BOARD OF ESTIMATE AND APPORTIONMENT.

MINUTES, BOARD OF ESTIMATE AND APPORTIONMENT, CITY OF NEW YORK, ROOM 16, CITY HALL, FRIDAY, MARCH 10, 1905.

The Board met in pursuance of an adjournment.

Present—George B. McClellan, Mayor; Edward M. Grout, Comptroller; Charles V. Fornes, President of the Board of Aldermen; John F. Ahearn, President of the Borough of Manhattan; Martin W. Littleton, President of the Borough of Brooklyn; Louis F. Haffen, President of the Borough of The Bronx; Joseph Cassidy, President of the Borough of Queens; George Cromwell, President of the Borough of Richmond.

Hon. George B. McClellan, Mayor, presiding.

The Secretary presented the following communication from the Coroners, Borough of The Bronx, requesting the transfer of \$2,000 from the appropriation made to said office for 1904 to the appropriation made for "Salaries and Expenses for the Coroners for the year 1905":

CORONERS' OFFICE—BOROUGH OF THE BRONX,
No. 787 TREMONT AVENUE, CORNER THIRD AVENUE,
NEW YORK, March 1, 1905.

Hon. GEORGE B. McCLELLAN, Chairman, Board of Estimate and Apportionment:

SIR—The Board of Coroners, Borough of The Bronx, respectfully request the transfer of the sum of \$2,000 unexpended from the appropriation for the year 1904, for this office, to the account of "Salaries and Expenses for the Coroners for the year 1905," for the following reasons:

First—During the year 1904 there was appointed in this office a Clerk taken from the Civil Service list. It is our opinion that the services of this Clerk will be required during the ensuing year, and we desire to pay his salary, which is \$1,600 per annum, out of the amount asked to be transferred.

Second—The Stenographer of our Court, Mr. Robert Hamburger, contends that his salary under the law should be \$2,500 per annum, which is \$500 more than the amount at present fixed by our estimates, which contention, in our opinion, is correct.

Respectfully yours,
JOSEPH I. BERRY,
WM. O'GORMAN, Jr.

Ordered on file.

ZBROWSKI MANSION, CLAREMONT PARK,
NEW YORK, February 24, 1905.

Hon. GEORGE B. McCLELLAN, Mayor, and Chairman of the Board of Estimate and Apportionment, City Hall, New York City:

SIR—I respectfully request that the grade of Rodman be fixed for the Department of Parks, Borough of The Bronx, at the rate of \$1,050 per annum. This request is

rendered necessary by the fact that Michael Nughton, Jr., has been transferred to this Department from the Borough of Richmond, where he had received that compensation. As no grade of Rodman has heretofore been established for this Department at that salary, I ask your early consideration of this request.

Respectfully yours,

HENRY C. SCHRADER, Commissioner of Parks,
Borough of The Bronx.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of the position of Rodman, in the Department of Parks, Borough of The Bronx, be fixed at the rate of ten hundred and fifty dollars (\$1,050) per annum.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan and the President of the Borough of Queens—12.

The President of the Borough of Brooklyn appeared and took his place in the Board.

The Secretary presented the following communication from the Commissioner of the Dock Department requesting the fixing of the salary of the position of Superintendent of Docks at \$3,600 per annum:

DEPARTMENT OF DOCKS AND FERRIES OF THE CITY OF NEW YORK,
PIER "A," NORTH RIVER,
NEW YORK, February 21, 1905.

J. W. STEVENSON, Esq., Secretary, Board of Estimate and Apportionment:

SIR—I beg to advise you that, subject to the approval of the Board of Estimate and Apportionment and the Board of Aldermen, I have this day fixed the salary of Charles A. Manly, Superintendent of Docks, at the rate of \$3,600 per annum.

Mr. Manly is head of one of the Bureaus of this Department, having charge of the Dock Masters and their offices, the cleaning of the bulkheads, piers and exterior streets under the jurisdiction of this Department, and the management and supervision of the recreation piers controlled by the Department. He has been connected with the Department for the past ten years, and has performed his duties with ability and credit to the Department and to himself.

The duties of the position have been considerably increased, owing to the additional number of employees that are now under his supervision, there being now two Assistant Superintendents where formerly but one was required, and seven Foremen where the services of but one were formerly needed.

For the reasons above stated I consider the present salary of \$3,000 per annum inadequate, and therefore request that the Board of Estimate and Apportionment recommend to the Board of Aldermen that the salary of Mr. Manly, as Superintendent of Docks in this Department be fixed at the rate of \$3,600 per annum.

Yours respectfully,

MAURICE FEATHERSON, Commissioner.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of the position of Superintendent of Docks in the Department of Docks and Ferries, be fixed at the rate of thirty-three hundred dollars (\$3,300) per annum.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn and the President of the Borough of Queens—14.

The Secretary presented the following communication from the office of the President, Borough of Brooklyn, requesting the amendment of the resolution adopted October 31, 1904, which authorized the issue of \$8,800 Corporate Stock, to provide for the repairing and reconstructing of sewer in Sutter avenue, by striking out the amount \$8,800 and inserting in place thereof the amount \$10,500:

THE CITY OF NEW YORK,
OFFICE OF THE PRESIDENT OF THE BOROUGH OF BROOKLYN,
BROOKLYN, February 23, 1905.

Hon. J. W. STEVENSON, Secretary Board of Estimate and Apportionment:

DEAR SIR—Under date of October 31, 1904, a resolution was adopted by the Board of Estimate and Apportionment for repairing and reconstructing a sewer in Sutter avenue between Euclid and Fountain avenues, Borough of Brooklyn, the entire cost of which was to be borne and paid by The City of New York, and that for the purpose of providing the necessary means therefor the Comptroller was authorized, pursuant to the provisions of sections 169 and 176 of the Greater New York Charter, to issue Corporate Stock to an amount not exceeding \$8,800.

Scaled bids for this work were received on the 28th day of December, 1904, and the lowest bid received was \$9,482.99. The Commissioner of Public Works states that the \$8,800, which was secured upon the recommendation of the Chief Engineer of the Bureau of Sewers, is insufficient and that the rejection of the lowest bid and readvertising for this work would accomplish no purpose for the reason that the bid price of \$9,482.99 was the lowest of eight bids, said bids varying from the above figure to \$16,158, and further, from the fact that the unit prices which go to make up the total of \$9,482.99 are fair and reasonable. He also further recommends, in addition to the amount bid, an appropriation of \$1,000 to apply to this contract for the necessary inspection in connection therewith.

I am directed by the President of the Borough to respectfully request, therefore, that said resolution be amended by striking therefrom "to an amount not exceeding \$18,800," and inserting therein "to an amount not exceeding \$10,500."

Please bring this matter before the Board at to-morrow's meeting, as it is the desire of the President to award this contract and have same in readiness as soon as the weather opens.

Yours respectfully,

DENIS A. JUDD, Private Secretary.

The following resolution was offered:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment at meeting held October 31, 1904, and which reads as follows:

"Resolved, That the Board of Estimate and Apportionment hereby determines that the entire cost of repairing and reconstructing a sewer in Sutter avenue, between Euclid and Fountain avenues, in the Borough of Brooklyn, shall be borne and paid by The City of New York, and that for the purpose of providing the necessary means therefor the Comptroller is hereby authorized, pursuant to the provisions of sections 169 and 176 of the Greater New York Charter, to issue Corporate Stock to an amount not exceeding eight thousand eight hundred dollars (\$8,800)."

—be and the same is hereby amended by striking therefrom the words "to an amount not exceeding eight thousand, eight hundred dollars (\$8,800)," and inserting in place thereof the words "to an amount not exceeding ten thousand five hundred dollars (\$10,500)."

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, and the President of the Borough of Queens—14.

The Secretary presented a communication from the Coroners of the Borough of The Bronx, requesting the fixing of the salary of the position of Stenographer to the Coroners' Court at the rate of \$2,500 per annum, pursuant to chapter 410, Laws of 1882, section 1768, as amended by chapter 443 of the Laws of 1889.

Laid on the table.

The Secretary presented the following opinion of the Corporation Counsel as to the right of the Board of Estimate and Apportionment to make an appropriation to defray the necessary expenses of appropriate Memorial Day observances by the Grand Army of the Republic in the Borough of Richmond, which was ordered on file, and printed in the minutes:

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, February 24, 1905.

To the Board of Estimate and Apportionment:

SIRS—I am in receipt of a communication, bearing date 15th February, from J. W. Stevenson, Esq., Deputy Comptroller, which is as follows:

"At a meeting of the Board of Estimate and Apportionment held February 10, 1905, a resolution of the Board of Aldermen, copy of which is herewith inclosed, requesting the issue of Special Revenue Bonds to the amount of \$300, to defray the necessary expenses of appropriate Memorial Day observances by the Grand Army of the Republic, in the Borough of Richmond, was presented and referred to you for an opinion as to whether or not the Board of Estimate and Apportionment has any right to make such an appropriation."

In answer to this communication I have to say that, in my opinion, the Board of Estimate and Apportionment has not the right to make the appropriation in question.

The only statutory provisions with which I am familiar, which give the right to appropriate money for Memorial Day observances, are chapter 223 of the Laws of 1890, which gives certain powers in regard to the matter to Town Boards, and section 10 of the General City Law, which gives power to make such an appropriation to the Common Council of any city of the third class.

I am not aware of any statute which gives that power to cities of the first class. Unless the Board of Aldermen can furnish you with a reference to the statute under which the resolution was passed, I have to rule that a resolution does not confer legal authority to make the appropriation in question.

Respectfully yours,

JOHN J. DELANY, Corporation Counsel.

The matter of the issue of Special Revenue Bonds for various Departments, pursuant to the request contained in resolution adopted by the Board of Aldermen, was laid over temporarily.

The Secretary presented a communication from the Commissioner of Parks, Boroughs of Brooklyn and Queens, requesting an issue of \$131,000 Corporate Stock, to be expended in connection with the completion of the Brooklyn Institute of Arts and Sciences, Borough of Brooklyn.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Estimate and Apportionment recently adopted a resolution authorizing the acquisition by condemnation proceedings of premises on Avenue A, or Sutton place, East Fifty-ninth and East Sixtieth streets, Borough of Manhattan, for the use of the Bridge Department, as a site for the anchorage of the Blackwell's Island Bridge.

Among the parcels included in the resolution was the premises No. 439 East Fifty-ninth street, consisting of a 4-story brownstone double apartment, with two stores, size of ground 26 by 97.84 feet. Size of building 26 by 60.31 feet, with an extension, size 6.53 feet by 16.85 feet, which has been offered to the City for the sum of \$22,500. This price being reasonable and just, I would respectfully recommend that the Board of Estimate and Apportionment adopt a resolution authorizing the acquisition of the premises known as No. 439 East Fifty-ninth street, Borough of Manhattan, at a price not exceeding \$22,500.

CHARLES N. HARRIS, Assistant Corporation Counsel.

The following resolution was offered:

Whereas, The Board of Estimate and Apportionment, at a meeting held the 23d day of December, 1904, approving the action of the Commissioner of the Department of Bridges in the selection of a site for bridge purposes in the Borough of Manhattan, situated on the westerly side of Sutton place, between Fifty-ninth and Sixtieth streets, and by said resolution authorized the Corporation Counsel to institute condemnation proceedings for the acquisition of all of the parcels of land within the area of the described premises; and

Whereas, The Comptroller of The City of New York having presented to this Board a report and recommendation that one of the parcels of land described in said resolution can be acquired at private sale for the sum of twenty-two thousand five hundred dollars; and

Whereas, It appearing that the interests of the City will be served by the acquisition of said piece of land at private sale; therefore be it

Resolved, That the Board of Estimate and Apportionment hereby authorize the Comptroller to enter into contracts at a price not exceeding twenty-two thousand five hundred dollars (\$22,500) for the acquisition of all that piece or parcel of land, bounded and described as follows:

Beginning at a point on the northerly side of East Fifty-ninth street distant eighty (80) feet westerly from the northwest corner of East Fifty-ninth street and Avenue A, or Sutton place; running thence northerly parallel with Avenue A, or Sutton place, and part of the distance along land of The City of New York 97.84 feet; thence westerly parallel with East Fifty-ninth street 26 feet; thence southerly and again parallel with Avenue A, or Sutton place, 97.84 feet to the northerly line of East Fifty-ninth street; thence easterly and along the northerly line of East Fifty-ninth street 26 feet to the point or place of beginning; together with all the right, title and interest of the owner of said premises of, in and to the streets and avenues in front thereof to the centre thereof, premises being known as No. 439 East Fifty-ninth street;

—said contracts to be submitted to the Corporation Counsel for his approval as to form.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn and the President of the Borough of Queens—14.

The Secretary presented the following report of the Appraiser of Real Estate, Department of Finance, relative to the acquisition of land in the Town of Hempstead, Nassau County, New York, to be acquired for the purpose of maintaining, preserving and increasing the supply of pure and wholesome water for the use of the Borough of Brooklyn, which was referred to the Commissioner of Water Supply, Gas and Electricity, in accordance with the recommendations contained in said report, for more specific information on the subject:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
February 21, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioner of the Department of Water Supply, Gas and Electricity, in a communication under date of April 28, 1903, transmits a map entitled "City of New York, Borough of Brooklyn, Department of Water Supply, Gas and Electricity, map showing lands in the Town of Hempstead, Nassau County, N. Y., to be acquired for the purpose of maintaining, preserving and increasing the supply of pure and wholesome water for the use of The City of New York, Borough of Brooklyn, March, 1903."

The map shows land adjoining the conduit lands and is on Central avenue and running to the centre of a brook which the Department requires in order to relocate the Watts Pumping Station on the railroad and contiguous to the new infiltration plant about to be completed.

He states that the parties proposed to sell the property to the City for the sum of \$3,000. The property contains 3.917 acres. This would be at the rate of about \$750 an acre.

The City recently purchased from Mrs. Cochrane property directly across the railroad tracks, fronting on Central avenue and running to the brook, containing over five acres, for which was paid \$500 an acre, or \$250 less per acre than the Abt people are asking for theirs.

In my report under date of February 11, 1903, on the Cochrane purchase, I stated that:

"The surrounding property used for farming purposes was worth from \$250 to \$300 an acre, and that the property acquired (Cochrane) for water purposes was worth the amount that the people offered to sell it to the City."

In this Abt property, however, it has a frontage of about 123 feet on Central avenue, and there is an old house and small barn on it, and the tenant is farming the property back to within, I should judge, 200 to 250 feet of the brook.

Unless it is the intention of the Commissioner to locate and build a pumping station upon this particular place, I do not see why he desires the entire farm in order to protect the water supply. A line drawn parallel and running with the brook as it winds, and 300 feet easterly and westerly therefrom, would, in my opinion, offer ample protection for preserving the purity of the water supply.

In the first place, the value of the land per acre requested to be acquired does not exceed the value of the land purchased south of the conduit, and if the Commissioner intends to acquire more property than the Abt property I am of the opinion that the interests of the City would be better served by acquiring all of the land at one time rather than by doing it by piecemeal.

I would therefore respectfully recommend that the request for the acquisition of this parcel be referred back to the Commissioner of the Department of Water Supply, Gas and Electricity for specific information as to:

(a) Is this (Abt) the only property the Commissioner intends to acquire north of the conduit and along this brook?

(b) If not all, what additional property is necessary; and

(c) That the Commissioner furnish a map showing all the land that will have to be acquired for Departmental purposes, in order that the Board of Estimate and Apportionment may act thereon, so that the Commissioners to be appointed in condemnation proceedings, instead of acting upon one (Abt) parcel, can act on the entire property to be acquired and thus effect a saving in expenses to the City.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

The President of the Borough of Richmond appeared and took his place in the Board.

The Secretary presented the following report of the Appraiser of Real Estate, Department of Finance, recommending that the Board approve of the selection of a site for an engine house located at No. 591 East One Hundred and Forty-third street, Borough of The Bronx, adjoining Hook and Ladder Company 17, and authorizing the acquisition of same at private sale:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
February 24, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Fire Department, in a communication under date of February 2, 1905, requests the approval of the Board of Estimate and Apportionment for the acquisition of premises known as and by the number 591 East One Hundred and Forty-third street, Borough of The Bronx, which premises adjoins the house of Hook and Ladder Company 17, in said borough, and is to be used as an addition to the present engine house.

An examination of the premises shows a lot 25 feet in width by 100 feet in depth, on the north side of East One Hundred and Forty-third street, distant 130 feet 6 inches easterly from the northeasterly corner of Alexander avenue and East One Hundred and Forty-third street. Upon the lot there is erected a three-story frame and brick basement house 25 by 40 feet, with a two-story addition, 25 by 10 feet, and is assessed for the purposes of taxation at \$6,000, and rents for \$684 a year.

The owner, John C. Davis, has submitted an option to sell to the City for \$11,000, and while this price is full value, it is not, in my opinion, excessive, and I would respectfully recommend that the Board of Estimate and Apportionment approve of the selection of this site by the Commissioner of the Fire Department, and authorize the acquisition of the same on the part of the Comptroller at a price not exceeding \$11,000.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

HEADQUARTERS FIRE DEPARTMENT—CITY OF NEW YORK,
NOS. 157 AND 159 EAST SIXTY-SEVENTH STREET,
BOROUGH OF MANHATTAN, February 2, 1905.

Hon. EDWARD M. GROUT, Comptroller, Department of Finance:

SIR—I have the honor to request your consideration of the proposition of Messrs. Williamson & Bryan, real estate agents, No. 2796 Third avenue, near One Hundred and Forty-seventh street, Borough of The Bronx, to sell to this Department, premises No. 591 East One Hundred and Forty-third street, adjoining the house of Hook and Ladder Company 17.

The Chief of Department has informed me that the acquisition of these premises is very desirable, and as the option will last for but a limited period, an early report from you on the subject will be appreciated.

Respectfully,

THOMAS W. CHURCHILL, Deputy Commissioner.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the action of the Commissioner of the Fire Department in the selection of a site for the purpose of erecting thereon buildings for departmental purposes, said site being bounded and described as follows:

All that piece or parcel of land, situate, lying and being in the Borough of The Bronx, City, County and State of New York, bounded and described as follows:

Beginning on the northerly side of One Hundred and Forty-third street where the land of The City of New York joins the land of the vendor herein, which point is distant 130 feet 7 inches easterly from the corner formed by the intersection of the northerly side of East One Hundred and Forty-third street and the easterly side of Alexander avenue, as legally opened; running thence northerly parallel with Alexander avenue and along the land of The City of New York 100 feet; thence easterly and parallel with East One Hundred and Forty-third street 25 feet; thence southerly and parallel with Alexander avenue, and part of the way through the centre of a party wall 100 feet to the northerly line of East One Hundred and Forty-third street; thence westerly along the northerly side of East One Hundred and Forty-third street 25 feet to the point or place of beginning, together with all the right, title and interest of the owner of said premises of, in and to the streets in front thereof to the centre thereof, being known on the tax maps as Block 2306, Lot No. 52, and known by the street number 591 East One Hundred and Forty-third street;

—and the Comptroller be and he hereby is authorized to enter into contracts for the acquisition of the above-described property at private sale at a price not exceeding eleven thousand dollars (\$11,000), said contracts to be submitted to the Corporation Counsel for his approval as to form.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of Queens and the President of the Borough of Richmond—15.

The Secretary presented the following report of the Appraiser of Real Estate, Department of Finance, recommending that the plot of ground at No. 549 Jefferson

avenue, Borough of Brooklyn, be acquired by purchase, said premises being within the area of the property authorized to be condemned as a site for the Thirteenth Regiment Armory:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
February 27, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Estimate and Apportionment, at a meeting held January 13, 1905, authorized the institution of condemnation proceedings of a plot of ground on the southerly side of Putnam avenue, and running through to Jefferson avenue, near Lewis avenue, Borough of Brooklyn, as a site for the enlargement of the armory of the Thirteenth Regiment, H. A., N. G., N. Y. The resolution contained the clause: "Nothing in this resolution contained shall be construed as preventing the Comptroller of The City of New York from entering into contracts for the acquisition of any portion of the above described property at private sale, subject to the approval of this Board."

Mr. James H. Wood, representing the owner of the property, No. 549 Jefferson avenue, Borough of Brooklyn, which property is within the area of the property authorized to be condemned for armory purposes, is offering to sell the same to The City of New York for the sum of \$8,080. This price being reasonable and just, and as it will, in my opinion, establish a value for the balance of the property to be acquired by condemnation proceedings, I would respectfully recommend that the Board of Estimate and Apportionment adopt a resolution authorizing the acquisition of the following described property at private sale at a price not exceeding \$8,080:

Beginning at a point on the northerly side of Jefferson avenue distant 234 feet westerly from the northwesterly corner of Lewis avenue and Jefferson avenue; thence northerly and part of the way through the centre of a party wall and parallel with Lewis avenue 100 feet; thence westerly and parallel with Jefferson avenue 18 feet; thence southerly and part of the way through the centre of a party wall and parallel with Lewis avenue 100 feet to the northerly line of Jefferson avenue; thence easterly along the northerly line of Jefferson avenue 18 feet to the point or place of beginning, together with all the right, title and interest of the owner of said premises of, in and to the avenue in front of said premises to the centre thereof, premises being known as Block 1649, Lot No. 57.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Under date of December 18, 1903, the Board of Estimate and Apportionment adopted a resolution authorizing the Comptroller to enter into contracts for the purchase of the property for the above park at a price not to exceed \$78,500. A resolution is herewith submitted authorizing the issue of Corporate Stock, pursuant to the provisions of section 174 of the Revised Greater New York Charter, to reimburse the "Fund for Street and Park Openings" for this expense.

Respectfully,

EDWARD M. GROUT, Comptroller.

CITY OF NEW YORK,
OFFICE OF THE PRESIDENT OF THE BOROUGH OF MANHATTAN,
CITY HALL, March 4, 1905.

JAMES W. STEVENSON, Esq., Secretary, Board of Estimate and Apportionment:

DEAR SIR—Relative to the resolution forwarded to you recommending to the Board of Estimate and Apportionment that \$20,000 be appropriated to make the changes in location of the subway station at West Seventy-second street and Broadway, we send you herewith to be filed in connection with this subject, a communication from the Secretary of the Rapid Transit Railroad Commissioners, under date of March 2, 1905, in which he states that it was suggested "quite informally that possibly the City, through its Local Board, would deem it wise to consider an expenditure of \$20,000 for this purpose."

Yours truly,
B. DOWNING, Secretary.

BOARD OF RAPID TRANSIT RAILROAD COMMISSIONERS,
No. 320 BROADWAY,
March 2, 1905.

BERNARD DOWNING, Esq., Secretary, Office of the President, Borough of Manhattan:

DEAR SIR—Replying to your letter of the 1st inst., permit me to say that my only information on this subject is, of course, entirely informal, growing out of a statement made at the meeting of the Rapid Transit Board when it was decided that the Board would take no action as to the removal of this station. At that time it was suggested quite informally that possibly the City, through its Local Board, would deem it wise to consider an expenditure of \$20,000 for this purpose.

Whether or no there is any legal warrant for such an opinion I am unable to say.

Yours respectfully,
(Signed) BION L. BURROWS, Secretary.

OFFICE OF THE PRESIDENT OF THE BOROUGH OF MANHATTAN,
CITY HALL, March 1, 1905.

To the Board of Estimate and Apportionment:

GENTLEMEN—You are hereby notified that at a meeting of the Local Board of the Riverside District, held February 28, 1905, a resolution, of which the inclosed is a copy, was adopted and approved as required by law.

That this Board does hereby recommend to the Board of Estimate and Apportionment that the sum of \$20,000 be appropriated to the Board of Rapid Transit Railroad Commissioners, for the purpose of making changes in the location of the rapid transit subway station at Broadway and West Seventy-second street.

There is also inclosed herewith the following:

(1) Copy of petition.

B. DOWNING,
Secretary of the Local Board of the Riverside District.

THE WEST END ASSOCIATION,
New York, February 7, 1905.

To Hon. JOHN F. AHEARN, President, Borough of Manhattan, and Chairman, Riverside Local Board, New York City:

DEAR SIR—This Association has appointed a special committee, composed of the following members:

Warren C. Crane, Chairman; Lucius M. Stanton, Calvin Tomkins, Cyrus Clark Marble, George Clinton Batcheller, Edward B. Whitney, Cyrus Clark, President, ex-officio, for the purpose of having certain changes and improvements made in connection with the subway station at West Seventy-second street and Broadway.

It is feared that this station, from its proximity to the tracks of the surface line, will prove a danger to passengers and vehicles; objection is also made to the architectural character of the structure.

The matter was taken up with the Board of Rapid Transit Commissioners, but they refused to take any action because of the lack of funds necessary in the premises. The Commissioners, however, suggested that the matter be brought before the Board of Estimate and Apportionment, through the Riverside Local Board, and, pursuant to this suggestion, the committee would like to present this subject for consideration by your Board at the earliest date which may be convenient, and on its behalf I write to ask if you will kindly appoint a time for such presentation and advise me.

