A communication was received from the Commissioner of Docks transmitting for approval amendment to the new plan for improvement of the waterfront between 3d avenue and East 131st street, Harlem River, Borough of Manhattan.

A public hearing being necessary, the following resolution was offered for adoption: To the Honorable the Commissioners of the Sinking Fund: Resolved, That the Commissioners of the Sinking Fund hereby fix 11 o'clock in the forenoon on Wednesday, September 16, 1914, in Room 16, City Hall, Borough I requests the approval of and consent to the execution of a lease to the Lehigh Valley

of Manhattan, as the time and place for a public hearing relative to the proposed amendment to the new plan for improvement of the water-front, between Third Avenue and East 131st Street, Harlem River, Borough of Manhattan, adopted by the Commissioner of Docks in accordance with law July 23, 1914, and transmitted to the Commissioners of the Sinking Fund for approval.

Which resolution was adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks requesting approval of a lease to Elmer A. Keeler of 150 feet of the outer end of the pier at the foot of Bayside avenue, Whitestone Landing, Borough of Queens:

July 9, 1914.

Sir-I beg to recommend that a resolution be adopted by the Commissioners of the Sinking Fund approving of and consenting to the execution by the Commissioner of Docks of a lease to Elmer A. Keeler of 150 feet of the outer end of the pier at the foot of Bayside avenue, Whitestone Landing, Borough of Queens.

The lease to be for a term of ten years at a rental of \$1,500 per annum, commencing August 28, 1914.

The lessee shall have the right to erect and maintain during the term of the lease upon the premises demised sheds, pockets and appliances for the handling of coal.

The remaining terms and conditions of the lease to be similar to those contained in leases of wharf property now used by this Department

Mr. Keeler has a lease of the entire westerly side of said pier, having a length of 330 feet and 120 feet at the outer end easterly side, for a period of ten years from

August 28, 1904, at a rental of \$1,100 per annum. In my opinion it is desirable that in addition to the facilities for landing coal that an additional part of this pier should be reserved for wharfage purposes, and, subject to the approval of the Commissioners of the Sinking Fund, an agreement has been made with Mr. Keeler whereby he will accept 150 feet at the outer end of the pier for \$1,500 per annum, leaving the Department the use of two good berths 180 feet each side of the inner end for general wharfage.
Yours respectfully, R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

To the Honorable the Commissioners of the Sinking Fund:
Gentlemen—In a communication dated July 9, 1914, the Commissioner of Docks requests the Commissioners of the Sinking Fund to approve of and consent to the execution by the Commissioner of Docks of a lease to Elmer A. Keeler of 150 feet of the outer end of the pier at the foot of Bayside avenue, Whitestone Landing, Borough of Queens; the lease to be for a term of ten years at a rental of \$1,500 per annum, commencing August 28, 1914.

Mr. Keeler has a ten-year lease which expires on August 28, 1914, of the entire westerly side of said pier, having a length of 330 feet, and the outer end 120 feet

of the easterly side at a rental of \$1,100 per annum.

At present the City has only about 180 feet on the easterly side of the pier for open wharfage, but by the rearrangement the City will have the use of two berths 180 feet each on either side of the inner end of the pier for the use of the Department of Docks for open wharfage.

Th rental proposed is reasonable and is an advance of 90 per cent. over the present rental.

The attached resolution is recommended for adoption approving the request. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved. That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks of a lease to Elmer A. Keeler of one hundred and fifty (150) feet of the outer end of the pier at the foot of Bayside Avenue, Whitestone Landing, Borough of Queens. The lease to be for a term of ten (10) years at a rental of fifteen hundred dollars (\$1,500,00) per annum. The lessee shall have the right to erect and maintain during the term of the lease upon the premises demised, sheds, pockets and appliances for the handling of coal.

The remaining terms and conditions of the lease to be similar to those contained in leases of wharf property now used by the Department of Docks and Ferries.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks, recommending a lease to the Lehigh Valley Railroad Company, of Pier 44, East River, with certain bulkhead adjacent thereto:

a Per annum. b Per square foot per annum. c Per annum. d Per annum, except as otherwise determined in lease. On June 20, 1913, the lease, prepared and approved by the Corporation Counsel,

and executed by this Department, was delivered to the Company. As the negotiations had been completed and the terms of the lease agreed upon between the company and this Department early in 1913, it will be seen that a delay of over five months occurred, for which the company was in nowise responsible.

On August 12, 1913, the Company notified the Department that it was unable to agree with the owners of the private property necessary to be acquired in compliance with the provisions of the lease and requested the City to institute condemnation proceedings.

The Commissioners of the Sinking Fund and the Board of Estimate and Apportionment were at once requested to authorize the institution of condemnation proceedings to acquire the private property necessary to carry out the provisions of the lease and a request was also made for the vesting of title immediately upon the appointment of Commissioners of Estimate, but as a matter of fact, owing to the various delays, the title to the private property did not vest in the City until June 4, 1914.

The company states that in consequence of the delay on the part of the City which t could not foresee, and which was due to no fault on its part, a readjustment of the dates for the commencement of the term and beginning of rent of the different parcels becomes necessary, and after careful consideration I am of the opinion that in this respect the resolution and lease should be revised.

I therefore beg to recommend that the resolution of the Commissioners of the Sinking Fund of May 21, 1913, be amended so that the rental of the following parcels

a Per sq. ft. per annum. b Per annum, except as otherwise determined in lease. It will be seen by examination that the rental of Pier New 37...... \$29,397 50

Per annum, makes a total of\$31,474 25 which is by far the largest item of rental in the lease. In this there has been practically

no change, as the City could not equitably ask rent from the Railroad Company for

these two parcels prior to January 1, 1914.

The commencement of the rental of the parcels adjacent to the pier on both sides (B-1, C-1, D-1, E-1, F-1, G-1, H-1, I-1), total \$8,039.94 per annum, I recommend commence at the same date as the property to be condemned, and rental of which is \$1,00 per annum, namely, from June 4, 1914, the date of the vesting of title in the City, for the reason that the improvement could not be economically made otherwise than as one contract.

The rental of Parcels A-2, B-2, C-2, D-2, Pier New 42, East River, and adjoining bulkheads, etc., amounts to \$15,371.70. I recommend that the rental of these parcels commence June 1, 1914. The wording of the resolution of the Commissioners of the Sinking Fund of May 21, 1913, regarding the commencement of these parcels, is as follows:

"The occupation of such premises and the rent thereof to commence upon the completion of the shed to be erected upon said pier and the occupancy of the pier by the company for the purpose of its business,"

—would seem to indicate that it was not the intention to charge the company rent until the shed had been completed and the company in possession of the pier for the purposes of its business. As a matter of fact the shed has just been completed but I think that June 1, 1914, would be a just and equitable time at which the rental shall commence. The subsequent limitation in this paragraph of the lease "which, however, shall not be later than January 1, 1914," was inserted at the time the terms were agreed upon between the company and this Department about five months prior to the execution and delivery of the lease to the company and when it was thought the company would have nearly a year in which to erect a shed and carry on these improvements.

It is understood that any changes or modifications in the date of the commencement of the various parcels leased or the rental thereof shall not in any way affect the expiration of the term of such various parcels as set forth in the resolution of the Commissioners of the Sinking Fund of May 21, 1913, and the obligations, terms and conditions contained in said lease between The City of New York, party of the first part, and the New York, New Haven and Hartford Railroad Company, party of the second part, dated June 13, 1913, shall not be in any manner affected or impaired nor shall the obligations and conditions contained in the bond given by the New York, New Haven and Hartford Railroad Company, party of the second part, to the City of New York, party of the first part, attached to said lease and bearing date June 13, 1913, be in any manner affected or impaired.

