ROLL OF MERIT—PERSONAL RISK.

Edward Gallagher—At 3 o'clock on the morning of May 6, at a fire near and on the Pier 20, East river, which pier is mainly occupied by the Mallory line of steamers, Fireman Edward Gallagher, of Engine 57, rescued Thomas Bond, aged 36, who had been asleep in the cabin of the barge "Marietta." He boarded the barge from the fireboat and found Bond partially overcome by heat and smoke. It was on fire and drifting towards the pier, thereby necessitating the continuous throwing of a stream of water from the fireboat onto the barge until Gallagher succeeded in placing Bond on "The New Yorker." According to a report of Chief of Battalion Kruger, the rescue was accomplished with great personal risk.

Jeremiah Haggerty, at the same fire, rescued Joseph Plumb, aged 43, his wife and two children, from the coal barge "Gluck," with great difficulty and at great personal risk.

TWENTY-FIRST DISTRICT, BOROUGH OF THE BRONX.

MINUTES.

Pursuant to call by President Haffen, the members of the Local Board, Twenty-first District, met at 2 P. M., October 4, 1900, at the office of the President of the Borough of The Bronx, Municipal Building, Crotona Park.

Present—President Haffen, Councilman Hottenroth, Councilman Murray, Alderman McGrath and Alderman Geiger.

Minutes of previous meeting read and adopted.

HEARINGS.

Discontinuing Proceedings for Opening East Two Hundred and Tenth Street, from Webster Avenue to Bronx River.

The following communications were read:

BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,
No. 21 PARK ROW, BOROUGH OF MANHATTAN,
NEW YORK, September 24, 1900.

Hon. LOUIS F. HAFEN, President, Borough of The Bronx:

DEAR SIR—The Mayor having vetoed the resolution adopted by this Board for the widening of East Two Hundred and Tenth street, from Station place to Webster avenue, etc., the New York and Harlem Railroad Company made a request to this Board to discontinue proceedings for acquiring title to East Two Hundred and Tenth street, from Webster avenue to the Bronx river.

This matter has been before this Board for some time, and at the meeting held on the 19th instant it was referred to you for the action of the Local Board as to whether they wished the entire proceedings discontinued, or to have the proceedings discontinued only as to that portion which affects the railroad company.

Respectfully,
JOHN H. MOONEY, Secretary.

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, September 19, 1900.

Hon. LOUIS F. HAFEN, President, etc.:

DEAR SIR—I am in receipt of your communication of the 14th instant, acknowledging the receipt of an opinion given by me on the 24th of August, 1900, that the proceedings to open East Two Hundred and Tenth street, from Webster avenue to the Bronx river, could be discontinued by the Board of Public Improvements, and requesting to be informed, on behalf of the Board of Public Improvements and the Local Board of Improvements of the Twenty-first District, "by whom the expenses and costs already incurred should be paid, and, if The City of New York, from what funds such payment should be made?"

In reply I desire to say that the costs, charges and expenses already incurred in the above-named proceeding are payable by The City of New York out of the Fund for Street and Park Openings, created by chapter 173 of the Laws of 1885, amended by chapter 222 of the Laws of 1887, and continued by section 173 of the Greater New York Charter, pursuant to the provisions of sections 258, 997, 998, 999 and 1001 of the Greater New York Charter.

Yours respectfully,

JOHN WHALEN, Corporation Counsel.

THE CENTRAL TAXPAYERS' ALLIANCE SOCIETY,
INCORPORATED 1898.

HEADQUARTERS, THIRD AVENUE AND ONE HUNDRED AND SEVENTY-FIFTH STREET,
NEW YORK, September 20, 1900.

The Chairman and Members of the Local Board of Public Improvements, Borough of The Bronx, New York City:

GENTLEMEN—In the matter of the proposed closing of a portion of Two Hundred and Tenth street, adjacent to the railroad station at Williamsbridge, I wish to say that as this street is the natural, the shortest and quickest outlet or approach to the railroad station for a large number of inhabitants of Williamsbridge, and, therefore, of interest to them, and inasmuch as property rights have been acquired with the knowledge that this street was to be opened, buildings have been erected and business engagements been made dependent upon it, we earnestly protest against the discontinuance of the proceedings to open East Two Hundred and Tenth street, as when the Bronx river shall have been bridged at this point, this street will be one of the main arteries leading from the section of the city immediately on the east.

