DEPARTMENT OF FINANCE.

WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE MONDAY, JULY 23, 1917.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

WILLIAM A. PRENDERGAST, Comptroller.

COMMISSIONER OF ACCOUNTS.

Hon. JOHN PURROY MITCHEL, Mayor:

Sir—In conformity with the requirements of section 119, chapter 466, Laws of 1901, Greater New York Charter, I transmit herewith the RESULTS OF AN EXAMINATION OF THE RECEIPTS AND DISBURSEMENTS OF THE OFFICE OF THE CHAMBERLAIN FOR THE FIRST QUARTER OF 1917.

I find that the balances in the City treasury, sinking funds and miscellaneous accounts on March 31, 1917, aggregated \$37,062,204.70, which agrees with the aggre-

gate of the balances as shown by the Chamberlain's accounts and summaries accompanying this report. (See Exhibits "A," "B" and "C.")

The said balances were verified by the inspection of the certificates of the officers of the several depository banks of concurrent date. A schedule of the depositories showing balances on March 31, 1917, at close of business, is appended under Exhibit "D."

An abstract of stock, bonds and notes issued and cancelled during the quarter ended March 31, 1917, is submitted under Exhibit "E."

I am submitting with the report, Tables "A" to "PP" (see Schedule No. 1), which contain the detailed and classified information contemplated in section 119 of the Charter. Respectfully submitted,

LEONARD M. WALLSTEIN, Commissioner of Accounts.

FRIDAY, JULY 27, 1917.

NO. 1. FOR FURNISHING ALL THE LABOR AND MATERIALS REQUIRED IN MAKING AND COMPLETING REPAIRS AT THE 274TH, 275TH AND 278TH PRECINCT STATION HOUSES.

NO. 2. FOR FURNISHING ALL THE LABOR AND MATERIALS REQUIRED IN THE INSTALLATION OF NEW PLUMBING WORK AND FIXTURES AT THE 274TH, 275TH AND 278TH PRECINCT STATION HOUSES.

The time allowed for the performance of each contract is seventy-five (75) consecutive calendar days.

The amount of security for the performance of the contract shall be thirty (30) per cent. of the total amount for which the contract is awarded.

The bidder will state the price for which he will do all the work and provide, furnish and deliver all the labor and materials mentioned and described in said contract and specifications, on each Precinct Station House for which he desires to bid.

The bids will be compared and award made to the lowest bidder on each contract for each precinct.

No bid will be considered unless it is accompanied by a deposit, which shall be in an amount not less than one and one-half (1½) per cent. of the total amount of the bid.

For particulars as to the nature and extent of the work required or of the materials to be furnished, bidders are referred to the specifications and to the plans on file in the office of the Bureau of Repairs and Supplies, Headquarters of the Police Department, 240 Centre st., Manhattan.

Bidders are requested to make their bids upon the blank form prepared by the Commissioner, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, can be obtained upon application therefor at the office of the Bureau of Repairs and Supplies, Headquarters of the Police Department, 240 Centre st., Manhattan. A. WOODS, Police Commissioner.

New York, July 24, 1917.

AT A MEETING OF THE BOARD OF Health of the Department of Health, held June 28, 1917, the following resolution was adopted:

Resolved, That Section 159 of the Sanitary Code be and the same is hereby amended to read as follows:

Sec. 159. Bottles, cans and other receptacles for holding milk, skimmed milk and cream; use regulated and restricted. It shall be the duty of all persons having in their possession bottles, cans, or other receptacles containing milk, skimmed milk, or cream, which are used in the transportation or delivery of milk, skimmed milk, or cream, to clean or cause them to be cleaned immediately upon emptying.

No person shall use or cause or allow to be used any receptacle which is used in the transportation and delivery of milk, skimmed milk, or cream for any purpose whatsoever other than the holding of milk, skimmed milk, or cream; nor shall any person receive or have in his possession any such receptacle which has not been washed after holding milk, skimmed milk, or cream, or which is unclean in any way.

