PROCUREMENT

Compete To Win More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

PARKS AND RECREATION

INTENT TO AWARD

Services (other than human services)

GOLF COURSE AT FERRY POINT PARK, BRONX. - Negotiated Acquisition - Judgment required in evaluating proposals - PIN#X126-GC - Due 5-7-21 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks"), intends to enter into a negotiated concession for a license agreement for the Operation, Management and Maintenance of an 18-hole Jack Nicklaus Signature Golf Course, Lighted Driving Range, Clubhouse, and Ancillary Facilities, at Ferry Point Park, Bronx, which is located, at the site, bounded by Westchester Creek, the East River, Schley Avenue, and Emerson Avenue and abuts the Whitestone Bridge. The course is approximately 220 acres in size. The selected operator must be able to manage, maintain and operate the course as a first class, tournament quality daily fee golf course, which will require the operator to comply with certain essential standards, including being capable of potentially attracting professional tournaments hosted by the Professional Golfers' Association ("PGA") and similar organizations.

The concession will have a term not to exceed thirteen (13) years. The concession will be operated, pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered. The concession is projected to commence on or around November 15, 2021 and will expire thirteen (13) years from the commencement date. As compensation to the City, Parks anticipates receiving a license fee, expressed as the greater of a guaranteed annual minimum fee versus a percentage of Gross Receipts.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to the existence of a time-sensitive situation where the existing concession has been terminated, effective as of November 14, 2021, and a concession must be awarded quickly or damage may be done to the course and significant revenues lost. Delay in placing the new operator will not only cause physical deterioration to the course; it will also undercut the potential for attracting PGA and other similar tournaments, which is a key goal for Parks and the City. Absent a negotiated concession, the facility will be closed, service to the public interrupted, and the City will lose significant concession revenue (the timeframe for an award via competitive sealed proposals or competitive sealed bids for this concession would be more than a year from solicitation to award). For reference, the Gross Receipts reported for this concession in operating year 2018 –2019 were \$6,525,657.00 and \$8,060,128.00 for operating year 2019-2020. For all of these reasons, it is in the best interest of the City to pursue a negotiated concession for this golf course.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession, may contact Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454, or via email, at Andrew.Coppola@parks.nyc.gov, by May 7, 2021. Thereafter, there will be a process for submission of proposals. Parks will evaluate the proposals on the bases of capital investment, improvement and designs; operating experience; financial capability; planned operations; potential ability to attract professional tournaments hosted by the PGA and similar organizations; and fee offer. Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and Local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process, should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award, to Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454, or via e-mail, at Andrew.Coppola@parks.nyc.gov (Office of the Revenue Division, City of New York Parks, The Arsenal-Central Park, 830 Fifth Avenue - Room 407, New York, NY 10065).

Statement of Basis and Purpose of Proposed Rules

The Campaign Finance Board (the "CFB" or "Board") is a nonpartisan, independent City agency that empowers New Yorkers to make a greater impact in elections. The CFB administers the City's campaign finance system, overseeing and enforcing the regulations related to campaign finance and holding candidates accountable for using public funds responsibly. The CFB publishes detailed public information about money raised and spent in City elections by candidates and independent spenders, and engages and educates voters through community outreach, the Voter Guide, and the Debate Program.

The CFB is proposing amendments to several of its rules regarding expenditures made for the purpose of furthering a candidate's selection as Speaker of the City Council. Candidates who receive public funds may make post-election expenditures only for very narrow purposes related to winding down the campaign and responding to the post-election audit. However, in recognition of the fact that a significant portion of expenditures related to the Speaker's race may be made

after the election, the CFB is allowing elected candidates who received public funds to make such expenditures either from a segregated account, or from a transition and inauguration entity. The following is a summary of the substantive changes.

Summary of Proposed Rules

Section 7-07 is amended to provide that, for elected candidates who receive public funds, expenditures for the Speaker's race may be made after the election from a segregated bank account. Contributions deposited into a segregated bank account are not matchable and must be accompanied by a contribution card attesting that the contributor is aware that the funds will be deposited into a segregated account and used for specific purposes as enumerated in section 7-07(a).

Section 9-02(c)(i) is amended to replace the phrase "winding up" with "winding down."

Section 13-03(b)(i) is amended to provide that expenditures for the Speaker's race may be made from a transition and inauguration entity (TIE).

New material is underlined.

[Deleted material is in brackets.]

§ 1. Subparagraph (F) of paragraph (ii) of subdivision (a) of section 7-07 of chapter 7 of title 52 of the rules of the city of New York is amended to read as follows:

(f) expenditures made for the purpose of furthering the candidate's [election to the position of] selection as Speaker of the City Council.

