IV. EEO, Diversity, Inclusion and Equity Initiatives for FY 2023

Please describe your progress this quarter in implementing the primary goals in Section IV of your Agency Diversity, Equity, Inclusion and EEO Plan for FY 2023.

A. Workforce:

Please list the **Workforce Goal(s)** included in *Section IV: Diversity, Equity, Inclusion and EEO Initiatives for FY 2023*, which you set/declared in your FY 2023 Diversity, Equity, Inclusion and EEO Plan (e.g., underutilization, workforce planning, succession planning and diverse applicant pool, among others).

1. To increase participation and employment of individuals with disabilities in the workforce, DSS will leverage year 4 of the grant-funded Partnership for Inclusive Internships (PII) to create 30 more internship opportunities in FY 23 for people with disabilities while expanding the PII Program to other City Agencies. DSS will also seek to ensure that the PII Program continues beyond 1/1/2023 through other funding sources.

Q1: In Q1, 18 Interns with disabilities were in place within DSS. The PII Program expanded to 4 additional City Agencies, posting internship opportunities at DoITT, DOT, MTA, and The Parks Department. In addition, the Office of Disability Affairs and AHRC (PII Partner Agency) met with The Taft Foundation to explore an additional few months funding while we secure the future of the program. An additional meeting was held with New York Community Trust. A proposal will be submitted to NYCT in Q2. The PII Program prepared a PII Executive Summary for potential NYC Council Funding, highlighting that interns in this program have come from every City Council District, less 5.

Q2 Update: In Q2, 24 interns were actively in place in the PII Program, including 8 newly onboarded interns. In addition to DSS, the PII Program is currently working on placing interns with DOT, The NYC Parks Department, the MTA and DCAS. The Taft Foundation extended funding through March 2023 and there is currently a proposal submitted to New York Community Trust to extend the program.

2. Continue to work on the blind recruitment process with HRS

- ❖ Blind recruitment is the process of removing all identifying details from candidates’ resumes and applications. This helps hiring teams evaluate people on their skills and experience instead of factors that can lead to biased decisions. This pilot will allow hiring managers to select the right candidates without imposing any type of preconceived ideas about a candidate based on their name, age, the school they attended, etc. This will help create more diverse program units and may help address underutilization. The blink recruitment process would help with the following:
 - The use of blind resume selections and other resources to increase the selection of diverse candidates.
 - Increasing the pool of qualified hiring managers by encouraging more managers to take Structured Interview Training for Hiring Managers.
 - Reviewing and updating recruitment resources on bi-annual basis to ensure that the sources are yielding the desired results

5. Identify best practices for establishing a brand of inclusive customer service.

❖ **The DSS Office of Constituent Services (OCS)** is planning to launch the One Number initiative during FY'23. This initiative will modernize the agency's call center to provide clients with the ability to manage their benefits remotely. The DSS One Number is a new Interactive Voice Response (IVR) system that will consolidate most of the agency's separate IVR (40) systems into one public-facing customer service number. The DSS One Number will provide clients with self-service and agent-assisted supports for some of the agency's largest benefit programs including SNAP, Cash Assistance, Medicaid, HASA, and HEAP.

OCS is also increasing access by expanding its call center, Infoline, hours in order to serve a wider range of clients.

During Fy'23 Q1 Infoline call center has expanded its hours of operation on Wednesdays to provide better client access and improve customer service. This is a pilot program that started in June and will continue through 2023.

To enhance diversity recruitment, we post externally on ethnic and professional websites, colleges, APA's and organizations such as HBCU's, LinkedIn, etc.

- ❖ HRS continues to post HRA and DHS positions on www.nyc.gov/careers so that external candidates can seek out job opportunities. This allows us the ability to recruit from a diverse population outside of the Agency. We continue to increase our outreach to develop a solid list of diversified recruitment sources to increase the agency diverse and inclusive footprint.
- ❖ In Q1 the agency posted 450+ positions on LinkedIn to reach a more diverse applicant pool.