AT A MEETING OF THE BOARD OF Health of the Department of Health, held June 28, 1917, the following resolution was adopted:

Resolved, That Article 9 of the Sanitary Code be and the same is hereby amended by adding thereto a new section to be known as Section 173, to read as follows:

Sec. 173. Adulterated skimmed milk; distribution prohibited; term "adulterated" defined. No skimmed milk which is adulterated shall be brought into the City of New York, or held, kept, sold, or offered for sale in said city, nor shall any person or corporation keep, have, sell, or offer for sale in the said city any such skimmed milk.

The term "skimmed milk" shall be taken to mean: Milk from which all or part of the cream has been removed.

For the purpose of this section any skimmed milk in possession of or held, kept, or offered for sale by a dealer in food shall prima facie be deemed to be held, kept and offered for sale as human food.

The term "adulterated" shall be taken to mean and include:

First—Skimmed milk containing less than eight per centum of milk solids other than fat.

Second—Skimmed milk from milk which has been drawn from animals within fifteen days before or five days after parturition.

Third—Skimmed milk from milk which has been drawn from animals fed on distillery waste, or any substance in a state of putrefaction, or on any unwholesome food.

Fourth—Skimmed milk from milk which has been drawn from cows kept in a crowded or unhealthy condition.

Fifth—Skimmed milk which has been diluted with water or any other fluid, or to which has been added, or into which has been introduced any foreign substance whatever.

Sixth—Skimmed milk the temperature of which is higher than 50 degrees Fahrenheit, or which contains an excessive number of bacteria.

Seventh—Skimmed milk from milk which is produced in violation of the Regulations of the Board of Health.

AT A MEETING OF THE BOARD OF Health of the Department of Health, held June 28, 1917, the following resolution was adopted:

Resolved, That Section 152 of the Sanitary Code be and the same is hereby amended to read as follows:

Sec. 152. Adulterated milk and cream; distribution prohibited; term "adulterated" defined. No milk which is adulterated, reduced, or changed in any respect by the addition of water or other substance, or by the removal of cream, shall be brought into the City of New York, or held, kept, sold, or offered for sale, at any place in said city; nor shall any person or corporation keep, have, sell, or offer for sale in the said city any such milk.

No cream which is adulterated shall be brought into the City of New York, or held, kept, sold, or offered for sale in said city, nor shall any person or corporation keep, have, sell, or offer for sale in said city any such cream. The term "cream" shall be taken to mean that portion of milk represented in milk fat which rises to the surface of milk on standing or is separated from it by centrifugal force.

Milk or cream in the possession of or held, kept, or offered for sale by a dealer in food shall prima facie be deemed to be held, kept, and offered for sale as human food.

The term "adulterated" shall be taken to mean and include:

First—Milk containing more than eighty-eight and one-half per centum of water or fluids.

Second—Milk containing less than eleven and one-half per centum of milk solids.

Third—Milk containing less than eight and one-half per centum of solids not fat.

Fourth—Milk from which any part of the cream has been removed.

Fifth—Milk containing less than three per centum of fats.

Sixth—Cream which contains less than 18 per centum of butter fat.

Seventh—Milk or cream from milk which has been drawn from animals within fifteen days before or five days after parturition.

Eighth—Milk or cream from milk which has been drawn from animals fed on distillery waste, or any substance in a state of putrefaction, or on any unwholesome food.

Ninth—Milk or cream from milk which has been drawn from cows kept in a crowded or unhealthy condition.

Tenth—Milk or cream which has been diluted with water or any other fluid, or to which has been added, or into which has been introduced, any foreign substance whatever.

Eleventh—Milk or cream the temperature of which is higher than 50 degrees Fahrenheit, or which contains an excessive number of bacteria. This requirement includes "Grade C Milk" that has been pasteurized.

Twelfth—Milk or cream from milk which is produced in violation of the Regulations of the Board of Health.

The provisions of this section shall not be applicable, however, to modified milk held or offered for sale under permit therefor issued by the Board of Health, or to skimmed milk. The provisions of this section shall, however, apply to cream sold under any foreign name meaning cream, such as smetana, crema, and rahm, and to all cream products and preparations such as homogenized products and milk curds. The provisions concerning temperature and bacterial content shall not apply to sour cream.

