BOARD OF STREET OPENING AND IMPROVEMENT.

The Board of Street Opening and Improvement met at the Mayor's office on Wednesday, May 29, 1895, at 11.30 o'clock A. M., pursuant to notice.

The roll was called, and all the members were present and answered to their names.

The minutes of the meeting of May 17, 1895, were read and approved.

The Board then proceeded to the consideration of section 7 of the Final Maps and Profiles of the Twenty-third and Twenty-fourth Wards, submitted by the Commissioner of Street Improvements of said Wards, and showing the laying out of streets across land occupied by the New York Central and Hudson River Railroad Company and the widening of East One Hundred and Sixty-first street.

Many property-owners and residents of the district were present and much interest was manifested in the proceedings.

Mr. Ira A. Place, on behalf of the New York Central and Hudson River Railroad Company, objected to the laying out of streets across the land occupied by the railroad company, as well as to the widening of East One Hundred and Sixty-first street.

On the other hand, property-owners and residents of the districts urged upon the Board the necessity of such laying out and widening and advocated the adoption of the map as submitted by the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards.

After a thorough discussion of the matter, the Board, on the recommendation and advice of the Counsel to the Corporation, who attended the meeting, decided to approve the map as submitted.

Before a vote, however, was taken on the resolution approving the map, the Mayor desired that the position of the Board in the matter should be well understood, remarking, that although there did not seem to be a contract with the New York Central and Hudson River Railroad Company that would hold good, as he understood it, if such resolution is adopted, nevertheless he was prepared to vote for the resolution, believing it to be for the interests of the Citizens of New York that the map, as submitted, should be adopted and filed.

Whereupon the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards offered the following resolution:

Resolved, That the resolution adopted by the Board of Street Opening and Improvement on July 6, 1894, giving its concurrence and approval to a map or plan with three (3) profile sheets of section 7 of the Final Maps and Profiles of the Twenty-third and Twenty-fourth Wards, showing the location, width, course, windings, lines, dimensions, grades and classes of streets, roads, avenues, public squares and places lying between Third avenue, Courtlandt avenue, East One Hundred and Sixty-first street, Cromwell avenue, East One Hundred and Fiftieth street and the Harlem river, excepting the area bounded by Railroad avenue, East, Morris avenue, East One Hundred and Sixty-first street, Sheridan avenue, East One Hundred and Fifty-third street, Mott avenue, the southerly line of the New York Central and Hudson River Railroad and East One Hundred and Forty-ninth street, in the Twenty-third Ward, located and laid out by the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards under chapter 545 of the Laws of 1890, and in relation to which a public hearing was given by the Board of Street Opening and Improvement on January 12, 1894, be and the same is hereby rescinded.

Which was adopted by the following vote: Affirmative—The Mayor, the Comptroller, the Commissioner of Public Works, the President of the Department of Public Parks, the President of the Board of Aldermen, and the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards—6.

The Commissioner of Street Improvements then offered the following preamble and resolutions: Whereas, The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards of the City of New York has prepared, adopted, established and submitted to this Board, for its concurrence and approval, a map or plan with three (3) profile sheets of section 7, being pages 24, 25, 26 and 27 of the Final Maps and Profiles, showing the location, width, course, windings, lines, dimensions, grades and classes of the streets, roads, avenues, public squares and places lying between Third avenue, Courtlandt avenue, East One Hundred and Sixty-first street, Cromwell avenue, East One Hundred and Fiftieth street and the Harlem river, in the Twenty-third Ward, located and laid out by the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards under chapter 545 of the Laws of 1890, and in relation to which a public hearing was given by the Board of Street Opening and Improvement on January 12, 1894.

Resolved, That, in pursuance of chapter 545 of the Laws of 1890, this Board does hereby give its concurrence and approval to the location, width, course, windings, lines, dimensions, grades and classes of streets, roads, avenues, public squares and places shown on the map or plan with three (3) profile sheets of section 7, being pages 24, 25, 26 and 27 of the Final Maps and Profiles of the Twenty-third and Twenty-fourth Wards, to be made, to be certified by him, and to cause the same to be filed in the manner now prescribed by law: one (1) in the office of the Secretary of State of the State of New York; one (1) in the office of the Register of the City and County of New York, and one (1) in the office of the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards of the City of New York.

