BOARD OF ESTIMATE AND APPORTIONMENT.

Minutes of Special Meeting of the Board of Estimate and Apportionment, Held
in Room 16, City Hall, Wednesday, October 10, 1917.

The Board met in pursuance of the following call:

City of New York, Office of the Mayor, October 9, 1917.

A Special Meeting of the Board of Estimate and Apportionment is hereby called
for Wednesday, October 10, 1917, at 4:00 o'clock P. M., in Room 16, City Hall,
Borough of Manhattan, for the purpose of receiving the tentative budget for 1918.

JOHN PURROY MITCHEL, Mayor.

Present—Albert E. Hadlock, Deputy and Acting Comptroller; Frank L. Dowling,
President, Board of Aldermen; Ralph Folks, Acting President, Borough of Manhat-
tan; Lewis H. Pounds, President, Borough of Brooklyn; Douglas Mathewson, Presi-
dent, Borough of The Bronx, and Calvin D. Van Name, President, Borough of
Richmond.

The President of the Board of Aldermen, Hon. Frank L. Dowling, Presided.

The Deputy and Acting Comptroller, on behalf of the Committee on Tax Budget,
presented the "Printed Tentative Budget for 1918" as required by section 226 of the
Greater New York Charter, as amended, and moved that the same be accepted by
the Board for discussion.

Which motion was agreed to.

The Chair announced that the public hearings for taxpayers on the tentative
budget will be held on Monday, October 15th, and Tuesday, October 16th, 1917, at
10:30 o'clock A. M., in Room 16, City Hall, Borough of Manhattan.

On motion the Board adjourned.

JOSEPH HAAG, Secretary.

BOARD OF ESTIMATE AND APPORTIONMENT.

Minutes of Meeting of Board of Estimate and Apportionment, Held in Room 16, City Hall, Thursday, October 11, 1917.

The Board met in pursuance of an adjournment.

Present—John Purroy Mitchel, Mayor; Albert E. Hadlock, Deputy and Acting Comptroller; Frank L. Dowling, President, Board of Aldermen; Marcus M. Marks, President, Borough of Manhattan; Edmund W. Voorhies, Acting President, Borough of Brooklyn; Douglas Mathewson, President, Borough of The Bronx; Maurice E. Connolly, President, Borough of Queens, and Henry P. Morrison, Acting President, Borough of Richmond.

The Mayor, Hon. John Purroy Mitchel, presided.

Approval of Minutes (Cal. No. 1).

The Minutes of meeting held September 21, 1917, were approved as printed in the CITY RECORD October 9, 1917.

REPORTS.

From Standing Committees.

Committee on Salaries and Grades.

Department of Parks, Borough of Brooklyn—Modification of Schedule (Cal. No. 2).

The Secretary presented a communication dated September 7, 1917, from the Commissioner of Parks, Borough of Brooklyn, requesting modification of schedule for 1917; and the following report of the Committee on Salaries and Grades recommending approval thereof:

September 26, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 7, 1917, the Department of Parks, Brooklyn, requested modification of Schedule 1285 for 1917. The Bureau of Personal Service reports thereon as follows:

"Purpose—To reduce the line 'Play Leader at \$3 per day' by 100 days and increase the line 'School Farm Attendant at \$2.50 per day' by 120 days, involving no increase in the appropriation.

"Reason—In pursuance of the policy to increase the Food Supply by encouraging individuals to operate Back Yard and Community Farm Plots, some of the attendants at the School Farms located in City parks were detailed to supervise and instruct such persons in the operation of the plots. Temporary employees were engaged to replace those assigned to the above work. As a result the fund is now nearly exhausted and this transfer will enable the department to continue the operation of the Park School Farms.

"Finding—The transfer of 100 Play Leader days will not affect that activity, as it represents accruals due to various causes. The Park School Farms are highly developed, and the transfer requested will enable the attendants to continue their work until the crops are harvested, about October 15th."

Recommendation—In view of the foregoing report, the Committee recommends that the request be granted by adoption of the attached resolution. Respectfully,
ALBERT E. HADLOCK, Deputy and Acting Comptroller; JOHN PURROY MITCHEL, Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the schedule, as modified, for the Department of Parks, Brooklyn, for the year 1917, as follows:

Personal Service, Wages, Temporary Employees.

1285 Operation of Play Grounds and School Farms—	
Play Leader at \$3 per day (8,310 days)	\$24,930 00
Play Leader at \$3.50 per day (300 days)	1,050 00
School Farm Attendant at \$2.50 per day (1,070 days)	2,675 00
Swimming Instructor at \$3 per day (300 days)	900 00

Schedule Total

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the President of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Street Cleaning—Transfer of Appropriation and Modification of Schedules (Cal. No. 3).

The Secretary presented a communication dated September 25, 1917, from the Commissioner of Street Cleaning, requesting modification of schedules and transfer of funds within appropriation for 1917; and the following report of the Committee on Salaries and Grades recommending approval thereof:

October 2, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 25, 1917, the DEPARTMENT OF STREET CLEANING requested modification of four salary schedules for 1917, involving a cash transfer of \$411.25. The Bureau of Personal Service reports thereon as follows:

"Purpose—(1) In No. 2324 it is proposed to increase a position of (1) Assistant Engineer from \$2,100 to \$2,280, and to eliminate one Clerk at (2) \$750 and one at (3) \$720, and transfer them to No. 2325 at \$600 per annum.

"(2) In No. 2325 it is proposed to eliminate a position of (1) Clerk at \$1,200, and transfer it to No. 2326, where it is to be increased to \$1,320. It is also proposed to increase two positions of (2) Clerk from \$720 and \$660 to \$840 each and one from (3) \$540 to \$600, and to add (4) two Clerks at \$600 by transfer from No. 2324, reducing the Balance Unassigned by \$870.

"(3) In No. 2329 to reduce a vacant position of Clerk at \$960 to \$840.

"Reason—(1) To increase (1) the incumbent to the minimum of the grade in which his work falls. (2 and 3) The incumbents of these positions are to be transferred to fill vacancies at \$840, which is the minimum of the grade in No. 2329. Their positions are to be transferred to No. 2325 at \$600 each, the minimum of the grade.

"(2) To increase (1, 2 and 3) the incumbents to the minimum of the grade in which their new work falls. Two positions (4) of Clerk at \$750 and \$720, eliminated in No. 2324, are to be transferred to this code at \$600 each for work properly chargeable thereto.

"(3) To reduce the position to the minimum of the grade in which the work falls. This position is to be filled by the transfer of a Clerk from No. 2325, where he now is provided at \$540.

"Finding—The requests are proper and reasonable. All increases involved are to the minimum of the grade."

Recommendation—In view of the foregoing we recommend the adoption of the attached resolutions approving the request. Respectfully,

E. D. FISHER, Deputy and Acting Comptroller; JOHN PURROY MITCHEL, Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves of the transfer of funds appropriated to the Department of Street Cleaning for the year 1917, as follows:

From the Department of Finance.

President, Borough of Manhattan—Transfer of Appropriation (Cal. No. 4).

The Secretary presented communications dated August 21 and September 10, 1917, from the President, Borough of Manhattan, requesting transfers of funds within appropriations for 1916 and 1917, and the following report of the Deputy and Acting Comptroller relative thereto:

October 4, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On August 21, 1917, and September 10, 1917, the President of the Borough of Manhattan requested transfers of funds within appropriations to his office for the years 1916 and 1917.

The Bureau of Contract Supervision to which these requests were referred on August 22, 1917, and September 12, 1917, reports thereon as follows:

"The request as to the 1916 appropriations, proposes a transfer of \$400 from Code No. 417-A, Highway Materials, Care of Highways, Roadways, Viaducts and Stone Pavements, to Code No. 398-D, General Plant Supplies, Care of Public Buildings and Offices.

"The unencumbered balance in account No. 398-D, is \$76.65. An open market order for furnishing cylinder and engine oil during the months of November and December has been exceeded to the extent of \$139.71. A recent cancellation of two outstanding open market orders makes available a sufficient amount to provide for the payment of this bill, thereby obviating the necessity of the proposed transfer.

"The request as to the 1917 appropriations, proposes transfers of \$1,000 from Code No. 392, Office Supplies; \$1,000 from Code No. 394, Laundry, Cleaning and Disinfecting Supplies, and \$4,300 from Code No. 424, General Repairs. The accounts to be credited, the amounts and the reasons therefor are as follows:

"Code No. 398—General Plant Supplies—\$1,000 to provide for the purchase of necessary supplies, such as, kerosene oil, ammonia, potash, cheese cloth, cotton waste, and toilet paper, required during the remainder of the year.

"Code No. 403—Office Equipment—\$1,000 to provide for the replacement of wooden shelving by steel shelving in the plan room of the Bureau of Buildings. This transfer will enable the purchase of sufficient filing equipment to complete the necessary amount of filing devices required in connection with the installation of the new system of filing plans by the block and lot system. A portion of the amount of this transfer is to be used for the replacement by linoleum of worn out carpet in the office of the Secretary and for the purchase of a rug in the office of the Chief Inspector.

"Code No. 409—Wearing Apparel—\$100 for the purchase of rubber boots for the Bureaus of Sewers and Public Buildings and Offices.

"Code No. 412—General Plant Equipment—\$3,000 to provide for the purchase of necessary equipment, such as leather belting for the asphalt plant, rope, corn brooms, mops, hose, ash cans and push brooms, requiring during the remainder of the year. Requisitions for necessary equipment, totalling nearly \$2,000 now await this transfer.

"Code No. 442—General Plant Service—\$1,200 to provide for the payment of the storage of floating baths during the months of October, November and December, and for the care of clocks.

"A sufficient unencumbered balance remains in accounts Nos. 392, 394 and 424 to permit of the debit transfers."

I recommend the adoption of the attached resolution granting the requests for transfers within 1917 appropriations. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

Department of Education—Acquisition of Property for Site for School Purposes (Cal. No. 5).

(On July 3, 1917 (Cal. No. 86A), the resolution of the Board of Education, selecting this site for school purposes, was referred to the Comptroller and Chief Engineer of the Board, and on July 19, 1917 (Cal. No. 83), the report of the Chief Engineer was presented and ordered printed in the Minutes.)

The Secretary presented a resolution adopted June 27, 1917, by the Board of Education, requesting the acquisition of property on Ashford and Warwick streets, between Pitkin and Belmont avenues, Borough of Brooklyn, adjoining Public School No. 158; and the following report of the Deputy and Acting Comptroller recommending approval thereof, by condemnation:

October 8, 1917.

To the Honorable the Board of Estimate and Apportionment:

Gentlemen—On May 18, 1917, the Board of Estimate and Apportionment, pursuant to provisions of section 169 of the Greater New York Charter, appropriated the sum of \$583,500 for the acquisition of school sites in the various Boroughs of the City of New York. Among them the acquisition of a site was authorized in the vicinity of Public School 158, Belmont avenue, Ashford and Warwick streets, Brooklyn.

On June 25, 1917, the Board of Education adopted a resolution selecting as a site for school purposes, property on Ashford and Warwick streets, between Pitkin and Belmont avenues, Borough of Brooklyn, adjoining Public School 158, and more particularly described in said resolution, and they requested that such action be taken as may be necessary and proper for the acquisition of said premises.

The Division of Real Estate of this Department has been endeavoring to negotiate with the owners of these premises, with a view to purchasing the same at private sale at a fair and reasonable figure, but has been unable to do so for the reason that the owners demand a price therefor which is to my mind above its marketable value. I think further negotiations with the owners would be useless, and I recommend that the property be acquired by condemnation.

I therefore respectfully recommend that your Board approve of the selection of the following described premises for use of the Department of Education:

All that certain piece or parcel of land, situate, lying and being in the Borough of Brooklyn, City and State of New York, with the buildings and improvements thereon erected, bounded and described as follows:

Beginning at a point on the easterly line of Warwick street, which point is distant 190 feet northerly from a point formed by the intersection of the northerly line of Belmont avenue with the easterly line of Warwick street, thence easterly and parallel or nearly so with the northerly line of Belmont avenue and along the northerly line of the lands of Public School 158, 180 feet to the westerly line of Ashford street, thence northerly and along the westerly line of Ashford street 60 feet, thence westerly and along a line parallel or nearly so with the northerly line of Belmont avenue 180 feet to the easterly line of Warwick street, thence southerly and along the easterly line of Warwick street 60 feet to the point or place of beginning, said premises being designated on the present Tax Maps of the Borough of Brooklyn as Lots Nos. 10, 11, 12 and 30, in Block 4015, Section 13,

—the assessed valuation of which, as shown on the books of record on file in the Department of Taxes and Assessments, is \$13,350; and authorize the Corporation Counsel to institute condemnation proceedings for the acquisition of the same, title to vest in the City of New York one day after the entry of the order of the Court granting application of the City of New York to condemn said property. Respectfully,

E. D. FISHER, Deputy and Acting Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 1433 of the Greater New York Charter, as amended, hereby approves of the selection by the Board of Education of the following property as a site for school purposes, located on Ashford and Warwick Streets, between Pitkin and Belmont Avenues, Borough of Brooklyn, adjoining Public School 158, bounded and described as follows:

All that certain piece or parcel of land situate, lying and being in the Borough of Brooklyn, City and State of New York, with the buildings and improvements thereon erected, bounded and described as follows:

Beginning at a point on the easterly line of Warwick Street, which point

is distant 190 feet northerly from a point formed by the intersection of the northerly line of Belmont Avenue with the easterly line of Warwick Street, thence easterly and parallel or nearly so with the northerly line of Belmont Avenue and along the northerly line of the lands of Public School 158, 180 feet to the westerly line of Ashford Street, thence northerly and along the westerly line of Ashford Street 60 feet, thence westerly and along a line parallel or nearly so with the northerly line of Belmont Avenue 180 feet to the easterly line of Warwick Street, thence southerly and along the easterly line of Warwick Street 60 feet to the point or place of beginning, said premises being designated on the present Tax Maps of the Borough of Brooklyn as Lots Nos. 10, 11, 12 and 30, in Block 4015, Section 13, the assessed valuation of which, as shown on the books of record on file in the Department of Taxes and Assessments is thirteen thousand three hundred fifty dollars (\$13,350).

—and authorizes and directs the Corporation Counsel to institute condemnation proceedings for the acquisition of the same, by making application to the Supreme Court of the State of New York to have the compensation which is to be made to the owners of or persons interested in the real property to be acquired, ascertained and determined by the Supreme Court without a jury; and it is further

Resolved, That title to said property is to vest in The City of New York upon the day after entry of the order of the Supreme Court granting the application to condemn said property, as authorized by section 1435 of the Greater New York Charter, as amended; and it is further

Resolved, That nothing contained in this resolution shall be construed as preventing the Comptroller of The City of New York from entering into a contract for the purchase of said property at private sale, subject to the approval of the Board of Estimate and Apportionment.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Water Supply, Gas and Electricity—Appropriation from Brooklyn Water Revenues and Modification of Schedule (Cal. No. 6).

The Secretary presented a communication, dated September 26, 1917, from the Commissioner of Water Supply, Gas and Electricity, requesting an appropriation of \$37,099.36 from the Brooklyn water revenues to provide for the estimated fuel requirements for the remainder of 1917; and the following report of the Deputy and Acting Comptroller relative thereto:

October 2, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 26, 1917, the Commissioner of Water Supply, Gas and Electricity requested an additional appropriation of \$37,099.36 from the 1917 Brooklyn water revenues to provide for the estimated fuel requirements of his department for the year 1917.

The Bureau of Contract Supervision, to which this request was referred on September 27, 1917, reports thereon as follows:

"The request for an additional water revenue allowance is based upon an estimate of the department's fuel requirements submitted to the Comptroller under date of September 5, 1917, covering both tax levy and water revenue requirements as follows:

Additional tax levy funds.....	\$116,019 67
Additional water revenue funds.....	37,099 36

Total \$153,119 03

"The tax levy requirements have been, in part, provided for by a transfer made on September 21, 1917, from the Emergency Fuel Supplies Account.

"The items payable from water revenue funds for which additional funds are requested are:

1. Items included in schedule submitted to the Central Purchase Committee on which bids were taken, with an increase of quantities due to the possibility of poorer coal being received than was obtained under standard specifications..... \$8,736 99
2. Items included in schedule on which no bids were taken and additional items since found to be necessary, including hauling and transportation 1,170 00
3. Reserve supply for Ridgewood, Milburn, Massapequa and Wantagh Pumping Stations 31,481 52

Total \$41,388 51

Less balance available in fund..... 4,289 15

Amount requested \$37,099 36

"Contracts for item 1 without increases in quantities, have already been executed in the sum of \$7,779.10. Certain of the coal covered by item 2 has already been purchased at a slightly lower unit price than the original estimate and \$1,090 is believed to be ample for this item.

"Item 3 is based upon the estimated quantities of coal to operate the four pumping stations noted for a period of approximately three weeks, should an emergency arise requiring their immediate operation. The unit prices used are the prices recently obtained by the Central Purchase Committee for coal for these stations. A reserve supply of coal for these stations was provided for in the 1917 budget allowance, but no request for reserve coal at pumping stations included in the Commissioner's departmental budget estimate for 1918.

"An examination of the status of this fuel account as of October 1, 1917, shows an apparent overdraft of \$70.30, but certain adjustments are to be made to restore the available funds noted in the statement of September 5, 1917.

"The revised requirements, based upon the unit prices used in the reserve supply requested, may therefore be estimated as follows:

Contracts already made requiring certification.....	\$7,779 10
Minor requirements not included in contracts.....	1,090 00
Emergency reserve supply.....	31,481 52

\$40,350 62

Less available funds..... 4,289 15

\$36,061 47

"In view of the uncertainty as to coal prices, the actual requirements cannot be determined until bids are received for the additional supply needed.

"An additional allowance of \$36,000 at this time appears to be necessary."

I recommend the adoption of the attached resolutions, one granting the request to the extent of \$36,000 and the other modifying the schedule affected. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of subdivision 1 of section 242 of the Greater New York Charter, hereby appropriates from the water revenues received in the Borough of Brooklyn during the year 1917, the sum of thirty-six thousand dollars (\$36,000) for the use of the Department of Water Supply, Gas and Electricity in the maintenance, improvement and extension of water supply system of the Borough of Brooklyn, during the year 1917; said appropriation to be in addition to all appropriations heretofore made for said purpose and to be administered in connection with the 1917 budget schedule for said department entitled "2206TW, Supplies, Fuel Supplies."

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of a schedule as revised, for the Department of Water Supply, Gas and Electricity for the year 1917, as follows:

Supplies.

2206TW Fuel Supplies	\$358,537 63
Tax Levy Allowance	\$149,512 38

Water Revenue Allowance 182,737 00
Special Revenue Bond Allowance 26,288 25
Which was adopted by the following vote:
Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

City and County Funds for Salary and Wage Accruals—Transfers of Funds (Cal. No. 7).

The Secretary presented the following report of the Comptroller:

October 4, 1917.

To the Board of Estimate and Apportionment, The City of New York:
Gentlemen—When the Tax Levy Budget for 1917 was adopted, the following resolution was approved by your Board:

"Second (f). There shall be credited to the 'Funds for Salary and Wage Accruals from Schedule-Supported Appropriations to Be Expended as Provided in the Budget Resolution Herewith,' established in this Budget for The City of New York and for each of the five counties therein, as soon as practicable after the expiration of each salary or wage period, the accruals during such period of 'Salaries Regular Employees' and 'Wages Regular Employees,' but these credits shall be made only upon the submission of reports thereon by the Comptroller to the Board of Estimate and Apportionment, pursuant to section 237 of the Greater New York Charter."

In accordance therewith a list of apparent accruals in appropriations for salaries and wages, regular employees, for August, 1917, has been prepared and the various departments affected informed by letter of the intention of the Comptroller to recommend the transfer of these accruals, as provided in the above resolution, unless the departments dissented therefrom.

The resolutions herewith give the details of the proposed transfers to the respective accrual accounts enumerated below:

3039 City Fund for Salary and Wage Accruals.....	\$66,297 69
3222 New York County Fund for Salary and Wage Accruals.....	8,564 54
3354 Bronx County Fund for Salary and Wage Accruals.....	1,749 42
3509 Kings County Fund for Salary and Wage Accruals.....	3,559 28
3639 Queens County Fund for Salary and Wage Accruals.....	1,207 04
3729 Richmond County Fund for Salary and Wage Accruals.....	122 08

Total City Accruals..... \$81,500 05

The adoption of the attached resolutions approving these transfers is recommended. Very respectfully, WM. A. PRENDERGAST, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves transfer of funds appropriated to the various departments, commissions, boards, etc., of The City of New York for personal service, salaries or wages of regular employees for the year 1917, as follows:

From Bureaus of the Board.

Bureau of Contract Supervision.

Department of Education—Approval of Contracts, Plans, Specifications, Etc. (Cal. No. 8).

The Secretary presented five communications dated September 19, 20 and 21, 1917, from the Secretary, Board of Education, transmitting forms of contracts, specifications, etc., for certain work at Public Schools in the Boroughs of Brooklyn and The Bronx, at an estimated aggregate cost of \$29,465; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 4, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—Communications from the Board of Education were referred by you to the Bureau of Contract Supervision as follows:

Date of Communication and Purpose of the Request

September 19, 1917 (Three Communications)—

- (1) Approval of the form of contract and specification for sanitary alterations at Public Schools 10 and 13, Borough of The Bronx, estimated cost, \$1,150 and \$1,250, respectively, the cost to be charged to the corporate stock fund "C. D. E. 145."
- (2) Approval of specifications and estimates of cost as follows:
Borough of Brooklyn—
Public School 109, furnishing and connecting new gas range, etc., estimated cost, \$445;
Public School 126, ventilating system in plumbing shop, estimated cost, \$700;
—the costs to be charged to the fund "C. D. E. 143."
- (3) Approval of specifications for resurfacing beneath outdoor playground apparatus and wing guards for slides at Public School 50, Borough of Brooklyn, estimated cost, \$220, to be charged to the fund "C. D. E. 143."

September 20, 1917—

- (4) Approval of specifications for program clock at Public School 55, Borough of The Bronx, estimated cost, \$200, to be charged to the fund "C. D. E. 110 L."
- (5) Approval of the form of contract, specifications and plans for installing boilers at Public School 9, Borough of The Bronx, estimated cost, \$1,500, to be charged to the 1917 budget appropriation for general repairs.
- (6) Approval of the form of contract, specifications and plans for Item 1, general construction (estimated cost, \$22,500), and Item 2, plumbing and drainage (estimated cost, \$1,500), of a playground adjacent to Public School 53, Borough of The Bronx, the cost to be charged to the fund "C. D. E. 145 A."

The facts in relation to these requests are as follows:

- (1) At Public School 10, The Bronx, alterations to the plumbing are to be made in order to install equipment for the printing and bookbinding shop, art metal shop, sewing room, drawing rooms, workshop and teachers' rooms. At Public School 13, The Bronx, equipment is to be installed for the cooking room and workshop.
- (2) At Public School 109, Brooklyn, a gas range, hot plates and other equipment are to be installed in the cooking room.
- (3) At Public School 126, Brooklyn, the plumbing shop classroom in the basement is to be ventilated by means of ducts and an electrically driven blower.
- (4) At Public School 50, Brooklyn, the concrete pavement under the seesaws and slides in the boys' and girls' yards are to be removed and sand substituted. The slides are to have side guards installed. This work is necessary for the safety of children using the apparatus.
- (5) At Public School 55, The Bronx, a program clock is to be installed in the principal's office.
- (6) At Public School 9, The Bronx, two boilers, which are to be removed from Public School 20, The Bronx, under another contract are to be installed in this building to replace an old boiler which is worn out and of insufficient capacity to heat the building. The cost of this replacement is to be charged to the 1917 budget appropriation for repairs to buildings.
- (7) Adjacent to Public School 53, The Bronx, at 168th street between Findlay and Teller avenues, a playground 200 feet by 280 feet is to be constructed and enclosed with a chain link wire fence. A rubble stone retaining wall is to be constructed where necessary to retain the bank of adjoining property and sidewalks. The construction contract includes 3,130 cubic yards of rock excavation, 4,500 cubic feet of rubble stone wall, 2,125 cubic feet of concrete for trenches, footings and wall copings, 65,500 square feet of clay and cinder top dressing for the playground, 750 square feet of cement sidewalks, 770 lineal feet of chain link fence, seven feet high, and 300 lineal feet of fence, ten feet high.

The specifications for plumbing and drainage work include connections with the street sewer and water main, the installation of drinking fountains, together with all necessary piping and valves.

The forms of contract, specifications and plans for all the items herein referred to are satisfactory. The work and equipment specified under Items 1, 2, 3, 4, and 6 is necessary for the duplicate school plan operation. The specifications for such work and equipment have been approved by the Division of Duplicate Schools of the Board of Education.

The estimates of cost for all the items herein stated are reasonable. The costs are properly chargeable to the funds stated. There are sufficient unencumbered balances in the funds affected to pay the estimated costs.

I recommend the adoption of the attached resolution granting the requests.

Respectfully,
TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to its resolution adopted on July 11, 1912, hereby approves the following:

- (1) Form of contract, specifications and aggregate estimate of cost, two thousand four hundred dollars (\$2,400) for sanitary alterations at Public Schools 10 and 13, Borough of The Bronx; the cost to be charged to the corporate stock fund entitled "C. D. E. 145, School Buildings, Borough of The Bronx, Alteration and Equipment of Specified Schools";
- (2) Specifications and estimate of cost, four hundred and forty-five dollars (\$445) for furnishing and connecting new gas range, etc., at Public School 109, Borough of Brooklyn;
- (3) Specifications and estimate of cost, seven hundred dollars (\$700) for ventilating system in plumbing shop at Public School 126, Borough of Brooklyn;
- (4) Specifications and estimate of cost, two hundred and twenty dollars (\$220) for resurfacing beneath playground apparatus and wing guards for slides at Public School 50, Borough of Brooklyn;
- (5) Specifications and estimate of cost, two hundred dollars (\$200) for program clock at Public School 55, Borough of The Bronx; the cost to be charged to the corporate stock fund entitled "C. D. E. 110 L, School Buildings, Construction and Equipment, The Bronx, Sub-Title II";
- (6) Form of contract, specifications, plans and estimate of cost, one thousand five hundred dollars (\$1,500) for installing boilers at Public School 9, Borough of The Bronx; the cost to be charged to the 1917 budget appropriation, "Code 871, Other than Personal Service, Borough of The Bronx";
- (7) Form of contract, specifications, plans and aggregate estimate of cost, twenty-four thousand dollars (\$24,000), for Item 1, General Construction, and Item 2, Plumbing and Drainage of a Playground Adjacent to Public School 53, Borough of The Bronx; the cost to be charged to the corporate stock fund entitled "C. D. E. 145 A, School Buildings, Borough of The Bronx, Construction and Equipment of Playgrounds for Specified Schools."