AT A MEETING OF THE BOARD OF Health of the Department of Health, held June 28, 1917, the following resolution was adopted:

Resolved, That Section 155 of the Sanitary Code be and the same is hereby amended to read as follows:

Sec. 155. Milk, skimmed milk, cream, condensed or concentrated milk, condensed skimmed milk, and modified milk; sale regulated; term "modified milk" defined; exception. No milk, skimmed milk, or cream, condensed or concentrated milk, condensed skimmed milk, or modified milk, shall be held, kept, offered for sale, sold or delivered in the City of New York without a permit issued therefor by the Board of Health or otherwise than in accordance with the terms of said permit and with the Regulations of said Board.

By the term "modified milk" is meant milk of any subdivision of the classification known as "Grade A: for Infants and Children," which has been changed by the addition of water, sugar of milk, or other substance intended to render the milk suitable for infant feeding.

The provisions of this section shall not apply to milk, skimmed milk, or cream, sold in hotels, restaurants, and retail stores, nor to condensed milk or condensed skimmed milk when contained in hermetically sealed cans.

Amendments to Regulations.

AT A MEETING OF THE BOARD OF Health of the Department of Health, held June 28, 1917, the following resolution was adopted:

Resolved, That Regulations 1 to 12 of the Regulations Governing the Production, Transportation, Pasteurization, and Sale of Milk, Cream, Condensed or Concentrated Milk, Condensed Skimmed Milk, and Modified Milk, adopted March 30, 1915, be amended to read as follows:

Regulations governing the production, transportation, pasteurization, and sale of milk, skimmed milk, cream, condensed or concentrated milk, condensed skimmed milk, and modified milk.

General regulations applying to all places where milk, skimmed milk, cream, condensed or concentrated milk, condensed skimmed milk and modified milk is produced, transported, pasteurized, offered for sale or sold.

Regulation 1. Milk, skimmed milk, cream, and condensed milk not to be stored in stables or other insanitary places. Milk, skimmed milk, cream, or condensed milk shall not be handled, stored, offered for sale, or sold in any stable, room used for sleeping purposes, or in any room or place which is dark, damp, poorly ventilated, or insanitary.

Regulation 2. Water-closet compartments. Every water-closet compartment, except when provided with mechanical means of ventilation, shall have a window at least one foot by three feet between sash-heads opening to the external air, and the entire window shall be made so as to readily open, or an opening connected with the external air measuring at least 144 square inches for each water-closet or urinal, with an increase of 72 square inches for each additional water-closet or urinal. The door or doors of the water-closet compartment shall be self-closing.

Where the water-closet is in direct communication with the room in which food is prepared or stored, as required by the Department of Health, a suitable and properly lighted vestibule shall be provided. The door of the vestibule shall be self-closing. All water-closet fixtures, water-closet compartments, and vestibules shall be maintained in a clean and sanitary condition and in good repair.

Regulation 3. Rooms, insanitary condition. Milk, skimmed milk, condensed milk, or cream shall not be sold or stored in any room which is dark, poorly ventilated, or dirty, or in which rubbish or useless material is allowed to accumulate, or in which there are offensive odors.

Regulation 4. Milk vessels to be protected. All vessels which contain milk, skimmed milk, condensed milk, or cream, must be protected by suitable covers. Vessels must be so placed that milk, skimmed milk, condensed milk, or cream will not become contaminated by dust, dirt, or flies.

Regulation 5. Milk not to be kept on sidewalk. Milk, skimmed milk, condensed milk, or cream shall not be allowed to stand on the sidewalk or outside of the store longer than is absolutely necessary for transportation.

Regulation 6. Milk not to be transferred on street. Milk, skimmed milk, condensed milk, or cream must not be transferred from one container to another on the streets, at ferries, or at railroad depots.

Regulation 7. Ice tub or ice box to be provided. Vessels in which milk, skimmed milk, condensed milk, or cream is kept for sale shall be

kept either in a milk tub, properly iced, or in a clean ice box or refrigerator in which these or similar articles of food are stored.

Regulation 8. Containers to be cleaned and sterilized. All containers in which milk, condensed milk, or cream is stored, handled, transported, or sold, must be thoroughly cleaned and sterilized before filling. Such cleaning and sterilizing shall not be done, nor shall any containers be filled in any stable, in any room used for sleeping purposes, or in any room having a direct connection with such stables or rooms, or with water-closet compartments, unless such water-closet compartments conform to Regulation 2 of these regulations.

