COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting held at the Mayor's Office at 1 o'clock P. M., on Thursday, February 18, 1897.

Present—William L. Strong, Mayor; John W. Goff, Recorder; Ashbel P. Fitch, Comptroller, and Anson G. McCook, Chamberlain.

The reading of the minutes of the meetings held November 11, November 12, November 19, December 2, December 9 and December 24, 1896, and February 8, 1897, was dispensed with.

Alderman John T. Oakley appeared before the Board and said: "Mr. Mayor, I beg to inform you and the members of this Commission that I have been elected Chairman of the Finance Committee of the Board of Aldermen, and I ask permission to present my credentials to the Secretary of this Board. I hand you a transcript of the proceedings of the meeting at which I was elected."

The certificate of the Clerk of the Board of Aldermen was then read as follows:

(In Common Council.)

Alderman Goodwin moved that John T. Oakley be and he hereby is appointed to and elected a member of the Finance Committee, in place of Hon. William M. K. Olcott, resigned, and elected Chairman thereof.

Alderman Hall raised the point of order that the motion was out of order because it was the province of the Committee to select its chairman, while the motion called for the election of a Chairman of the Finance Committee.

Alderman Goodwin thereupon modified his motion by striking out the words "and elected Chairman thereof."

Alderman Goodwin having been requested to reduce his motion to writing, handed up the following:

I move that John T. Oakley be and he hereby is appointed to and elected a member of the Finance Committee, in place of Hon. William M. K. Olcott, resigned.

The Vice-President then put the question whether the Board would agree with said motion of Alderman Goodwin. Which resulted in the following vote:

Affirmative—Aldermen Brown, Campbell, Clancy, Goodwin, Kennefick, Lantry, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, Tait, and Wund—14.

Negative—The Vice-President, Aldermen Dwyer, Goetz, Goodman, Hall, Marshall, Parker, Randall, Robinson, School, Ware, Wines, and Woodward—13.

And the Vice-President decided that the motion was lost, as a majority of all the members elected, sixteen in number, had failed to vote in the affirmative.

Alderman Goodwin appealed from the decision of the Chair.

The Vice-President put the question, "Shall the decision of the Chair be sustained?" Which was decided in the negative by the following vote:

Affirmative—Aldermen Dwyer, Goetz, Goodman, Hall, Marshall, Parker, Randall, Robinson, School, Ware, Wines, and Woodward—12.

Negative—Aldermen Brown, Campbell, Clancy, Goodwin, Kennefick, Lantry, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, Tait, and Wund—14.

Alderman Oakley arose to a question of personal privilege and informed the Chairman that he desired at this time to notify the members of the Board that he felt and believed that he had been elected a member of the Committee on Finance, in place of Hon. William M. K. Olcott, resigned, and he would rely upon the records to establish that fact.

By Alderman Goodman—

Resolved, That the Clerk of the Common Council be and he is hereby instructed to transmit to the Corporation Counsel a transcript of the minutes of this meeting relating to the selection of Alderman Oakley as a member of the Finance Committee, and to request an opinion as to the legality of his election.

The Vice-President put the question whether the Board would agree with said resolution. Which was decided in the negative by the following vote:

Affirmative—The Vice-President, Aldermen Dwyer, Goetz, Goodman, Hall, Marshall, Parker, Randall, Robinson, School, Ware, Wines, and Woodward—13.

Negative—Aldermen Brown, Campbell, Clancy, Goodwin, Kennefick, Lantry, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, Tait, and Wund—14.

Alderman Brown moved that this Board take a recess for five minutes, and that the Finance Committee be requested to meet and elect a Chairman and report back to the Board at this meeting.

The Vice-President put the question whether the Board would agree with said motion. Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Brown, Campbell, Clancy, Goodwin, Kennefick, Lantry, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, Tait, and Wund—14.

Negative—The Vice-President, Aldermen Dwyer, Goetz, Goodman, Hall, Marshall, Parker, Randall, Robinson, School, Ware, Wines, and Woodward—13.

AFTER RECESS.

ROLL-CALL.

Present—The Vice-President, Aldermen Brown, Campbell, Clancy, Dwyer, Goodman, Goodwin, Kennefick, Lantry, Marshall, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, School, Tait, Ware, Wines, Woodward, and Wund—22.

PROTEST.

By Alderman Goodman—

We, the undersigned members of the Board of Aldermen, do hereby protest against the Clerk

certifying to the election of Alderman Oakley as member of the Finance Committee, on the ground that he did not receive the requisite number of votes to entitle him to such position.

