By Alderman Masterson—

Petition of property-owners for the improvement of Eleventh avenue Boulevard, One Hundred and Fifty-fifth street to the Kingsbridge road.

To the Honorable the Board of Aldermen of the City of New York:

The undersigned, property-owners on the Eleventh avenue Boulevard, from One Hundred and Fifty-fifth street to its intersection with the Kingsbridge road, respectfully represent that they believe a change in the plan of regulation and improvement of that portion of the said avenue will be of advantage both to the property abutting thereon and to the public.

The great width of the roadway, one hundred and two feet from curb to curb, is more than will ever be needed for purposes of travel, and in that portion of the Boulevard from Manhattan to One Hundred and Fifty-fifth street, where it has been left unbroken by parked strips in the centre, the clouds of dust constantly arising have proved to be serious drawbacks to its use as a place of residence, and consequently to the improvement of the property, and in consequence the Department of Public Works has provided between One Hundred and Fifty-fifth street and the Kingsbridge road, for the narrow parked spaces in the centre, in like manner as below Manhattan street.

This plan is, however, objectionable on two grounds:

First—Experience on the Boulevard south of Manhattan street has shown that it is impracticable to maintain such spaces in good condition and preserve the grass-plats without fencing them in.

Second—Such spaces interfere with the easy passage from side to side of the avenue, absolutely cutting it off for vehicles, except at the intersections of streets.

It is believed that a roadway seventy feet in width is all that will ever be needed or even desirable. It will then be ten feet wider than the roadways of Broadway and the avenues south of One Hundred and Tenth street, with the single exception of Fourth avenue, which was widened because of the Harlem Railroad running through it.

The roadway thus narrowed will be much less expensive to maintain and keep in order, and the grass-plats being within the line of the curb-stone, and immediately adjacent to the private property, will be kept in order by the owners or occupants thereof without expense to the public, and more thoroughly than can be expected from any official effort or supervision.

The removal and replacing of the curb and the receiving-basins and their connections will entail some expense, for which the undersigned property-owners expect to pay, and desire to be understood as assenting to the assessment thereof, and as estopped from disputing the same except for fraud and extravagance.

The undersigned therefore request that your Honorable Board will enact an ordinance or ordinances to the following effect:

I.—That the plan of regulation or improvement of the said avenue or Boulevard, be amended by extending the sidewalks to the width of forty feet on each side with two rows of trees on each sidewalk, and a flagged or otherwise paved footway between the trees, and that the curbs and receiving-basins be altered to conform to such change.

II.—That the roadway of said Eleventh avenue, between One Hundred and Fifty-fifth street and Kingsbridge road, be of the width of seventy feet from curb to curb.

III.—That the Department of Public Works proceed forthwith to regulate and grade said avenue, and to pave the roadway thereof, from curb to curb, with Telford, Macadam or other pavement of the same general character, in the manner provided by law for making such improvements.

Lavinia S. Hawley, by S. C. Hawley, her attorney, owner of lot 100 feet on the Boulevard, and 125 feet on 155th street, N. E. corner.

Emma L. Kerner, by C. H. Kerner, attorney, owner of block on west side of Boulevard, between 155th and 156th streets, 150 feet on 156th street, and 125 feet on 155th street, and also owner of lots on S. E. corner of Boulevard and 156th street, 100 feet on Boulevard and 175 feet on 156th street.

Charles H. Kerner, owner of lot on southeast corner of 157th street and Boulevard; 100 feet on Boulevard and 475 feet on 157th street.

Wm. A. Wheelock, owner of block on east side of Boulevard, from 158th street to 159th street, 200 feet, and 125 feet on 158th and 159th streets.

John Dalley, owner of block on west side of Boulevard, from 157th street to 158th street, 200 feet, and 100 feet on 158th street.

S. F. Knapp, executor of Shepherd Knapp 400 feet on east side, between 160th and 162d streets, and 200 feet on west side, between 160th and 162d streets.

Elizabeth F. Floyd, by Roe & Macklin, attorneys, owner of 100 feet southeast corner of 150th street and Public Drive.

The New York Institution for the Instruction of the Deaf and Dumb, by Thatcher M. Adams, Secretary, owners of about 640 feet on west side, running south from 165th street, and about 740 feet on east side, running south from 165th street.

George Bird Grinnell, owner of 100 feet on east side, corner 156th street, and of 100 feet on 156 street, adjoining.

Ann F. Bell, owner of 50 feet on avenue by 75 deep, northeast corner avenue and 159th street.

