OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, August 24, 1880.

Hon. EDWARD COOPER, Mayor of the City of New York:

DEAR SIR—I am in receipt of a letter of Hon. Henry P. McGowan, President of the Board of Civil Justices of the District Courts of the City of New York, dated August 19, 1880, addressed to your Honor and referred to me for consideration and opinion upon the questions therein raised.

The questions to which my attention is hereby invited are:
1st. What fees, if any, should be collected by the clerks of the district courts in summary proceedings, to recover real property, brought under the provisions of the recently enacted Code of Procedure?

2d. Should the necessary blanks for such proceedings be furnished by the city.
In answer to these questions, I advise:
First—The statute (sec. 2250 of the Code) provides, that the fees of officers must be at the rate allowed by law in an action in the district court and limited in like manner.

Assuming that the expression "fees of officers" is sufficiently comprehensive to include fees of the court to be collected by the clerk, it is necessary to examine the statutes which define such fees in other actions in these courts to determine what amount should be collected in these actions.

I find that the amount of such fees is prescribed by section 67, chapter 344, Laws of 1857, in an action in which the plaintiff's demand is less than fifty dollars.

Section 68 of the same act provides that when the plaintiff's demand is fifty dollars or more, the court fee shall be the same as in the Marine Court.

The fees thus established are chargeable only in actions in which the plaintiff's demand is to recover a sum of money, and the amount of the fees is made dependent upon the amount of money sought to be recovered.

The statute has made no provision for any fee to be paid to the court, except in actions in which the plaintiff seeks to recover a money demand.

I am, therefore, of the opinion that in these proceedings which involve only a demand to recover possession of real property and are not actions to recover a money demand, no fee is defined by the statute, and, therefore, that none can lawfully be collected as "fees of the court" in such cases.

Second—The Code contains no special provision in the article in relation to these proceedings making it obligatory upon the city to furnish to litigants the blanks required in the prosecution thereof.

The proceedings, however, seem to be placed upon exactly the same basis as ordinary actions to recover debts in such courts, and litigants are entitled to the same consideration as in ordinary actions.

The statute provides that in proper cases the Justice must issue a precept and a warrant (sections 2238-2251).

It, therefore, seems to me proper for the city to furnish blanks in the same manner and to the same extent that blanks are furnished in other actions in these courts, or at least the forms of process which the law says the Justice must issue.

I am, sir, yours respectfully,
W. C. WHITNEY, Counsel to the Corporation.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
300 MULBERRY STREET,
NEW YORK, August 30, 1880.

PUBLIC NOTICE.

SEALED BIDS OR ESTIMATES FOR CON-
structing a dumping board on the southerly side of Pier (old No.) 42, North river, will be received at the Central Office of the Department of Police, in the City of New York, until 10 o'clock A. M. of the 10th day of September, 1880.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for constructing a dumping board," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

For the amount of work to be done reference is made to the Plans, Specifications, and approved form of contract which may be examined at the office of the undersigned, where blank forms for bid and estimate may also be obtained.

The Police Department reserves the right to reject any or all bids or estimates not deemed beneficial or satisfactory.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of five thousand dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no Member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

DEPARTMENT OF DOCKS,

NEW YORK, August 23, 1880.

TO CONTRACTORS.

(No. 120.)

PROPOSALS FOR ESTIMATES FOR DREDGING THE SLIPS BETWEEN THE PIERS AT TWENTY-SIXTH STREET AND TWENTY-EIGHTH STREET, ON THE EAST RIVER.

SEALED PROPOSALS FOR DREDGING AT the above-named places on the East river, indorsed with a statement of the work to which it relates, and with the name or names of the persons or persons presenting the same, and the date of presentation, and addressed to "The Board of Commissioners of the Department of Docks," will be received at this office until 12 o'clock M. of

WEDNESDAY, SEPTEMBER 8, 1880,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of two thousand dollars.

The Engineer's estimate of the quantity of material necessary to be dredged in order to secure at the premises mentioned the depth of ten feet at mean low water, is 19,500 cubic yards.

N. B.—As the above-mentioned quantity, though stated with as much accuracy as is possible, in advance, is approximate only, bidders are required to submit their proposals upon the following express conditions, which shall apply to and become part of every proposal received:

(1.) Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing estimate, and shall not, at any time after the submission of a proposal, dispute or complain of such statement nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned which shall be actually performed, at the price therefor per cubic yard to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date thereof, and all the work to be done under the contract is to be fully completed on or before the 15th day of October, 1880; and the damages to be paid by the contractor for each day that the contract or any part thereof may be unfulfilled after the time fixed for the fulfillment thereof has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

All the material excavated is to be removed by the contractor, and deposited in all respects according to law.

Bidders will state in their estimates the price per cubic yard for doing such dredging in conformity with the approved form of contract and specifications therein set forth, by which the bids will be tested. The price is to cover all expenses of every kind involved in or incidental to the completion of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give the proper security, for forty-eight hours after notice that the same is ready for execution, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence; and the names of all persons interested therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is required that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if said person shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 374, Laws of 1871, and by section 27 of chapter VIII of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are in formed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, is annexed. Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer.