Yours respectfully,
G. B. SHEPPARD, Secretary.

SARANAC LAKE, N. Y., February 19, 1905.

Hon. JOHN F. AHEARN:

MY DEAR SIR—It is a matter of great regret to me that illness prevents my attendance at the meeting of the Riverside Board on the 21st inst., and urging in person that something be done to better the situation caused by the erection and plans of the subway station at Seventy-second street and Broadway, which is in the district I have the honor to represent. I understand that the matter has been referred to this Board by the Rapid Transit Board, because of the latter's lack of funds to make the changes desired by the petitioners. I sincerely trust that this Board can recommend the granting of the relief sought. In my opinion, the station as it now exists is a public nuisance, because it is impossible for a person emerging from its depths and turning towards the east to obtain any view whatever of the approaching northbound trolley cars, until

he is practically between the rails of the northbound track. So long as this condition is permitted to exist, it remains a menace to life and limb, and I understand that travel at this station is one of the heaviest of the so-called residential districts.

The station, too, is defective. It extends some eleven feet beyond the house line of Seventy-second street, and its style of architecture, if it have a style, can scarcely be said to beautify the surroundings.

This application comes from no one man or set of men. It comes from over a thousand citizens of the locality, and I hope this Board will take this letter as my earnest plea that it extend every help it can to remedy the condition of which we complain.

Very respectfully yours,
HAMMOND ODELL, Alderman, Nineteenth District.

Offices Commissioner of Public Works,
New York, February 28, 1905.

Hon. WILLIAM DALTON, Commissioner of Public Works:

DEAR SIR—In reference to letter 373 from the office of the Honorable President, relative to a communication on file in said office concerning "the making of certain changes and improvements in connection with the subway station at West Seventy-second street and Broadway," I beg to say that upon an examination of the Act of Legislature passed in 1891, called the Rapid Transit Act, I am fully of the opinion that the Bureau of Highways has no jurisdiction in the matter, but that the entire matter is under the jurisdiction of the Rapid Transit Commission.

I have had a survey made showing the location of the subway station mentioned in said communication and herewith submit a blue print sketch of same.

Respectfully,
GEORGE R. OLNEY, Chief Engineer.

In the Local Board of the Riverside District.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Manhattan; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now, therefore, it is

J. W. STEVENSON, Esq., Deputy Comptroller:

DEAR SIR—Inclosed herewith you will find a copy of a resolution adopted by the Board of Health at its meeting held Wednesday, March 1, 1905, requesting the Board of Estimate and Apportionment to fix the salary of that Nurse in the employ of the Department of Health who is assigned to duty in charge of the staff of Nurses engaged in the work of this Department in the public schools and tenement houses at the rate of \$1,200 per annum.

The salaries of the other Nurses assigned to this work are at the rate of \$900 per annum, but the Board of Estimate and Apportionment is requested to discriminate in favor of the person in charge of these Nurses for the reason that she has

entire charge of all school Nurses and also those assigned to contagious disease work, and she is responsible for the efficiency and character of the work performed by each Nurse in all boroughs of the City. It is her duty to make the necessary arrangements for the beginning of the Nurses' work in the schools, and to see that the supplies are provided by the Department of Education for each school.

The Supervising Nurse regulates the proper amount of work for each, making whatever changes are necessary, and she inspects the work of the Nurses as far as possible and necessary, and sees that a record is kept of the time spent in each school. It is her duty to instruct the Nurses as to the proper methods of carrying out orders and treatment, and she is responsible for the discipline of the service. She receives each week a report of the work done by each Nurse, which she examines and submits to the Medical Inspector in charge of the Division of Contagious Diseases, along with a summary of all reports.

It is the duty of the Supervising Nurse to make a report in writing of the work of each Nurse which contains a record of each Nurse's practical ability, punctuality, tact, etc. Applicants for the position of School Nurse are interviewed by her and their credentials obtained and investigated, which results she forwards with her own recommendation to the Board of Health.

The Supervising Nurse reports to the Sanitary Superintendent in the Borough of Manhattan and to the Assistant Sanitary Superintendents in each of the other boroughs when requested by them. The staff of Nurses in charge of the Supervising Nurse numbers 44, assigned to duty as follows:

Manhattan.....	29
Brooklyn.....	11
Queens.....	2
The Bronx.....	1
Richmond.....	1

Number of schools with Nurses in attendance.....	235
Public schools.....	211
Parochial schools.....	20
Industrial schools.....	3
Kindergarten.....	1

Number of children under supervision, 318,688.

The contagious staff has charge of scarlet fever, measles and diphtheria patients in their homes, giving whatever care is necessary.

Respectfully,

EUGENE W. SCHEFFER, Secretary.

CITY OF NEW YORK,
DEPARTMENT OF FINANCE—COMPTROLLER'S OFFICE,
March 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting held February 23, 1905, adopted the following resolution:

"Resolved, That the action taken by the Board of Education on October 28, 1903 (see Journal, pages 2966-2967), in selecting and determining as a site for school purposes certain lands and premises on Sixth avenue, Fifty-fifth and Fifty-sixth streets, Borough of Brooklyn, be and the same is hereby rescinded.

"Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following-described lands and premises on Sixth avenue, Fiftieth and Fifty-first streets, in Local School Board District No. 37, Borough of Brooklyn, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessment, is eighteen thousand dollars:

"Beginning at a point formed by the intersection of the northerly line of Fifty-first street with the westerly line of Sixth avenue, and running thence northerly along the westerly line of Sixth avenue two hundred (200) feet four (4) inches to the southerly line of Fiftieth street; thence westerly along the southerly line of Fiftieth street two hundred (200) feet; thence southerly and parallel with Sixth avenue two hundred (200) feet to the northerly line of Fifty-first street; thence easterly along the northerly line of Fifty-first street two hundred (200) feet to the westerly line of Sixth avenue, the point or place of beginning.

"Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described."

The property described in the resolution which the Board of Education desires to have rescinded is located on the easterly side of Sixth avenue, between Fifty-fifth and Fifty-sixth streets, and is above grade on an average of ten feet. While negotiations were pending for the acquisition of this property, serious objection was made to the selection of this site (Sixth avenue, between Fifty-fifth and Fifty-sixth streets) on account of its being near St. Alphonsus' School, which occupies the block front on the westerly side of Sixth avenue, between Fifty-ninth and Sixtieth streets. When this situation was called to the attention of the Board of Education, the Chairman of the Committee on Sites saw the justice of the objection and decided to locate the school further north. A site was then selected on the westerly side of Sixth avenue, extending from Fiftieth to Fifty-first street. The site last selected is on grade and vacant, with the exception of a small house on the Sixth avenue front, 25 feet north of Fifty-first street. The property is known as Lots Nos. 26, 28, 29, 31, 33, 34, 37, 38, and 40 to 43, in Block 792, on the tax maps of the Borough of Brooklyn for the purpose of taxation.

Prior to the time that the Board of Education adopted the resolution for the acquisition of this property, this office was negotiating with the owners of the same for the purpose of acquiring their interest at private sale. This office has now options on Lots Nos. 28, 29, 33 and 38, and when we desired to obtain options on the other parcels of land, the owners, having heard it was to be acquired for school purposes, declined to give the options. I do not think it necessary to state herein what our values are on the whole site to be acquired, other than to give the prices at which we can acquire the lots for which we have options, which prices are as follows:

Lot No.	Size.	Price.
28	25 x 100 feet 2 inches	\$1,200 00
29	25 x 100 feet 2 inches	1,400 00
33	25 x 100 feet	1,500 00
38	25 feet 2 inches x 100 feet	3,000 00

I would therefore respectfully recommend that the Board of Estimate and Apportionment approve the selection by the Board of Education of this site and adopt a resolution authorizing the institution of condemnation proceedings for the acquisition thereof, and that immediately after said resolution has been adopted a resolution be adopted authorizing the Comptroller to acquire:

Lot.	Size.	Owner.	Price.
28	25 x 100 feet 2 inches	Estate of Mary Gilmore	\$1,200 00
29	25 x 100 feet 2 inches	Henry Jacobs	1,400 00
33	25 x 100 feet	Thomas McGrath	1,500 00
38	25 x 100 feet	Patrick Allen	3,000 00

—which prices are reasonable and just and will establish values in condemnation proceedings for the acquisition of the balance of the property.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

To the Board of Education:

The Committee on Sites respectfully reports that on October 28, 1903, the Board of Education selected as a site for school purposes certain lands and premises on Sixth avenue, Fifty-fifth and Fifty-sixth streets, Borough of Brooklyn, and the Board of Estimate and Apportionment on June 24, 1904, approved of the selection of said site and authorized the acquisition thereof by purchase at a price not exceeding \$20,000. The owner, however, refuses to sell the property at that price. The Appraiser of Real Estate in Charge of Bureau, Department of Finance, reports that in addition to the price to be paid for this site, it will be necessary to expend about \$4,100 for grading, and that a saving would be effected by the purchase of property on Sixth avenue, Fiftieth and Fifty-first streets, which can be acquired at an early date.

Your Committee recommends that, in order to avoid delay in the acquisition of a site for a new building in this locality, the action taken by the Board of Education in selecting the site on Sixth avenue, Fifty-fifth and Fifty-sixth streets, be rescinded, and that, in lieu thereof, a site be selected on Sixth avenue, Fiftieth and Fifty-first streets.

The following resolutions are submitted for adoption:

Resolved, That the action taken by the Board of Education on October 28, 1903 (see Journal, pages 2966-2967), in selecting and determining as a site for school purposes certain lands and premises on Sixth avenue, Fifty-fifth and Fifty-sixth streets, Borough of Brooklyn, be and the same is hereby rescinded.

Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following-described lands and premises on Sixth avenue, Fiftieth and Fifty-first streets, in Local School Board District No. 37, Borough of Brooklyn, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessments, is \$18,000:

Beginning at a point formed by the intersection of the northerly line of Fifty-first street with the westerly line of Sixth avenue, and running thence northerly along the westerly line of Sixth avenue two hundred (200) feet four (4) inches to the southerly line of Fiftieth street; thence westerly along the southerly line of Fiftieth street two hundred (200) feet; thence southerly and parallel with Sixth avenue two hundred (200) feet to the northerly line of Fifty-first street; thence easterly along the northerly line of Fifty-first street two hundred (200) feet to the westerly line of Sixth avenue, the point or place of beginning.

Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described.

Which was adopted by the following vote:

The following was offered:

The Secretary presented the following report of the Appraiser of Real Estate, Department of Finance, relative to the condemnation of property on Clifton avenue, Anderson and Clare streets, Borough of Richmond, adjoining Public School 13:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
March 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—At a meeting of the Board of Education held November 23, 1904, adopted the following resolution:

"Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following described lands and premises on Clifton avenue, Anderson and Clare streets, adjoining Public School 13, at Rosebank, in Local School Board District No. 46, Borough of Richmond, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessment, is \$1,800:

"Beginning at a point formed by the intersection of the southerly line of Clifton avenue with the westerly line of Anderson street, and running thence southerly along the westerly line of Anderson street 127 feet to the northerly line of the lands of Public School 13, thence westerly along the northerly line of the said lands of Public School 13, one hundred and eighty (180) feet to the easterly line of Clare street; thence northerly along the easterly line of Clare street one hundred and twelve (112) feet to the southerly line of Clifton avenue; thence easterly along the southerly line of Clifton avenue one hundred and eighty (180) feet and seven (7) inches to the westerly line of Anderson street, the point or place of beginning.

"Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described."

I have made an examination of the premises and find that most of the lots are so encumbered with taxes and tax sales that condemnation proceedings will be necessary in order to give the City clear title. I would, therefore, respectfully recommend that the Board of Estimate and Apportionment approve of the selection of the site as requested by the Board of Education, and authorize the institution of condemnation proceedings for the acquisition of the entire plot.

Respectfully submitted for approval.

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

To the Board of Education:

The Committee on Sites respectfully reports that it has given careful consideration to sundry communications from the Local School Board of District No. 46, recommending the acquisition of property adjoining Public School 13, Borough of Richmond, upon which to erect a much needed addition to said school building. It is the intention of the Board of Education to erect such an addition as soon as the necessary additional property shall have been acquired, provided sufficient funds are available therefor.

Your Committee is of the opinion that the remainder of the block on which said school is located should be acquired for this purpose, and submits for adoption the following resolutions:

Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following described lands and premises on Clifton avenue, Anderson and Clare streets, adjoining Public School 13, at Rosebank, in Local School Board District No. 46, Borough of Richmond, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessments, is \$1,800:

Beginning at a point formed by the intersection of the southerly line of Clifton avenue with the westerly line of Anderson street, and running thence southerly along the westerly line of Anderson street one hundred and twenty-seven (127) feet to the northerly line of the lands of Public School 13; thence westerly along the northerly line of the said lands of Public School 13 one hundred and eighty (180) feet to the easterly line of Clare street; thence northerly along the easterly line of Clare street one hundred and twelve (112) feet to the southerly line of Clifton avenue; thence easterly along the southerly line of Clifton avenue one hundred and eighty (180) feet and seven (7) inches to the westerly line of Anderson street, the point or place of beginning.

Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described.

The Secretary presented the following report of the Appraiser of Real Estate, Department of Finance, relative to the acquisition by condemnation of property on Clarkson and West Houston streets, between Varick and Hudson streets, Manhattan, for the Board of Education:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
March 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education at a meeting held December 28, 1904, adopted the following resolution:

"Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following described lands and premises on West Houston and Clarkson streets, between Varick and Hudson streets, in Local School Board District No. 9, Borough of Manhattan, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessments, is \$206,000:

"Beginning at a point on the northerly line of West Houston street distant one hundred and twenty-six (126) feet westerly from the westerly line of Varick street, and running thence northerly in a straight line two hundred (200) feet to a point on the southerly line of Clarkson street distant one hundred and twenty-five (125) feet westerly from the westerly line of Varick street; thence westerly along the southerly line of Clarkson street one hundred and fifty (150) feet; thence southerly and parallel with Hudson street two hundred (200) feet to the northerly line of West Houston street; thence easterly along the northerly line of West Houston street one hundred and fifty (150) feet to the point or place of beginning.

"Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described."

The school site selected by the Board of Education is 150 feet by 200 feet, running through from Clarkson street to West Houston street, between Hudson and Varick streets. It is known as lots Nos. 54 to 59 on Clarkson street and Nos. 77 to 82 on West Houston street, in Block 581, section 2, volume 3.

All the lots on Clarkson street are 25 feet by 100 feet, and four of the lots on West Houston street are of the same size, the other two being 28 feet and 22 feet front, respectively. The ground and all but three of the buildings belong to the Trinity Corporation. Of the buildings owned by other parties, that at No. 18 Clarkson street, owned by Mrs. Katie Jaecker, who lives on the premises; No. 20 Clarkson street, owned by Sarah Kenny, who also lives on the premises, and the building at No. 258 West Houston street, owned and occupied by the heirs of the Mary Miner Estate. All of the buildings on the proposed school site are very old and their value has long since gone into the ground. In a sale, the bare lots would bring about as much as they would were the present buildings not on them. The assessed valuation of these properties is, in my opinion, the full market value.

The Clarkson street lots, ground only, are assessed at \$16,000 each, and the West Houston street lots at \$15,000 each. The Clarkson street lots front on St. John's Park, but the opening of that park has not had the expected effect of increasing values of the surrounding properties, as Clarkson street is only a short street, while Houston street is a business thoroughfare from river to river; if there is any difference in the real value, I think it is in favor of the Houston street lots.

Nos. 10 and 12 Clarkson street have each a very old two-story, frame, brick-front building, 25 feet by 34 feet on the front of the lot, and a four-story brick rear building 25 feet by 26 feet. These lots are assessed, land, \$16,000 each; buildings, \$2,000 each; total, \$18,000 each.

No. 14 Clarkson street has a four-story brick, 25 feet by 45 feet, and is assessed, land, \$16,000; building, \$2,000; total, \$18,000 each.

No. 16 Clarkson street has a similar building, and is assessed, land, \$16,000; building, \$2,000; total, \$18,000.

No. 18 Clarkson street has a three-story brick building 18 feet by 35 feet in front with a three-story brick extension 15 feet by 30 feet; assessed, land \$16,000; buildings, \$1,000; total, \$17,000.

Mr. H. H. MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

To the Board of Education:

The Committee on Sites respectfully reports that it has given careful consideration to sundry recommendations of the City Superintendent of Schools and the Local School Board of District No. 9, that a site be acquired for a new building to relieve Public Schools 3, 8, 113 and 125, Borough of Manhattan, which have thirty-four classes on part time, and also to make possible the abandonment of unsuitable rooms in Public Schools 113 and 125. It is the intention of the Board of Education to erect such a building as soon as a proper site therefor shall have been acquired, provided sufficient funds are available for that purpose.

The following resolutions are submitted for adoption:

Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following-described lands and premises on West Houston and Clarkson streets, between Varick and Hudson streets, in Local School Board District No. 9, Borough of Manhattan, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessments, is \$206,000:

Beginning at a point on the northerly line of West Houston street distant one hundred and twenty-six (126) feet westerly from the westerly line of Varick street, and running thence northerly in a straight line two hundred (200) feet to a point on the southerly line of Clarkson street distant one hundred and twenty-five (125) feet westerly from the westerly line of Varick street; thence westerly along the southerly line of Clarkson street one hundred and fifty (150) feet; thence southerly and parallel with Hudson street two hundred (200) feet to the northerly line of West Houston street; thence easterly along the northerly line of West Houston street one hundred and fifty (150) feet to the point or place of beginning.

Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described.

A true copy of report and resolutions adopted by the Board of Education December 28, 1904.

—and the Corporation Counsel be and he hereby is authorized to institute condemnation proceedings for the acquisition of all of the parcels of land within the area of the above-described premises.

Nothing in this resolution contained shall be construed as preventing the Comptroller of The City of New York from entering into contracts for the acquisition of any portion of the above-described property at private sale, subject to the approval of this Board.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx and the President of the Borough of Queens—15.

The Secretary presented a report of the Appraiser of Real Estate, Department of Finance, relative to the amending of a resolution adopted May 27, 1904, in so far as it relates to the purchase price in the matter of acquisition of land on West Twenty-seventh street, between Ninth and Tenth avenues, Manhattan, for the Board of Education:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
March 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—At the request of the Board of Education, the Board of Estimate and Apportionment at a meeting held May 27, 1904, adopted a resolution authorizing the acquisition of three parcels of land as a site for school purposes, on Twenty-seventh street, west of Ninth avenue, in the Borough of Manhattan. This property was acquired for the purposes of a playground for the school children attending the Twenty-eighth street school.

Two of the parcels of land acquired in said block, one, vacant, being 37 feet front, for \$16,000, the other being a lot 27 feet 3 1-5 inches in width, upon which was erected a house, which was acquired for the sum of \$26,000.

The third parcel to be acquired was a strip of land 55 feet 6 inches in width, upon which was erected a three-story house. Prior to the time the Board of Education requested the acquisition of this property for school purposes, the owners of the property had entered into a lease with Saks & Co. for the erection of a garage. The lease was made to run for a period of ten years, with a renewal for ten years, and the owners, in order to carry out the agreement in the lease, entered into agreements with builders for the excavation of the land and the erection of a large stable 55 feet 6 inches by 89 feet in depth. Upon our request, the owners caused the work to be stopped after they had torn down the buildings and excavated the property, and had entered into contracts with the builders for the erection of said garage. We made this request in order to prevent the construction of a new building, which the City would have to pay for and then demolish, thus causing a useless waste and needless expenditure of money. The question then came up as to what compensation the owners were justly entitled to in addition to the value of the land, for the loss they had sustained by reason of being unable to carry out their contract with Saks & Co. and with the iron and material

men and other contractors. There was an honest difference of opinion between the owners and this office, and the matter was referred to the Division of Law and Adjustment of the Auditor's office, for investigation and a report thereon. After such investigation, a decision was reached between the City and the owners, that a fair and equitable adjustment would be the payment on the part of the City, in addition to the sum of \$26,000, which had been their price for the plot before they had engaged to build thereon, the sum of \$6,500, which sum was, in fact, somewhat less than the actual expenditures which the Division of Law and Adjustment determined had been made by said owners on account of the erection of said building. For said sum, the owners agreed to release The City of New York for all loss and damage of any nature and kind whatsoever, and in full settlement for all claims by reason of any contracts that they might have outstanding for construction work, or any other claim whatsoever.

As the estimated cost of the improvements which the owners were about to make was about \$60,000, it would have cost the City that sum besides the land value, a total of \$86,000, if the improvement had proceeded. By causing the owners to stop, there is thus a saving of over \$50,000.

The additional sum required to be paid by The City of New York in addition to the sums already paid, increases the amount beyond the amount originally allotted by the Board of Estimate and Apportionment, viz., \$54,000. I therefore respectfully recommend that the Board of Estimate and Apportionment adopt a resolution amending the resolution adopted May 27, 1904, by inserting the words "\$60,660" instead of the words \$54,000, so that when amended said resolution shall read as follows:

Resolved, That the Board of Estimate and Apportionment hereby approves of the selection of a site for school purposes in the Borough of Manhattan, bounded and described as follows:

Beginning at a point in the northerly line of West Twenty-seventh street distant 174 feet 13-5 inches westerly from the westerly line of Ninth avenue, and running thence westerly along the northerly line of West Twenty-seventh street 82 feet 9 3/4 inches; thence northerly and parallel with Ninth avenue 98 feet 9 inches to the southerly line of the lands of Public School 33; thence easterly along the southerly line of the lands of Public School 33, 82 feet 9 3/4 inches; thence southerly and again parallel with Ninth avenue 98 feet 9 inches to the northerly line of West Twenty-seventh street, the point or place of beginning, together with all the right, title and interest of the owners of said premises, of, in and to the streets in front thereof to the centre thereof.

Beginning at a point on the northerly line of West Twenty-seventh street distant 330 feet 11 7-20 inches westerly from the westerly line of Ninth avenue, and running thence westerly along the northerly line of West Twenty-seventh street 37 feet; thence northerly and parallel with Ninth avenue 98 feet 9 inches to the southerly line of the lands of Public School 33; thence easterly along the southerly line of the lands of Public School 33, 37 feet; thence southerly and again parallel with Ninth avenue 98 feet 9 inches to the northerly line of West Twenty-seventh street, the point or place of beginning, together with all the right, title and interest of the owners of said premises of, in and to the street in front thereof to the centre thereof.

—and the Comptroller of The City of New York be and is hereby authorized to enter into a contract for the purchase of the same at a price not exceeding sixty thousand six hundred and sixty dollars (\$60,660), said contract to be submitted to the Corporation Counsel for his approval as to form.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

The following resolution was offered:

The Secretary presented the following report of the Appraiser of Real Estate, Department of Finance, relative to the acquisition by condemnation of property on Hudson and Bedford streets, Manhattan, for the Board of Education:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
March 8, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting held February 23, 1905, adopted the following resolution:

"Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following described lands and premises on Hudson and Bedford streets, north of Grove street, in Local School Board District No. 9, Borough of Manhattan, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessments, is \$59,500:

"Beginning at a point on the easterly line of Hudson street distant seventy-one (71) feet northerly from the northerly line of Grove street, and running thence easterly along the northerly line of the site of Public School 3 one hundred and nine (109) feet to an angle in said line; thence northeasterly and still along the northerly line of the site of Public School 3 sixty-six (66) feet three (3) inches to the westerly line of Bedford street; thence northerly along the westerly line of Bedford street fifty-one (51) feet six (6) inches; thence southwesterly along the northerly line of the premises No. 105 Bedford street sixty-two (62) feet seven (7) inches; thence westerly along the northerly line of the premises No. 492 Hudson street eighty-seven (87)

feet ten (10) inches to the easterly line of Hudson street; thence southerly along the easterly line of Hudson street forty-three (43) feet to the northerly line of the site of Public School 3, the point or place of beginning, be the said several dimensions more or less.

"Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described."

The premises described in the above resolution are known as lots Nos. 44 and 45 in Hudson street and 56 and 57 in Bedford street, all in Block 585, Section 2, Volume 5, on maps in the Department of Taxes and Assessments for purposes of taxation.

Lot No. 44 (street No. 490 Hudson street) is 21 feet 6 inches by 109 feet by 24 feet 4 inches by 98 feet, and has on it an old three-story brick store and dwelling, 21 feet 6 inches by 42 feet, with a brick extension to the rear of the lot. It is assessed: Land, \$15,000; building, \$3,000; total, \$18,000.

Lot No. 45 (street No. 492 Hudson street) is 21 feet 6 inches by 98 feet by 24 feet 4 inches by 87 feet 10 inches, and has on it an old three-story and cellar store and dwelling, 21 feet 6 inches by 42 feet. It is assessed: Land, \$14,500; building, \$3,000; total, \$17,500.

Lot No. 57 (street No. 103 Bedford street) is 26 feet 6 inches by 66 feet 3 inches by 55 feet. It is assessed: Land, \$8,500; building, \$6,000; total, \$14,500.