Attached hereto is a blueprint on which is designated parcels referred to in the resolution of the Commissioners of the Sinking Fund of May 21, 1913, and in the lease dated June 13, 1913, showing in red ink the dates fixed for the commencement of the term and rental of the various parcels in the resolution and lease and the amended dates as recommended here. Yours respectfully,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

July 24, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—In a communication dated June 27th, 1914, the Commissioner of Docks recommends that the resolution adopted on May 21st, 1913, approving of and consenting to the execution of a lease to the New York, New Haven and Hartford Railroad Company of certain wharf properties on the East River be amended by changing the date of the commencement of the payment of rental of certain of the demised parcels.

The following table gives the respective parcels listed, dates specified in the resolution for rent to begin and the date recommended by the Commissioner of Docks for the commencement of payment for rental.

Note—The dates for commencement of rental for the respective parcels are fixed in the lease as follows:

Parcels A1, B1, C1, D1, E1, I1, when Pier 37 is vacated by the Department of Street Cleaning, not later than January 1st, 1914.

Parcels F1, G1, H1, when title shall vest in the City.

Parcels A2, B2, C2, D2, when the shed is completed on Pier 42, not late

Parcels A2, B2, C2, D2, when the shed is completed on Pier 42, not later than January 1, 1914.

Parcels A3, B3, C3, when title shall vest in the City.

The title to F1, G1, H1, A3, B3, C3, vested in the City on June 4, 1914; the shed on Pier 42 was finished about June 20, 1914.

No change of date for commencing payment of rental is recommended for Parcels A1, F1, G1, H1, A3, B3, C3; five months and four days are recommended for Parcels B1, C1, D1, E1, I1, and five months for Parcels A2, B2, C2, D2. The change in the date of payment for the nine parcels effected amount in rental to \$9.181.97.

Title to Parcels A3, B3, C3, at the time of the adoption of the resolution and signing of the lease, was not, as noted above, vested in the City and did not vest until June 4, 1914. As these parcels are adjacent to Parcels A1 to I1, inclusive, and so closely connected therewith, it was impracticable to improve any of the parcels until all the property was acquired by the City. Permission was asked by the Railroad Company to improve all the property, but the Dock Commissioner could not give the permit to improve the wharf property not owned by the City until title vested which was not until June 4, 1914.

At the time of the adoption of the resolution, May 21, 1913, it is fair to assume, and it was assumed by those preparing the resolution that title in the privately owned property would vest in the City by at least January 1, 1914, and the resolution was so drawn, but on account of the long and complicated procedure, the City did not arrange to have the title vested until June 4, 1914, or five months and four days after the date fixed as adequate at the time of the preparation of the resolution approving of and consenting to the lease.

Since the Railroad Company was in no way responsible for the delays, I concur in the Commissioner's recommendation that in fairness and equity a readjustment should be made of the dates for beginning payment of rental for some of the parcels.

It is true that Parcels A2, B2, C2, D2 at an aggregate rental of \$15,383 per annum were not effected by the delay in vesting title, but the improvement of Parcel A1, at an aggregate rental of \$31,474.25 per annum, was affected by the title not being vested in the adjacent property.

The Commissioner does not recommend a change in the date of the beginning of payment for Parcel A1, but as he considers the whole matter as one proposition, he recommends an extension of time upon the parcels (A2, B2, C2, D2) paying the least rent.

In fairness to all parties, the adoption of the attached resolution is recommended approving the request.

Respectfully, WM. A. PRENDERGAST, Comptroller. Whereas, In the lease executed by the Commissioner of Docks on June 20, 1913, pursuant to a resolution adopted by the Commissioners of the Sinking Fund on May 21st, 1913, approving of and consenting to the execution by the Commissioner of Docks

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 687 Tinton Avenue, Borough of The Bronx, for use of the Board of Education:

To the Honorable the Commissioners of the Sinking Fund;

Gentlemen-The Secretary of the Board of Education in a communication to your Board under date of July 22, 1914, states that at a meeting of the Board of Education held July 22, 1914, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund be, and they are hereby, respectfully requested, subject to financial ability, to approve of and consent to the execution by the Board of Education of a lease of Rooms 5 and 6 in St. Anselm's Parochial School, No. 687 Tinton Avenue, the term to begin September 1, 1914 (provided the Fire Department has, prior thereto, issued a certificate that the premises are suitable for school purposes, but if such certificate is issued subsequent to September 1, 1914, the lease to run from the date of the issuance thereof), and to terminate July 1, 1915, with the privilege of renewal thereafter for one or two years (unless written notice to the contrary is filed by the lessors with the Secretary of the Board of Education on or before February 1, 1915) at an annual rental of \$1,250; the lessors to furnish light, heat and janitor service, to pay the water rates and to make all exterior repairs; the Board of Education to have possession of said premises on all school days from 8 o'clock A. M. to 5 o'clock P. M., to have the right to enter the premises on August 1, 1914, to prepare the rooms for school sessions, and to enjoy all the rights and privileges granted to the Board of Education by the lease entered into for a portion of the above mentioned parochial school on March 3, 1914. Owners, St. Anselm's Church, No. 673 Tinton Avenue, The Bronx."

The City is now leasing six rooms on the fourth floor in the above mentioned parochial school as an annex to Public School 25, and the City Superintendent of Schools says the additional rooms are now required to relieve Public School 25. This is a modern building and compares favorably with other premises leased

school purposes. The rent asked is at the rate of \$625 a year per class room. Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a lease to the City from St. Anselm's Church of Rooms 5 and 6 in St. Anselm's Parochial School, located at No. 687 Tinton Avenue, Borough of the Bronx, for use of the Board of Education as an annex to Public School 25, for a period from September 1, 1914, to July 1, 1915, at an annual rental of \$1,250, payable quarterly, with the privilege of renewal for one or two years thereafter, provided St. Anselm's Church does not, prior to February 1, 1915, serve notice in writing upon the Secretary of the Board of Education, abrogating the aforesaid privilege of renewal, the lessor to pay water rates and furnish light, heat and janitor service and make all exterior repairs during the term of the lease, the Board of Education to have the use of said rooms on all school days from 8 o'clock A. M. to 5 o'clock P. M.; to have the right to enter the premises on August 1, 1914, to prepare the rooms for school sessions and to enjoy all the rights and privileges granted to the Board of Educatin by the lease entered into for a portion of the above mentioned parochial school on March 3, 1914. Lessors, St. Anselm's Church, 673 Tinton

Avenue, Borough of the Bronx. WM. A. PRENDERGAST, Comptroller. Respectfully,

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from St Anselm's Church, of Rooms 5 and 6 in St. Anselm's Parochial School, located at 687 Tinton avenue, Borough of The Bronx, for use as an annex to Public School 25. for a period from September 1, 1914, to July 1, 1915, at an annual rental of twelve hundred and fifty dollars (\$1,250), payable quarterly, with the privilege of renewal for one or two years thereafter, provided the church does not prior to February 1, 1915. serve notice in writing upon the Board of Education abrogating the aforesaid privilege of renewal; the lessor to pay water rates, and furnish light, heat and janitor service and make all exterior repairs during the term of the lease; the Board of Education to have the use of said rooms on all school days from 8 o'clock A. M. to 5 o'clock P. M. and to have the right to enter the premises on August 1, 1914, to prepare the rooms for school sessions and to enjoy all the rights and privileges granted to the Board of Education by the lease entered into for a portion of the above mentioned parochial school on March 3, 1914; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease to the City of premises Nos. 132-142 East 111th street, Borough of Manhattan, for use of the Board of Education: July 28, 1914.