§ 2. Subdivision (e) of section 7-07 of chapter 7 of title 52 of the rules of the city of New York is amended to read as follows:

(e) Any funds remaining in a segregated bank account after the election must be returned to the contributors whose contributions were deposited into the account, or, if that is impracticable, to the Fund, on or before December 31 in the year following the year of the election; provided, however, that expenditures made for the purpose of furthering the candidate's selection as Speaker of the City Council may be made from a segregated bank account after the election, but no later than the financial disclosure cut-off date of the first semi-annual disclosure statement in the year following the year of the election.

§ 3. Paragraph (i) of subdivision (c) of section 9-02 of chapter 9 of title 52 of the rules of the city of New York is amended to read as follows:

(i) Before repaying campaign funds remaining in the committee bank account, a candidate may make post-election expenditures only for routine activities involving nominal cost associated with winding [up] down a campaign and responding to the post-election audit. Such expenditures may include: payment of utility bills and rent; reasonable staff salaries and consultancy fees for responding to a post-election audit; reasonable staff salaries and legal fees incurred prior to the date of the issuance of the candidate's final audit report and associated with defending against a claim that public funds must be repaid; a post-election event for staff, volunteers, or supporters held within 30 days of the election; reasonable moving expenses related to closing the campaign office; a holiday card mailing to contributors, campaign volunteers, and staff; thank you notes to contributors, campaign volunteers, and staff; payment of taxes and other reasonable expenses for compliance with applicable tax laws; and interest expense. Routine post-election expenditures that may be paid for with remaining campaign funds do not include such items as post-election mailings other than as specifically provided for in this paragraph; making contributions; or making bonus payments or gifts to staff or volunteers. Campaign funds remaining in the committee account may not be used for transition and inauguration activities.

§ 4. Paragraph (i) of subdivision (b) of section 13-03 of chapter 13 of title 52 of the rules of the city of New York is amended to read as follows:

(i) Funds raised for a TIE may not be used for any purpose other than transition or inauguration expenses. Expenses related to the holding of office, or related to any past or future election, are prohibited. The following are examples of types of expenditures that are presumed to be TIE-related:

(A) Transition[.]

(1) Conferences and seminars related to city government and elected service;

(2) Costs related to seeking and selecting city office staff;

(3) Payroll and consulting fees directly related to transition; [and]

(4) Costs related to fundraising to pay for transition expenses[.]; and

(5) Expenditures made for the purpose of furthering the elected candidate's selection as Speaker of the City Council.

- **Website.** You can submit comments to HPD through the NYC rules Web site at <http://rules.cityofnewyork.us>.
- **Email.** You can email written comments to rules@hpd.nyc.gov.
- **Speaking at the Hearing.** HPD has determined, pursuant to New York City Charter section 1043(e), that a public hearing on the proposed rule would serve no public purpose.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. A few days after the comment deadline, copies of all comments submitted online and copies of all written comments concerning the proposed rule will be available to the public.

What authorizes HPD to make this rule? Sections 1043 and 1802 of the City Charter and Sections 23-96(k) and 23-154(d)(3)(v) of the Zoning Resolution of the City of New York authorize HPD to make this proposed rule amendment. This proposed rule was included in HPD’s regulatory agenda.

Where can I find the HPD rules? The HPD rules are in title 28 of the Rules of the City of New York.

What rules govern the rulemaking process? HPD must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Mandatory Inclusionary Housing (“MIH”) program requires new housing developments, enlargements, or conversions of more than 10 dwelling units or more than 12,500 square feet of residential floor area constructed in areas designated for MIH in the Zoning Resolution of the City of New York (“Zoning Resolution”) to provide permanently affordable housing to qualified households.

MIH areas are designated through the land use review process as part of zoning actions that increase housing capacity. The MIH program allows developments, enlargements or conversions that increase the number of dwelling units by no more than 25 and increase the residential floor area on the zoning lot by less than 25,000 square feet of residential floor area to instead make a contribution to the Affordable Housing Fund, which is defined in section 23-911 of the Zoning Resolution. The contribution amount must approximate the cost of providing affordable floor area in the community district where the MIH Development is located.

HPD established the methodology for calculating the Affordable Housing Fund contribution amounts and the schedule setting forth those amounts in Section 41-24 of Chapter 41 of title 28 of the Rules of the City of New York. The Zoning Resolution requires this schedule to be updated annually. In order to enable HPD to perform this ministerial annual schedule update in a more efficient manner, the proposed rule amendment would provide that the annual update of the schedule is published on the HPD website rather than in the Rules of the City of New York. In addition, the proposed rule amendment would spell out the methodology for assigning community districts to fee tiers.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. The heading of Section 41-24 of Chapter 41 of Title 28 of the Rules of the City of New York is amended to read as follows:

§ 41-24 MIH Affordable Housing Fund Contribution.

