Calendar Item 1 — Warren Street Center for Children and Families (160006 PQQ)

An application submitted by the New York City Administration for Children's Services (ACS) and the New York City Department of Citywide Administrative Services (DCAS), pursuant to Section 197-c of the New York City Charter, for the acquisition of property, located at 343 Warren Street in the Boerum Hill neighborhood of Brooklyn Community District 2 (CD 2). Such actions would facilitate the continued use of the property as a child care center.

Calendar Item 2 — Edwin's Place (C 170454 ZMK)

An application submitted by the New York City Department of Housing Preservation & Development (HPD), pursuant to Sections 197-c and 201 of the New York City Charter, for a zoning map amendment that would change an R6 District to an R7-2 District property, bounded by a line 100 feet northerly of Livonia Avenue, Grafton Street, and Howard Avenue in the Brownsville section of Brooklyn Community District (16). The zoning map amendment would establish within the proposed R7-2 District a C2-3 District from Livonia Avenue to a line 100 feet to its north between Grafton Street and Howard Avenue. The proposed project consists of the construction of a new eight-story mixed-use building on the Development Site that, when completed, will provide approximately 125 affordable housing units, one superintendent, ground-floor retail and/or community facility space. In order to facilitate

to Proposed Development, HPD has received a related Mayoral Zoning Override to allow a street wall of 71 feet, 11 feet above the maximum height of 60 feet.

Calendar Item 3 — Linden Boulevard Rezoning (170430 ZMK and 170431 ZRK)

An application submitted by Canyon Sterling Emerald LLC, pursuant to Sections 197-c and 201 of the New York City Charter is seeking zoning map and text amendments to facilitate the development of a vacant block on Linden Boulevard in the East New York section of Brooklyn Community District 5 (CD 5). The zoning map amendment would eliminate the C1-2 district overlay and change the existing R4 District to an R8A district with a C2-4 overlay, and a combination of R7A and R6A districts. It would change an existing R4 District property, to an R6A District property, bounded by a line 100 feet southerly of Linden Boulevard, Amber Street, a line 100 feet north of Loring Avenue, and Emerald Street. It would change an existing R4 District to an R7A District property, from Loring Avenue to a line 100 feet to its north, between Amber and Emerald streets. The zoning map amendment would also change an existing R4 District to an R8A District property, from Linden Boulevard to a line 100 feet to its south of Linden Boulevard, between Amber and Emerald streets. Within a proposed R8A District it would establish a C2-4 District from Linden Boulevard to a line 100 feet to its south between Amber and Emerald streets. The zoning text amendment would designate the Project Area a Mandatory Inclusionary Housing (MIH) Area. The proposed development will consist of residential, retail, and community facilities uses with 100 accessory parking spaces. All 521 residential units will be affordable pursuant with 30 percent of the residential floor (approximately 157 dwelling units), designated as permanently affordable to households at an average of 80 percent of area median income.

Calendar Item 4 — 723-733 Myrtle Avenue Rezoning (170025 ZMK and N170026 ZRK)

An application submitted by JMS Realty Corp., pursuant to Sections 197-c and 201 of the New York City Charter is seeking zoning map and zoning text amendments for two block fronts on the north side of Myrtle Avenue between Walworth Street and Nostrand Avenue and one block front on the south side of Myrtle Avenue between Sandford Street and Nostrand Avenue, in the Bedford-Stuyvesant section of Brooklyn Community District 3 (CD 3). The zoning map amendment would rezone the existing M1-1 District on the north side of Myrtle Avenue to an R7D/C2-4 district and the M1-2 district on the north side of Myrtle Avenue to an R6A/C2-4 district. The zoning text amendment would designate the Project Area a Mandatory Inclusionary Housing (MIH) Area. Such amendments and subsequent actions would facilitate the development of an eight-story, 75-unit mixed residential, commercial, and community facility building with an affordable housing set aside of 19 permanently affordable housing units.