M. to 3.45 o'clock P. M. on all school days, to have the use of the open-air playground and of all desks and other furniture in the class rooms as well as the use of the toilet rooms and lavatories, and to have the right to enter the premises after August 1, 1914, to erect blackboards, install furniture, etc., except that such work cannot be carried on during the hours when the class conducted by the Talmud Torah Association may be in session; the lessors to furnish light, heat and jamitor service, pay water rates, make all repairs to the building, and to comply with all orders which might be issued or filed against the premises by the Municipal Boards or Departments; the lessor to have the use of the premises for a number of school days not exceeding 13 in any one year, and if this be done, the lessee to have the right to cancel the lease by giving notice in writing to the lessors if it is deemed by the lessee necessary or advisable so to do; such notice of such cancellation to be effective 30 days subsequent to the date thereof; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resoltuion adopted, all the members present

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises Nos. 1172-1174 Fourth Avenue, Borough of Brooklyn, for use of the Department of Street Cleaning: July 28, 1914.

To the Honorable the Commissioners of the Sinking Fund: Gentlemen—On June 11, 1913, the Commissioners of the Sinking Fund authorized a renewal of the lease of stable premises known as Nos. 1172-1174 Fourth Avenue, Borough of Brooklyn, together with the building thereon, for use of the Department of Street Cleaning, for a term of ten years from October 1, 1913, at an annual

rental of \$1,800, payable quarterly; lessor, Agnes I. Hart.
In a communication dated June 4, 1914, to the Sinking Fund Commission, the Commissioner of Street Cleaning states that on May 20, 1914, the Dime Savings Bank of No. 9 DeKalb Avenue, Brooklyn, became the owner of these premises as the result of proceedings to foreclose a mortgage which it held upon the said premises,

and on that account the above mentioned lease terminated on the same day. The Bank refused to continue the occupancy of the stable under the lease above mentioned, as the rental fixed therein was entirely too low. The Commissioner of Street Cleaning stated that he was willing to make a new lease of these premises for a term of five years from May 20, 1914, at a rental at \$3,800 per annum, the lessor to pay taxes and make outside repairs, including repairs to the roof, and. he requested that a lease be made under these terms. He further stated that efforts and for the number of evenings intended in each case, and the Comptroller be and to obtain other premises in this vicinity have been unsuccessful, and this appears to be the only available site, and that the rental asked, is in his opinion, the lowest that could be obtained for a stable in this neighborhood.

After negotiation with the Dime Savings Bank, I have been able to secure a

reduction of this rental from \$3,800 to \$2,880 per annum.

The premises consist of a three-story, stable building, in good condition, containing 98 stalls, two lofts and wagon space. The Bank claims that these stalls are worth at least \$4 each a month.

The property was assessed for the year 1913 at \$32,500, which to my mind is the fair market value thereof. The rental at the rate of \$2,880 is 9 per cent of such market value, and is reasonable and just.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund authorize a lease of the stable premises known as Nos. 1172-1174 Fourth Avenue, Borough of Brooklyn, together with the building thereon, for use of the Department of Street Cleaning, for a term of five years from May 20, 1914, at a rental of \$2,880 a year, payable quarterly; the lessor to pay taxes and make outside repairs, including repairs to the roof; the lessee to pay water rates, furnish heat, light and janifor service, and make such inside repairs as it may deem necessary. Lessor, Dime Savings Bank of Brooklyn, No. 9 DeKalb Avenue, Borough of Brooklyn,

WM. A. PRENDERGAST, Comptroller. Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, of the stable premises known as Nos. 1172-1174 4th avenue, Borough of Brooklyn, together with the building thereon, for use of the Department of Street Cleaning, for a term of five years from May 20, 1914, at a rental of twenty-eight hundred and eighty dollars (\$2,880) a year, payable quarterly; the lessor to pay taxes and make outside repairs, including repairs to the roof; the lessee to pay water rates, furnish leat light and ianitor service and make such inside repairs as it lessor, Dime Savings Bank of Brooklyn; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City, of premises at No. 368 East 148th Street, Borough of The Bronx, for use of the Board of Elections: July 24, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Elections in a communication to your Board under date of June 16, 1914, states that the Board of Elections at a meeting held June 16, 1914, adopted a resolution requesting a renewal of the lease to the City from the Bronx Publishing Company, Inc., 148th Street and Third Avenue, Borough of the Bronx, of the entire third floor of the building known as the Markey Building, 368 East 148th Street, Borough of the Bronx, for use of the Board of Elections, for a period from October 1, 1914, to May 1, 1917, at a rental of \$1,200 a year, payable quarterly, the lessor to pay taxes and water rates and furnish heat, light, elevator and janitor service, and to keep the premises and appurtenances at all times in a clean and tenantable condition; moreover, to make the repairs and improvements and furnish proper heat as stipulated by the terms of a letter dated June 12, 1914, said terms to be incorporated in the aforesaid lease.

This third floor has a net floor space of 2,100 square feet, and at present is leased by the City for the Board of Elections for \$1,000 a year, but the owner has refused to renew at that rate and demands \$1,200 for a renewal. Every effort has been made to find another suitable location, but without success, as the only other buildings in the neighborhood with about the same area, the Consolidated Gas Company ask \$1,700 and

the Title Guarantee & Trust Company ask \$1,800 rental.

The floor space occupied is 2,100 square feet, and at the rental of \$1,200 a year, is at the rate of about 57 cents a square foot.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the third floor in the Markey Building, No. 368 East 148th Street, Borough of the Bronx, for use of the Board of Elections, for a period from October 1, 1914, to May 1, 1917, at a rental of \$1,200 a year, payable quarterly, the lessor to pay taxes and water rates, furnish heat, light, janitor service and elevator service at all times up to 12 o'clock midnight, and to make all outside and inside repairs; to install additional repairs on third floor in order that a heating temperature of at least 70 degrees Farenheit may be maintained during the winter months; to make repairs to boiler to the satisfaction of any expert in the heating line who may be chosen by the lessee; to replace the glass in the windows of the premises leased by the City which front on the street with suitable plate glass and of sufficient thickness to carry gilt lettering, and to put on weather strips on windows of the leased premises to the satisfaction of the Board of Elections. Lessor, Bronx Publishing Company, Inc., Markey Building, 148th Street and Third Avenue, Borough of the Bronx. Respectfully,

WM. A. PRENDERGAST, Comptroller. Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the third floor of the Markey Building, No. 368 East 148th street, Borough of The Bronx, for use of the Board of Elections, for a period from October 1, 1914, to May 1, 1917, at a rental of twelve hundred dollars (\$1,200) a year, payable quarterly; the lessor to pay taxes and water rates, furnish heat, light and janitor service, and elevator service at all times up to 12 o'clock midnight, and to make all outside and inside repairs; to install additional repairs on third floor in order that a heating temperature of at least 70 degrees Fahrenheit may be maintained during the winter months; to make repairs to the boiler to the satisfaction of any expert in the heating line who may be chosen by the lessee; to replace the glass in the windows of the premises leased by the City I therefore respectfully recommend that the question of the final disposition of which front on the street with suitable plate glass and of sufficient thickness to carry

satisfaction of the Board of Elections; lessor, Bronx Publishing Company, Inc.; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The Deputy and Acting Comptroller withdrew from the calendar his report relative to the rental of premises in the North Side Storage warehouse, 521-525 Bergen Avenue, Borough of The Bronx, occupied by the Board of Elections.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rental of premises on the easterly side of Grand Avenue 100 feet north of Park Street, Corona, Borough of Queens, occupied by the Fire Department:

July 28, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen-On January 21, 1914, the Commissioners of the Sinking Fund authorized a renewal of the lease to the City of premises located on the east side of Grand Avenue, 100 feet north of Park Street, Corona, Borough of Queens, for use of the Fire Department, for a period of six months from March 1, 1914, at a rental at the rate of \$600 a year, payable quarterly.