Lot No. 56 (street No. 105 Bedford street) is 25 feet by 64 feet 5 inches by 62 feet 7 inches, and has on it an old four-story and basement brick building 25 feet by 40 feet, with two families on a floor. It is assessed: Land, \$7,500; building, \$2,000; total, \$9,500.

The total assessment on the four parcels is \$59,500. The owners' asking prices are greatly in excess of what in my opinion is the fair market value, and as the Board of Education desires this property for immediate use for the reason that old School 3 was recently destroyed by fire, I would recommend that condemnation proceedings be instituted for the acquisition thereof, with a clause in the resolution that the Comptroller may purchase any parcel above described at private sale on resolution of the Board. This will enable the proceedings to continue as to those we cannot acquire at private sale and permit the acquisition of those parcels we can agree upon as to price.

Respectfully submitted for approval.

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

To the Board of Education:

The Committee on Sites respectfully reports that it has given careful consideration to the matter of the necessity for an addition to the site on Hudson, Grove and Bedford streets, Borough of Manhattan, formerly occupied by Public School 3, which was recently destroyed by fire. The present site is not large enough for such a building as is required in that neighborhood, and your Committee recommends that four lots in the rear thereof be selected. It is the intention of the Board of Education to award a contract for the construction of a new building on this site as soon as the necessary plans and specifications shall have been prepared.

The following resolutions are submitted for adoption:

Resolved, That the Board of Education hereby selects and determines as a site for school purposes the following-described lands and premises on Hudson and Bedford streets, north of Grove street, in Local School Board District No. 9, Borough of Manhattan, the assessed valuation of which, as shown by the books of record on file in the Department of Taxes and Assessments, is fifty-nine thousand five hundred dollars:

Beginning at a point on the easterly line of Hudson street distant seventy-one (71) feet northerly from the northerly line of Grove street, and running thence easterly along the northerly line of the site of Public School 3 one hundred and nine (109) feet to an angle in said line; thence northeasterly and still along the northerly line of the site of Public School 3 sixty-six (66) feet three (3) inches to the westerly line of Bedford street; thence northerly along the westerly line of Bedford street fifty-one (51) feet six (6) inches; thence southwesterly along the northerly line of the premises No. 105 Bedford street sixty-two (62) feet seven (7) inches; thence westerly along the northerly line of the premises No. 492 Hudson street eighty-seven (87) feet ten (10) inches to the easterly line of Hudson street; thence southerly along the easterly line of Hudson street forty-three (43) feet to the northerly line of the site of Public School 3, the point or place of beginning, be the said several dimensions more or less.

Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to take such action as may be necessary and proper for the acquisition of the lands and premises above described.

BOARD OF ESTIMATE AND APPORTIONMENT—THE CITY OF NEW YORK,
March 6, 1905.

J. W. STEVENSON, Esq., Secretary, Board of Estimate and Apportionment:

DEAR SIR—I hereby make application for an increase in salary as Stenographer and Typewriter in the Financial Branch of the Board of Estimate and Apportionment, from \$1,050 to \$1,200 per annum.

Respectfully yours,
BESSIE M. ROSS.

BOARD OF ESTIMATE AND APPORTIONMENT,
THE CITY OF NEW YORK.

J. W. STEVENSON, Esq., Secretary, Board of Estimate and Apportionment:

DEAR SIR—Replying to your verbal inquiry as to the work performed by Miss B. M. Ross, whose application for an increase in salary from \$1,050 to \$1,200 per annum, is

on the calendar for consideration at the meeting to be held March 10, 1905, would state as follows:

The position held by Miss Ross is practically that of Senior Stenographer and Typewriter in the Financial Bureau of the Board and she has really charge of all the stenographic and typewriting work of the routine of the office, having held such position since 1901. The responsibilities have increased with each succeeding year.

The work as you know is very technical in its character, and familiarity with it enhances the value of the services of the incumbent of the position, who has often remained at the office after hours and has always cheerfully complied with every request to work overtime. She supervises the work of the other Stenographers and Typewriters, and is, therefore, responsible for its accuracy, and is a very valuable assistant to this branch of the Board.

I think the application is one of merit and worthy of your favorable recommendation to the members of the Board.

Respectfully yours,

FRANK H. SIGERSON, Stenographer to the Board.

Resolved, That the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of the position of Stenographer and Typewriter (female), in the office of the Board of Estimate and Apportionment, be fixed at the rate of twelve hundred dollars (\$1,200) per annum.

The Board proceeded to the consideration of the application by the various Departments for the issues of Special Revenue Bonds.

The President of the Borough of Manhattan moved that when the Board adjourn it adjourn to meet on Thursday, March 16, 1905, at 10.30 o'clock A. M.

Which motion was unanimously adopted.

The President of the Borough of Manhattan moved that the question of considering the requests for the issue of Corporate Stock and Special Revenue Bonds be made a special order for the meeting of Thursday, March 16, 1905.

Which motion was unanimously adopted.

The Secretary presented the following report of the Committee appointed at the meeting held December 23, 1904, to consider the application of the New York Central and Hudson River Railroad Company for certain modifications, additions, changes to plans and profiles, adopted by the Board of Estimate and Apportionment on June 19, 1903, for improvement of the Grand Central Terminal:

GENTLEMEN—Your Committee appointed at meeting of the Board held on December 23, 1904, to examine and consider the application of the New York Central and Hudson River Railroad Company, for certain modifications, additions and changes to plans and profiles adopted by the Board of Estimate and Apportionment on June 19, 1903, for the improvement of the Grand Central Terminal, respectfully reports:

The Engineer of the Board of Estimate and Apportionment, on January 9, 1905, submitted a full detailed report upon the engineering features and stated: "I consider the proposed changes in the plan as in a general way advantageous to the City."

He has since informed your committee that the few minor criticisms that he noted in his report had been changed by the railroad company to meet with his suggestions.

The Committee also had before it the following report of the Engineer of Department of Finance, relative to the amount of compensation to be paid the City for the privilege requested by the Railroad Company:

FEBRUARY 28, 1905.

Hon. EDWARD M. GROUT, Comptroller:

"SIR—In relation to the request to the Board of Estimate and Apportionment of the New York Central and Hudson River Railroad Company, for certain modifications, additions and changes to plans already submitted:

"The new alterations, changes or additions consist in:

1. "Including in the improvement the two blocks bounded by Depew place, Forty-fifth street, Lexington avenue and Forty-third street.
2. "Discontinuing and closing and including in the improvement Forty-fourth street, Forty-fifth street, Lexington avenue to Depew place.
3. "Discontinuing and closing and including in the improvement Depew place, from the north line of Forty-third street to the south line of Forty-fifth street.
4. "Discontinuing and closing and including in the improvement a small portion of Depew place, 12 feet in width by 35 feet in length, between Forty-second and Forty-third streets.
5. "Acquiring and including in the improvement the subsurface of Forty-fifth street, from Lexington avenue to the westerly line of Depew place, and from the easterly line of Vanderbilt avenue to the westerly line of Vanderbilt avenue.
6. "Acquiring and including in the improvement the entire subsurface of Vanderbilt avenue and a small portion of Forty-third street, between Vanderbilt avenue and Madison avenue.
7. "Acquiring and including in the improvement the subsurface of so much of Depew place as is not discontinued and closed, from Forty-second street to the north line of Forty-third street.
8. "Acquiring and including in the improvement vault rights in Forty-second street, between the easterly line of Depew place and the easterly line of Vanderbilt avenue.
9. "The carrying of Forty-fifth street over the railroad tracks by a viaduct or bridge upon the lines of the street, instead of northerly thereof.
10. "The extension of Park avenue from Fiftieth street to Forty-fifth street by a viaduct the full width of the avenue, 140 feet.
11. "Slight changes in the grades of streets from Forty-fifth to Forty-eighth street, inclusive, in all cases improving the grades.

"I would report that the alterations, changes and additions consist in the City discontinuing and closing certain streets and avenues and including same within the improvement; also certain vault rights under both sidewalks and roadways are requested. In my opinion, if the surface of the streets are to be given to the railroad company, it should pay full value for same, based upon the value of the abutting property, exclusive of building; this was the method used in determining the amount to be paid by the Pennsylvania Railroad Company for the surface of Thirty-second street, from Seventh to Ninth avenue.

"For vault privileges under sidewalks and roadways, the railroad company should pay an annual rental based upon the same methods, for computing the annual rental for vault privileges to be paid by the Pennsylvania Railroad Company for the subsurface rights of Thirty-first and Thirty-third streets, between Seventh and Ninth avenues; the New York and New Jersey Railroad Company, for its terminal at Morton and Greenwich streets; and the Hudson and Manhattan Railroad Company, for its terminal at Church and Dey streets; also the amount to be paid by the railroad company for said vault privileges should be adjusted at the end of the first period of twenty-five (25) years, and should thereafter be adjusted at intervals of twenty-five years; this is similar to the terms of the franchises of the above-mentioned railroad companies.

"Basis for computing vault or tunnel rights:

	Value of Adjacent Property per Lot.	Rate per Square Foot.
"Pennsylvania Railroad, for Thirty-first and Thirty-third streets.....	\$18,000 00	15 cents.
"New York and New Jersey Railroad Company, Morton and Greenwich streets.....	26,000 00	22 cents.
"Hudson and Manhattan Railroad Company, Cortlandt, Dey and Fulton streets.....	100,000 00	80 cents.
"New York Central and Hudson River Railroad Company, for land adjacent to terminal station, Forty-second street and Park avenue.....	48,800 00	39 cents.

"The railroad company should also pay for the additional width of Park Avenue Viaduct, from Forty-fifth to Forty-ninth street. Section 10 of the grant or agreement, dated June 19, 1903, between The City of New York and the New York and Harlem Railroad Company, authorized by chapter 425 of the Laws of 1903, reads:

"That the City is to pay the entire expense of constructing the viaduct carrying Park avenue over the tracks, from Forty-ninth to Forty-fifth street.

"The width of this viaduct, as shown in the final adopted plans, is 60 feet, and I estimate it will cost about \$125,000. It is now proposed to increase the width of the viaduct to 140 feet, which I estimate will cost about \$300,000. This increased cost, \$175,000, I think, should be borne by the railroad company.

"Using the same methods as adopted and used in determining the compensation to be paid by the Pennsylvania Railroad Company, the New York and New Jersey Railroad Company, and the Hudson and Manhattan Railroad Company, I estimate that the New York Central and Hudson River Railroad Company should pay the following charges:

"Fee for surface of streets to be closed and included in railroad terminal improvement—

"Forty-fourth street, from westerly side of Lexington avenue to the easterly side of Depew place.....	\$174,600 00
"Depew place, from northerly side of Forty-third street to the southerly side of Forty-fifth street.....	172,000 00
"Depew place, small piece between Forty-second and Forty-third streets, area 420 square feet.....	8,400 00
	\$355,000 00

"Note—These valuations, appraised by Bryan L. Kennedy, Esq., No. 7 Pine street, agree with appraisals made by Mr. Golding for the railroad company.

"Annual rental for vault or tunnel rights in—

"Forty-fifth street, westerly line of Lexington avenue to westerly line of Depew place.

"Forty-fifth street, between easterly and westerly lines of Vanderbilt avenue.

"Vanderbilt avenue, from northerly line of Forty-second street to southerly line of Forty-fifth street; a small piece in roadway of Forty-second street, and a small piece in Forty-third street.

"Depew place, from northerly house line of Forty-second street to northerly side of Forty-third street; a small piece in Forty-second street, less small piece to be purchased by the railroad company.

	First 10 Years.	Next 15 Years.
"Said land contiguous and adjacent to the terminal station 80,495 square feet, at \$0.195 per square foot per annum for the first ten (10) years, and \$0.39 per square foot for the next fifteen (15) years.....	\$15,696 52	\$31,393 05

"In this estimate I have not included the vaults under the sidewalks in Forty-second street, but have included the vaults in the roadways of Forty-third street.

"It will be noted that the half rate is charged for the first ten (10) years, and the full rate for the next fifteen (15) years.

"As stated above, the Railroad Company should pay all in excess of \$125,000, of the cost of the Park Avenue Viaduct, from Forty-fifth to Forty-ninth streets.

"Respectfully,
(Signed) "EUG. E. McLEAN, Engineer."

Mr. Ira A. Place, general attorney for the railroad company, in communication under date of January 30, 1903, states "The area of sub-surface of streets required is 79,845 square feet, and I am advised by Mr. Wilgus that this area at the same rate per square foot, as agreed upon after thorough discussion in the original grant and agreement, dated June 19, 1903, will amount to an annual rental of \$7,002.41."

After a number of meetings of your committee with Mr. Place representing the railroad company, the following propositions were made:

First—The City to receive \$355,000 in fee for surface of streets to be closed and included in railroad terminal improvement.

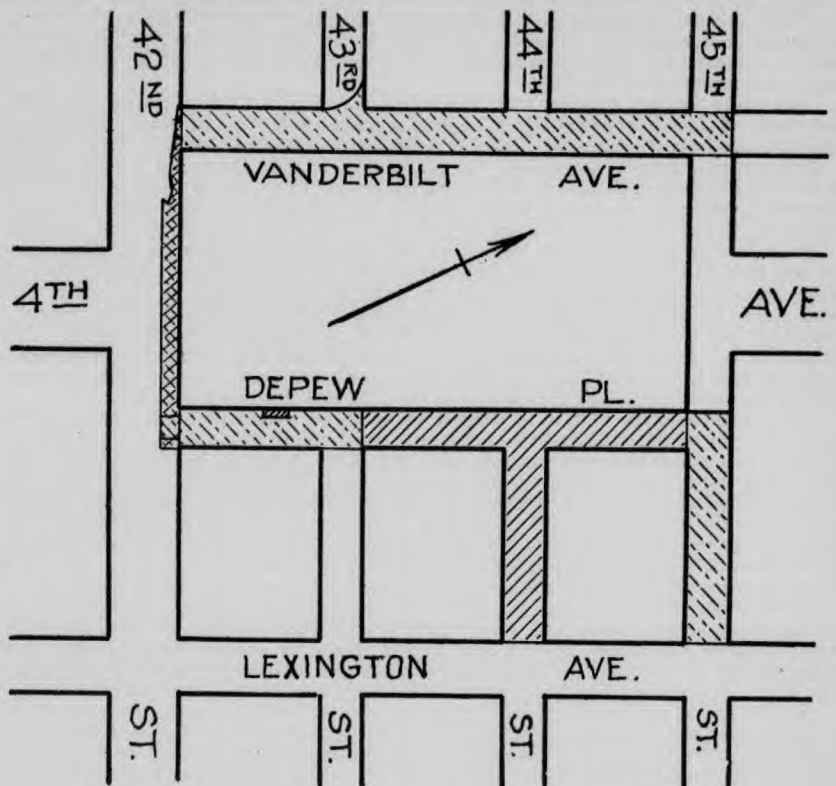

Second—The railroad company to pay an annual rental of \$10,000 for sub-surface rights in Depew place and Vanderbilt avenue and East Forty-fifth street.

Third—That the increased cost of the Park Avenue Viaduct, from Forty-fifth to Forty-ninth street, incurred by widening the same from 60 to 140 feet, estimated at \$175,000, be borne equally by the City and the railroad company, instead of wholly by the City.

Fourth—The railroad company to make and maintain for street purpose a strip of about 40 feet on the northerly side of Forty-second street, between Depew place and Vanderbilt avenue, and a strip of about 70 feet on the easterly side of Vanderbilt avenue, from Forty-second to Forty-fifth street, so long as it uses the abutting property for station purposes.

The Committee agrees to these propositions, provided the annual rental for sub-surface rights in Depew place and Vanderbilt avenue and East Forty-fifth street is not made in perpetuity, but is upon the same terms and conditions as the rental for similar privileges was fixed in the franchise of the Pennsylvania Railroad Company, for the sub-surface rights of Thirty-first and Thirty-third streets, between Seventh and Ninth avenues, and the New York and New Jersey Railroad Company, for its terminal at Morton and Greenwich streets; and the Hudson and Manhattan Railroad Company, for its terminal at Church and Dey streets, that is, the rental of \$10,000 per annum for vault or sub-surface rights, should only be for twenty-five (25) years, and at the end of the first twenty-five (25) years it should be adjusted, and that the new rental for the next twenty-five (25) years shall bear the same ratio to the new valuations of the abutting property (exclusive of buildings) as the present rental, \$10,000, bears to the present valuations of the abutting property (exclusive of buildings), and that at the intervals of twenty-five (25) years thereafter a similar adjustment will be made.

Respectfully,
EDWARD M. GROUT,
Comptroller.

President, Borough of Manhattan.

REPORT NO. 2543.

BOARD OF ESTIMATE AND APPORTIONMENT,
CITY OF NEW YORK,
January 9, 1905.

Hon. EDWARD M. GROUT, Comptroller of The City of New York; Hon. CHARLES V. FURNES, President of the Board of Aldermen; Hon. JOHN F. AHEARN, President of the Borough of Manhattan:

SIRS—At the meeting of the Board of Estimate and Apportionment held on December 23, 1904, there was presented a communication from President W. H. Newman, of the New York Central and Hudson River Railroad Company, submitting plans showing a modification of the plans and profiles adopted by the Board of Estimate and Apportionment on June 19, 1903, for the improvement of the Grand Central Terminal. The communication and plans were referred to a committee consisting of the Comptroller, the President of the Board of Aldermen and the President of the Borough of Manhattan, to which committee I have been instructed to report.

These proposed modifications are submitted under the authority contained in section 5 of chapter 425 of the Laws of 1903, which authorized the terminal improvement, as well as under section 8 of the said act as amended by chapter 639 of the Laws of 1904. The original plans, which were adopted on June 19, 1903, were confined to the territory lying north of the southerly side of East Forty-fifth street, and their only effect upon the street system of the City was the provision for the extension of Park avenue southwardly to East Forty-fifth street, and for the building of viaducts across the yard and tracks of the railroad company from East Forty-fifth to East Forty-ninth streets, inclusive, and the granting to the railroad company of certain subsurface rights under Park avenue and the intersecting streets. The plan now submitted affects the territory between the northerly curb line of Forty-second street and the northerly side of Forty-fifth street, and the railroad company asks that Depew place, between the northerly side of East Forty-third street and the southerly side of East Forty-fifth street, and East Forty-fourth street, between the westerly side of Lexington avenue and Depew place be discontinued and closed; also that a small piece of the westerly side of Depew place, beginning forty-four (44) feet south of the southerly line of East Forty-third street and extending thirty-five (35) feet along the westerly side of Depew place, and projecting into Depew place twelve (12) feet, be also discontinued and closed. The reason for this request is as follows:

Since the approval of the former plans, the railroad company has acquired, by purchase, nearly all of the two blocks bounded by Lexington avenue, East Forty-third street, Depew place and East Forty-fifth street, and they purpose to secure the remainder of the property and to erect thereon a post office, and probably a building for the handling of express matter. As they will be the sole owners of the abutting property, and as it is to be used for an important public purpose, I see no reason why this action should not be taken, upon the payment to the City of proper compensation for the area to be acquired. The discontinuing and closing of the small area on the westerly side of Depew place, 12 feet by 35 feet in size, is asked for the reason that the present plans for the new station contemplate the use of an arch of an extraordinary span on the easterly side of the building, opposite East Forty-third street, and this area is needed for the masonry which would form the abutment at the southerly end of this arch. The space required is one foot less than what would be the sidewalk on the westerly side of Depew place, but such sidewalk is not now provided, and it is quite certain that it will never be required, as the plans for the new station contemplate generous provisions for those who will use it. I cannot see that any public inconvenience will be caused by granting this request upon satisfactory compensation to the City.

The railroad company further asks for subsurface rights as follows:

- (1) Under East Forty-fifth street, between the westerly side of Lexington avenue and the westerly side of Depew place.
- (2) Under Depew place, between the northerly curb line of Forty-second street as now located west of Depew place and the northerly side of East Forty-third street, excepting the area 12 feet by 35 feet which they desire to purchase.
- (3) Under Vanderbilt avenue, between the northerly wall of the Rapid Transit Railroad and the northerly side of Forty-fifth street, including a small portion of East Forty-third street immediately west of Vanderbilt avenue.
- (4) Under the northerly sidewalk of Forty-second street, between Depew place and Vanderbilt avenue.

These subsurface rights are asked in order that the area available for station purposes may be materially increased. They will in no way curtail the public use of the surface of the street, and I can see no reason why they should not be granted, upon proper compensation to the City.

The plans further provide that instead of carrying a viaduct across the railroad yard north of East Forty-fifth street, as was proposed under the original plan, a viaduct shall be placed on the lines of East Forty-fifth street as now located, with no offsets or abrupt turns, greatly increasing the availability of this street for traffic purposes. In order to accomplish this it will be necessary to raise the present grade of East Forty-fifth street, so that at Depew place it will be about 8 feet higher than it is at present, and at Vanderbilt avenue it will be about 2.6 feet higher than at present.

It is further proposed that instead of merging the two roadways of Park avenue into one at East Forty-ninth street both roadways shall be continued to East Forty-fifth street, and that the central space between these roadways shall be converted into a broad sidewalk, with vault lights and ventilators. This will increase very greatly the availability of the proposed extension of Park avenue as a traffic street. Slight changes in the grade of the Park avenue extension and the intersecting viaducts are also proposed, but in each case the elevations are somewhat lowered and the rate of grade is decreased, although the change in the rate will not be appreciable.

The plans indicate that it is desired to erect an overhead bridge crossing Vanderbilt avenue which will have a minimum head room of 12 feet. This bridge is designed to connect the new station with the block bounded by Vanderbilt avenue, East Forty-third street, Madison avenue and East Forty-fourth street, now owned by the railroad company. It is assumed that this block will be used as an additional approach to the station and will be treated in such a manner as to add dignity to the structure. In the absence of detailed information as to the treatment of this property, I am unable to say whether it will mar the appearance of the street or not. The 12 feet of head room proposed, while not generous, is ample for ordinary street purposes.

The petition also asks that the grade of Depew place, between the northerly side of East Forty-second street and East Forty-third street, and that of East Forty-third street, between Lexington avenue and Depew place, be raised; the amount of this change at the intersection of East Forty-third street and Depew place is to be about eight feet. The reason for this request is that, as already stated, it will be necessary to raise the grade of East Forty-fifth street at what is known as Depew place, and it is important that the roadway along what is now Depew place, which will be used for the handling of mail and express matter, shall be approximately level or at a uniform distance above the railroad tracks and platforms. This change will result in a rate of grade of 3.28 per cent. on Depew place, and a rate of 5.00 per cent. on the greater portion of the block of East Forty-third street, between Lexington avenue and Depew place. This is the only feature of the proposed change which to me seems as if it might be objectionable. The railroad company owns the property on the northerly side of East Forty-third street; on the southerly side of the street and adjacent to Lexington avenue is the hospital of the New York Society for the Relief of the Ruptured and Crippled. This property might sustain some damage from the change of grade, such change amounting to 2.3 feet at the rear of the property, and running down to zero at a point midway between its front and rear. The remainder of this block fronting on East Forty-third street is credited on the books of the Department of Taxes to the New York Central and Hudson River Railroad Company, but I am advised that the Real Estate Bureau of that company does not claim title to the land, although they have been taxed for it.

Neither Forty-third street nor Depew place will be general traffic streets, but will be devoted almost exclusively to railroad business, and it seems, in view of the immense improvement to the general plan which is now proposed, that this objection is not a serious one.

The amount of compensation to be paid the City for the discontinuing and closing of Depew place and East Forty-fourth street, and for the subsurface rights asked under other streets, has not been considered by me, as these computations have always been made by the Department of Finance. It is, perhaps, proper to call attention to the fact that in the revised plans for the station building the railroad company appears to have abandoned all idea of erecting a structure which would return to them a revenue from other than railroad purposes, but have decided to build a monumental station which will be a notable addition to the architecture of the City, and that, in order to give this building a proper setting, they propose to turn over to public use a strip forty feet in width on the Forty-second street front and seventy feet in width on the Vanderbilt avenue front. The value of the land thus relinquished to the free use of the public or to improve the dignity and beauty of their terminal station must be very large.

The changes in grade at Vanderbilt avenue will also involve slight changes in East Forty-third, East Forty-fourth and East Forty-fifth streets, where property not owned by the railroad company will be affected, and while these changes are slight, the abutting owners may be able to show some damage, for which damage the railroad company would, of course, be responsible.

Attention is drawn to the fact that on the plans submitted all of the proposed grades are shown as plus or minus. I am advised by the engineers of the railroad company that this was done in order that, if when the plans were worked out it became necessary to modify these grades by an insignificant fraction of a foot, it would not be necessary to go through the formality of another change in the official grades. To allow such latitude might be the cause of considerable trouble, unless it is understood that no changes from the grades shown on the plans should exceed two or three inches.