Regulation 9. Ice-box or ice-tub to be kept clean. The ice-box or ice-tub in which milk, skimmed milk, condensed milk, or cream is kept must be maintained in a thoroughly clean condition.

Regulation 10. Drainage of ice-box. The overflow pipe from the ice-box in which milk, skimmed milk, condensed milk, or cream is kept must not be directly connected with the drain pipe or sewer, but must discharge into a properly trapped, sewer-connected, water-supplied open sink.

Regulation 11. Health of employees. No person having any infectious disease, or caring for or coming in contact with any person having an infectious disease, shall handle milk, or any product of milk.

Regulation 12. Worn or badly rusted receptacles. All cans or receptacles used in the sale or delivery of milk, skimmed milk, cream, or condensed milk when found to be in an unfit condition to be so used by reason of being worn out, badly rusted, or with rusted inside surface, or in such condition that they cannot be rendered clean and sanitary by washing, shall be condemned by inspectors of this Department. Every such can or receptacle when so condemned shall be marked by a stamp, impression, or device showing that it has been so condemned, and when so condemned shall not thereafter be used by any person for the purpose of selling, delivering, or shipping milk, skimmed milk, cream, or condensed milk.

AT A MEETING OF THE BOARD OF Health of the Department of Health, held June 28, 1917, the following resolution was adopted:

Resolved, That Regulations 146 to 152 of the Regulations Governing the Production, Transportation and Sale of Milk, Cream, Condensed or Concentrated Milk, Condensed Skimmed Milk and Modified Milk, adopted March 30, 1915, be amended to read as follows:

Additional regulation governing the labelling of milk, skimmed milk, or cream brought into, delivered, offered for sale and sold in New York City:

Regulation 146. Labelling of milk, skimmed milk or cream. Each can or receptacle containing milk, skimmed milk, or cream, shall bear a tag or label stating, if shipped from a creamery or dairy, the location of the said creamery or dairy, the date of shipment, the name of the dealer, and the grade of the product contained therein, except as elsewhere provided for delivery of cream in bottles. The words "skimmed milk" shall be clearly, legibly and conspicuously set forth in plain block letters upon the tag or label affixed to each can or receptacle containing skimmed milk.

Regulation 147. Labelling of milk, skimmed milk, or cream to be pasteurized. All milk, skimmed milk, or cream brought into the City of New York to be pasteurized shall have a tag affixed to each and every can or other receptacle indicating the place of shipment, date of shipment, and the words "to be pasteurized" (stating location of pasteurizing plants). The words "skimmed milk" shall be clearly, legibly, and conspicuously set forth in plain block letters upon the tag or label affixed to each can or receptacle containing skimmed milk.

Regulation 148. Mislabeling of milk, skimmed milk, or cream. Milk, skimmed milk, or cream of one grade or designation shall not be held, kept, offered for sale, sold, or labeled as milk, skimmed milk or cream of a higher grade or designation.

Regulation 149. Word, statement, design, mark or device on label. No word, statement, design, mark or device regarding the milk, skimmed milk, or cream shall appear on any tag or label attached to any can or other receptacles containing milk, skimmed milk, or cream, which word, statement, design, mark or device is false or misleading in any particular.

Regulation 150. Tags to be saved. As soon as the milk, skimmed milk, or cream contained in a can or receptacle has been sold, or before the said can or receptacle has been returned or otherwise disposed of, or leaves the possession of the dealer, the tag thereon shall be removed and kept on file in the store where such milk, skimmed milk, or cream has been sold, for a period of two months thereafter, for inspection by the Department of Health. Tags affixed to such cans or receptacles shall not be removed therefrom until the contents thereof have been sold or otherwise disposed of.

Regulation 151. Record of milk, skimmed milk, or cream delivered. Every wholesale dealer in the city of New York shall keep a record in his main office in the said city, which shall show from which place or places, milk, skimmed milk, or cream, delivered by him daily to retail stores in the city of New York, has been received and to whom delivered, and the said record shall be kept for a period of two months, for inspection by the Department of Health, and shall be readily accessible to the inspectors of the said Department at all times.