This resolution was rescinded at the meeting held May 6, 1914, because the lessor, the Pioneer Hook and Ladder Company, refused to execute this renewal for the reason that in the original lease there was a clause allowing the City to remain in the possession of these premises on a month to month basis for a period of six months

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay rent, the rent being reasonable and just, to the Pioneer Hook and Ladder Company, of premises located on the east side of Grand Avenue, 100 feet north of Park Street, Corona, Borough of Queens, for use of the Fire Department, for a period not exceeding six months from March 1, 1914, at the rate of \$50 per month, without the necessity of entering into a lease therefor. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the Pioneer Hook and Ladder Company rent of premises located on the east side of Grand Avenue, 100 feet north of Park Street, Corona, Borough of Queens, for use of the Fire Department, for a period not exceeding six months from March 1, 1914, at the rate of Fifty Dollars (\$50) per month, without the necessity of entering into a lease therefor.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report, relative to a request of the Fire Commissioner for information as to whether or not the City owns any available property in an isolated section of The Bronx on which it would be feasible to build a magazine for storing dynamite and other high explosives: July 28, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication to the Commissioners of the Sinking Fund from the Deputy Fire Commissioner in which he states that for some time it has been the custom to transfer dynamite and other high explosives that have been confiscated because of some violation of the rules and regulations of the former Municipal Explosive Commission (now rules of the Fire Department) to Riker's Island, where they have been stored in a temporary shack to await disposal at public

In this letter it is recommended that some location on the main land, preferably in the Borough of The Bronx, be designated for the purpose of building a magazine in which to store these explosives, in order to avoid the danger of explosion from handling during transshipment by department wagons to the boat to take the material to Riker's Island, and the rehandling at the point of destination. At first it was suggested to use a portion of Hunt's Point Park, in the Borough of The Bronx,

I transmitted a copy of the above communication to the President of the Borough of The Bronx, and requested him to inform me whether there was any site other than the one suggested in Hunt's Point Park, which might be available for this purpose, and also his views as to the desirability of using any portion of Hunt's Point Park therefor.

In a communication, under date of July 14, 1914, the President of the Borough of The Bronx states that he thinks it would be unwise to erect a dynamite storage warehouse in the parks, and he further states that there is no available site in The

purpose must be found upon one of the islands.

I therefore respectfully recommend, in view of the above, that the Secretary of the Commissioners of the Sinking Fund be directed to inform the Fire Commissioner that there is no property owned by the City in the Borough of The Bronx suitable for the erection of a dynamite storage warehouse,

WM. A. PRENDERGAST, Comptroller. Which was referred back to the Fire Commissioner for further suggestion.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a request of the Police Commissioner for authority to establish, provide and furnish certain station houses:

This request is in compliance with Section 320 of the Greater New York Charter, which provides that the Police Commissioner shall, from time to time, with the authority of the Commissioners of the Sinking Fund, establish, provide and furnish stations and station houses.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the Police Commissioner to establish, provide and maintain the following premises for police stations for the accommodation thereat of members of the Police Force, and as a place for temporary detention for persons arrested and property taken within the City of New York, and also to provide and furnish such business accommodations, apparatus and articles, and to provide for the care thereof as shall be necessary for the Police Department and the transaction of the business of the department:

Thirty-seventh Precinct, Nos. 229-235 West 123d Street, Manhattan. Sixty-second Precinct, Nos. 1084-1088 Simpson Street, Bronx. One Hundred and Fiftieth Precinct, No. 72 Poplar Street, Brooklyn. Two Hundred and Eighty-third Precinct, Johnson Avenue, near Jamaica Avenue.

WM. A. PRENDERGAST, Comptroller. Respectfully, the Police Commissioner to establish, provide and furnish the following premises for Police Station Houses, for the accommodation thereat of members of the police force, and as a place of temporary detention for persons arrested and property taken within the City of New York, and also to provide and furnish such business accommodations, apparatus and articles and provide for the care thereof as shall be necessary for the Police Department in the transaction of the business of the Department:

Fourth Precinct, Nos. 16-20 Beach Street, Manhattan. Fifteenth Precinct, Nos. 321-323 Fifth Street, Manhattan. Eighteenth Precinct, Nos. 230-232 West 20th Street, Manhattan. Thirty-seventh Precinct, Nos. 229-235 West 123rd Street, Manhattan. Sixty-second Precinct, Nos. 1084-1088 Simpson Street, Bronx. One Hundred and Fiftieth Precinct, No. 72 Poplar Street, Brooklyn. July 14th, 1914.

To the Commissioners of the Sinking Fund, City of New York:
Gentlemen—In a communication, dated July 6, 1914, the Department of Docks and Ferries turned over to the Commissioners of the Sinking Fund two launches, "Spuyten Duyvil" and "Jamaica Bay," as no longer required by that department.

These launches were formerly used by the Engineering Bureau of the Depart-

ment of Docks and Ferries, in their work in and about Jamaica Bay and the Brook-

The department has a surplus of small boats and this is the reason for disposing of the aforesaid launches. In a letter dated July 2, 1914, request was made by the Police Department for

the transfer of these launches for the use of the Marine Division, for patrolling the harbor of the City of New York. The Police Department has several small launches, but they are old and the

cost of putting them in condition for service would be high. Therefore, the transfer of the two launches is requested. The adoption of the attached resolution approving the transfer is hereby recom-

mended. Respectfully submitted, WM. A. PRENDERGAST, Comptroller. Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund, hereby assign to the Police Department, for use in the Marine Division, the launches "Spuyten Duyvil" and "Jamaica Bay," which property was turned over by the Department of Docks and Ferries as no longer required.

The Deputy and Acting Comptroller presented a report, recommending a renewal of the lease to the City of the property known as the Chadwick Dwelling, located on the grounds of the Richmond County Country Club, Dongan Hills, Borough of Richmond, for use of the Department of Public Charities. Which was laid over.

The Deputy and Acting Comptroller withdrew from the calendar request for a lease of space in the North Side Storage Warehouse, Nos. 521-525 Bergen Avenue, Borough of The Bronx, for use of the Public Administrator of Bronx County.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease to the City of plot of land on the easterly side of Edgewater Road, 228.92 feet southerly from the intersection of Edgewater Road to the southerly side of Garrison Avenue, fronting 100 feet on the easterly side of said Edgewater Road and running easterly to the Bronx River, for use of the President of the Borough of The Bronx:

July 28, 1914. To the Honorable the Commissioners of the Sinking Fund:

Gentlemen-The President of the Borough of The Bronx, in a communication to your Board, under date of June 15, 1914, states that funds were provided in the 1914 budget for the construction of an asphalt plant in that Borough, and requests that the Commissioners of the Sinking Fund authorize a lease of a plot of ground situated on the Bronx River, south of Garrison Avenue, with a frontage on Edgewater Road, designated on the present tax maps of the City of New York, Borough of The Bronx, as Lot 281, Block 2761, Section 10, for use of the President of the Borough of The Bronx, for a period of five years from August 1, 1914, at an annual rental of \$1,500, payable quarterly, with the privilege of renewal for an additional period of five years on the same terms and conditions.

