## AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Wednesday, June 1, 1887, at 3 o'clock P. M.

Present—Commissioners Spencer, Dowd, the Commissioner of Public Works, and Commissioners Barnes, Ridgway, and Fish.

Also Chief Engineer Church, and Chief Engineer Birdsall of the Department of Public Works.

The minutes of the stated meeting of May 25, were read and approved.

The minutes of the stated meeting of May 25, were read and approved.

The Committee of Finance and Audit, through its Chairman, William Dowd, reported their examination and audit of bills contained in Vouchers Nos. 2683 to 2698, inclusive; and on his motion the same were approved and ordered certified to the Comptroller for payment.

Also that they had considered the claim of Isaac Nelson for \$325 for damages done upon his farm in the town of Somers, Westchester County, New York, and before arriving at a conclusion they requested the Chief Engineer to cause the Division Engineer at the point where it was claimed the damage was done to make an examination of the same and report his conclusions; that under date of May 12, Division Engineer Gowen reported "that the damage done by cutting of trees was done by employees of the Public Works Department"; that some cutting, however, was done through brush in making a survey for the Aqueduct Commissioners, but that the damage done would not amount to more than five dollars, and that the damage done by cutting trees would amount to about five dollars—making in all the sum of ten dollars, and that under the circumstances they reported in favor of rejecting said claim.

On motion of Commissioner Baldwin, the report was referred back to the Committee for further examination and report.

Adopted.

examination and report.

Also that after consideration of the pay of William Fitzgerald, Inspector of Masonry, who was absent during the month of April on account of sickness, they recommended that he be allowed pay for time of such absence.

The appear of the Committee was approved and the recommendation adopted.

The report of the Committee was approved, and the recommendation adopted.

The Committee on Construction, through it Chairman, Oliver W. Barnes, reported that they had considered the resignation of Principal Assistant Engineer Charles Pugsley, and recommended the adoption of the following resolutions. the adoption of the following resolution

Resolved, That the resignation of Principal Assistant Engineer Charles Pugsley be and the same is hereby accepted, to take effect as of the 31st day of May, 1887; and that in accepting his resignation we take pleasure in testifying to his skill, faithfulness and industry while employed by the Commission; and that he be requested to turn over his books and papers to the Chief Engineer, in accordance with the rules and regulations for the government of the Engineer Department. Adopted.

The Chief Engineer transmitted the resignation of Assistant Engineer Frederick H. Baldwin, together with a complimentary letter from Division Engineer Craven, respecting Mr. Baldwin, and fully endorsing Mr. Craven's statements, which were read, and on motion of Commissioner Fish the following resolution was adopted:

Resolved, That the resignation of Assistant Engineer Frederick H. Baldwin be and the same is hereby accepted, to take effect as of the 6th day of June, 1887, and that, in accepting his resignation, we take pleasure in testifying to his skill, faithfulness and industry while employed by the Commission; and that he be requested to turn over his books and papers to the Chief Engineer, in accordance with the rules and regulations for the government of the Engineer Department.

In connection therewith, the Committee on Construction recommended the adoption of the following resolution:

following resolution: Resolved, That Gaylord Thompson be and he is hereby promoted from Inspector of Masonry to Assistant Engineer, in the place of Frederick H. Baldwin, resigned, he being eligible for such promotion, to take effect from and after June 6, 1887.

The Comptroller, under date of May 28, gave notice of the issue of warrants for the payment of vouchers not certified to by the Aqueduct Commissioners, for Manhattan Island Section, \$178.75, which was ordered entered upon the books of the Commission, and filed.

On motion of Commissioner Ridgway, Edward Fox, one of the employees of John Brunton & Co., was permitted to make a statement to the Commissioners with reference to the amount due the employees of said Brunton & Co.; and on motion of Commissioner Fish, the whole subject matter was referred to the Committee on Construction for investigation and report at the next meeting.

The Commissioners then adjourned.