In connection therewith Alderman Masterson offered the following:

Resolved, That the plan of the regulation and improvement of the Eleventh Avenue Boulevard, from One Hundred and Fifty-fifth street to its intersection with the Kingsbridge road, be amended and altered as follows: That the roadway thereof shall be seventy feet wide from curb to curb, and the sidewalks on each side shall be forty feet wide, with two rows of trees in each sidewalk and a flagged or otherwise appropriately paved footway between the rows of trees, and that the curbs and receiving-basins already laid in said avenue, between One Hundred and Fifty-fifth street and the Kingsbridge road, be altered so as to conform to such change, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

#### COMMUNICATIONS.

The President laid before the Board the following communication from Gen. M. T. McMahon:

MEMORIAL COMMITTEE OF THE CITY OF NEW YORK, G. A. R.,  
HEADQUARTERS, NO. 32 CHAMBERS STREET,  
NEW YORK, October 12, 1885.

Hon. ADOLPH L. SANGER, President Board of Aldermen:

DEAR SIR—At the last annual encampment of the Grand Army of the Republic, Department of New York, held in Uuca last winter, it was decided, upon the invitation of the New York City Posts, to hold the next encampment of the department in this city. Nearly one thousand delegates will assemble here, and remain for at least two days. This will bring here, of course, many of their friends and a number of distinguished soldiers and citizens from all parts of the country. This will be the first occasion since the organization of the G. A. R. that it has convened in this city, and as Chairman of the Memorial Committee representing the city Posts, I respectfully petition in their behalf that the Honorable Body over which you preside may take such action as to you may seem best toward obtaining a small appropriation of \$2,500 to pay certain necessary expenses—places of meeting, printing, etc., which, I regret to say, the Posts in this city, owing to the many calls upon them of a charitable nature, find themselves unable to defray.

In all other cities where the encampment has met from time to time, an appropriation of this nature has been made, in many cases a very liberal one, and the veteran soldiers have been received with much hospitality and considered as guests of the city.

Be assured that any action you and the Honorable Body over which you preside may take in this matter will be gratefully appreciated by every comrade of the Grand Army of the Republic.

Very respectfully, your obedient servant,  
M. T. McMAHON, Chairman Memorial Committee.

Whereupon the President offered the following:

Resolved, That the Board of Estimate and Apportionment, in making up the provisional estimate of the amount of money required to conduct the business of the City Government for the year 1886, which is to be presented to this Board, as required by section 189 of the New York Consolidation Act, before the 10th proximo, be and is hereby respectfully requested to include therein the sum of \$2,500 towards paying certain necessary expenses of the next annual encampment of the Grand Army of the Republic, which is to be held in this city some time during the year 1886.

The President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, October 24, 1885.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted October 13, 1885, that permission be given to the Thirty-fourth Street Ferry and Eleventh Avenue Railroad Company to construct, maintain and operate a railroad on the surface of Thirty-fourth street, and other streets, avenue and places in the City of New York.

There are many grounds upon which objections might be based to the granting of this franchise. The first and most important ground is, that while the consent given by the Common Council annexes as a condition, that which the law of 1884 requires, that there shall be paid annually into the City Treasury for the benefit of the Sinking Fund thereof, at least three per cent. of its gross receipts, and after the expiration of five years, five per cent. of the same, the value of the franchise granted in this instance largely exceeds the minimum fixed by the Legislature. The privileges which are accorded to this company are very sweeping; and the amount of travel which it will accommodate will probably be so large, that the city would be justified in demanding at least ten per cent., instead of the three per cent. allowed by the statute. I have always insisted that companies occupying the streets, which belong to the public, should pay an adequate compensation for the right which is accorded them.

Another point which is of almost equal importance is, that the owners of three-fourths of the entire assessed valuation of abutting property on Thirty-second and Thirty-third streets, stand opposed to this railroad. Under the decision of the General Term of the Supreme Court in the Thirty-fourth Street Railroad case, it is legitimate and proper for me to take this fact into consideration, and to give it all the emphasis to which it is entitled. In other words, I am well justified in placing my objection to the proposed franchise on this ground alone, although provision is fully made by the act of 1884 for the appointment of commissioners, whose duty it is to determine whether or not under all the circumstances in the case as developed by the proper evidence, the objections of abutting should give way to a consideration of public convenience. I have already alluded to the value of the proposed franchise, and that value implies the existence of a public demand, which the road laid out, would satisfy. Such a demand might outweigh the objections of abutting owners, but it has been stated to me as a fact by counsel representing the Thirty-fourth Street Railroad that the consent of the Harlem Railroad Company has probably, and that of the Thirty-fourth street line, whose opposition furnished the basis of the injunction recently granted by the General Term in the case to which I have hereinbefore referred, has positively been obtained, and that the injunction is soon to be vacated. If this be so, the Thirty-fourth street road will probably be built, and there is certainly no consideration of public convenience which would justify a parallel road through Thirty-second and Thirty-third streets when the road through Thirty-fourth street would be likely to supply any demand based upon the claim of the necessity of additional accommodation. Under this consideration, it is just to give all weight to the objections of property-owners, as their fears of a decreased valuation are not at all chimerical, when the narrowness of Thirty-second and Thirty-third streets is considered.