The appraised value of this property is \$22,000. The rent of \$1,500 a year is therefore about 68-10 per cent. on the appraised value.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the plot of land on the easterly side of Edgewater Road, 228.92 feet southerly from the inter-section of the easterly side of Edgewater Road with the southerly side of Garrison Avenue, fronting 100 feet on the said easterly side of Edgewater Road, and running easterly to the Bronx River, and being known and designated on the present tax map of the City of New York, Borough of The Bronx, as Lot 281, Block 2761 Section 10, for use of the President of the Borough of The Bronx, for a period of five years from August 1, 1914, at an annual rental of \$1,500, payable quarterly, with Bronx for the purposes mentioned, and that the pre-eminently suitable site for such a the privilege of renewal for an additional period of five years on the same terms and conditions; the lessor to pay for taxes on the land only without regard to the improvements which are placed on the property by the City; lessee to pay water rates; the lease to contain a provision that the plant and appurtenances which the City may erect on the premises shall remain the property of the City at the expiration of the lease or any renewal thereof; lessor, John Gallagher, 211 East 35th Street, Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller. Resolved. That the Corporation Counsel be and is hereby requested to prepare a lease to the City from John Gallagher, of the plot of land on the easterly side of Edgewater road, 228.92 feet southerly from the intersection of the easterly side of Edgewater road with the southerly side of Garrison avenue, fronting 100 feet on the said easterly side of Edgewater road, and running easterly to the Bronx River, and being known and designated on the present tax maps of the City of New York, Borough of The Bronx, as Lot 281, Block 2761, Section 10, for use of the President of the Borough of The Bronx, for a period of five years, from August 1, 1914, at an annual rental of Fifteen hundred dollars (\$1,500), payable quarterly, with the privilege of renewal for an additional period of five years on the same terms and conditions; the lessor to pay for taxes on the land only without regard to the improvements which are placed on the property by the City; the lessee to pay water rates; the lease to contain a provision that the plant and appurtenances which the City may erect on the premises shall remain the property of the City at the expiration of the lease or any renewal thereof; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized to execute the same when prepared and approved by the Corporation Counsel as provided by Sections 149 and 217 of the Greater New York Charter.

July 18, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen-On December 17, 1913, your Honorable Board adopted a resolution authorizing the Comptroller to pay to the Emigrant Industrial Savings Bank Resolved, That, pursuant to the provisions of Section 320 of the Greater New | the rent of rooms 312-315, inclusive, in the Emigrant Industrial Savings Bank Build-York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize ing, 51 Chambers Street, Borough of Manhattan, rent at the rate of \$3,400 a year for a period of nine months from July 1, 1913, without the necessity of entering into a lease; said rooms to be used by the special committee of the Board of Estimate and Apportionment on the Standardization of Salaries and Wages of Municipal Employees. The period of the rental of these premises did expire as of April 1, 1914, but, owing to the preparation of rooms in the new Municipal Building for the said committee, they were a holdover tenant until April 30, 1914. There is, therefore, due on the rent on the above mentioned rooms the sum of \$283.33, being

> On December 18, 1912, a resolution was adopted by your Honorable Board, authorizing the hiring of additional space for the Committee on Standardization of Salaries and Wages, etc., and rooms 309, 310 and 311 were authorized for a period of one year from January 1, 1913, at \$50.00 per month. Owing to the uncertainty as to when their rooms in the Municipal Building would be ready, no further action was taken until they moved out, April 30, 1914, to their new quarters in the Municipal Building. It will, therefore, be seen that the City was in occupancy of the above mentioned rooms for a period of four months as a holdover tenant, at the

rate of \$50.00 per month, making \$200.00 due the Emigrant Industrial Savings Bank northerly on a tangent to said curve at said point 212,431 feet to the southwesterly

for the above mentioned rooms.

On April 30, 1913, a resolution was adopted by your Honorable Board, authorizing the rental of room 325 in the Emigrant Industrial Savings Bank Building, 51 Chambers Street, Manhattan, for the use of draughtsmen in connection with the Committee on Standardization of Salaries and Wages of Municipal Employees, the same being rented for a period of six months, at \$60.00 per month, from May 1, 1913, to October 31, 1913. In this case it was also deemed advisable not to authorize a renewal, owing to the uncertainty as to the period when they would remove to the new Municipal Building, which did not occur until April 30, 1914. It will, therefore, be seen that six months' rental at \$60.00 per month, or the sum of \$360, is due for the use of the room, 325, from November 1, 1913, to April 30, 1914.

The special Committee on Standardization of Salaries and Wages of Municipal Employees has been located at the new Municipal Building since May 1, 1914. After an examination by the Division of Real Estate, I find that the statement

of facts, as above recited, are correct.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to the Emigrant Industrial Savings Bank the sum of \$843.33, the same being rent in full for the use of the rooms, 309, 310, 311, 312, 313, 314, 315 and also 325, to April 30, 1914, for use of the Committee on Standardization of Salaries and Grades of the Board of Estimate and Apportionment without the necessity of enter-Grades of the Board of Estimate and ing into a lease therefor. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay the Emigrant Industrial Savings Bank the sum of eight hundred and forty-three dollars and thirtythree cents (\$843.33), being rent in full for the use of Rooms 309, 310, 311, 312, 313 314, 315 also 325 to April 30, 1914, occupied by the Committee on Standardization of Salaries and Grades, Board of Estimate and Apportionment, without the necessity of entering into a lease.

To the Honorable the Commissioners of the Sinking Fund:

The following communication was received from the Department of Water Supply, Gas and Electricity, turning over as no longer required property known as Baisleys Pond and One Mile Pond, in the Town of Jamaica, Borough of Queens:

Commissioners of the Sinking Fund, Municipal Building, New York City: Dear Sirs-I hereby transfer to your jurisdiction, as being no longer required for the purposes of this Department, a plot of ground in the Borough of Queens, which is fully described in the extract of deed recorded in liber 188, page 273 (copy attached). The property in question, with dimensions, is shown upon the inclosed blue print. It is released with the understanding that it is to be transferred to the Commissioner of the Department of Parks, Borough of Queens.

Respectfully, WILLIAM WILLIAMS, Commissioner.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the assignment to the Park Department, Queens, the property known as Baisleys Pond and One Mile Pond, in the Town of Jamaica, Borough of Queens, turned over by the Department of Water Supply, Gas and Electricity: July 28, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen-I am in receipt of a communication from the Commissioner of Water Supply, Gas and Electricity in which he transfers to the Commissioners of the Sinking Fund as no longer required for the purpose of his department the jurisdiction over a plot of ground in the Borough of Queens, more fully shown on a blue print attached to the communication, with the understanding that it is to be transferred to the Commissioner of the Department of Parks of the Borough of Queens.

This property is located at Merrick Road and Baisley Street, and is known as Baisleys Pond, in the Borough of Queens. It contains an area of about 75 acres. Included therein is what is known as One Mile Pond, at Merrick Road and Jamaica Turnpike.

On July 10, 1914, the Commissioner of Parks of the Borough of Queens requests that jurisdiction of this property be transferred to his Department. He states that it is admirably situated for park purposes, and can be cleared and beautified at small expense to the City and developed into a beautiful park.

I therefore respectfully recommend that the Commissioners of the Sinking Fund assign to the Department of Parks of the Borough of Queens the property known as Baisleys Pond and One Mile Pond, located in the Borough of Queens, City of New York. Respectfully. WM. A. PRENDERGAST. Comptroller.

