CHAPTER 57.

An act for the preservation of public records, maps, and papers.

Passed February 23, 1883 : three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows :

Section 1. Whenever by reason of age, exposure, or any casualty, any public records, maps, or papers in the custody of the county clerk, surrogate, register, or other county officer in the county of New York shall become mutilated, obliterated, or rendered unfit for public service, it shall be the duty of the officer having the official custody or control of any such records, maps, or papers to cause copies thereof to be made and certified for the public use, and the officer making such transcripts or copies shall be paid a sum as may be just, but which in no case shall exceed a sum to be certified by a justice of the supreme court for the first judicial district, to be reasonable, for the service rendered. And no payment shall be made for any service rendered under this act until the work shall be examined and approved of as to its manner and form of execution by a justice of the supreme court of the said first district, nor shall any such work be done until a justice of the supreme court of the first judicial district shall, after an examination, certify that such work is necessary for the security and safety of the public records. And such new copies when so made and approved shall for all purposes take the place of the original records.

Sec. 2. The board of estimate and apportionment in the city of New York shall make appropriations to meet the expenses incurred by this act.

Sec. 3. This act shall take effect immediately.

SURROGATE'S COURT, NEW YORK COUNTY COURT-HOUSE,
NEW YORK, June 19, 1883.

The Board of Apportionment :

GENTLEMEN—In reference to the requisition made to your Board for appropriation to meet expenses in copying the records of this office, I would further respectfully submit the following estimate of the amount of money that will be needed for the purposes for which such appropriation is sought :

About \$2,500 for the purchase of eighty-two Libers, being the whole number required.

\$3,600 for salaries for six clerks from July 1, 1883 to January 1, 1884.

Very respectfully yours,

DANIEL G. ROLLINS, Surrogate.

COUNTY CLERK'S OFFICE, NEW COUNTY COURT-HOUSE,
NEW YORK, May 10, 1883.

Hon. ALLAN CAMPBELL, Comptroller, etc. :

DEAR SIR—In your communication of the 3d instant, relative to the recopying and binding of the records mentioned in my communication to the Board of Estimate and Apportionment under date of April 3, 1883, you request the following information, to wit : (1) A statement of facts in regard to the proposed work. (2) The time for its completion. (3) Its probable cost. (4) How much money will be required therefor in 1883.

First.—In the records and papers which are certified as necessary to be recopied, much of the writing has been almost wholly obliterated by the daily "thumbing" to which they have been subjected, while the papers themselves (many of which are written or printed on both sides) have their outer margins so worn and torn as to render it impossible to paste or patch them together. The binding which is certified as necessary covers some 250 cases, consisting of partition suits, suits for the construction of wills, for the admeasurement of dower, etc. The papers in these suits are now in the usual form in which legal papers are filed. If put in book form, as recommended, they will last much longer than they would if continued to be handled in their present form.

Second.—Owing to the mutilated condition of the papers and the difficulty of deciphering the writing on them, only an approximate estimate can be made of the time within which the work of recopying can be done. This work will require the services of three clerks for at least a period of eighteen months. The binding will have to be done in the office of the clerk, as the records have to be consulted daily; but I have no information as to the time within which it could be completed.

Third.—The salaries of three clerks, at \$100 per month, each, for a period of eighteen months \$5,400 00
Binding (per estimate furnished by the Supervisor of the CITY RECORD) about 2,500 00
Books and papers, about 1,000 00
Estimated total cost of work mentioned in letter to Board of Estimate and Apportionment under date of April 3, 1883 \$8,900 00

Fourth.—Salaries of three clerks from June 1 to December 31, both inclusive, at rate previously stated \$2,100 00
Books and paper 250 00
Binding, about 2,500 00
Estimated total amount required for year 1883 \$4,850 00

I am, sir, yours respectfully,
PATRICK KEENAN, Clerk.

REGISTER'S OFFICE—HALL OF RECORDS,
CITY OF NEW YORK, May 17, 1883.

Hon. ALLAN CAMPBELL, Comptroller City of New York :

DEAR SIR—In reply to your communication of the 11th inst., requesting from me a statement of facts in regard to the proposed work of recopying certain books of record in this office, and for furnishing Libers for that purpose; also how long it will take to complete the work, its probable cost, and the amount of money that will be required for 1883, I would respectfully state :

That pursuant to the provisions of chapter 57, of the Laws of 1883, requisition was made by me on the Board of Estimate and Apportionment for an appropriation for this work, on the 9th of April, 1883, said requisition being duly approved by Justice Charles Donohue, of the Supreme Court, as required by said law.

