PETITIONS.

By Alderman Saul—

To the Honorable the Common Council of the City of New York:

The petition of the Third Avenue Railroad Company respectfully shows:

That your petitioner is a corporation, duly organized and incorporated under the laws of the State of New York, and has constructed and now operates a line of railroad extending, among other streets, upon the Bowery, Third avenue, One Hundred and Twenty-fifth street, Manhattan street and Tenth avenue, in the City of New York.

That your petitioner proposes to construct, maintain and operate a street surface railroad for public use in the City of New York, with double tracks, connecting with the tracks of said company already constructed, and as branches or extensions thereof, upon and along the surface of streets, avenues and highways in the City of New York, as follows:

From the junction of St. Nicholas avenue with the line of said company at West One Hundred and Twenty-fifth street, northerly through and along St. Nicholas avenue to Kingsbridge road or Broadway; thence northerly and northeasterly through and along Kingsbridge road or Broadway to and across the proposed new bridge over the Ship Canal; thence northerly through and along Kingsbridge road or Broadway from the proposed new bridge over the Ship Canal to and across the bridge over Spuyten Duyvil creek at Broadway; thence northerly from the bridge over Spuyten Duyvil Creek at Broadway, through and along Broadway to the city line; also, from said junction at West One Hundred and Twenty-fifth street and St. Nicholas avenue southerly to a junction of said avenue with Manhattan avenue; thence southerly over and along Manhattan avenue to West One Hundred and Sixteenth street, with all the necessary connections, switches, turn-outs, cross-overs, sidings, turn-tables and suitable stands for the convenient working of said road, and for the accommodation of the company's cars which may run over the same.

That your petitioner now owns and is operating in the City of New York, as part of one system, fourteen miles of railroad, or thereabouts.

That said proposed extension and branches will be about eight miles or thereabouts in length, and will become and be a part of said system and connected therewith.

That the construction of said railroad will greatly accommodate the public and promote the convenience thereof, and will afford additional and much-needed facilities for travel to the territory through which said railroad will extend, and will enable your petitioner to transport persons from all points on its system over this extension as a part of a continuous line to their destination for one fare.

That the railroad proposed to be constructed, extended and maintained, and operated by your petitioner, as hereinbefore set forth, is intended to be operated by any motive power other than steam locomotive power, which now or hereafter may be lawfully used or employed on its route.

Your petitioner further shows that, pursuant to the laws of this State, it is necessary for it to obtain the consent of the Common Council of the City of New York to enable it to construct, maintain and operate the railroad aforesaid, and accordingly your petitioner now applies to your Honorable Body for such consent.

Wherefore, your petitioner prays and makes application to the Common Council of the City of New York for its consent and permission to be granted to your petitioner, its successors, lessees and assigns, to construct, maintain and operate a street surface railroad for public use, through, upon and along the avenues, streets and highways above set forth and described, together with all necessary connections, switches, sidings, turn-outs, turn-tables, cross-overs and suitable stands for the convenient working of said railroad, and for the accommodation of the company's cars which may be run over said railroad by your petitioner, its successors, lessees or assigns.

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, February 26, 1894.

Hon. GEORGE B. MCCLELLAN, President, Board of Aldermen:

DEAR SIR—I have the honor to transmit herewith for presentation at to-morrow's meeting of the Board of Aldermen the draft of an ordinance, directing that One Hundred and Forty-fifth street, from the westerly line of the Boulevard to the retaining wall on the easterly line of the property of the New York Central and Hudson River Railroad, be paved with granite blocks on concrete foundation, and with tar and gravel joints.

The street forms a high embankment, with a steep grade of 12½ to 100, and, while the roadway remains unpaved, large quantities of soil are washed down against the retaining-wall and over the rail-tracks by every rain-storm. This will be permanently obviated by the construction of a sewer in the street, which is about to be put under contract, and by the paving of the street as provided in the draft of ordinance herewith submitted. It will, therefore, be to the interest of the City, and of all concerned, that the ordinance be adopted without unnecessary delay.

Very respectfully,

MAURICE F. HOLAHAN, Deputy and Acting Commissioner of Public Works.

Resolved, That the roadway of One Hundred and Forty-fifth street, from the Boulevard to the retaining-wall on the easterly line of the property of the New York Central and Hudson River Railroad, be paved with granite-block pavement on concrete foundation, and that crosswalks be laid at the intersecting and terminating avenues, where not already laid, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which were severally laid over.

PETITIONS RESUMED.

By Alderman Morgan—

To the Honorable Board of Aldermen of the City of New York:

Your petitioners, the Board of Trustees of the Fruit Buyers' Union (incorporated) of the City of New York, whose signatures are hereunto affixed, do hereby protest against the enforcement of the City ordinance pertaining to the obstruction of sidewalks, and respectfully petition your Honorable Board for the repeal of the said ordinance.

Your petitioners respectfully represent that the enforcement of the said ordinance subjects them and all others engaged in the fruit business to inconvenience, injury and loss.

That the use of sidewalks is absolutely essential to the proper conduct of the fruit business.

That the goods dealt in by them and their associates are of a nature innately perishable, and are required to be handled with care, promptness and dispatch.