Regulation 152. Skimmed milk; sale at retail regulated and restricted. Skimmed milk shall not be sold at retail except when the cans or other receptacles containing the said skimmed milk shall be placed and kept in a tub, box, or other container, painted a bright blue color with the words "skimmed milk" clearly, legibly, and plainly set forth in large block type letters of a prominent and conspicuous contrasting color, not less than six inches high and painted on the outside of two opposite sides of the tub, box or other container. Such tubs, boxes, or other containers shall be exclusively used for the storage of cans or other receptacles containing skimmed milk, and shall be so stored and kept as to be in plain view of customers and easily accessible to inspectors of the Department of Health.

Resolved, That Regulations 146 to 152 of the Regulations Governing the Production, Transportation and Sale of Milk, Cream, Condensed or Concentrated Milk, Condensed Skimmed Milk and Modified Milk, adopted March 30, 1915, be amended to read as follows:

Regulations governing the production, transportation, pasteurization, and sale of milk, skimmed milk, cream, condensed or concentrated milk, condensed skimmed milk, and modified milk.

General regulations applying to all places where milk, skimmed milk, cream, condensed or concentrated milk, condensed skimmed milk and modified milk is produced, transported, pasteurized, offered for sale or sold.

Regulation 1. Milk, skimmed milk, cream, and condensed milk not to be stored in stables or other insanitary places. Milk, skimmed milk, cream, or condensed milk shall not be handled, stored, offered for sale, or sold in any stable, room used for sleeping purposes, or in any room or place which is dark, damp, poorly ventilated, or insanitary.

Regulation 2. Water-closet compartments. Every water-closet compartment, except when provided with mechanical means of ventilation, shall have a window at least one foot by three feet between sash-heads opening to the external air, and the entire window shall be made so as to readily open, or an opening connected with the external air measuring at least 144 square inches for each water-closet or urinal, with an increase of 72 square inches for each additional water-closet or urinal. The door or doors of the water-closet compartment shall be self-closing.

Where the water-closet is in direct communication with the room in which food is prepared or stored, as required by the Department of Health, a suitable and properly lighted vestibule shall be provided. The door of the vestibule shall be self-closing. All water-closet fixtures, water-closet compartments, and vestibules shall be maintained in a clean and sanitary condition and in good repair.

Regulation 3. Rooms, insanitary condition. Milk, skimmed milk, condensed milk, or cream shall not be sold or stored in any room which is dark, poorly ventilated, or dirty, or in which rubbish or useless material is allowed to accumulate, or in which there are offensive odors.

Regulation 4. Milk vessels to be protected. All vessels which contain milk, skimmed milk, condensed milk, or cream, must be protected by suitable covers. Vessels must be so placed that milk, skimmed milk, condensed milk, or cream will not become contaminated by dust, dirt, or flies.

Regulation 5. Milk not to be kept on sidewalk. Milk, skimmed milk, condensed milk, or cream shall not be allowed to stand on the sidewalk or outside of the store longer than is absolutely necessary for transportation.

Regulation 6. Milk not to be transferred on street. Milk, skimmed milk, condensed milk, or cream must not be transferred from one container to another on the streets, at ferries, or at railroad depots.

Regulation 7. Ice tub or ice box to be provided. Vessels in which milk, skimmed milk, condensed milk, or cream is kept for sale shall be

kept either in a milk tub, properly iced, or in a clean ice box or refrigerator in which these or similar articles of food are stored.

Regulation 8. Containers to be cleaned and sterilized. All containers in which milk, condensed milk, or cream is stored, handled, transported, or sold, must be thoroughly cleaned and sterilized before filling. Such cleaning and sterilizing shall not be done, nor shall any containers be filled in any stable, in any room used for sleeping purposes, or in any room having a direct connection with such stables or rooms, or with water-closet compartments, unless such water-closet compartments conform to Regulation 2 of these regulations.

Regulation 9. Ice-box or ice-tub to be kept clean. The ice-box or ice-tub in which milk, skimmed milk, condensed milk, or cream is kept must be maintained in a thoroughly clean condition.

