFAILTMENT OF

WATER SUPPLY-COMMISSIONER'S OFFICE, [
BALL MARK BENERALD STATE AND	

NO. 150 NASSAD STREET, NEW YORK, October 10, 1898.

How. MAURICE F. HOLAHAN, Prendent, Board of Public Improvements :

DRAB SIG-With the letter of 7th instant from the Segretary of your Board was received, far examination and report, a copy of a communication addressed to your Board by Mr. Clifford L. Miller, petitioning the Board to have water-moins laid on Variok street, from Nassau avenue, for a distance of 900 feet to his factory.

distance of 900 feet to his factory. From report made to use by the Chief Engineer of this Department, I find that, in view of the fact that the streets through which the proposed water-main is to be faid are not regularly faid out or graded, arrangements have been made for the baying of a private water-main for this purpose, and that no turther action on the part of your Board is required in this matter at the present time. Very respectfully, WM, DALTON, Commissioner of Water Supply.

The following report from the Commissioner of Water Supply was read, and the matter was referred back to bim for a full and complete report relative to the contracts and torms of all companies furnishing water within the territory of the Greater New York :

DEFARTMENT OF WATER SUPER-COMMISSIONER'S OFFICE, NO. 150 NAMAU STREET, NEW YORK, OPHDER 5, 1898.

Hen, MAURICE F. HOLAHAN, Premint, Board of Public Improvements : Men. MADRICE F. HOLAHAN, Presented, Energy of Public Impresented: : LEAR SIG-J beg to acknowledge receipt of the lefter of 28th altimo from the Secretary of your Board transmitting the resolution of your Board, which calls upon us to report all the private companies which are supplying water in The City of New York, their plant and capabili-files, and the feasibility of the City extending its plant so as to cover the same territory, and no information as to the terms and length of the contracts between The City of New York and the territory east of the Kerne.
Except as to the New York and Westchester Water Company, I on unable at the present time to preventy information additional to that given in my letter to your Board of April 26, 4008, and the accompanyjoing schedule, which was primed in the minutes of your Board. "I The Upper New York Water Company, the Pocontico Water Company and its allourds," "I The Upper New York Water Company, the Pocontico Water Company and the New York District Supply Company," derive their write supply from the Pocontice river, by the construction of a dam and reservoir about two miles from the Hudson river, from which mains have been laid to a pumping soliton appoint the month which the Village of Watefield, and from a small areain at which a dam has also been built at this pomping station.

opposite the north and of the late Village of Wakefield, and from a small arrain at which a dam has also been built at this pumping station. They also have at Felfman, near Hutchinson's Creek, a pumping plant of r.500,000 gallons per day capacity, supplied from wells and from the creek. The pumping pirst at each of these stations is not in proper working order, and, therefore, not capable of fully utilizing the sources of supply. The -apply incom the Porantice river is drawn upon for the use of the villages of Tarrytown and Dobbs Ferry, and the City of Yonkers, before it reaches the family of the Vork. With the construction of a storage reservoir of sufficient capacity and the laying of new and large water-mains from it to the pumping plant, the Porantice river is capable of supplying iz,000,000 gallom of water per day.

Photogr

With the construction of a storage reservoir of sufficient expansivy and the laying of new and large water-mains from it to the permising plant, the Forantical river is expatible of supplying 12,000,000 gallous of water per day.
The capacity of the source and plant at Pelham is 1,500,000 gallous per day.
The capacity of the source and plant at Pelham is 1,500,000 gallous per day.
The New York and Westchester Water Company now supplies about 2,000 houses, including residences, schools and other public buildings, through about 500 miles of water-mains, varying in size from twenty indice to four indice, on which there are 465 fire-liqurants.
The actual water supply furnished to these 2,000 houses among to about 1,500,000 gallous per day, including the 500,000 gallous per day termished by the City from the lirons rives conduct, since Juty, 1897.
Inclose here's the copies of contracts between the New York and Westchester Water Company and the several rowns or eillages now embedded in The City of New York, as follows: "With the Town of Westchester, dated May 17, toos, term ten years.
The York and Pelham, dated July 30, 1891, term ten years.
The York and Westchester, dated July 30, 1895, term ten years.