—provided, that, if no bids are received for said work, within the estimated cost, the amount of such estimated cost upon the bids so received may be reconsidered in its discretion by the Board of Estimate and Apportionment or by any official designated by the Board, provided that any of the bids is within the amount authorized and available for said work.

Items 1, 2, 3, 4 and 7 in the foregoing resolution failed of adoption, receiving the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller and the Acting President of the Borough of Brooklyn—8.

Negative—The President of the Board of Aldermen, the Presidents of the Boroughs of Manhattan and Queens and the Acting President of the Borough of Richmond—7.

Present and Not Voting—The President of the Borough of The Bronx.

The following resolution was offered and adopted:

Resolved, That the Board of Estimate and Apportionment, pursuant to its resolution adopted on July 11, 1912, hereby approves the following for the Department of Education:

- (5) Specifications and estimate of cost, two hundred dollars (\$200) for program clock at Public School 55, Borough of The Bronx; the cost to be

charged to the corporate stock fund entitled "C. D. E. 110 L. School Buildings, Construction and Equipment, The Bronx, Sub-Title II";

(6) Form of contract, specifications, plans and estimate of cost, one thousand five hundred dollars (\$1,500) for installing boilers at Public School 9, Borough of The Bronx; the cost to be charged to the 1917 budget appropriation, "Code 871. Other Than Personal Service, Borough of The Bronx";

—provided, that, if no bids are received for said work, within the estimated cost, the amount of such estimated cost upon the bids so received may be reconsidered in its discretion by the Board of Estimate and Apportionment or by any official designated by the Board, provided that any of the bids is within the amount authorized and available for said work.

Item 5 in the foregoing resolution was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Item 6 in the foregoing resolution was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the President of the Borough of The Bronx and the Acting President of the Borough of Richmond—15.

Negative—The President of the Borough of Queens—1.

Fire Department—Approval of Increased Estimate of Cost (Cal. No. 9).

(On August 15, 1917, the Deputy Comptroller approved the estimate of cost for this work at \$5,100.)

The Secretary presented a communication dated September 7, 1917, from the Fire Commissioner, requesting approval of an increased estimate of cost (\$5,520) for six one-ton trucks mounted on Ford chassis for the use of the Fire Department; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 6, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 8, 1917, you referred to the Bureau of Contract Supervision a letter from the Fire Commissioner dated September 7, 1917, requesting approval of an increased estimate of cost, \$5,520, for six one-ton trucks mounted on Ford chassis.

The estimate of cost approved for these trucks on August 15, 1917, was \$5,100. The increased estimate of cost, \$5,520, is the lowest of six formal bids received for the trucks on September 5, 1917. It does not seem probable that any lower price can be obtained by re-advertising.

The cost at the increased rate is to be charged as follows:

\$3,680 for four trucks to the corporate stock fund entitled "C. F. D. 10 E, Fire Department, Motor Fire Apparatus, All Boroughs."

\$1,840 for two trucks to the corporate stock fund entitled "C. F. D. 3 B, Fire Department, Fire Alarm Telegraph, Borough of Manhattan, Installation of New System."

There are sufficient unencumbered balances in these funds to provide for the increased expenditure.

I recommend that the request be approved by the adoption of the attached resolution. Respectfully,

TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to its resolution, adopted on July 11, 1912, hereby approves the form of contract, specifications and estimate of cost, five thousand five hundred and twenty dollars (\$5,520) for six one-ton trucks mounted on Ford chassis for the use of the Fire Department; the cost to be divided and charged against corporate stock funds as follows:

Three thousand six hundred and eighty dollars (\$3,680) for four (4) trucks against "C. F. D. 10E, Fire Department, Motor Fire Apparatus, All Boroughs."

One thousand eight hundred and forty dollars (\$1,840) for two (2) trucks against "C. F. D. 3B, Fire Department, Fire Alarm Telegraph, Borough of Manhattan, Installation of New System."

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Health—Approval of Contract, Specifications, Etc. (Cal. No. 10).

The Secretary presented a communication dated August 28, 1917, from the Secretary, Department of Health, transmitting contract, specifications and estimate of cost (\$28,000) for labor, material and equipment required to ditch and drain certain areas in the Boroughs of The Bronx and Queens; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 6, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On August 29, 1917, you referred to the Bureau of Contract Supervision a communication from the Department of Health dated August 28, 1917, requesting approval of the form of contract and specifications for ditching and draining certain areas of salt marsh in the Boroughs of The Bronx and Queens.

The estimated cost of the work proposed in each section, is as follows:

Borough of The Bronx.		
750,000 lineal feet of trenches or ditches at \$.025 per lineal foot		\$18,750 00
1,000 lineal feet of 18-inch vitrified sewer pipe at \$1.50 per lineal foot		1,500 00
500 lineal feet of 24-inch box culverts at \$2.00 per lineal foot		1,000 00
		\$21,250 00
Borough of Queens.		
College Point Section.		
100,000 lineal feet of trenches at \$.025		\$2,500 00
250 lineal feet of 18-inch sewer pipe at \$1.50		375 00
250 lineal feet of 24-inch box culverts at \$2.00		500 00
		\$3,375 00
Bayside and Douglaston Section.		
100,000 lineal feet of trenches at \$.025		\$2,500 00
250 lineal feet of 18-inch sewer pipe at \$1.50		375 00
250 lineal feet of 24-inch box culverts at \$2.00		500 00
		\$3,375 00
Total estimated cost		\$28,000 00

The cost is to be charged to the special revenue bond fund entitled "R. D. H. 1 A, Department of Health, Mosquito Extermination," for which the Board of Estimate and Apportionment on March 10, 1916, authorized an appropriation of \$150,000. On February 23, 1917, the Board of Estimate and Apportionment approved an amendment of the resolution authorizing the appropriation, extending to December 31, 1917, the time within which obligations may be incurred thereunder.

The resolution authorizing the appropriation provides that the fund shall not be available for expenditure outside of the Jamaica Bay region without approval by the Board of Estimate and Apportionment.

The work in the Jamaica Bay region has been completed.

The Board of Estimate and Apportionment on December 8, 1916, approved a contract for ditching and draining salt marshlands in the College Point section of the Borough of Queens, and on December 22, 1916, approved contract for ditching and draining salt marshlands in the Flushing, Newtown, Elmhurst and Kissena Park sections of the Borough of Queens.

The work in these sections has been completed, with the exception of the College Point section, where it was found that owing to the nature of the marsh, more trenches are required and a larger area must be drained than was anticipated. The Bayside, Little Neck and Douglaston sections on both sides of Alley Creek and The Bronx section continuous to Eastchester Creek, the Hutchinson River and the various small creeks tributary thereto are in need of ditching and draining in order to eliminate breeding places for mosquitoes.

The Department of Health states that efforts have been made to locate the owners of these marshlands but without success. It is desirable that the work be proceeded with in the sections stated in order to insure the benefits to be obtained from the work already completed, and which has proven very successful.

The form of contract and specifications are satisfactory. The estimates of cost are reasonable.

On October 4, 1917, an unencumbered balance of \$33,118.23 remained in the fund "R. D. H. 1 A," which is available for this work.

I recommend the adoption of the attached resolution granting the request. Respectfully,

TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves the form of contract, specifications and estimates of cost for the following work, under the jurisdiction of the Department of Health:

(1) for all labor, material and equipment required to ditch and drain certain areas in the salt marshlands and meadows located in the Borough of The Bronx; estimated cost, twenty-one thousand two hundred and fifty dollars (\$21,250);

(2) For all labor, material and equipment required to ditch and drain certain areas in the salt marshlands and meadows located in the College Point section of the Borough of Queens; estimated cost, three thousand three hundred and seventy-five dollars (\$3,375);

(3) For all labor, material and equipment required to ditch and drain certain areas in the salt marshlands and meadows located in the Bayside, Douglaston and Little Neck sections of the Borough of Queens; estimated cost, three thousand three hundred and seventy-five dollars (\$3,375);

—the cost to be charged to the special revenue bond fund entitled "R. D. H.—1A, Department of Health, Mosquito Extermination, 1916"; provided that if no bids are received for said work within the estimated cost the amount of such estimated cost upon the bids so received may be reconsidered in its discretion by the Board of Estimate and Apportionment, or by any official designated by the Board, provided that any of the bids is within the amount authorized and available for said work.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Public Charities—Approval of Expenditure of Budget Funds (Cal. No. 11).

The Secretary presented a communication dated September 24, 1917, from the Commissioner of Public Charities, requesting permission to expend the sum of \$3,487.50 for certain repairs to the Steamer "Bronx"; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 9, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On October 2, 1917, you referred to the Bureau of Contract Supervision a communication from the Department of Public Charities, dated September 24, 1917, requesting approval of the expenditure of \$3,487.50 from the 1917 budget appropriation "Code 1977, Contract or Open Order Service, Repairs and Replacements" for repairs to the Steamer "Bronx."

While making a landing at the foot of East 70th street, Manhattan, last summer, the swift current of the East River swung the boat so that she struck bow on. The stem of the vessel was damaged, the boiler shifted three and one-half inches forward and the engine was slightly damaged. The vessel started to leak. This trouble was temporarily repaired and the vessel was maintained in the service until the annual inspection by the United States Steamboat Inspection Service, when she was ordered drydocked for examination.

The result of this examination is embodied in reports of the Inspector dated September 12 and 15, 1917. Before a certificate will be issued permitting the navigation of the vessel, repairs must be made to the hull and machinery as stated in these reports. Estimates were invited from eight concerns and three estimates submitted, the lowest being that of James Tregarthen & Sons Company in the sum of \$3,487.50.

The use of this boat will be required for ferry service between 53d street and Blackwell's Island for not less than three months of 1918 or until the elevators of the new Blackwell's Island storehouse are ready for use.

If this boat cannot be used it will be necessary to charter a boat for this ferry service. The cost of chartering such a vessel will be not less than \$90 per day.

It is advisable that the necessary repairs be made to the Steamer "Bronx" in order to place her in commission at as early a date as possible. There is a sufficient unencumbered balance in the fund stated to pay the cost of the repairs.

I recommend the adoption of the attached resolution granting the request.

Respectfully,

TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of the 1917 budget, and subject to the provisions of section 419 of the charter, hereby approves the expenditure of three thousand, four hundred and eighty-seven dollars and fifty cents (\$3,487.50) for repairs to the steamer "Bronx" as directed by the United States Steamboat Inspection Service of the Department of Commerce, under the jurisdiction of the Department of Public Charities; the cost to be charged to the 1917 budget appropriation "Code 1977, Contract or Open Order Service, Repairs and Replacements."

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Water Supply, Gas and Electricity—Approval of Increased Estimate of Cost (Cal. No. 12).

(On August 1, 1917, the Comptroller approved the estimate of cost for this work at \$6,459.50.)

The Secretary presented a communication dated October 3, 1917, from the Commissioner of Water Supply, Gas and Electricity, requesting approval of an increased estimate of cost (\$6,894) for furnishing labor and materials to construct a filter bed and replace sand on existing filter beds at the Mount Kisco Sewage Disposal Plant, Mount Kisco, New York; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 9, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On October 4, 1917, you referred to the Bureau of Contract Supervision a communication from the Commissioner of Water Supply, Gas and Electricity, dated October 3, 1917, requesting approval of an increased estimate of cost in an amount of \$6,894 for furnishing all labor and materials to construct a new filter bed and to remove and replace sand on existing filter beds at the Mount Kisco Sewage Disposal Plant, Mt. Kisco, New York.

This contract was approved by the Comptroller on August 1, 1917, at an estimated cost of \$6,459.50.

At the first letting, two bids were received, the lower being \$7,647.50. These bids were considered too high, the contract was re-advertised and at the second letting seven bids were received, the lowest being \$6,894.

This bid is a fair estimate of cost for the work and there is sufficient balance in the account "R. D. W.-44-V," to which the cost is to be charged, to provide for the increased estimate of cost.

I recommend the adoption of the attached resolution approving the request.

Respectfully,

TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to its resolution of July 11, 1912, hereby approves a new estimate of cost in an amount of six thousand eight hundred and ninety-four dollars (\$6,894) for furnishing all labor and materials to construct one new filter bed and replace sand on existing filter beds at the sewage disposal plant at Mt. Kisco, New York, under the jurisdiction of the Department of Water Supply, Gas and Electricity, the cost to be charged against the special revenue bond account "R. D. W. 44V, Department of Water Supply, Gas and

Electricity, Deficiency in Budget Item 2244 T. W. 1917," the action being in substitution for an approval by the Comptroller on August 1, 1917.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Plant and Structures—Approval of Contract, Specifications, Plans, Etc. (Cal. No. 13).

The Secretary presented a communication dated September 27, 1917, from the Commissioner of Plant and Structures, transmitting contract, specifications, plans and estimate of cost (\$15,000), for excavating and dredging at the site of the Eastchester Bridge; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 4, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 27, 1917, you referred to the Bureau of Contract Supervision a communication dated September 27, 1917, from the Commissioner of Plant and Structures, requesting approval of form of contract, specifications and plans for excavating and dredging at the site of the Eastchester Bridge.

The pier outlines shown on the plan are in the location fixed in the plans for the proposed bascule bridge to replace Eastchester Bridge over Hutchinson River. The following stipulation is contained in the certificate of approval of the Secretary of War, dated December 5, 1916, covering these plans:

"That before any work is done that involves obstructing in any manner the existing channel, the applicant shall remove to a depth of at least 5 feet at mean low water (War Department Datum) all material west of the easterly United States pier and bulkhead line, between the angle in said pier and bulkhead line at the location of the temporary bridge and a point 150 feet southerly of the center line of the proposed bridge, measured along the pier and bulkhead line."

The excavating and dredging for which approval is asked are required under the above stipulation. The portion between the temporary bridge and the "Northerly Limit of Dredging" is omitted because excavating at this place would undermine the temporary bridge, which must remain until the new bridge is opened. The clear waterway, however, after the completion of the proposed contract and with the temporary bridge remaining, will be greater than under present conditions.

The provision in the specifications for placing a portion of the excavated material in "Parcel B," is pursuant to an agreement dated June 23, 1917, between the Commissioner of Plant and Structures and the owners of "Parcel B." Authority to enter into such an agreement was given the Commissioner of Plant and Structures by a resolution passed by the Board of Estimate and Apportionment on December 8, 1916.

The plan and specifications are satisfactory and the estimate of cost \$15,000, is reasonable. The contract should be submitted to the Corporation Counsel for approval as to form.

The cost is chargeable to the fund entitled "C. D. B. 24, Bridge to replace Eastchester Bridge over Hutchinson River," in which the unencumbered balance is \$173,608.55.

I recommend the adoption of the attached resolution granting the requested approval. Respectfully, TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to its resolution adopted on July 11, 1912, hereby approves, subject to the approval of the form of contract by the Corporation Counsel, the plan, specifications and estimate of cost, fifteen thousand dollars (\$15,000), for excavating and dredging at the site of the Eastchester Bridge over Hutchinson River, under the jurisdiction of the Department of Plant and Structures, the cost to be charged to the fund entitled "C. D. B.—24, Bridge to Replace Eastchester Bridge over Hutchinson River"; provided that if no bids are received for said work, within the estimated cost, the amount of such estimated cost upon the bids so received may be reconsidered in its discretion by the Board of Estimate and Apportionment, or by any official designated by the Board, provided that any of the bids is within the amount authorized and available for said work.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Docks and Ferries—Approval of Contract, Specifications, Etc. (Cal. No. 14).

The Secretary presented a communication dated September 28, 1917, from the Acting Commissioner of Docks, transmitting contract, specifications and estimate of cost (\$3,888.75) for furnishing horses with harness and drivers for carting coal and removing ashes, from the Municipal Ferryboats and Ferry Terminals in the Boroughs of Manhattan, Brooklyn and Richmond; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 9, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 28, 1917, the Acting Commissioner of Docks requested approval of the form of contract, specifications and estimate of cost, \$3,888.75, for furnishing horses with harness and drivers for carting coal to and removing ashes from the Municipal Ferryboats and Ferry Terminals in the Boroughs of Manhattan, Brooklyn and Richmond.

The contract is divided into two classes, each class to be awarded as a separate contract as follows:

Class 1—For furnishing horse with harness and driver in the Boroughs of Manhattan, Brooklyn and Richmond, 274½ cart days.

Class 2—For furnishing horse with harness and driver in the Boroughs of Manhattan and Richmond, 732 cart days.

The estimate of cost is based on prices per diem recently quoted by contractors for this class of labor.

The cost is to be paid from the 1917 budget "Code No. 2852, Hire of Horses with Vehicles and Drivers," in which fund there is a sufficient balance available for the purpose.

The form of contract and specifications are satisfactory.

I recommend the adoption of the attached resolution granting the request.

Respectfully,

TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the terms and conditions of the 1917 Budget, hereby approves the form of contract, specifications and estimate of cost in the sum of three thousand eight hundred eighty-eight dollars and seventy-five cents (\$3,888.75), for furnishing horses with harness and drivers, for carting coal to and removing ashes, etc., from the Municipal Ferryboats and Ferry Terminals in the Boroughs of Manhattan, Brooklyn and Richmond (Class 1), and in the Boroughs of Manhattan and Richmond (Class 2), under the jurisdiction of the Department of Docks and Ferries, the cost to be paid from the 1917 Budget Code No. 2852, Hire of Horses and Vehicles with Drivers," provided that if no bids are received for said work within the estimated cost, the amount of such estimated cost upon the bids so received may be reconsidered in its discretion by the Board of Estimate and Apportionment, or by any official designated by the Board, provided that any of the bids is within the amount authorized and available for said work.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Docks and Ferries—Approval of Contract, Amended Specifications, Etc. (Cal. No. 15).

(On August 2, 1917, the Comptroller approved the contract, etc., for this work at an estimated cost of \$6,000.)

The Secretary presented a communication dated September 26, 1917, from the Commissioner of Docks, transmitting contract and specifications, as amended, and

estimate of cost (\$6,000) for furnishing, delivering and putting in place about 6,000 cubic yards of riprap or cobblestones at Dover street, East River, Borough of Manhattan; and the following report of the Bureau of Contract Supervision recommending approval thereof:

October 3, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 26, 1917, the Commissioner of Docks requested approval of the form of contract and specifications as amended; and estimate of cost, \$6,000, for furnishing, delivering and putting in place about 6,000 cubic yards of riprap or cobble stones at Dover street, East River, Borough of Manhattan.

On August 2, 1917, the Comptroller, acting for your Board, approved a form of contract and specifications similar to those now submitted except that those approved called only for riprap stone, whereas the contract and specification now submitted permits the furnishing of cobble stones as well; also the period of delivery has been extended from 30 to 90 days.

The contract, as originally approved, was advertised bids to be opened on September 4, 1917, but on that date no bids were received. The reason assigned by contractors for not bidding was the scarcity of riprap stone and the short time allowed for delivery.

The stone is urgently needed in connection with the construction of a section of bulkhead wall at Dover street, East River. The specifications, as amended, should result in bids being submitted.

As amended, the form of contract and specifications are satisfactory and the estimate of cost is in accordance with market conditions for this class of material at the present time.

The cost is to be paid from the corporate stock fund entitled "C. D. D.—27, Department of Docks and Ferries, Supplies, etc., for Construction and Improvement of Docks," in which on October 2, 1917, there remained an unencumbered balance of \$28,970.83.

I recommend the adoption of the attached resolution granting the request.

Respectfully,

TILDEN ADAMSON, Director.

Bureau of Franchises.

Brooklyn Daily Eagle (Cal. No. 16).

Consent granted Brooklyn Daily Eagle to continue to maintain and use three bridges across Floods Alley between Johnson Street and Myrtle Avenue, Borough of Brooklyn.

This application was presented to the Board at the meeting of September 21, 1917, (Cal. No. 219), and was referred to the Bureau of Franchises.

The Secretary presented the following:

The Brooklyn Daily Eagle, Brooklyn, New York, Sept. 13th, 1917.
Board of Estimate and Apportionment, Bureau of Franchises, Room 1307, municipal Building, New York City:

Gentlemen—The Brooklyn Daily Eagle is maintaining and using a bridge across Floods Alley connecting its properties on opposite sides of the same street.

The consent to maintain and use this bridge was granted to us through the Board of Estimate and Apportionment by resolution adopted July 8th, 1907, and approved by the Mayor July 15th, 1907.

We desire to continue to maintain and use the said bridge and herewith petition the Board of Estimate and Apportionment for permission to do so.

We also maintain two openwork foot bridges over the aforementioned enclosed bridge which are for use in case of fire or other emergency. They will be used for no other purpose. We herewith petition the board of Estimate and Apportionment to include them in our permit. Very truly yours,

THE BROOKLYN DAILY EAGLE, By H. F. GUNNISON, Business Manager.
Bureau of Franchises, September 29, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—By resolution adopted by the Board of Estimate and Apportionment July 8th, 1907, and approved by the Mayor July 15, 1907, consent was granted to the Brooklyn Daily Eagle to erect, maintain and use a foot bridge across Floods Alley between Johnson Street and Myrtle Avenue, Borough of Brooklyn, connecting its properties on opposite sides of the said alley, and the said grantee duly accepted the consent and complied with the terms and conditions thereof, including the deposit of five hundred dollars (\$500) security with the Comptroller of the City, and erected the bridge.

Section 1 of the said consent provided that it should not extend beyond a term of ten (10) years from the date of approval by the Mayor, or July 15, 1917.

In June of this year the attention of the Eagle was called to the approaching expiration of the consent, and it presented a petition dated June 6, 1917, to the Board for permission to continue to maintain and use the bridge.

At the meeting held June 15, 1917, the petition was referred to this Bureau for investigation and report.

Examination on the ground disclosed that the Eagle had erected two additional open work bridges across Floods Alley, directly above the said bridge, and in response to an inquiry, the Office of the Borough President advised no permits had been issued for the additional bridges. The matter was taken up with the Eagle and as a result it submitted a petition dated September 13, 1917, in lieu of the one of June 6, requesting permission to continue to maintain and use the three bridges. The petition recites that the two unauthorized open work bridges were erected to provide emergency exits in case of fire.

At the meeting of the Board held September 21, 1917, the petition of June 6 was ordered filed and the one of September 13 referred to this Bureau.

Copies of the petition with accompanying plan were forwarded to the President of the Borough of Brooklyn and to the Fire Commissioner with a request that examinations be made by the various bureaus of their departments having jurisdiction with a view to ascertaining if there are any objections to the bridges or any particular conditions necessary to be incorporated in the form of consent heretofore used by the Board for similar privileges. Replies have been received stating there are no objections to the bridges and no particular conditions necessary to be inserted in the consent.

As the administrative department of the City government having jurisdiction find no objections to the bridges, and as the customary examination by this Bureau disclosed none, I can see no good reason why the requested permission should not be given should the Board see fit to do so. In such case I would suggest that consent be granted only during the pleasure of the Board, but in no event to extend beyond a period of ten (10) years from the date of approval by the Mayor and revocable upon sixty (60) days' notice, and that it be made a condition of the consent that security in the sum of five hundred dollars (\$500) now on deposit for the faithful performance of the terms and conditions of the old consent be continued on deposit under the new consent.

Floods Alley is eighteen feet in width between building lines at the point where the bridges are located, and I would recommend as reasonable charge for the privilege the sum of two hundred dollars (\$200) per annum. With the customary increase of five per cent. for the second term of five years, the compensation should therefore be—

During the first term of five (5) years, the sum of two hundred dollars (\$200) per annum, and

During the second term of five (5) years, the sum of two hundred and ten dollars (\$210) per annum.

Such sums should be paid into the City Treasury in advance on November 1 of each year, and it has been provided in the resolution granting consent herewith submitted that the first payment shall run from July 15, 1917, the date of expiration of the original consent. Respectfully,

HARRY P. NICHOLS, Engineer, Chief of Bureau.

The following resolution was offered:

Whereas, By resolution adopted by the Board of Estimate and Apportionment July 8, 1907, and approved by the Mayor July 15, 1907, consent was granted to the Brooklyn Daily Eagle to erect, maintain and use a single span bridge over and across Floods Alley between Johnson Street and Myrtle Avenue, Borough of Brooklyn, connecting buildings of the said grantee on opposite sides of the said street; and

Whereas, The Brooklyn Daily Eagle duly accepted the said consent and complied with the terms and conditions thereof, including the deposit of five hundred dollars (\$500) security with the Comptroller of the City, and erected the bridge; and

Whereas, Section 1 of the said consent provided it should not extend beyond a term of ten (10) years from the date of approval by the Mayor, or July 15, 1917; and

Whereas, The Brooklyn Daily Eagle presented a petition dated June 6, 1917, to the Board of Estimate and Apportionment, for permission to continue to maintain and use said bridge; and

Whereas, Examination disclosed that the Brooklyn Daily Eagle erected without proper authority, and is maintaining two single span open work bridges across Floods Alley, directly above the said bridge, all as more fully recited in a report from the Engineer, Chief of the Bureau of Franchises presented to this Board at the meeting held this day; and

Whereas, The Brooklyn Daily Eagle presented a petition dated September 13, 1917, in lieu of the petition dated June 6, 1917, hereinabove mentioned, for permission to continue to maintain and use the three existing bridges; now, therefore, be it

Resolved, That the consent of the Corporation of The City of New York be and the same is hereby given to the Brooklyn Daily Eagle to continue to maintain and use three existing bridges over and across Floods Alley, in the Borough of Brooklyn, between Johnson Street and Myrtle Avenue one being an inclosed bridge twelve feet above the surface of the street, to be used as a passageway, and the other two being open work steel bridges directly above the first bridge and to be used only in case of fire or other emergency; all three connecting properties of the Brooklyn Daily Eagle on opposite sides of Floods Alley; the bridges to be as shown upon the plan accompanying the petition and entitled:

"Plan showing location of present bridges to be maintained in Floods Alley, Borough of Brooklyn, to accompany application dated Sept. 13, 1917, of Brooklyn Daily Eagle to the Board of Estimate and Apportionment, City of New York."

a copy of which is attached hereto and made a part hereof upon the following terms and conditions:

1. This consent shall continue only during the pleasure of the Board of Estimate and Apportionment, and shall be revocable upon sixty (60) days' notice in writing to the grantee, but in no case shall it extend beyond a term of ten (10) years from the date of its approval by the Mayor, and thereupon all rights of the grantee in said street by virtue of this consent shall cease and determine.