RUFUS R. RANDALL, THOMAS DWYER, CHARLES A. PARKER, ELIAS GOODMAN, CHARLES WINES, F. L. MARSHALL, COLLIN H. WOODWARD, CHRISTIAN GOETZ, FREDERICK A. WARE, BENJAMIN E. HALL, ANDREW ROBINSON, HENRY L. SCHOOL.

Alderman Brown moved that the protest lay on the table.

The Vice-President put the question whether the Board would agree with said motion. Which was decided in the negative.

REPORTS RESUMED.

Alderman Oakley presented the following report :

FEBRUARY 9, 1897.

Meeting of the Finance Committee of the Board of Aldermen held on February 9, 1897 :

Meeting called to order by Alderman Marshall.

Present—Aldermen Marshall, Windolph, Goodwin, Muh and Oakley.

Mr. Goodwin moved that Mr. Oakley be elected Chairman.

Roll was called.

Alderman Marshall refused to vote and made the following protest : That Mr. Oakley has not been legally elected a member of the Finance Committee and therefore it would be illegal to elect him Chairman.

Alderman Windolph voted for Alderman Marshall as Chairman.

Aldermen Goodwin, Muh and Oakley voted for Alderman Oakley as Chairman, and he was declared elected.

The Committee then adjourned.

JOHN T. OAKLEY, FRANK J. GOODWIN, ROBERT MUH.

Alderman Goodman raised the point of order that the Board being under the order of business of Motions and Resolutions, the above report of the Committee on Finance could not be presented without changing the order of business from Motions and Resolutions to Reports, and that this could only be done by a two-thirds vote of the members present, under Rule 2 of the Rules of the Board of Aldermen.

The Vice-President ruled that the point of order was well taken.

Alderman Oakley claimed that the Board had taken a recess, under the motion of Alderman Brown, for the express purpose of the Finance Committee meeting, and electing a chairman, and that therefore this report was properly before the Board at this time.

Alderman Oakley then appealed from the decision of the Chair.

The Vice-President put the question "Shall the decision of the Chair be sustained?" Which was decided in the negative by the following vote :

Affirmative—Aldermen Goodman, Hall, Marshall, Parker, Randall, Robinson, School, Ware, Wines, and Woodward—10.

Negative—Aldermen Brown, Campbell, Clancy, Goodwin, Kennefick, Lantry, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, Tait, and Wund—14.

The Vice-President then put the question whether the Board would agree to accept said report. Which resulted in the following vote :

Affirmative—Aldermen Brown, Campbell, Clancy, Goodwin, Kennefick, Lantry, Muh, Murphy, Noonan, Oakley, O'Brien, Schilling, Tait, and Wund—14.

Negative—The Vice-President, Aldermen Goodman, Hall, Marshall, Parker, Randall, Robinson, School, Ware, Wines, and Woodward—11.

I hereby certify that the foregoing extract is a true and correct transcript from the minutes of the meeting of the Board of Aldermen held Tuesday, February 9, 1897.

Dated February 16, 1897.

[SEAL.]

WM. H. TEN EYCK, Clerk of the Board of Aldermen.

After discussion, on motion of the Chamberlain, it was resolved to request the opinion of the Counsel to the Corporation as to whether Mr. Oakley had been legally elected Chairman of the Committee on Finance of the Board of Aldermen, by virtue of which office he claimed to be one of the Commissioners of the Sinking Fund.

The following communication was received from the Counsel to the Corporation for lease of additional offices in the Gerken Building for the Bureau of Street Openings :

LAW DEPARTMENT—OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, February 10, 1897. To the Board of Sinking Fund Commissioners :

GENTLEMEN—I inclose you a communication just received by me from Mr. H. De F. Baldwin, the assistant in charge of the Bureau of Street Openings.

His letter will explain the necessity for an increase in accommodation for that Bureau and the manner in which it can be provided. As you will see by his letter it is not contemplated to make any additional expense to the city, since the slightly increased cost can be provided for in the proceedings.

I send you his communication and request your approval of the arrangement.

Yours, very truly,

FRANCIS M. SCOTT, Counsel to the Corporation.

LAW DEPARTMENT—BUREAU OF STREET OPENINGS, NEW YORK, February 10, 1897.

