AN ACT for the relief of the Chatham National Bank of the City of New York.

Passed April 2, 1883; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The comptroller of the city of New York is hereby authorized and directed to pay to the Chatham National Bank of said city a sum of money equal to the sums paid by said bank to the mayor, aldermen, and commonalty of the city of New York, as and for taxes upon the value of its shares of stock, from and including the year one thousand eight hundred and seventy-one to and including the year one thousand eight hundred and seventy-nine, in excess of the amounts which said city was lawfully entitled to receive, which excessive payments arose from the failure of said mayor, aldermen, and commonalty to make the deduction from said taxes which should have been made pursuant to law because of the investment of certain of the capital of said bank in real estate.

Sec. 2. For the purpose of ascertaining the amount to be paid to said bank, the commissioners of taxes and assessments in said city shall, within twenty days after the passage of this act, cause a valuation of the building known as number one hundred and ninety-six Broadway, in said city, in which during said period a portion of the capital of said bank was invested, to be made, fixing the value of said building, separately from said lot, as it was in each year during said period. Upon fixing the value of said buildings* as aforesaid, said commissioners shall, within the time above limited, make and file in the office of said comptroller a certificate, in writing, stating the total amount of the tax which, according to the rates of taxation established in each year, from the year one thousand eight hundred and seventy-one to the year one thousand eight hundred and seventy-nine, both inclusive, should have been levied and imposed upon said building, separately from said lot, and the amount so stated by said commissioners shall be the amount to be paid to said bank, as hereinbefore provided.

Sec. 3. The comptroller of the city of New York is hereby authorized and directed to raise such sums of money as may be necessary to make all payments herein provided for, by the issue of revenue bonds in anticipation of the taxes of the year one thousand eight hundred and eighty-four, and said moneys so to be raised shall be applied to the making of the payment directed by this act. Such bonds shall bear interest at a rate not exceeding six per centum per annum.

Sec. 4. The board of estimate and apportionment of the city of New York is hereby authorized, directed, and required to cause to be included in the taxes to be so levied and raised in the city of New York for the year one thousand eight hundred and eighty-four, upon the property subject to taxation in the city and county of New York, an amount sufficient to pay the revenue bonds herein directed to be issued, with all interest due or to become due thereon.

Sec. 5. This act shall take effect immediately.

The said board of directors shall have power and are authorized, upon the recommendation of the board of surgeons of said institution, to grant and confer the degree of oculi et auris chirurgus (surgeon of the eye and ear) upon such students of said institution as the board of directors may find qualified, on examination, to receive such degree.

AN ACT to authorize the dock department of the city of New York to construct a pier for the use of the police department of said city.

Passed April 4, 1883; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The dock department of the city of New York is hereby authorized and required to construct a pier for the use of the police department of the city of New York, of such dimension and material as to said dock department may seem proper, upon the lands under water, situate and belonging to said city, between the new pier, number one, North river, and Castle Garden. The work of such construction shall be performed and the expense thereof shall be paid in the same manner as if said pier was shown upon the plans for the water front of said city, heretofore determined upon by the department of docks, and adopted by the commissioners of the sinking fund of said city, pursuant to the provisions of section ninety-nine of chapter one hundred and thirty-seven of the laws of eighteen hundred and seventy, as amended by section six of chapter five hundred and seventy-four of the laws of eighteen hundred and seventy-one.

Sec. 2. When said pier shall be completed, the said dock department shall set apart the same for, and the police department shall have the exclusive use of said pier and of the waters adjacent thereto.

Sec. 3. The police department is hereby authorized to erect, subject to the approval of the department of docks, upon said pier such buildings and structures as may be required for the accommodation of business of such department, and it shall not be lawful to set apart or use or occupy the said pier, or any part thereof, for any purpose other than use by the police department, without the consent of the said police department. Provided that if at any time the said police department shall relinquish the right to such use, and shall cease to use the same, said pier shall thereupon revert to and be under the control of the dock department to the same extent as other piers erected according to the plans above referred to now are. The dock department shall keep the said pier in repair.

Sec. 4. This act shall take effect immediately.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

Commissioner of Jurors,
Room 17, New County Court-house.