Sheet No. 10-A of the plans submitted shows proposed changes in subsurface structures. The former plans indicated a new sewer in Vanderbilt avenue, between East Forty-second and East Forty-fifth streets; the new plans show that this sewer, instead of being placed in the centre of the street, will be located on the westerly side, and in a conversation with the Terminal Engineer, some doubt was expressed by him as to the possibility of finding room for it even there. An alternative would be the removal of the sewer entirely from Vanderbilt avenue and the placing of an adequate sewer in Madison avenue. The building of an outlet sewer in Madison avenue to connect with the existing sewer in East Forty-second street may prove difficult on account of the presence of the Rapid Transit Railroad station. Its removal to Madison avenue would also involve the rebuilding of existing sewers in East Forty-third and East Forty-fourth streets in order that the direction of flow may be reversed.

As to water mains, the revised plans call for a new six-inch main in Depew place, between East Forty-second and East Forty-third streets. I do not see how the existing mains can be retained in the two remaining blocks of Depew place if the subsurface rights asked for are given and the underground space be used for trackage. A new twenty-inch main is also called for in Lexington avenue, between East Forty-third and East Forty-fifth streets.

The only change in gas mains is the laying of a new main on the easterly side of Depew place, between East Forty-second and East Forty-third streets. The plans indicate that existing mains in Depew place, between East Forty-third and East Forty-fourth streets, and in Forty-fourth street, between Depew place and Lexington avenue, are to remain, but the question suggests itself as to the possibility of preserving these mains in view of the subsurface rights asked for.

As to electric lines or conduits, the only change indicated is the extension of the Pneumatic Despatch Company's tubes from a point on the southerly side of East Forty-second street, opposite the west side of Depew place, along East Forty-second street to Lexington avenue, and up the westerly side of Lexington avenue to a point midway between East Forty-fourth and East Forty-fifth streets.

It seems to me that the approval of Sheet No. 10-A in its present form would be premature, and that the Railroad Company should submit details showing the proposed changes in sewers and water mains to the President of the Borough of Manhattan and to the Commissioner of Water Supply, Gas and Electricity, and that any plans which are submitted for the approval of the Board of Estimate and Apportionment should first have been accepted by these officers. The same course should be followed with respect to changes in gas pipes, the consent of the gas company being obtained before the general plans are approved.

I consider the proposed changes in the plan as in a general way advantageous to the City. The only details which, in my judgment, can be open to any criticism are the changes in grade of East Forty-third street and Depew place and the bridge across Vanderbilt avenue, between East Forty-third and East Forty-fourth streets, and the failure of the Railroad Company to have first secured the approval of the Departments interested to proposed changes in subsurface structures.

Respectfully,
NELSON A. LEWIS, Chief Engineer.

The following resolution was offered:

Resolved, That the report of the Special Committee appointed to consider the proposition of the New York Central and Hudson River Railroad Company, for certain modifications, additions and changes to plans and profiles adopted by the Board of Estimate and Apportionment June 19, 1903, for the improvement of the Grand Central Terminal, submitted December 23, 1904, be approved, and that the Secretary be requested to communicate the same to the railroad company as the views of the Board of Estimate and Apportionment.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx, the President of the Borough of Queens and the President of the Borough of Richmond—16.

The Secretary presented the following resolution amending a resolution adopted March 31, 1904, appropriating the sum of \$150,000 for the expenses incurred by reason of the construction of the Johnson avenue sewer, Borough of Brooklyn:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment March 31, 1904, which reads as follows:

"Resolved, That, pursuant to the provisions of sections 169 and 176 of the Greater New York Charter, the Comptroller be and hereby is authorized to issue Corporate Stock of The City of New York to an amount not exceeding one hundred and fifty thousand dollars (\$150,000), to provide the necessary means for the payment of the expenses incurred or to be incurred by reason of the construction of the Johnson avenue sewer, Borough of Brooklyn,"

—be and the same is hereby amended by striking out the words "by reason of the construction of the Johnson avenue sewer, Borough of Brooklyn," and inserting in place thereof the words "for altering, repairing and reconstructing existing sewer in Knickerbocker avenue, from George street to Johnson avenue, and in Johnson avenue, from Knickerbocker avenue to Bushwick place, Borough of Brooklyn."

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx and the President of the Borough of Richmond—15.

The Secretary presented the following communication from the Commissioner of the Fire Department, relative to the transfers of \$2,000 to "Boroughs of Manhattan and The Bronx: Salaries—Bureau of Fire Marshal Pay-roll," and \$300 to same appropriation:

HEADQUARTERS FIRE DEPARTMENT—CITY OF NEW YORK,
Nos. 157 AND 159 EAST SIXTY-SEVENTH STREET,
BOROUGH OF MANHATTAN, February 1, 1905.

Hon. GEO. B. MCCLELLAN, Mayor and Chairman, Board of Estimate and Apportionment:

SIR—I have the honor to request that the Board of Estimate and Apportionment authorize transfers from and to appropriations made for this Department as follows:

From "Apparatus, Supplies, etc.," Boroughs of Brooklyn and Queens, 1903, to "Salaries—Bureau of Fire Marshal Pay-roll," boroughs of Manhattan and The Bronx, for the same year, the sum of two thousand dollars (\$2,000).

From "Salaries—Buildings Superintendent Pay-roll," boroughs of Manhattan and The Bronx, 1904, to "Salaries—Bureau of Fire Marshal Pay-roll," for the same boroughs and year, three hundred dollars (\$300).

The transfers requested are required to provide funds from which to pay the salary of Peter Seery, Fire Marshal, boroughs of Manhattan, The Bronx and Richmond, from June 28, 1903, to January 28, 1904, in accordance with an opinion of the Corporation Counsel on the subject, reading as follows:

NEW YORK, December 23, 1904.

Hon. NICHOLAS J. HAYES, Fire Commissioner:

SIR—I am in receipt of a communication from the Deputy Commissioner, under date of December 16, 1904, containing additional information relative to the back pay of Fire Marshal Peter Seery.

It now appears that upon the removal of Seery, on January 18, 1902, Thomas F. Freel, a Foreman and a member of the uniformed force, was appointed his successor. Freel continued to hold the position and draw the salary of Fire Marshal until June 28, 1903, when he resigned that position and was promoted to the rank of Chief of Battalion. Concededly, during this period, from June 18, 1902, to June 28, 1903, Seery cannot recover salary of the position, as it was paid to the defacto incumbent, Thomas F. Freel.

Martin vs. City of New York, 176 N. Y., 371.

From June 28, 1903, down to date of his retirement on January 1, 1904, Freel was paid the salary of Chief of Battalion, which was \$3,300 per annum, and was carried on the roll of the members of the uniformed force in the Bureau of Chief of Department.

It is true that after he was promoted to be Chief of Battalion, Freel was detailed as Acting Fire Marshal, but he did not receive the salary of that position, which was not included in the salaries of the members of the uniformed force, but that of Chief of Battalion, which was included in the salaries of the members of the uniformed force.

I think it may be safely said, therefore, that from June 28, 1903, to January 28, 1904, the date of Seery's reinstatement, the salary of the position of Fire Marshal was not paid to any one. This being the case, Seery is undoubtedly entitled to receive it.

The Board of Estimate and Apportionment should transfer to your Department sufficient funds to pay the claim of Seery and in the event of its not doing so, the claim can be paid out of the judgment fund.

Respectfully yours,
(Signed) JOHN J. DELANY, Corporation Counsel.

Accordingly, upon December 29, 1904, a letter was forwarded from this Department to the Comptroller reciting the facts in the case as they are set forth in the opinion of the Corporation Counsel, and inquiring as to the nature of the application which should be made to the Board of Estimate and Apportionment to procure moneys from which to pay Mr. Seery's claim from June 28, 1903, to January 28, 1904, at the rate of \$3,000 per annum, the salary attached to the position of Fire Marshal.

Under date of January 7, 1905, a reply was received from the Department of Finance, in which it was suggested that the amount due Mr. Seery for salary from June 28, 1903, to the end of that year could be provided by a transfer from the appropriation made to this Department, boroughs of Brooklyn and Queens, for the year 1903, entitled "Apparatus, Supplies, etc.," to the appropriation "Salaries—Bureau of Fire Marshal Pay-roll," boroughs of Manhattan and The Bronx, for the same year.

To provide for the payment of the amount due Mr. Seery from January 1, 1904, to the date of his reinstatement on the 28th of that month, it is necessary to request a transfer from the appropriation "Salaries—Buildings Superintendent Pay-roll," boroughs of Manhattan and The Bronx, 1904, to the appropriation entitled "Salaries—Bureau of Fire Marshal Pay-roll," for the same boroughs and year.

If the transfers requested shall be made, Mr. Seery's claim which, without interest (which he also claims), amounts to \$1,758.90, may be adjusted and paid by the Comptroller.

Respectfully,
(Signed) NICHOLAS J. HAYES, Commissioner.

The following resolution was offered:

Resolved, That the sum of two thousand dollars (\$2,000) be and the same is hereby transferred from the appropriation made to the Fire Department for the year 1903, entitled "Boroughs of Brooklyn and Queens: Apparatus, Supplies, etc.," the same being in excess of the amount required for the purposes thereof, to the appropriation made to said Department for the same year, entitled "Boroughs of Manhattan and The Bronx: Salaries—Bureau of Fire Marshal Pay-roll," the amount of said appropriation being insufficient.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx, the President of the Borough of Queens and the president of the Borough of Richmond—16.

The following resolution was offered:

Resolved, That the sum of three hundred dollars (\$300) be and the same is hereby transferred from the appropriation made to the Fire Department for the year 1904, entitled "Boroughs of Manhattan and The Bronx: Salaries—Buildings Superintendent Pay-roll," the same being in excess of the amount required for the purposes thereof, to the appropriation made to said Department for the same year, entitled "Boroughs of Manhattan and The Bronx: Salaries—Bureau of Fire Marshal Pay-roll," the amount of said appropriation being insufficient.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx, the President of the Borough of Queens and the president of the Borough of Richmond—16.

The Secretary presented the following report of the Engineer of the Department of Finance, relative to the bid of the Hecla Iron Works for the erection and completion of library stack work in the New York Public Library, Astor, Lenox and Tilden Foundations, which was ordered on file:

March 9, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In relation to the bid of the Hecla Iron Works, for the erection and completion of library stack work in the New York Public Library, Astor, Lenox and Tilden Foundations:

As previously reported on November 9, 1904, the notice or proposal for bids or estimates states:

"Sec. 16. The contract drawings above referred to show the arrangement of the framing for the constructional portions of the stacks and this constructional framing work, consisting of columns, floor beams, curb angles, ties, wall beams, diaphragms or bottom shelves and other constructional members, must be executed exactly as shown on these contract drawings. The contract drawings must also show one method of constructing the shelving, stack standards and shelf supports. This method is considered by the Department of Parks as an acceptable one, and it meets all the requirements of the specifications as to the stack portion of the work, but the bidders may bid upon this form of constructing this portion of the work or they may bid upon other methods of constructing these portions of the stack work, provided that the methods which they propose fulfil the general requirements of the specifications as to constructing the shelving stack standards and shelf supports.

"No proposal which is based upon methods of constructing the stack portions of the work other than those shown on the contract drawings, will be considered unless it is accompanied by definite drawings showing clearly the mode of construction proposed, and unless it is further illustrated by the full size model as described below.

"Bidders must deliver at the office of the Department of Parks, with their proposal, one complete section of the proposed stack for the main stack room, comprising two floors and two complete tiers of standard shelf length and one complete story high. This model must show the framing exactly as specified and as shown on the contract drawings and no variation from this framing will be permitted, and it shall further show the method of constructing the stack standards, shelving and shelf supports, either as shown on the contract drawings if bidder bases his bid upon such drawings, or it shall show the methods of constructing these portions of the work as proposed by the bidder if his bid is based upon a modification of the contract drawings. This complete model must be submitted by each bidder, and it must be erected at the office of the Department of Parks on or before the day for the submission of bids. Such model must have a complete marble floor of the quality specified, and it must be finished with the standard painted finish as specified, and it will be considered as showing not only the arrangement of stack features proposed, but also as showing the quality of workmanship, methods of executing the work and the quality of finish which the bidder proposes to furnish.

"This model and the proposal drawings described above will become the basis of the contract in addition to the contract drawings and the general specifications."

Section 17. "No bid will be received or considered unless the deposit of model referred to above is made with the Commissioners within the time specified, nor unless it conforms to the requirements of the specifications."

It will be noted that the bidders must furnish a model showing not only the arrangement of stack features proposed, but also showing the quality of workmanship, methods of executing the work and the quality of finish which the bidders propose to furnish.

This model and the proposal drawings to become the basis of the contract.

The instructions to the bidders are so definite in relation to the models to be furnished with the bids, that, in my opinion, the models furnished are the sole basis upon which to award the contract.

The Hecla Iron Works did not think it necessary to carry out these instructions, but with their bid submitted a model with a cast-iron framing, when it definitely states in the specifications that the framing shall be of steel; the same model has "lignolith" floors, when marble is definitely specified.

Respectfully,

EUG. E. McLEAN, Engineer.

SWANSTROM & KEYES, ATTORNEYS AND COUNSELORS AT LAW,
No 20 NASSAU STREET,
NEW YORK, March 7, 1905.

Board of Estimate and Apportionment, No. 280 Broadway, New York City:

GENTLEMEN—We have received from our clients, the Hecla Iron Works, a copy of the report of the Corporation Counsel in reference to the petition of the Hecla Iron Works for a reconsideration of the award of the contract for the stack work in the New York Public Library, and also of a copy of their letter of the 1st of March in reference thereto.

We take the liberty of adding one or two observations to the statements contained in the letter of the Hecla Iron Works.

First—The report of the Corporation Counsel wholly fails to meet the objection that by awarding the contract to the Snead & Co. Iron Works, the Board of Estimate is purchasing a patented article which the proposal for bids expressly disclaims; or to meet the other objections urged against the legality of the contract.

Second—It is not now claimed that any very material difference existed between the shelf construction of the Hecla Iron Works and that of the Snead & Co. Iron Works, or if any does exist, none of importance has been pointed out. It is conceded that in workmanship the Hecla Iron Works is equal to any concern in the country; yet at the hearing on the original award, great stress was laid upon the superiority of the Snead Company's work.

Third—The Hecla Iron Works refer to several libraries much more recent than those of Columbia College and State Department, notably those of Smith College and Yale College. These are modern, and the reproduction of the features of construction used there on a large scale is a matter dependent merely on the size of the bidder's plant and its capacity to turn out work.

Fourth—The right of the Hecla Iron Works to relief by legal proceedings is not equivalent to that of the City. The plaintiff to succeed must show either some illegality in the terms of the contract itself, or else some fraudulent act on the part of the Board of Estimate and Apportionment. No claim is made but that the Board acted in good faith and under mistake only in awarding the contract; and the plaintiff has no standing to attack the contract for fraud or misrepresentation on the part of the Snead Company. Hence the Hecla Company is remitted to upsetting this contract upon the ground of some illegality, either substantial or technical, in order to succeed, while the City may decline to proceed upon the ground of misrepresentation.

We therefore respectfully urge that you rescind the contract made with the Snead Iron Works, and either readvertise or award the contract to the Hecla Iron Works at \$707,200 under their alternate bid.

Respectfully yours,

SWANSTROM & KEYES.

The Secretary presented the following report of the Engineer of the Department of Finance, relative to the request of the Commissioner of Parks, boroughs of Brooklyn and Queens, for authority to award contract for hardware and rubber goods to other than the lowest bidder:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
March 9, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—Hon. Michael J. Kennedy, Commissioner, Department of Parks, Boroughs of Brooklyn and Queens, in communication under date of February 28, 1905, states:

"On February 16, 1905, bids for the furnishing of supplies for the boroughs of Brooklyn and Queens were opened by the Park Board at the Arsenal, Central Park, Manhattan. It was found that Hugh L. Fox was the lowest bidder on hardware, his bid being thirty-four hundred and twenty-eight dollars and fifty cents (\$3,428.50), and on rubber goods, eleven hundred and forty dollars and eighty cents (\$1,140.80). The next highest bidder in either case is the Manhattan Supply Company, their bid on hardware being thirty-six hundred and three dollars and seventy cents (\$3,603.70), and on rubber goods eleven hundred and seventy-nine dollars and fifty cents (\$1,179.50).

"I respectfully request permission to reject the bids of Hugh L. Fox and award the contract to the next highest bidder, the Manhattan Supply Company."

The Commissioner alleges that Hugh L. Fox in contracts for supplying plumbing materials, hardware, and oils in the years 1902, 1903 and 1904, did not carry out the contracts in a satisfactory manner, and that long delays and delivery of unsatisfactory goods were the rule in the contract between the Park Department and Mr. Fox.

Section 419 of the Charter says:

"If the Borough President or the head of a department shall not deem it for the interest of the City to reject all bids made, he shall without the consent or approval of any other department or officer of the City government award the contract to the lowest bidder, unless the Board of Estimate and Apportionment by a three-quarter vote of the whole Board shall determine that it is for the public interest that the bid, other than the lowest, be accepted."

This section provides the manner in letting contracts for work exceeding \$1,000 in amount, except where the law directs otherwise.

The provisions of the contracts made under it invariably specify, that in case work shall be abandoned or unnecessarily delayed as established by certain reports, the contractor can be notified to discontinue said work, and the expense attending such discontinuance shall be paid by such contractors or their sureties.

It appears to me a dangerous precedent to establish, that a man may be thrown out of competition simply for the reason that he has not carried out other contracts in a satisfactory manner, and serious consideration should be given the matter, if it is to be considered a general rule.

The law does not allow any personal choice, but it does allow the action of the Board of Estimate and Apportionment by a three-quarter vote of the whole Board without requiring a reason.

I have no doubt this request is made without any personal motive, but the action requested is as personal as it can be made, and I must express the opinion, that it should not be taken in any case.

Respectfully,

EUG. E. McLEAN, Engineer.

THE CITY OF NEW YORK,
DEPARTMENT OF PARKS, BOROUGH OF BROOKLYN AND QUEENS,
LITCHFIELD MANSION, PROSPECT PARK,
BOROUGH OF BROOKLYN, February 28, 1905.

To the Honorable Board of Estimate and Apportionment:

GENTLEMEN—On February 16, 1905, bids for the furnishing of supplies for the Boroughs of Brooklyn and Queens were opened by the Park Board at the Arsenal, Central Park, Manhattan. It was found that Hugh L. Fox was the lowest bidder on hardware, his bid being thirty-four hundred and twenty-eight dollars and fifty cents (\$3,428.50), and on rubber goods, eleven hundred and forty dollars and eighty cents (\$1,140.80). The next highest bidder in either case is the Manhattan Supply Company, their bid on hardware being thirty-six hundred and three dollars and seventy cents (\$3,603.70), and on rubber goods eleven hundred and seventy-nine dollars and fifty cents (\$1,179.50).

I respectfully request permission to reject the bids of Hugh L. Fox and award the contract to the next highest bidder, the Manhattan Supply Company, for the following reasons:

In 1902 Hugh L. Fox had the contract for supplying plumbing materials; in 1903 Fox Bros. & Co., of which firm Hugh L. Fox is a member, had the contract for plumber's materials, and in 1904 Hugh L. Fox had the contracts for supplying hardware and oils. None of the contracts during the years above mentioned were carried out in a satisfactory manner. Long delays and the delivery of unsatisfactory goods were the rule in the transactions between this Department and Mr. Fox. This was especially true during last year, when Hugh L. Fox held the contract for the delivery of oils and hardware. Among the items to be supplied under the oil contract was one of twenty barrels of disinfectant equal to sample. The contractor supplied an article which was only one-third as effective as the sample submitted, and the disinfectant was rejected. The next lot delivered was again unsatisfactory and also rejected. We did not succeed in obtaining any delivery of the goods called for in our specifications and had to buy the amount required in the open market. The same unsatisfactory condition was apparent in the delivery of the articles called for under the hardware contract, and the work of this Department was seriously interfered with by the delays in delivery or the unsatisfactory articles which Mr. Fox endeavored to have accepted.

In view of the above facts, I clearly deem it in the interest of the Department and of the City to reject Mr. Fox's bids and award the contract to the next highest bidder. The additional amount to be paid is one hundred and seventy-five dollars and twenty cents (\$175.20) on the hardware contract and thirty-eight dollars and seventy cents (\$38.70) on the rubber goods contract.

Very truly yours,

M. J. KENNEDY, Commissioner.

P. S. I enclose copy of correspondence between this Department and Fox Bros. & Co. and Hugh L. Fox.

The following resolution was offered:

Resolved, That pursuant to the provisions of section 419 of the Greater New York Charter, the Board of Estimate and Apportionment, deeming it for the best interests of the City that a bid other than the lowest should be accepted for furnishing supplies for the Department of Parks, boroughs of Brooklyn and Queens, hereby authorizes the Commissioner of said Department to award the contract to the Man-

hattan Supply Company at its bid of four thousand seven hundred and eighty-three dollars and twenty cents (\$4,783.20), divided as follows:

For hardware	\$3,603 70
For rubber goods.....	1,179 50
	<hr/> \$4,783 20

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx, the President of the Borough of Queens and the President of the Borough of Richmond—16.

The President of the Borough of Brooklyn offered the following resolution, which was unanimously adopted:

Resolved, That the Secretary be instructed to inform all heads of departments that in future they will be expected to strictly enforce the terms of all contracts made, and in case of unsatisfactory performance by the contractor, to take legal steps to place said contractor in default before applying to the Board of Estimate and Apportionment to reject the subsequent bids of such contractor.

The Secretary presented a communication from the President of the Borough of The Bronx, requesting an appropriation of \$60,000 for remacadamizing old highways in the Borough of The Bronx which was referred to the Corporation Counsel for an opinion as to whether or not the cost of labor could be paid out of an issue of Corporate Stock, pursuant to the provisions of section 169 of the Greater New York Charter, as amended by chapter 563 of the Laws of 1902.

The Secretary presented a report of the President of the Board of Aldermen, relative to the request of the Commissioner of Charities for the fixing of certain salaries under his jurisdiction.

Referred to the Commissioner of Charities with an inquiry as to why no recommendation was made for the fixing of the salary of the Superintendent of the Training School for Nurses.

The President of the Board of Aldermen and the President of the Borough of Brooklyn, the Sub-committee to whom was referred the application of the Civil Service Commission for the fixing of the salary of the position of Labor Clerk to said Commission at the rate of \$3,500 per annum, made a favorable oral report relative thereto.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of the position of Labor Clerk in the office of the Municipal Civil Service Commission be fixed at the rate of thirty-five hundred dollars (\$3,500) per annum.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx, the President of the Borough of Queens and the President of the Borough of Richmond—16.

The Board adjourned to meet Thursday, March 16, 1905, at 10.30 o'clock A. M.
J. W. STEVENSON, Secretary.

COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room No. 16, City Hall, at 11 o'clock A. M., on Wednesday, April 5, 1905.

Present—George B. McClellan, Mayor; Edward M. Grout, Comptroller; Patrick Keenan, Chamberlain, and Charles V. Fornes, President, Board of Aldermen.

The minutes of the meeting held March 22, 1905, were approved as printed.

The following communication was received from the Commissioner of Docks relative to leases to the Staten Island Rapid Transit Railway Company and the Richmond Light and Railroad Company, of the right to use and operate, when erected, the terminal station and viaduct connecting therewith, at St. George, Borough of Richmond (see page 228):

NEW YORK, April 4, 1905.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

SIR—Referring to my letter to you of March 15, 1905, relative to the acquisition of lands required for ferry purposes at St. George in the Borough of Richmond, I beg to submit the following in the matter of the rentals to be charged for the privileges of maintaining tracks thereat:

The total area of the proposed terminal station will approximate 225,500 square feet, of which the North Shore (steam) Railroad will occupy for tracks and platforms, 34,000 square feet, and the South Shore (steam) Railroad, 61,400 square feet, a total of 95,400 square feet; the trolley lines will occupy 69,600 square feet; the remaining 60,500 square feet will be the open space for those who walk over the viaduct, and others, to get to and from the ferry.

It will be seen from the above figures that the steam roads will occupy 42 per cent. of the space; the trolley lines will occupy 31 per cent. of the space, and that the remaining 27 per cent. of the stations surface will be used by those who do not ride in the cars.

The space allotted to the North Shore steam road will, according to the plans, contain 1,588 linear feet of trackage; the space allotted to the South Shore steam road, 3,357 linear feet of trackage, a total of 4,945 linear feet of trackage for the steam roads. The space allotted to the trolley lines will contain 2,590 linear feet; the steam roads, therefore, will have 66 per cent. and the trolley roads 34 per cent. of the total trackage.

The average number of passengers carried per annum over the steam and trolley lines for the five years ending June 30, 1903, was 13,232,779, of which 5,407,127, or 41 per cent., were carried by the steam roads, and 7,825,652, or 59 per cent., were carried by the trolley lines. The number carried for the year ending June 30, 1903, was 5,518,047 on the steam roads and 7,935,948 on the trolley lines, showing that there was but a trifling increase as compared with the average for the preceding years.