Hon. FRANCIS M. SCOTT, Counsel to the Corporation :

SIR—Owing to the increase of business in this Bureau, it has been necessary to increase our force of Stenographers and Typewriters. The room used by them at present is on the tenth floor of the Gerken Building, which is the floor just above where our hearing rooms and main offices are. This room is 12 feet 6 inches by 17 feet. We have now crowded into this small space six desks and machines, and are employing seven Stenographers and Typewriters. They are crowded in just as closely as possible and we need space for one more machine. There has been a great deal of complaint on account of the crowded condition of the room.

I went over the matter with Mr. Gerken the other day, which has resulted in his making the proposition which I inclose herewith. He proposes to give us instead of the room on the tenth floor, two additional rooms on the eighth floor, directly opposite the rooms now used by our computers. He is willing to divide off the hall by a door, so that we shall have the benefit of the hall at that end of the building. This will give us the necessary room, at an additional expense of \$31.25 per month. We shall then have proper accommodations for the Stenographers and Typewriters, which we have not at present.

The two diagrams of the eighth and tenth floors which I inclose herewith show the rooms, colored in red, which we now occupy ; the uncolored rooms opposite these colored red on the diagram of the eighth floor are the rooms which Mr. Gerken proposes to rent to us in place of the room colored red on the diagram of the tenth floor.

As an indication of the increase in the work of our Stenographers and Typewriters, I may call attention to the summary showing a comparison for the past three years of the work of the Bureau, annexed to my annual report. This shows that while in 1895 there were 37,965 folios of testimony taken, in 1896 there were 53,341 folios of testimony taken. There promises to be a still larger increase for the coming year, which may necessitate a further increase in our force of Stenographers and Typewriters.

I respectfully recommend that you authorize the acceptance of Mr. Gerken's proposition. This additional amount can be charged upon the property affected by the proceedings pending in the office, the same as the rent for the rooms on the tenth and eighth floors is now paid. I believe that the Sinking Fund Commissioners authorized our present arrangement for these rooms, and perhaps you will think best to secure their approval for this proposed change, if it meets with your approval.

Respectfully yours, HENRY DE FOREST BALDWIN, Assistant in Charge of the Bureau of Street Openings.

NEW YORK, February 10, 1897. Mr. H. DE FOREST BALDWIN, Bureau of Street Openings, Law Department :

DEAR SIR—As the time is now at hand for making changes in offices, I wish to make the following proposition to you, to take effect May 1, 1897 : You are now occupying Room No. 108 on the tenth floor ; I will exchange that room for Room No. 91 on the eighth floor, as per inclosed diagrams, and let you Room No. 92 for \$31.25 per month ; I will partition off the corridor at the red line, giving you all the blue space without charge, making an extra room space, and, as you now occupy Rooms Nos. 88, 89 and 90, this will consolidate your force and give you the entire rear end of the eighth floor, undisturbed by anyone. This will be an additional expense of only \$31.25 per month to the amount you are now paying, and you will have what is equal to two extra rooms.

Please give me an answer to this at once, as I must make definite arrangements with my tenants, and prefer that you should have first choice.

Yours, truly,

FRED. GERKEN.

EIGHTH FLOOR PLAN

Whereupon the Comptroller offered the following : Resolved, That the Commissioners of the Sinking Fund hereby approve of the lease of Rooms Nos. 91 and 92 in the Gerken Building, in place of the lease of Room No. 108 in said building, for the use of the Bureau of Street Openings, at an additional rental of thirty-one dollars and twenty-five cents (\$31.25) per month, as requested by the Counsel to the Corporation in his communication addressed to the Commissioners of the Sinking Fund dated February 10, 1897.

Which was unanimously adopted.

The following communication was received from the Commissioner of Street Improvements, Twenty-third and Twenty-fourth Wards, for lease of premises at Sedgwick avenue and Depot place :

COMMISSIONER OF STREET IMPROVEMENTS, TWENTY-THIRD AND TWENTY-FOURTH WARDS, February 9, 1897. Sinking Fund Commissioners :

GENTLEMEN—This Department has used the premises at the southwest corner of Sedgwick avenue and Depot place for a branch office of the Engineers' Bureau during the entire year of 1896 ; and, as I am informed that no lease has been executed for same, I hereby request that one be made at the earliest opportunity, in order that the lessor may receive his rent. Andrew H. Green is the lessor and the rent is twenty dollars (\$20) per month, the same rate as the first lease, which was from June 1 to December 31, 1894.

I also request that the same premises be leased from January 1 to December 31, 1897, at same rate.

Respectfully,

LOUIS F. HAFFEN, Commissioner.