2. The grantee shall pay into the Treasury of The City of New York, as compensation for the privilege hereby granted.

During the first term of five (5) years, the sum of two hundred dollars (\$200) per annum, and

During the second term of five (5) years, the sum of two hundred and ten dollars (\$210) per annum.

Such payments shall be made in advance on November 1 of each year, provided, however, that the first payment shall be made within sixty (60) days of the approval of this consent by the Mayor, and shall be only such proportion of the annual charge as the time between July 15, 1917, the date of expiration of the consent for the enclosed bridge, and November 1, 1917, bears to a whole year.

Such payments shall not be considered in any manner in the nature of a tax, but shall be in addition to any and all taxes of whatsoever kind or description now or hereafter required to be paid under any ordinance of The City of New York, or by any law of the State of New York.

3. Upon the removal of the grantee from either of the premises to be connected by the structure, or upon the revocation or termination by limitation of this consent, the grantee shall cause the structure hereby authorized to be removed and all of said street affected by this permission to be restored to its proper and original condition, if required so to do by The City of New York or its duly authorized representatives, and the entire cost of such work shall be borne by the said grantee. If the structure hereby authorized shall not be required to be removed, it is agreed that it shall become the property of The City of New York.

4. This consent is for the exclusive use of the grantee and shall not be assigned either in whole or in part, or leased or sublet in any manner, nor shall title thereto, or right, interest or property therein pass to or vest in any other person, firm or corporation whatsoever, either by the acts of the grantee or by operation of law, without the consent in writing of The City of New York, acting by the Board of Estimate and Apportionment.

5. The grantee shall pay the entire cost of all work, labor and material in connection with the structure hereby authorized, and particularly—

(a) Its construction, maintenance and removal.

(b) The protection of all structures which shall in any way be disturbed by its construction or removal.

(c) All changes in sewers or other subsurface structures necessitated by its construction, or removal, including the laying or relaying of pipes, conduits, sewers or other structures.

(d) The replacing or restoring of the pavement in said street which may be disturbed during its construction or removal.

(e) Each and every item of the increased cost of the installation of any future structures or repairs or alterations to any existing or future structures caused by its presence in the street.

(f) The inspection of all work during its construction or removal as herein provided, which may be required by the President of the Borough and the Commissioner of Water Supply, Gas and Electricity.

6. Before the construction or removal shall be begun, the grantee shall obtain permits to do the work from the President of the Borough and from the Commissioner of Water Supply, Gas and Electricity. The grantee shall perform all the duties which may be imposed by those officials as conditions of such permits, provided such conditions are not inconsistent with the provisions of this consent. The grantee shall submit to those officials working plans which shall include and show in detail the method of construction of the structure hereby authorized and the mode of protection or changes in all structures required by the construction or removal of the same.

Upon the completion of the work, the grantee shall furnish to the President of the Borough a plan of such character as he may direct, showing accurately and distinctly the location, size and type of construction and complete dimensions of the structure erected or installed under this consent; also the location and dimensions of all substructures encountered during the progress of the work. The depth below the street surface of the new structure and of the substructures encountered must be shown; also their location with reference to the nearest curb line and the nearest curb-line intersection.

The enclosed bridge shall be equipped with automatic, self-closing, fireproof doors at both ends and all glass shall be wire glass set in metal frames. No material of any kind, character or description shall be allowed to remain standing on any of the bridges. No signs of any description shall be placed thereon and no pipes or electric wires shall be placed thereon except those for the adequate lighting of the interior of the structures.

7. The grantee shall allow to The City of New York a right of way through, under or above any part of the structure hereby authorized for any and all structures which are now or may be hereafter placed by The City of New York in said street.

If at any time it shall become necessary to replace or alter any structure in said street, the City shall have the right to break through or remove all or any portion of the structure hereby authorized and the grantee shall pay to the City the expense incurred by such removal.

8. The structure hereby authorized and any fixtures laid therein shall be con-

structed, maintained and operated subject to the supervision and control of the proper authorities of The City of New York. It shall be open at all times to the inspection of all the authorities who have jurisdiction in such matters under the Charter of The City of New York.

9. This consent is subject to whatever right, title or interest the owners of abutting property or others may have in and to said street.

10. Said grantee shall be liable for all damages to persons or property, including the street and structures therein and thereunder, by reason of the construction and operation or maintenance of the structure hereby authorized, and it is a condition of this consent that The City of New York assumes no liability to either person or property on account of this consent.

11. This consent is granted on the further and express condition that all laws or ordinances now in force, or which may hereafter be adopted, shall be strictly complied with.

12. This consent is upon the express condition that the security of five hundred dollars (\$500) now on deposit with the Comptroller of The City of New York in accordance with the terms and conditions of the resolution adopted by this Board July 8, 1907, and approved by the Mayor July 15, 1907, granting consent to the erection, maintenance and use of the enclosed bridge until July 15, 1917, shall be continued on deposit with the Comptroller for the faithful performance of the terms and conditions of this consent.

In case of default in the performance by said grantee of any of such terms and conditions, The City of New York shall have the right to cause the work to be done and the materials to be furnished for making the necessary changes or repairs, after ten (10) days' notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings, or in case of default in the payment of the annual charge, shall collect the same, with interest, from such fund after ten (10) days' notice in writing to the said grantee.

In case of any drafts so made upon the security fund the said grantee shall, upon thirty (30) days' notice in writing, pay to the Comptroller of The City of New York a sum of money sufficient to restore the said fund to the original amount of five hundred dollars (\$500.00), and in default of the payment thereof, the consent hereby given may be cancelled and annulled, at the option of the Board of Estimate and Apportionment of The City of New York, acting on behalf of said City. No action or proceeding or rights under the provisions of this section shall affect any other legal rights, remedies or causes of action belonging to The City of New York.

13. Said grantee shall give notice, in writing, to the President of the Borough and to the Commissioner of Water Supply, Gas and Electricity of its intention to begin the work hereby authorized at least forty-eight hours before such work commences. The grantee shall also give to the Board of Estimate and Apportionment notice, in writing, of the date on which the work is commenced and also the date on which the same is completed, not later than ten (10) days after such dates.

14. This consent shall be null and void unless said grantee shall duly execute an instrument in writing, wherein said grantee shall accept this consent and shall promise, covenant and agree to conform to, abide by and perform all the terms, conditions and requirements in this consent fixed and contained and file said instrument with the Board of Estimate and Apportionment of The City of New York within thirty (30) days after the approval of this consent by the Mayor; provided, however, that such time may be extended by the Board of Estimate and Apportionment.

And said grantee shall promise, covenant and agree in said instrument to hold The City of New York harmless from all damages to persons or property which may result from the construction, use, maintenance or operation of the structure hereby authorized.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Bowery Bay Building and Improvement Company (Cal. No. 17).

Rescission of consent granted Bowery Bay Building and Improvement Company to install, maintain and use three conduits under the Old Bowery Bay Road, Borough of Queens, and authorizing the Comptroller to refund the security deposit.

This application was presented to the Board at the meeting of April 20, 1917, (Cal. No. 88), and was referred to the Bureau of Franchises.

The Secretary presented the following:

Edgar P. Foster, Attorney and Counsellor at Law, 132 Nassau Street, New York City, New York, April 17, 1917.

Board of Estimate and Apportionment, City of New York, Bureau of Franchises, Municipal Building, City; Mr. HARRY P. NICHOLS, Engineer, Chief of Bureau.

Dear Sir—By resolution adopted by the Board of Estimate and Apportionment March 20th, 1914, approved by the Mayor on March 25th, 1914, the Bowery Bay Building & Improvement Company was granted permission to install, maintain and use three conduits under Old Bowery Bay Road, Borough of Queens, for the purpose of conveying electric current between its premises.

After obtaining such permission, the Bowery Bay Building & Improvement Company complied with the requirements required to be complied with by the City, and constructed the conduits under the Old Bowery Bay Road, and, on the 30th day of April, 1914, deposited with the Department of Finance of the City of New York a One Thousand Dollar par value of gold exemption corporate stock, V.14, of the City of New York, payable on March 1st, 1962, as evidenced by Certificate Number 11123 of the Department of Finance, Comptroller's office, City of New York, bearing date April 14th 1914, being the security required to be filed with the City for the security for the performance of the terms and conditions of the Consent.

The Bowery Bay Electric Light & Power Company and the Bowery Bay Building & Improvement Company have discontinued the service of light, and the said conduits being of no further use to these companies, the same were removed on or about March 30th, 1917.

Application is, therefore, hereby made for a cancellation of the said franchise and for a return of the said \$1,000.00 Certificate held as security by the City.

Yours very truly,

EDGAR P. FOSTER, Atty. for Bowery Bay Bldg. & Impg. Co.

Bureau of Franchises, September 28, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—By resolution adopted by the Board of Estimate and Apportionment March 20, 1914, and approved by the Mayor March 25, 1914, consent was granted to the Bowery Bay Building and Improvement Company to install, maintain and use three 2-inch conduits under and across Old Bowery Bay Road between Maple Avenue and the Grand Boulevard, Borough of Queens, for the purpose of conveying electric current across the said road from the plant of the petitioner to its properties on the southerly side of the road. The Company duly accepted the consent and complied with the terms and conditions thereof, including the deposit of one thousand dollars (\$1,000) security with the Comptroller of the City, and installed the conduits, and has regularly paid the annual compensation for the privilege in the sum of one hundred and forty-three and 50-100 dollars (\$143.50) up to November 1, 1917.

The attorney for the Bowery Bay Building and Improvement Company presented a petition dated April 17, 1917, to the Board of Estimate and Apportionment, reciting that the conduits were removed on or about March 30, 1917, and the street restored to its original condition, and requesting the return of the security.

At the meeting of the Board held April 20, 1917, the petition was referred to the Bureau of Franchises for investigation and report.

Certifications have been received from the Office of the President of the Borough of Queens and the Commissioner of Water Supply, Gas and Electricity stating that the removal of the conduits was properly performed during the latter part of March and the street has been restored to its former condition. Inquiry developed the fact that the Company had neglected to pay the taxes due to the City on the said conduits and that fact was called to its attention. On September 28, 1917, it submitted to this office, for examination, receipted bills from the Collector of Taxes showing that all of the said taxes have been paid.

In view of the facts as above recited, I can see no good reason why the consent should not be revoked and the security deposit returned and the Comptroller authorized to refund to the Company the proportionate part of the annual charge paid in advance up to November 1, 1917, covering the period from March 30, 1917, the date of removal of the conduits, to November 1, 1917.

A resolution so providing is herewith submitted for adoption. Respectfully,

HARRY P. NICHOLS, Engineer, Chief of Bureau.

The following resolution was offered:

Whereas, By resolution adopted by the Board of Estimate and Apportionment March 20, 1914, and approved by the Mayor March 25, 1914, consent was granted to the Bowery Bay Building and Improvement Company to install, maintain and use three 2-inch conduits under and across Old Bowery Bay Road between Maple Avenue and the Grand Boulevard, Borough of Queens, for the purpose of conveying electric current from the plant of the petitioner to its properties on the southerly side of said road; and

Whereas, The Bowery Bay Building and Improvement Company duly accepted the said consent and complied with the terms and conditions thereof, including the deposit of one thousand dollars (\$1,000) security with the Comptroller of The City of New York for the faithful performance of the terms and conditions of the consent and the payment of compensation in the sum of one hundred and forty-three and 50-100 dollars (\$143.50) per annum up to November 1, 1917; and

Whereas, A petition dated April 17, 1917, was presented to the Board of Estimate and Apportionment by the attorney for the said grantee, reciting that the conduits were removed on or about March 30, 1917, and requesting the return of the security; and

Whereas, The administrative departments of the City government having jurisdiction have certified that the conduits were removed and the street properly restored; all as more fully recited in a report from the Engineer, Chief of the Bureau of Franchises, presented to the Board at the meeting held this day; now, therefore, be it

Resolved, That the resolution adopted by the Board of Estimate and Apportionment March 20, 1914, and approved by the Mayor March 25, 1914, granting consent to the Bowery Bay Building and Improvement Company to install, maintain and use three 2-inch conduits under and across Old Bowery Bay Road be and it hereby is revoked; and be it further

Resolved, That the Comptroller of The City of New York be and he hereby is authorized and directed to return the said security deposit of one thousand dollars (\$1,000) to the said Bowery Bay Building and Improvement Company and to refund to the said Company the proportionate part of the annual charge covering the period from March 30, 1917, to November 1, 1917; and be it further

Resolved, That this resolution shall not become effective unless and until the Bowery Bay Building and Improvement Company shall execute an instrument, in writing, releasing The City of New York from any and all claims of any kind, character or description whatsoever held or claimed to be held under the terms and conditions of the aforesaid consent and agreeing to quit-claim, waive and surrender to The City of New York any and all rights and privileges in and upon said Old Bowery Bay Road in the Borough of Queens, held or claimed to be held under or by virtue of the said consent, and file the same with the Board of Estimate and Apportionment of The City of New York.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Downey Shipbuilding Corporation (Cal. No. 18).

Consent granted Downey Shipbuilding Corporation to install, maintain and use a twelve-inch pipe under and across Richmond Terrace east of Western Avenue, Borough of Richmond.

The Secretary presented the following:

Downey Shipbuilding Corporation, Builders of "Standardized Steamships," 120 Broadway, New York, Telephone, Rector, 1340, Arlington, S. I., New York, September 22, 1917.

Board of Estimate and Apportionment, Municipal Building, New York City:

Gentlemen—We herewith make application for the privilege of constructing and maintaining 1 12-inch standard pipe to contain compressed air under and across Richmond Terrace, Borough of Richmond, New York, joining property owned by us on both sides of the street. Plans showing improvement are submitted herewith.

The plans are submitted in accordance with the last paragraph of your printed letter of instructions in these matters and include nine (9) lithographed prints from the tracing, 2 on paper and 7 on cloth, and 1 tracing.

We petition your honorable Board to issue this application at the earliest possible moment, as we are in need of this improvement at once. Yours very truly,

DOWNEY SHIPBUILDING CORPORATION, A. A. CANNON, Assistant Secretary.

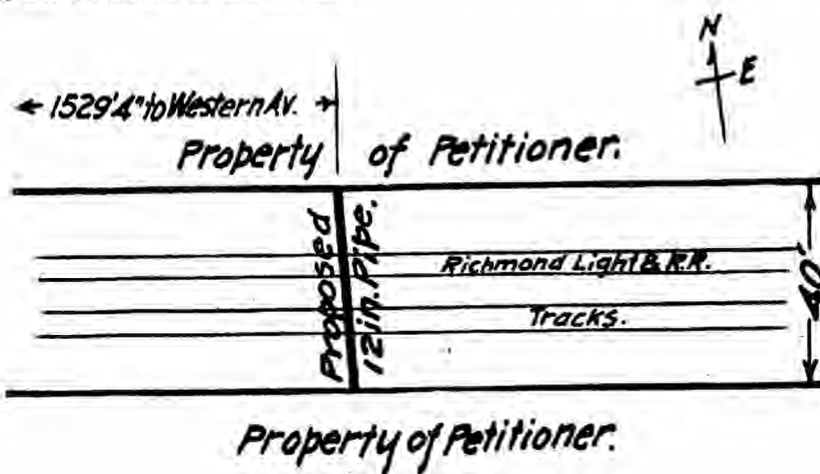

Bureau of Franchises, October 8, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—The Downey Shipbuilding Corporation presented a petition dated September 22, 1917, to the Board of Estimate and Apportionment for permission to install, maintain and use a twelve-inch pipe under and across Richmond Terrace, Borough of Richmond, at a point 1,529 feet 4 inches east of the easterly building line of Western Avenue, the pipe to connect properties of the petitioner on opposite sides of the said street, lately purchased from Milliken Brothers, Inc., in order to convey compressed air between the said properties.

Copies of the petition with accompanying plan were forwarded to the President of the Borough of Richmond and to the Commissioner of Water Supply, Gas and Electricity, with a request that examinations be made by the various bureaus of their departments having jurisdiction, with a view to ascertaining if there are any objections to the project or any particular conditions necessary to be incorporated in the form of consent heretofore used by the Board for similar privileges. In replies dated, respectively, October 1 and October 2, 1917, I am informed there are no objections to the proposed pipe and no particular conditions necessary to be inserted in the consent.

The customary examination by this Bureau disclosed no objections to the project, and, as the administrative departments of the City government having jurisdiction find none, I can see no good reason why the requested permission should not be given, should the Board see fit to do so. In such case I would suggest that consent be granted only during the pleasure of the Board, but in no event to extend beyond December 12, 1926—the date of expiration of two other consents granted by the Board to the said Company for pipes across Richmond Terrace in this locality, and that it be made a condition of the consent that security in the sum of five hundred dollars (\$500) be furnished, such security to be in the form of either cash or securities, to be approved by and deposited with the Comptroller for the faithful performance of the terms and conditions of the consent.

Plan of Proposed 12 in. Pipe for Downey Shipbuilding Corporation.

Bureau of Franchises.

The length of the proposed pipe within the lines of Richmond Terrace is forty feet. At the rate heretofore fixed by the Board for private pipes in the City streets—

viz., \$2 per linear foot for pipes not over 16 inches in diameter and less than 100 feet in length—the compensation for the privilege should be the sum of eighty dollars (\$80) per annum. Such sum should be paid into the City treasury in advance on November 1 of each year.

The customary form of resolution granting consent is herewith submitted for adoption. Respectfully, HARRY P. NICHOLS, Engineer, Chief of Bureau.

The following resolution was offered:

Whereas, The Downey Shipbuilding Corporation presented a petition, dated September 22, 1917, to the Board of Estimate and Apportionment for permission to install, maintain and use a 12-inch pipe under and across Richmond Terrace, Borough of Richmond, at a point about 1,529 feet 4 inches east of the easterly line of Western Avenue, connecting properties of the petitioner on opposite sides of the said street, for the purpose of conveying compressed air between the said properties; now, therefore, be it

Resolved, That the consent of the corporation of The City of New York be and the same is hereby given to the Downey Shipbuilding Corporation, a corporation organized and existing under the laws of the State of Delaware, and duly authorized, by a certificate filed in the Office of the Secretary of State on May 12, 1917, to carry on business in this State, and the owner of certain properties on opposite sides of Richmond Terrace, at Howlands Hook, Borough of Richmond, to install, maintain and use a 12-inch pipe under and across said Richmond Terrace, at a point about 1,529 feet 4 inches east of the easterly line of Western Avenue, connecting the said properties of the petitioner, for the purpose of conveying compressed air between the same, for the sole and exclusive use of the petitioner and for no other purpose; all as shown on the plan accompanying the petition and entitled:

"Plan showing location of proposed pipe in Richmond Terrace, Borough of Richmond, To accompany application dated: Sept. 22, 1917, of Downey Shipbuilding Corporation to the Board of Estimate and Apportionment, City of New York"—a copy of which is attached hereto and made a part hereof upon the following terms and conditions:

1. This consent shall continue only during the pleasure of the Board of Estimate and Apportionment, and shall be revocable upon sixty (60) days' notice in writing to the grantee, but in no case shall it extend beyond December 12, 1926, and thereupon all rights of the grantee in said street by virtue of this consent shall cease and determine.

2. The grantee shall pay into the Treasury of The City of New York, as compensation for the privilege hereby granted, the sum of eighty dollars (\$80) per annum. Such payments shall be made in advance on November 1 of each year, provided, however, that the first payment shall be made within sixty (60) days of the approval of this consent by the Mayor, and shall be only such proportion of the annual charge as the time between the approval of this consent by the Mayor and November 1 following bears to a whole year.

Such rate of compensation shall continue up to the date of restoration of the street pavement after the removal of the structure from the street.

Such payments shall not be considered in any manner in the nature of a tax, but shall be in addition to any and all taxes of whatsoever kind or description now or hereafter required to be paid under any ordinance of The City of New York, or by any law of the State of New York.

3. Upon the removal of the grantee from either of the premises to be connected by the structure, or upon the revocation or termination by limitation of this consent, the grantee shall cause the structure hereby authorized to be removed and all of said street affected by this permission to be restored to its proper and original condition, if required so to do by The City of New York or its duly authorized representatives, and the entire cost of such work shall be borne by the said grantee. If the structure hereby authorized shall not be required to be removed, it is agreed that it shall become the property of The City of New York.

4. This consent is for the exclusive use of the grantee and shall not be assigned either in whole or in part, or leased or sublet in any manner, nor shall title thereto, or right, interest or property therein pass to or vest in any other person, firm or corporation whatsoever, either by the acts of the grantee or by operation of law, without the consent in writing of The City of New York, acting by the Board of Estimate and Apportionment.

5. The grantee shall pay the entire cost of all work, labor and material in connection with the structure hereby authorized, and particularly—

(a) Its construction, maintenance and removal.

(b) The protection of all structures which shall in any way be disturbed by its construction or removal.

(c) All changes in sewers or other subsurface structures necessitated by its construction or removal, including the laying or relaying of pipes, conduits, sewers or other structures.

(d) The replacing or restoring of the pavement in said street which may be disturbed during its construction or removal.

(e) Each and every item of the increased cost of the installation of any future structures or repairs, or alterations to any existing or future structures caused by its presence in the street.

(f) The inspection of all work during its construction or removal as herein provided, which may be required by the President of the Borough and the Commissioner of Water Supply, Gas and Electricity.

6. Before the construction or removal shall be begun, the grantee shall obtain permits to do the work from the President of the Borough and from the Commissioner of Water Supply, Gas and Electricity. The grantee shall perform all the duties which may be imposed by those officials as conditions of such permits, provided such conditions are not inconsistent with the provisions of this consent. The grantee shall submit to those officials working plans which shall include and show in detail the method of construction of the structure hereby authorized and the mode of protection or changes in all structures required by the construction or removal of the same.

Upon the completion of the work, the grantee shall furnish to the President of the Borough a plan of such character as he may direct, showing accurately and distinctly the location, size and type of construction and complete dimensions of the structure erected or installed under this consent; also the location and dimensions of all substructures encountered during the progress of the work. The depth below the street surface of the new structure and of the substructures encountered must be shown; also their location with reference to the nearest curb line and the nearest curb-line intersection.

7. The grantee shall allow to The City of New York a right of way through, under or above any part of the structure hereby authorized for any and all structures which are now or may be hereafter placed by The City of New York in said street.

If at any time it shall become necessary to replace or alter any structure in said street, the City shall have the right to break through or remove all or any portion of the structure hereby authorized and the grantee shall pay to the City the expense incurred by such removal.

8. The structure hereby authorized and any fixtures laid therein shall be constructed, maintained and operated subject to the supervision and control of the proper authorities of The City of New York. It shall be open at all times to the inspection of all the authorities who have jurisdiction in such matters under the Charter of The City of New York.

9. This consent is subject to whatever right, title or interest the owners of abutting property or others may have in and to said street.

10. Said grantee shall be liable for all damages to persons or property, including the street and structures therein and thereunder, by reason of the construction and operation or maintenance of the structure hereby authorized, and it is a condition of this consent that The City of New York assumes no liability to either person or property on account of this consent.

11. This consent is granted on the further and express condition that all laws or ordinances now in force, or which may hereafter be adopted, shall be strictly complied with.

12. This consent is upon the express condition that within sixty (60) days after its approval by the Mayor, and before anything is done in exercise of the rights conferred hereby, the grantee shall deposit with the Comptroller of The City of New York the sum of Five Hundred Dollars (\$500.00), either in money or in securities to be approved by him, which fund shall be security for the performance of the terms and conditions of this consent, especially those which relate to the payment of the annual charge, the repairs of the street pavement and the removal of the structure hereby authorized. In case of default in the performance by said grantee of any of such terms and conditions, The City of New York shall have the right to cause the work to be done and the materials to be furnished for making the necessary changes or repairs, after ten (10) days' notice, and shall collect the reasonable cost thereof.

from the said fund without legal proceedings, or in case of default in the payment of the annual charge, shall collect the same, with interest, from such fund after ten (10) days' notice in writing to the said grantee.

In case of any drafts so made upon the security fund the said grantee shall, upon thirty (30) days' notice in writing, pay to the Comptroller of The City of New York a sum of money sufficient to restore the said fund to the original amount of Five Hundred Dollars (\$500.00), and in default of the payment thereof, the consent hereby given may be cancelled and annulled, at the option of the Board of Estimate and Apportionment of The City of New York, acting on behalf of said City. No action or proceeding or rights under the provisions of this section shall affect any other legal rights, remedies or causes of action belonging to The City of New York.

13. Said grantee shall give notice, in writing, to the President of the Borough and to the Commissioner of Water Supply, Gas and Electricity of its intention to begin the work hereby authorized at least forty-eight hours before such work commences. The grantee shall also give to the Board of Estimate and Apportionment notice, in writing, of the date on which the work is commenced and also the date on which the same is completed, not later than ten (10) days after such dates.

14. Said grantee shall commence the construction of the structure hereby authorized and complete the same on or before June 1, 1918, otherwise this consent shall be forfeited forthwith, and without any proceedings, either at law or otherwise, for that purpose; provided, however, that such time may be extended by the Board of Estimate and Apportionment.

15. This consent shall be null and void unless said grantee shall duly execute an instrument in writing, wherein said grantee shall accept this consent and shall promise, covenant and agree to conform to, abide by and perform all the terms, conditions and requirements in this consent fixed and contained and file said instrument with the Board of Estimate and Apportionment of The City of New York within thirty (30) days after the approval of this consent by the Mayor; provided, however, that such time may be extended by the Board of Estimate and Apportionment.

And said grantee shall promise, covenant and agree in said instrument to hold The City of New York harmless from all damages to persons or property which may result from the construction, use, maintenance or operation of the structure hereby authorized.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Milliken Bros., Inc.; Downey Shipbuilding Corporation (Cal. No. 19).

Assignment of right of Milliken Bros., Inc., to the Downey Shipbuilding Corporation to continue to maintain and operate a conduit and a twelve-inch pipe under and across Richmond Terrace and authorizing the Downey Shipbuilding Corporation to maintain and operate two thirty-inch pipes under and across Richmond Terrace, Borough of Richmond.

This application was presented to the Board at the meeting of September 21, 1917 (Cal. No. 225) and was referred to the Bureau of Franchises.

