In locations where the width of the sidewalk within the #street# is less than 15 feet, a sidewalk widening shall be provided on the #zoning lot# so such that the combined width of the sidewalk within the #street# and the sidewalk widening equals at least 15 feet. However, existing #buildings# to remain on the #zoning lot# need not be removed in order to comply with this requirement.
- (b) A 22 foot wide walkway shall extend east of and along the #Parcel 1 building line#, linking East 149th Street and mapped parkland, or a fire apparatus access road if such a road is provided adjacent to mapped parkland. Fire Apparatus Access Roads

[NOTE: Existing provisions, moved from Section 87-41 and modified]

Within the Core and South Subdistricts, for Parcels 1, 2, 3, 4 and 11, where a fire apparatus access road is provided as required by New York City Fire Code Section 503.2 (Fire apparatus access roads), or its successor, the Chairperson of the City Planning Commission shall certify, in conjunction with a certification application filed pursuant to paragraph (c) of Section 62-811, the following:

- (a) the road shall be constructed to minimum Department of Transportation standards for public #streets#, including sidewalks, curbs and curb drops, lighting, signage, materials, and crosswalk, and shall meet the requirements set forth in the New York City Fire Code;
- (b) for Parcels 2, 3, or 4, the contiguity provisions of paragraph (a) of Section 87-64 shall be met, except that where no connection for vehicular travel lanes terminating at the opposite side of a shared #lot line# exist at the time of construction, the provisions of paragraph (b) of such section may be utilized as an interim alternative:
- (c) a restrictive declaration shall be executed in accordance with the provisions of Section 87-66; and
- (d) street trees shall be planted pursuant to the requirements of Section 26-41 along such fire apparatus access road as if it were a #street#

However, the requirements of this Section shall not apply to: fire apparatus access roads on Parcels 1 and 3 that are provided pursuant to the provisions of paragraph (b)(3) of Section 87-71 (Special Public Access Provisions); and to a fire apparatus access road on Parcel 11 located in the required #upland connection# within the prolongation of East 134th Street.

[ORIGINAL PROVISIONS]

Where a fire apparatus access road is provided as required by the New York City Fire Code, such road shall comply with the following requirements:

87-63

Certification to Allow Fire Apparatus Access Road Turnaround in Shore Public Walkways Contiguity of Fire Apparatus Access Road with Adjacent Zoning Lots on Parcels 2, 3 and 4

[NOTE: Existing provisions, moved to paragraph (b) of this Section]

On Parcels 2, 3 and 4, in addition to the certification provisions of Section 87-62 (Fire Apparatus Access Roads), a fire apparatus access road shall be provided in accordance with the provisions of this Section.

(a) Bi-Directional Road

[NOTE: Existing provisions, moved from Section 87-66 (Connection with Adjacent Zoning Lots) and modified]

On each of Parcels 2, 3 and 4, and only among such Parcels, a connection for bi-directional vehicular travel lanes to an adjacent #zoning lot line# shall be provided. When complete, such fire apparatus access road shall provide bi-directional contiguous vehicular access from the northerly #upland connection# of Parcel 2 along the mapped parkland, along the #shore public walkway# of Parcels 2, 3 and 4, and within the southerly #upland connection# of Parcel 4.

Any connection of fire apparatus access roads across a shared #zoning lot line# must meet the grade of, and maintain the street width of, the existing adjacent fire apparatus access road. Such fire apparatus access road shall extend along the entire #shore public walkway# of the #zoning lot#, from #lot line# to #lot line#. A connection need not be opened unless and until such declaration of restrictions, in accordance with Section 87-64, has been recorded against the adjacent #zoning lot#.

(b) Interim fire apparatus turnaround

[NOTE: Existing provisions of Section 87-63, modified]

When bi-directional vehicular travel lanes are constructed that terminate at a #lot line# and do not continue on the adjacent

#zoning lot# at the time of their construction, an interim dead-end fire apparatus access road turnaround may be constructed as an alternative to the provisions of paragraph (a) of this Section, in accordance with the following provisions.

An applicant utilizing the provisions of this paragraph shall construct a fire apparatus access road that extends along the entire #upland connection# and #shore public walkway# of the #zoning lot#, from #lot line# to #lot line#, and shall provide an "approved turnaround area," constructed as part of a "dead-end fire apparatus access road," as those terms are defined in the New York City Fire Code, Section 503.2.9 (Dead-end turnarounds), or its successor.