Whereas, The Department of Water Supply, Gas and Electricity having turned over as no longer required the property hereinafter described, it is

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Department of Parks, Borough of Queens, the property located in the Town of Jamaica, Borough of Queens, City of New York, known as Baisley's Pond and One Mile Pond.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the land lying within the lines of Cranberry Street, fronting on Furman Street, in the Borough of Brooklyn, and recommending that the Comptroller be authorized to derive revenue from said property:

To the Honorable the Commissioners of the Sinking Fund: Gentlemen: On January 28, 1914, the Commissioner of Parks of the Borough of Brooklyn addressed the following communication to the Sinking Fund Commission: "Gentlemen-In this department we have several pieces of property located on

Furman Street, Brooklyn, to which I should like to call your attention. "Furman Street is along the water front below Brooklyn Heights, and is a street used almost exclusively for heavy trucking, warehouses and other characteristic water-front purposes. Immediately above and back of this street, on the top of the cliffs that form Brooklyn Heights, are a number of street ends which run to the edge of the cliff and overlook the warehouses along Furman Street. Several of these street ends had been parked and are kept as parked spaces by this department.

Just below the cliff, at the foot of Middagh Street, is a piece of land about fifty feet by fifty, apparently belonging to this department. About one-half of this piece is occupied by a two-story brick building, No. 71 Furman Street, which building is now used as a blacksmith shop. From this our department secures a small rental. The other half of the land is unoccupied. The roof at 71 Furman Street is slightly below the parked space at the end of Middagh, and is not used in connection with it. I see no special reason why this property should continue in the Park Department. It seems to me that it might be wise to have it turned over to the Sinking Fund Commission for such use or disposal as may seem best.

Just below the cliff at the foot of Orange Street there are two four-story warehouses, Nos. 121 and 123 Furman Street. These warehouses are old, but their walls appear to be in reasonably good condition. The plot here is also about fifty by fifty. The buildings, however, are four-story buildings, and the parked space at the foot of Orange Street extends over the roof of the buildings. The only real value of the buildings to this department is in the green patch on the roof. Possibly the Sinking Fund Commission could take charge of this property and attend to its rental, or could sell it with some reservation of rights

to the use of the roof. "At the foot of Cranberry Street there is a building occupied by some spice concern. Over one side of this building the parked space from above the cliff is continued. So far as I can learn, the Park Department has no recognized title here. My best information is that the title is claimed on behalf of a certain estate known as the Beach Estate. I am told that there was some discussion about this title some years ago, and no doubt all the records would be in the real estate bureau of the Comptroller's office. Possibly the property was sold

with a reservation of rights to the use of the roof. It might be well for your Commission to have the whole situation in regard to this street-end property along Columbia Heights investigated. Possibly the City may have rights in some of the other street ends along Furman Street now occupied by private warehouses.

"If you have this matter taken up and investigated, I shall be glad to hear from you at your convenience."

Astoria Park, Long Island City:

I requested the Corporation Counsel to furnish me with whatever information he had as to the title of the City in the streets mentioned in the above letter.

In a communication under date of June 29, 1914, the Corporation Counsel states that the Acts under which the strips of land referred to above were acquired and are held provides that such lands are to be parks; that the land having been acquired for a public park, the City of Brooklyn acquired a fee title thereto; that, under section 205 of the Charter, the Commissioners of the Sinking Fund have no power or authority to convey the same, and that he deems it advisable, in view of the fact that the Beach Estate or their agents are claiming title to that portion of the premises within the lines of Cranberry Street, fronting Furman Street, possession thereof should be taken by the City officials in case the Beach Estate refuses to pay rent therefor, or to recognize the City as landlord under the said lease.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to derive such revenue as may be had from the premises lying within the lines of Cranberry Street, fronting Furman Street, in the Borough WM. A. PRENDERGAST, Comptroller. Respectfully,

Resolved, That the Comptroller be and is hereby authorized to derive such revenue as may be had from the premises lying within the lines of Cranberry street,

fronting on Furman street, in the Borough of Brooklyn. The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the building known as the Barclay Mansion, in

July 7, 1914.

Commissioners of the Sinking Fund: Gentlemen-In a communication dated June 27, 1914, the Commissioner of Parks, Borough of Queens, called attention to the condition of the Barclay Mansion, in Astoria Park, Long Island City, and requested to be advised whether the building

should be repaired or abandoned. From an examination and survey of the building which I have caused to be made it is reported that the building is a brick building, three stories and basement with porches, front and rear. The roof for a long period has permitted every storm to flood the inside of the house, carrying down plaster and lath and rotting the woodwork. The porches are so rotten and their foundations so broken down as to require entirely new work if repairs to the building are undertaken. The foundations of the building and the brick side walls are cracked in places, and the building as a

whole is in a broken down condition. The architect's estimate of \$15,000 to \$16,000 for putting the building in condition does not include plumbing, heating or lighting, which items would increase the cost several thousand dollars should the building be repaired in a proper and thorough

manner. The operation of the proposed New York Connecting Railroad would make the

mansion's location very undesirable. In view of the dilapidated condition of the building, the cost for repairs and its unsuitability for park purposes, the expenditure for restoring same would be a waste of money. Therefore, believing it would be to the best interests of the City, I recommend that the building be abandoned and razed in order to more fully use the site in the development of the park.

WM. A. PRENDERGAST, Comptroller. Respectfully, Resolved, That the Commissioners of the Sinking Fund, deeming it for the best interests of the City, recommend that the building known as the Barclay Mansion, in Astoria Park, Long Island City, Borough of Queens, be abandoned and razed, and the Secretary is hereby directed to send a certified copy of this resolution, together with a copy of the report of the Comptroller to the Commissioner of Parks, Borough

Gentlemen-On June 4th, 1914, John A. Drew, President of the Castle-Heights Water Company, made application for a permit to install and maintain a 2-inch pipe across the Kensico pipe-line property at North White Plains, New York.

In reply to my communication of June 9, 1914, the Commissioner of Water Supply, Gas and Electricity in a communication dated June 19th, 1914, states that he has no objection to the granting of the application, the pipe to be laid within the existing culvert, the work to be done in a manner satisfactory to the Department of Water Supply, Gas and Electricity, and that at least twenty-four (24) hours' notice shall be given before commencing the work.

The Deputy and Acting Comptroller presented the following report and offered

the following resolution relative to an application of the Armory Board for an additional appropriation and authorization of corporate stock for the completion of the new 8th Artillery District Armory:

June 17, 1914. To the Commissioners of the Sinking Fund:

Gentlemen-On December 4, 1913, the Armory Board submitted to the Commissioners of the Sinking Fund a copy of a resolution adopted on November 18, 1913, as

Resolved, That the Armory Board hereby makes application to the Commissioners of the Sinking Fund for an additional appropriation and authorization of Corporate Stock for the completion of the new 8th Artillery District Armory, in the sum of three hundred and five thousand seven hundred and fifty dollars (\$305,750) for the following purposes:

Item 1—For additional cellar and storage work to provide for stalls, and feed and wagon storage \$40,000 00 Item 2—To provide for iron grillework..... 15,750 00 Item 3-To provide for parapet wall in connection with gun emplacement Item 4—To provide furnishings for Armory..... 100.000 00 Item 5-To provide for plumbing, heating and lighting in addition to that already authorized 30,000 00 Item 6-To provide for storage for various municipal purposes with the consent of the Commanding Officer..... Item 7—To provide for lamps and wiring of drill shed..... Item 8—To provide for electric generating plant..... 23,500 00 Upon examination I find that, with the exception of Item No. 5, there is no urgent

need for this appropriation at the present time. If exhaustive study is made of the remaining items for the purpose of making a report upon the whole request, there would result unnecessary delay of the excepted item.