The Secretary presented the following:

Downey Shipbuilding Corporation, Builders of "Standardized Steamships," 120 Broadway, New York, Telephone Rector 1340, New York, July 23, 1917.
HARRY P. NICHOLS, Esq., Engineer, Chief of Bureau of Franchises, Room 1307, Municipal Building, New York City:

Dear Sir—Milliken Brothers (Incorporated) hold two franchises to maintain pipes or conduits under Richmond Terrace at Howland's Hook, Borough of Richmond, connecting their two properties on opposite sides of the street. These two franchises are under Resolutions Nos. 75 and 76, one of them contained in the minutes of the Board of Estimate and Apportionment of December 8, 1916, and the other one contained in the minutes of October 6, 1916, and December 8, 1916.

Milliken Brothers (Incorporated) have transferred this property to Downey Shipbuilding Corporation, the deed of the same having been dated and delivered on July 19, 1917, and recorded in the Richmond County Clerk's office on July 20, 1917, and said Downey Shipbuilding Corporation are now the owners thereof and desire to have the franchises renewed for their benefit and hereby make application for such renewal.

DOWNEY SHIPBUILDING CORPORATION, By WALLACE DOWNEY, President.

Bureau of Franchises, October 4, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—By resolution adopted by the Board of Estimate and Apportionment June 22, 1906, and approved by the Acting Mayor July 5, 1906, consent was granted to Milliken Brothers, Inc., to install, maintain and use, for a period of ten years, two 30-inch pipes under and across Richmond Terrace at Howland's Hook, Borough of Richmond, connecting properties of the said company on opposite sides of the said street. The Company duly accepted the consent and complied with the terms and conditions thereof, including the deposit of five hundred dollars (\$500) security with the Comptroller of the City, and installed the pipes. The consent expired by limitation on July 5, 1916, and was continued for one year to July 5, 1917, by resolution adopted by the Board December 8, 1916, and approved by the Mayor December 12, 1916.

Under date of June 25, 1917, the Company petitioned the Board for permission to continue to maintain and use the said pipes for another year to July 5, 1918, and at the meeting of the Board held July 3, 1917, that petition was referred to the Bureau of Franchises for investigation and report.

On July 12 the Company advised this office that title to the property of Milliken Brothers, Inc., was about to pass to a new corporation, and requested that the matter of consent for the said pipes be held in abeyance.

Under date of July 23, 1917, the Downey Shipbuilding Corporation petitioned the Board for permission to continue to maintain and use the said pipes, the petition reciting that the property of Milliken Brothers, Inc., was transferred to the petitioner by deed dated July 19, 1917, and recorded in the County Clerk's office July 20, and at the meeting of the Board held September 21 that petition was referred to this Bureau. The petition also requests that the consent granted to Milliken Brothers, Inc., by the Board of Estimate and Apportionment by resolution adopted December 8, 1916, and approved by the Mayor December 12, 1916, to construct, maintain and use a concrete conduit 10 inches in width and 20 inches in depth and a 12-inch pipe under and across Richmond Terrace, connecting its properties, be transferred to the Downey Shipbuilding Corporation.

Copies of the petition were forwarded to the President of the Borough of Richmond and to the Commissioner of Water Supply, Gas and Electricity with the request that examinations be made by the various bureaus of their departments having jurisdiction with a view to ascertaining if there are any objections to the continued maintenance and use of the said pipes and conduit by the Downey Shipbuilding Corporation or any particular conditions necessary to be incorporated in the form of consent used by the Board for similar privileges. In replies dated, respectively, September 27 and October 2, 1917, I have been informed there are no objections to the continued maintenance of the structures by the petitioner.

As the administrative departments of the City Government having jurisdiction find no objection to the granting of the petition, I can see no good reason why the requested permission should not be given should the Board see fit to do so. In such case I would suggest that, with regard to the conduit and 12-inch pipe authorized in 1916, the Board, in accordance with section 4 of the said consent, authorize its assignment by Milliken Brothers, Inc., to the Downey Shipbuilding Corporation, and with regard to the two 30-inch pipes, that consent be granted only during the pleasure of the Board and revocable upon sixty (60) days' notice, and that the said consent be made coterminous with the consent for the conduit and 12-inch pipe above mentioned. It should be made a condition of the consent that security in the sum of one thousand dollars (\$1,000) be required; such security to be in the form of either cash or securities, to be approved by and deposited with the Comptroller, for the faithful performance of the terms and conditions of the consent.

At the rate heretofore fixed by the Board for private pipes in the City streets, customarily used for steam, electric current, refrigeration, etc., the charge for these large pipes would be greater than is paid by a number of companies for tunnel consents along the river fronts, used for the intake and discharge of salt water. In order that there may be no discrimination and all may be treated alike, these pipes should therefore be classified as "tunnels" for the purpose of determining the compensation. At the rate for tunnels not capable of use as passageways, viz., four per cent. of the assessed valuation of the area of street occupied, the charge for each of these tunnels would be less than the minimum of \$250 per annum.

With the customary increase of five per cent. for the second term of five years, the compensation for both tunnels should therefore be

During the first term of five (5) years, the sum of five hundred dollars (\$500) per annum; and

During the second term of five (5) years, the sum of five hundred and twenty-five dollars (\$525) per annum.

Such sums should be paid into the City treasury in advance on November 1 of each year.

Three resolutions are herewith submitted for adoption, the first authorizing the assignment of the consent for the existing authorized conduit and pipe, the second authorizing the continued maintenance and use of the two 30-inch pipes, and the third authorizing the Comptroller to return to Milliken Brothers, Inc., the security now on deposit with him under the consent granted to that Company for the 30-inch pipes, upon the deposit by the Downey Shipbuilding Corporation of security under the new consent. Respectfully,
HARRY P. NICHOLS, Engineer, Chief of Bureau.

The following resolution was offered:

Whereas, By resolution adopted by the Board of Estimate and Apportionment December 8, 1916, and approved by the Mayor December 12, 1916, consent was granted to Milliken Brothers, Inc., to construct, maintain and use a concrete conduit 10 inches in width and 20 inches in depth and a 12-inch pipe under and across Richmond Terrace in the Borough of Richmond from a point in the southerly line of the said street, distant 1,509 feet 6 inches east of the easterly line of Western Avenue, to a point in the northerly line of said street, distant 1,498 feet 6 inches east of the easterly line of Western Avenue, connecting properties of the said Company on opposite sides of the said street, and to be used for the conveyance of electric current, air and water between the said properties, and the grantee duly accepted the consent and complied with the terms and conditions thereof, including the deposit of five hundred dollars (\$500) security with the Comptroller; and

Whereas, Section 4 of the said consent provides as follows:

"This consent is for the exclusive use of the grantee and shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall title thereto, or right, interest or property therein pass to or vest in any other person, firm or corporation whatsoever, either by the acts of the grantee or by operation of law, without the consent in writing of The City of New York, acting by the Board of Estimate and Apportionment,"

—and

Whereas, The Downey Shipbuilding Corporation presented a petition dated July 23, 1917, to the Board of Estimate and Apportionment reciting that it has become the owner of the said properties of Milliken Brothers, Inc., by deed dated July 19, 1917, and recorded in the Richmond County Clerk's Office on July 20, 1917, and requesting the consent of the City to the assignment by Milliken Brothers, Inc., of its right, title and interest in and to the said consent and the said conduit and pipe; now therefore be it

Resolved, That the consent of the Corporation of The City of New York be and the same is hereby given to the assignment of the interest of Milliken Brothers, Inc., in and to the aforesaid conduit and pipe and its right to use the same, to the Downey Shipbuilding Corporation, a corporation organized and existing under the laws of the State of Delaware, and duly authorized by certificate filed in the Office of the Secretary of State on May 12, 1917, to carry on business in this State; provided, however, that the said assignee shall execute an instrument in writing, wherein it shall accept the terms and conditions contained in the resolution adopted by the Board of Estimate and Apportionment December 8, 1916, and approved by the Mayor December 12, 1916, granting consent to the construction, maintenance and use of the said conduit and pipe and agree to conform to and abide by and perform all of such terms and conditions as if said consent had been originally granted to the Downey Shipbuilding Corporation, and file said instrument with the Board of Estimate and Apportionment within sixty (60) days after the date of approval of this resolution by the Mayor, and the said Downey Shipbuilding Corporation shall further agree to hold The City of New York harmless from all damages to persons or property which may result from the construction, use, maintenance and operation of the said conduit and pipe, and shall pay to the Comptroller of The City of New York within sixty (60) days after the approval of this consent by the Mayor the sum of twenty-five dollars (\$25) to cover the cost of report and publication; and be it further

Resolved, That upon the deposit by the Downey Shipbuilding Corporation of a security fund in the sum of five hundred dollars (\$500) with the Comptroller of the City, as required by the terms and conditions of the consent, the Comptroller shall and he hereby is authorized to return to Milliken Brothers, Inc., or its successor, the security deposit of five hundred dollars (\$500) heretofore deposited with him by the said Company for the faithful performance of the terms and conditions of the consent granted by resolution adopted by this Board December 8, 1916, and approved by the Mayor December 12, 1916.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx and Queens and the Acting President of the Borough of Richmond—16.

The following resolution was offered:

Whereas, By resolution adopted by the Board of Estimate and Apportionment June 22, 1906, and approved by the Acting Mayor July 5, 1906, consent was granted to Milliken Brothers, Inc., to install, maintain and use, for a period of ten years, two 30-inch pipes under and across Richmond Terrace at Howland's Hook, Borough of Richmond, connecting properties of the said grantee on opposite sides of the said street, in order to obtain salt water for condensing and other purposes, and the said grantee duly accepted the consent and complied with the terms and conditions thereof, and installed the pipes; and

Whereas, The said consent expired by limitation on July 5, 1916, and by resolution adopted by the Board of Estimate and Apportionment December 8, 1916, and approved by the Mayor December 12, 1916, consent was granted to Milliken Brothers, Inc., to continue to maintain and use the said pipes until July 5, 1917; and

Whereas, The Downey Shipbuilding Corporation presented a petition dated July 23, 1917, to the Board of Estimate and Apportionment, reciting that by deed dated July 19, 1917, and duly recorded in the Richmond County Clerk's Office on July 20, 1917, it has become the owner of the said property of Milliken Brothers, Inc., and requesting permission to continue to maintain and use the said pipes; now, therefore, be it

Resolved, That the consent of the Corporation of The City of New York be and the same is hereby given to the Downey Shipbuilding Corporation, a corporation organized and existing under the laws of the State of Delaware, and duly authorized by certificate filed in the Office of the Secretary of State on May 12, 1917, to carry on business in this State, and the owner of certain properties on opposite sides of Richmond Terrace at Howland's Hook, Borough of Richmond, to continue to maintain and use the two said 30-inch pipes under and across the said Richmond Terrace, connecting the said properties, in order to obtain salt water for condensing and other purposes, the pipes to be as shown on the plan accompanying the resolution adopted by the Board of Estimate and Apportionment June 22, 1906, and approved by the Acting Mayor July 5, 1906, authorizing their installation, and entitled:

"Plan showing proposed salt water pipes for Milliken Bros., Inc., across Sound Shore Road or Richmond Terrace, Borough of Richmond, S. I., in accordance with and accompanying application of the 23d day of May, 1906, to the Board of Estimate and Apportionment,"

—and signed Foster Milliken, President. This consent is granted upon the following terms and conditions:

1. This consent shall continue only during the pleasure of the Board of Estimate and Apportionment, and shall be revocable upon sixty (60) days' notice in writing to the grantee, but in no case shall it extend beyond December 12, 1926, and thereupon all rights of the grantee in said street by virtue of this consent shall cease and determine.

2. The grantee shall pay into the Treasury of The City of New York, as compensation for the privilege hereby granted, during the first term of five years, the sum of five hundred dollars (\$500) per annum, and during the remainder of the consent the sum of five hundred and twenty-five dollars (\$525) per annum. Such payments shall be made in advance on November 1 of each year, provided, however, that the first payment shall be made within sixty (60) days of the approval of this consent by the Mayor, and shall be only such proportion of the annual charge as the time between the approval of this consent by the Mayor and November 1 following bears to a whole year.

Such rate of compensation shall continue up to the date of restoration of the street pavement after the removal of the structure from the street.

Such payments shall not be considered in any manner in the nature of a tax, but shall be in addition to any and all taxes of whatsoever kind or description now or hereafter required to be paid under any ordinance of The City of New York, or by any law of the State of New York.

3. Upon the removal of the grantee from either of the premises to be connected by the structure, or upon the revocation or termination by limitation of this consent, the grantee shall cause the structure hereby authorized to be removed and all of said street affected by this permission to be restored to its proper and original condition, if required so to do by The City of New York or its duly authorized representatives, and the entire cost of such work shall be borne by the said grantee. If the structure hereby authorized shall not be required to be removed, it is agreed that it shall become the property of The City of New York.

4. This consent is for the exclusive use of the grantee and shall not be assigned either in whole or in part, or leased or sublet in any manner, nor shall title thereto, or right, interest or property therein pass to or vest in any other person, firm or corporation whatsoever, either by the acts of the grantee or by operation of law, without the consent in writing of the City of New York, acting by the Board of Estimate and Apportionment.

5. The grantee shall pay the entire cost of all work, labor and material in connection with the structure hereby authorized, and particularly—

(a) Its construction, maintenance and removal.

(b) The protection of all structures which shall in any way be disturbed by its construction or removal.

(c) All changes in sewers or other subsurface structures necessitated by its construction or removal, including the laying or relaying of pipes, conduits, sewers or other structures.

(d) The replacing or restoring of the pavement in said street which may be disturbed during its construction or removal.

(e) Each and every item of the increased cost of the installation of any future structures or repairs or alterations to any existing or future structures caused by its presence in the street.

(f) The inspection of all work during its construction or removal as herein provided, which may be required by the President of the Borough and the Commissioner of Water Supply, Gas and Electricity.

6. Before the construction or removal shall be begun, the grantee shall obtain permits to do the work from the President of the Borough and from the Commissioner of Water Supply, Gas and Electricity. The grantee shall perform all the duties which may be imposed by those officials as conditions of such permits, provided such conditions are not inconsistent with the provisions of this consent. The grantee shall submit to those officials working plans which shall include and show in detail the method of construction of the structure hereby authorized and the mode of protection or changes in all structures required by the construction or removal of the same.

Upon the completion of the work, the grantee shall furnish to the President of the Borough a plan of such character as he may direct, showing accurately and distinctly the location, size and type of construction and complete dimensions of the structure erected or installed under this consent; also the location and dimensions of all substructures encountered during the progress of the work. The depth below the street surface of the new structure and of the substructures encountered must be shown; also their location with reference to the nearest curb line and the nearest curb-line intersection.

7. The grantee shall allow to The City of New York a right of way through, under or above any part of the structure hereby authorized for any and all structures which are now or may be hereafter placed by The City of New York in said street.

If at any time it shall become necessary to replace or alter any structure in said street, the City shall have the right to break through or remove all or any portion of the structure hereby authorized and the grantee shall pay to the City the expense incurred by such removal.

8. The structure hereby authorized and any fixtures laid therein shall be constructed, maintained and operated subject to the supervision and control of the proper authorities of The City of New York. It shall be open at all times to the inspection of all the authorities who have jurisdiction in such matters under the Charter of The City of New York.

9. This consent is subject to whatever right, title or interest the owners of abutting property or others may have in and to said street.

10. Said grantee shall be liable for all damages to persons or property, including the street and structures therein and thereunder, by reason of the construction and operation or maintenance of the structure hereby authorized, and it is a condition of this consent that The City of New York assumes no liability to either person or property on account of this consent.

11. This consent is granted on the further and express condition that all laws or ordinances now in force, or which may hereafter be adopted, shall be strictly complied with.

12. This consent is upon the express condition that within sixty (60) days after its approval by the Mayor, and before anything is done in exercise of the rights conferred hereby, the grantee shall deposit with the Comptroller of The City of New York the sum of One Thousand Dollars (\$1,000.00), either in money or in securities to be approved by him, which fund shall be security for the performance of the terms and conditions of this consent, especially those which relate to the payment of the annual charge, the repairs of the street pavement and the removal of the structure hereby authorized. In case of default in the performance by said grantee of any of such terms and conditions, The City of New York shall have the right to cause the work to be done and the materials to be furnished for making the necessary changes or repairs, after ten (10) days' notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings, or in case of default in the payment of the annual charge, shall collect the same, with interest, from such fund after ten (10) days' notice in writing to the said grantee.

In case of any drafts so made upon the security fund the said grantee shall, upon thirty (30) days' notice in writing, pay to the Comptroller of The City of New York a sum of money sufficient to restore the said fund to the original amount of One Thousand Dollars (\$1,000.00), and in default of the payment thereof, the consent hereby given may be cancelled and annulled, at the option of the Board of Estimate and Apportionment of The City of New York, acting on behalf of said City. No action or proceeding or rights under the provisions of this section shall affect any other legal rights, remedies or causes of action belonging to The City of New York.

13. Said grantee shall give notice, in writing, to the President of the Borough and to the Commissioner of Water Supply, Gas and Electricity of its intention to begin the work hereby authorized at least forty-eight hours before such work commences. The grantee shall also give to the Board of Estimate and Apportionment notice, in writing, of the date on which the work is commenced and also the date on which the same is completed, not later than ten (10) days after such dates.

14. This consent shall be null and void unless said grantee shall duly execute an instrument in writing, wherein said grantee shall accept this consent and shall promise, covenant and agree to conform to, abide by and perform all the terms, conditions and requirements in this consent fixed and contained and file said instrument with the Board of Estimate and Apportionment of The City of New York within thirty (30) days after the approval of this consent by the Mayor; provided, however, that such time may be extended by the Board of Estimate and Apportionment.

And said grantee shall promise, covenant and agree in said instrument to hold The City of New York harmless from all damages to persons or property which may result from the construction, use, maintenance or operation of the structure hereby authorized.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx and Queens and the Acting President of the Borough of Richmond—16.

The following resolution was offered:

Whereas, By resolution adopted by the Board of Estimate and Apportionment June 22, 1906, and approved by the Acting Mayor July 5, 1906, consent was granted to Milliken Brothers, Inc., to install, maintain and use, for a period of ten (10) years, two 30-inch pipes under and across Richmond Terrace, at Howlands Hook, Borough of Richmond, connecting properties of the said grantee on opposite sides of the said street, in order to obtain salt water for condensing and other purposes, and the said grantee duly accepted the consent and complied with the terms and conditions thereof,

including the deposit of security in the sum of five hundred dollars (\$500) with the Comptroller of The City of New York, and installed the pipes; and

Whereas, The said consent expired by limitation on July 5, 1916, and by resolution adopted by the Board of Estimate and Apportionment December 8, 1916, and approved by the Mayor December 12, 1916, consent was granted to Milliken Brothers, Inc., to continue to maintain and use the said pipes until July 5, 1917, and the said security was continued on deposit with the Comptroller of the City; and

Whereas, The Downey Shipbuilding Corporation presented a petition dated July 23, 1917, to the Board of Estimate and Apportionment, reciting that by deed dated July 19, 1917, and duly recorded in the Richmond County Clerk's office on July 20, 1917, it became the owner of the said property of Milliken Brothers, Inc., and requesting permission to continue to maintain and use the said pipes; and

Whereas, By resolution adopted by this Board this day, consent was granted to the Downey Shipbuilding Corporation to continue to maintain and use the said pipes; now, therefore, be it

Resolved, That upon deposit by the Downey Shipbuilding Corporation of the security provided for in the said resolution granting it consent to continue to maintain and use the said pipes, the Comptroller of The City of New York be and he hereby is authorized and requested to return to Milliken Brothers, Inc., the five hundred dollars (\$500) security now on deposit with him under the terms and conditions of the original consent; and be it further

Resolved, That this resolution shall not become effective unless and until the said Milliken Brothers, Inc., shall execute an instrument in writing, releasing The City of New York from any and all claims, of any kind, character or description whatsoever, held, or claimed to be held, under the terms and conditions of the aforesaid consent, and agreeing to quitclaim, waive and surrender to The City of New York any and all rights and privileges in and upon said street, held, or claimed to be held, under or by virtue of the said consent, and file the same with the Board of Estimate and Apportionment.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Brooklyn, Queens County and Suburban Railroad Company (Cal. No. 27).

Commencement of operation by the Brooklyn, Queens County and Suburban Railroad Company of its street surface railway extension upon and along Metropolitan Avenue from Dry Harbor Road to Jamaica Plank Road, Borough of Queens.

This franchise was granted by contract dated April 3, 1916.

The Secretary presented the following:

Bureau of Franchises, September 29, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—By contract dated April 3, 1916, the Brooklyn, Queens County and Suburban Railroad Company was authorized to construct, maintain and operate a street surface railway extension upon and along Metropolitan Avenue from Dry Harbor Road to Jamaica Plank Road, Borough of Queens. Said contract provided that the Company should file the consents of abutting property owners to the construction of the railway within six months from the execution of the contract and that the extension should be constructed and placed in full operation within six months from the date of filing the consents. The consents of abutting property owners were filed with the Board on September 26, 1916, and therefore the time for completion of the railway, as fixed by the contract, expired March 26, 1917.

By resolution adopted by the Board of Estimate and Apportionment March 23, and approved by the Acting Mayor March 30, 1917, the Company was granted an extension of time up to and including June 26, 1917, within which to complete construction and, by a further resolution adopted June 29, and approved by the Mayor July 3, 1917, a second extension of time up to and including September 26, 1917, was given the Company.

An examination of the route made by a representative of this Bureau on September 5, 1917, revealed that the extension had been completed, with the exception of one track between Union Turnpike and Lefferts Avenue and the laying of a portion of the pavement.

Under date of September 7, 1917, the Company was requested to advise this Bureau if it expected to have the extension completed and in operation by September 26, 1917. In a reply dated September 17, the Secretary of the Company stated

that the line would be complete and ready for operation on the above-mentioned date.

Actual operation over the extension was commenced September 25, 1917.

From a subsequent examination made by a representative of this Bureau, it appears that cars on the new route are at present operating on a twenty-minute headway, but, from information obtained from the car crew, it is the intention to shortly run on a ten-minute headway.

From the foregoing, it would appear that the company has complied with the provisions of the contract as modified by resolutions extending the time in relation to completion of construction and placing the Metropolitan Avenue Extension in operation.

It is therefore recommended that the papers in the matter be filed. Respectfully,

HARRY P. NICHOLS, Engineer, Chief of Bureau.

Degnon Terminal Railroad Corporation; Long Island Railroad Company (Cal. No. 28).

Communication from the Public Service Commission for the First District transmitting and serving upon the City certified copy of resolution in Case No. 2191 adopted by the Commission, directing a hearing on the application of the Degnon Terminal Railroad Corporation and the Long Island Railroad Company for the approval of an agreement for the transportation and placement of cars.

This communication was presented to the Board at the meeting of September 21, 1917 (Cal. No. 224) and was referred to the Bureau of Franchises.

The Secretary presented the following:

Bureau of Franchises, October 3, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—Under date of September 5, 1917, the Secretary of the Public Service Commission for the First District transmitted to the Board a copy of a joint petition made by the Degnon Terminal Railroad Corporation and the Long Island Railroad Company for the consent and approval of the Commission to certain agreements entered into between the two companies, providing for the transportation and placement of cars. The hearing on this petition having been fixed by the Commission for September 10th, this Bureau obtained copies of the agreements for the purpose of ascertaining the precise nature thereof, in order that if any objections existed on the part of the City they might be presented to the Commission at the hearing.

There are two agreements between the companies, one dated May 27, 1916, and the other December 13, 1916. From the former of these agreements it appears that the Degnon Company, which was granted a franchise by the Board under a contract dated June 12, 1914, had been, up to December 10, 1915, furnishing service to those connected by its railroad system through the Long Island Railroad Company, the latter making no additional charges for delivering cars over the Degnon tracks to industrial plants, nor for receiving cars from those plants for shipment over the Long Island Railroad. On the date named, an agreement was entered into between the two companies, whereby this service was to be continued upon payment by the Degnon Company to the Long Island Company of the actual cost of operation on the tracks of the Degnon Company. The latter company subsequently secured its own equipment for the transportation of cars over its own tracks, and, desiring to provide service to the industries located on its system and to take over the transportation and placement of cars, it entered into an agreement on May 27, 1916, with the Long Island Company, which provides as follows:

"1. The Degnon Corporation and the Railroad Company agree that all cars coming over the lines of the Railroad Company for consignees upon the railroad of the Degnon Corporation shall be delivered to the Degnon Corporation by the Railroad Company upon the most southerly track, where the single track lead from the Montauk Cut-Off terminates and the double track commences, at or near Davis Street in the Borough of Queens, City of New York, such track to be designated as the 'inbound interchange track'; that all cars outbound from shippers on the railroad of the Railroad Company or its connections shall be delivered to the Railroad Company by the Degnon Corporation on the most northerly track, where the single track lead from the Montauk Cut-Off terminates and the double track commences, as aforesaid, such track to be designated as the 'outbound interchange track'."

(The point of interchange is on private property.) The interchange of cars is to be made daily, except Sunday, at 9 P. M., and, if the business requires it, at other times which may be arranged. Other provisions are contained in the agreement which affect the obligations of the companies as between themselves, among their clauses requiring—

- (1) Each company to keep a record of cars received and delivered.
- (2) The Degnon Corporation to be governed entirely by the regulations of the Railroad Company as to the latter's cars and to pay any penalty which the Railroad Company may be subjected to by reason of any default in this respect.
- (3) The Degnon Corporation to save the Railroad Company harmless from damage for any cause while the cars are on the former company's tracks.
- (4) Transportation of cars and freight over the Degnon Corporation's tracks to be entirely at its expense, but if the company is temporarily unable to transport, place or deliver the cars, the Long Island Company will temporarily do so upon payment to it of the actual cost of the service.

This agreement was to remain in effect until terminated by either party on six months' notice in writing.

Under date of December 13, 1916, the second agreement referred to above was made. It modified that clause of the original agreement which required the Degnon Company to transport the cars on its own tracks entirely at its own expense, so as to provide for the payment by the Railroad Company to the Degnon Company of the sum of \$1.25 "for each car containing freight received by the Degnon Corporation upon the 'inbound interchange track'," and a similar sum for each car containing freight received by the Railroad Company upon the "outbound interchange track." As will be noted, this referred only to loaded cars. It is especially provided that no charge shall be made for receiving or delivering empty cars, nor is any compensation to be paid for cars containing merchandise delivered to or received from the Degnon Corporation itself. The original agreement was also modified to provide for its continuing in effect until November 30, 1919, instead of being terminable upon six months' notice, as theretofore.