An examination of the above figures shows that while the steam roads occupy 58 per cent. of the space covered by the tracks and platforms, and 66 per cent. of the trackage, they carried but 41 per cent. of the passengers. Any rental, therefore, based on the space to be occupied by the respective lines or the length of the track to be used by each would seem to work an injustice to the steam roads. In like manner, a rental based on the number of passengers carried would not be fair to the trolley lines.

The trolley lines carry 66 per cent. of the passengers and charge a uniform rate of five cents, while the rate on one of the steam roads varies according to the distance, being in some cases as high as thirty cents for a single trip.

The most equitable method of determining a proper rental would seem to be that based on a percentage of the value of the property and improvements. There will be about 225,000 square feet inclosed for station purposes, etc., equal to 90 City lots. A large portion of this space will be land under water planked over, but will be equal to upland for the purpose for which it will be used.

Mr. Kennelly, in his appraisals made in 1903, estimated the value of City lots on South street at \$1,500 each, and on Jay street, \$2,500 each. As the station will be located at a point about an equal distance from both streets, I think \$2,000 would be a fair estimate of the value of each lot.

Ninety lots at \$2,000 each, amounts to	\$180,000 00
The Engineer estimates the cost of the station at.....	192,000 00

Making the total estimated value of the property and the cost of the improvement	\$372,000 00
4½ per cent. of this sum, amounts to.....	16,740 00
Add 5 per cent. of the estimated cost of the station for repairs and maintenance	9,600 00

On this basis the total rental value would amount to..... \$26,340 00

As the station will be used largely as a thoroughfare by those who will cross the viaduct on foot, and others who do not ride on the cars, it appears only equitable that the City should assume, say, one-third of this rental, which would leave two-thirds, or \$8,780 each, to be paid by the trolley lines and the steam roads. The charge of 4½ per cent. on the estimated value of the 90 lots and the cost of the station to be erected thereon is for the purpose of providing a fund of 1 per cent., amounting to \$2,480 per annum from the railroad (over the rate the City is paying for money borrowed) to amortize the bonds. This sum compounded annually would, in about 53 years, amount to \$372,000, thus canceling the principal.

The trolley lines will have three tracks on the viaduct, from Jay street to the station, a distance of about 425 feet. The plans also provide for a walk for foot passengers on each side of the tracks. The architect estimates the cost of building the viaduct at \$40,000.

It would seem that the interest on one-half of this sum, viz., 4½ per cent. on \$20,000, amounting to \$900, should be paid by the trolley lines in addition to the rental for the use of the station. As the viaduct will be constructed of steel, the cost of maintenance would be so small as to be scarcely worth considering in this estimate.

I would suggest a ten years' lease with two renewals of ten years each at an advance of 10 per cent. on the above figures for each renewal term.

A first-class ferry service, such as it is intended to give, will tend to build up Staten Island, and consequently increase the traffic between that borough and Manhattan to an extent that would warrant the advance in rental suggested for the renewal terms.

Very respectfully,

MAURICE FEATHERSON, Commissioner.

The Comptroller stated that the communication had been received just before his coming to the meeting, and he had therefore been unable to make any extended report thereon. He explained the necessity of taking action at this meeting in order to facilitate the matter, as the settlement of the rentals to be paid by the railroad companies was the only thing in the way of the closing of negotiations for the acquisition of the property, and he recommended that the report of the Dock Commissioner be approved.

Mr. Lester W. Clark, of counsel for the Staten Island Rapid Transit Railway Company, appeared before the Board in regard to the matter. The Comptroller then offered the following resolutions:

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Docks, of a lease to the Staten Island Rapid Transit Railway Company, of the right to use and operate the terminal station, to be erected by the City at St. George, Borough of Richmond, together with the right to lay tracks connecting therewith, upon plans to be approved by the Commissioner of Docks, and to maintain and operate the same, for a term of ten years from the day when the title to the property shall vest in The City of New York, at an annual rental of eight thousand seven hundred and eighty dollars (\$8,780), payable quarterly in advance, with the privilege of two renewals of ten years each, at advances of ten per cent. for each renewal term.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Docks, of a lease to the Richmond Light and Railroad Company, of the right to use and occupy the terminal station, to be erected by the City at St. George, Borough of Richmond, together with the right to lay tracks connecting therewith, upon plans to be approved by the Commissioner of Docks, and to maintain and operate the same, for a term of ten years from the day when the title to the property shall vest in The City of New York, at an annual rental of eight thousand seven hundred and eighty dollars (\$8,780), payable quarterly in advance, with the privilege of two renewals of ten years each, at advances of ten per cent. for each renewal term; also the right to use and occupy the viaduct, which is to be erected by the City, connecting said terminal station with Jay street, for a term coterminous with the lease of the terminal station, at an additional annual rental of nine hundred dollars (\$900) for the first term, and increasing ten per cent. on each renewal term; the said rental of nine hundred dollars (\$900) to commence upon the completion of the viaduct.

Which were severally unanimously adopted.

The following communication was received from the Union Ferry Company, relative to the present status of the ferry company as a tenant of the City:

BROOKLYN, February 23, 1905.

YOUR HONOR, THE MAYOR—We, the officers of the Union Ferry Company, come before you to-day regarding the position occupied by that company in its relation to the City, the same being in a very unsatisfactory condition. Twice the lease has been put up at auction, and an upset arbitrary price in each case was exacted, prohibiting any corporation, even the Union Ferry Company, accepting the terms.

We have since been in communication at different times with the officials of the City who have the matter in charge, but no fair consideration has been shown. A suit was brought against the Union Ferry Company, alleging the company to be hold-overs, which suit is still pending.

We have paid to the City \$50,000 on account of rental. When the lease in 1891 was made on a basis of 7¼ per cent. of the gross traffic earnings, the possibility of the trolley cars running across the bridge and carrying passengers free was not considered. The Ferry Company in the last three years of its contract suffered greatly, the Fulton Ferry especially so; from 1891 to 1898 this ferry carried about ten millions of passengers yearly; but in 1898, by reason of the trolley cars crossing the bridge, this number dropped to seven millions, and steadily decreased each year thereafter, and in 1901 less than five millions were carried, while last year only 3,800,000 were carried. The Catharine and Wall Street Ferries also suffered, causing a great diminution in the receipts of the Company, with no possible corresponding reduction of expenses.

We are, as you are probably aware, seriously handicapped by the act provided that not more than one-cent fare shall be charged during what are known as the commission hours—namely, from 5 to 7.30 A. M. and from 5 to 7.30 P. M. We are also compelled to sell seventeen tickets for 25 cents at all times. No such restrictions are imposed upon other ferries, which charge two or three cents at all times of the day, while bridge passengers are compelled to pay 2½ or 3 cents. The ferries, years ago, before compe-

titution of the bridges, were very profitable, but only 10 per cent. could be paid upon its then capital of \$1,000,000, so the earnings in excess of that percentage were put in the plant until the assets amounted to over \$4,000,000.

You may say that our capital of \$2,200,000 bonds and \$3,000,000 stock is watered, and that this may or should militate against us, but we ask you in your calculation to take the value of the property as fixed by the Court in 1891, and confirmed by the Sinking Fund Commissioners in 1901; that valuation was \$3,229,401.

Our property consists of eighteen ferry-boats, nine ferry-houses, bridges, floats and racks, etc., and real estate of an estimated value of one million dollars. The opening of the Williamsburg Bridge has caused another reduction of our earnings, and a still further decrease is anticipated when the cars are running over that structure. Two years hence the tunnel will be finished, tapping the South and Hamilton Street Ferries (our best paying ferries). We have already reached the stage when we are not looking for profit, but self-preservation. There are nearly 400 stockholders, who are looking to us for protection of their rights, and to allow this matter to drift any longer would be a neglect of duty and forfeiture of confidence reposed in us by them.

We therefore cannot go on any longer without a proper understanding. It is out of the question to be considered hold-overs, and a satisfactory readjustment of our relations with the City is absolutely essential to our continued operation of the ferries; unless such a readjustment can be had we will have no alternative but to discontinue such operation.

JULIAN D. FAIRCHILD, President.

In connection therewith the Comptroller presented the following report and offered the following resolution:

APRIL 3, 1905.

To the Commissioners of the Sinking Fund:

GENTLEMEN—The communication from the officers of the Union Ferry Company, dated February 23, 1905, and signed by Julian D. Fairchild, as president, calls attention to the present conditions in regard to the ferry company as a tenant of the City, and states that such conditions are most unsatisfactory.

Shortly after the communication was received, I held a consultation with several of the officers of the company and was advised by them that an examination of the books of the company, covering the period from January 1, 1902, to date, would be permitted. This examination, by representatives of this office, is now being made, the result of which I am awaiting before presenting to you any terms for a new lease.

I fully agree that the existing conditions should not continue, and in view of the unquestioned fact that the ferry company's receipts are materially less than in 1891, when the last lease was negotiated, I believe it to be a fair proposition that if no negotiations are concluded between the City and the ferry company before May 1, 1905, the ferry company should not thereafter be held liable for rental payments, pursuant to the provisions of the lease sold in 1893, and under which the ferry company is still operating as a hold-over tenant. I believe that any new terms which are fixed should commence on May 1, 1905, even should the negotiations not be consummated until after such date.

I will report to the Board as soon as I am able to determine from the examination of the books now being made, what would be a fair proposition on behalf of the City as well as the company.

Respectfully,

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby agree that in case negotiations in regard to the Union Ferry Company's lease, as between the Commissioners of the Sinking Fund and the Commissioner of Docks and Ferries on the one hand and the Union Ferry Company on the other, are not concluded on or before May 1, 1905, the Commissioners of the Sinking Fund will not hold the fact of the continuance of the operation of the ferry beyond that date as binding said ferry company to continue said operation for an entire year from May 1, 1905, under the terms and conditions of the lease dated May 1, 1891, under which said ferry company began operations, or as making said company a hold-over tenant for the year beginning May 1, 1905, or for such time after May 1, 1905, as may elapse before thirty days after the conclusion of said negotiations, this agreement to be without prejudice to the rights and remedies of the parties except as herein stated.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Commissioner of Docks, submitting for approval map or plan for improving the water-front and harbor of The City of New York, on the Harlem river, in the vicinity of Fordham road, in the Borough of The Bronx:

NEW YORK, March 28, 1905.

N. TAYLOR PHILLIPS, Esq., *Secretary, Commissioners of the Sinking Fund:*

SIR—I transmit herewith a plan prepared by this Department and this day adopted by me for the improvement of the water-front and harbor of The City of New York, on the Harlem river, in the vicinity of Fordham road, Borough of The Bronx.

A technical description of the proposed new plan is as follows:

The proposed new plan contemplates the adoption of a bulkhead-line and marginal street, wharf or place with lines for three piers at the foot of and south of Fordham road, Harlem river, in the Borough of The Bronx.

The proposed bulkhead-line shall extend southerly from Fordham road in two parallel segments connected with an oblique offset, and described as follows:

The northerly segment of the proposed bulkhead-line shall begin at a point in the northerly line of Fordham road as adopted by the Commissioner of Street Improvements, June 17, 1895, in accordance with chapter 545 of the Laws of 1890, and shall run thence southerly in a straight line, making an angle with the said northerly line of Fordham road of 81 degrees, 26 minutes for a distance of 360.50 feet, more or less, to the northerly line of the approach to the proposed bridge at Two Hundred and Seventh street, at a point distant 215.64 feet easterly or inshore from the outer end of said approach, as laid out and approved by the Commissioner of Bridges January 20, 1904.

Thence offsetting easterly and running along said northerly line of approach to a line drawn parallel with and 10 feet easterly from the first-described segment of the bulkhead-line.

Thence the southerly segment shall extend southerly and along said parallel line drawn 10 feet easterly from the first-described segment of the bulkhead-line 176.02 feet, more or less, to a line drawn parallel with and 40 feet southerly from the southerly line of the proposed bridge at Two Hundred and Seventh street, as approved by the Commissioner of Bridges, January 20, 1904.

The proposed marginal street, wharf or place shall extend southerly with a width of 50 feet along the northerly segment of the hereinbefore described bulkhead-line with said northerly segment as the westerly or outshore boundary, and continuing southerly with a width of 40 feet along the southerly segment of said bulkhead-line with the latter segment as the westerly or outshore boundary, the easterly line of said marginal street, wharf or place extending in a straight line parallel with and 50 feet and 40 feet easterly from the northerly and southerly segments respectively of the said bulkhead-line.

The plan shows the area which is now being acquired by the Bridge Department for bridge purposes in the vicinity of Fordham road.

I respectfully recommend that the plan be approved by the Commissioners of the Sinking Fund.

Yours respectfully,

MAURICE FEATHERSON, Commissioner.

I see no objection to the approval of the plan as proposed. The condemnation proceedings have already been instituted by the Board of Estimate and Apportionment for the acquisition of the part shown in green, and required for the bridge approach.

Principal Assistant Engineer, Department of Finance.

In connection therewith, the Comptroller offered the following resolution:

Resolved, That the Commissioners of the Sinking Fund hereby approve of the map or plan for improving the water front and harbor of The City of New York on the Harlem river, in the vicinity of Fordham road, in the Borough of The Bronx, made and adopted by the Commissioner of Docks, in accordance with law, March 28, 1905.

Which was unanimously adopted.

The following communication was received from the Commissioner of Docks relative to the proposed purchase and operation by the City of a municipal ferry between the foot of Whitehall street, Manhattan, and Thirty-ninth street, Brooklyn:

PIER "A," NORTH RIVER, }
NEW YORK, April 4, 1905 }

N. TAYLOR PHILLIPS, Esq., *Secretary, Commissioners of the Sinking Fund:*

SIR—Referring to your letter of February 28, 1905, transmitting copy of communication addressed to his Honor the Mayor from Joseph J. O'Connell and others relative to the proposed purchase and operation of a municipal ferry between the foot of Whitehall street, Borough of Manhattan, and Thirty-ninth street, South Brooklyn, which was referred to me at a meeting of the Commissioners of the Sinking Fund held February 23, 1905.

The City is at the present time actively engaged in establishing a municipal ferry from the foot of Whitehall street, in the Borough of Manhattan, to St. George, in the Borough of Richmond, and also, in connection therewith, the establishing of two other ferries to Staten Island from the foot of Whitehall street, in the Borough of Manhattan, viz., to Port Richmond and to Stapleton.

The City is further confronted with the fact that the Union Ferry Company now proposes to shut down and cease the operations of the ferries which it owns and operates on May 1 next.

In view of the facts confronting the City in the transportation of passengers to and from the Borough of Manhattan, it would seem to me advisable to defer definite action in regard to the proposition of municipalizing the South Brooklyn Ferry, which is admittedly, from reports made heretofore by the Engineer of the Finance Department and others, a proposition where the City will be called upon to face a considerable deficit in the operation of the ferry, and which further is a proposition for the betterment of the commercial facilities of the Brooklyn shore, and not one involving to a very considerable extent the transportation of passengers.

In a report made by the Engineer of the Finance Department on December 3, 1903, it was stated that it would seem reasonable that the business interests benefited by this ferry should furnish a terminal free of cost on the South Brooklyn shore.

I have been unable to obtain from any one interested in this proposition any offer for such a free terminal, and, in fact, in a communication from the President of the New York and South Brooklyn Ferry Company, which was directed to the Engineer-in-Chief of this Department, dated March 7, 1905, an increase in valuation for the land at South Brooklyn over the valuation which was given about one year ago, when the Thirty-ninth street ferry proposition was taken up, is given, as the figure which the above named company would accept from the City for the lands necessary for a Brooklyn terminal, and all other items are the same as were given in the communication from the above named company to the former Commissioner of Docks, under date of September 23, 1903.

I beg to submit for the consideration of the Commissioners of the Sinking Fund the following information as to what would be approximately involved in the way of expenditure in municipalizing the Thirty-ninth Street Ferry.

The total amount which the Ferry Company states it would be willing to accept is \$1,015,690 00
Estimated cost of 4 new boats at \$200,000 each 800,000 00
Estimated cost of rebuilding terminals at South Brooklyn and Manhattan 250,000 00

Making a known expenditure that the City will be put to in order to municipalize this ferry \$2,065,690 00

And to this amount, in my opinion, should be added a portion of the cost of acquiring Pier, old 3, East river, the westerly side of which will necessarily be needed in order to build an additional ferry slip at the foot of Whitehall street, in the Borough of Manhattan.

At the present time the City could only acquire from the New York and South Brooklyn Ferry Company their rights to the westerly side of the said Pier, old 3, East river, and the land under water adjacent to same, which the Company holds by lease expired in 1914. The value of this portion of Pier 3, East river, which should be charged to the Ferry, I would estimate to be about \$250,000, making a total cost to the City, including the acquisition of a portion of Pier, old 3, of practically \$2,300,000.

From information prepared by an expert in ferry management as to the cost of operation of the ferry on the new basis desired by the people of the Borough of Brooklyn with the new boats, the total approximate daily expense of operation would amount to \$419. The ferry's daily receipts for the year 1904 amount to about \$400. There is, therefore, apparently an excess of expenditures over receipts of about \$19 per day.

It must be noted, in addition to the fact that no interest will be paid on the cost of acquiring the property, that a large sum would be needed for a sinking fund to replace boats as they become worn out in the service, and for repairs, which, on the present ferry, amount to about \$21,000 a year.

It may be added further that in a communication received in 1903 from the President of the New York and South Brooklyn Ferry Company that for three years preceding the above date, the average receipts amount to about \$20,000 per annum over the cost of the operation and repairs.

On the new basis upon which this ferry would be run, it may be seen from the figures given above that there would be a loss equal to the interest on the cost of acquiring the property and the development of same, with the addition of any unusual cost of repairs, damage, etc.

I am not at the present time ready to give any opinion as to the desirability of municipalizing this ferry. The above report is submitted so that the Commissioners of the Sinking Fund will have the facts before them and may adopt such recommendations as may seem desirable in the premises.

With these facts before the City in regard to the present condition of the Staten Island Ferry and the conditions which, as above stated, have to be met in regard to the Brooklyn ferries, I would recommend that definite action in regard to municipalizing the Thirty-ninth Street Ferry be not taken at the present time. This particular ferry is more for the benefit of the commercial interests than for the benefit of any large number of residents of the section. It might further be noted, as stated in the report of the Engineer of the Finance Department, that the present activity in the building of tunnels and bridges for the carrying of passengers is such as to make it a probable assumption that the increase of population in Brooklyn will be accommodated in that direction.

Very respectfully,

MAURICE FEATHERSON, Commissioner.

Which was ordered printed.

The Comptroller moved that a public hearing be given upon this matter to be held at 11 o'clock A. M. on Wednesday, April 12, 1905.

Motion carried.

The following was received from the Board of Education relative to a renewal of the lease of premises at No. 28 Macdougall street, Borough of Manhattan:

To the Board of Education:

The Committee on Buildings respectfully reports that on January 25, 1905 (see Journal, page 174), the Board of Education adopted a resolution, requesting the Secretary to notify the lessors of the premises No. 28 Macdougall street, annex to Public School 8, Borough of Manhattan, that the lease which will expire May 1, 1905, would not be renewed in view of the decision of said lessors to discontinue the occupancy of these premises after said date.

Circumstances have changed the situation, and the premises will be available for school purposes for a further period.

The Acting City Superintendent has recommended that the lease be renewed for another year, as has also the Local School Board, and the Departments of Health and Buildings have certified that the sanitary and structural conditions are satisfactory. The following resolutions are submitted for adoption:

Resolved, That the resolution adopted by the Board of Education on January 25, 1905, relative to the non-renewal of the lease of the premises No. 28 Macdougall street be and it is hereby rescinded.

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a renewal of the lease of the double parlors on the first floor of the premises No. 28 Macdougall street, occupied as an annex to Public School 8, Borough of Manhattan, for a period of one year from May 1, 1905, on the same terms and conditions as in the existing lease. Lessors, Richmond Hill House, Incorporated; Seymour L. Cromwell, treasurer, No. 36 Broad street, City.

A true copy of report and resolutions adopted by the Board of Education on March 22, 1905.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting held March 22, 1905, adopted the following resolutions:

"Resolved, That the resolution adopted by the Board of Education on January 25, 1905, relative to the non-renewal of the lease of the premises No. 28 Macdougall street be and it is hereby rescinded."

Lessors, Richmond Hill House, Incorporated; Seymour L. Cromwell, treasurer, No. 36 Broad street, City."

The Bureau of Buildings and the Department of Health having reported on its condition as suitable for school purposes, I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease of the double parlors on the first floor of premises No. 28 Macdougall street, Borough of Manhattan, for a period of one year from May 1, 1905, otherwise upon the same terms and conditions as are contained in the existing lease. Which resolution was unanimously adopted.

The following was received from the Board of Education, relative to a renewal of the lease of premises Nos. 75 to 79 Schermerhorn street, Borough of Brooklyn:

To the Board of Education:

The Committee on Buildings respectfully reports that the lease of the premises Nos. 75 to 79 Schermerhorn street, occupied as an annex to the Commercial High School, Borough of Brooklyn, will expire July 1, 1905, and the City Superintendent has stated that the said premises will be needed until February 1, 1906, or until the completing of the new building for the Commercial High School. This latter building will in all probability be ready for occupancy during the latter part of this year, but Public School 5 will be demolished to make way for the new Manhattan Bridge, No. 3, and then this leased property will be available for elementary school purposes. The Departments of Health and Buildings have certified that the sanitary and structural conditions thereat are satisfactory.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize the renewal of the lease of the premises Nos. 75 to 79 Schermerhorn street, occupied as an annex to the Commercial High School, Borough of Brooklyn, for a period of one year from July 1, 1905, at an annual rental of \$1,300 and water taxes, and on the same terms and conditions as in the existing lease. Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from Philip Scheyer, of the floor above the ground floor of premises known as No. 32 Sutton place, Borough of Manhattan, for the use of the Department of Bridges for a term of one year from May 1, 1905, with the privilege of a renewal for one year at an annual rental of three hundred and sixty dollars (\$360), payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The Comptroller presented the following report and offered the following resolution relative to a renewal of the leases of premises No. 143 Broadway, Ozone Park; premises on Park street, Richmond Hill, and premises on Iroquois avenue and Fulton street, Hollis, for the Queens Borough Library:

MARCH 22, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Alfred H. Schlesinger, Secretary of the Queens Borough Library, in a communication under date of March 17, 1905, requests the Sinking Fund Commissioners to renew certain leases of premises occupied by the Queens Borough Library.

First—In regard to the premises No. 143 Broadway, Ozone Park, I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease for a period of one year from May 1, 1905, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Joseph Marusak.

Second—In regard to the premises on the west side of Park street, between Myrtle avenue and Jamaica road, Richmond Hill, the Secretary states that "We expect the new Carnegie Building at Richmond Hill to be completed not later than June 1, 1905," and requests a renewal of the lease for one month from May 1, 1905, at a rental of \$75 a month. The present rent of these premises is \$800 per annum, but inasmuch as the Queens Borough Library only intends to occupy the premises for one month, the rent of \$75 is reasonable. I would therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease of these premises for a period of one month from May 1, 1905, at a rental of \$75 per month, otherwise upon the same terms and conditions as contained in the existing lease. Lessors, Frank Grim and Mrs. H. L. S. Donaldson.

Third—In regard to the lease of the premises on Iroquois avenue and Fulton street, Hollis, I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease of the three rooms on the first floor of this building for a term of one year from July 1, 1905, at an annual rental of \$500, payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Hollis Association.

Respectfully submitted for approval.

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City of the following described premises for the use of the Queens Borough Library:

1. The store floor of premises known as No. 143 Broadway, Ozone Park, Borough of Queens, for a period of one year from May 1, 1905, at an annual rental of \$360, payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Joseph Marusak.

2. Premises on the west side of Park street, between Myrtle avenue and the Brooklyn and Jamaica road, for a period of one month from May 1, 1905, at a rental of \$75 for the month, otherwise upon the same terms and conditions as contained in the existing lease. Lessors, F. K. Grim and Mrs. Hepsa L. S. Donaldson.

3. Three rooms on the first floor of Hollis Association Hall, on the southeast corner of Iroquois and Fulton avenues, Hollis, Borough of Queens, for a term of one year from July 1, 1905, at an annual rental of \$500, payable quarterly, otherwise upon the same terms and conditions as contained in the existing leases. Lessor, Hollis Association.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

Which resolution was unanimously adopted.

The following communication was received from the Department of Health, relative to a lease of premises No. 75 Henry street, Borough of Brooklyn:

NEW YORK, March 23, 1905.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

DEAR SIR—Inclosed herewith you will find a copy of a resolution adopted by the Board of Health at its meeting held March 22, 1905, requesting the Honorable the Commissioners of the Sinking Fund to consent to the lease of the premises known as No. 75 Henry street, located between Orange and Pineapple streets, in the Borough of Brooklyn, at an annual rental of not exceeding \$1,000, for a period of two years, for the use of the Department of Health as a clinic for the treatment of persons affected with communicable pulmonary diseases.