It is therefore my earnest hope that the proceeding to acquire title to this street shall be continued and the street legally opened to the use of our people.

Respectfully yours,
H. H. BROWER, Chairman, Committee on Streets, Avenues and Sewers,
Taxpayers' Alliance, Borough of The Bronx.

Hon. LOUIS F. HAFEN, President, etc.:

DEAR SIR—In the matter of the petition for the discontinuing of that portion of the proceeding for opening East Two Hundred and Tenth street, across the lands of the New York and Harlem Railroad. I beg to say that as a property-owner in that immediate locality I must protest against such action. There are no streets proposed to cross the said railroad for a long distance north of Gun Hill road, fully one-half mile, I think, and the first one south of said road would be East Two Hundred and Fifth street, nearly one-half mile that way.

Neither of these streets are yet opened. If anything should happen to the Gun Hill road bridge all communication would be stopped across said railroad between Woodlawn and Bedford park. It is my opinion that an additional crossing is very much needed at Williamsbridge and that it should be provided for at Two Hundred and Tenth street.

There is no engineering difficulty about running elevated over the freight yard and the grades may be fixed to accommodate all connections.

Trusting the proceeding will be continued as it was commenced, I am,

Yours very truly,
JOSHUA A. BRIGGS.

Mr. Loomis, representing the New York and Harlem Railroad Company, suggested "that so much of the resolution of the Board of Street Opening and Improvement of May 7, 1897, directing the Corporation Counsel to intimate proceedings for acquiring title to East Two Hundred and Tenth street, from Webster avenue to the Bronx river, be amended so as to direct the Corporation Counsel to acquire title to so much of said East Two Hundred and Tenth street as lies between the Bronx river and the easterly line of Station place, and that the said proceedings now pending pursuant to the said resolution be discontinued as to that portion of East Two Hundred and Tenth street which lies between the easterly line of said Station place and Webster avenue."

OCTOBER 4, 1900.

Hon. LOUIS F. HAFEN, President, Borough of The Bronx:

We, the undersigned taxpayers, owning property near Two Hundred and Tenth street, adjacent to the Williamsbridge Railroad Depot, do hereby protest against the opening of Two Hundred and Tenth street, from Webster avenue to Bronx river, as we feel same is entirely unnecessary and would be a detriment to the taxpayers in general who own property in that vicinity.

OCTOBER 18, 1900.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for completing the installation of a High-pressure Steam Plant for Workhouse and Pumping Outfit for the Stone Quarry, Blackwell's Island, New York City," with his or their name or names and the date of presentation, to the head of said department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the Commissioner, or his duly authorized agent of said department, and read.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TWO THOUSAND (2,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence or place of business of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York or of a guaranty or surety company duly authorized by law to act as surety, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety

in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of One Hundred Dollars (\$100) being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required or of the materials to be furnished, bidders are referred to the printed specifications.

The work and materials must conform in every respect to the printed specifications and plans. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

OF

THURSDAY, OCTOBER 18, 1900.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Plumbing and Gas-fitting in New Administration Building, B. I." with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the Commissioner, or his duly authorized agent, of said Department and read.

The Commissioner of the Department of Correction reserves the right to reject all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the amount of TWELVE THOUSAND (\$12,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence or place of business of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, trust or security companies in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances

of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of Six Hundred (\$600) Dollars, being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required or of the materials to be furnished, bidders are referred to the printed specifications and the plans. The work and materials must conform in every respect to such printed specifications and plans. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

PROPOSALS FOR ESTIMATES FOR MATERIALS AND WORK IN FURNISHING ALTERATIONS AND IMPROVEMENTS DESIGNATED No. 1, No. 2 AND No. 3, to the Fourteenth Regiment Armory Building, on Eighth avenue, Fourteenth and Fifteenth streets, in the Borough of Brooklyn, City of New York, will be received by the Armory Board, at the MAYOR'S OFFICE, CITY HALL, UNTIL 11 O'CLOCK A. M.,

THURSDAY, THE EIGHTEENTH DAY OF OCTOBER, 1900.

at which time and place they will be publicly opened and read by said Board.