Such turnaround area shall be constructed to dimensions no greater than required under the New York City Fire Code, Section 503.2.9 (Dead-end turnarounds), or its successor, and shall be located at the end of the fire apparatus access road, abutting the adjacent #lot line#. Such turnaround area may extend into the designated #shore public walkway, but at no point may such turnaround area extend into the associated circulation path. Sidewalks shall not be required adjacent to the turnaround area. The portion of the turnaround area that lies within a #shore public walkway# shall remain clear of obstacles, shall be composed of permeable materials to the extent permissible by the Fire Commissioner and shall meet all applicable requirements set forth in the New York City Fire Code Section 503.2 (Fire apparatus access roads), or its successor. In addition, the roadbed material of a fire apparatus access road leading to a turnaround may be extended into the turnaround provided the area of the turnaround paved with such material is not wider than the roadbed leading to the turnaround. The remaining portions of the turnaround shall be paved with distinct materials to facilitate pedestrian usage.

At the time of certification pursuant to Section 87-62, the site plan shall demonstrate a suitable design for the dead-end fire apparatus access road that demonstrates both the approved turnaround area and the repurposed turnaround area outside of the roadbed upon the issuance of a notice of substantial compliance for the adjacent #zoning lot#. In addition, a conceptual site plan shall demonstrate that the proposed site plan and grading plan for required contiguous access pursuant to the provisions of paragraph (a) of this Section is compatible with future #development# on the adjoining #zoning lot#. Such site plans shall be included as an exhibit to the declaration of restrictions recorded pursuant to Section 87-64.

Repurposing a turnaround area and providing contiguous access in accordance with an approved conceptual site plan shall not necessitate a certification pursuant to Section 62-811, provided that there are no further modifications to an approved #waterfront public access area#.

[BELOW: Original provisions of Section 87-66 (Connection with Adjacent Zoning Lots)]

The following provisions apply to #developments#, #enlargements#, alterations or changes of #use#, pursuing certification, pursuant to either Section 87-62 (Certification to Waive Supplemental Public Access Area Requirement) or 87-63 (Certification to Allow Fire Apparatus Access Road Turnaround in Shore Public Walkways).

On each of Parcels 2, 3 and 4, and only among Parcels 2, 3 and 4, a #development#, #enlargement#, alteration or change of #use#, shall provide a connection for bi-directional vehicular travel at an adjacent #zoning lot line# if such adjacent #zoning lot has previously constructed a connection that terminates at the shared #lot line#. Any connection of fire apparatus access roads across a shared #zoning lot line# must meet the grade of, and maintain the street width of, the existing adjacent private street. In addition to such physical shared #lot line# connection, a #private road# declaration shall be provided pursuant to the provisions of Section 87-64. A connection need not be opened unless and until such declaration of restrictions, in accordance with Section 87-64, has been recorded against the adjacent #zoning lot#.

When no connection for vehicular travel terminating at the opposite side of a shared #lot line# exists, a dead-end fire apparatus access road turnaround may be constructed, pursuant to Section 87-63, which may extend into the designated #shore public walkway#. Such certification is also contingent upon providing a declaration of restrictions, in accordance with Section 87-64.

[BELOW: Original provisions of Section 87-63 (Certification to Allow Fire Apparatus Access Road Turnaround in Shore Public Walkways)] On Parcels 2, 3 and 4, a dead-end fire apparatus access road turnaround, as defined in the New York City Fire Code, Section 503.2.5 (Dead-ends) may, by certification, extend into the designated #shore public walkway#, provided that:

- (a) a declaration of restrictions has been provided, pursuant to Section 87-64:
- (b) a fire apparatus access road abutting the shared #zoning lot line#between the #development#, #enlargement#, alteration or change of #use# seeking certification under this Section and Parcels 2, 3 or 4 does not exist; and
- (c) the fire apparatus access road serves as a segment of a bi-directional loop road along the #shore public walkway#, providing a connection to Exterior Street at the northeast corner of Parcel 2 and a connection to Exterior Street at the southeast corner of Parcel 4.