Calendar Item 5 — Tillary and Prince Street Rezoning (170400 ZMK and 170401 ZRK)

An application submitted by YYY Brooklyn NY LLC, pursuant to Sections 197-c and 201 of the New York City Charter for zoning map and zoning text amendments changing an R6 District to a C6-4 District property, bounded by the easterly centerline prolongation of Tillary Street, a line 210 feet easterly of Prince Street, the easterly prolongation of a line 200 feet southerly of Tillary Street, and Prince Street, in the Downtown District section of Brooklyn Community District 2. The zoning map amendment would result in the enlargement of the Special Downtown Brooklyn District for the area, bounded by the easterly centerline prolongation of Tillary Street, a line 210 feet easterly of Prince Street, the easterly prolongation of a line 200 feet southerly of Tillary Street, and Prince Street. The zoning text amendment would designate the Project Area a Mandatory Inclusionary Housing (MIH) Area. A total of approximately 262 dwelling units would be built in buildings containing 21- and 23-stories. There would also be retail space and parking for 44 vehicles in an enclosed garage.

Calendar Item 6 — Self-Service Storage Facility Text Amendment (170425 ZRY)

The New York City Department of City Planning (DCP) proposes a Citywide zoning text amendment to establish a Special Permit under the jurisdiction of the City Planning Commission (CPC) for all new self-service storage development in the proposed "Designated Areas (approximately 40 percent of the land area where such use is currently permitted as-of-right)." Such areas are defined by their location within manufacturing districts, largely coinciding with Industrial Business Zones (IBZs), and would be established as text maps. The primary intent of this proposal is to establish a framework to conduct a case-by-case, site-specific review to ensure that development of self-storage facilities does not occur on sites that should remain available to more job intensive industrial uses. Existing self-storage facilities within the newly proposed "Designated Areas" would be able to continue operating as legal non-conforming uses. Self-storage would remain as an as-of-right use in C8 zoning district and in manufacturing districts outside of designated areas (approximately 60 percent of the land area where such use is currently permitted as-of-right).

(d) establish a center to the downtown with lively new gathering and civic spaces along Mott Avenue that complement and strengthen the existing neighborhood;
(e) encourage the development of affordable housing;
(f) expand the retail, entertainment and commercial character of areas around transit nodes to enhance the area's role as a local transportation hub;
(g) integrate new roadways into an improved pedestrian and vehicular network with key north-south and east-west connections;
(h) ensure the provision of adequate accessory parking that reflects both the automobile ownership patterns of the neighborhood and public transit access;

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
• Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
• Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
• Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

CITY PLANNING

■ NOTICE

PUBLIC COMMENT PERIOD AND PUBLIC HEARING DATE FOR THE PROPOSED 2017 CONSOLIDATED PLAN ONE-YEAR ACTION PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

The Department of City Planning (DCP) is announcing the **public comment period**, and the date for a **public hearing** on the **2017 Proposed Consolidated Plan One-Year Action Plan**. This document is the City of New York's annual application to the United States Department of Housing and Urban Development (HUD) for the four Office of Community Planning and Development formula entitlement grant program funds: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).

For 2017 HUD has announced that the City is expected to receive approximately \$261,293,000 from the four HUD formula grant programs; \$150,294,862 for CDBG, \$53,258,298 for HOME, \$44,197,111 for HOPWA, and \$13,542,650 for ESG, respectively.

The **2017 Proposed Consolidated Plan One-Year Action Plan** consists of three volumes: Executive Summary; One-Year Action Plan; and Appendices.

To obtain your comments on the City's use of these Federal funds, two events have been scheduled which are:

A **public comment period** which will begin **July 25, 2017** and extend for **14 days ending August 7, 2017**; and

A **public hearing on Friday, August 4, 2017**, which will begin **approximately at 2:00 P.M.**, in Spector Hall, 22 Reade Street, Manhattan. The public hearing will be followed by a question and answer session with City agency representatives in attendance.

The 2017 Proposed Consolidated Plan is tentatively scheduled to be released on **July 25, 2017**. It should be noted that the **Proposed Action Plan's public comment period has been shortened to 14 days from its Federally-required 30 days**. The late announcement of the formula grants award by the Federal government has necessitated HUD waiving this requirement in order to provide them sufficient time to completely review (and approve) a locality's submitted Proposed Action Plan before the end of the 2017 Federal Fiscal Year (September 30, 2017).

To obtain a copy of the Proposed Plan, please visit the Department of City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271 (Monday, Tuesday: 9:30 A.M. - 11:30 A.M.; Wednesday: 1:00 P.M. - 3:00 P.M.).

In addition, copies of the document can be obtained at the following Department of City Planning offices:

Bronx Office 1 Fordham Plaza, 5th Floor, (718) 220-8500