These agreements seem to be in consonance with the franchise contract between the Degnon Corporation and the City. Section 2, Seventh, of that contract provides:

"Seventh—If the right of way on private property upon which the Company proposes to operate or any location of track herein authorized (all as shown on the map hereto attached) shall be crossed, intersected or joined by the right of way or tracks of another railroad corporation, then the Company shall unite with such corporation in forming the necessary connections between the railroads of the Company and such corporation, and shall grant the requisite facilities therefor, whether the tracks on the right of way of such corporation are at the same or a different grade from the tracks of the Company at the point of such crossing or intersection.

"In case the Company and such corporation cannot agree upon the amount of compensation to be paid therefor, such compensation shall be fixed in the manner provided in Section 22 of the Railroad Law.

"When such railroads shall be so connected, the Company shall receive from such other corporation and forward to their destination, all goods, merchandise and other property intended for points on its railroad, and receive and forward to the railroad of such other corporation all goods merchandise and other property shipped by way of the Company's railroad and intended for points thereon, with the same despatch and at a rate of freight not exceeding the local tariff rate charged for similar goods, merchandise and other property received at or forwarded from the same points for individuals and other corporations.

"The intent and purpose of the foregoing is to provide for the use of the Company's railroad by any other railroad which may be constructed in the vicinity, so that such other railroad may be afforded an outlet and rail connection with a trunk line railroad or a water connection with the Dutch Kills Creek by means of the railroad of the Company."

In view of the foregoing, no presentations were made to the Commission on behalf of the Board, at the hearing held by the Commission on September 10th, although a representative of this Bureau was present. The only fact developed at

the hearing was that the payment of \$1.25 per car, which the Long Island Company is to pay to the Degnon Corporation, will be a part of the through freight rate which the Railroad Company charges for its transportation. In other words, no portion of the charge of \$1.25 will be paid by the shippers, who it appears, will have all the benefit of the through freight rate, although the shipments are received from and delivered directly at their plants. The hearing was closed on September 10, and the Commission took the matter under consideration.

Under date of October 1st, the Secretary of the Commission transmits a copy of an order adopted by the Commission on September 27th, approving the two agreements referred to above.

As the matter has now been concluded, I would suggest that the papers be filed. Respectfully,
HARRY P. NICHOLS, Engineer, Chief of Bureau.

Approved Papers—On Changes in the City Map (Cal. No. 29).

The following report of the Secretary was ordered printed in the Minutes and filed:

October 9, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—I beg to inform you that on September 21, 1917, and October 5, 1917, respectively, his Honor the Mayor approved the resolutions adopted by the Board of Estimate and Apportionment on September 21, 1917, changing the map or plan of The City of New York by

Approval

- No. 563 Establishing lines and grades for Martense Court from Martense Street to a line about 143 feet northerly therefrom, Borough of Brooklyn;
- 564 Laying out a Public Playground and Park to comprise the block bounded by Lorimer Street, Johnson Avenue, Leonard Street and Boerum Street, Borough of Brooklyn; (Approved on date of adoption, September 21, 1917);
- 565 Changing the grades of the street system within the territory bounded by East 178th Street, Park Avenue, East 179th Street and Monterey Avenue, Borough of The Bronx;
- 566 Changing the lines and grades of the street system within the territory bounded approximately by Martha Avenue, East 240th Street, the boundary line of The City of New York, Bronx River Road, East 238th Street, Bullard Avenue, East 239th Street, Bronx Boulevard, East 237th Street and its westwardly prolongation and East 236th Street, Borough of The Bronx;
- 567 Changing the lines of Bell Avenue between 30th Avenue and 32nd Avenue, Borough of Queens;
- 569 Changing the grades of Forest Avenue between Grove Street and Gates Avenue and of Linden Street between Grandview Avenue and Prospect Avenue, Borough of Queens;
- 570 Changing the grade of 6th Street and the grade of 7th Street between Stryker Avenue and Polk Avenue, Borough of Queens;
- 568 Note—The resolution adopted by the Board on September 21, 1917, changing the street system within the territory bounded by Ford Street, Cooper Avenue (Deyo Street), Agnes Place (Dry Harbor Road), Varian Street, Delia Street and Myrtle Avenue, Borough of Queens, was returned by the Mayor without approval. The action of the Board in adopting this resolution was reconsidered at the meeting held October 5, 1917 (Cal. No. 89), and the resolution was rescinded. The Board then fixed November 2, 1917, as the date for a new hearing in the matter. Yours very truly,
JOSEPH HAAG, Secretary.

COMMUNICATIONS, PETITIONS, ETC.

From Citizens and Public Bodies.

New York Railways Company (Cal. No. 30).

The Secretary presented a communication from the General Attorney, New York Railways Company, stating the Company does not propose to accept the contract as drawn for the franchise to construct, maintain and operate a street surface railway on West 86th Street, from Central Park West to Broadway, Borough of Manhattan, and it will not pay for notices of the hearing in the newspapers and has notified the newspapers to this effect.

By resolution adopted September 28, 1917 (Cal. No. 56), October 26, 1917, was fixed as the date for hearing on this contract.

As the Company has declined to pay for the cost of advertising, the notice of hearing has not been advertised.

The proposed form of contract was presented to the Board at the meeting of June 29, 1917, by the Committee on Franchises, and the recommendations contained in the report of the Committee on Franchises were adopted.

The matter was referred to the Committee on Franchises.

Board of Estimate and Apportionment—Amendment of Section 24A of Building Zone Resolution (Cal. No. 31).

The Secretary presented a petition, dated September 24, 1917, of Frederick C. Zobel and six others, requesting amendment of section 24A of the Building Zone resolution, so as to extend for one year the time allowed for the completion of the ground story frame work of buildings, permits for the erection of which were issued under or prior to the resolution, provided the use and occupancy of such proposed building is not contrary to the provisions of the Building Zone resolution.

Which was referred to the Committee on the City Plan.

Jamaica Avenue or Fulton Street and Farmers Avenue, Southerly Side, 150 Feet Westerly from Winsted Avenue to a Point Where Farmers Avenue Crosses Long Island Railroad Track, Borough of Queens—Amendment of Building Zone Resolution (Cal. No. 32).

The Secretary presented a petition, dated October 4, 1917, of the Maple Crest Realty Company for amendment of Use District Map, section 15, so as to change from a business to an unrestricted district property on the south side of Jamaica avenue or Fulton street and Farmers avenue, 150 feet westerly from Winsted avenue, to a point where Farmers avenue crosses the Long Island Railroad track.

Which was referred to the Committee on the City Plan.

Police Department—Increase in Salaries of Police Matrons (Cal. No. 33).

The Secretary presented a communication, dated October 8, 1917, from the President, Police Matrons' Benevolent Association, requesting an increase of \$200 in the salaries of the Police Matrons in the Police Department.

Which was referred to the Committee on Tax Budget.

Department of Education—Protest Against Extension of Gary or Duplicate School System in Public Schools (Cal. No. 34).

The Secretary presented a communication, dated October 2, 1917, from the Secretary, Westbridge Civic League of Richmond Hill, transmitting resolution adopted by said association on September 12, 1917, protesting against any further extension of the Gary or Duplicate School System in the public schools of The City of New York.

Which was referred to the Committee on Education.

Department of Education—Acquisition of Property as a Site for School Purposes (Cal. No. 35).

The Secretary presented a communication, dated October 6, 1917, from Alexander J. Roux & Company, offering to sell to the City, on behalf of a client, property known as Nos. 240-242 West 25th Street, Manhattan, for use as a school site.

Which was referred to the Comptroller.

Public Service Commission for the First District—Appropriation for Expenses and Compensation of Employees for Year Ending December 31, 1917 (Cal. No. 36).

The Secretary presented a requisition, dated October 3, 1917, from the Public Service Commission for the First District for an appropriation of \$681,000 to provide, on account, for the compensation of the employees and expenses of the Commission for the year ending December 31, 1917.

Which was referred to the Comptroller.

Pelham Park and City Island Railway Company, Inc. (Cal. No. 37).

The Secretary presented an application of the Pelham Park and City Island Railway Company, Inc., for an extension of time of the permit heretofore issued, permitting said Company to operate cars over its lines in Pelham Park from City Island Bridge to the Eastern Boulevard, for a further period of six months from October 31, 1917.

Which was referred to the Bureau of Franchises.

Staten Island Rapid Transit Railway Company (Cal. No. 38).

The Secretary presented a communication from the Public Service Commission for the First District, transmitting copy of opinion approved by said Commission, in regard to the application of the Staten Island Rapid Transit Railway Company for the approval of changes in service between South Beach and St. George and between Arlington and St. George, Borough of Richmond. The Acting President of the Borough of Richmond stated he was opposed to any decrease of service in this growing community and the matter should receive consideration.

The matter was referred to the Bureau of Franchises.

Franchise Matters; Resolutions Approved by the Mayor (Cal. No. 39).

The Secretary presented communications from the Mayor's Office, returning, duly approved, by His Honor, the Mayor, on October 5, 1917, resolutions adopted by this Board September 21, 1917, as follows:

(a) Granting the Bush Terminal Railroad Company permission to construct, maintain and operate an additional track in Second Avenue to and into the property of the Tidewater Paper Mills on Second Avenue, between 29th and 30th Streets, Borough of Brooklyn.

(b) Granting the New York Central Railroad Company an extension of time until November 1, 1917, to complete construction of siding from its main tracks in West Street to and in front of the Medical Supply Depot Building of the United States Army on Morton Street, between Washington and Greenwich Streets, Borough of Manhattan.

(c) Granting the Union Railway Company of New York City an extension of time to commence and complete construction of street surface railway extension upon and along Amsterdam and Nagle Avenues and Dyckman Street, Borough of Manhattan.

(d) Granting the American Express Company permission to install, maintain and use two pipes under and across Trinity Place, south of Rector Street, Borough of Manhattan.

(e) Granting Rockwood & Company permission to install, maintain and use a platform scale in front of its premises, within the easterly sidewalk of Waverly Avenue, north of Park Avenue, Borough of Brooklyn.

Which were ordered filed.

New York Railways Company (Cal. No. 40).

The Secretary presented a communication from the Public Service Commission for the First District, transmitting and serving upon the City certified copy of resolution in Case No. 2244, adopted by the Commission, directing a hearing on October 8, 1917, on the application of the New York Railways Company for the approval of a change of motive power in Union Square West between 14th and 15th Streets, Borough of Manhattan.

The Engineer, Chief of the Bureau of Franchises reported his Bureau was represented at the hearing.

The communication was ordered filed.

From City, Borough and County Officials.

Rockaway Turnpike (Road), from the Conduit to the City Line (Hook Creek), Borough of Queens—Acquiring Title to Widening.

Rockaway Road, Between Farmers Avenue and the City Line, Borough of Queens—Regulating, Grading, Paving, Etc. (Cal. No. 41).

The Secretary presented a communication, dated October 1, 1917, from the President, Borough of Queens, containing copy of communication from the Chief Engineer of the Board, addressed to the Borough President, relative to the acquisition of title by the City to the widening of Rockaway road, Borough of Queens.

The Borough President suggests, in view of the necessity for this improvement, that the Committee on Assessments consider the questions referred to in the communication of the Chief Engineer, both as to the cost of acquiring title to this road and as to the cost of the physical improvement, and that it fix a date for a public hearing upon the matter when property owners affected may have an opportunity of being heard.

(On June 8, 1917 (Cal. Nos. 155 and 156), the matter of preliminary authorization for the regulating, grading and paving of Rockaway boulevard, from Farmers avenue to the City line, as well as the petition for relief from assessment in the proceeding for acquiring title to Rockaway turnpike, from the conduit to the City line (Hook Creek), Borough of Queens, were referred to the Committee of the Whole.)

The communications were referred to the Committee of the Whole.

Department of Plant and Structures—Retirement of Edward Waide, Stoker, and Michael Tighe, Wireman (Cal. No. 42).

The Secretary presented two communications, dated October 4, 1917, from the Commissioner of Plant and Structures, requesting retirement of Edward Waide, Stoker, and Michael Tighe, Wireman.

Which were referred to the Committee on Salaries and Grades.

Department of Street Cleaning—Increase in Salaries of Sweepers, Drivers, Etc. (Cal. No. 43).

(On September 28, 1917 (Cal. No. 59), the Board authorized the Commissioner of Street Cleaning to continue the existing salary rates of the laboring classes of that department until October 15, 1917.)

The Secretary presented a communication, dated October 8, 1917, from the Commissioner of Street Cleaning, renewing request of September 18, 1917, for authority to pay a minimum rate for extra Sweeper at \$2.75 per day and extra Driver at \$3 per day, with proportionate increases for the remaining members of the laboring forces, from October 15 to December 31, 1917; and the following reports of the Committee on Salaries and Grades relative thereto:

October 10, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 26, 1917, the Commissioner of Street Cleaning requested transfer of \$44,276.55 within appropriations allowed his department for the year 1917. The Bureaus of Personal Service and Contract Supervision report thereon as follows:

"Purpose—To transfer \$40,514.55 from Personal Service, Wages Regular Employees 2340, Carting and Stables to Personal Service, Wages, Temporary Employees 2343, Carting and Stables, and also to transfer \$3,762 from the former account to Contract or Open Order Service, Transportation, 2377 Hire of Horses and Vehicles without drivers.

"Reason—The funds allowed for temporary drivers have become exhausted due to the inability of the department to fill its quota of regular drivers and for the reason that your Board has authorized the Commissioner to increase the wages of temporary drivers from \$2.40 to \$2.75 per day for which no additional funds have been provided. On account of the delay in the delivery of motor vehicles, the funds for the hiring of teams and carts have become exhausted. It is estimated that twenty-four hired teams and carts will be necessary to take care of the extra hauling of ashes during the remainder of the year.

"Finding—The request is proper and necessary. Consent requires unanimous vote of the Board."

Recommendation—In view of the above report the Committee recommends that the request be granted by the adoption of the attached resolutions. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller; JOHN PURROY MITCHEL, Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

To the Board of Estimate and Apportionment:

October 11, 1917.

Gentlemen—On October 6, 1917, the Commissioner of Street Cleaning requested authority to expend an additional amount not exceeding \$184,000 to pay additional increases in wages to those heretofore granted to members of the uniformed force in the laboring class from October 15, 1917, to December 31, 1917. The Bureau of Personal Service reports thereon as follows:

"It is proposed to increase the minimum for Sweeper from \$840 to \$864, and to increase the rate for Sweepers who now receive \$840, and who were in the service prior to April 1, to \$888, and those who now receive \$864 and who have been in the service two years or more to \$912.

"To increase the minimum for Drivers from \$888 to \$936, and to increase the rate for Drivers who now receive \$888 and who were in the service prior to April 1 to \$960, and those who now receive \$912 or \$936 and who have been in the service two years or more to \$984.

"To increase the minimum for Hostlers from \$840 to \$912 and to increase the rate for Hostlers who now receive \$840 and \$864 and who were in the service prior to April 1 to \$936, and those who now receive \$888 and who have been in the service two years or more to \$960.

"To increase the minimum for Stablemen from \$840 to \$864, and to increase the rate for Stablemen who now receive \$840 and who have been in the service two years or more to \$888, and to increase one incumbent now receiving \$864 and who has been in the service more than two years to \$912.

"To increase the minimum for Loaders from \$888 to \$936, and to increase the rate for all Loaders now receiving \$888 and who were in the service prior to April 1 to \$960, and those who now receive \$888 and who have been in the service two years or more to \$984.

"To increase all Tractor Drivers who now receive \$996 and who were in the service prior to April 1 to \$1,020, the minimum to remain \$996 as at present.

"To increase the minimum for Boardman from \$864 to \$912 and to increase all Boardmen who now receive \$864 and \$888 and who were in the service prior to April 1 to \$936, and those who now receive \$888 and who have been in the service two years or more to \$960.

"To increase all Cranemen who now receive \$996 and who were in the service prior to April 1 to \$1,020, the minimum to remain \$996 as at present.

"To increase the minimum for extra Sweeper from \$2.60 to \$2.75 per day; of Laborer (Sweeper) from \$2.60 to \$2.75 per day; of Laborer (Mechanic) from \$2.50 to \$2.75 per day; of Stableman from \$2.60 to \$2.75 per day; of Hostler from \$2.70 to \$2.85 per day; of Boardmen from \$2.70 to \$2.90 per day; of Driver from \$2.75 to \$3 per day; of Loader from \$2.75 to \$3 per day; of Craneman from \$2.75 to \$3.20 per day, and Driver (Tractor) from \$2.75 to \$3.20 per day.

"At three different periods during the year your Board authorized the Commissioner of Street Cleaning to carry the labor force of the uniformed force at rates in excess of those allowed in the 1917 budget, which has created a deficit of approximately \$235,000 up to September 30. To carry this force at the present increased rates for the remainder of the year will mean an additional deficit of about \$115,000, and at the proposed increased rates, about \$185,000. The total estimated deficit for the full year at present increased rates will amount to approximately \$350,000 and at the proposed increased rates, \$420,000.

"The Commissioner states that the employees continue to complain that they are unable to meet the increased cost of food and other necessities of life and are leaving the service, despite the higher rates now being paid, to seek more remunerative employment. The Commissioner further states that the emergency men now employed to fill vacancies, which number about 600, are inefficient. The proposed additional increases in rates are requested with a view to keeping the present regular force intact and to induce competent men to join the uniformed force.

"The proposed increased rates are in accordance with the rates provided for this force in the tentative budget for 1918."

In view of the foregoing facts we recommend the adoption of the attached resolution granting the request. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller; JOHN PURROY MITCHEL, Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

Hon. John T. Fetherston, Commissioner of Street Cleaning, appeared in favor of the request.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves of the transfer of funds appropriated to the Department of Street Cleaning for the year 1917, as follows:

FROM	
<i>Personal Service, Wages Regular Employees.</i>	
2340 Carting and Stables	\$44,276 55
TO	
<i>Personal Service, Wages of Temporary Employees.</i>	
2343 Carting and Stables	\$40,514 55
<i>Contract or Open Order Service, Transportation.</i>	
2377 Hire of Horses and Vehicles without drivers	3,762 00
	\$44,276 55

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the President of the Borough of Queens and the Acting President of the Borough of Richmond—15.

Negative—The President of the Borough of The Bronx—1.

Resolved, That the Commissioner of Street Cleaning is hereby authorized to make appointments to the Uniformed Force at the higher rates hereinbefore mentioned; and be it further

Resolved, That the Comptroller be and is hereby authorized to audit payrolls for the period October 15 to December 31, 1917, at the higher rates set forth in this resolution.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the President of the Borough of Queens and the Acting President of the Borough of Richmond—15.

Negative—The President of the Borough of The Bronx—1.

MATTERS LAID OVER FROM PREVIOUS MEETINGS.

Department of Street Cleaning—Transfer of Appropriation and Modification of Schedule (Cal. No. 44).

(On September 21 (Cal. No. 70), September 28 (Cal. No. 47), and October 5, 1917 (Cal. No. 102), the matter was laid over; on the latter date until this meeting.)

The Secretary presented a communication, dated June 13, 1917, from the Acting Commissioner of Street Cleaning, requesting modification of schedules involving transfer of appropriation for 1917, and the following report of the Committee on Salaries and Grades relative thereto:

August 16, 1917.

To the Board of Estimate and Apportionment:

Gentlemen:—On June 13, 1917, the COMMISSIONER OF STREET CLEANING requested modification of Code Nos. 2324 and 2345 for the year 1917. The Bureau of Personal Service reports thereon as follows:

"Purpose—To transfer \$1,200 from 'Wages Temporary Employees 2345, Vacations' to 'Salaries Regular Employees, General Administration, 2324, Executive.'

"Reason—To provide for an additional District Superintendent at \$2,400 per annum from July 1 to December 31, 1917.

"Finding—In the departmental estimate of the Department of Street Cleaning for 1917, request was made for an additional District Superintendent at \$2,400 per annum, to replace the Assistant General Superintendent who had been assigned to new duties as Superintendent of Maintenance. After a lengthy discussion of this matter at the budget hearing, the Sub Committee decided to disallow the request upon the assumption that the Department of Plant and Structures would take over the maintenance work of the Department of Street Cleaning, which would relieve the Assistant General Superintendent of his new assignment and thereby obviate the necessity for an additional District Superintendent. No such transfer was made and it is necessary, therefore, that this position be allowed. The incumbent will not only be required to assist the General Superintendent in supervising the work of the uniformed force, but will also act as Borough Superintendent for the Borough of Manhattan. The Commissioner has consented to fill the position at \$1,920 per annum, the minimum rate."

Recommendation—In view of the above report the Committee recommends that the request be granted at the minimum rate of \$1,920 by the adoption of the attached resolutions. Respectfully,

WM. A. PRENDERGAST, Comptroller; FRANK L. DOWLING, Acting Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves of the transfer of funds appropriated to the Department of Street Cleaning for the year 1917, as follows:

	FROM	
	Personal Service, Wages Temporary Employees.	
2345 Vacations	\$640 00
	TO	
	Salaries Regular Employees, General Administration.

Department of Street Cleaning—Issue of Special Revenue Bonds for Removal of Snow and Ice (Cal. No. 45).

(On October 5, 1917 (Cal. No. 31), the matter was laid over until this meeting, under Rule 19.)

The Secretary presented the following report of the Deputy and Acting Comptroller:

October 1, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—The Department of Street Cleaning has expended to date \$716,127.98 for the removal of snow and ice during the 1917 portion of the 1916-1917 Winter. It has also expended \$10,118.88 for supplies and repairs to equipment in anticipation of the Winter of 1917-1918. This total expenditure, \$726,246.86, has been charged temporarily to Code 2391-1917—"Contract or Open Order Service—General Plant Service—Snow Removal."

It is necessary that Special Revenue Bonds be issued to provide for the Snow Removal expenditures, and I believe that enough should be issued to allow for any further disbursements that may be required in anticipation of the 1917 portion of the coming Winter.

I accordingly submit for your consideration a resolution authorizing the Comptroller to issue Special Revenue Bonds to the amount of \$750,000.00 as provided for under section 546 of the Greater New York Charter as amended by Chapter 615 of the Laws of 1917. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

The following resolution was offered:

Resolved, That, pursuant to the provisions of section 546 of the Greater New York Charter as amended by Chapter 615 of the Laws of 1917 the Comptroller be and is hereby authorized to issue Special Revenue Bonds of the City of New York to the amount of \$750,000, redeemable from the tax levy of the year succeeding their issue; such Special Revenue Bonds to be issued in accordance with the provisions of subdivision 7, section 188 of the Greater New York Charter, the proceeds whereof to be applied to the replenishment of Code 2391, 1917, "Department of Street Cleaning, Contract or Open Order Service, General Plant Service, Snow Removal."

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

General Fund for Reduction of Taxation; President, Borough of Queens—Transfer of Funds (Cal. No. 46).

The Secretary presented a report of the Comptroller recommending the transfer of \$4,844.10 from the General Fund for the Reduction of Taxation to Budget accounts of the President, Borough of Queens, for the years 1905 and 1906 entitled "Labor, Maintenance and Supplies," to provide for certain charges of the Interstate Paving Co. against contract No. 13563, which were paid through the Street Improvement Fund, and which should be transferred to the accounts properly chargeable, thus reimbursing the Street Improvement Fund for the money so advanced.

(On September 21 (Cal. No. 103), September 28 (Cal. No. 49), and October 5, 1917 (Cal. No. 103), the matter was laid over; on the latter date until this meeting.)

The matter was laid over until Friday, October 26, 1917.

Public Service Commission for the First District—Approval of Contract with William G. Cooper, Inc., for Construction of Railroad Duct Line for Part of the Eastern Parkway Rapid Transit Railroad (Livonia Avenue and East 98th Street, Brooklyn) and Issue of Corporate Stock Therefor (Cal. No. 47).

(On September 21, 1917 (Cal. No. 114), the matter was laid over until September 28, 1917, under Rule 19. On September 28, 1917 (Cal. No. 51), the matter was laid over until October 5, 1917, and referred to the Bureau of Contract Supervision for report. On October 5, 1917 (Cal. No. 104), the matter was laid over until this meeting.)

The Secretary presented the following communication of the Public Service Commission for the First District and reports of the Comptroller and Bureau of Contract Supervision relative thereto:

State of New York, Public Service Commission, for the First District, 120 Broadway, New York, September 10, 1917.

To the Board of Estimate and Apportionment of The City of New York:

Pursuant to the direction contained in such resolution, I transmit herewith a certified copy of the resolution adopted by this Commission on September 10, 1917, requesting your Honorable Board to consent to a proposed contract herewith transmitted between The City of New York, acting by the Commission, and William G. Cooper, Inc., for the construction of a railroad duct line for part of the Eastern Parkway Rapid Transit Railroad (Livonia Avenue and East 98th street), and requesting your Honorable Board to appropriate the sum of thirty-eight thousand six hundred ninety-seven dollars (\$38,697) for the purpose of providing the necessary means for meeting the City's obligations under such contract.

PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT, by JAMES B. WALKER, Secretary.

(Copy of contract referred to is on file.)

September 18, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 10, 1917, the Public Service Commission for the First District formally transmitted to the Board of Estimate and Apportionment, for its consent and approval, a proposed contract to be entered into between The City of New York, acting by the Commission, and William G. Cooper, Inc., for the construction of the railroad duct line for part of the Eastern Parkway Rapid Transit Railroad (Livonia Avenue and East 98th Street), at an estimated cost of \$38,697, and requesting an appropriation therefor.

The Director of the Bureau of Contract Supervision, in his report to the Comptroller anent the proposed contract, states in part as follows:

"On September 5, 1917, the Public Service Commission opened nine bids for this work which ranged from \$50,775 to \$38,697, the last being the bidder with whom the contract is to be executed.

"An examination of the itemized prices submitted by the lowest bidder indicates that the bid is well balanced and very reasonable in view of the existing labor situation."

In view of the foregoing statement, I recommend the adoption of the resolution herewith submitted which would authorize and make available the necessary funds for the purposes of the contract with William G. Cooper, Inc. Respectfully,

WM. A. PRENDERGAST, Comptroller.

October 4, 1917.