Such turnaround shall have a diameter of 70 feet and be located at the end of the fire apparatus access road, abutting the adjacent #lot line#. At no point may the turnaround extend into the #shore publicwalkway# for a distance greater than 23 feet. Sidewalks shall not berequired adjacent to the turnaround. The portion of the turnaround that lies within a #shore public walkway# shall remain clear of obstacles, shall be composed of permeable materials, and shall meet all applicable requirements set forth in the New York City Fire Code Section 503.1.1 (Fire apparatus access roads), or its successor. In addition, the roadbed material of a fire apparatus access road leading to a vehicular turnaround may be extended into the turnaround provided the area of the turnaround paved with such material is not wider than the roadbed leading to the turnaround. The remaining portions of the turnaround shall be paved with distinct materials to facilitate pedestrian usage. In addition, the level of the area within the turnaround shall be raised to be flush with the level of adjoining sidewalks.

87-64 Declaration of Restrictions

[NOTE: Existing provisions, modified]

For any fire apparatus access road proposed for certification pursuant to Sections 87-62 (Fire Apparatus Access Roads), a declaration of restrictions shall be provided to guarantee the construction, improvement, operation, maintenance and repair of such road, and any sidewalk adjacent to such road, to guarantee that such road, and any sidewalk adjacent to such road, remains open, unobstructed and accessible to all members of the public, except as necessary to avoid public dedication, and to ensure compliance with all applicable provisions. Such declaration of restrictions shall be prepared in a form acceptable to the Department of City Planning, shall be filed and duly recorded in the Borough Office of the Register of the City of New York and indexed against the property. Filing and recording of the declaration of restrictions shall be a precondition for the Chairperson's certification under Sections 87-62 and 87-63, where applicable.

For certifications proposed pursuant to Section 87-6362 on Parcels 2, 3 or 4, where #developments# or #enlargements# on such parcels utilize the allowance for interim fire access turnaround, in accordance with paragraph (b) of Section 87-63 (Cross Access Connection with Adjacent Zoning Lots on Parcels 2, 3 and 4), any declaration of restrictions shall include that, at the time of the issuance of the notice of substantial compliance for the adjacent #development#, or #enlargement# pursuant to this Section, thereby permitting vehicular connection between #zoning lots#, the #zoning lot# containing a previously-constructed fire apparatus access road turnaround area shall be responsible for the following actions on the portion of the connection on such #zoning lot#:

- (a) repurposing the fire apparatus access road turnaround area pursuant to the requirements set forth in paragraph (b) of Section 87-63;
- (b) extending all required sidewalks that had remained short of the #lot line# to the shared #lot line# to connect to the required adjacent sidewalks and enable unobstructed pedestrian movement across parcels;
- (c) complying with all applicable waterfront rules, #street# regulations and the New York City Fire Code; and
- (d) providing a connection with the adjacent #zoning lot# pursuant to Section 87-63.

[BELOW: Original provisions of Section 87-64 (Declaration of Restrictions)]

For any fire apparatus access road proposed for certification pursuant to Sections 87-62 or 87-63, a declaration of restrictions shall be provided to guarantee the construction, improvement, operation, maintenance and repair of such road, to guarantee that such road remains open, unobstructed and accessible to all members of the public, except as necessary to avoid public dedication, and to ensure compliance with all applicable provisions. Such declaration of restrictions shall be prepared in a form acceptable to the Department of City Planning, shall be filed and duly recorded in the Borough Office of the Register of the City of New York and indexed against the property. Filing and recording of the declaration of restrictions shall be a precondition for the Chairperson's certification under Sections 87-62 and 87-63, where applicable.

For certifications proposed pursuant to Section 87-63, at the time a declaration of restrictions has been provided by the adjacent #development#, #enlargement#, alteration or change of #use#, pursuant to this Section, permitting vehicular connection between #zoning lots#, the #zoning lot# containing a previously-constructed fire apparatus access turnaround shall be responsible for the following actions on the portion of the connection on such #zoning lot#:

- (a) deconstructing the fire apparatus access road turnaround;
- (b) re-landscaping the area that had extended into the #shore public walkway#, so as to create the conditions of the immediately surrounding #shore public walkway#, which may include any combination of tree planting, laying sod, removing pavers, or any other required landscaping action;
- (e) extending all required sidewalks that had remained short of the #lot line# to the shared #lot line# to connect to the required adjacent sidewalks and enable pedestrian movement across parcels; and
- (d) complying with all applicable waterfront rules, **street* regulations and the New York City Fire Code.

HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PURSUANT TO SECTION 695(2)(B) OF THE GENERAL MUNICIPAL LAW AND SECTION 1802(6)(J) OF THE CHARTER, NOTICE IS HEREBY GIVEN that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of the Bronx:

 Address
 Block/Lot(s)

 3120 Park Avenue
 2418/6

 451 East 159th Street
 2381/43

This submission seeks approval for the disposition and development of two vacant City-Owned properties located on Block 2418, Lot 6, and Block 2381, Lot 43 in the Bronx. The Mayor previously approved a project for the conveyance and development of the Disposition Area along with three properties, located on Block 2647, Lots 43 and 44, and Block 2646, Lot 41 (Mayoral Approval Document dated August 15, 2002 (Cal. No. 2)). In 2010, the City conveyed the three additional properties in accordance with the prior approval, but has never conveyed the Disposition Area. This submission seeks a new Mayoral approval for the Disposition Area.

Under the previous approvals, the Disposition Area was to be developed with two multiple dwellings containing approximately 16 units that would be affordable to and rented to households with incomes ranging from up to 60% of AMI to up to 90% of AMI. This submission proposes that the Disposition Area be developed with two multiple dwellings containing a total of 37 rental units (plus one unit for a superintendent) that would be affordable to households with incomes ranging from 80% of AMI to 90% of AMI and rented to households with incomes ranging

from up to 90% of AMI to up to 110% of AMI. In addition, under the previous approvals, the Disposition Area was to be developed under the Low Income Rental Program. The Disposition Area will now be developed under the Neighborhood Construction Program.

Under HPD's Neighborhood Construction Program, sponsors purchase City-Owned or privately owned land or vacant buildings and construct multifamily buildings in order to create up to 45 units of affordable rental housing on infill sites. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the Federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to low-income households at a range of incomes.

Under the proposed Project, the City will sell the Disposition Area to HP Park and Elton Apartments Housing Development Fund Company, Inc. ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will convey beneficial ownership of the Disposition Area to Park and Elton Apt. Owners, LLC (the "LLC"), a limited liability company, which will operate the Exemption Area. The Sponsor will then construct two buildings containing a total of 37 rental dwelling units plus one unit for a superintendent on the Disposition Area.

The Land Debt will be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on September 13, 2017, at 1 Centre Street, Manhattan, Mezzanine, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area, pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than five (5) business days prior to the public hearing. TDD users should call Verizon relay services.

Under HPD's Mixed Income Program: M², sponsors purchase City-Owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing units with a range of affordability in which up to 25 percent of the units are affordable to low income households earning up to 60 percent of the Area Median Income ("AMI") and the remaining units are affordable to moderate and/or middle income households. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the Federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

Under the proposed project, the City will sell the Disposition Area to FAC Fulton Street Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot, and the Sponsor will convey beneficial ownership to 16 Fulton Partners LLC ("LLC"). "The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

STEP D

If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Disciplinary Procedure for Provisional Employees Section 6. In any case involving a grievance under Section 1(g) of this Article, the "Disciplinary Procedure for Provisional Employees", including sideletter, appended, shall govern.

Section 7.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure. All other individual advances in process concerning the same issue shall be consolidated with the "group" grievance. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 8.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III determination Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 9. If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 10.
The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 12.
The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 13. **Expedited Arbitration Procedure**

- The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of the grievances as set forth below.
- The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

SELECTION AND SCHEDULING OF CASES:

- The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in Section 12 and notify the parties of proposed hearing dates for such cases.
- The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.
- If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of (3)an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the

Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

- (1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibition.
- (2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent a good cause shown.
- (3) The arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
- (5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
- (6) The parties, shall whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and all endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VIII--BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with Employer business.

Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

Harry Nespoli Chair, Municipal Labor Committee 125 Barclay Street New York, NY 10007

Dear Mr. Nespoli:

This is to confirm the parties' mutual understanding concerning the following issues:

- 1. Unless otherwise agreed to by the parties, the Welfare Fund contribution will remain constant for the length of the successor unit agreements, including the \$65 funded from the Stabilization Fund pursuant to the 2005 Health Benefits Agreement between the City of New York and the Municipal Labor Committee.
- 2. Effective July 1, 2014, the Stabilization Fund shall convey \$1 Billion to the City of New York to be used to support wage increases and other economic items for the current round of collective bargaining (for the period up to and including fiscal year 2018). Up to an additional total amount of \$150 million will be available over the four year period from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties. Thereafter, \$60 million per year will be available from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties.
- 3. If the parties decide to engage in a centralized purchase of Prescription Drugs, and savings and efficiencies are identified therefrom, there shall not be any reduction in welfare fund contributions.
- 4. There shall be a joint committee formed that will engage in a process to select an independent healthcare actuary, and any other mutually agreed upon additional outside expertise, to develop an accounting system to measure and calculate savings.
- 5. The MLC agrees to generate cumulative healthcare savings of \$3.4 billion over the course of Fiscal Years 2015 through 2018, said savings to be exclusive of the monies referenced in Paragraph 2 above and generated in the individual fiscal years as follows: (i) \$400 million in Fiscal Year 2015; (ii) \$700 million in Fiscal Year 2016; (iii) \$1 billion in Fiscal Year 2017; (iv) \$1.3 billion in Fiscal Year 2018; and (v) for every fiscal year thereafter, the savings on a Citywide basis in health care costs shall continue on a recurring basis. At the conclusion of Fiscal Year 2018, the parties shall calculate the savings realized during the prior four-year period. In the event that the MLC has generated more than \$3.4 billion in cumulative healthcare savings during the four-year period, as determined by the jointly selected healthcare actuary, up to the first \$365 million of such additional savings shall be credited proportionately to each union as a one-time lump sum pensionable bonus payment for its members. Should the union desire to use these funds for other purposes, the parties shall negotiate in good faith to attempt to agree on an appropriate alternative use. Any additional savings generated for the four-year period beyond the first \$365 million

will be shared equally with the City and the MLC for the same purposes and subject to the same procedure as the first \$365 million. Additional savings beyond \$1.3 billion in FY 2018 that carry over into FY 2019 shall be subject to negotiations between the parties.

6. The following initiatives are among those that the MLC and the City could consider in their joint efforts to meet the aforementioned annual and four-year cumulative savings figures: minimum premium, self-insurance, dependent eligibility verification audits, the capping of the HIP HMO rate, the capping of the Senior Care rate, the equalization formula, marketing plans. Medicare Advantage, and the more effective delivery of health care.

7. Dispute Resolution

- a. In the event of any dispute under this agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Arbitrator Martin F. Scheinman for resolution.
- b. Such dispute shall be resolved within 90 days.
- c. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.
- d. The arbitrator shall have the authority to meet with the parties at such times as the arbitrator determines is appropriate to enforce the terms of this agreement.
- e. If the parties are unable to agree on the independent health care actuary described above, the arbitrator shall select the impartial health care actuary to be retained by the parties.
- f. The parties shall share the costs for the arbitrator and the actuary the arbitrator selects.

If the above accords with your understanding and agreement, kindly execute the signature line provided.

Sincerely,

/s/

DISCIPLINARY PROCEDURE FOR PROVISIONAL EMPLOYEES

1. Purpose

New York State Civil Service Law, Article 4, Title B, §65 governs provisional appointments. The purpose of this agreement is to establish a disciplinary procedure for certain provisional employees in the context of the City of New York's five-year plan to reduce provisional appointments as approved, with certain modifications, by the New York State Civil Service Commission on September 22, 2008 and accepted by the Commissioner of Citywide Administrative Services on October 22, 2008.

2. Eligibility Criteria

- a. The employee must have served for at least two (2) years in the same or similar title or related occupational group in the same agency without a break in service (see: below) of more than 31 days; and
- b. The employee must have been serving provisionally in such competitive class position on a full-time per annum or fulltime per diem basis and assigned regularly to work the normal, full-time work week established for that title. (see: Attachment A for special provisions applicable to School Based Employees.)
- c. Prior provisional service followed by permanent service may not be aggregated with current provisional service (e.g. prior provisional service as a temporary or seasonal "step-up" followed by permanent service may not be counted towards meeting the service requirement in an employee's current provisional position.)

The following unpaid time in excess of 31 days will not be deemed a break in service or be counted as service:

- (i) for maternity/childcare leave;
- (ii) for military leave;
- (iii) jury duty;
- (iv) for union business pursuant to Executive Order 75;
- (v) while pending workers' compensation determination;
- (vi) while on workers' compensation option 2;
- (vii) due to illness or exhaustion of paid sick leave; and
- (viii) due to family illness.