§ 2. Subdivision b of Section 41-24 of Chapter 41 of Title 28 of the Rules of the City of New York is amended by renumbering paragraphs 1 through 3 as paragraphs 2 through 4 and adding a new paragraph 1, to read as follows:

(1) Assigning Community Districts to Fee Tiers. The median sales price per square foot for each community district is calculated using DOF Data. Community districts are then grouped together into fee tiers using statistical clustering of their respective median sales price per square foot. If applicable, HPD will also take into account any known market abnormalities and weigh for geographic proximity with comparable sales in neighboring community districts.

§3. Subdivision c of Section 41-24 of Chapter 41 of Title 28 of the Rules of the City of New York is amended to read as follows:

(c) Required Amount of Contribution to Affordable Housing Fund.

[(1)] The Affordable Housing Fund contribution made by an MIH Development equals the mean amount of Affordable Floor Area such MIH Development would have otherwise been required to provide

under Zoning Resolution §§ 23-154(d)(3)(i)-(ii) multiplied by the applicable amount of contribution per square foot in effect at the time the MIH Application is submitted to HPD for the community district in which the MIH Development is located. The Affordable Housing Fund contribution per square foot of Affordable Floor Area for each community district shall be set forth in a schedule published on the HPD website that is updated no later than July 1st of each year. [is as follows:

Fee Tier	Community District	Amount of Affordable Housing Fund Contribution Per Square Foot
1	101 102 103 104 105 106 107 108	\$1,165
2	110 301 302 306 308 402	\$735

HEALTH AND MENTAL HYGIENE

Written comments are invited by May 15, 2021. Comments must be submitted via email, to RFP@health.nyc.gov. Indicate “High Fidelity Wraparound Concept Paper” in the subject line of the email.

The Concept Paper will be posted on PASSPort, https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public, from May 5, 2021 through June 19, 2021. Instructions on how to submit written comments will be included in the PASSPort posting as well as the concept paper itself.

MANAGEMENT AND BUDGET

■ NOTICE

**THE CITY OF NEW YORK - OFFICE OF MANAGEMENT AND BUDGET
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
EARLY NOTICE AND PUBLIC REVIEW OF A PROPOSED
ACTIVITY IN A 100-YEAR FLOODPLAIN**

To: All interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York’s Mayor’s Office of Management and Budget (OMB) has determined that the following proposed action under the NYC Department of Housing Preservation and Development’s (HPD) Demolition Program and under U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) grant #B-20-MC-36-0104 is located in the 100-year floodplain. This also gives notice that OMB and HPD will identify and evaluate feasible alternatives to locating the action in the floodplain and the potential impacts on the floodplain from the proposed action, as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands.

The proposed project is located at 630 Midland Avenue, Staten Island (Richmond County), New York (Block 3875, Lot 26). The subject property is a 17,200-square-foot, two-unit detached brick and frame commercial structure that includes three stories and a basement. The top floor structure exhibits significant signs of fire and water damage and the front awning has partially collapsed. The Supreme Court of the State of New York has found sufficient reason to order the building’s demolition, which would include the removal of asbestos-containing materials, hand-demolition of the structure, removal of the foundation, grading the property, replacing the sidewalk, and the safe disposal of all debris in accordance with all applicable rules and regulations.

The building sits on an 8,480-square-foot lot (approximately .19 acres) on the eastern corner of Midland Avenue and Lincoln Avenue. According to FEMA Flood Insurance Rate Map Panel #3604970329F, the entire site is in the 100-year floodplain. The surrounding community of Midland Beach is a developed, mixed-use area situated in a 100-year floodplain bounded approximately by Miller Field on the south, Seaview Avenue on the north, Hylan Boulevard/Husson Street on the west, and the Franklin D. Roosevelt Boardwalk and Beach on the east.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. As this project is to demolish an existing hazardous structure that threatens the community’s health and safety, alternative sites cannot be considered. However, commenters may offer methods to minimize and mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by OMB at the following address on or before May 12, 2021: CDBGComments@omb.nyc.gov or City of New York Mayor’s Office of Management and Budget, Attention: Julie Freeman, Director of Community Development, 255 Greenwich Street, 8th Floor, New York, NY10007.

Additional project information is contained in the Environmental Review Record (ERR). During the COVID-19 pandemic, the ERR will only be made available to the public for review electronically. Please submit your request, to CDBGComments@omb.nyc.gov.