Any person making estimates for the above work shall furnish the same in sealed envelopes to the Chairman of said Armory Board, indorsed "Proposals for Estimates for Materials and Work in Furnishing an Alteration and Improvement to the Fourteenth Regiment Armory Building, on Eighth Avenue, Fourteenth and Fifteenth Streets, in the Borough of Brooklyn, City of New York," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient reties, in the following amounts:

No. 1.....	\$10,000 00
No. 2.....	3,000 00
No. 3.....	2,000 00

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.
2. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also, that the estimate is made without any connection

with any other person making any estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of The City of New York, with their respective places of business or residence, or of a guaranty or surety company duly authorized by law to act as surety, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract they will pay to the Corporation of The City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York and is worth the amount of the security required for the completion of the contract, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of The City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the following amounts:

No. 1.....	\$500 00
No. 2.....	150 00
No. 3.....	100 00

Such checks or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required or of the materials to be furnished, bidders are referred to the printed specifications and the plans. Such work and materials must conform in every respect to printed specifications and plans. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, as approved by the Corporation Counsel, can be seen upon application at the office of the Architects, Horgan & Slattery, No. 1 Madison avenue, New York City, where the plans, which are made a part of the specifications, can be seen.

The Board reserves the right to reject all bids or estimates if they deem it for the best interests of The City of New York.

PROPOSALS FOR BIDS OR ESTIMATES.

SEALED PROPOSALS WILL BE RECEIVED by the Committee on Supplies of the Board of Education of The City of New York, at the Hall of the Board, southwest corner of Park avenue and Fifty-ninth street, Borough of Manhattan, until 4 o'clock P. M., on

THURSDAY, OCTOBER 26, 1900.

for Furnishing and Delivering Books for School Libraries for the schools of The City of New York, boroughs of Manhattan and The Bronx, for year ending December 31, 1901.

No empty packages or cases are to be returned to bidders or contractors except as herein specified, and none will be paid for by the Department.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, inclosed "Bid or Estimate for Furnishing and Delivering Books for School Libraries," with his or their name or names, and the date of presentation, to the Secretary of the Board of Education, at the office of the said Board, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the Committee on Supplies.

No bid or estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the amount of Five Thousand Dollars (\$5,000).

Each bid or estimate shall contain and state the name and place of residence or place of business of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same

purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or of a guaranty or surety company duly authorized by law to act as surety in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required or of the materials to be furnished, bidders are referred to the specifications and the blank proposals and lists of articles, materials, supplies and apparatus to be furnished. Such work and materials must conform in every respect to the specifications and schedules. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates. All books, maps, charts and globes required in this bid must be of the latest edition, bound in the most durable manner, and strictly in accordance with the samples submitted for adoption. Bidders must state the price of each item. Awards will be made to the lowest bidder on each item.

All estimates not conforming to these requirements may be considered as informal. Payment will be made by check by the Treasurer of the Board of Education, in accordance with the terms of the contract, or from time to time, as the Committee on Supplies may determine.

Bidders are requested to make their bids or estimates upon the blank proposal and lists of articles prepared by the Committee on Supplies, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the lists of articles or schedules and the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor, at the office of the Superintendent of Supplies, first floor, Hall of the Board of Education, corner of Park avenue and Fifty-ninth street, Borough of Manhattan.

The By-Laws of the Board of Education may be examined at the office of the Secretary.

The Committee reserves the right to reject all bids or estimates submitted if deemed to be for the best interests of the City so to do.

TO CONTRACTORS.

PROPOSALS FOR BIDS OR ESTIMATES FOR COMPLETING THE ERECTION OF NEW PUBLIC SCHOOL 120, BOROUGH OF BROOKLYN.

SEALED PROPOSALS WILL BE RECEIVED by the Committee on Buildings of the Board of Education of The City of New York, at the Hall of the Board, southwest corner of Park avenue and Fifty-ninth street, Borough of Manhattan, until 4 o'clock P. M., on

MONDAY, OCTOBER 15, 1900,

for Completing the Erection of New Public School 120, Borough of Brooklyn.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the amount of Twelve Hundred Dollars (\$1,200).

Each bid or estimate shall contain and state the name and place of residence or place of business of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or of a guaranty or surety company duly authorized by law to act as surety in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the

contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

For particulars as to the quantity and quality of the supplies, the nature and extent of the work required or of the materials to be furnished, bidders are referred to the printed specifications and plans. Such work and materials must conform in every respect to the printed specifications and plans. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.