3.

- No provisional employee shall be deemed to be permanently appointed under any circumstances, nor shall this disciplinary procedure be deemed to preclude removal of any provisional employee as a result of the establishment of, or appointment from, an appropriate eligible list, or in accordance with any other provision of law.
- Notwithstanding the provisions in Section 2, Eligibility Criteria, above, this Disciplinary Procedure shall not be available to any employee appointed on a provisional basis to any position for which one or more appropriate eligible lists have been established including but not limited to any list established pursuant to a plan approved in accordance with NYS Civil Service Law Section 65(5)(b).

Procedure

When a claimed wrongful disciplinary action has been taken against an eligible provisional employee (see: Eligibility Criteria), the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A

Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in Article XV of this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i)

If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in Article XV of this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C

If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D

If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in Article XV of this Agreement.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth in this Procedure and any applicable limitations of law.

5. <u>Limitations on Arbitrator's Award</u>

Notwithstanding any inconsistent provision of this Procedure, when an eligible list exists for the title that the employee held provisionally, an Arbitrator shall <u>not</u> be empowered to order reinstatement of an employee. This limitation shall not preclude a monetary remedy for any portion of

the period covered from the implementation of the disciplinary penalty at issue in the grievance to the date of the establishment of an eligible list.

Expiration Date

This Disciplinary Procedure shall expire on the earlier of either of the following:

- the expiration or termination of a plan approved pursuant to subdivision 5 of section 65 of the Civil Service Law; or
- December 31, 2014.

> Attachment A School Based Employees

An employee of the Department of Health who is regularly and exclusively assigned to work at a Board of Education facility (hereinafter, "School Based Employee" or "SBE") shall be covered by the provisional disciplinary provisions set forth herein, provided that the following criteria are met:

- Such SBE must regularly work the listed full-time work week established for a per annum title set forth in Appendix A of the 1995-2001 Citywide Agreement during the customary school year without a break in service of more than 31 days.
- If such SBE is placed in unpaid status at the end of the customary school year, such period in unpaid status during the customary break between school years shall be deemed an authorized leave without pay and not considered a break in service. However, such authorized leave without pay during the break between customary school years shall not be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- Such SBE, upon return to paid status from the break between customary school years, must continue to be assigned to regularly work on a full-time basis without a break in service of more than 31 days.
- If such SBE is assigned to work during all or part of the break between customary school years, such time in paid status shall count towards meeting the two year service requirement for provisional disciplinary rights provided such service is on a full-time basis. However, no part-time service rendered during such break between customary school years shall be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- SBEs meeting the above criteria shall become eligible for the provisional disciplinary rights set forth herein when their aggregated full-time service during consecutive customary school years (inclusive of any *full-time* service rendered during the breaks between such consecutive customary school years) totals the required two years. Under typical circumstances, this would be expected to occur sometime during their third school year of employment.

Re: Pending Provisional Employee Disciplinary Cases Dear Ms. Seinfeld:

This letter confirms our mutual understanding and agreement concerning certain provisional employees on whose behalf grievances alleging claimed wrongful disciplinary actions by the agency were filed prior to and/or subsequent to the Court of Appeals' decision in CSEA v. Long Beach but which cases have been held in abeyance and have not progressed to arbitration.

In addition to the limitation set forth in Section 5 of the "Disciplinary Process for Provisional Employees" in determining a "back pay" award, if any, the arbitrator shall exclude the period of time from the date of the Long Beach decision through January 28, 2008. An arbitrator may award "back pay" for the period subsequent to the affected employee's discipline/termination but prior to the Court of Appeals' decision in *CSEA v. Long Beach* (that is, May 1, 2007.) However, in no case may "back pay" be awarded for any period during which a provisional employee was serving while an eligible list existed for the title the employee held environment. for the title the employee held provisionally. Moreover, in awarding backpay, the Arbitrator must consider the efforts of the employee in mitigating his or her damages and must also offset any backpay award by any and all interim earnings, including unemployment compensation. In no event may an employee be awarded backpay in excess of one year's base salary for the position s/he held provisionally.

If you concur with the contents set forth herein, please execute the signature line provided below.
