COMMISSIONERS OF THE SINKING FUND.

Abstract of the Proceedings of the Commissioners of the Sinking Fund, at the meeting held October 8, 1878.

Present—Hon. Smith Ely, Jr., Mayor (Chairman), and Hon. John Kelly, Comptroller.

On motion, the Board adjourned to the Comptroller's office forthwith to be present at the opening by the Comptroller of "Proposals for \$6,900,000 Consolidated Stock of the City of New York, redeemable 1908, payable 1928," as per the following advertisement, viz.:

PROPOSALS FOR \$6,900,000

Consolidated Stock of the City of New York: Interest at 5 per cent. per annum, Redeemable, 1908, Payable 1928, secured by the Sinking Fund.

Sealed proposals will be received at the Comptroller's Office until Tuesday, October 8, 1878, at 2 o'clock, P. M., when the same will be publicly opened in the presence of Commissioners of the Sinking Fund, for the whole or any part of the sum of \$6,900,000 of Consolidated Stock of the City of New York, authorized by chapter 322, Laws of 1871, and issued pursuant to the provisions of chapter 383, Laws of 1878, and a resolution of the Commissioners of the Sinking Fund, adopted August 26, 1878.

The bonds are redeemable on and after the first day of November, 1908, and payable on the first day of November, 1928, with interest at five per cent. per annum, payable semi-annually, on the first day of May and November, in each year, at the office of the Comptroller, in the City of New York.

The bonds, principal and interest, will be made payable in either the gold coin or the currency of the United States, as may be desired, and bidders are requested to state distinctly in their proposals the description of bonds they desire and bid for, whether Gold Bonds or Currency Bonds.

Said stock will be issued for the redemption and cancellation of an equal amount of bonds of the Corporation, issued for local improvements, due on November 1, 1878, and its issue will therefore not increase the city debt.

The proposals may be made for Coupon Bonds of \$500 and \$1,000, and for Registered Bonds of \$500, or any multiples of this sum.

Coupon Bonds will be convertible by the holders into Registered Bonds, by the surrender thereof at the Comptroller's office.

Proposals will state the amount of bonds desired, and the price per one hundred dollars thereof. The law provides that "The Comptroller, with the approval of the Commissioners of the Sinking Fund, shall determine what, if any, part of said proposals shall be accepted, and upon the payment into the City Treasury of the amounts due by the persons whose bids are accepted, respectively, certificates therefor shall be issued to them as authorized by law."

Payment may be made on or before November 1, 1878, and the aforesaid bonds of the Corporation due on November 1, 1878, will be received from the holders thereof whose proposals are accepted as the highest bidders, at par with accrued interest thereon, on or before that date, in payment for stock that may be awarded to them.

Interest allowed from the date of payment. Receipts will be given, for which Bonds will be delivered to the holders on and after November 1, 1878.

Each proposal should be sealed and endorsed "Proposals for Consolidated Stock of the City of New York," and inclosed in a second envelope addressed to the Comptroller.

Said stock will be awarded to the highest bidders, and the right is reserved on the part of the Comptroller to reject any or all of the bids, if in his judgment the interests of the Corporation require it.

avenue, and in and upon the cross streets intersecting said avenue, between One Hundred and Forty seventh street and Harlem river.

The Engineer's estimate of the work to be done and by which the bids will be tested, is as follows:

- 200 cubic yards of excavation.
 - 23,000 cubic yards of filling.
 - 116,000 square feet of pavement, bridge or crossing stones, and flag-stones of sidewalks, taken up, removed, piled, and preserved.
 - 3,000 lineal feet of curb and gutter stones taken up, removed, piled, and preserved.
- Also, the Engineer's estimate of work to be done without charge therefor, is as follows:
- 10 sewer man-holes to be raised and curbs reset, requiring 18,000 bricks.
 - 12 receiving-basins to be raised and one new head-stone to be furnished, requiring 15,000 bricks.

These quantities are considered as approximate, and are not to be held as entitling the contractor to any claim for extra time in the completion of the work, or to any other claim for damages, if the quantity of work between the points stated should prove to be greater than here estimated; and the Department of Public Parks expressly reserves the right of increasing or diminishing the said quantities, as in its opinion may be necessary.

Each proposal must state, in figures and in writing, a price for each of the following four items, namely:

1. For excavation, per cubic yard.
2. For filling, per cubic yard.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambers street entrance).