The owner of the premises is Alfred Ogden, residence, Yonkers, N. Y. The property consists of a four-story and basement brick house, 22 feet wide and 52 feet deep, on a lot 70 feet deep. It contains 22 rooms and two waterclosets. The time of the proposed lease is two years and does not include the privilege of renewal.

The rental is at the rate of \$1,000 per annum, payable quarterly. The owner will make all reasonable repairs, will pay the water tax and will care for the roof, furnace, sidewalk and front of the premises.

The death rate of persons affected with communicable pulmonary diseases is so great that it makes the maintenance of a clinic for the treatment of communicable pulmonary diseases in the Borough of Brooklyn an urgent necessity. The premises recommended

are the most reasonable that can be secured in the neighborhood for the purposes desired, and the rental cannot be paid from the appropriation of the Department of Health for the year 1905 for the reason that no such appropriation was made.

Respectfully,

EUGENE W. SCHEFFER, Secretary.

NEW YORK, March 23, 1905.

Upon recommendation of the General Medical Officer, the following preambles and resolution were adopted:

Whereas, The great death rate caused by the prevalence of communicable pulmonary diseases in the City of New York makes it necessary for the Department of Health to maintain clinics for the treatment of persons suffering from said communicable pulmonary diseases in at least two boroughs of the city; and

Whereas, There is at the present time no clinic for the treatment of such diseases in the Borough of Brooklyn; be it

Resolved, That the Honorable the Commissioners of the Sinking Fund be and are hereby respectfully requested to authorize a lease of the premises known as No. 75 Henry street, located between Orange and Pineapple streets, in the Borough of Brooklyn, for a period of two years, from April 1, 1905, at an annual rental of \$1,000, for the use of the Department of Health as a Clinic for the treatment of persons suffering from communicable pulmonary diseases.

EUGENE W. SCHEFFER, Secretary.

A true copy.

In connection therewith the comptroller presented the following report and offered the following resolution:

APRIL 1, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioner of the Department of Health of The City of New York in a communication under date of March 23, 1905, requests the consent and approval of the Commissioners of the Sinking Fund to a lease of the premises known as No. 75 Henry street, between Orange and Pineapple streets, in the Borough of Brooklyn, at an annual rental of \$1,000, for a period of two years, for the use of the Department of Health, as a clinic for the treatment of persons affected with communicable pulmonary diseases. The owner of the premises, Mr. Alfred Ogden, of Yonkers, N. Y., through his attorney, Isaac H. Carey, No. 200 Fulton street, Borough of Brooklyn, has agreed to lease the premises at that price for the term herein recited, which the resolution of the Department of Health states to be from April 1, 1905. Inasmuch as there are tenants on the premises now and that they cannot remove therefrom for some time, and inasmuch as the owner has agreed to do a lot of repair work, such as painting, etc., it will be impossible of course for the Department of Health to take possession of the building at the time stated in the resolution of the Department of Health.

In his communication, the Commissioner gives the size of the building, the number of rooms and the toilet facilities. In addition to what the Commissioner gives, there are two bath rooms and sufficient water in each room for the use of the Department of Health.

I do not know where, in the City of Brooklyn, the Commissioner could have selected a house that would answer his purposes so fully as the one selected, and the rent being reasonable and just, I would respectfully recommend that the request of the Commissioner for the leasing of this house be approved, and that a lease be authorized for a period of two years from the date of occupation, at an annual rental of \$1,000; the owner to make repairs, as agreed with the Department of Health, and to pay the water tax; to take care of the roof and the furnace and the sidewalk in front of the premises, the rent to be payable quarterly; the owner, Alfred Ogden, Yonkers, N. Y.

Respectfully submitted for approval.

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Alfred Ogden, of premises known as No. 75 Henry street, in the Borough of Brooklyn, for the use of the Department of Health, as a clinic for the treatment of persons affected with communicable pulmonary diseases, for a term of two years from the date of occupation, at an annual rental of one thousand dollars (\$1,000), payable quarterly; the owner to make repairs as agreed with the Department of Health, to pay the water tax, take care of the roof, the furnace and the sidewalk in front of the premises; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Police Department requesting authority to establish, provide and furnish the premises on the corner of Fifth avenue and Eighty-sixth street, Borough of Brooklyn, as a station-house for the Seventy-first Police Precinct:

NEW YORK, March 20, 1905.

To the Honorable the Commissioners of the Sinking Fund:

GENTLEMEN—The Police Commissioner this day

Ordered, That, in pursuance to the provisions of section 320 of the Greater New York Charter, the Commissioners of the Sinking Fund be and are hereby respectfully requested to authorize the Police Commissioner to establish, provide and furnish the premises on the corner of Fifth avenue and Eighty-sixth street, in the Borough of Brooklyn, as a station-house for the Seventy-first Police Precinct, for the accommodation thereof of members of the Police Force and as a place of detention for persons arrested and property taken within said precinct, and also to provide and furnish such business accommodations, apparatus and articles and provide for the care thereof as shall be necessary for the Police Department and the transaction of the business of the Department therein.

Very respectfully,

WM. H. KIPP, Chief Clerk.

The City of New York, having acquired a site for a new police station-house at the corner of Eighty-sixth street and Fifth avenue, Borough of Brooklyn, on June 3, 1904, I would respectfully recommend that the Commissioners of the Sinking Fund approve of the above request of the Police Commissioner under date of March 20, 1905, pursuant to the provisions of section 320 of the Amended Greater New York Charter.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau,
Department of Finance.

March 22, 1905.

In connection therewith the Comptroller offered the following resolution:

Resolved, That, pursuant to the provisions of section 320 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby authorize the Police Commissioner to establish, provide and furnish the premises on the corner of Fifth avenue and Eighty-sixth street, in the Borough of Brooklyn, as a station-house for the Seventy-first Police Precinct, for the accommodation thereof of members of the Police Force and as a place of detention for persons arrested and property taken within the said precinct, and also to provide and furnish such business accommodations, apparatus and articles, and provide for the care thereof as shall be necessary for the Police Department and the transaction of the business of the Department therein.

Which was unanimously adopted.

The Comptroller presented the following report, relative to various parcels of land owned by the City, which he recommends be sold at public auction:

MARCH 27, 1905.

To the Commissioners of the Sinking Fund:

GENTLEMEN—The City of New York is the owner of parcels and small lots of land, some regular and some irregular in shape, acquired under the old Charters of 1686 and 1730, as well as by purchase from time to time for departmental purposes, and also property acquired under the old tax sale laws of the Borough of Brooklyn. These parcels of land are at the present time bringing in little, if any, revenue, and it seems to me that it would be beneficial to the City to dispose of this property at public auction and make it a tax-producing revenue rather than a burden upon the City in every case where the land is not and will not be needed for public purposes.

Where the properties are improved they are leased by the Commissioners of the Sinking Fund, in accordance with the provisions of section 205 of the Charter, the lessees to make all repairs and to pay a certain rent fixed by the Commissioners of the Sinking Fund. The rent, of course, is merely a nominal sum, for the reason that the lessees make the repairs, and the City is not deriving that income from the property which it would derive were the property owned by private parties and an annual tax levied thereon.

At this meeting there will be presented three reports recommending the sale of two parcels of land in the Borough of Manhattan and a large number of tax sale lots in the Borough of Brooklyn. The parcels to be sold are not used for any public purpose, nor, from their location, are they liable to be. I will from time to time present to this Board for its consideration other parcels to be disposed of at public auction in accordance with the provisions of the Charter. I would respectfully recommend that these sales be authorized by the Commissioners of the Sinking Fund and that the money, when received, be turned into the City, in accordance with the provisions of the Greater New York Charter.

Respectfully submitted,

EDWARD M. GROUT, Comptroller.

The Comptroller presented the following report and offered the following resolution relative to a proposed sale at public auction of certain properties acquired by the City of Brooklyn for the non-payment of taxes:

MARCH 23, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The City of Brooklyn, under and by virtue of the provisions of chapter 114 of the Laws of 1883, purchased certain parcels of land in the old City of Brooklyn which were sold by the Registrar of Arrears of said City for the non-payment of taxes, and under the provisions of said act served notices upon the owners and acquired deeds thereunder. A large number of the parcels of land so acquired were exposed for sale on or about December 1, 1897, at public auction, and were bid in, and deeds were given thereunder by the City of Brooklyn.

On January 1, 1898, the old City of Brooklyn was consolidated with The City of New York, and all real estate acquired by the City of Brooklyn is now owned by The City of New York. All of the properties mentioned in the statement attached were acquired by the City of Brooklyn for the non-payment of taxes, under the provisions of said act, the deeds of which were delivered by the Registrar of Arrears to the said City of Brooklyn.

The premises shown on the statement in question are, with few exceptions, vacant property, and are carried on the books of the City without bringing any revenue. I doubt very much whether they will ever be needed for Departmental purposes at any time in the future, and I see no reason why these properties should not be exposed for sale at public auction in order that they may be made tax-producing. It is true that there are taxes due and unpaid on the properties shown on this statement since 1897, and it is a question with the Commissioners of the Sinking Fund whether the City should dispose of this property at public auction, subject to the taxes of 1897 and subsequent, or whether the City should dispose of this property at public auction and pay the indebtedness as shown on the tax books.

Four of the parcels of land shown on the statement are interior plots; that is, they are the rear ends of lots in the interior of blocks, and have no street frontage or street entrance. This property, having been acquired through a tax sale title, the titles have not been examined by any title insurance company, and if sold without such examination should be by quit-claim deed only, by which the City would give such title as it has.

I would therefore respectfully recommend:

First—That the City dispose of this property at public auction.

Second—That the Commissioners of the Sinking Fund authorize an examination of these titles, with the understanding that where the notices were properly served, in accordance with the law under which they were acquired, the title company should give a title company's policy, so that the City could sell such titles with such policies, giving a bargain and sale deed, and thus derive a much larger sum from the sale of these properties than they would by a sale of the City's interest with a quit-claim deed. Certainly, the sum derived will be larger than the costs of examination of title, and I believe would inure to the City's benefit. After the Commissioners of the Sinking Fund have decided as to the method to be pursued this office will take up the question of the upset price to be put upon the property and the completion of the sale and final report to the Commissioners of the Sinking Fund.

Respectfully submitted for approval.

Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the recommendation of the Comptroller in his communication of March 23, 1905, that the City sell at public auction certain properties acquired by the City of Brooklyn, for the non-payment of taxes under and by virtue of the provisions of chapter 114 of the Laws of 1883, the deeds of which were delivered by the Registrar of Arrears to the said City of Brooklyn; and further

Resolved, That for the purpose of such proposed sale, the Comptroller be and is hereby authorized to have an examination made of the titles to the properties, with the understanding that where the notices were properly served in accordance with the law under which they were acquired, the title company shall give a title company's policy so that the City can sell such titles with such policies, giving a bargain and sale deed.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a sale at public auction of premises Nos. 125 and 127 Park row, Borough of Manhattan:

MARCH 13, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—In a communication under date of March 15, 1905, Mr. George Ehret makes an offer of \$35,000 for the premises owned by the City, known as and by the Nos. 125 and 127 Park row, in the Borough of Manhattan, having a frontage of 30 feet on Park row and a depth of 65 feet 3 inches on each side, extending back toward William street, and states that he is the owner of the lease-hold of the said premises, and desires to purchase the fee of the land from the City, and incloses a check for \$350 for the purpose of paying any expenses which the City might incur by reason of the premises being exposed for sale and there being no bidders.

The premises in question were acquired by The City of New York by the Charters of 1686 and 1730, and was known as Lot No. 113 "on the map of the lands of the said Mayor, Aldermen and Commonalty of The City of New York," and first leased by the Mayor, Aldermen and Commonalty of The City of New York to Patience Bonnett under date of April 21, 1808, and recorded in the Comptroller's office in Book 3 of Leases, page 161. The lease ran for a period of twenty-one years from May 1, 1808, and expired May 1, 1829, the annual rental being \$250, payable quarterly. This lease was transferred

by assignment under date of November 19, 1810, to John Connor and Hugh Houstoun, which lease was again assigned on December 30, 1816, to John Morss and Thomas T. Woodruff. Said lease contained a clause that the lessees shall, at their own proper costs and charges, bear, pay and discharge all such duties, taxes, assessments, impositions and payments as shall, during the term hereby demised, be issued or grow due and payable out of and for the said demised, premised premises, and shall level, dig out and pave such parts of the street to the middle thereof on which said lot is bounded in such sufficient manner as the said Mayor, Aldermen and Commonalty of The City of New York shall, from time to time, order and direct. Also to make, erect, set upon and finish before the expiration of the term a good and substantial brick building of at least two stories high, besides the garret, from the ground, etc.

A further clause required that the lease should be renewed to the lessee, his executors, administrators or assigns for a further period of twenty-one years thereafter, that a like covenant for future renewals as is contained in this present indenture and upon such rents and other terms and conditions as shall be agreed upon by the parties, or as shall be determined by two sworn appraisers, unless the said premises or some part thereof shall, at the expiration of said term hereby demised, be required for public purposes, in which case, the said term shall not be renewed and the lessors shall and will pay to the lessee, his executors, administrators and assigns, the value of such buildings as shall be erected in pursuance of this lease, the value to be obtained by appraisers the same as the condition of the rental value to be determined.

There was also a further clause which permitted the lessee to remove all other buildings and improvements now erected on said demised premises without interference on the part of The City of New York. There was also a clause prohibiting the assignment of this lease without the consent of the City, and a clause that if the lease was not renewed, the premises should be delivered up without fraud or delay.

The lease was renewed for a period of twenty-one years from May 1, 1829, at an annual rental of \$360, payable quarterly, the lessees being John Morss and Thomas T. Woodruff (see Book "City Lots," Special Leases, page 128).

The lease was again renewed for a period of twenty-one years from May 1, 1850, to Thomas T. Woodruff and John Morss, at an annual rental of \$440, payable quarterly (see Book I., Special Leases, page 198).

The lease was again renewed for a period of twenty-one years from May 1, 1871, at an annual rental of \$1,250, the lessees being John Morss and Thompson J. S. Flint, executor, and Mary W. Woodruff and Julia R. Woodruff, executrices of Marcus P. Woodruff, deceased, which lease was assigned, with the consent of the then Comptroller of New York City on July 9, 1873, to Louisa Bauer (see Book I., Special Leases, page 346).

MARCH 13, 1905.

The lease was again renewed by a resolution of the Commissioners of the Sinking Fund on March 31, 1892, for a period of twenty-one years from May 1, 1892, the lessee being Louisa Bauer, at an annual rental of \$1,600, payable quarterly, who is also to pay all the taxes and assessments. The lease contains the provision that if it is not renewed the City will pay the value of the building erected on said premises, in pursuance of the lease (see Book II., Special Leases, page 33).

By a decree of foreclosure and sale, recorded in the Register's office in section 1, Liber 27 of Conveyances, page 126, the petitioner, George Ehret, received a deed from George Landon, referee, of the interest of Louisa Bauer in these premises.

In regard to the terms of the lease as to whether the privilege of renewal at the end of the term should be construed as creating a perpetuity, the late Corporation Counsel, William H. Clarke, states in an opinion under date of March 30, 1892, that "in regard to similar leases, that the lessees named, or their assigns, cannot compel the insertion of the covenants for renewal in the new leases about to be given under the covenants of the existing leases" (see Minutes, S. F., 1892, page 362), and the said Corporation Counsel referring to the particular lease in regard to the above premises, states that the renewal clause is within the principle of construction defined in the above opinion, and the lease of twenty-one years from May 1, 1892, leaves it to the option of the City whether the lease shall be renewed.

A request for the sale of this property is followed by a request from Mr. Cozzino for the sale of the premises directly in the rear, fronting on William street, of a plot of almost similar dimensions and under leases of similar character, a separate report on which will be made.

The present rent of the property is \$1,600 per annum, the lessee in addition thereto paying the taxes, assessments and water rates, and keeps the building in repairs. I would therefore respectfully recommend that the Commissioners of the Sinking Fund consent to the sale of the following described property in the Borough of Manhattan, at a minimum or upset price of \$35,000, which price I consider a fair appraisal value, subject to a certain lease to Louisa Bauer, recorded in Book II. of Special Leases, page 33, in the Department of Finance, expiring May 1, 1913:

Beginning at a point on the southerly side of Park row distant 131 feet 6 inches easterly from the corner formed by the intersection of the southerly side of Park row with the northeasterly side of New Chambers street; running thence southerly at right angles to Park row 65 feet 3 inches; thence easterly parallel with Park row 30 feet; thence northerly 65 feet 3 inches to the southerly side of Park row; thence westerly along the southerly side of Park row 30 feet to the point or place of beginning, it being intended to sell and convey the lot known as No. 113 "on the map of the said Mayor, Aldermen and Commonalty of The City of New York,"

—upon the following:

TERMS AND CONDITIONS.

The highest bidder will be required to pay 10 per cent. of the amount of his bid, together with the auctioneer's fees, at the time of sale; 30 per cent. upon the delivery of the deed, which shall be thirty days from the date of sale; the remaining 60 per cent. either to be paid at the date of the delivery of the deed or at the option of the purchaser, to remain on bond and mortgage for five years, with interest at the rate of 6 per cent. per annum, payable semi-annually, the mortgage to contain the customary thirty days' interest and ninety days' tax and assessment and insurance clauses.

The bond and mortgage may be paid off at any time within the term thereof on giving thirty days' notice to the Comptroller, or may be paid in installments of not less than \$5,000 on any day when interest is due, or on thirty days' notice. The bond and mortgage will be prepared by the Corporation Counsel, and the sum of \$12.50 will be charged for drawing, acknowledging and recording the same.

The Comptroller may at his option resell the property if the successful bidder shall fail to comply with the terms of sale, and the person failing to comply therewith will be held liable for any deficiency which may result from such resale.

The right is reserved to reject any and all bids.

Said land is sold subject to a lease made between the Mayor, Aldermen and Commonalty of The City of New York and Louisa Bauer, which lease is recorded in Book II. of Special Leases, page 33, Department of Finance, running for a period of twenty-one years, expiring May 1, 1913, and which said lease was assigned by a decree of foreclosure and sale to George Ehret, recorded in section 1, Liber 27 of Conveyances, page 126, in the Register's office of the County of New York.

Respectfully submitted for approval,

Appraiser of Real Estate in Charge of Bureau.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to a sale at public auction of premises No. 253 William street, Borough of Manhattan:

Hon. EDWARD M. GROUT, Comptroller:

SIR—Mr. Joseph A. Cozzino, in a communication under date of January 18, 1905, makes an offer of \$25,000 for the premises No. 253 William street, Borough of Manhattan, having a frontage of 31 feet 8 inches on William street and extending back towards Park row 63 feet 6 inches on one side and 63 feet 8 inches on the other. He states that he is the owner of the leasehold of said premises, and desires to purchase the fee of said land from the City, and incloses a check for \$350 for the purpose of paying any expenses which the City might incur by reason of the premises being exposed for sale and there being no bidders.

The premises in question were acquired by The City of New York by the charters of 1686 and 1730, and was known as Lot No. 131 "on the map of the lands of the said Mayor, Aldermen and Commonalty of The City of New York," and first leased by the Mayor, Aldermen and Commonalty of The City of New York to Jediah Morris under date of the 14th day of September, in the year 1811, and recorded in the Comptroller's office in Book F of Leases, page 13. The lease ran for a period of twenty-one years from May 1, 1806, and expired May 1, 1827, the annual rental being \$100, and to be paid quarterly, \$25 on the first day of August and a like sum in November, February and May in each year. In addition to paying the annual rental charge of \$100, the lessees were required to bear and pay and discharge all such duties as taxes, assessments, impositions and payments as shall, during the term hereby demised, be issued or grow due and payable out of and for the said demised premises, and shall level and dig out and pave such parts of the street to the middle thereof on which the said lot is opened in such sufficient manner as the said Mayor, Aldermen and Commonalty of The City of New York shall from time to time order and direct. And further required the said lessee to make, erect, set upon and finish before the expiration of twenty-one years upon said demised premises and adjoining the front line of said lot or as near thereto as may be, a good substantial brick building of at least two stories high, besides the garret from the ground, with a tiled or slate roof.

A further clause required that the lease should be renewed to the lessee, his executors, administrators or assigns for a further period of twenty-one years thereafter, that a like covenant for future renewals as is contained in this present indenture, and upon such rents and other terms and conditions as shall be agreed upon by the parties or as shall be determined by two sworn appraisers, one of whom to be chosen by each of the said parties, unless the said premises, or some part thereof, shall at the expiration of said term hereby demised, be required for public purposes, in which case the said term shall not be renewed, and the lessors shall and will pay to the lessee, his executors, administrators and assigns, the value of such buildings as shall be erected in pursuance of this lease, the value to be obtained by appraisers the same as the condition of the rental value to be determined.

There was a further clause which permitted the lessee to remove all other buildings and improvements now erected on said demised premises without interference on the part of The City of New York. There was also a clause prohibiting the assignment of this lease without the consent of the City, and a clause that if the lease was not renewed the premises should be delivered up without fraud or delay.

On November 14, 1814, the lease was assigned to Catherine Hilligrew, and on the 30th day of December, 1816, the lease was assigned to John Morss and Thomas T. Woodruff. On the first day of May, 1827, the lease of the above-mentioned premises was renewed by The City of New York to John Morse and Thomas T. Woodruff by a lease which is recorded in this Bureau of the Comptroller's Office, in Liber F of Leases, page 73. Said lease carried with it the same covenants and conditions as was contained in the first lease, with the exception that the agreement to erect a building was extended any time before the 14th day of September, 1832. The lease was for a period of twenty-one years, and expired May 1, 1848. A renewal of the above-mentioned lease was made by the City to said Morss and Woodruff for a period of twenty-one years, expiring May 1, 1869. The annual rental was made \$160, otherwise upon the same terms and conditions as in the other leases.

The lease was again renewed for a period of twenty-one years from May 1, 1869, at an annual rental of \$225, and upon the same terms and covenants as in the existing lease, the lessees being John Morss and Marcus P. Woodruff (see Book I of Special Leases, page 352).

The lease was again renewed for a period of twenty-one years from May 1, 1890, at an annual rental of \$700, payable quarterly and on the same terms and covenants as in the existing lease, the lessee being the J. M. Horton Ice Cream Company, a corporation (as successors in interest of the estates of John Morss and Marcus P. Woodruff, late of The City of New York, deceased). (See Book I of Special Leases, page 478.)

On October 1, 1894, the then Comptroller of The City of New York consented to the assignment of the above-mentioned lease from the Horton Ice Cream Company to Joseph A. Cozzino, the petitioner.

In regard to the terms of the lease as to whether the privilege of renewal at the end of the term should be construed as creating a perpetuity, the late Corporation Counsel William H. Clarke states, in an opinion under date of March 30, 1892, that "in regard to similar leases, that the lessees named or their assigns, cannot compel the insertion of the covenants for renewal in the new leases about to be given under the covenants in the existing leases." (See Minutes, Sinking Fund, 1892, page 362.)

A request for the sale of this property is followed by a request from Mr. Ehret for the sale of the premises directly in the rear, fronting on Park Row, of a plot of similar dimensions and under leases of similar character, a separate report on which will be made.

I would respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to sell at public auction at a minimum or upset price of \$25,000, which price I consider a fair appraisal value, the following-described property in the Borough of Manhattan, subject to a certain lease to Joseph A. Cozzino, recorded in Book I of Special Leases, pages 478 and 482, in the Department of Finance, expiring May 1, 1911:

All that certain lot, piece or parcel of land, beginning at a point on the northerly side of William street, distant 16 feet 6 inches easterly from the corner formed by the intersection of the northerly side of William street with the northeasterly side of New Chambers street; thence running northerly 63 feet 6 inches; thence easterly and parallel with William street 30 feet; thence southerly 63 feet 8 inches to the northerly line of William street; thence westerly along the northerly line of William street 31 feet 8 inches to the point or place of beginning, it being intended to sell and convey the lot known as No. 131 "on the map of the lands of the said Mayor, Aldermen and Commonalty of The City of New York,"

—upon the following

TERMS AND CONDITIONS.

The highest bidder will be required to pay 10 per cent. of the amount of his bid, together with the auctioneer's fees, at the time of sale; 30 per cent. upon the delivery of the deed, which shall be thirty days from the date of the sale; the remaining 60 per cent. either to be paid at the date of the delivery of the deed or at the option of the purchaser, to remain on bond and mortgage for five years, with interest at the rate of 6 per cent. per annum, payable semi-annually, the mortgage to contain the customary thirty days' interest and ninety days' tax and assessment and insurance clauses.

The bond and mortgage may be paid off at any time within the term thereof on giving thirty days' notice to the Comptroller, or may be paid in installments of not less than \$5,000 on any day when interest is due, or on thirty days' notice. The bond and mortgage will be prepared by the Corporation Counsel, and the sum of \$12.50 will be charged for drawing, acknowledging and recording the same.