The third and final objection to which I shall allude is, that the consent of your body embraces the transportation of property as well as of passengers. Whatever it may have been intended to include under the term property, it is apparent that such an interpretation might be placed upon the word as would justify the conclusion, that the streets might be used for freight cars. This would furnish an additional weight to the objection of the property-owners that the value of their holdings would be impaired, and I cannot see that there is any demand, from a public standpoint, for a privilege of such a nature.

W. R. GRACE, Mayor.

Resolved, That the consent of the Common Council of the City of New York, as the "local authorities" mentioned in sections 3 and 4 of chapter 252 of the Laws of 1884, be and is hereby given to the Thirty-fourth Street Ferry and Eleventh Avenue Railroad Company, to construct, maintain and operate a street surface railroad, for the conveyance of persons only, with the necessary connections, sidings, switches, turn-outs and turn-tables, through, along, and upon the surface of the following-named streets, avenues and highways, in the City of New York, viz.: Commencing at or near the ferry, foot of Thirty-fourth street, East river; thence through, along and upon Thirty-fourth street, with double tracks, to Lexington avenue; thence through, along and upon Lexington avenue, with double tracks, to Thirty-second street; thence through, along and upon Thirty-second street, with double tracks, to Fourth avenue.

Also, from their tracks at Thirty-fourth street and Eleventh avenue, through, along and upon Thirty-fourth street, with double tracks, to the North river.

Also, from their tracks at Forty-second street and Eleventh avenue, through, along and upon Forty-second street, with double tracks, to the ferry at the foot of Forty-second street, North river.

Also, from their tracks at Fifty-seventh street and Eleventh avenue, through, along and upon Fifty-seventh street, with double tracks, to the North river.

The President put the question whether the Board would agree with said resolution.

By the same—

Whereas, It is conceded, on all hands, that the use of "dummy engines," drawing long trains of freight cars through many of the busiest thoroughfares of this city, on the west side, is an unmitigated evil, that, in the interest of the public, should be abated at the earliest practicable period; and

Whereas, Since the use of these "dummy engines" was permitted by the Common Council in the year 1867, the most strenuous efforts have been almost annually made by the residents, owners of property and men engaged in business fronting on the streets traversed by these engines, to have the nuisance abated, but, up to the present time, these attempts have been lamentable failures; and

Whereas, It has been demonstrated to the Common Council again and again that the constant passing and re-passing of long trains of cars, drawn by these locomotives, inflict damage to a large amount upon every description of business transacted on the streets through which they pass; that the delay and annoyance caused the public is incalculable, and that hundreds of persons have been killed and maimed by these dummy engines; be it, therefore,

Resolved, That the resolutions approved by the Mayor, June 22, 1867, by which the Hudson River Railroad Company was permitted to use locomotive or dummy engines "to draw their cars between their several passenger and freight stations in the City of New York" be and they are hereby annulled, rescinded and repealed; and be it further

Resolved, That the use of locomotives or dummy engines, by the New York Central and Hudson River Railroad Company, in any of the streets, avenues or public places south of Sixty-fifth street is hereby forbidden, under a penalty of one hundred dollars for every offense, one-half the said penalty to be paid by the magistrate collecting or receiving said sum to the complainant in each case, and the other one-half to be paid into the City Treasury.

Alderman O'Dwyer moved that the paper be referred to the Committee on Law Department.

The President stated that he was called upon to attend a meeting of the Board of Estimate and Apportionment, and as the Vice-President was engaged in discussing the question before the Board, he called

Alderman Morgan to the chair.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods and Crockery," with his or their name or names, and the date of presentation, to the head of said Department, at the said

office, on or before the day and hour above named, at which time and place the bids and estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, October 24, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the cause of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. 400,000 pounds Hay, of the quality and standard known as Best Sweet Timothy.  
85,000 pounds good, clean Rye Straw.  
2,800 bags clean No. 1 White Oats, 80 pounds to the bag.  
1,800 bags first quality Bran, 40 pounds to the bag.

—will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 11 o'clock A. M., Wednesday, October 28, 1885, at which time and place they will be publicly opened by the head of said Department and read.

The form of the agreement and specifications, showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

All of the articles are to be delivered at the various houses of the department in such quantities and at such times as may be directed.

Proposals must include all the items, specifying the price per cwt. for hay and straw, and per bag for oats and bran.

Any person making an estimate for the above shall present the same in a sealed envelope, to said Board, at said

office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the supply to which it relates.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded become bound as his sureties for its faithful performance, in the sum of four thousand dollars (\$4,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of two hundred dollars (\$200). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

No estimate will be received or considered after the hour named.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.