Item No. 5. "To provide for plumbing, heating and lighting, in addition to that already authorized, \$30,000," is required to complete these features of the building as originally designed. The other items in the above request may well be left until a later date, when the completion of the building will permit of the opportunity for a more detailed study. The \$30,000 requested, together with \$29,000 transferred from the account "CAB-2A, Erecting a retaining wall between the site of the new 8th Artillery District Armory and the easterly basin of the Jerome Park Reservoir," and \$55,363.62, the cash balance in the retaining wall fund, which was transferred to the account "CFM-24, Money Available for Permanent Improvement for which Corporate Stock may Lawfully be issued," will provide funds which will permit the City, through the Armory Board, to let contracts for the following work:

Heating and Ventilating, Cost estimated by Architect

The plans and specifications for the above work have been carefully examined and the work as called for is necessary, and the architect's estimates are approximately correct. Altogether \$115,000 will be required to let contracts for work that should be done at once. It will not be necessary to authorize this amount as the money can be made available from other sources. There is already available the \$29,000 referred to above. The sum of \$55,363.62, which was transferred as a cash balance to C. F. M.-24, should be used. In a report dated June 12th, I have recommended that a cash balance of \$31,231.81 be transferred from the Armory Board to C. F. M.-24. This will increase the amount of cash available for any improvement for which corporate stock may lawfully be issued. Inasmuch as the cash balance recommended for transfer to C. F. M.-24 was derived from appropriations to the Armory Board, it is particularly appropriate to apply it to an improvement under the jurisdiction of the same board.

The Bureau of Contract Supervision has reported that the following items can be left for consideration until the latter part of this year:

Item 1—For additional cellar and storage work to provide for stalls and feed and wagon storage \$40,000 00 Item 2—To provide for iron grille work..... 15,750 00 Item 3—To provide for parapet wall in connection with gun emplacement 3,000 00 Item 6—To provide for storage for various municipal purposes, with the

consent of the Commanding Officer..... The architect has promised to have, by that time, more detailed information as to the exact requirements. The delaying of the approval of the appropriation covering these items will in no way affect the cost.

The Bureau of Contract Supervision reports upon the other items as follows: This item can well be left until the building nears completion, when a more

accurate estimate of the requirements can be determined. Item 7—To provide for lamps and wiring of drill shed..... At the present time the method of lighting drill sheds is passing through an experimental stage, and radical improvements have recently been made. Experiments are being carried on at the present time with the new Nitrogen Lamp, which if successful will make a less costly installation than if flaming arc lamps are installed. This situation will be greatly clarified within the next six months.

The policy of the City at the present time in relation to isolated electric plants is being held in abeyance, pending the determination of results of tests which have already been made. The results of these tests are expected shortly and they will possibly be

such as to prevent the approval of this item. In addition to the above, funds will have to be provided for lighting fixtures, which item was not included in the resolution of the Armory Board, but this can be taken up with more satisfaction when the building is almost completed, at the same time

that the funds are provided for the furnishings. Therefore, I recommend that the Commissioners of the Sinking Fund do not concur in the resolution of the Armory Board, but that the Board of Estimate and

Apportionment be requested to make available the necessary amount out of C. F. M.-24. On June 10, 1914, Commissioners of the Sinking Fund concurred in a resolution of the Armory Board requesting that \$55,363.62 be transferred from C. F. M.-24 to the account entitled "C. A. B.-2B. 8th Coast Artillery District, Erection of Completed Armory including architects fees." I am preparing a report to the Board of Estimate and Apportionment upon that request. Your Board should request the transfer of an additional sum of \$31,000 from C. F. M.-24, which will, with the \$55,363.62 and the \$29,000 already available, be sufficient to meet immediate needs.

WM. A. PRENDERGAST, Comptroller. Respectfully, The report was accepted and the Secretary directed to send a copy thereof to the Armory Board.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to contract, specifications, etc., for work and material required to complete the plumbing and gas-fitting work in the New 8th Coast Artillery District Armory, in the Borough of The Bronx, transmitted to the Commissioners of the Sinking Fund for approval:

July 28, 1914. To the Commissioners of the Sinking Fund: Gentlemen-On June 29, 1914, your Secretary referred to the Committee on Corporate Stock Budget a communication from the Secretary of the Armory Board, dated June 27, 1914, requesting the approval of plans, form of contract, specifications and an estimate of cost in the sum of \$42,000 for furnishing and installing plumbing and gas-fitting for the 8th Coast Artillery District Armory, Kingsbridge road and Jerome

17, 1913, entitled "C. A. B.—2B, Armory Fund, 8th Coast Artillery District, Erection of Completed Armory, Including Architect's Fees." On July 24, 1914, there remained in the fund an unencumbered balance of \$92,016.79, which is available for this contract to the extent of \$42,000, and for another contract to the extent of \$50,000 for the heating and ventilating plant, the approval of which is recommended at this meeting.

The general clauses in the specification are standard and have been approved by the Corporation Counsel.

The contract specifications have been revised in minor details with a view toward eliminating all ambiguity. The number of gas outlets are necessary, being used only for pilot lighting. The plumbing fixtures specified are simple and suitable for the various locations in which they are to be installed.

A detailed estimate based on actual bid prices on recent contracts and on market conditions shows that the estimate of cost is reasonable.

We recommend the adoption of the attached resolution granting the request.

Respectfully,
WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board
of Aldermen;, President, Borough of Brooklyn;
....., President, Borough of The Bronx, Corporate Stock

Budget Committee.

Resolved, That the Commissioners of the Sinking Fund, pursuant to its resolution adopted on October 25, 1911, hereby approves of the form of contract, plans, specifications and estimate of cost in the sum of forty-two thousand dollars (\$42,000) for the furnishing and installing complete the plumbing and gas fitting for the Armory of the Eighth Coast Artillery District at the northwest corner of Kingsbridge Road and Jerome Avenue, Bronx, the cost to be charged to the corporate stock fund entitled "CAB-2B, Armory Fund, 8th Coast Artillery District Armory, Erection of Completed Armory, including architect's fees."

If no bids are received for such work within the estimated cost, the amount of such estimated cost upon the bids so received may be reconsidered, in its discretion, by the Commissioners of the Sinking Fund, or any official designated by them, provided that any of said bids is within the amount authorized and available for such

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to contract and specifications for the heating and ventilating of the 8th Coast Artillery District Armory, Borough of The Bronx, transmitted to the Commissioners of the Sinking Fund for approval:

July 25, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On July 17, 1914, your Secretary referred to the Committee on Corporate Stock Budget a communication from the Secretary of the Armory Board, dated July 15, 1914, requesting the approval of plans, form of contarct, specifications and an estimate of cost in the sum of \$50,000 for furnishing and installing a complete heating and ventilating plant for the Armory of the 8th Coast Artillery District, Kingsbridge road and Jerome avenue, Bronx.

The cost is to be paid from a corporate stock fund of \$1,179,000 authorized by the Commissioners of the Sinking Fund on December 18, 1911, as amended on

December 17, 1913-

entitled "C. A. B.—2B, Armory Fund, 8th Coast Artillery District, Erection of Completed Armory, including architect's fees." On July 24, 1914, there remained in the fund an unencumbered balance of \$92,016.79 which is available for this contract to the extent of \$50,000, and for another contract of \$42,000 for the plumbing and gas-fitting, the approval of which is recommended at this meeting. The form of contract and the general clauses in the specification are standard and

have been approved by the Corporation Counsel.