In connection therewith the Comptroller presented the following :

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE, February 17, 1897. To the Commissioners of the Sinking Fund:

GENTLEMEN—The Commissioner of Street Improvements, Twenty-third and Twenty-fourth Wards, in a communication dated February 9, 1897, requests that a lease be authorized of the premises on the southwest corner of Sedgwick avenue and Depot place for a branch office of the Engineers' Bureau of his Department, for the year 1897, at a rental of \$20 per month, and that provision be also made for payment on account of the past occupancy of said premises during the year 1896.

These premises have been occupied by the Department of Street Improvements, Twenty-third and Twenty-fourth Wards, since January 1, 1896, at the rental requested, and as section 181 of the New York City Consolidation Act of 1882 authorizes the execution of leases to date from the time when the premises are first occupied, the following resolution is therefore offered for adoption:

Respectfully, ASHBEL P. FITCH, Comptroller.

Resolved, That the Counsel to the Corporation be and hereby is requested to prepare a lease to the city from Andrew H. Green of the premises, on the southwest corner of Sedgwick avenue and Depot place, for a branch office of the Engineers' Bureau of the Department of Street Improvements, Twenty-third and Twenty-fourth Wards, for a term of two years from January 1, 1896, at a rental of twenty dollars (\$20) per month; and the Commissioners of the Sinking Fund deeming the rent fair and reasonable, and that it would be for the interest of the city that such lease should be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Counsel to the Corporation, as provided by sections 123 and 181 of the New York City Consolidation Act of 1882.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented bill of Robert Maynicke, Architect, for traveling expenses to and from Philadelphia, Pa., and Jamestown, N. Y., and for inspection of works of the Remington-Sherman Company and Fenton Metallic Manufacturing Company, in connection with professional services in the matter of furnishings and alterations for the Criminal Court building, and offered the following:

Resolved, That a voucher be prepared in favor of Robert Maynicke, architect, for thirty-one dollars (\$31), and that the same be certified to in the manner required by law, chargeable against the appropriation included in the Final Estimate for the year 1896, entitled "Expenses of Commissioners of the Sinking Fund."

Which was unanimously adopted.

Adjourned.

EDGAR J. LEVEY, Secretary.

names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person or persons making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or any other officer or employee of the Corporation of the City of New York or any of its departments is directly or indirectly interested in the estimate, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

In case a bid shall be submitted by or in behalf of a corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable, the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound in the sum of two thousand dollars (\$2,000) as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Commissioner of Street Cleaning.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

The right to decline all the estimates is reserved if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the department.

PUBLIC NOTICE.

ESTIMATES INCLOSED IN SEALED PROPOSALS FOR FURNISHING THE DEPARTMENT OF STREET CLEANING with the following: One Elevator and Conveyor, to be located at the foot of Seventeenth street, East river, in the City of New York, will be received by the Commissioner of Street Cleaning at the office of said Department, No. 32 Chambers street, in the City of New York, until 12 o'clock M., Monday, April 12, 1897, at which place and time they will be publicly opened by the Commissioner of Street Cleaning and read.

No estimate will be received or considered after the hour mentioned.

Forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope to said Commissioner of Street Cleaning at his office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as sureties for its faithful performance in the sum of Four Thousand (\$4,000)

Dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the securities required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of Two Hundred (\$200) Dollars.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct.

All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or his bid or proposal, or if he or they accept but do not execute the contract and give a proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

All repairs, maintaining or rebuilding required or necessary to be done to or upon the premises, or any part thereof, during the continuance of the term of the lease, shall be done by and at the cost and expense of the lessee or purchaser.

No claim or demand will be considered or allowed by the Department for any loss or deprivation of wharfage or otherwise, resulting from or occasioned by any delay on account or by reason of the premises, or any part thereof, being occupied for or on account of any repairs, rebuilding or dredging.

The upset price of the parcels or premises exposed or offered for sale will be announced by the auctioneer at the time of sale.

The Department will do all dredging whenever it shall deem it necessary or advisable so to do.

The term for which leases are sold will commence at the date mentioned in the advertisement, and the rents accruing therefor will be payable from that date in each case.

Each purchaser of a lease will be required, at the time of the sale, to pay, in addition to the auctioneer's fees, to the Department of Docks, twenty-five per cent. (25%) of the amount of annual rent bid, as security for the execution of the lease, which twenty-five per cent. (25%) will be applied to the payment of the rent first accruing under the lease when executed, or will be forfeited to the Department if the purchaser neglects or refuses to execute the lease, with good and sufficient surety or sureties, to be approved by the Department, within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks, Pier "A," North river, Battery place.