That in order so to handle these goods the sidewalks must be used to load and unload trucks, wagons, etc.

Your petitioners therefore pray for the passage of an ordinance granting to them the privilege of using the sidewalks for the purposes above set forth, and suggest to your Honorable Board that an ordinance be framed permitting the use of sidewalks for a specified time (say thirty minutes for each load) for the purpose of loading or unloading trucks, wagons, etc., provided that, at all times, a passageway of not less than three feet in width be kept clear for pedestrians.

Your petitioners do not pray for the privilege of using the sidewalks for the display of goods offered for sale; nor for the permission to store goods on the sidewalks, pending the sale of them.

Your petitioners venture to express the opinion, that, as citizens engaged in legitimate business enterprises, they are entitled to recognition; and, at least, to as much consideration and the same measure of protection as are accorded to pedestrians, many of whom reside in New Jersey—who make their money here and spend it elsewhere.

Your petitioners beg to lay particular stress upon the fact that the path of Jerseyites is directly along thoroughfares in which the bulk of the fruit business is conducted, and that to them have been traced many of the complaints entered.

With the prayer that this petition may receive the careful consideration and favorable action of your Honorable Board, your petitioners beg to remain,

Very respectfully,

LEROY M. LYON, President, Fruit Buyers' Union.
E. RUHLMAN.
M. LANE.
THEO. K. WEGMAN.
O. BANKS.
C. L. ARMSTRONG.
VICTOR L. ZOM.

Which was referred to the Committee on Law Department.

ASHBEL P. FITCH,

Comptroller.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, February 14, 1894.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, February 23, 1894.

PROPOSALS TO PRINT AND BIND, IN PAMPHLET AND IN BOOK FORM, THE INDEXES TO THE RECORDS OF BIRTHS, MARRIAGES AND DEATHS KEPT BY THE HEALTH DEPARTMENT OF THE CITY OF NEW YORK FOR THE YEAR 1894.

TO PRINTERS.

ESTIMATES FOR SUPPLYING THE CITY Government with Printed Indexes to the Records of Births, Marriages and Deaths kept by the Health Department, and to compile and bind them in monthly and annual volumes, will be received at the office of the Supervisor of the City Record, in the City Hall, until 12 o'clock M. of Thursday, the 8th day of March, 1894.

The said estimates will be publicly opened and read at a meeting of the Board of City Record to be held in the Mayor's office at or about the time above-mentioned.

Each person making an estimate shall inclose it in a sealed envelope, indorsed "Estimate for Printing and Binding the Indexes to Health Records," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there is more than one such person, their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the cost of the articles awarded; the amount of preliminary security to be given until the award is made, and in which the sureties shall justify, shall be THREE HUNDRED AND SEVENTY-FIVE DOLLARS.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests.

Copies of the specifications may be procured from the Supervisor of the City Record.

Samples of the work are on file in the Department of Public Works.

NEW YORK.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1890), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thereupon be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,

Commissioner of Public Works

COMMISSIONER OF STREET IMPROVEMENTS OF THE TWENTY-THIRD AND TWENTY-FOURTH WARDS.

OFFICE OF

M. on Tuesday, March 13, 1894, at which place and hour they will be publicly opened:

No. 1. FOR REGULATING AND PAVING WITH GRANITE-BLOCK PAVEMENT THE CARRIAGEWAY OF, AND LAYING CROSSLINKS IN, ONE HUNDRED AND SIXTIETH STREET, from Washington Avenue to Railroad Avenue, East.

No. 2. FOR REGULATING, GRADING, SETTING CURB-STONES, FLAGGING THE SIDEWALKS AND LAYING CROSSLINKS IN WOLF STREET, from Union Street to Sedgwick Avenue.

No. 3. FOR CONSTRUCTING SEWERS AND APPURTENANCES IN ONE HUNDRED AND SEVENTY-SIXTH STREET, between Webster Avenue and Third Avenue, and in THIRD AVENUE, between One Hundred and Seventy-sixth street and summit north of One Hundred and Eighty-first street, and in BATHGATE AVENUE, between One Hundred and Seventy-sixth street and Tremont Avenue, and in WASHINGTON AVENUE, between One Hundred and Seventy-sixth street and Tremont Avenue, and in VANDERBILT AVENUE, EAST, between One Hundred and Seventy-sixth street and One Hundred and Seventy-fifth street.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person is so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no

member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the City.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any other information desired, can be obtained at this office.

NEW YORK, February 20, 1894.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING THE materials and labor and doing the work required for constructing and erecting a building on One Hundred and Seventy-sixth street, one hundred and fifty (150) feet west of Washington Avenue, for Engine Company No. 46 of this Department, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 10 o'clock A. M., Wednesday, March 7, 1894, at which time and place they will be publicly opened by the head of said Department and read.

No estimate will be received or considered after the hour named.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The form of the agreement and the specifications, showing the manner of payment for the work, and forms of proposals, may be obtained and the plans may be seen at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures. The work is to be completed and delivered within one hundred and fifty (150) working days after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at twenty (20) dollars.

The award of the contract will be made as soon as practicable after the opening of the bids. Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of

its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of ten thousand (10,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five hundred (500) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.