The specifications have been revised in minor details to admit of more open bidding with respect to the boiler plant, and also to provide for the installation of various apparatus for measuring the feed water, coal and steam, which apparatus is inexpensive and which are necessary for the proper operating of modern, efficient plants

A detailed estimate based on actual bid prices on recent contracts and on market conditions shows that the estimate of cost is reasonable.

We recommend the adoption of the attached resolution approving the form of contract, plans, specification and estimate of cost of \$50,000. Respectfully,

Resolved, That the Commissioners of the Sinking Fund, pursuant to its resolution adopted on October 25, 1913, hereby approves the form of proposed contract, plans, specifications and estimate of cost in the sum of fifty thousand dollars (\$50,000) for all labor and materials necessary for furnishing and installing a complete heating and ventilating plant in the 8th Coast Artillery District Armory, Kingsbridge Road and Jerome Avenue, Bronx, the cost to be charged to the corporate stock fund entitled "CAB—2B, Armory Fund, 8th Coast Artillery District, Erection of Completed Armory, including architects' fees."

If no bids are received for such work within the estimated cost the amount of such estimated cost upon the bids so received may be reconsidered, in its discretion, by the Commissioners of the Sinking Fund, or any official designated by them, provided that any of said bids is within the amount authorized and available for such work

The deed so delivered shall be in form of a bargain and sale deed without covenants.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a sale at public auction of property located at the junction of Flatbush Avenue and Sterling Place, Borough of Brooklyn:

July 28, 1914.

To the Honorable The Commissioners of the Sinking Fund:

Gentlemen—The City is the owner of a triangular parcel of land located at the junction of Flatbush Avenue and Sterling Place, Borough of Brooklyn, acquired by deed dated June 22, 1906, in consideration of the sum of \$1,000, for court purposes.

This property was never used for the purpose for which it was acquired, and is now of no practical use to the City. The fair market value thereof is, in my opinion, \$35,000, which amount Leroy W. Ross agrees to bid in the event of the same being offered at public auction.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a sale at public auction of all that certain piece or parcel of land, situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at a point at the intersection of the northeasterly line of Flatbush Avenue with the southerly line of Sterling Place; running thence easterly along the southerly line of Sterling Place 186 feet 3 inches; running thence southerly and at right angles with Sterling Place 57 feet 3 inches; running thence northwesterly 27 feet 1 inch; running thence southwesterly on a line drawn at right angles to Flatbush Avenue 82 feet 9 inches to the northeasterly line of Flatbush Avenue; running thece northwesterly along the northeasterly line of Flatbush Avenue 146 feet 1 inch to the point or place of beginning; being premises known on the Tax Map of the City of New York, Borough of Brooklyn, as Lot 9, Block 1169, Section 4,

—at a minimum or upset price of \$35,000, which I deem to be a fair appraisal of the value of the land, plus the cost of advertising the sale, and upon the following terms and conditions:

The highest bidder will be required to pay ten per cent. (10%) of the amount of the bid, together with the auctioneer's fees, at the time of the sale, and ninety per cent. (90%) upon the delivery of the deed, which shall be within sixty (60) days from the date of the sale.

The deed so delivered shall be in form of a bargain and sale deed, without

The Comptroller may, at his option, recall the property if the successful bidder shall fail to comply with the terms of the sale, and the person so failing to comply therewith, will be held liable for any deficiency which may result from such resale. The right is reserved to reject any and all bids.

Respectfully, WM. A. PRENDERGAST, Comptroller. Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize and order a sale at public auction of all that certain piece or parcel of land situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at a point at the intersection of the northeasterly line of Flatbush Avenue with the southerly line of Sterling Place; running thence easterly along the southerly line of Sterling Place 186 feet 3 inches; running thence southerly and at right angles with Sterling Place 57 feet 3 inches; running thence northwesterly 27 feet 1 inch; running thence southwesterly on a line drawn at right angles to Flatbush Avenue 82 feet 9 inches to the northeasterly line of Flatbush Avenue, running thence northwesterly along the northeasterly line of Flatbush Avenue 146 feet 1 inch to the point or place of beginning, being premises known on the Tax Map of The City of New York, Borough of Brooklyn, as Lot 9, Block 1169, Section 4.

—the minimum or upset price at which said property shall be sold be and is hereby appraised and fixed at the sum of Thirty-five thousand Dollars (\$35,000), plus the cost of advertising the sale, and the Comptroller be and is hereby authorized to take the necessary steps for conducting such sale upon the following terms and conditions:

The highest bidder will be required to pay ten per cent. (10%) of the amount of his bid together with the auctioneer's fees at the time of the sale, and ninety per cent. upon the delivery of the deed, which shall be within sixty (60) days from the date of the sale.

The deed so delivered shall be in the form of a bargain and sale deed, without covenants.

The Comptroller may, at his option, resell the property if the successful bidder shall fail to comply with the terms of the sale, and the person so failing to comply therewith will be held liable for any deficiency which may result from such resale.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a sale at public auction, of property located on the southerly side of Butler Place, between Butler Street and the Plaza, Borough of Brooklyn:

To the Honorable, the Commissioers of the Sinking Fund:

July 28, 1914.

Gentlemen—The City of New York is the owner of a parcel of land, 225x128.6 feet, located on the southerly side of Butler Place, between Butler Street and the Plaza, formerly part of the East Side Park Lands, Borough of Brooklyn, which was sold at public auction by the City of Brooklyn and bid in by certain individuals at said sale. As to a portion of this property, the bid was declared forfeited by resolution of the Brooklyn Common Council on April 29, 1895, and the remainder of the property was subsequently acquired by the City of Brooklyn in foreclosure proceedings, by deed dated December 31, 1897.

This property is about twenty feet above grade, and is of no practical use to the City at the present time. The fair market value thereof is, in my opinion, \$31,000, which price Messrs. Jones, McKinny & Steinbrink have agreed to bid on behalf of a client, in the event of a sale at public auction.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a sale at public auction of all that certain piece or parcel of land, situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at a point on the southerly line of Butler Place, distant 150 feet 3½ inches westerly from the intersection of the southerly line of Butler Place with the westerly line of Sterling Place; running thence southerly and at right angles, or nearly so, with Butler Place 128 feet 6 inches to the northerly line of Lot No. 7, in Block 1171, Section 4; running thence westerly and along the northerly line of Lots Nos. 7, 12 and 14 in the above mentioned block, 230 feet 3 inches; running thence northerly and at right angles, or nearly so, with Butler Place 114 feet to the southerly line of Butler Place; running thence easterly along the said southerly line of Butler Place 225 feet to the point or place of beginning, being the premises shown on the tax maps of the City of New York as Lots 29

and 31, in Block 1171, Section 4, Borough of Brooklyn,
—at a minimum or upset price of \$31,000, which I deem to be a fair appraisal of the value of the land, plus the cost of advertising the sale, and upon the following terms

The highest bidder will be required to pay ten per cent. (10%) of the amount of the bid, together with the auctioneer's fees, at the time of the sale, and ninety per

cent. (90%) upon the delivery of the deed, which shall be within sixty (60) days from the date of the sale.

The deed so delivered shall be in form of a bargain and sale deed without cove-

nants.

The Comptroller may, at his option, resell the property if the successful bidder shall fail to comply with the terms of the sale, and the person so failing to comply therewith, will be held liable for any deficiency which may result from such resale. The right is reserved to reject any and all bids. Respectfully,