The Comptroller may, at his option, resell the property if the successful bidder shall fail to comply with the terms of the sale, and the person failing to comply therewith will be held liable for any deficiency which may result from such resale.

The right is reserved to reject any and all bids.

Said land is sold subject to a lease made between the Mayor, Aldermen and Commonalty of The City of New York and the J. M. Horton Ice Cream Company, a corporation organized and existing under the laws of the State of New York, doing business in The City of New York as successors in interest of the estate of John Morss and Marcus P. Woodruff, late of The City of New York, which lease is recorded in Book I. of Special Leases, page 478, Department of Finance, which said lease is dated the 1st day of May, 1890, running for a period of twenty-one years, expiring May 1, 1911, and which said lease was assigned, with the consent of

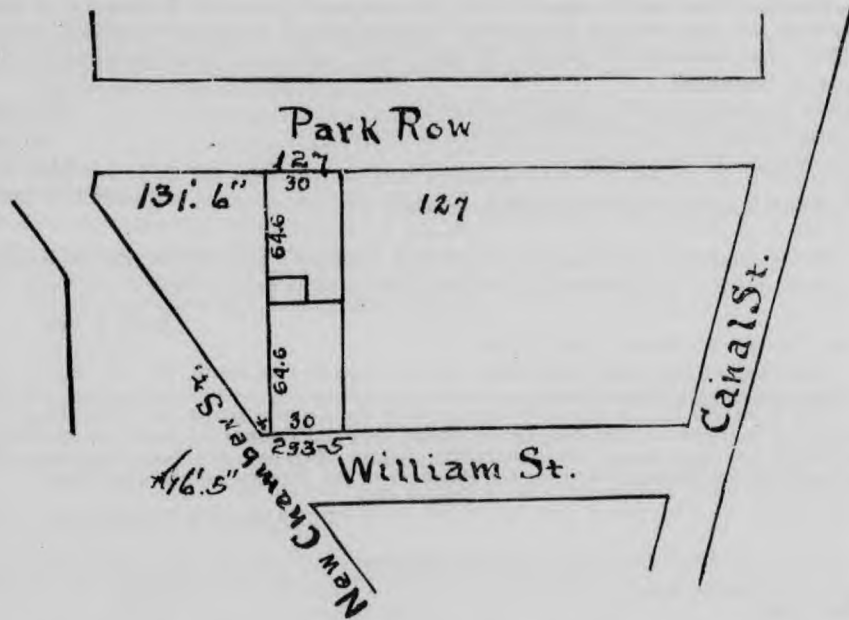

the Comptroller of The City of New York, to Joseph A. Cozzino and recorded in Book I. of Special Leases, page 482, in the Department of Finance.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Fire Department, relative to an assignment of Lot No. 7, in Block 487, of the Thirty-first Ward, Borough of Brooklyn:

BOROUGH OF MANHATTAN, March 24, 1905.

Hon. GEORGE B. McCLELLAN, Chairman, Commissioners of the Sinking Fund:

SIR—On January 24, 1903, the Commissioners of the Sinking Fund adopted a resolution assigning for the use of this Department, the "northerly portion, 50 by 125 feet, of Lot No. 7, Block 487 of the Thirty-first Ward, being on the northeasterly side of East Twenty-third street, between Voorhies and Emmons avenues," owned by the City in the Borough of Brooklyn.

Mr. Sturgis, my predecessor, in 1903, directed that plans be prepared for a house to be erected upon the site for Engine Company 146, but the architect, instead of providing for a structure 50 feet wide, submitted plans for a building 75 feet wide, which it appears were approved and the building erected in accordance.

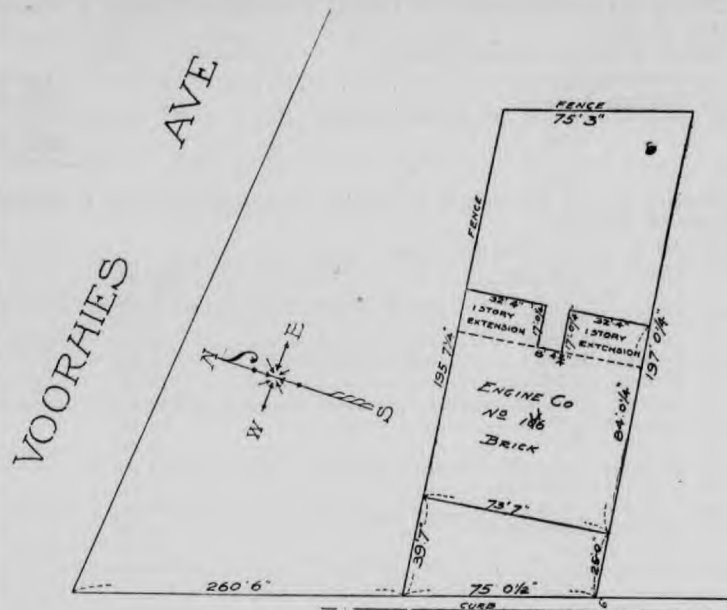

The condition is that we have a building occupied by two engines and a hook and ladder truck, which is 25 feet wider than the space granted by the resolution above referred to.

To overcome this seeming inadvertence, I have the honor to request that the resolution adopted by your Honorable Board January 24, 1902, assigning 50 by 125 feet of Lot No. 7, Block 487 of the Thirty-first Ward, in the Borough of Brooklyn, be amended and that the whole of Lot No. 7 be assigned to this Department for its use.

A copy of the survey of the premises is transmitted herewith.

Yours respectfully,

NICHOLAS J. HAYES, Commissioner.

In connection therewith the Comptroller presented the following report of the Appraiser of Real Estate, and offered the following resolution:

MARCH 29, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The City owns a lot 75.05 by 197.04 feet, irregular, on the easterly side of East Twenty-third street, between Voorhies and Emmons avenues, 260.5 feet south of Voorhies avenue, acquired by the Trustees of School District No. 4, Town of Gravesend, from Thomas F. Voorhies by deed dated August 23, 1878, and recorded in the Kings County Register's office in Liber 1328, page 329. It was used for school purposes for many years, and was, on January 24, 1900, formally turned over to the Commissioners of the Sinking Fund (see Min. S. F., 1901, page 473) by the Board of Education. The Commissioners of the Sinking Fund, at a meeting held January 24, 1902, assigned for the use of the Fire Department the northerly portion of the school site, 50 by 125 feet, of Lot No. 7, in Block 487, in the Thirty-first Ward, Borough of Brooklyn, being on the northeasterly side of the East Twenty-third street property.

It appears that in 1903 the Fire Department erected a house on this site for Engine Company 146, with a frontage of 75 feet, which is 25 feet wider than the space assigned by the resolution of the Commissioners of the Sinking Fund.

The Hon. Nicholas J. Hayes, in a communication under date of March 24, 1905, states:

"To overcome this seeming inadvertence I have the honor to request that the resolution adopted by your Honorable Board January 24, 1902, assigning 50 by 125 feet, be amended, and that the whole of Lot No. 7 be assigned to this Department for its use."

I would therefore respectfully recommend that the Commissioners of the Sinking Fund assign for the use of the Fire Department all of Lot No. 7, in Block 487, Thirty-first Ward, Borough of Brooklyn, not heretofore assigned by the resolution of January 24, 1902.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Commissioners of the Sinking Fund hereby assign for the use of the Fire Department all of Lot No. 7, in Block 487, Thirty-first Ward, Borough of Brooklyn, not heretofore assigned by resolution adopted by this Board on January 24, 1902.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following statement and offered the following resolution relative to a refund of \$100 to Abraham Weinstein:

MARCH 31, 1905.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held February 23, 1905, acting under a petition of Abraham Weinstein, authorized a release of the City's interest to all that portion of a plot of land located in the Borough of Manhattan, City of New York, which is outside the original high water line as laid out on Randel's map, granted to the City by the Charters of 1686 and 1730, containing in area about 660 feet, and lying within the area of the lines of a lot owned by Mr. Weinstein, located on the northerly side of East One Hundred and Twenty-third street, distant 87 feet 11 inches westerly from Pleasant avenue, said Weinstein property being 50 feet 1 inch in width front and rear by 100 feet 11 inches in depth, the said area of the City's property being about 13 per cent. of the total area of the lot and located on the rear end thereof.

The Commissioners of the Sinking Fund at a meeting held in 1902 (see Minutes, Sinking Fund, 1902, page 452), acting under a request of the former owner, Ratje Bunke, offered the identical property for sale at public auction at a minimum or upset price, which was at that time fixed by the Commissioners of the Sinking Fund at \$780. This price was considered high by the then owner and no bids were made at the sale for the property.

The upset price for the last sale of this property was \$1,170, plus \$25 for auctioneer's fee, and \$100 for the expense of advertising, drawing the necessary papers, etc. The property was duly advertised in accordance with the Charter of the Greater New York. The auction sale took place on the 25th of March, 1905, and was knocked down to the said Weinstein for the sum of \$2,200. The reason of the knock-down bid being greater than the upset price by \$1,030, was caused by the fact that the bidders supposed they were buying 50 by 100 feet on East One Hundred and Twenty-third street, instead of only 13 per cent. of such lot.

Mr. Weinstein paid all the money, including the \$25 auctioneer's fee and \$100 for examination, etc., and through his attorneys, Messrs. Bogart & Bogart, of No. 61 Park row, New York City, in a communication under date of March 28, 1905, requests that \$100 be returned to him.

I am of the opinion, and would respectfully recommend, that as a matter of equity under the conditions, the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to the said Abraham Weinstein the sum of \$100, heretofore paid by him on March 25, 1905, in accordance with the resolution adopted by the Commissioners of the Sinking Fund, making such a charge for the sale of the property.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Redemption of the City Debt No. 1, be drawn in favor of Abraham Weinstein for the sum of one hundred dollars (\$100), refunding him this amount of charges on sale of real estate paid March 25, 1905.

Which resolution was unanimously adopted.

At this point Mr. Edward Lauterbach, representing the Richmond Light and Railroad Company, appeared before the Board and was granted a hearing relative to the lease to said company of the right to use and operate the terminal station to be erected by the City at St. George, Borough of Richmond. The Comptroller explained to Mr. Lauterbach the action taken by the Board, whereupon he expressed his entire satisfaction, and thanked the Board for the uniform courtesy shown him during the many months this matter has been pending.

The Comptroller presented the following statement and offered the following resolution relative to an amendment to resolution authorizing a lease of premises at Nos.

384 and 386 Bridge street, Borough of Brooklyn, for the use of the Police Department (see page):

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held February 23, 1905, authorized a lease of the premises Nos. 384 and 386 Bridge street, Borough of Brooklyn, for the use of the Police Department, for a period from July 16, 1905, to May 1, 1906. It appears that the Police Department is not in occupation of the entire plot, but only of a portion thereof, and I would respectfully recommend that the Commissioners of the Sinking Fund amend the resolution of February 23, 1905, in regard to the above premises, by inserting the words, "the rear portion of" before the words "of premises Nos. 384 and 386 Bridge street, Borough of Brooklyn."

Respectfully submitted for approval.

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Resolved, That the resolution adopted by this Board at meeting held February 23, 1905, authorizing a lease to the City from H. Salit, of premises Nos. 384 and 386 Bridge street, Borough of Brooklyn, for the use of the Police Department, be and the same is hereby amended by adding the words, "the rear portion of" before the words, "of premises Nos. 384 and 386 Bridge street, Borough of Brooklyn."

Which resolution was unanimously adopted.

Adjourned.

N. TAYLOR PHILLIPS, Secretary.

BOARD OF REVISION OF ASSESSMENTS.

A meeting of the Board of Revision of Assessments was held in the Council Chamber, City Hall, on Thursday, April 6, 1905, at 11.05 o'clock A. M.

Present—N. Taylor Phillips, Deputy and Acting Comptroller; Theodore Connolly, Assistant and Acting Corporation Counsel.

The reading of the minutes of the previous meetings, not yet approved, was dispensed with.

BOROUGH OF MANHATTAN.

The Deputy and Acting Comptroller presented the assessment list for sewers in Broadway, east and west sides, between Twenty-eighth and Twenty-ninth streets, and objections of Lucy Gilsey and the Estate of Peter Gilsey, deceased, filed by John C. Shaw, attorney, and of James M. Anderson and others, by Thomas W. Burke, attorney, received from the Board of Assessors under date of March 31, 1905.

The assessors reported that they had reduced the assessment 25 per cent. pro rata, but that the objections had been renewed.

Mr. Shaw was heard in opposition to the assessment on the ground that the sewer was built on both sides of Broadway, while one sewer in the middle of the roadway would have been ample, in consequence of which the expense had been doubled; that the property represented by him connects with the sewers in Twenty-eighth and Twenty-ninth streets, thus rendering the Broadway sewers of no benefit to it; also that no proper petition in the matter had been made.

Mr. Thos. W. Burke also opposed the assessment for similar reasons as those stated by Mr. Shaw.

On motion of the Assistant and Acting Corporation Counsel the assessment list was referred back to the Board of Assessors, with instructions to make a reduction in the amount of the present assessment upon the property of 20 per cent., and that the assessment when so reduced, be confirmed, all the members present voting in the affirmative.

BOROUGH OF BROOKLYN.

The assessment list for paving Hendrix street with asphalt pavement, between Pitkin and Dumont avenues, with objections of August Benzin and others, filed by Charles Alt, attorney, and communication from the President of the Borough inclosing reports of the Chief Engineer of the Bureau of Highways in regard to the alleged inferior work of the paving, were presented by the Deputy and Acting Comptroller, having been received from the Board of Assessors under date of March 31, 1905.

Mr. Alt was heard in regard to the improper performance of the work, and asked that a reduction be made in the assessment.

On motion of the Assistant and Acting Corporation Counsel the objections filed were overruled, and the assessment list was confirmed, all the members present voting in the affirmative.

BOROUGH OF THE BRONX.

The Deputy and Acting Comptroller presented the assessment list for reregulating regrading, curbing and recubing, flagging and reflagging East One Hundred and Fifty-ninth street, from Brook avenue to St. Ann's avenue, together with a list of awards for damages caused by a change of grade, and objections filed by Thomas W. Burke, Attorney, for Louis J. Pooler and others, and of the Roman Catholic Church of St. Peter and St. Paul by Thomas S. Bassford, attorney, having been received from the Board of Assessors under date of April 4, 1905.

The Board of Assessors reported that it had made a reduction in the assessment as originally made up, of \$3,000.

Mr. Burke was heard in opposition to assessing the proportion of the amount of the award made to the church for damage by the change in grade upon the property of his clients.

Mr. Bassford stated that, while the award made to the church was inadequate, he asked that the assessment be confirmed.

On motion of the Assistant and Acting Corporation Counsel the objections filed were overruled and the assessment list was confirmed, all the members present voting in the affirmative.

BOROUGH OF BROOKLYN.

The assessment list for regulating, grading, paving with asphalt pavement, curbing, flagging, reflagging and laying cement sidewalks in Atkins avenue, from Liberty avenue to Pitkin avenue, with objections and applications for awards for damages of Henry A. Wilson by Joseph A. Flannery, attorney, and of Harry J. Stolpe and others, together with report made to the Commissioner of Public Works by George W. Tillson, Chief Engineer of the Bureau of Highways, in regard to the objections of Mr. Stolpe, were presented by the Deputy and Acting Comptroller, having been received from the Board of Assessors under date of April 4, 1905.

Mr. Stolpe was heard and objected to the improper performance of the work.

No others appearing in opposition after notice, on motion of the Assistant and Acting Corporation Counsel, the objections filed were overruled and the assessment list was confirmed, all the members present voting in the affirmative.

BOROUGH OF THE BRONX.

The assessment list for sewer and appurtenances in Elsmere place, between Prospect avenue and Southern Boulevard, and objections of the Tremont Avenue Land Company, filed by Joseph A. Flannery, attorney, and of William C. Egan and others, filed by A. C. Hottenroth, attorney, the hearing of which was postponed at the meetings of March 16 and 30, were presented by the Deputy and Acting Comptroller, having been received from the Board of Assessors, under date of March 13, 1905.

The Board of Assessors reported that it had made a pro rata reduction in the original assessment of 10 per cent.

Mr. Flannery appeared by representative and asked that the hearing be again postponed.

No others appearing after notice, on motion of the Assistant and Acting Corporation Counsel, the objections filed were overruled and the assessment list was confirmed, all the members present voting in the affirmative.

At 11.50 o'clock A. M., on motion, the Board adjourned.

HENRY J. STORRS,
Chief Clerk, Board of Revision of Assessments.

The portion of the building to be sold and removed lies to the west of the easterly line of the marginal street.

Arrangements must be made by the buyer to insure the remaining inshore part of the building at the cut-off, being left in a safe and secure condition, in that the walls, floors and roof must be properly supported and maintained at their present level in such shape that the side walls, etc., may be replaced, all to the satisfaction of the Engineer-in-Chief.

The cutting off of this building along the line of the marginal street, as shown on accompanying map, must be taken into account by the buyer in making his bid, it being distinctly understood that the only part of the building to be removed under the terms of this sale is that part lying westerly of the easterly line of the marginal street.

Lot No. 3. Four-story brick building at the northeasterly corner of Eleventh avenue and West Twentieth street, having a frontage on Eleventh avenue of about 100.0 feet and on West Twentieth street of about 75.0 feet.

TERMS AND CONDITIONS OF SALE.

The sale will commence at 10.30 o'clock A. M. Each of the above lots will be sold separately and for a sum in gross.

The purchaser of the property will immediately take the necessary steps to protect his property, so that no claim or demand may hereafter be made that any of the items have been removed from the premises by others after he has purchased them.

The estimated dimensions given for the several lots are believed to be correct; but the Commissioner will not make any allowance for the purchase money for variations in any lot, and bidders must judge for themselves as to the correctness of the estimate when making their bids.

The purchase money must be paid in funds current, to Peter F. Meyer, Auctioneer, at the time and place of sale.

All the materials of every class and description composing the buildings and their foundations with the hereinbefore described area are to be torn down to the level of the existing curb, and entirely removed from the premises.

The removal of said materials composing the buildings and their foundations must be begun by the purchaser within three days from the date of the receipt of a notification from the Engineer-in-Chief to begin work, and all the material of every class and description composing the buildings and their foundations is to be torn down to the level of the existing curb and entirely removed from the premises within ten days after the receipt of the said notice to begin work. If the purchaser fails to commence the said removal as specified, and to diligently prosecute the same with a sufficient force, and to complete the same within the time specified, the money paid on the day of sale will be forfeited, and all claim of ownership in said materials is waived by the purchaser.

Then the Commissioner of Docks may, at his option, complete the said removal and charge the expense of the same to the said purchaser, who shall sign the present terms of sale and agree to be bound thereby.

FILLING-IN PRIVILEGE.

DEPARTMENT OF DOCKS AND FERRIES, FOOT OF BATTERY PLACE, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE received by the Commissioner of Docks at Pier "A," foot of Battery place, in The City of New York, until 12 o'clock noon on

SATURDAY, APRIL 15, 1905.

FOR THE RIGHT TO DUMP AND FILL IN BEHIND THE BULKHEAD WALL RECENTLY BUILT AT THE SOUTHERLY END OF THE CHELSEA SECTION, AND ALSO BEHIND THE CLOSURE ROW OF PILES ALONG THE NORTHERLY SIDE OF BLOOMFIELD STREET, ON THE NORTH RIVER, BOROUGH OF MANHATTAN.

TERMS AND CONDITIONS OF SALE.

The work to be done is to fill in with suitable material, as hereinafter described, the area behind the new bulkhead wall extending from the southerly side of West Fourteenth street extended southerly along the bulkhead line to the northerly side of Bloomfield street, and extending along the northerly side of Bloomfield street westerly to about the westerly side of Thirteenth avenue.

The filling will extend from the rear of the bulkhead wall or coping easterly a distance of about from 50 to 100 feet to the face or bank, as excavated in the recent dredging, or from the inshore close row of piles easterly a distance of from about 15 to 60 feet to the face or bank before mentioned. Along the northerly side of Bloomfield street the filling will extend from the close row of piles southerly a distance of about from 5 to 25 feet to the bank, as excavated in the recent dredging.

The filling will be brought to a grade level with the top of the coping of the bulkhead wall and will extend inshore on a regular grade to the top of the ground at the adjacent or inshore bank.

It is estimated that the area outlining the above-described limits will create a basin to be filled in, under this agreement, whose cubical contents in net void space is equal to 29,500 cubic yards.

Bidders will state in writing a lump sum price, which they agree to pay for the privilege of filling in the area between the southerly side of West Fourteenth street extended and Bloomfield street, and along the northerly side of Bloomfield street, as above described.

In the estimated amount given, the amount in cubic yards is arrived at without placing any allowance for shrinkage, settlement, swelling of the material or penetration into the mud.

The Department is not bound in any way by such estimate, and bidders must satisfy themselves of the actual quantity required to fill in the above-described area by examination of the premises or such other means as they may prefer, the intention of the Department being to fill in the whole of the said premises behind the bulkhead wall within the above-described limits, and no allowance will be made to the purchaser from the purchase price on account of any discrepancy which may be found between the above-estimated quantity and the actual amount of filling required. The purchaser will be required to place the filling in accordance with the following specifications:

All the filling shall, unless otherwise directed, be placed directly in the rear of the bulkhead wall and carried from the bulkhead wall toward the shore until the bank of same has been carried out to the finished grade for a distance of about 40 feet from the face of the bulkhead wall, at which time, if so directed by the Engineer, the filling shall be started at the bank and carried outshore toward the bulkhead wall or close row of piles.

All material must be dumped and filled in only in such manner, at such points and in such order of procedure and at such times and seasons as may, from time to time, be directed, and the work of filling in may be entirely suspended for such periods of time as may be directed by the Engineer. The purchaser shall have no claim for damage or for any allowance from the purchase money on account of such suspension of the work.

All directions shall be given by the Engineer, and wherever the word "Engineer" is used in these specifications it refers to and designates the Engineer-in-Chief of the Department of Docks and Ferries, or such officer or employee as may be designated by him.

Rip-rap stone coming directly on or against the bulkhead wall must be deposited carefully in such manner as will not injure the same.

All the filling, except as otherwise specified herein, shall be of ashes, cellar dirt, broken stone, etc., entirely free from garbage or any organic matter objectionable in the opinion of the Engineer.

At any section of the bulkhead wall the filling shall be brought up level with the under side of the backing log of the bulkhead wall at such section, and no higher, unless otherwise directed.

The filling shall be commenced within five days after the date of the receipt of a notification from the Engineer that the work, or any part of it, is ready to be begun, after which not less than 300 cubic yards per day shall be placed, and the whole amount of the filling called for to bring the above-described basin up to grade shall be completed within one hundred days from the date of the receipt of said notification. At the expiration of this time this agreement shall be considered closed unless a further extension of time shall be given by the Commissioner of Docks. If at any time during the progress of the work it shall be deemed necessary to order the suspension of the whole or any part of the filling, the time for completing said filling shall be extended as much as it may have been delayed by such suspension.

In case the purchaser at any time does not proceed with the work of filling in to the satisfaction of the Commissioner of Docks, the said Commissioner will at once terminate the privilege of filling in and proceed to have the remainder of the filling in done by other parties in such way and manner as he deems proper, and any loss which may result therefrom shall be charged against the principal and his surety.

The purchaser shall, during the work of filling in, and at all times until the completion thereof, take all necessary precautions and place proper guards for the prevention of accidents, and put up and maintain at night sufficient lights, and he shall indemnify and save harmless The City of New York from all damages and costs to which

it may be put by reason of injury to the person or property of another resulting from negligence or carelessness in the performance of the work or guarding the same, to which the surety is also bound.

No bid or estimate will be considered unless accompanied by a certified check drawn to the order of the Commissioner of Docks, or money to the amount of twenty-five per centum of the amount of the bid, which amount shall be applied in the case of the successful bidder to the first one-quarter of the amount of the filling to be deposited; twenty-five per centum to be paid when the first one-quarter of filling has been completed; twenty-five per centum additional when one-half the filling has been completed, and the balance, twenty-five per centum, when three-quarters of said filling has been completed.

A surety or guarantee company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required to enter into a bond or obligation jointly and severally with the purchaser in the sum of double the amount of the purchase price as security for the satisfactory performance of said work, in accordance with the terms and conditions hereof.

MAURICE FEATHERSON,

Commissioner of Docks.

CONDITIONS OF SALE.

As provided for by the Greater New York Charter.

1. Proposals containing conditions other than those herein set forth will not be received or considered.

2. No proposal for bonds or stock shall be accepted for less than the par value of the same.

3. Every bidder, as a condition precedent to the reception or consideration of his proposal, shall deposit with the Comptroller in money, or by a certified check drawn to the order of said Comptroller upon a solvent banking corporation, two per cent. of the par value of the bonds or stock bid for in said proposal.

No proposal will be received or considered which is not accompanied by such deposit.

All such deposits shall be returned by the Comptroller to the persons making the same within three days after the decision has been rendered as to who is or are the highest bidder or bidders, except the deposit made by the highest bidder or bidders.