There are over one hundred and five Libers that require to be recopied immediately, and a force of fifteen clerks is necessary to do this work. I estimate the cost for these Libers at \$30 each, and the amount required for the clerical force at \$90 per month for each of said Recording Clerks. Accordingly, for the seven remaining months of 1883 the amount required is for Libers.. \$3,150 00
And for fifteen Recording Clerks 9,450 00

Making a total of \$12,600 00

In addition to the work called for in my requisition, you request me to state the probable cost of the whole work, and the time for its completion. I will institute a particular examination, and furnish you at an early day with such estimate as I may be able to make. The above estimate, however, covers the whole expense for the work now most needed, and of all that will be required during my term of office.

Yours very respectfully,

AUGUSTUS T. DOCHARTY, Register.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, May 28, 1883.

RICHARD A. STORRS, Esq., Deputy Comptroller :

SIR—I duly received your letter of the 22d instant, submitting certain questions in relation to the construction of chapter 57, of the Laws of 1883.

In reply I have to advise you, that in my opinion the act is mandatory, that it is the duty of the Board of Estimate and Apportionment to make an appropriation at once to meet the expenses to be incurred under this statute for the present year, and that the amount thereof should be certified to the Board of Aldermen, in the usual manner, and included in the Final Estimate for the Tax Levy of 1883.

I am also of the opinion that the Comptroller is authorized to disburse the money for the purposes contemplated by the statute, on the pay-roll for clerical work, and vouchers for the record books, rebinding, etc., as the work progresses, certified by the County Clerk and Register respectively, and approved by a Justice of the Supreme Court.

The papers transmitted with your letter are herewith returned.

Yours respectfully,

GEORGE P. ANDREWS, Counsel to the Corporation.

It is proposed, in building the new baths, to apply several improvements which experience recommends, viz., to increase the length of the baths to ninety feet instead of eighty feet (the two oldest baths are ninety feet long) ; to lower the well floor by cutting beams in between the girders, instead of laying them on top ; to make a separate children's department in each bath ; to provide, dock bridges, hackmatack knees, and to have all spikes, bolts, straps and anchors of galvanized instead of ordinary iron, etc.

The cost of the work and materials is estimated at \$13,500 for each bath, or for the four baths

Whereas, Upon the recommendation of the Chairman of the Committee on Repairs and Supplies it has been determined by the Board to alter and repair the houses occupied by Engine Co. Whereas, The proposal of Mahony Bros. for erecting a house for Engine Company No. 15, amounting to eighteen thousand two hundred (\$18,200) dollars was filed on the 27th day of December, 1882, for the reason that the balance of appropriation was inadequate ; therefore

No. 15 for Engine Co. No. 9 in the title of the said appropriation.

Very respectfully,

CORNELIUS VAN COTT, President.

And offered the following resolution :

Resolved, That the sums following be and hereby are transferred from the appropriations herein named, made to the Fire Department for the years 1882 and 1883, which are in excess of the amounts required for the purposes and objects thereof, viz. :

"For Apparatus, Supplies, etc.—For New Houses for Engine Companies Nos. 9, 23, and 46, and Riverdale, Hook and Ladder Companies Nos. 4 and 7," for 1883	\$15,000 00
"For Apparatus, Supplies, etc.—For New Houses for Engine Companies Nos. 6, 9, 10, 15, and 46, and Hook and Ladder Companies Nos. 7, 9, and 11," for 1882	11,500 00
To appropriations made to the same Department for 1883, which are insufficient, viz. :	
"For Apparatus, Supplies, etc.—For New Apparatus, etc."	\$15,000 00
"For New Houses for Engine Companies Nos. 15, 23, and 46, and Riverdale, and Hook and Ladder Companies Nos. 4 and 7"	11,500 00
The substitution of Engine Co. No. 15 for Engine Co. No. 9, in the title of the last-named appropriation, is hereby authorized, and the appropriation is entitled accordingly.

The Department of Public Charities and Correction reserves the right to reject any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of \$1,500 for the Ship Carpenter Work, \$1,000 for Painting, and \$2,000 for Engine and Boiler etc.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or to the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The workmanship and the quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR BUILDING A STA-
tion-house, Lodging-house, and Prison on the ground
and premises once occupied by a building known as
"Franklin Market," situated in the City of New York,
bounded by Old Slip, Front, and South streets, will be
received at the Central Office of the Department of Police
in the City of New York, until 10 o'clock A. M. of Mon-
day, the 2d day of July, 1883.

The person or persons making an estimate shall furnish
the same in a sealed envelope, indorsed "Estimate for
building a Station-house, Lodging-house, and Prison,"
and with his or her name or names, and the date of pre-
sentation to the head of said Department at the said
office, on or before the day and hour above named, at
which time and place the estimates received will be pub-
licly opened by the head of said Department, and read.