Regulation 10. Drainage of ice-box. The overflow pipe from the ice-box in which milk, skimmed milk, condensed milk, or cream is kept must not be directly connected with the drain pipe or sewer, but must discharge into a properly trapped, sewer-connected, water-supplied open sink.

jy17.31 ROBERT W. BELCHER, Secretary.

PUBLIC NOTICE IS HEREBY GIVEN THAT applications will be received by the Municipal Civil Service Commission, Municipal Building, Manhattan, New York City, from

MONDAY, JULY 16, 1917, TO TUESDAY, AUGUST 14, 1917,

for the position of

CHIEF MEDICAL EXAMINER OF THE CITY OF NEW YORK.

No application delivered at the office of the Commission, by mail or otherwise, after 4 p. m., TUESDAY, AUGUST 14, 1917, will be accepted.

Application blanks will be mailed upon request provided a self-addressed stamped envelope or sufficient postage is enclosed to cover the mailing. The Commission will not guarantee the delivery of the same. Postage on applications forwarded by mail must be fully prepaid.

The requirement that applicants must be residents of the State of New York is waived for this examination. Competitive examination to be open to all citizens of the United States. Persons who accept appointment must thereafter reside in the State of New York.

The requirement that every application shall bear the certificates of four reputable citizens whose residences or places of business are within the City of New York is waived for applicants for this examination whose previous occupation or employment has been wholly or in part outside the City of New York, and the said certificates will be accepted from persons resident or engaged in business elsewhere.

The subjects and weights of the examination are: Experience, 4; 70 per cent. required. Practical test, 3; 75 per cent. required. Oral test, 3; 70 per cent. required.

A qualifying physical examination will be given.

Applications for this examination must be filed on a special blank, Form D with insert.

Duties.—The incumbent of this position will be in charge of the office of the Chief Medical Examiner of the City of New York, which shall perform generally the duties heretofore performed by the Coroners of the several Boroughs, as are described in detail in Chapter 284 of the Laws of 1915, being an Act to amend the Greater New York Charter and repeal certain sections thereof and of Chapter 410 of the Laws of 1882, in relation to the abolition of the office of Coroner and the establishment of Chief Medical Examiner.

Requirements.—Candidates must have received the degree of M. D. from an approved institution of recognized standing. They must be skilled Pathologists, learned in the field of Legal Medicine, both with regard to the literature and the present state of that science. They must present satisfactory evidence of having done, in an official connection, at least ten years' work in the pathological laboratory of a recognized medical school, hospital, asylum or public morgue or in other corresponding official capacity and of having performed at least five hundred autopsies.

They must possess a theoretical or critical knowledge of bacteriology and toxicology, sufficient to enable them to appraise intelligently the work of expert deputies. It is useless for persons who have not had at least this experience to apply for examination. Special consideration will be given to candidates who have had administrative duties, to those experienced in preparing and presenting evidence in court, and to those who have made definite published contributions to the science of Legal Medicine. Candidates are required to submit with their application copies of their publications.

Practical Test.—Candidates will be required to perform an autopsy and to report on their findings in writing.

Oral Examination.—Candidates will appear before an examining board for the oral test as to their personal qualifications and fitness for the position. A thorough cross-examination will be included in this part of the examination.

Candidates must be at least 30 years of age on or before the closing date for the receipt of applications.

The compensation rate has not been fixed, but \$7,500 per annum has been recommended to the Board of Estimate and Apportionment for this position. Full time service will be required.

There will be one vacancy in accordance with the law on Jan. 1, 1918.

The term of eligibility of the list resulting from this examination is fixed at not less than one year nor more than four years.

ROBERT W. BELCHER, Secretary. jy16.a14

NOTICE IS HEREBY GIVEN TO ALL PERSONS interested in the above entitled proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First.—That the undersigned, Commissioners of Estimate, have completed their supplemental and amended estimate of damage and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with them at their office in the Municipal Building, Court House Square, Long Island City, in the Borough of Queens, in The City of New York, on or before the 13th day of August, 1917, and that the said Commissioners will hear parties so objecting, and for that purpose will be in attendance at their said office on the 15th day of August, 1917, at 10 o'clock a. m.