Hon. WILLIAM A. PRENDERGAST, Comptroller:

Sir—On September 28, 1917, the Board of Estimate and Apportionment referred to the Bureau of Contract Supervision your report upon the request of the Public Service Commission for the consent of the Board to a proposed contract between the City of New York, acting by the Public Service Commission, and William G. Cooper, Inc., for the construction of a railroad duct line for part of the Eastern Parkway Rapid Transit Railroad (Livonia avenue and East 98th street) at an estimated cost of \$38,697, and requesting an appropriation of that amount.

On September 5, 1917, the Public Service Commission opened nine bids for this work which ranged from \$50,775 to \$38,697, the last being that of the bidder with whom it is proposed to execute the contract.

An examination of the itemized prices submitted by the lowest bidder indicates that the bid is well balanced and very reasonable in view of the existing labor situation.

The question as to whether a duct line of this character is to be classed as construction or as equipment has been discussed at considerable length from time to time, and at least one opinion upon the matter has been rendered by the Corporation Counsel.

Under date of November 10, 1915, the Corporation Counsel wrote as follows upon the matter of the duct line in East 44th street between Seventh avenue and First avenue, Borough of Manhattan, for use in connection with the Steinway Tunnel:

"I therefore incline strongly to the view and advise you that the duct line in question was not built as part of the permanent railroad structure or along the line of the railroad as part of construction within the provisions of Contract No. 3. It should, therefore, be charged as equipment."

Conferences upon the matter were subsequently held between representatives of the Public Service Commission and the Corporation Counsel, and it was agreed that a form of procedure should be adopted leading to the legal adjudication of the question.

To that end the Public Service Commission on April 18, 1917, addressed the following letter to the Interborough Rapid Transit Company:

"The Commission after conference with members of the Board of Estimate and Apportionment and with representatives of the Corporation Counsel's office, and at their suggestion feels impelled to direct Interborough Rapid Transit Company to install the Railroad Duct Line for the operation of that part of the Eastern Parkway Rapid Transit Railroad known as Route No. 31 (Livonia avenue) being part of the railroad described in the contract dated March 19, 1913, and known as Contract No. 3 between The City of New York, acting by the Commission, and Interborough Rapid Transit Company for additional rapid transit railroads upon the ground that such duct line under the terms of said Contract No. 3 constitutes equipment to be provided by Interborough Rapid Transit Company and not a part of construction to be provided by The City of New York. Accordingly the Commission, pursuant to Article XXXIX of said Contract No. 3, hereby orders and requires Interborough Rapid Transit Company to provide the Railroad Duct Line for the operation of that part of the railroad described in said Contract No. 3 known as Route No. 31 (Livonia avenue).

"Will you kindly inform the Commission as promptly as possible whether this order will be accepted and will be obeyed."

In reply, the Interborough Rapid Transit Company on April 27, 1917, wrote as follows:

"We are in receipt of your letter of April 18, 1917, in which you order and require this Company to provide the railroad duct line for the operation of that part of the Eastern Parkway Rapid Transit Railroad, known as Route No. 31 (Livonia avenue) upon the ground that such duct line constitutes a part of Equipment to be provided by this Company under the terms of Contract No. 3 and not part of Construction to be provided by the City. We cannot concur in the contention that this duct line constitutes a part of the Equipment to be provided by this Company under the said contract but on the contrary it seems to us that it is clearly part of the Construction to be provided by the City. We are therefore constrained to advise you that the order and requirement of the Commission is not accepted and will not be obeyed.

"In this connection I have to advise you that we are willing, notwithstanding our views on the subject, to enter into a stipulation similar to the stipulations heretofore entered into in respect of duct line construction, as suggested in Secretary Walker's letter of April 4, 1917."

In view of the progress now being made in the construction of the elevated line in Livonia avenue, and the desirability of having the duct line completed simultaneously with the elevated structure, that the entire line may be put in operation as soon as built, the Public Service Commission feels that it should proceed with the construction of the duct line in the manner proposed, and eventually bring suit against the Interborough Company for the cost of the duct line.

It is hoped by this means to reach a final determination in the matter which shall settle the question as to whether such duct lines are construction or equipment.

I am of the opinion that the Board may properly consent to the execution of the proposed contract for this duct line in Livonia avenue, but I suggest that a paragraph be included in the resolution of the Board to the effect that in consenting to the proposed contract the Board of Estimate and Apportionment does not thereby waive its rights in the matter, nor acquiesce in the view of the Interborough Company that such ducts are to be classed as construction. Respectfully,

TILDEN ADAMSON, Director.

The following was offered:

Whereas, On September 10, 1917, the Public Service Commission for the First District transmitted for the consent of and approval of the Board of Estimate and Apportionment a contract proposed to be entered into between the City of New York, acting by the Commission, and William G. Cooper, Inc., for the construction of a railroad duct line for that part of the Eastern Parkway Rapid Transit Railroad (Livonia Ave. and East 98th Street, Brooklyn) at an estimated cost of Thirty-eight Thousand Six Hundred and Ninety-seven (\$38,697) Dollars, for which a subauthorization is requested from the appropriations heretofore made by the Board of Estimate and Apportionment for the purposes of Contract No. 3; and

Whereas, It appears that the question of whether a duct line of this character is to be classed as construction, under the provisions of Contract No. 3, or as equipment, is being discussed at considerable length and at least one opinion upon the matter has been rendered by the Corporation Counsel with respect to the duct line in East 44th Street between Seventh Avenue and First Avenue, Manhattan, for use in the construction of the Steinway Tunnel, who said:

"I therefore incline strongly to the view and advise you that the duct line in question was not built as part of the permanent railroad structure or along the line of the railroad as part of construction within the provisions of Contract No. 3. It should therefore be charged as Equipment."

—and

Whereas, Conferences upon the matter were subsequently held between representatives of the Public Service Commission and of the Corporation Counsel and it was agreed that a form of procedure should be adopted leading to the legal adjudication of the question; to that end the Public Service Commission on April 18, 1917, addressed a communication to the Interborough Rapid Transit Company directing that said Interborough Company install the railroad duct line for the operation of that part of the Eastern Parkway Line known as Route No. 31, Livonia Avenue; and

Whereas, In reply thereto, the Interborough Rapid Transit Company on April 27, 1917, said in part that the Company

"cannot concur in the contention that this duct line constitutes a part of the Equipment to be provided by this Company under the said contract, but, on the contrary, it seems to us that it is clearly part of the Construction to be provided by the City. We are therefore constrained to advise you that the order and requirement of the Commission is not accepted and will not be obeyed.

"In this connection I have to advise you that we are willing, notwithstanding our views on the subject, to enter into a stipulation similar to the stipulation heretofore entered into in respect of duct line construction, as suggested in Secretary Walker's letter of April 4, 1917."

—and

Whereas, The Public Service Commission for the First District have deemed it unnecessary to obtain from or enter into a specific stipulation with Interborough Rapid Transit Company with respect to the construction of this particular duct line as proffered by the Interborough Company in its communication to the Commission on this subject on April 27, 1917; therefore be it

Resolved, That the Board of Estimate and Apportionment hereby approves the contract to be entered into by and between the City, acting by the Public Service Commission, and William G. Cooper, Inc., for the construction of a railroad duct line for part of the Eastern Parkway Line, Route No. 31, Livonia Avenue, at an estimated cost of Thirty-eight Thousand Six Hundred and Ninety-seven (\$38,697) Dollars, provided, however, that the authorization and expenditure of such funds by the City for the purposes of this contract shall be without prejudice to its rights in any subsequent legal proceedings to be undertaken in the matter and for the purpose of requiring that the lessee shall reimburse the City for such costs if subsequently determined to be an Equipment charge; and be it further

Resolved, That the Comptroller be and he is hereby authorized and directed to issue corporate stock of The City of New York to the additional amount of Thirty-eight Thousand Six Hundred and Ninety-seven (\$38,697) Dollars at such rate of interest as the Commissioners of the Sinking Fund shall prescribe, the proceeds thereof to the amount of the par value of the stock to be applied to the purposes of the contract with William G. Cooper, Inc., as set forth in this resolution and as described in the requisition of the Public Service Commission to this Board, dated September 10, 1917; said issue of corporate stock to be a sub-authorization and charged against the appropriation made by this Board on March 18, 1913, of Twenty-eight Million Two Hundred Thousand (\$28,200,000) Dollars and the supplemental appropriation subsequently made thereto, for the purpose of carrying out the terms of Contract No. 3 relating to the City's contribution.

Which was adopted by the following vote:

New York Public Library—Acquisition of Property as a Library Site, Borough of The Bronx (Cal. No. 48).

(On February 16, 1917 (Cal. No. 108), the Board adopted a resolution approving the erection of a new public library in the Fordham-Bedford Park section of The Bronx, and requesting the Board of Trustees of the New York Public Library to select and submit to the Board for approval a site suitable for said purpose.)

(On May 4, 1917 (Cal. No. 37), a report was presented from the Deputy and Acting Comptroller recommending that the Board approve of the purchase by the Comptroller, at a price not exceeding \$26,500, of property on the westerly side of Marion Avenue, 199.40 feet northerly from the northwesterly corner of Kingsbridge Road, for use as a Carnegie Library, which site was selected by the Committee on Sites of the Board of Trustees of the New York Public Library on April 24, 1917. The matter was referred to the Chief Engineer of the Board for report, under Rule 35; also on the question of an alternative site; and for consultation with the Real Estate Bureau of the Department of Finance as to vacant land available in the vicinity.)

(On October 5, 1917 (Cal. No. 43), the matter was laid over until this meeting.)

The Secretary presented the following:

April 30, 1917.

To the Honorable the Board of Estimate and Apportionment:

Gentlemen—At a meeting of your Board held February 16, 1917, a resolution was adopted approving the erection of a new public library in the Fordham-Bedford Park section of The Bronx, under the conditions of the Carnegie Gift, and requesting the Board of Trustees of the New York Public Library, Astor, Lenox and Tilden Foundations, to select and submit to the Board of Estimate and Apportionment for approval, a site suitable for the aforesaid purpose.

In connection therewith I have received a communication dated April 24, 1917, from William Barclay Parsons, Chairman, Executive Committee, in which he states that, in compliance with the above request, the Committee on Sites, a Subcommittee of the Committee on Circulation, visited the Fordham region carefully, and marked the limits within which the branch library should be located, and that the Subcommittee on Sites examined particularly a parcel of land approximately 76 feet in width and 145 feet in depth, situated on the westerly side of Marion Avenue, and running through to Bainbridge Avenue, distant about 199.45 feet northerly from Kingsbridge Road, and were unanimous in approving of this site, which action was confirmed by the Board of Trustees, and requesting the City authorities to purchase the same for the purpose of erecting a building thereon for a branch library.

After negotiation by the Comptroller, these premises may be secured for the sum of \$26,500.

I therefore respectfully recommend, the price being reasonable and just, that your Board approve the selection of the following described premises for use as a Carnegie Library site:

All that certain lot, piece or parcel of land, situate, lying and being in the Borough of The Bronx, City of New York, bounded and described as follows:

Beginning at a point on the westerly side of Marion Avenue, distant 199.45 feet northerly from the northwesterly corner of Kingsbridge Road and Marion Avenue; running thence northerly along the westerly line of Marion Avenue 76 feet; thence westerly along the southerly line of Lot No. 19, on the Tax Map of The City of New York 145.09 feet to the easterly line of Bainbridge Avenue; then southerly along the easterly line of Bainbridge Avenue 76.04 feet, and thence easterly along the northerly side of Lot No. 11 on the City Map; 142.24 feet to the point or place of beginning; being known on the Tax Maps of The City of New York as Lots 14 and 16 in Block 3286.

—and authorize the Comptroller to enter into a contract for the acquisition of the same, at private sale, at a price not exceeding \$26,500, said contract to be submitted to the Corporation Counsel for his approval as to form; it being understood and agreed that the cost thereof, including any expenses in connection with the examination of the title, etc., shall be paid out of the fund known as "S-109-L, Sales of City Property." Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

Report No. 17068.

September 26th, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—At the meeting of the Board of Estimate and Apportionment held on May 4th, 1917, a report was presented by the Deputy and Acting Comptroller recommending the acquisition at private sale of a parcel of property on the westerly side of Marion Avenue in the block north of Kingsbridge (Fordham) Road, Borough of The Bronx, which had been selected by the Committee on Sites of the Board of Trustees of the New York Public Library for utilization as a library building. The matter was thereupon referred to your Engineer for a report under Rule 35 of the Board, and at the same time he was directed to report, after conferring with the Real Estate Bureau of the Finance Department, upon the practicability of substituting for the use proposed other property now in City ownership.

The site designated by the Library Committee is located on the westerly side of Marion Avenue, 199.45 feet north of Kingsbridge (Fordham) Road, with a frontage of 76 feet on the former street and a depth of about 145 feet, this including the entire depth of the block. The property is described as Lots No. 14 and 16 of Block 3286 on the Tax Maps, but a comparison of the dimensions given in the description with those indicated on the tax maps shows a slight discrepancy in so far as the depth of the lot is concerned; it would appear, however, that there can be no question as to the intent of the description since the parcel is stated to be bounded on one side by Marion Avenue and on the other side by Bainbridge Avenue.

Title to both Marion Avenue and Bainbridge Avenue has been legally acquired, and no changes are contemplated in their lines. The project is therefore consistent with the street plan for this locality.

From the information at hand it appears that under a resolution adopted by the Board of Estimate and Apportionment on February 16th, 1917, it was determined to erect a new library building in the Fordham-Bedford Park section of the Borough, and that a request was thereupon made to the Board of Trustees of the Public Library to select a suitable site for the purpose. Following this request, the Committee on Sites reached the conclusion that the building should be located within the area bounded on the south by East 188th Street, on the west by Valentine Avenue, on the north by East 192nd Street and its prolongation, and on the east by Webster Avenue; and the sub-Committee on Sites were unanimous in selecting the one described by the Deputy and Acting Comptroller, this being located within the territory outlined by the main Committee. The site described is located in the Fordham section of the Borough and is approximately equidistant from the Kingsbridge and Tremont Branches of the New York Public Library and the sub-branch located at Williams.

bridge. It also is in the immediate vicinity of the site now in use on Bainbridge Avenue at East 194th Street.

In response to my request for information relative to the City-owned property within the territory bounded approximately by East 182nd Street, Grand Avenue and its prolongation, East 194th Street and its prolongation, and Washington Avenue and its prolongation, I am informed by the Appraiser of Real Estate of the Finance Department, in a communication bearing date of September 12th, 1917, that the land under the jurisdiction of the Commissioners of the Sinking Fund, available for library purposes, comprises the following:

I. A parcel on the southerly side of Ford Street, 100 feet east of Tiebout Avenue, with dimensions of about 65 x 106 feet.

II. A portion of the site originally selected for Jerome Parkway.

Both of these parcels fall entirely outside of the area recommended by the Committee on Sites, and are remote from the Fordham-Bedford Park sections, for which it is understood that library facilities are to be provided; in addition to this objection to either of them, it might be stated that the Ford Street property is unsuitable for the proposed use owing to the steep grade of the street.

Besides these properties, I find that the City owns land in the vicinity of the site selected, as follows:

I. Parcel at the southeasterly corner of Tiebout Avenue and East 188th Street, used by the Department of Street Cleaning.

II. A triangular parcel at the northeasterly corner of Fordham Road and Webster Avenue devoted to park purposes.

The former site is much larger than required for the library building, and in case it were utilized for this purpose it would be necessary to acquire other lands for the Department of Street Cleaning; in addition to these objections, it might be pointed out that the street grades are not as favorable as would obtain in case the site on Marion Avenue was selected.

The parcel at the corner of Fordham Road and Webster Avenue has been improved and is extensively utilized for park purposes; its proximity to the New York and Harlem Railroad, as well as the fact that it is already intensively used for another purpose, would seem to make it inadvisable to attempt to divert it to library use.

It would therefore appear that there is no land owned by the City in the vicinity of the site selected which could be construed as available for an alternate site for a library building. Respectfully,

NELSON P. LEWIS, Chief Engineer.

John P. Dunn appeared in favor.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the selection by the Board of Trustees of the New York Public Library, Astor, Lenox and Tilden Foundations, of property located on the westerly side of Marion Avenue in the block north of Kingsbridge (Fordham) Road, Borough of The Bronx, as a site for a public library, bounded and described as follows:

All that certain lot, piece or parcel of land situate, lying and being in the Borough of The Bronx, City of New York, bounded and described as follows:

Beginning at a point on the westerly side of Marion Avenue, distant 199.45 feet northerly from the northwesterly corner of Kingsbridge Road and Marion Avenue; running thence northerly along the westerly line of Marion Avenue 76 feet; thence westerly along the southerly line of Lot Number 19, on the Tax Map of the City of New York 145.09 feet to the easterly line of Bainbridge Avenue; thence southerly along the easterly line of Bainbridge Avenue 76.04 feet, and thence easterly along the northerly side of Lot Number 11 on the City Map, 142.24 feet to the point or place of beginning; being known on the Tax Maps of the City of New York as Lots 14 and 16 in Block 3286.

—and authorizes the Comptroller to enter into a contract for the acquisition of the same at private sale, at a price not exceeding twenty-six thousand five hundred dollars (\$26,500), said contract to be approved as to form by the Corporation Counsel, it being understood and agreed that the cost thereof, including any expenses in connection with the examination of the title, etc., shall be paid out of the fund known as "S-109-L, Sales of City Property."

Which was adopted by the following vote:

Affirmative—The Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—13.

The Mayorality—Subauthorization of Special Revenue Bonds for Expenditures for War Purposes (Cal. No. 49).

(On April 27, 1917 (Cal. No. 138), the Board adopted a resolution authorizing \$250,000 Special Revenue Bonds, to be placed at the disposal of his Honor the Mayor to be used by him in such manner as in his judgment would promote the safety and protect the lives and property of the people of The City of New York, and the property of The City of New York during the War.)

(The Board authorized previous segregations from the above amount as follows: May 7 (Cal. No. 2), \$10,000; May 18 (Cal. No. 127), \$10,000; June 8 (Cal. No. 167), \$5,000; June 29 (Cal. No. 281), \$26,079.38; June 29 (Cal. No. 282), \$3,000; June 29 (Cal. No. 283), \$5,000; August 22 (Cal. No. 18), \$10,000, and September 13 (Cal. No. 5), \$3,287.78, amended September 21 (Cal. No. 233) to read \$3,011.49; September 21 (Cal. No. 279), \$50,000; September 28 (Cal. No. 27), \$31,077.34; October 5, 1917 (Cal. No. 30), \$25,802.42.

(On October 5, 1917 (Cal. No. 77), a communication, dated September 28, 1917 was presented from the Acting Chairman, Mayor's Committee of Women on National Defense, requesting the segregation of \$20,000 for expenditures on account of the War, to be used by the Food Committee of the Mayor's Committee of Women on National Defense in fitting up vacant building formerly occupied by the City College at the corner of 23d street and Lexington avenue, for the purpose of conducting the educational work in food conservation, and the matter was laid over until this meeting.)

The Secretary presented the following communications from the Assistant Secretary to the Mayor; the Acting Chairman, Mayor's Committee of Women on National Defense, and report of the Bureau of Contract Supervision relative thereto:

City of New York, Office of the Mayor, September 29, 1917.

MR. JOSEPH HAAG, Secretary, Board of Estimate and Apportionment.

Dear Sir—By direction of the Mayor, I am sending you herewith, to be placed on the calendar of the Board of Estimate, October 5th, for consideration, communication from the Mayor's Committee of Women on National Defense, requesting that \$20,000 of the Mayor's war fund of \$250,000 be set aside for the use of the Food Committee of the Mayor's Committee of Women on National Defense, in fitting up a part of the vacant City College Building to conduct their work. This matter has been referred to the Director of the Bureau of Contract Supervision in order that he may have a report ready for the meeting of the Board of Estimate, October 5th.

Very truly yours,

P. C. WILSON, Assistant Secretary.

Mayor's Committee of Women and National Defense, 4 East 39th Street, New York, September 28, 1917.

Hon. JOHN PURROY MITCHEL, Mayor of the City of New York:

My dear Sir—Professor F. B. Robinson of the New York City College approves the plan of the Mayor's Committee of Women to use a part of the vacant building formerly occupied by the City College, at the corner of Twenty-third street and Lexington avenue, for its educational work in food conservation and the Mayor's Committee of Women asks you to suggest to the Board of Estimate the making of an appropriation of \$20,000 from the fund of \$250,000 for special war work, to be applied to the fire-proofing and renovation, including gas and steam connections, of such parts of the buildings as are not already used by the City College, that it may be made ready for our work. Respectfully,

DOROTHY STRAIGHT, Acting Chairman.

October 10, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On September 29, 1917, there was referred to the Bureau of Contract Supervision a communication from the Acting Chairman of the Mayor's Committee of Women on National Defense dated September 28, 1917, requesting the segregation of \$20,000 from the account known as "R. F. M. 55—Mayor's War Protection Fund," authorized by the Board of Estimate and Apportionment in the sum of \$250,000 on April 27, 1917, such segregated sum to be used for fireproofing and renovation, including gas and steam connections of such parts of the building located at 23rd street and Lexington avenue, as are not already used by the City College.

The rooms proposed to be renovated are to be used by the Food Committee of

the Mayor's Committee of Women on National Defense for its educational work in food conservation.

The basis upon which this request of \$20,000 was made, contemplated the renovation and alteration of the basement and first floor of the westerly end of the building which part was not included in the reconstruction work for college purposes authorized March 23, 1917, and now almost completed.

An inspection of the building was made by this bureau in conjunction with the Chairman of the Food Committee and the Director of Courses of the College of the City of New York, and it was agreed that the basement of the easterly extension of the building, would be the better place for the proposed kitchen. As the reconstructed portion of the building, including this basement, provides only sufficient room for the College, it will be necessary if the use of this basement is granted to the Food Committee, to provide an equal amount of space for the College in the westerly part of the building.

It is estimated that either the first or second floor of the westerly portion of the building can be made available for classrooms at cost not exceeding \$3,000, and the necessary changes in the basement of the easterly extension to make it available for a kitchen will cost about \$1,500. This amount does not include equipment, but does include all repairs to floors, plastering, painting, plumbing and gas connections, heating and electrical work.

Formal application has been made to the Board of Trustees of the College of the City of New York by the Food Committee for the use of the basement of the easterly extension of the 23rd street building.

There is a sufficient unencumbered balance in the \$250,000 fund to meet the cost of this work.

The adoption of the attached resolution will grant the request to the extent of \$4,500. Respectfully,

TILDEN ADAMSON, Director.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the segregation of four thousand five hundred dollars (\$4,500) for the purpose of providing means for renovating and altering the second floor of the westerly portion and the basement of the easterly portion of the building on the southeast corner of 23d street and Lexington avenue, said portions to be used by the College of the City of New York and the Food Committee of the Mayor's Committee of Women on National Defense respectively; said sum being a sub-authorization of the authorization of two hundred and fifty thousand dollars (\$250,000) special revenue bonds, adopted by the Board at its meeting held April 27, 1917, to be placed at the disposal of his Honor, the Mayor, for necessary expenditures on account of the war.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

MATTERS CONSIDERED BY UNANIMOUS CONSENT.

The following matters not on the Calendar for this day were considered by unanimous consent.

Avenue M, from Ocean Avenue to East 16th Street, Borough of Brooklyn—Final Authorization for Paving and Curbing (Cal. No. 50).

The Secretary presented the following report of the Chief Engineer:

Report No. 17114.

October 10, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—Herewith is transmitted a communication from the Acting President of the Borough of Brooklyn, advising that all of the conditions imposed by the Board prior to the authorization of the following local improvement have been complied with:

Paving with asphalt (permanent pavement) Avenue M from Ocean Avenue to East 16th Street, and curbing where necessary.

The preliminary work for this improvement was authorized by the Board of Estimate and Apportionment on October 5, 1917, at which time information was presented to show that its probable cost would be about \$14,300. The Borough President states that the time to be allowed for the completion of the improvement is 35 days, and that no charges have been incurred against the Street Improvement Fund in carrying out the preliminary work.

The work to be done comprises the following: 110 lin. ft. cement curbing, 5,765 sq. yds. asphalt pavement. The cost of the improvement is now estimated to be \$15,000.

The urgency of this improvement was established at the time when the preliminary authorization was given, but the matter of granting final authorization at this time is submitted without recommendation for the reason that the allotment in this Borough for final authorization has already been exceeded. Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following was offered:

A copy of a resolution of the Local Board of the Flatbush District, duly adopted by said Board on the 23rd day of May, 1917, and approved by the President of the Borough of Brooklyn on the 22nd day of June, 1917, having been transmitted to the Board of Estimate and Apportionment, as follows, to wit:

"Resolved, That the Local Board of the Flatbush District hereby initiates proceedings to set cement curb where necessary and lay a permanent asphalt pavement on Avenue M, from Ocean Avenue to the westerly line of East 16th Street."

—and thereupon, on the 5th day of October, 1917, resolution having been adopted by the Board of Estimate and Apportionment authorizing the President of the Borough of Brooklyn to prepare the necessary plans, specifications and an estimate of the cost of the proposed improvement based on actual survey and further resolving that the Board of Estimate and Apportionment will consider the authorization of the construction of the proposed improvement after the President of the Borough of Brooklyn had submitted certain statements as provided in the said resolution, and the said resolution having been duly complied with by the President of the Borough of Brooklyn, as appears by papers and documents on the files of the Board of Estimate and Apportionment, and there having been presented to the Board of Estimate and Apportionment an estimate in writing in such detail as the Board has directed that the cost of the proposed work or improvement, together with the preliminary expenses, will be the sum of \$15,000, and a statement of the assessed value according to the last preceding tax roll of the real estate included within the probably area of assessment, to wit, the sum of \$246,900 having also been presented, it is

Resolved, That the said resolution of the Local Board be and the same is hereby approved and the construction of the Local Improvement therein provided for is hereby authorized. This Board does hereby determine that no portion of the cost and expense thereof shall be borne and paid by The City of New York, but that the whole of such cost and expense, including the aforesaid preliminary expenses, shall be assessed upon the property deemed to be benefited by the said Local Improvement.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Street Improvement Fund—Issue of Assessment Bonds (Cal. No. 51).

The Secretary presented the following report of the Comptroller:

October 5, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On November 1st, 1917, one million five hundred thousand dollars (\$1,500,000) of 4½ per cent Assessment Bonds of The City of New York become due.