For particulars of the nature and extent of the work to
be done, reference must be made to the plans and speci-
fications on file in the office of the Chief Clerk of the said
Department.

Bidders will state in writing, and also in figures, a
price for the work complete. The price is to cover the
furnishing of all the materials and labor and the per-
formance of all the work called for by the specifications,
plans, drawings, and form of agreement.

No estimates will be accepted from, or a contract
awarded to, any person who is in arrears to the Corpora-
tion upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

The entire work is to be completed within nine months
from the date of the contract.

The person or persons to whom the contract may be
awarded will be required to give security for the per-
formance of the contract in the manner prescribed by
law, in the sum of twenty thousand dollars.

Each estimate shall contain and state the name and
place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; also, that it is made
without any connection with any other person making an
estimate for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of the
Common Council, head of a Department, Chief of a Bureau,
Deputy thereof, or Clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein, or
in the supplies or work to which it relates, or in any
portion of the profits thereof. The estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the verification be
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in
the City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, upon
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
upon its completion, and that which the Corporation may
be obliged to pay to the person or persons to whom the
contract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract and herein
stated, over and above all his debts of every nature, and
over and above his liabilities, as bail, surety, and other-
wise; and that he has offered himself as a surety in good
faith and with the intention to execute the bond required
by law. The adequacy and sufficiency of the security
offered will be subject to approval by the Comptroller of
the City of New York after the award is made and prior
to the signing of the contract.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, he or they shall be considered as having
abandoned it and as in default to the Corporation, and the
contract will be readvertised and relet as provided by
law.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
national banks of the City of New York, drawn to the order
of the Comptroller, or money, to the amount of five per
centum of the amount of the security required for the faith-
ful performance of the contract. Such check or money
must not be included in the sealed envelope containing the

street, in the City of New York, until 10 o'clock A. M.,
of Monday, the 2d day of July, 1883.

The person or persons making an estimate shall furnish
the same in a sealed envelope, indorsed "Estimate for
making alterations and repairs to the Eleventh Precinct
Station-house," and with his or her name or names, and
the date of presentation to the head of said Department
at the said office, on or before the day and hour above
named, at which time and place the estimates received
will be publicly opened by the head of said department,
and read.

For particulars of the nature and extent of the work to
be done, reference must be made to the plans and speci-
fications on file in the office of the Chief Clerk of the said
Department.

Bidders will state in writing, and also in figures, a
price for the work complete. The price is to cover the
furnishing of all the materials and labor and the per-
formance of all the work called for by the specifications,
plans, drawings, and form of agreement.

No estimates will be accepted from, or a contract
awarded to, any person who is in arrears to the Corpora-
tion upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

The entire work is to be completed within nine months
from the date of the contract.

The person or persons to whom the contract may be
awarded, will be required to give security for the per-
formance of the contract in the manner prescribed by
law, in the sum of ten thousand dollars.

Each estimate shall contain and state the name and
place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; also, that it is made
without any connection with any other person making an
estimate for the same purpose, and is in all respects fair
and without collusion or fraud, and that no member of the
Common Council, head of a Department, chief of a bureau,
deputy thereof or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein,
or in the supplies or work to which it relates, or in any
portion of the profits thereof. The estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the verification be
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, upon
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
upon its completion, and that which the Corporation may
be obliged to pay to the person or persons to whom the
contract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract and herein
stated, over and above all his debts of every nature, and
over and above his liabilities, as bail, surety, and other-
wise; and that he has offered himself as a surety in good
faith and with the intention to execute the bond required
by law. The adequacy and sufficiency of the security
offered will be subject to approval by the Comptroller of
the City of New York after the award is made and prior
to the signing of the contract.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, he or they shall be considered as having
abandoned it and as in default to the Corporation, and the
contract will be readvertised and relet, as provided by
law.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
national banks of the City of New York, drawn to the order
of the Comptroller, or money to the amount of five per
centum of the amount of the security required for the faith-
ful performance of the contract. Such check or money
must not be included in the sealed envelope containing the
estimate, but must be handed to the officer or clerk of the
Department who has charge of the Estimate Box, and no
estimate can be deposited in said box until such check or
money has been examined by said officer or clerk and
found to be correct. All such deposits, except that of the
successful bidder, will be returned to the persons making
the same within three days after the contract is awarded.
If the successful bidder shall refuse or neglect, within five
days after notice that the contract has been awarded to

him, to execute the same, the amount of the deposit made
by him shall be forfeited to and retained by the City of
New York as liquidated damages for such neglect or
refusal; but if he shall execute the contract within the
time aforesaid, the amount of his deposit will be returned
to him.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded become bound as his sureties for its faithful performance, in the sum of two thousand dollars (\$2,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred dollars (\$100). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement and specifications, showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, JUNE 1, 1883.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