Second.—That the undersigned, Commissioner of Assessment, has completed his supplemental and amended estimate of benefit and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with him at his office in the Municipal Building, Court House Square, Long Island City, in the Borough of Queens, in The City of New York, on or before the 13th day of August, 1917, and that the said Commissioner will hear parties so objecting, and for that purpose will be in attendance at his said office on the 16th day of August, 1917, at 10 o'clock a. m.

Third.—That the Commissioner of Assessment has assessed any or all such lands, tenements and hereditaments and premises as are within the area of assessment fixed and prescribed as

the amended area of assessment for benefit by the Board of Estimate and Apportionment on the 20th day of October, 1916, and that the said area of assessment includes all those lands, tenements and hereditaments and premises situate and being in the Borough of Queens, in The City of New York, which, taken together, are bounded and described, as follows, viz.:

Beginning at a point on the prolongation of a line midway between Gay street and Hanover avenue, as these streets are laid out between Corona avenue and Hammond place, distant 100 feet northerly from the northerly line of Corona avenue, the said distance being measured at right angles to Corona avenue, and running thence southwardly along the said line midway between Gay street and Hanover avenue and along the prolongation of the said line to the intersection with the prolongation of a line midway between Parcell street and Gerry avenue; thence westwardly along the said line midway between Parcell street and Gerry avenue and along the prolongation of the said line to the intersection with a line midway between Toledo street and Gay street; thence southwardly along the said line midway between Toledo street and Gay street and along the prolongation of the said line to the intersection with a line midway between Toledo street and Hanover avenue; thence southwardly along the said line midway between Toledo street and Hanover avenue and along the prolongation of the said line to the intersection with the northerly line of Queens Boulevard; thence southwardly at right angles to Queens Boulevard to a point distant 100 feet southwesterly from its southwesterly side; thence northwesterly along a straight line to a point on the southeasterly line of Woodhaven avenue, where it is intersected by the prolongation of a line distant 100 feet southwesterly from and parallel with the southwesterly line of Queens Boulevard, as this street is laid out between Coney street and Baskin place; the said distance being measured at right angles to Queens Boulevard; thence northwesterly along the said line parallel with Queens Boulevard and along the prolongation of the said line to the intersection with the prolongation of a line distant 200 feet westerly from and parallel with the westerly line of Chicago street as this street is laid out between Laconia street and Martine street, the said distance being measured at right angles to Chicago street; thence northwesterly along the said line parallel with Chicago street, and along the prolongation of the said line, to the intersection with the prolongation of a line distant 100 feet northwesterly from and parallel with the northerly line of Reach place; the said distance being measured at right angles to Reach place; thence northwesterly along the said line parallel with Reach place and along the prolongation of the said line, to a point distant 100 feet northerly from the northerly line of Corona avenue; thence generally eastwardly and always distant 100 feet northerly from and parallel with the northerly line of Corona avenue to the point or place of beginning.

Fourth.—That the abstracts of said supplemental and amended estimate of damage and of said supplemental and amended estimate of benefit, together with the damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by the Commissioners of Estimate and by the Commissioner of Assessment in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, in the Municipal Building, Court House Square, in the Borough of Queens, in said City, there to remain until the 15th day of August, 1917.

Fifth.—That, provided there be no objections filed to either of said supplemental and amended abstracts, the returns as to awards and as to assessments for benefit herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House in the Borough of Brooklyn, in The City of New York, on the 15th day of October, 1917, at the opening of the Court on that day.

Sixth.—In case, however, objections are filed to the foregoing abstracts of estimate and assessment, or to either of them, the motion to confirm the reports as to awards and as to assessments shall stand adjourned to the date to be hereafter specified in the notice provided in such case to be given in relation to filing the final reports, pursuant to Sections 981 and 984 of the Greater New York Charter, as amended by Chapter 658 of the Laws of 1906.

Dated, New York, July 20, 1917.