As there is no money in the Street Improvement Fund applicable to the redemption of said bonds, it will be necessary to provide for their redemption by the issue of a similar amount of Assessment Bonds, in pursuance of the provisions of sections 181 and 184 of the Greater New York Charter, as amended.

I, therefore, present herewith for your action a resolution authorizing the issue of one million five hundred thousand dollars (\$1,500,000) of Assessment Bonds for the purpose of such redemption. Respectfully,

WM. A. PRENDERGAST, Comptroller.

On motion, Rule 19 was waived in this matter and the following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the

provisions of sections 181 and 184 of the Greater New York Charter, as amended, hereby authorizes the Comptroller to issue assessment bonds of The City of New York to the amount of one million five hundred thousand dollars (\$1,500,000), redeemable in not more than ten years from date of issue, the proceeds of which bonds shall be applied to the redemption of one million five hundred thousand dollars (\$1,500,000) of four and one-half per cent. (4½%) assessment bonds of The City of New York, which mature on November 1, 1917.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Fund for Street and Park Openings—Issue of Assessment Bonds (Cal. No. 52).

The Secretary presented the following report of the Comptroller:

October 5, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On November 1st, 1917, One Million Five Hundred Thousand Dollars (\$1,500,000.00) of 4½ per cent. Assessment Bonds of the City of New York become due.

As there is no money in the Fund for Street and Park Openings applicable to the redemption of said bonds, it will be necessary to provide for their redemption by the issue of a similar amount of Assessment Bonds, in pursuance of the provisions of sections 181 and 184 of the Greater New York Charter as amended.

I, therefore, present herewith for your action a resolution authorizing the issue of One Million Five Hundred Thousand Dollars (\$1,500,000.00) of Assessments Bonds for the purpose of such redemption. Respectfully,

WM. A. PRENDERGAST, Comptroller.

On motion, Rule 19 was waived in this matter and the following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of sections 181 and 184 of the Greater New York Charter, as amended, hereby authorizes the Comptroller to issue assessment bonds of The City of New York to the amount of one million five hundred thousand dollars (\$1,500,000), redeemable in not more than ten years from date of issue, the proceeds of which bonds shall be applied to the redemption of one million five hundred thousand dollars (\$1,500,000) of four and one-half per cent. (4½%) assessment bonds of The City of New York, which mature on November 1, 1917.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Department of Water Supply, Gas and Electricity—Transfer of Corporate Stock Funds (Cal. No. 53).

The Secretary presented a communication, dated October 2, 1917, from the Commissioner of Water Supply, Gas and Electricity, requesting transfer of Corporate Stock funds for payment of two bills aggregating \$3,150 for professional legal services rendered the City by Henry T. Dykman; and the following report of the Deputy and Acting Comptroller recommending approval thereof:

October 6, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On October 2, 1917, the Commissioner of Water Supply, Gas and Electricity requested a transfer of \$3,150 from the corporate stock fund entitled "C. F. M. 24 A, Moneys Available for Permanent Improvements for Which Corporate Stock May Lawfully Be Issued—Water," to the corporate stock fund entitled "C. C. M. 2 A, Additional Water Fund (Aqueduct) Awards."

The Bureau of Contract Supervision to which this request was referred on October 5, 1917, reports thereon as follows:

"The requested transfer is to provide for the payment of two bills aggregating \$3,150 for professional legal services rendered the City by Henry T. Dykman."

"The two bills noted were transmitted to the Commissioner of Water Supply, Gas and Electricity, under date of September 27, 1917, with the request that vouchers in favor of the claimant for the amounts stated be prepared and forwarded to the Comptroller for payment."

"One of the bills was taxed in the sum of \$3,350 by Justice Joseph Morschauer of the Supreme Court, Ninth Judicial District, on September 17, 1917, which amount was considered excessive by the Corporation Counsel. Dr. Dykman has consented to accept the sum of \$3,000 in settlement of the original claim."

"The other bill was in the sum of \$300. This claim also was considered excessive by the Corporation Counsel and the claimant has consented to accept the sum of \$150 in full settlement thereof."

"The pending claims are properly payable from the account entitled "C. C. M. 2A—Additional Water Fund (Aqueduct) Awards," which fund, however, is now exhausted, the unencumbered cash balance therein having been transferred to Code C. F. M.—24A, on January 14, 1916."

"Code C. F. M.—24A has at present a balance of \$5,484.42 available for transfer."

In order that the two claims noted may now be paid, I recommend the adoption of the attached resolution granting the request. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, as amended by chapter 36 of the Laws of 1913, hereby applies the sum of three thousand one hundred and fifty dollars (\$3,150), from the fund entitled "C. F. M.—24A, Moneys Available for permanent Improvements for which Corporate Stock May Lawfully Be issued—Water," toward the payment of two bills of Henry T. Dykman for professional services rendered in connection with the matter of the application of the City of New York to acquire lands in the Towns of Carmel and Southeast, Putnam County (Croton Falls Dam and Reservoir, Second Supplementary Proceeding), and other matters in connection with watershed lands and rights, as recommended by the Acting Corporation Counsel under date of September 27, 1917, and for this purpose approves the transfer of said amount to the fund authorized for the Department of Water Supply, Gas and Electricity, entitled "C. C. M.—2A, Additional Water Fund (Aqueduct) Awards."

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Public Service Commission for the First District—Approval of Completion of Abandoned Contract with Flick-Manuell Construction Company for Construction of Section No. 2, Routes 19 and 22, of the Seventh Avenue-Lexington Avenue Rapid Transit Railroad (Cal. No. 54).

(For requisition, etc., of Public Service Commission and report of Comptroller, see Minutes of September 28, 1917 (Cal. No. 64).)

H. A. Butler, representing the Public Service Commission for the First District, appeared in favor.

The following resolution was offered:

Whereas, On February 18, 1916, the Board of Estimate and Apportionment consented to a contract award between the City of New York, acting by the Public Service Commission for the First District, the Interborough Rapid Transit Company and Lawrence C. Manuell, for the construction of that part of the Seventh Avenue-Lexington Avenue Rapid Transit Railroad known as Section No. 2 of Routes Nos. 19 and 22, at an estimated cost to the City of one million six hundred and fifty-one thousand and one hundred and two dollars (\$1,651,102), being eighty (80) per cent. of the total estimated contract cost of two million and sixty-three thousand eight hundred and seventy-seven and 50/100 dollars (\$2,063,877.50), the liability of the Interborough Rapid Transit Company being limited to an amount equal to twenty (20) per cent. of said total contract cost, but not to exceed the sum of four hundred and twelve thousand seven hundred and seventy-five and 50/100 dollars (\$412,775.50); and

Whereas, Said contract was thereafter assigned by the said Lawrence C. Manuell, with the consent of the Commission and of the sureties upon the bond, to Flick-Manuell Construction Company; and

Whereas, Under date of May 23, 1917, a duly authorized notice was served by the Secretary of the Commission on the Flick-Manuell Construction Company declaring said company to be in default and directing it to discontinue all work, pursuant to Article XLII of said contract with said Flick-Manuell Construction Company; and

Whereas, It therefore became necessary for the City to complete the work covered by the contract for Section No. 2 of Routes Nos. 19 and 22 of the Seventh Avenue-Lexington Avenue Rapid Transit Railroad, with the exception of the work of furnishing and delivering structural steel, which is to be performed by the American Bridge Company, Inc.; and

Whereas, Chapter 625 of the Laws of 1917 gives the Public Service Commission, with the approval of the Board of Estimate and Apportionment, power to complete a contract in cases similar to the case under review; and

Whereas, On May 24, 1917, the Public Service Commission formally adopted a resolution directing its Chief Engineer that, in order to safeguard the existing work, he was thereby authorized and directed to proceed with the work of completing the excavation and concreting of pits already opened for column foundations on said Section No. 2 of Routes Nos. 19 and 22, and such work incidental thereto as may be necessary, and to that end to employ such labor and purchase such plant and tools as may be necessary; provided, however, that until further ordered by the Commission the amount of any payments thereunder was not to exceed a sum total of ten thousand dollars (\$10,000); and further, that the Interborough Rapid Transit Company be authorized and directed to make such payments upon certificates signed by the Secretary of the Commission out of the unexpended balance of the amount determined as Interborough Rapid Transit Company's part of the cost of construction of the said section; and

Whereas, This procedure was consented to and approved of by the Board of Estimate and Apportionment by resolution duly adopted June 1, 1917; and

Whereas, Subsequent communications and requisitions of a like tenor have since been submitted by the Commission and favorably acted upon by the Board of Estimate and Apportionment, whereby additional sums of twenty-five thousand dollars (\$25,000) and thirty thousand dollars (\$30,000) have been similarly authorized to be expended and to be provided from the unexpended balance of the Interborough Rapid Transit Company's contribution towards the construction of said Section No. 2 of Routes Nos. 19 and 22; and

Whereas, Under date of September 24, 1917, the Public Service Commission for the First District adopted a resolution which it transmitted to the Board of Estimate and Apportionment, requesting consent to the setting aside of an additional ten thousand dollars (\$10,000) of the unexpended balance of the contribution of the Interborough Rapid Transit Company towards the cost of construction of said Section No. 2, said ten thousand dollars (\$10,000) to be expended under the direction of the Commission for Labor and in the purchase of plant and tools; and

Whereas, It appears that a sum of at least seven thousand dollars (\$7,000) should be provided at the present time to meet the payrolls for labor by the Commission in carrying out the work of the defaulted Flick-Manuell Construction Company contract; therefore, be it

Resolved, That, because of the default of the Flick-Manuell Construction Company in the performance of the work entailed upon it under the contract authorized by the Board of Estimate and Apportionment on February 18, 1916, and of the imminent need of the Public Service Commission fully safeguarding the existing work, as explained in their several communications to the Board of Estimate and Apportionment dated May 24, 1917, June 27, 1917, and September 24, 1917, respectively, the Board hereby approves the requisition of the Public Service Commission with respect to the carrying on of the necessary work on said Section No. 2 of Routes Nos. 19 and 22; provided, however, that expenditures for such work shall not exceed an additional sum total of seven thousand dollars (\$7,000), which moneys are to be provided and paid by Interborough Rapid Transit Company from the unexpended balance of its contribution of four hundred and twelve thousand seven hundred and seventy-five and 50/100 dollars (\$412,775.50) towards the cost of the defaulted contract with Flick-Manuell Construction Company for the construction of Section No. 2 of Routes Nos. 19 and 22.

Which was adopted by the following vote:

Affirmative—The Mayor, the Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Boroughs of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—16.

Board of Elections—Transfer of Appropriation (Cal. No. 55).

The Secretary presented a communication, dated October 10, 1917, from the President, Board of Elections, requesting a transfer within the appropriation for 1917, and the following report of the Deputy and Acting Comptroller recommending approval thereof:

October 13, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On October 10, 1917, the President of the Board of Elections requested a transfer of funds within appropriations made to that Board for the year 1917. The Bureaus of Personal Service and Contract Supervision reported thereon as follows:

"Code 176, Wages, Temporary Employees, for entering nominations and canvassing primary elections. For this purpose there was appropriated in the 1917 budget the sum of \$4,000, all of which was expended as of September 30, 1917, with \$908 still to be charged to this account. It is also necessary to meet a payroll for the week ending September 30, 1917, amounting to \$3,132.57. Another payroll for the week ending October 6, 1917, will be charged to this account. These payrolls are for payments of temporary canvassers engaged in the canvass of the vote cast at the recent primary election and the employment of temporary clerks, who were engaged on the verification of the lists submitted for the entering of nominations for public office. Part of this deficit is due to the increase in wages paid to the temporary clerks from \$3 to \$4 per day."

"The transfer is requested in part to permit the employment of custodians to protect the public copy of the register of electors in all vacant polling places in the city. This is based on an estimate of 38 men for a period of 29 days each at \$4 per day. This work, it is said, was formerly performed by members of the Police Department. The Board of Elections has also employed, besides the 38 referred to above, an additional force of 20 men to be used as inspectors of the polling places located in public schools for which the City pays no rent except for services of the janitors."

"In order to meet the deficit and the payrolls referred to above, and the employment of additional help, it is requested that an additional \$10,000 be provided in this account by transfer from an available balance in another fund."

"None of these funds are to be expended for the purpose of defraying the cost of the recent recounts of the ballots cast at the primary elections, as this is to be paid by the plaintiff in the action for the recount."

"Code 179, Supplies. It is requested that \$40,000 be provided in this account by transfer. Of the \$211,500 provided in the budget for supplies for this Board for the year 1917, liabilities have been incurred to the sum of \$161,317.77, leaving an available balance of \$50,182.23. It will be necessary to provide the additional funds requested in this account to permit the Board of Elections to enter into a contract for official and sample ballots to be used at the general election on November 6, 1917, estimated at \$75,000, and to permit the printing of the lists of enrolled voters estimated at \$15,000, or a total of \$90,000."

"The deficit in this fund is due not only to the increase in the cost of printing the ballots, for which \$60,000 was requested and allowed in the budget for this year, but to the fact that the Board of Elections, because of the Reapportionment Act, had to contract for photographic copies of the signatures of the registered voters for use at the recent primaries. This work cost \$24,594, and was paid out of this account. No provision was made for this purpose in the budget. It was also necessary to print ballots and to furnish supplies for two special elections held early this year, one in Queens for Sheriff and the other in Manhattan for Member of Congress. As these elections were not anticipated when the 1917 budget was prepared, no provision was made for them."

"The \$50,000 is to be transferred from Code No. 178, Temporary Employees, Election Officers, in which there is sufficient available balance."

I recommend the adoption of the attached resolution granting the request, which requires the unanimous vote of your Board. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

Hon. Moses M. McKee, Commissioner of Elections, appeared in favor.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves the transfer of funds appropriated for the year 1917, as follows:

BOARD OF ELECTIONS.

178	Wages, Temporary Employees, for Election Officers.....	\$50,000 00
176	Temporary Employees, for entering nominations and canvassing primary elections	\$10,000 00
179	Supplies	40,000 00
		\$50,000 00

Which was adopted by the following vote:

Affirmative—The Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the President of the Borough of Queens and the Acting President of the Borough of Richmond—12.

Present and Not Voting—The President of the Borough of The Bronx.

Territory Bounded Approximately, by Kingsbridge Avenue, West 231st Street, Albany Crescent, Bailey Avenue and West 230th Street, Borough of The Bronx—Approval of Map Showing Proposed Subdivision of Private Property (Cal. No. 56).

The Secretary presented the following report of the Chief Engineer:

October 11, 1917.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—Herewith are presented in quadruplicate, pursuant to the provisions of chapter 513 of the Laws of 1916, copies of a map showing a subdivision of property within the territory bounded approximately by Kingsbridge Avenue, West 231st Street, Albany Crescent, Bailey Avenue and West 230th Street, in the Borough of The Bronx.

The streets shown upon this plan have either been formally laid out upon the City Map or have been approved by the Board, with the understanding that they would serve as the basis of property subdivisions.

The map has been approved by the Borough President, and I would recommend similar action on the part of the Board. Respectfully,

NELSON P. LEWIS, Chief Engineer.

James J. Dunn appeared in favor.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 1540 of the Greater New York Charter, as amended by chapter 513 of the Laws of 1916, hereby approves the "Map of 231 lots in partition, Emma L. Moller vs. Cortlandt Godwin et al., Borough of The Bronx, City of New York"; said map having been approved in quadruplicate by the President of the Borough of The Bronx on October 10, 1917, and having been transmitted by said Borough President to, and received in the office of, the said Board on October 11, 1917.

Which was adopted by the following vote:

Affirmative—The Deputy and Acting Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the Acting President of the Borough of Brooklyn, the Presidents of the Boroughs of The Bronx and Queens and the Acting President of the Borough of Richmond—13.

JOSEPH HAAG, Secretary.

BOARD OF ESTIMATE AND APPORTIONMENT.

Minutes of Meeting of Board of Estimate and Apportionment, Held in Room 16, City Hall, Monday, October 15, 1917.

The Board met in pursuance of an adjournment:

Present—John Purroy Mitchel, Mayor; Albert E. Hadlock, Deputy and Acting Comptroller; Frank L. Dowling, President, Board of Aldermen; Marcus M. Marks, President, Borough of Manhattan; Lewis H. Pounds, President, Borough of Brooklyn; Douglas Mathewson, President, Borough of The Bronx and Henry P. Morrison, Acting President, Borough of Richmond.

The Mayor, Hon. John Purroy Mitchel, presided.

Public Hearing of Taxpayers on the Tentative Budget for 1918.

(On September 21, 1917 (Cal. No. 231), the Board adopted a resolution fixing Monday, October 15 and Tuesday, October 16, 1917, for public hearings (under section 226 of the Charter) of the taxpayers of the City on the Tentative Budget for 1918.)

The following appeared and addressed the Board:

Stewart Browne stated that instead of increases in salaries employees should be paid bonuses. That the percentage of increase in libraries and public institutions was high. Objected to the percentage of increase for the District Attorney, Kings County; to mandatory increases in compensation and to the duplication by the Department of Health of inspection of factories.

C. Stuart Gager, representing the Brooklyn Botanic Garden and Aboretum, requested that provision be made for a Painter and Glazier at \$1,000 per annum for a full year; also a sufficient appropriation to pay wages of Laborers for the entire year. Requested an appropriation for Secretary to Director, and a man to take charge of buildings. Stated that increases had been provided for employees receiving less than \$1,000 per annum, and requested increases for employees receiving less than \$1,500 per annum.

Thomas F. Carey, representing the Central Museum of Brooklyn, requested permission to file a brief.

Dr. Abraham Korn, representing the Harlem Property Owners' Association, in opposition to the increase in salary of any employee receiving above \$1,500 per annum for the reason that they are exempted from the Federal Income Tax. Objected to the amount allowed for Charitable Institutions; stated that the Municipal Courts could be run with smaller staffs and at less expense. Objected to the duplication by the Department of Health of the inspection of factories. Objected to increased appropriation for the Board of Inebriety. Objected to an increase in salary for a position created last year, in the Department of Parks, Manhattan and Richmond, and also to an increased appropriation for music.

Mrs. George A. Wheelock requested that the office of City Chamberlain be abolished and that the work be assumed by the Comptroller; also a reduction in the appropriation for the Department of Street Cleaning, in view of the fact that said Department is not removing trade waste.

Franz Siegel, representing the Surrogate's Court, Bronx County, requested increases in the salaries of certain employees of said court, and permission to file a memorandum with relation to the Law Library, Bronx County.

Miss J. V. Miner urged the performance of certain special work by the Bureau of Industrial Hygiene, Department of Health, and objected to transfer of control of said Bureau, from Bureau of Child Hygiene to General Administration.

Mr. George A. Wheelock objected to the duplication by the Department of Health of inspection of factories; and also to an increased appropriation for music.

Solomon Hecht, Associate Editor, Civil Service Chronicle, and Rev. Dr. W. L. Bowly, representing the Lord's Day Alliance, objected to the practice of putting an employee in the Budget for 365 days; stated that it should be changed to 316 days and that the wages should be increased to living wages.

Philip Ascher, Watchman, Dock Department, complained of working 365 days a year and getting only \$2.25 per day.

E. P. Doyle, representing the Real Estate Board of New York, objected to an increase in the appropriation for the Board of Inebriety; and stated that the Department of Licenses should not be a department, but a Bureau in the Comptroller's Office or City Revenue Department.

D. Edward Porter requested that the Police, Fire and Street Cleaning Department Bands be amalgamated under one head. Also requested increased appropriation for music.

David Bispham requested an increased appropriation for music.

Henry W. Taft, representing Trustees of the New York Public Library, requested increases in salaries of Clerks and Librarians, and asked permission to file a memorandum.

Mrs. Margaret Whitehurst, representing Police Matrons' Association, requested an increase in the salary of Matrons.

George W. Pople, representing Queensboro Public Library, asked that the appropriation requested by the Queensboro Public Library be allowed.

Hon. John J. Hopper, Register, Walter Fairchild and Thomas P. O'Gara requested that \$65,000 be allowed the Register, New York County, for reindexing.

J. J. Cunningham requested that Section Foremen in the Department of Street Cleaning be increased to \$1,392 per annum.

Arthur Engleman requested the Assistant Foremen, in the Department of Street Cleaning, be increased to \$1,140 per annum.

Lawrence F. Oliver asked that Marine Engineers of the Municipal Ferries be granted the prevailing rate of wages, and requested permission to file a memorandum.

The Board then adjourned to meet Tuesday, October 16, 1917, at 10.30 A. M., for the purpose of hearing taxpayers on the Budget for 1918, as tentatively prepared.

JOSEPH HAAG, Secretary.

BOARD OF ESTIMATE AND APPORTIONMENT.

Minutes of Meeting of Board of Estimate and Apportionment, Held in Room 16, City Hall, Tuesday, October 16, 1917.

The Board met in pursuance of an adjournment.

Present—John Purroy Mitchel, Mayor; Albert E. Hadlock, Deputy and Acting Comptroller; Frank L. Dowling, President, Board of Aldermen; Marcus M. Marks, President, Borough of Manhattan; Lewis H. Pounds, President, Borough of Brooklyn, and Douglas Mathewson, President, Borough of The Bronx.

The Mayor, Hon. John Purroy Mitchel, presided.

Public Hearing of Taxpayers on the Tentative Budget for 1918.

(On September 21, 1917 (Cal. No. 231), the Board adopted a resolution fixing Monday, October 15, and Tuesday October 16, 1917, for public hearings (under section 226 of the Charter) of the taxpayers of the City, on the Tentative Budget for 1918.)

The following persons addressed the Board:

Dr. H. W. Berg protested against exceeding the 4.9 mills provision, and also against the appropriation for the Teachers' Retirement Fund, Department of Education.

Edward I. Hannah, representing Labor Organizations, urged the following:

Horseshoers in the Fire Department should receive the same wage as those in the Police Department.

Flaggers in the Boroughs of The Bronx, Brooklyn and Richmond listed at \$4.50 per day should receive the prevailing rate of \$5 per day.

Foremen in the Bureau of Highways graded down to \$900 per annum should receive more than Assistant Foremen, who are listed at \$960 per annum.

Foremen generally should receive \$5 per day, the prevailing rate.

Laborers in all departments should receive a minimum of \$3 per day.

Laborers in the Borough of Richmond should not be employed as Pavers and Flaggers.

Charles Burns, representing the Long Island Building Trades, urged that all Laborers receive a minimum of \$3 per day.

E. P. Doyle, representing the Real Estate Board of New York, in favor of increasing salaries under \$2,500 per annum, if recommended by the Committee.

Lawrence Oliver, representing Engineers in the Dock Department, urged increases of \$5 per month in the salaries of Engineers employed on the Municipal Ferries.

The following addressed the Board in favor of granting the appropriation for the establishment of the Position of Woman Protective Officer in the Police Department:

Mrs. V. G. Simkhovitch, Chairman of the Social Welfare Committee of the Mayor's Committee on National Defense.

Mrs. Sara Douglas.

T. F. Bennett, representing the Executive Committee of the Mayor's Committee on National Defense.

Mrs. Lewis Slade, representing the Executive Committee of the Woman's Committee of the Mayor's Committee on National Defense.

A. W. Towne, representing the Brooklyn Society for the Prevention of Cruelty to Children.

Rowland Haynes, in charge of recreational work for enlisted men.

Maude E. Miner, Secretary, New York Protective and Probation Association.

The following addressed the Board in favor of increased compensation, \$200 per annum, for Police Matrons; in opposition to additional women officers in the Police Department, but, if positions of Women Protective Officers are created, the Police Matrons should be assigned to these positions. Mrs. Margaret Whitehurst, Mrs. George A. Wheelock, Mr. George A. Wheelock, Miss Mary Duffy, Miss Mary A. Sullivan.

In favor of establishment of a minimum wage of \$3 per day for all Laborers in the Street Cleaning Department: Adolph Brown, Harry Rauber, Morris Honig, Elias Shapiro, Julius Kusch.

In favor of increases for Laborers and Bridge Tenders, Department of Plant and Structures: Harry Rauber.

The Secretary presented resolution, petition and communications as follows:

Resolution adopted by the Board of Education on October 10, 1917, requesting the Board of Estimate and Apportionment to include appropriations for the following items in the Budget for 1918, in order that the school census as required by Article 24 of the Education Law may be maintained and amended:

- 60 Attendance Officers for permanent employment.
- 200 Attendance Officers for a temporary period of three months.
- 18 Clerks, two at \$600 per annum, and 16 at \$360 per annum.
- The sum of \$950 deducted from the carfare account.
- The sum of \$1,145 deducted from the Account of Office Supplies.

Supplementary communication from the Secretary of the Board of Education, furnishing cost figures of appropriations requested.

Two communications, dated, respectively, October 10th and October 11th, 1917, from Mr. Otto M. Eidletz and Mrs. Roger H. Bacon, urging that the position of Lay-Superintendent at Sea View Hospital and New York City Farm Colony, Department of Public Charities, be retained in the budget for 1918, in order to continue the employment of Mr. William C. Rodgers in that position.

Petition of 24 watchmen in the Department of Docks and Ferries for an increase in wages to meet the high cost of living, and also for a day of rest each week, and requesting that they be placed on a per annum basis instead of a per diem basis.

Communication dated October 9, 1917, from Hon. Thomas C. Kadien, Justice of the Municipal Court, Borough of Queens, submitting for consideration his interpretation, concurred in by all the Justices of the Municipal Court, of the intention of the statute fixing the salaries of Clerks and Deputy Clerks in Queens and Richmond.

PUBLIC SERVICE COMMISSION.

Notice of Proposed Sale of City Property.

NOTICE IS HEREBY GIVEN THAT THE City of New York, acting by the Public Service Commission for the First District, will sell at public auction, by Joseph P. Day, Auctioneer, on November 13, 1917, at twelve (12) o'clock noon, at the Brooklyn Real Estate Exchange salesroom at No. 189 Montague st., in the Borough of Brooklyn, in the City of New York, the premises situate at the northeasterly corner of Fulton st. and Rockwell pl., in the Borough of Brooklyn, in the City of New York, and known as Nos. 647 and 649 Fulton st., said premises being bounded and described as follows:

BEGINNING at the corner formed by the intersection of the easterly side of Rockwell pl. and the northeasterly side of Fulton st.; running thence northerly along the easterly side of Rockwell pl. fifty-six (56) feet; thence easterly at right angles to the easterly side of Rockwell pl. seventy-five (75) feet six (6) inches; thence southerly, parallel or nearly so with the easterly side of Rockwell pl. twenty-seven (27) feet eight (8) inches; thence southwesterly at right angles or nearly so to the northeasterly side of Fulton st. sixty-five (65) feet seven (7) inches to a point on the northeasterly side of Fulton st. distant forty-six (46) feet ten (10) inches southerly from the corner formed by the intersection of the northeasterly side of Fulton st. and the easterly side of Rockwell pl.; thence northwesterly along the northeasterly side of Fulton st. forty-six (46) feet ten (10) inches to the point of beginning.

