## WILLIAM KENNELLY, AUCTIONEER.

## SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING  
ferries and a lease of the wharf property belonging  
to the city, if any, set apart for ferry purposes at each of  
said ferries, will be sold at public auction to the highest  
bidder, at the office of the Comptroller of the City of New  
York, on the 26th day of July, 1877, at 12 o'clock, noon,  
for the period of five years from August 1, 1877, except as  
otherwise stated, namely:

Ferry from foot of Whitehall street to Staten Island.

Ferry from Cortlandt street, North river, to Jersey City.

Ferry from Barclay street, North river, to Hoboken,  
New Jersey.

Ferry from Desbrosses street, North river, to Harsimus,  
Jersey City.

Ferry from Tenth street, East river, to Greenpoint, Long  
Island.

Ferry from Twenty-third street, East river, to Green-  
point, Long Island.

Ferry from Ninety-second street, East river, to Astoria,  
Queens County, Long Island, for five years from Novem-  
ber 1, 1877.

The minimum rate for which said ferry franchises or  
the right to operate said ferries shall be used, or enjoyed  
has been appraised and fixed by the Commissioners of the  
Sinking Fund at five per cent. of the gross receipts for  
ferriage that shall hereafter accrue at each separate ferry,  
collected at the landing place in the City of New York,  
and in no case to be less than one-half the gross receipts  
of the ferry wherever collected, such percentage to be paid  
quarterly to the Comptroller, and each lease will con-  
tain a covenant requiring the lessees to make and deliver  
to the Comptroller, quarterly, a statement in writing,  
verified by the oath or affirmation of the lessee, or of  
such proper officer of the lessee as may be designated by  
the Comptroller, of the actual total gross receipts for  
ferriage received by such lessee during the preceding  
three months, and also, that the lessee will keep regular  
books of account, showing the daily gross receipts of the  
ferry leased, and allow said Comptroller, or any person  
designated by him, to examine such books at all reasonable  
times.

Every person bidding for a ferry franchise must state  
what percentage of the gross receipts collected at the  
landing-place in the City of New York he will pay for  
the same. All moneys received for the conveyance of  
passengers, animals, vehicles, or freight from the City  
of New York, over any ferry route, to any of the opposite  
shores, to be collected at the landing-place in New York, or  
if collected elsewhere, to be included in the receipts upon  
which such percentage is to be calculated and paid.

The minimum price for which the lease of said wharf  
property will be sold has been fixed by the Board of the  
Department of Docks at the following sums, namely:

Wharf property connected with the ferry from Cort-  
landt street, North river, to Jersey City, has been leased  
by the Department of Docks to the associates of the Jersey  
Company for ten years from May 1, 1876, at \$7,500 per  
annum.

Ferry from Desbrosses street, North river, to Harsimus,  
Jersey City.

For the bulkhead and short pier at foot of Desbrosses  
street, North river, being about 65 feet in width along  
the westerly side of West street, or as much thereof as  
may be owned by the Corporation, at \$500 per annum.

Ferry from Tenth street, East river, to Greenpoint,  
Long Island.

For bulkhead at foot of Tenth street, East river, or so  
much thereof as may now be occupied for ferry purposes,  
at \$250 per annum.

Ferry from Twenty-third street, East river, to Green-  
point, Long Island.

For bulkhead at north side of and contiguous to foot of  
Twenty-third street, East river, as now occupied for ferry  
purposes, at \$2,500 per annum.

Ferry from Ninety-second street, East river, to Astoria,  
Long Island.

For bulkhead at foot of Ninety-second street, E. R., and  
for premises at foot of Fulton street, Astoria, as now oc-  
cupied for ferry purposes, at \$250 per annum.

All the above-named premises to be taken in the con-  
dition in which they may be in on the 1st day of August,  
1877, and all repairs and rebuilding thereof, and dredging  
thereat, during the term leased, to be done at the expense  
and cost of the lessees.

Each purchaser of a lease will be required, at the time  
of the sale, and in addition to the auctioneer's fees, to pay  
to the Department of Docks twenty-five per cent. of the  
amount of the annual rent bid for the wharf property, as  
security for the execution of the lease, and which twenty-  
five per cent. will be applied to the payment of the rent  
for such property first accruing under the lease, when  
executed, or forfeited if the lessee neglects or refuses to  
execute the lease and bond after being duly notified that  
the lease is prepared and ready for signature, or, in case  
the bid be finally rejected, will be returned to the  
bidder.

Lessees will be required to pay their rent for the wharf  
property quarterly, in advance, in compliance with a  
stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if  
any, of each ferry will be put up and sold together to the  
highest bidder, subject to the condition hereinafter ex-  
pressed, and subject also to the right of the Comptroller  
and the Board of the Department of Docks to reject any  
or all bids, if deemed to be for the interest of the city.

No bid for a ferry franchise of less than five per cent.  
of the gross receipts to be collected at the landing-place in  
New York, as before set forth, and no bid for the lease of  
wharf property less than the minimum price fixed by the  
Board of the Department of Docks will be received.

Bidders must bid for the franchise and lease of wharf  
property of each ferry separately, but no bid will be  
received unless it includes an offer for both the ferry  
franchise and wharf property.

The form of the lease required to be executed by the  
highest bidder can be seen at the office of the Comptroller  
on and after July 23, 1877.

All bids will be regarded as made with reference to  
said form of lease, and in case the highest bidder shall  
neglect to execute a lease according to said form, for ten  
days after said sale, his bid will, at the option of the  
Comptroller and the Board of the Department of Docks,  
be rejected.

The leases will contain a covenant requiring the lessees  
to pay quarterly to the Comptroller the percentage  
of the gross receipts paid for the franchise of each ferry.
