DEPARTMENT OF BUILDINGS.

Temperature at hydrant, 62° Fahr.

DEPARTMENT OF BUILDINGS OF THE CITY OF NEW YORK,
NO. 220 FOURTH AVENUE,
NEW YORK, October 22, 1901.

OPERATIONS FOR THE WEEK ENDING OCTOBER 10, 1901.

A. J. JOHNSON, Secretary, Board of Buildings.

Temperature at hydrant, 63.8° Fahr.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their Office, No. 207 Stewart Building, on Tuesday, October 1, 1901, at 11 o'clock A. M.

Present.—Commissioners Ryan (President), Ten Eyck, Power and Windolph.
By Commissioner Ten Eyck—

Resolved, That the following bills for school taxes for the year 1901 on property taken in fee by The City of New York for the construction of the New Croton Reservoir are hereby approved and ordered certified to the Comptroller for payment, viz.:

School District No. 6, Town of North Salem, New York.....	\$239 63
School District No. 13, Town of Bedford, New York.....	4 53

Commissioner Ten Eyck, as Chairman of the Committee of Finance and Audit, reported the examination and audit of bills contained in Vouchers Nos. 14,168 to 14,180, inclusive, amounting to \$648.80, and of estimates contained in Vouchers Nos. 14,181 and 14,182, amounting to \$43,342.55.

Which were approved and ordered certified to the Comptroller for payment by the following vote :
Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The following communication was received :
 KELLY & KELLEY, CONTRACTORS, NO. 45 EAST FORTY-SECOND STREET,
 NEW YORK, September 24, 1901.

To the Honorable the Aqueduct Commissioners, New York City:

GENTLEMEN—We hereby apply for an extension of time until January 1, 1902, for completing our contract for building the overflow and blow-off sewers, water pipes and appurtenances in connection with the Jerome Park Reservoir, dated September 30, 1899.

Our reason for asking the above extension is that the unprecedented heavy rains have caused the banks of excavations to cave in, thus causing much more material to be removed. Also, the foundations for engine and pump-house on another contract, but immediately connected with our trench and above it, have acted as an immense reservoir for the collection of water resulting from the heavy rains, and which water all had to be cared for by us at great expense, flooding out our trench frequently. All of which was entirely beyond our control, and made progress very slow. The necessary consent of sureties will be forwarded at once.

Yours respectfully,
KELLY & KELLEY.

In connection therewith Commissioner Power offered the following preamble and resolution :
Whereas, Application has been made by Kelly & Kelley, contractors for building overflow and blow-off sewers, etc., in connection with the Jerome Park Reservoir, for a further extension of time to January 1, 1902, in which to complete said contract ; now therefore be it

Resolved, That an additional extension of time to January 1, 1902, be and hereby is granted to Kelly & Kelley in which to complete their contract with the Aqueduct Commissioners for building overflow and blow-off sewers, etc., in connection with the Jerome Park Reservoir, their bondsmen having entered into stipulations continuing their obligations for and during the completion of said contract under said extension of time, which is hereby allowed to them as further time for the performance of said contract.

Which were adopted by the following vote :
Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The following communication was received : KATONAH, N. Y., October 1, 1901.

To the Aqueduct Commissioners :

GENTLEMEN—I hereby agree to remove St. Mary's Roman Catholic Church, situated at Katonah, New York, being 36 feet by 68½ feet, which has been condemned and acquired by The City of New York, from its present location to and beyond the prescribed limits, and to pay for the same \$100; and further agree to fill the cellars and grade the grounds thereabouts, subject to the directions and approval of your Engineer.

Respectfully,
P. A. MEISTER, Rector.

In connection therewith Commissioner Power offered the following resolution :
Resolved, That the proposition of the Rev. P. A. Meister, Rector, St. Mary's Roman Catholic Church, at Katonah, N. Y., for the removal of said church to and beyond the prescribed limits, and to grade the grounds thereabouts, subject to the direction and approval of the Engineer, and also to pay therefor the sum of one hundred dollars, be and hereby is accepted.

Which was adopted by the following vote:
Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

On motion of Commissioner Power, a recess was taken until 1.30 o'clock P. M.

Upon resuming the meeting there were present :
Commissioners Ryan, Ten Eyck, Power and Windolph.

The Commissioners then proceeded with the hearing in the matter of the application made by the Town Board of the Town of Cortlandt, N. Y., and other persons interested, for certain changes in the roads as laid down on the map in the environs of the New Croton Reservoir, as set forth in said petitions.

Messrs. N. P. Bushnell, counsel for the Town Board of the Town of Cortlandt, N. Y., James H. Haight, Supervisor of said Town, and Edward B. Kear, Supervisor of the Town of York town, were present, and were heard in reference to the proposed changes.

Whereupon the matter was adjourned to enable Mr. Bushnell to procure consents of the owners of property abutting on the roads affected, to wit :

1st. That said owners of property will agree to the abandonment of the construction of Road No. 5½ from Road No. 4 to a point near Monument No. 13, the City to construct an alter-

nate road from the westerly end of Road No. 4, at Monument No. 7, to Road No. 5½, at or near Monument No. 13; and that he will procure the consents of the owners of property affected by the construction of the proposed alternate road to take possession of their lands and to build said alternate road, abiding by the decisions of the Commissioners of Appraisal now appointed as to the damages that may be awarded.

2d. That the owners of property will release The City of New York from any damages that may result on account of the abandonment of Road No. 5½.

And to enable Mr. Kear to procure releases from the owners of property affected, to wit: 1st.
