Corporal Irwin Fischer Park Mapping**

DOCKET DESCRIPTION

IN THE MATTER OF an application submitted by the New York City Department of City Planning and the New York City Department of parks and Recreation pursuant to Sections 197-c and 199 of the New York City Charter and Section 5-430 *et seq.* of the New York City Administrative Code for an amendment to the City Map involving:

- The elimination, discontinuance and closing of Corporal Irwin Fischer Place between Nelson Avenue and Shakespeare Avenue;
- The establishment of parkland in the area bounded by Nelson Avenue, West 170th Street, Shakespeare Avenue and West 169th Street;
- The adjustment of grades and block dimensions necessitated thereby;

Including authorization for an acquisition or disposition of real property related thereto, in Community District #4, Borough of The Bronx, in accordance with Map No. 13140 dated August 8, 2017 and signed by the Borough President.

BACKGROUND

Approval of this application will facilitate the demapping of a “paper street” that is in place on property designated as Irwin Fischer Park. This property is triangle-shaped site composed of 0.49 acres. It is located on Block 2520, Lot 19, and is situated southeast corner of West 170th Street on the north, Nelson Avenue on the west. The southern boundary of the site is situated midblock with West 169th Street on the south and Shakespeare Avenue on the east.

The area proposed for demapping is situated on the southern segment of the site. This segment is composed of 11,793 square feet of unimproved property with a width of 50 feet and was dedicated for public use in November, 1924. It extends for one block from Nelson Avenue on the west, to Shakespeare Avenue on the east and measures 217 feet in length. The Department of City Planning and the Department of Parks and Recreation, (the applicants) seek to demap this unbuilt portion of property, which will achieve two objectives:

- 1) The “paper street” now in place will be removed;
- 2) The property on which this unbuilt street is located will then become part of Corporal Irwin Fischer Park and thereby can be developed as part of this public park facility by the Department of Parks and Recreation.

Corporal Irwin Fischer Park remains entirely unimproved and unbuilt. It is secured by chain-link fencing.

Corporal Irwin Fischer Park is located on Bronx Community District #4. Zoning of the adjacent properties in this area is R7-1. This area is also subject to a Zoning Map amendment (ULURP Application # C 189951 ZMX) which is concurrently being considered for adoption.

Development of the surrounding community is typified by mid-rise residential buildings and low-rise, one and two family homes. Numerous religious institutions and a women's shelter are also located in the adjacent community. Commercial development includes auto-related facilities on West 170th Street and retail activity on Edward L. Grant Highway. Access to subway service is available on Jerome Avenue at 170th Street, approximately six blocks east of the site.

ENVIRONMENTAL REVIEW AND ULURP CERTIFICATION

This application has been reviewed pursuant to SEQR and CEQR and received a Negative Declaration. The New York City Planning Commission certified this application as complete on August 21, 2017.

BRONX COMMUNITY BOARD PUBLIC HEARING

Bronx Community Board #4 held a public hearing on this application on October 4, 2017. A vote recommending approval of this application was, 32 in favor, four against and two abstaining.

BOROUGH PRESIDENT'S PUBLIC HEARING

This Bronx Borough President convened a public hearing on this application on November 16, 2017. A representative of the applicant was present and spoke in favor of this application. No other members of the public were in attendance and the hearing was closed.

BRONX BOROUGH PRESIDENT'S RECOMMENDATION

Approving this application will facilitate the demapping of an unbuilt street that currently occupies a significant segment of Corporal Irwin Fischer Park. This modest size park composed of 0.49 acres is located in the vicinity of West 170th Street at Nelson Avenue. Given that this area lacks a conveniently located public park, I am most anxious to see this application approved and plans to design and construct a park move forward.

I recommend approval of this application.
