Pursuant to Local Law 56 of 2014

February 15, 201

Report Pursuant to Reporting Requirements in Local Law 56 of 2014

Background

Chapter 3 to Title 21-A of the Administrative Code of the City of New York (Int. No. 403-A) enacted in 2014 as Local Law 56 requires annual reporting on guidance counselors no later than the fifteenth of February.

Data is gathered from various sources, including the Division of Human Resources, the Division of Teaching and Learning, the Division of Specialized Instruction and Support, and the Research Policy and Support Group.

This year, the data reported includes additional context about schools' participation in initiatives and programs such as Learning to Work and Community Schools, which offer additional student support services. However, any counseling support provided through Learning to Work and Community Schools did not factor into total counts or ratios.

Int. No 403-A specifies that the report shall include:

- i. The number of full and part-time guidance counselors and social workers in each school.

Title	Total	Full-time	Part-time
Guidance Counselor	2,958	2,881	77

Demographic data is based on SY2017-18 with the exception of schools that opened in July 2018 (enrollment data for new schools is preliminary). Please note that the special education program data is now reflected as a percentage of the IEP recommended portion of school day in a general education setting (versus percentage of ICT, SETTS or Special Class as in previous years). The data is now reported as such to align with the State reporting requirements as well as the requirements set forth in Local Law 27.
