The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general

service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

83621Y0003-TRILLIUM SOFTWARE - Request for Information - PIN# 83621Y0003 - Due 4-9-21 at 3:00 P.M.

Pursuant to Section - 3-05 of the NYC Procurement Policy Board Rules, it is the intent of the New York City Department of Finance ("DOF"), to enter into sole source negotiations with Trillium Software Inc. ("Trillium"), with the expectation that Trillium will be awarded a contract with DOF, for the provision of annual software maintenance and support, for their proprietary software.

Trillium software is used by DOF STARS, for address validation and correction, and also to denote an entity as being either commercial or personal. This Trillium software is also used by the CACS application, for its capabilities to perform name and address matching of new records to those in the existing database. When matches are found between the new records and the database, violations are added to the existing case which avoids the creation of multiple case records for one entity. Trillium provides software updates as released and monthly updates to the postal code files, which are utilized by the software for address validation.

Any vendor besides Trillium that believes it can provide the necessary software, is invited to do so. To respond in PASSPort, please complete the Acknowledgment tab and submit a response in the Manage Responses tab. If you have questions about the details of the RFx, please submit through the Discussion with Buyer tab.

Vendor resources and materials can be found at the link below under the Finding and Responding to RFx (Solicitation) heading. If you need additional assistance with PASSPort, please contact the MOCS Service Desk, at Help@mocs.nyc.gov. $\label{link:https://www1.nyc.gov/site/mocs/systems/passport-user-materials. page.