In all cases where it is mentioned in the advertisement of sale, the purchaser shall be entitled to the privilege of occupying any shed upon the pier or bulkhead at the commencement of the term, or that may thereafter be permitted or licensed by the Department, and to the rights attached to such permission or license, but subject to the conditions thereof, such purchaser being engaged in the business of steam transportation, and using and employing the same for the purpose of regularly receiving and discharging cargo thereat.

Not less than two sureties, each to be a householder or freeholder in the State of New York, to be approved by the Board of Docks, will be required under each lease to enter into a bond or obligation, jointly and severally, with the lessee, in the sum of double the annual rent, for the faithful performance of all the covenants and conditions of the lease, the names and addresses of the sureties to be submitted at the time of sale.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of One Thousand Two Hundred Dollars.

The Engineer's estimate of the quantities of materials to be furnished is as follows:

SPRUCE PLANK FOR REPAIRS.

Three-inch and 4-inch plank, as ordered, in pieces varying in length from 11 feet to 26 feet, 9 inches wide and upward, about 150,000 feet, B. M.

The 3-inch and 4-inch plank called for shall be delivered in lots of not less than 500 feet, board measure, within six hours after receipt of an order that said delivery is to commence.

Where the City of New York owns the wharf, pier or bulkhead at which the materials under this contract are to be delivered, no charge will be made to the contractor for wharfage upon vessels conveying said materials.

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed delivery of materials, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed at the price therefor, per thousand feet board measure, to be specified by the lowest bidder, shall be due or payable for the entire work.

The contractor shall be ready to commence the delivery of the materials called for under this contract within five days after the date of this contract, and the delivery shall be commenced and shall be continued in such manner and quantities and at such times and places as may from time to time be directed by the Engineer-in-Chief, and the entire work is to be fully completed on or before the 15th day of September, 1897, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price, per thousand feet, board measure, for spruce timber delivered, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the

contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member, or in which he is directly or indirectly interested, or of which he has knowledge, either personal or otherwise, to bid a certain price, or not less than a certain price for said labor or material, or to keep others from bidding thereon; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its departments, is directly or indirectly interested in this estimate or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder, or anyone in his behalf, with a view to influencing his action or judgment in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested.

The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract.

Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular in all respects.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also, that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member, or in which the bidder is directly or indirectly interested, or of which the bidder has knowledge, either personal or otherwise, to bid a certain price, or not less than a certain price, for said labor or material, or to keep others from bidding thereon; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its Departments, is directly or indirectly interested in this estimate, or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder or anyone in his behalf with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

In case a bid shall be submitted by or in behalf of any corporation it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable, the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the

Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for furnishing this material.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also, that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member, or in which the bidder is directly or indirectly interested, or of which the

bidder has knowledge, either personal or otherwise, to bid a certain price, or not less than a certain price, for said labor or material, or to keep others from bidding thereon, and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its Departments, is directly or indirectly interested in the estimate or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder or anyone in his behalf with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

In case a bid shall be submitted by or in behalf of any corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable, the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the materials to be delivered by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, in either or both classes, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the receipt of a notification from the Engineer-in-Chief of the Department of Docks that the work, or any part of it, is ready to be begun, and all the work to be done under the contract is to be fully completed on or before the expiration of thirty days after the date of service of said notification, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Where the City of New York owns the wharf, pier or bulkhead at which the materials under this contract are to be delivered, and the same is not leased, no charge will be made to the contractor for wharfage upon vessels conveying said materials.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state that fact; also, that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member, or in which the bidder is directly or indirectly interested, or of which the bidder has knowledge, either personal or otherwise, to bid a certain price, or not less than a certain price, for said labor or material, or to keep others from bidding thereon, and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its Departments, is directly or indirectly interested in the estimate, or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder, or anyone in his behalf, with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

In case a bid shall be submitted by or in behalf of any corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable, the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the

Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, in either or both classes, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

The bids will be publicly opened by the head of the Department in the basement at No. 150 Nassau street, at the hour above mentioned.

No. 1. FOR FURNISHING FIVE HUNDRED (500) ORNAMENTAL STREET LAMPS.

Bids will be received for lamps to be made according to the specifications for lamp No. 1, or according to the specifications for lamp No. 2.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or in the work to which it relates, or in any portion of the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall refuse or neglect to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting, the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained in Bureau of Water Purveyor in basement.