Third.—That the Commissioner of Assessment has assessed any or all such lands, tenements and hereditaments and premises as are within the area of assessment fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 6th day of April, 1911, and that the said area of assessment includes all those lands, tenements and hereditaments and premises situate and being in the Borough of Queens, in The City of New York, which, taken together, are bounded and described as follows, viz:

Beginning at a point on the bulkhead line of Flushing Bay distant 360 feet northwesterly from the intersection of the said line with the northeasterly line of 43d street, and running thence southwesterly along the said bulkhead line to the intersection with a line midway between 54th street and 55th street, as these streets are laid out where they adjoin Berran avenue; thence southwesterly along the said line midway between 54th street and 55th street, and along the prolongation of the said line to a point distant 100 feet easterly from the easterly line of 54th street, as this street is laid out south of Astoria avenue, the said distance being measured at right angles to 54th street; thence southwesterly and parallel with 54th street to the intersection with a line bisecting the angle formed by the intersection of the prolongations of the southerly line of Astoria avenue and the northerly line of Jackson avenue, as these streets are laid out between 54th street and 55th street; thence westwardly along the said bisecting line to the intersection with a line midway between 49th street and 50th street; thence northwesterly along the said line midway between 49th street and 50th street to a point distant 100 feet southerly from the southerly line of Astoria avenue, the said

distance being measured at right angles to Astoria avenue; thence westwardly and always distant 100 feet southerly from and parallel with the southerly line of Astoria avenue to the intersection with the prolongation of a line midway between 47th street and 48th street as these streets are laid out between Jackson avenue and Hayes avenue; thence northwesterly along the said prolongation of a line midway between 47th street and 48th street to the intersection with a line midway between Bay 3d street and Bay 4th street, as these streets are in use and commonly recognized thence northwesterly along a line always midway between Bay 3d street and Bay 4th street, and the prolongations thereof, to the intersection with a line distant 1,000 feet southwesterly from and parallel with the southwesterly line of Ditmars avenue, as this street is laid out northwesterly from and adjoining Schurz avenue, the said distance being measured at right angles to Ditmars avenue; thence northwesterly along the said line parallel with Ditmars avenue and along the prolongation of the said line to the intersection with the prolongation of a line parallel with 43d street, as this street is laid out northeast of Ditmars avenue, and passing through the point of beginning; thence northwesterly along the said line parallel with 43d street to the point or place of beginning.

Fourth.—That the abstracts of said estimate of damage and of said assessment for benefit, together with the damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by the Commissioners of Estimate and by the Commissioner of Assessment in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, in the Municipal Building, Court House Square, in the Borough of Queens, in said City, there to remain until the 30th day of July, 1917.

Fifth.—That, provided there be no objections filed to either of said abstracts, the supplemental and amended reports as to awards and as to assessments for benefit herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House in the Borough of Brooklyn, in The City of New York, on the 11th day of September, 1917, at the opening of the Court on that day.

Sixth.—In case, however, objections are filed to the foregoing abstracts of estimate and assessment, or to either of them, the motion to confirm the supplemental and amended reports as to awards and as to assessments shall stand adjourned to the date to be hereafter specified in the notice provided in such cases to be given in relation to filing the final reports, pursuant to Sections 981 and 984 of the Greater New York Charter, as amended by Chapter 658 of the Laws of 1906.

Dated, New York, July 11, 1917.
FRANK L. STILES, Chairman; WILLIAM H. WADE, JOSEPH W. GOODWIN, Commissioners of Estimate; JOSEPH W. GOODWIN, Commissioner of Assessment.
WALTER C. SHEPPARD, Clerk. jy18.28

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of the building or buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions, shall in any case be re-located or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be re-located or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a re-sale at public or private sale may be made in the same manner as if no prior sale thereof had been made."

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and he it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

NOTICE TO CONTRACTORS.
GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR, OR SUPPLIES TO BE FURNISHED TO THE CITY OF NEW YORK.

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or officers, shall furnish the same in a sealed envelope, endorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making a bid for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer or employee of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath in writing, of the party or parties making the bid that the several matters stated therein are in all respects true.

No bid will be considered unless as a condition precedent to the reception or consideration of such bid, it be accompanied by a certified check upon one of the State or National banks or trust companies of The City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

All bids for supplies must be submitted in duplicate. The certified check or money should not be inclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to the City of New York upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures. Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done or the supplies are to be furnished. Plans and drawings of construction work may be seen there.