Said premises will be sold in fee simple, free and clear from all encumbrances, except only that a certain permanent and perpetual underground easement will be reserved and retained for the maintenance, equipment and operation in perpetuity, free of interference and right of interference, of an underground rapid transit railroad within and including the structure thereof existing within a portion of said premises now occupied by said subway or structure, as more particularly set forth and described in the "Terms of Sale" and "Form of Deed," copies of which may be obtained at the office of the Public Service Commission for the First District at No. 120 Broadway, in the Borough of Manhattan, in the City of New York and at the office of said auctioneer at No. 31 Nassau st., in the Borough of Manhattan, in the City of New York.

The successful bidder must at the time and place of sale sign a memorandum of purchase and pay to the auctioneer Five Thousand Dollars (\$5,000) in cash or by certified check payable to the order of the Comptroller of the City of New York and drawn upon a solvent National or State bank or trust company having its principal office in New York City. Within thirty (30) days thereafter the purchaser must, without further notice to the purchaser, pay to the Public Service Commission for the First District, at its office at No. 120 Broadway, Borough of Manhattan, New York City, in cash or by certified check likewise drawn upon such a bank or trust company and payable to the order of the Comptroller of the City of New York, the remainder of the purchase money, at which time and place the deed in the form of said "Form of Deed" will be ready for delivery. In addition to said payment of Five Thousand Dollars (\$5,000) the successful bidder must pay in cash or by a separate certified check, to the auctioneer at the time and place of sale, the amount of any tax upon the sale, transfer or deed imposed by the United States Government, together with one-half of one per centum (½ of 1%) of the price for which the property is struck down, to cover the auctioneer's fee and disbursements for printing and advertising and all other expenses of the sale.

There will be no sale of said premises unless the sum bid therefor shall equal or exceed the upset price thereof, to wit, Forty-five Thousand Dollars (\$45,000).

The bidding will be kept open after the property is struck down, and in case the successful bidder shall fail to comply with any of said "Terms of Sale," the premises may, at the option of the Public Service Commission for the First District, be put up for resale upon the same terms, and such defaulting successful bidder shall be held liable for any deficiency there may be between the sum for which said premises shall have been struck down upon the sale and the sum for which they shall be struck down upon such resale and also for all costs and expenses of such resale.

The Public Service Commission for the First District reserves the right to adjourn such sale from time to time by announcement at the time and place above specified for such sale or so announced for such adjourned sale.

The Public Service Commission for the First District reserves the right to reject any and all bids.

No member of the Public Service Commission for the First District shall be liable personally for reason of such sale or of anything in connection therewith.

Dated, New York, October 26, 1917.

at 12 noon, in Room 368, Municipal Building, Manhattan, the lease of the property hereinafter described, for a term of five years from Dec. 1, 1917, with the privilege of renewal for an additional term of five years:

All that certain piece or parcel of land, with the buildings thereon erected, situated in the Borough of Brooklyn, County of Kings, City and State of New York, outlined in red on Map No. 113892, on file in the office of the Commissioner of Water Supply, Gas and Electricity, said parcel also being known as Lot No. 95, Block No. 980 of the Brooklyn Tax Map, and more fully described as follows:

Beginning at a point situated on the north-easterly side of 6th st. at a point distant 255 feet 9 inches southeasterly from the north-easterly corner of 3rd ave. and 6th st., and running thence southeasterly along the north-easterly side of 6th st. 100 feet; thence northeasterly and parallel with 3rd ave. 305 feet, more or less, to the southwesterly side of the 5th Street Basin of the Brooklyn Improvement Company; thence northwesterly along said 5th Street Basin 100 feet, and thence southwesterly again parallel with 3rd ave. 305 feet, more or less, to the north-easterly side of 6th st. to the point or place of beginning, containing within said bounds 0.700 acre, more or less.

The minimum or upset rental at which said lease shall be sold is hereby fixed at the sum of Twenty-four Hundred Dollars (\$2,400) per annum, payable quarterly in advance, and the said sale will be made upon the following

TERMS AND CONDITIONS:

The highest bidder will be required to pay twenty-five per cent. (25%) of the amount of the yearly rental bid at the time and place of sale; the amount so paid for one quarter's rent shall be forfeited if the successful bidder does not execute the lease when notified it is ready for execution.

No person shall be received as lessee who is a delinquent on any former lease from the corporation, and no bid shall be accepted from any person who is in arrears to the corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the City, as provided by law.

The lease will be in the usual form of leases of like property, and will contain in addition to other terms, covenants and conditions as follows:

First—A clause providing that the lessee shall pay the usual rates for water per meter measurements and comply with the rules and regulations of the Department of Water Supply, Gas and Electricity.

Second—A clause providing that the lessee shall not make any alterations or improvements on the property except with the consent and approval of the Comptroller.

Third—A clause providing that during the term of the lease, or any renewal thereof, the lessee shall keep the buildings in proper repair, both inside and outside, at his own cost and expense, and comply with all the laws and ordinances of the State and City of New York.

Fourth—A clause providing that all repairs, alterations and improvements made on or to the property by the lessee during the period of the lease, or any renewal thereof, shall become the property of the City of New York at the expiration of the lease.

Fifth—A clause providing that the lessee shall have the privilege of renewal for an additional term of five years on the expiration of the lease, under the same terms and conditions.

Sixth—A clause providing that the rent thereof shall not commence until Dec. 1, 1917, but that the lessee may take possession of the premises immediately upon execution of the lease, and shall be liable for any damages which may occur in and to the premises to be demised from the date thereof.

The Comptroller shall have the right to reject any and all bids if deemed to be in the interest of the City of New York.

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

DEPARTMENT OF PLANT AND STRUCTURES.

Proposals.

SEALED BIDS WILL BE RECEIVED BY the Commissioner of Plant and Structures at the office, Municipal Building, Manhattan, until 2 p. m., on

TUESDAY, NOVEMBER 13, 1917.

FOR THE PRIVILEGE OF MAINTAINING A STAND FOR THE SALE OF ORANGEADE AND CONFECTIONERY, OR ANY GOODS THAT THE COMMISSIONER MAY APPROVE, ON THE PROMENADE FLOOR AT THE SOUTHWEST CORNER OF THE MANHATTAN TERMINAL OF THE BROOKLYN BRIDGE FOR A PERIOD OF ONE YEAR FROM NOV. 16, 1917.

The price bid shall be a certain sum per month, payable in advance.

Each bidder will be required to deposit with his bid the sum of \$600 in cash or a certified check drawn on a State or National Bank of the City of New York. Such cash or certified check shall not be enclosed in the envelope with the proposed bid, but must be handed to the official who receives the bid, for examination and approval, before accepting the bid.

All such deposits, except that of the successful bidder, will be returned after the award of the privilege. The amount deposited by the successful bidder will be retained and credited on account of rent due during the last part of the term for which the privilege is granted. In case the successful bidder does not execute the agreement for maintaining the stand when so directed, then such deposit shall be forfeited to the City.

No bid shall be received from any one who is a delinquent on any lease from the City, and no bid shall be accepted from any person who is in arrears to the City upon debt or contract or is a defaulter as surety or otherwise on any obligation to the City as provided by law.

The site upon which the stand is located is shown on drawing No. 5037. At no time are sales to be made through the westerly side of the stand.

The owner of the existing stand at the site has advised the Commissioner of Plant and Structures that he will sell the stand to the successful bidder for the sum of \$600. In case the existing stand is not purchased by the successful bidder, the stand to be erected by him must be approved by the Commissioner of Plant and Structures. The stand shall become the property of The City at the termination of the lease.

The lessee shall make all necessary repairs to the stand, but no alterations or improvements shall be made to the stand without the written consent and approval of the Commissioner of Plant and Structures.

In the event of the failure of the lessee to comply with all the requirements of the agreement, any moneys deposited by him with the City shall be forfeited and all rights which he may claim to have in the stand shall be forfeited.

The lessee shall comply with the rules and regulations of the City and State Departments having jurisdiction over the premises.

The Commissioner of Plant and Structures reserves the right to reject any and all bids, if he deems it to the interest of the City so to do.

F. J. H. KRACKE, Commissioner.

MUNICIPAL CIVIL SERVICE COMMISSION.

Amendments to Rules.

AT A MEETING OF THE MUNICIPAL Civil Service Commission of New York held Oct. 17, 1917, it was

Resolved, That the first paragraph of Clause 2 of Rule XII of the Rules of the Municipal Civil Service Commission be and hereby is amended by inserting therein, after the word "attendant," the words "swimming instructor and nurse," so that the same shall read as follows:

"2. The Commission shall establish and maintain separate eligible lists of persons willing to accept temporary employment as clerk, playground attendant, gymnasium attendant, school farm attendant, gardener, typewriter accountant, attendant, swimming instructor and nurse, under the conditions of the preceding clause. If the appointing officer shall certify that the services of a person appointed from any such list have been satisfactory, the name of such person shall, at the termination of such temporary employment, be placed on a preferred list, from which he shall be eligible for re-employment for any similar service under the conditions of Clause 1 of Rule XIII, provided he shall have served for not less than the probationary period as required by the provisions of Rule XI, Clause 2."

ALEXANDER KEOGH, Commissioner. Attest: J. F. SKELLY, Assistant Secretary.

New York, Oct. 24, 1917.

I hereby approve the foregoing amendment.

JOHN PURROY MITCHEL, Mayor.

OFFICE OF STATE CIVIL SERVICE COMMISSION, ALBANY, Oct. 26, 1917.

The foregoing resolution amending the civil service rules for the City of New York, having been duly examined, is hereby approved by the State Civil Service Commission.

SUPREME COURT—FIRST DEPARTMENT.

Application to Court to Condemn Property.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the real property required for the opening and extending of POPLAR STREET, from Lurting avenue to Williamsbridge road, in the Twenty-fourth Ward, Borough of The Bronx, City of New York.

NOTICE IS HEREBY GIVEN THAT AN APPLICATION will be made to the Supreme Court of the State of New York, First Judicial District, at a Special Term of said Court, held in and for the County of Bronx, at the County Court House, in the Borough of The Bronx, in the City of New York, on the 14th day of November, 1917, at the opening of the Court on that day, or as soon thereafter as Counsel can be heard thereon, to have the compensation which should justly be made to the respective owners of the real property proposed to be acquired for such improvement, ascertained and determined by the Supreme Court without a jury, and to have the cost of such improvement assessed by the said Court, as hereinafter set forth, in accordance with the resolution of the Board of Estimate and Apportionment.

The nature and extent of the improvement hereby intended is the acquisition of title in fee by The City of New York for the use of the public to the real property required for the opening and extending of Poplar street, from Lurting avenue to Williamsbridge road, in the Twenty-fourth Ward, Borough of The Bronx, City of New York. The real property, title to which is proposed to be acquired, is more particularly bounded and described as follows, to wit:

Beginning at a point in the eastern line of Lurting avenue (Forest street) as laid out on "Map of property belonging to J. J. Gleason, Esq., filed in Westchester County Register's Office, June 21, 1894, in Vol. X, page 57, distant 299.49 feet northerly from the intersection of said line and the northern line of E. Tremont avenue; thence northerly along said eastern line of Forest street 50.32 feet; thence easterly, deflecting 83° 29' 50" to the right, 415.69 feet; thence still easterly, deflecting 0° 21' 54.5" to the right, 196.410 feet; thence northeasterly, deflecting 22° 45' 10" to the left 368.96 feet; thence southeasterly, deflecting 87° 00' 50" to the right, 50.07 feet; thence southwesterly, deflecting 92° 59' 10" to the right, 438.52 feet; thence westerly, deflecting 38° 12' 41" to the right, 82.55 feet; thence still westerly, deflecting 15° 27' 31" to the left 74.290 feet; thence still westerly 421.23 feet to the point of beginning.

Poplar street is shown on the following maps: "Map showing the reduction of width of Poplar street from Lurting avenue to Williamsbridge road and the adjustment of grades necessitated thereby. Amendment to Section 46," which map was filed in the office of the President of the Borough of The Bronx on May 21, 1915; in the office of the Register of the County of Bronx on May 21, 1915, as Map No. 106, and in the office of the Corporation Counsel of the City of New York on May 21, 1915, in pigeonhole 80.

"Map showing the change of lines of Poplar street between Lurting avenue and Roselle street and the adjustment of grades necessitated thereby. Amendment to Section 46," which map was filed in the office of the President of the Borough of The Bronx on March 6, 1916, in the office of the Register of the County of Bronx on March 6, 1916, as Map No. 170, and in the office of the Register of the County of Bronx New York on March 6, 1916, in pigeonhole 251.

The land required for Poplar street is located in Blocks 4069, 4070, 4078, 4079, 4084 of Section 15 of the Land Map of the City of New York.

The Board of Estimate and Apportionment, by a resolution adopted on the 19th day of January, 1917, determined that the whole cost and expense of this proceeding shall be assessed upon the property deemed to be benefited thereby, and that the area of assessment for benefit in this proceeding be fixed and determined to be as follows:

Bounded on the north by a line always distant 100 feet northerly from and parallel with the northerly line of Poplar street, the said distance being measured at right angles to Poplar street, and by the prolongation of the said line; on the east by the centre line of Williamsbridge road; on the south by a line always distant 100 feet southerly from and parallel with the southerly line of Poplar street, the said distance being measured at right angles to Poplar street and by the prolongations of the said line; and on the west by a line distant 100 feet westerly from and parallel with the westerly line of Lurting avenue

as this street is laid out where it adjoins Poplar street, the said distance being measured at right angles to Lurting avenue and by the prolongation of the said line.

Dated, New York, November 1, 1917.

Filing Bills of Costs.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the opening and extending of RADCLIFF AVENUE, from the northerly line of Sackett avenue to the northerly line of former Old Pierce avenue, distant about 143 feet northerly from Sackett avenue, in the 24th Ward, Borough of The Bronx, The City of New York.

NOTICE IS HEREBY GIVEN THAT A BILL of costs, charges and expenses incurred by reason of the above entitled proceeding will be presented to one of the Justices of the Supreme Court of the State of New York, First Department, at a Special Term thereof for the hearing of motions, to be held at the County Court House in the Borough of The Bronx, in the City of New York, on the 13th day of November, 1917, at 10 o'clock in the forenoon of that day, or as soon thereafter as Counsel can be heard thereon, for taxation in accordance with the Certificate of the Corporation Counsel, and that the said bill of costs, charges and expenses with the Certificate of the Corporation Counsel thereto attached has been deposited in the office of the Clerk of the County of Bronx, there to remain for and during the space of ten days, as required by law.

Dated, New York, October 30, 1917.

SUPREME COURT—SECOND DEPARTMENT.

Filing Preliminary Abstracts.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the opening and extending of TWENTY-FOURTH AVENUE, from Stillwell avenue to Croysey avenue, excluding the right of way of the Brooklyn, Bath and West End Railroad, in the 31st Ward, Borough of Brooklyn, The City of New York.

NOTICE IS HEREBY GIVEN TO ALL PERSONS interested in the above entitled proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That the undersigned, Commissioner of Assessment, has completed his amended and supplemental estimate of benefit, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with him at his office, No. 166 Montague street, in the Borough of Brooklyn, in the City of New York, on or before the 12th day of November, 1917, and that the said Commissioner will hear parties so objecting, and for that purpose will be in attendance at his said office on the 13th day of November, 1917, at 3:30 p. m.

Second—That the Commissioner of Assessments has assessed any or all of such lands, tenements and hereditaments and premises as are within the area of assessment fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 15th day of June, 1911, and that the said area of assessment includes all those lands, tenements and hereditaments and premises situate and being in the Borough of Brooklyn, in the City of New York, which, taken together, are bounded and described as follows, viz:

BEGINNING at a point on the northeasterly line of Croysey avenue where it is intersected by a line midway between 23d avenue and 24th avenue, and running thence northeasterly along the said line midway between 23d avenue and 24th avenue to the intersection with the westerly line of Stillwell avenue; thence eastwardly at right angles to Stillwell avenue to the intersection with a line midway between Stillwell avenue and West 13th street; thence southwardly along the said line midway between Stillwell avenue and West 13th street to the intersection with a line at right angles to its easterly side where it is intersected by the prolongation of a line midway between 24th avenue and 25th avenue; thence westwardly along the said line at right angles to Stillwell avenue to its easterly side; thence southwardly along the said line midway between 24th avenue and 25th avenue and along the prolongation of the said line of Croysey avenue; thence southwardly at right angles to Harway avenue to a point distant 100 feet southwesterly from and parallel with the southwesterly lines of Harway avenue and of Croysey avenue to the intersection with a line at right angles to Croysey avenue, and passing through the point of beginning; thence northeasterly along the said line at right angles to Croysey avenue to the point or place of beginning.

Third—That the abstracts of said amended and supplemental estimate of assessment for benefit, together with the benefit maps, and also all the affidavits, estimates, proofs and other documents used by the Commissioner of Assessment in making the same, have been deposited in the Bureau of Street Opening in the Law Department of The City of New York, No. 166 Montague street, in the Borough of Brooklyn, in said City, there to remain until the 30th day of November, 1917.

Fourth—That, provided there be no objections filed to said abstract, the report as to assessments for benefit herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof, to be held in the County Court House in the Borough of Brooklyn, in The City of New York, on the 12th day of December, 1917, at the opening of the Court on that day.

Fifth—In case, however, objections are filed to the foregoing abstract of assessment, the motion to confirm the report as to assessments shall stand adjourned to the date to be hereafter specified in the notice provided in such case to be given in relation to filing the final reports, pursuant to Sections 981 and 984 of the Greater New York Charter, as amended by Chapter 658 of the Laws of 1906.

Dated, Oct. 30, 1917.
GEORGE A. STEVES, Commissioner of Assessment.

ANDREW C. TROY, Clerk. o30,n10

Filing Bills of Costs.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the opening and extending of ELY AVENUE, from Jackson avenue to Nott avenue, in the First Ward, Borough of Queens, City of New York.

NOTICE IS HEREBY GIVEN THAT THE bill of costs, charges and expenses incurred by reason of the proceedings in the above entitled matter will be presented for taxation to one of the Justices of the Supreme Court of the State of New York, Second Department, at a Special Term thereof, for the hearing of motions, to be held at the Garfield Building, 26 Court street, in the Borough of Brooklyn, in The City of New York, on the 14th day of November, 1917, at 10 o'clock in the forenoon of that day, or as soon thereafter as Counsel can be heard thereon; and that the said bill of costs, charges and expenses has been deposited in the Office of the Clerk of the County of Queens, there to remain for and during the space of ten days, as required by law.

Dated, New York, October 30, 1917.
JOHN KINDRED GILLETTE, WILBUR R. LEWIS, EMIL A. GUENTHER, Commissioners of Estimate; WILBUR R. LEWIS, Commissioner of Assessment.
WALTER C. SHEPPARD, Clerk. o30,n10

Filing Tentative Decree—Notice to File Objections.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the extending of LINCOLN TERRACE PARK as laid out upon the map or plan of The City of New York under a resolution adopted by the said Board on February 11, 1916; and to the unacquired portion of PRESIDENT STREET, from Buffalo avenue to Rochester avenue, Borough of Brooklyn, City of New York.

NOTICE IS HEREBY GIVEN TO ALL PARTIES interested in the above entitled proceeding, as follows:

First: That the above named Court, after considering the testimony and proofs submitted on the trial of the above entitled proceeding, has completed its estimate of the compensation which should be made by the City of New York to the respective owners of the real property to be acquired in this proceeding, and has made an assessment of the value of the benefit and advantage of the improvement to the respective owners of the real property within the area fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 3rd day of March, 1916, and that the tentative decree of said Court as to awards for damages and as to assessments for benefit was signed on the 15th day of October, 1917, by Honorable Isaac M. Kapper, Justice of the Supreme Court, presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of Kings on the 18th day of October, 1917, for the inspection of whomsoever it may concern.

Second: That the said Court has assessed all the real property within the area of assessment fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 3rd day of March, 1916, and that the said area of assessment includes the parcels of real property situate and being in the Borough of Brooklyn, in The City of New York, which, taken together, are bounded and described as follows:

BEGINNING at a point on a line midway between Sterling place and St. Johns place, distant 100 feet westerly from the westerly line of Kingston avenue, the said distance being measured at right angles to Kingston avenue, and running thence easterly along the said line midway between Sterling place and St. Johns place to the intersection with a line midway between Kingston avenue and Albany avenue; thence northwardly along the said line midway between Kingston avenue and Albany avenue to the intersection with a line midway between Park place and Prospect place; thence eastwardly along the said line midway between Park place and Prospect place to the intersection with a line midway between Albany avenue and Troy avenue; thence southwardly along the said line midway between Ralph avenue and Howard avenue to the intersection with a line midway between Atlantic avenue and Pacific street; thence eastwardly along the said line midway between Atlantic avenue and Pacific street to the intersection with a line midway between Howard avenue and Saratoga avenue; thence southwardly along the said line midway between Howard avenue and Saratoga avenue to the intersection with a line midway between Dean street and Bergen street; thence eastwardly along the said line midway between Dean street and Bergen street to the intersection with a line midway between Saratoga avenue and Hopkinson avenue; thence southwardly along the said line midway between Saratoga avenue and Hopkinson avenue to the intersection with a line midway between Bergen street and St. Marks avenue; thence eastwardly along the said line midway between Bergen street and St. Marks avenue to the intersection with a line midway between Hopkinson avenue and Rockaway avenue; thence southwardly along the said line midway between Hopkinson avenue and Rockaway avenue to the intersection with the southerly line of St. Marks avenue; thence southwardly in a straight line to a point on the southerly line of East New York avenue midway between Herkimer street and Rockaway avenue; thence southwardly along a line midway between Chester street and Rockaway avenue to the intersection with a line midway between Sutter avenue and Blake avenue; thence westwardly along the said line midway between Sutter avenue and Blake avenue to the intersection with a line midway between Chester street and Bristol street; thence southwardly along the said line midway between Chester street and Bristol street to the intersection with a line midway between Blake avenue and Dumont avenue; thence westwardly along the said line midway between Blake avenue and Dumont avenue to the intersection with a line midway between Hopkinson avenue and Amboy street; thence southwardly along the said line midway between Hopkinson avenue and Amboy street and along the prolongation of the said line to the intersection with a line midway between Livonia avenue and Riverdale avenue; thence westwardly along the said line midway between Livonia avenue and Riverdale avenue to the intersection with a line midway between Herl street and Douglass street; thence southwardly along the said line midway between Herl street and Douglass street to the intersection with a line midway between Riverdale avenue and Newport street; thence westwardly along the said line midway between Riverdale avenue and Newport street to the intersection with a line midway between Douglass street and Saratoga avenue; thence southwardly along the said line midway between Douglass street and Saratoga avenue to a point distant 100 feet southerly from the southerly line of Newport street; thence westwardly and parallel with Newport street and the prolongation thereof to the intersection with a line distant 100 feet southerly from and parallel with the southerly line of Linden avenue, the said distance being measured at right angles to Linden avenue; thence southwardly and always distant 100 feet southerly from the southerly line of Linden avenue to the intersection with a line midway between East 91st street and East 92nd street; thence northwardly along the said line midway between East 91st street and East 92nd street to the intersection with a line midway between Lenox road and Linden avenue; thence southwardly and along a line always midway between Lenox road and Linden avenue to the

intersection with a line midway between Utica avenue and East 49th street; thence northwardly along the said line midway between Utica avenue and East 49th street to the intersection with a line midway between Clarkson avenue and Lenox road; thence westwardly along the said line midway between Clarkson avenue and Lenox road to the intersection with a line midway between Schenectady avenue and East 46th street; thence northwardly along the said line midway between Schenectady avenue and East 46th street to the intersection with a line midway between Clarkson avenue and Winthrop street; thence westwardly along the said line midway between Clarkson avenue and Winthrop street to the intersection with the prolongation of a line midway between Troy avenue and Albany avenue, as these streets are laid out immediately north of Winthrop street; thence northwardly along the said line midway between Troy avenue and Albany avenue and along the prolongation of the said line to the intersection with a line midway between Rutland road and Fenimore street; thence westwardly along the said line midway between Rutland road and Fenimore street to the intersection with a line midway between Albany avenue and Kingston avenue; thence northwardly along the said line midway between Albany avenue and Kingston avenue to the intersection with a line midway between East New York avenue and Lefferts avenue; thence westwardly along the said line midway between East New York avenue and Lefferts avenue to a point distant 100 feet westerly from the westerly line of Kingston avenue; thence northwardly and always distant 100 feet westerly from and parallel with the westerly line of Kingston avenue to the point or place of beginning.

Third: That The City of New York and all other parties interested in such proceeding, or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property owned by the objector, and his post office address, with the Clerk of the County of Kings on or before the 8th day of November, 1917, and within the same time serve on the Corporation Counsel of The City of New York, at his office, Room 83, Franklin Trust Company Building, No. 166 Montague street, Borough of Brooklyn, City of New York, a copy of such verified objections.

Fourth: That on the 9th day of November, 1917, at 10 o'clock in the forenoon of that day, or as soon thereafter as Counsel can be heard, the Corporation Counsel of The City of New York will apply to the Honorable Isaac M. Kapper, Justice of the Supreme Court signing said tentative decree, at Trial Term, Part I, held in and for the County of Kings at the Garfield Building, No. 26 Court street, in the Borough of Brooklyn, City of New York, to fix a time when said Justice will hear the parties who have filed objections to said tentative decree.

Dated, Brooklyn, N. Y., October 18, 1917.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause to be occupied, or use the building or buildings, purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days

from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be re-located or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be re-located or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR, OR SUPPLIES TO BE FURNISHED TO THE CITY OF NEW YORK.

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or officers, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making a bid for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer or employee of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, or the party or parties making the bid that the several matters stated therein are in all respects true.

No bid will be considered unless as a condition precedent to the reception or consideration of such bid, it be accompanied by a certified check upon one of the State or National banks or trust companies of The City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

All bids for supplies must be submitted in duplicate.

The certified check or money should not be inclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures. Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, etc., the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done or the supplies are to be furnished. Plans and drawings of construction work may be seen there.