4. If said highest bidder or bidders shall refuse or neglect, within five days after service of written notice of the award to him or them, to pay to the City Chamberlain the amount of the bonds or stock awarded to him or them at its par value, together with the premium thereon, less the amount deposited by him or them, the amount or amounts of deposit thus made shall be forfeited to and retained by said City as liquidated damages for such neglect or refusal, and shall thereafter be paid into the Sinking Fund of The City of New York for the Redemption of the City Debt.

5. Upon the payment into the City Treasury by the persons whose bids are accepted of the amounts due for the bonds or stock awarded to them respectively, certificates thereof shall be issued to them in such denominations provided for by the Charter as they may desire.

6. It is required by the Charter of the City that "every bidder may be required to accept a portion of the whole amount of bonds or stock bid for by him at the same rate or proportional price as may be specified in his bid; and any bid which conflicts with this condition shall be rejected, provided, however, that any bidder offering to purchase all or any part of the bonds offered for sale at a price at par or higher may also offer to purchase all or none of said bonds at a different price, and if the Comptroller deems it to be in the interests of the City so to do, he may award the bonds to the bidder offering the highest price for all or none of said bonds; provided, however, that if the Comptroller deems it to be in the interests of the City so to do, he may reject all bids." Under this provision, the condition that the bidder will accept only the whole amount of bonds or stock bid for by him, and not any part thereof, cannot be inserted in any bids, except those for "all or none" offered by bidders who have also bid for "all or any part" of the bonds or stock offered for sale.

7. It is also provided by the Charter that these bonds and stock, if issued in registered form, may be issued in denominations of ten dollars or any multiple thereof; and that "preference shall so far as practicable, and without pecuniary disadvantage to the City, be given to applicants for the smallest amounts and smallest denominations of said bonds and stock in issuing the same."

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.

REPORT OF THE CORPORATION COUNSEL.

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, February 20, 1905.

Hon. GEORGE B. McCLELLAN, Mayor:

SIR—I transmit herewith the report of the Law Department for the year ending December 31, 1904.

Under section 1544 of the Greater New York Charter I am required to submit a report of the transactions of the Department at the end of each quarter, and in accordance with the custom of this Department the report for the fourth quarter of the year 1904 has been made into an annual as well as a quarterly report.

The report contains:

First—The statistics of the business of the office of the Corporation Counsel, including the Main Office in Manhattan and the Branch Offices in other boroughs, contained in eight schedules.

Second—An appendix containing reports from the Bureau of Street Openings, Bureau for the Collection of Arrears of Personal Taxes, Bureau of Penalties, the Building Department and Tenement House Branch Office, and proceedings relating to the Water Supply.

General Summary.

I will first review briefly the work of the Main Office and the Branch Offices in Brooklyn, Queens, Richmond and The Bronx, and will add separate reports from the Bureau of Street Opening, the Bureau for the Collection of Arrears of Personal Taxes, the Bureau of Penalties, the Tenement House Branch Office, and the counsel in charge of “Watershed Proceedings.” The work of these bureaus is of such an entirely distinct character from that of the Main Office, that it has seemed wise to me to add their reports just as I have received them from the Assistants in Charge rather than to include them in this general summary of the work of the Main Office and Branch Offices in the other boroughs.

REPORT OF MAIN OFFICE AND BOROUGH BRANCH OFFICES.

When I took office on the 1st day of January, 1904, there were pending 17,556 actions and proceedings of all sorts. During this year, 5,433 new actions and proceedings have been commenced, and 2,630 actions and proceedings have been terminated, so that there are now pending and undisposed of 20,359 actions and proceedings. An examination of these cases shows that they may be divided into classes, as follows:

Actions Against the City—	
“Prevailing rate of wages” actions.....	4,583
“Suspension” actions.....	4,128
Other actions by City employees for wages or salary.....	2,604
All other actions on contract.....	1,059
Actions on tort.....	4,007
Equity suits.....	497
Actions in which the summons only has been served.....	791
“Excise rebate” actions.....	46

Actions in which The City of New York is plaintiff.....	179
Actions brought by the Receiver of Taxes.....	28
Tax certiorari proceedings.....	1,206
Other certiorari proceedings.....	145
Mandamus proceedings.....	337
Condemnation proceedings (other than Street Opening proceedings).....	99
Assessment proceedings.....	633
Award proceedings.....	2
Miscellaneous proceedings.....	15

Total..... 20,359

A striking feature of the foregoing schedule is the fact that of the 20,359 actions now pending in this office, 11,315 are brought by City employees to recover wages or salary—4,583 being to recover the so-called “Prevailing Rate of Wages,” and 4,128 to recover wages during period of suspension. Most of the others are for wages or salary claimed for overtime work or for salary deducted while absent on sick leave. The situation in regard to these cases, most of which are brought under the Labor Law, is as follows:

The action of *Pierce Ryan vs. The City of New York* was selected as a test case under the “Prevailing Rate of Wages” Law, and judgment was rendered in favor of the City at the Appellate Division upon the ground that the act was unconstitutional. An appeal was taken to the Court of Appeals, but before the appeal was decided there a decision was handed down by the United States Supreme Court in a case arising in the State of Kansas holding the law to be constitutional. The Court of Appeals, however, affirmed the judgment on another ground, namely, that by reason of the plaintiff continuing in the employ of the City and accepting the reduced rate of wages he had waived his claim to recover the alleged prevailing rate of wages. This decision seems to be a complete defense to almost all of the labor cases pending in this office.

In the case of *People ex rel. Cossey vs. Grout*, the Court of Appeals has recently decided that the Labor Law of this State, in so far as it directs that persons employed by contractors with the City shall not be required to work more than eight hours per day, is unconstitutional, and that the provision in the said law that the Comptroller shall not pay out moneys due to contractors where the eight hour law has been violated, is unconstitutional because it works a forfeiture.

From dicta in these decisions, however, it appears that the Labor Law, in so far as it provides that persons employed by the City as mechanics, laborers, etc., shall not be required to work more than eight hours per day, is constitutional and must be complied with.

NEW ACTIONS AND PROCEEDINGS.

A recapitulation of the new actions and proceedings commenced during the year shows the following results:

Actions against the City—	
“Prevailing rate of wages” actions.....	477
“Suspension” actions.....	42
Other actions by City employees for wages or salary.....	391
All other actions on contract.....	167
Actions on tort.....	2,686
Equity suits.....	207
Actions in which the summons only has been served.....	503
Actions in which The City of New York is plaintiff.....	22
Tax certiorari proceedings.....	365
Other certiorari proceedings.....	45
Mandamus proceedings.....	257
Condemnation proceedings (other than street opening proceedings).....	58
Assessment proceedings.....	9
Award proceedings.....	14
Miscellaneous proceedings.....	190

Total..... 5,433

The most noticeable feature of the above schedule is the fact that about half of the suits commenced against the City during the year were actions on tort. The explanation of this is the fact that during the year over two thousand actions were commenced to recover damages for injuries to property in the Borough of Brooklyn by the overflowing of sewers.

ACTIONS AND PROCEEDINGS TERMINATED.

There were 2,630 actions and proceedings of various kinds terminated during the year. These may be classified as follows:

Actions against the City—	
“Suspension” actions.....	178
Other actions by City employees for wages or salary.....	60
All other actions on contract.....	258
Actions on tort.....	906
Equity suits.....	318
Actions in which the summons only has been served.....	125
Actions in which The City of New York is plaintiff.....	26
Tax certiorari proceedings.....	144
Other certiorari proceedings.....	70
Mandamus proceedings.....	265
Condemnation proceedings (other than street opening proceedings).....	35
Assessment proceedings.....	21
Award proceedings.....	22
Miscellaneous proceedings.....	202

Total..... 2,630

The large number of “actions on tort” disposed of, as shown in the above schedule—906—is made up mostly of the “sewer overflow” cases to which I have referred; these were disposed of by trial and judgment.

COURT WORK.

The number of cases tried and appeals argued has increased rapidly from year to year, and the following schedule will show the vast quantity of work of this description which has been accomplished during the current year.

Number of actions tried in courts, other than Municipal Courts.....	387
Number of actions tried in Municipal Courts.....	201
Number of appeals argued or submitted at the Appellate Term.....	7
Number of appeals argued or submitted at the Appellate Division.....	178
Number of appeals argued or submitted at the Court of Appeals.....	68
Number of appeals argued at the United States Circuit Court of Appeals.....	4
Number of actions and proceedings tried before referees.....	63
Number of sessions before referees.....	301
Number of condemnation proceedings on trial.....	53
Number of hearings before Commissioners at which testimony was taken.....	793
Number of motions argued.....	698
Number of complaints dismissed on call of calendar.....	34

The actions tried and appeals argued were disposed of as follows:
Number of actual trials in courts other than Municipal Courts.....

387

Decisions in favor of the City..... 152
Decisions against the City..... 166
Decisions which were partly favorable and partly unfavorable..... 11
Trials in which the jury disagreed or a juror was withdrawn..... 17
Trials in which the City was only indirectly interested..... 4
Cases tried in which a reference was ordered..... 26
Trials where a judgment was consented to..... 1
Cases not yet decided..... 10

387

Number of actual trials in Municipal Courts.....

201

Decisions in favor of the City..... 42
Decisions against the City..... 155
Trials in which the jury disagreed..... 1
Trials in which the City was only indirectly interested..... 2
Cases not yet decided..... 1

201

Number of appeals argued or submitted at Appellate Division.....

178

Decisions in favor of the City..... 100
Decisions against the City..... 64
Decisions partly favorable and partly unfavorable..... 2
Cases not yet decided..... 12

178

Number of appeals argued or submitted at Appellate Term.....

7

Decisions in favor of the City..... 4
Decisions against the City..... 3

7

Number of appeals argued or submitted at the Court of Appeals.....

68

Decisions in favor of the City..... 49
Decisions against the City..... 18
Decisions partly favorable and partly unfavorable..... 1

68

Number of appeals argued in the United States Circuit Court of Appeals.....

4

Decisions in favor of the City..... 1
Decisions against the City..... 3

4

The feature in the foregoing schedule to which I would call special attention is the fact that during the current year 588 actions were tried in court. The largest number of cases ever tried in any preceding year was 438, in 1903.

The results of these trials were very satisfactory. The City was defendant in nearly all of the actions tried and the percentage of cases in which the City succeeded is most gratifying.

In the Appellate Courts also it will be seen that this Department was even more successful, winning 49 out of 68 cases in the Court of Appeals and winning 100 and losing only 64 cases at the Appellate Division.

Comparative Statement Since Consolidation.

I have had the following schedule prepared, which shows in a remarkable way the increase in the amount of business handled by this Department since the date of consolidation.

	1898.	1899.	1900.	1901.	1902.	1903.	1904.
Number of actions and proceedings pending at close of year	5,512	7,182	10,892	12,748	16,467	17,556	20,359

Amount of judgments against City	\$1,454,214 04	\$2,222,113 46	\$2,818,125 19	\$853,289 15	\$511,240 25	\$1,525,930 83	\$859,400 22

Amount Disbursed.	1898.	1899.	1900.	1901.	1902.	1903.	1904.
General contingencies	\$37,612.70	\$40,942.29	\$44,178.93	\$89,600.67	\$85,233.66	\$97,366.05	\$98,230.86
Contingent counsel fees.....	50,283.48	22,395.56	12,800.00	42,835.10	17,106.35	25,588.18	10,547.73
Number of persons in Main office.....	77	83	90	91	85	89	91
Number of persons in whole Department (exclusive of Street Opening Bureau).....	115	121	121	132	157	172	174
Salaries of Assistants, Clerks, etc., of whole Department (exclusive of Street Opening Bureau).....	\$276,346.24	\$309,081.50	\$325,848.62	\$323,272.72	\$329,435.01	\$357,795.62	\$355,560.73

An inspection of the foregoing statement will show that although the number of actions against the City increased very greatly and the number of actions tried in court was also much greater than for any preceding year, the amount of judgments actually entered against the City during the year was less than for any preceding year except one since the date of consolidation, being less than 50 per cent. of the average amount recovered in years since that date. The number of judgments entered in favor of the City was also larger than for any preceding year.

Attention is also called to the fact that although there has been an increase of two in the number of persons employed in the Department, the amount of salaries actually paid out during 1904 is less than the preceding year.

AS TO THE MORE IMPORTANT LITIGATION OF THE YEAR.

The enormous volume of litigation that has been conducted by this Department during the year is evident from the schedules given above. Much information in regard to the litigation of a special character can be obtained from the separate reports of the Bureaus and the Tenement House Branch office, which form a part of this summary.

I call attention particularly to the work of the Bureau of Street Openings. It will appear therefrom that in one hundred and four separate proceedings title to the land for that number of streets has become vested in the City, or the motion for confirmation has been made. These proceedings add 38 miles to the streets of the City. The awards in them amounted to \$5,073,483.35 and the assessments to \$3,083,421.62. The necessary fundamental character of this work and its great importance to the advancement of the City should not be forgotten.

Condemnation proceedings other than street openings form a very important part of the litigated work of the Department. AS TO IMPORTANT CASES DECIDED BY THE COURTS DURING THE YEAR.

BOND CASES.

The cases decided during the year have probably practically ended the litigation growing out of consolidation into the Greater New York in relation to its liability for the money obligations or alleged obligations of the municipalities consolidated.

The Court of Appeals decided in favor of the City the Staten Island Drainage Bond cases, so called (People ex rel. Nelson vs. Marsh), holding, in effect, that the City was not liable on certain alleged bonds issued by certain Staten Island authorities previous to consolidation. As a result of this decision all of the litigation of which I am aware upon this subject has been disposed of without liability on the part of the City, and a claim of about \$500,000 against it has been in effect held invalid.

The Court of Appeals also decided in favor of the City the cases against it brought by the Astoria Heights Land Company and others. In these cases it was attempted to hold the City liable on certain certificates of indebtedness issued in the former Long Island City. The City was held not to be liable.

The Appellate Division of the First Department in the case of the East River National Bank also held the City not liable on another class of certificates. This case, if it should be brought before the Court of Appeals, would hardly be distinguished by that Court from the Astoria Heights Land Company case. It seems, therefore, to be settled that the City is not liable on the certificates of indebtedness issued in the former Long Island City. The amount of these certificates, with interest, probably exceeds one million dollars.

Among the other cases worthy of special mention in addition to those referred to above in relation to the prevailing rate of wages cases and the labor law cases are the following:

Tenement House Department of The City of New York against Katie Moeschen.

This litigation, now finally passed upon by the Court of Appeals, determines that the legislation requiring the abolition of school sinks and the installation of sanitary appliances in tenement houses is within the legislative power and not objectionable under the State Constitution. The position taken by the Tenement House Department in requiring the abolition of unsanitary appliances has been bitterly fought by the defendant, who was supported in her contest by an association representing a considerable fraction of the owners of old-style tenements. The decision affects some eight thousand old-law tenements, and a very considerable alleviation of the conditions prevailing in these old-time tenements is now feasible.

Peo. ex rel. John J. Daly, against Francis V. Greene, as Police Commissioner.

It has been in this case finally determined by the Court of Appeals that a detective sergeant may be reduced to the rank of patrolman if the Police Commissioner upon a proper inquiry into the facts and circumstances determines that this reduction is warranted by the officer's conduct of his responsibilities in the higher rank. The practical effect of this decision is to strengthen the hands of the Police Commissioner in administering discipline in the force.

Solomon Landau against the City.

There are numerous actions pending against the City arising from the explosion of fireworks material which occurred during a celebration of the result of the election of 1903 in Madison Square on the night of November 3, 1903. The Landau case was tried before a jury and the complaint dismissed. The judgment was affirmed by the Appellate Division, which rendered a decision practically exempting the City from liability, because of this explosion. The Court of Appeals has within the last few days reversed the decision of the lower courts and directed a new trial. The case must, therefore, be tried again on the merits.

Sauer against the City.

In this action the plaintiff asked for an injunction and for damages to the property known as the "Atlantic Casino," at One Hundred and Fifty-fifth street and Eighth avenue, by the building of the viaduct along One Hundred and Fifty-fifth street. The Court of Appeals has affirmed the judgment dismissing the complaint upon the ground that inasmuch as the fee of the bed of the street was in the City it had a right to build any structure for public purposes thereon, without making compensation to the abutting property-owners. This decision disposes not only of the claim of the plaintiff but of each of the property-owners along the line of the viaduct.

City of New York against Clark.

It came to my attention early in the present year that valuable records containing the proceedings of the Board of Aldermen from 1812 to 1849 were in the hands of a bookseller, in whose possession they had come some months ago. I immediately took proceedings which resulted in their recovery and the seventy-one volumes in question have been delivered to the City Clerk, in whose custody they now are.

Matter of Terminals for New York and Brooklyn Bridge.

In conformity with instructions received from the Board of Estimate and Apportionment, I initiated proceedings early in the summer for the acquisition of lands in Park row, Chambers, Duane, Reade and Centre streets, immediately adjoining the Manhattan end of the New York and Brooklyn Bridge. These proceedings were opposed by numerous of the large interests represented in the ownership of the property sought to be taken, and after a lengthy discussion the Court has now determined to grant the City the relief asked for and to appoint Commissioners, who will proceed with the condemnation of the property required.

Sposato against The City of New York.

These litigations have been the occasion of some anxiety because of the large sums which the City might have been required to pay had the decision of the Court of Appeals supported the decision taken by the parties affected. The plaintiff in this case is one of many persons claiming to have been damaged in a large amount by the operation of the City's pumping stations providing water for the Brooklyn water supply. Their contention has been that the City should be required to pay what would practically amount to the purchase price of their lands for the privilege of pumping water from a well situated upon its own property in their immediate vicinity.

TAX CERTIORARI CASES.

There are now over twelve hundred proceedings pending in this office to review by certiorari assessments upon real estate and personal property in this City.

The number of proceedings of this kind has increased very rapidly since the adoption of the new Charter allowing an assessment to be attacked on the ground of inequality. The assessment of property at its full value has also resulted in a great increase in litigation of this character.

A few of the most important decisions relating to taxation are as follows:

In *People ex rel. Twenty-third Street Railway Company vs. Feitner et al.*, the case came on for trial upon the petition, writ and return, and the Court decided that testimony was necessary for the proper disposition of the matter, and appointed a Referee to take testimony and report to the Court his conclusions of law and findings of fact. Upon the trial before the Referee the relator offered no testimony, but rested its case upon the return.

The Appellate Division held that by deciding in the first instance that testimony was necessary, the Court was not concluded upon the motion to confirm the Referee's report, from determining that it appeared upon the face of the return that the tax was illegal and void.

In *People ex rel. Edison Electric Illuminating Company of Brooklyn vs. Feitner et al.*, the Court of Appeals affirmed without opinion a decision of the Appellate Division holding that an application which had been made to the Board of Taxes for the reduction of the assessment levied upon the relator's real estate, and which application presented no evidence, was sufficiently broad to present to the Commissioners the questions of over-valuation and of inequality of assessments.

This decision practically terminates a long litigation to determine the nature of the application required by law to be filed with the Commissioners of Taxes, in order to sustain a writ of certiorari.

In *People ex rel. Stewart et al. vs. Feitner et al.*, the question of the method of proof of inequality in assessments in the City was first presented to the Courts, and it was decided that a taxpayer is entitled to relief only on showing generally that real property in the particular taxing district as a whole has been assessed at a ratio to its market value higher than the established ratio for the City.

In *People ex rel. Durand-Ruel et al. vs. Wells et al.*, the Appellate Division affirmed, without opinion, a decision rendered by Mr. Justice Leventritt, of the utmost importance upon the question of the taxation of non-residents doing business within the State. The Court there held that where non-residents constantly maintain in New York City a place for the sale of imported pictures, and constantly replenish their stock from abroad, and keep in New York a bank account sufficient for all current expenses, they do not conduct a mere agency in New York, but are permanently engaged in business in this State, and are therefore taxable upon the capital invested therein to the same extent as residents.

The proceeding of *People ex rel. The Manhattan Life Insurance Company vs. Wells et al.*, was brought to test the legality of assessments against the real estate of corporations which were not entered in the "Annual Record of the Assessed Valuation of Real and Personal Estate of Corporations," kept pursuant to section 893 of the Revised Greater New York Charter, and the effect of the failure of the Commissioners of Taxes and Assessments to advertise that such record was open for inspection and correction pursuant to law.

If this attack had been successful it might have resulted in striking from the assessment rolls, as invalid, an enormous amount of assessments against the real estate of corporations, since all assessments against this species of property had been made in the same manner.

The Court of Appeals, however, affirmed without opinion, an opinion of the Appellate Division holding that the circumstances referred to did not render invalid the assessment imposed.

AS TO THE IMPORTANT DECISION OF THE UNITED STATES CIRCUIT COURT OF APPEALS IN THE CAMPBELL PATENT LITIGATION.

The United States Circuit Court of Appeals has lately handed down a decision in what has been known as the "Campbell Patent Suit," now under the title of "Eastman against the Mayor."

Under an opinion by Judge Coxe, concurred in by Judges Wallace and Townsend, constituting the full bench of the Circuit Court of Appeals of the United States for the Second Circuit, the City is relieved of a claim of about \$27,000,000, which has been in constant litigation since 1877, and from a judgment of about \$1,200,000, which was rendered against the City in the United States Circuit Court on the 17th of November, 1900. From this judgment the City appealed, as did the complainants, the latter contending that they should have been given a judgment for a total of about \$27,000,000.

This enormous claim has resulted in perhaps the most serious litigation, from a money point of view, in which the City has ever been involved.

The judgment of the Circuit Court of Appeals is final, and the City is completely relieved both of the claim and the judgment, the Court directing the dismissal of the complaint with costs to be taxed in favor of the City.

The magnitude of the case has been such that it is certain that the City will be entitled to a judgment of more than \$25,000 for costs.

The City's victory is most complete and is a termination of more than twenty-seven years' constant litigation. The record contains more than twenty thousand printed pages, and the cost to the City of the taking of the appeal and the printing of the part of the record necessary for the appeal was more than \$15,000. It is said that the total cost of the prosecution of the case against the City has been more than \$400,000.

Great credit is due to Mr. John R. Bennett, who has been special counsel for the City in this litigation, and argued the case before the Circuit Court of Appeals.

This victory is a great relief to me as Corporation Counsel, particularly as I was strongly urged to settle the case by paying a large amount of money. I took the responsibility of declining to do this, and naturally feel much satisfaction in being sustained by the Court.

As already indicated, this decision is a finality since under the Act of Congress establishing the Circuit Court of Appeals in 1891, that Court was given final jurisdiction in patent litigation with no right of appeal to the Supreme Court of the United States. The only hope of reaching the highest tribunal of the country is upon an application for a writ of certiorari, the allowance of which is purely discretionary, and is very seldom exercised, particularly in patent litigation.

The patent covers a device known as the "Knibbs Relief Valve," which was claimed to have been invented by one James Knibbs, an Engineer in the Fire Department, of the City of Troy, and was applied by him in April, 1860, to the steam fire engine Arba Read of the Troy Fire Department. This valve at once went into extensive use, and even down to the present day it is found upon all steam fire engines.

CONCLUSION.

The foregoing is a brief review of the work of this Department for the year, and it summarizes the results obtained as well as can be expected in any attempt to describe

the very numerous and varied lines of work in which this Department has been engaged.

As you will observe from what has been written before, the business of the office continues to increase and is likely to do so indefinitely in the future. It has become the largest, or one of the largest general law offices in the world, and is, I believe, unequalled in the variety and complexity of the legal difficulties with which it has to deal.

New matters, however, are continually arising, and one in particular of great importance will soon be brought to your attention. It is very urgent that the City shall not lose any of its property in, or rights to, land under water, particularly in the Jamaica Bay, Flushing Bay and Pelham Bay regions.

I cannot, however, take the necessary steps to secure this property or rights unless I am furnished with the money necessary to do so. The subject is so extensive and involves so much labor and expense that it cannot be handled by the Department without additional resources. I have brought the matter to the attention of the Board of Estimate and Apportionment, upon whom rests the responsibility of providing or not providing the necessary funds.

It has been necessary for many years to conduct the work of the Department, particularly of the main office, under very discouraging conditions, because of crowded quarters and many inconveniences growing therefrom. It has been necessary to have three or four men in a single room, where, of course, there could be no privacy or quiet. In fact there is not a suitable room for a lawyer's private office in the suite occupied by the main office, except the room of the Corporation Counsel himself. It is expected that the main office will occupy the new quarters that have been assigned to it in the Hall of Records during the present year. I intend to take advantage of this opportunity to systematize and improve the main office, and to do all that I can, not only to insure its continued efficiency, but to equip it with everything that can be obtained to improve it and add to its efficiency. I hope to have the assistance and co-operation of yourself and of the Comptroller in order to carry out these objects.

I cannot close this summary without bearing witness to the skill, efficiency and devotion to duty of my assistants, and in fact of the entire office force.

Respectfully yours,

JOHN J. DELANY, Corporation Counsel.