JOHN C. SHEEHAN, Secretary.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in the specifications, or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interest. No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

detailter, as surety or otherwise, upon any obligation to the Corporation.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must Nor be inclosed in the sealed envelope containing the estimates, but must be handed to the officer

or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as figuidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence: the names of all persons interested with them therein; and if no other person be so interested they shall distinctly state the fact; also that such estimate is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or frand; and also that no member of the Comporation is directly or indirectly interested therein, or in the supplies or work to which it relates or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate that the several matters therein stated are in all respects true. Where more than one person is interested in the estimate the verification must be made and subscribed by all the parties interested.

(I.) Bidders must satisfy themselves by personal exammation of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the several classes of the work before mentioned, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

All the old material taken from the crib-bulkhead to be repaired under this contract, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in their estimates a price for the whole of the work to be done in each class in conformity with the approved form of agreement and the specifications therein set forth, by which prices the bids will be tested. These prices are to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work comprised in the four classes, and whose estimate is regular in all respects.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of a failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said

person or persons would be entitled on its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done in each class by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimatebox, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as sarety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

The main object of the use of water-meters is to enable
this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential
to the health and confort of all the citizens, and this object can only be accomplished by enforcing payment for

iect can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their bremises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will he allowed for any portion of one year.

#### NEW AQUEDUCT.

NOTICE OF APPLICATION FOR APPRAISAL.

PUBLIC NOTICE IS HEREBY GIVEN, THAT it is the intention of the Counsel to the Corporation of the City of New York to make application to the Supreme Court for the appointment of Commissioners of Appraisal, under chapter 490 of the Laws of 1883.

Such application will be made at a Special Term of said Court, to be held in the Second Judicial District at the Court-house, in White Plains, Westchester County, on the 23d day of July, 1887, at 12 o'clock noon. The object of such application is to obtain an order of Court appointing three disinterested and competent freeholders, one of whom shall reside in the County of New York, and the other two of whom shall reside in the county in which the real estate hereinafter described is situated, as Commissioners of Appraisal to ascertain and appraise the compensation to be made to the owners and all persons interested in the real estate hereinafter described as proposed to be taken or affected for the purposes indicated in chapter 490 of the Laws of 1883.

The real estate sought to be taken or affected as aforesaid is located in the County of Putnam, and is laid out and indicated on two similar or duplicate maps filed, one in the office of the County Clerk of Putnam County, at Carmel, in said county, on the 17th day of May, 1887, and the other in the office of the Register of New York County on the 2d day of June, 1887, and each bearing the following certificate:

"We, the Commissioners appointed to carry out the provisions of chapter 490 of the Laws of 1883, do hereby certify that this is one of six similar maps prepared in accordance with the requirements of Sect. 40 said act, and do further certify that the same has been adopted by us in the manner prescribed in such section this 11th day of May, 1887. Signed, John Newton, Commissioner of Public Works; James C. Spencer, Wm. Dowd, C. C. Baldwin, Oliver W. Barnes, E. L. Ridgway, Hamilton Fish, Jr., Commissioners."

The real estate so proposed or sought to be so taken or affected is required for the construction and maintenance of the dams and reservoirs and appurtenances known as the East Branch Reservoirs, or Sodom Reservoir and Mud Pond Reservoir, and the following is a statement of the boundaries of said dams, reservoirs and appurtenances and of the real estate to be taken therefor or affected thereby:

All those certain pieces or parcels of land and real estate in the Town of Southeast, County of Putnam afstate of New York, which taken together constitute a tract of land bounded by a line which is accurately laid down, indicated and defined on the two similar or duplicate maps above-mentioned, filed, one in the office of the Register of New York County, on the 27th of May, 1887, and the other in the office of the Register of New York County, on the 28th of June, 1897, to which maps reference is hereby made for the more detailed description of the said real estate sought to be taken or affected, and which boundary line of such real estate sought to be so taken or affected is as follows:

the contract by his or their bond, with two sufficient sureties, each in the amount of twenty thousand dollars (\$20,000).

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglects ot od, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract wi

readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimate their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person in making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS, ROOM 127, STEWART BUILDING, CHAMBERS STREET AND BROADWAY, NEW YORK, JUNE 1, 1887.

A PPLICATIONS FOR EXEMPTIONS WILL BE

A PPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
