CITY PLANNING

NOTICE

City of New York Department of City Planning Department of Homeless Services Substantial Amendment to the 2011 Consolidated Plan 30-day Public Comment Period Addendum - Emergency Solutions Grant (ESG)

Pursuant to 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York Announces the 30-day public comment period for the substantial amendment to the 2011 Consolidated Plan: Addendum: Emergency Solutions Grant.

The public comment period will begin Monday, April 9 and end on Tuesday, May 8, 2012.

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program, and revises the Emergency Shelter Grants program and renames it as the Emergency Solutions Grants (ESG) program.

On November 15, 2011, the US Department of Housing and Urban Development released an interim rule which revises the regulations for the Emergency Shelter Grants program by establishing the regulations for the Emergency Solutions Grants program. The change in the program's name, from Emergency Shelter Grants to Emergency Solutions Grants, reflects the change in the program's focus from addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Additional funding has been allocated in FY2011 in conjunction with the interim Emergency Solutions Grant rule. The City of New York is expected to receive \$4,448,535 in additional ESG funds.

All comments received at the end of the comment period (close of business) will be summarized and the City's responses incorporated into the 2011 Consolidated Plan amendment addendum for submission to HUD.

The City of New York must submit the amendment to HUD by May 15, 2012 in order to be eligible to receive its allocation.

On Monday, April 9, copies of the 2011 Consolidated Plan - Addendum: Emergency Solutions Grant (ESG) will be made available at: The City Planning Bookstore, 22 Reade Street, New York, NY (Monday 12:00 P.M. to 4:00 P.M., Tuesday thru Friday 10:00 A.M. to 1:00 P.M.).

In addition, on Monday, April 9 at 10:00 A.M. an Adobe PDF version of the amendment will be available for free downloading from the internet via both the Department of Homeless Services' and the Department of City Planning's websites at: www.nyc.gov/dhs and www.nyc.gov/planning, respectively.

Questions and comments may be directed to: Alyson Zikmund Director of Planning, Development and Grants Prevention, Policy and Planning NYC Department of Homeless Services 33 Beaver Street, 20th Floor New York, NY 10004 azikmund@dhs.nyc.gov

NEGATIVE DECLARATION

Project Identification 83 Walker Street CEQR No. 12DCP102M ULURP No.100149ZSM Manhattan, Community District 1 SEQRA Classification: Type 1 Lead Agency City Planning Commission 22 Reade Street New York, NY 10007 Contact: Robert Dobruskin (212) 720-3423

Name, Description and Location of Proposal:

83 Walker Street The applicant, 83 Walker Street, is seeking a special permit pursuant to the New York City Zoning Resolution ("ZR") section 74-712(b) to modify the maximum base height requirements of ZR Section 23-633(d) and the maximum street wall height provisions of ZR Section 23-692. The proposed action would facilitate a proposal by the applicant to develop a new nine story residential building. Section 23-633 requires that buildings in C6-2A districts have a maximum base height of 85 feet and a maximum building height of 120 feet. The proposed building would exceed this base height, rising without a setback to a building height of 100 feet 11 inches. The project site is located at 83 Walker Street, which is bounded by Walker Street, Lafayette Street, White Street, and Cortlandt Alley (Block 195, Lot 12) in the

Tribeca East Historic neighborhood of Manhattan, Community District 1.

Specifically, under the special permit, the proposed action would allow a 9-story, 100 foot 11 inch tall residential building, with approximately 17,392 gross square feet and 9 residential units. The first and cellar floor would be occupied with by a single residential duplex and the second through ninth floors would each have one residential unit. The project site is currently a public parking lot.

Section 23-692, also known as the "Sliver Rule", limits the heights of new buildings with less than 45 feet of street frontage in certain districts, including C6-2A districts. The existing regulations limit the street wall of the new building to 81 feet, however the proposed actions would allow the street wall to exceed that limit, and rise to 104 feet, 11 inches, to the top of the parapet.

The site is located in a C6-2A zoning district, and is surrounded by C6-4 and C6-4A zoning districts to the south, M1-5 district to the north, and Area B1 of the Tribeca Mixed-Use Special District to the west. The maximum commercial floor area ratio (FAR) in a C6-2A zoning district is 6.0 and residential FAR of 6.02.

Absent the proposed action, the project site would be developed with the as-of-right 7-story, 81 foot residential development, with approximately 14,060 gross square feet and no parking would be provided. The build year for the project is 2014.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated March 9, 2012, prepared in connection with the ULURP Application (No. 100149ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

- 1. The project site received an (E) designation for air quality, noise and hazardous materials, E-208, as part of the White Street Rezoning (CEQR Number 08DCP102M; Negative Declaration dated January, 28, 2008). The (E) designation would ensure that the proposed action would not result in significant adverse impacts on air quality, noise and hazardous materials.
2. No other significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Negative Declaration, you may contact Fara Surrey-Napchan at (212) 720-3260.

COURT NOTICE MAP FOR SANITATION GARAGES FOR BROOKLYN COMMUNITY DISTRICTS 1 AND 4

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
