Following report from the Topographical Bureau:

CITY OF NEW YORK,
PRESIDENT OF BOARD OF PUBLIC IMPROVEMENTS,
TOPOGRAPHICAL BUREAU,
BOROUGH OF BROOKLYN, July 16, 1901.

In re opening Avenue M, from Flatlands avenue to Flatbush avenue, I have to report as follows:

This portion of Avenue M is not laid down on the Kings County Town Survey Map, filed in the Register's office. I find no record of any action by which it may have been afterward placed on the map of the city.

Before proceeding with this projected opening of Avenue M it will be essential to have it first laid down on the map of the city. In my estimation it is advantageous to lay down Avenue M so as to connect the portion of Avenue M to the west of Flatlands avenue with the portion of Avenue M to the east of Flatbush avenue. There are buildings on the land which would have to be taken.

Yours respectfully,
(Signed) GEO. J. BISCHOF,

Following report from the Department of Highways:

CITY OF NEW YORK,
BOROUGH OF BROOKLYN—DEPARTMENT OF HIGHWAYS,
MUNICIPAL BUILDING, October 30, 1899.

Hon. EDWARD M. GROUT, President of the Borough of Brooklyn:

DEAR SIR—Your letter of the 10th instant, submitting petition for the grading of Sterling place, between Schenectady avenue and Utica avenue, has been received. In reply, I have to advise you that although the Brooklyn Common Council, under date of February 27, 1893, declared Sterling place (then Butler street), between Albany avenue and the old City line, an open street, this resolution was not justified, as the conditions did not meet the requirements of section 22, title 22 of the Brooklyn Charter. At present there are three buildings in the roadway of the block between Schenectady avenue and Utica avenue, and they probably were there at the time of said resolution. In order to grade this street it will be necessary first to institute proceedings to open it, after which the improvement could be carried out.

The estimated cost of such improvement, etc., without curbing or guttering, is as follows:

13,800 cubic yards of excavation.

Estimated cost, \$5,400.

A proper district of assessment would be one-half the block on each side of the street, including an area of 159,600 square feet, assessed at \$19,000.

Respectfully,
(Signed) THOS. R. FARRELL, Deputy Commissioner of Highways.

An affidavit from the petitioners or property-holders in that vicinity would probably substantiate this statement.

Yours respectfully,