Which were adopted by the following vote: Affirmative—The Mayor, the Comptroller, the Commissioner of Public Works, the President of the Department of Public Parks, the President of the Board of Aldermen, and the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards—6.

Whereas, The retention of insane persons in Almshouses is unwise and not desirable; and

Whereas, The recent transfer of one hundred and twelve insane persons from the Male and Female Departments of the Ward's Island Asylums to the City Farm, at Central Islip, Long Island, has made it, in a large measure, possible to receive about such number at the Ward's Island Asylum, without crowding that institution to a greater extent than existed prior to the 6th instant; therefore, be it

Resolved, That the Examiners in Lunacy be and they are hereby instructed to commit to the N. Y. City Asylums for the Insane such insane persons now confined in the Almshouse on Blackwell's Island as, in their judgment, should be so committed, to the end that such insane persons may receive the maximum of proper care and treatment, and that the Almshouse may be relieved of their care.

Whereas, The said unhit trucks, carts, vehicles and wagons, boxes, bales, merchandise or other things were unlawfully allowed to remain in front of the said premises, and that the said property was duly and lawfully removed to, and is now in the custody of the said Commissioner of Street Cleaning of the City of New York, in the yards at West Fifty-sixth street, between Eleventh avenue and North river, and corner of First avenue and Thirty-eighth street, and that the said Commissioner of Street Cleaning has made or caused to be made a diligent search and inquiry about the neighborhood from which the said trucks, carts, vehicles and wagons were taken, to ascertain the name and residence of the owner and owners of said property, or any person having an interest or property in the same, and no application to redeem any of said property having been made by any of the said persons described, or by any person.

Now, therefore, you are hereby required forthwith to redeem and remove the said personal property designated and described in the said schedule and petition, or show cause before a Justice of the District Court of the City of New York, in the court room of the First Judicial District, at the corner of Chambers and Centre streets, in the City of New York, on the 13th day of June, 1895, at 10½ o'clock in the forenoon of that day, or as soon thereafter as you may be heard, why the final order directing the sale of all of the said trucks, carts, vehicles, wagons and other things seized and removed from the public highway should not be made, and the proceeds applied as in such case made and provided by chapter 697 of the Laws of 1894.

CHARITIES AND CORRECTION.

NEW YORK, MAY 24, 1895.

TO CONTRACTORS.

MATERIALS AND WORK REQUIRED FOR GENERAL REPAIRS TO STEAMER "THOMAS S. BRENNAN."

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until Thursday, June 6, 1895, until 10 o'clock A. M. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for General Repairs to Steamer 'Thomas S. Brennan,'" and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of FIVE THOUSAND (\$5,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed

envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office, No. 66 Third Avenue, or H. de B. Parsons, No. 22 William Street; and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon their absolute enforcement in every particular.

HENRY H. PORTER, President; JOHN P. FAURE and ROBERT J. WRIGHT, Commissioners.

No estimate will be received or considered after the hour named.

For information as to the description of the hose to be furnished, bidders are referred to the specifications, which form part of these proposals.

The form of the agreement, with specifications, showing the manner of payment for the work, may be seen, and forms of proposals may be obtained at the office of the Department.

Bidders must write out the amount of their estimate in addition to inserting the same in figures.

The hose is to be delivered within ninety (90) days after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at the sum specified in the several forms of contracts.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the hose shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sums specified in the several forms of contracts, which are as follows:

For 10,000 feet 2½-inch hose, Eureka brand..... \$4,500 00
For 5,000 feet 2½-inch hose, Maltese Cross brand..... 2,500 00
For 3,000 feet 3-inch hose..... 2,500 00
For 5,000 feet 2½-inch P. G. hose..... 2,500 00

—and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required upon the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on, until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state that fact; also, that the estimate is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of ONE HUNDRED AND FIFTY DOLLARS (\$150). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making

the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be seen upon application to the Clerk of the Works, at the Armory, Madison Avenue and Ninety-fourth street, New York City.

The Board reserves the right to reject any or all estimates not deemed beneficial to or for the public interest. Plans may be examined and specifications and blank forms for bids or estimates obtained by application to the Clerk of the Works, at the Armory, at Madison Avenue and Ninety-fourth street, New York City.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making any estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of TWO HUNDRED AND FIFTY DOLLARS (\$250). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or Clerk of the Board who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.
