Re: Resolution #07/01-901C: Implementation of Corrective Actions Pursuant to the Audit of Compliance by the New York County District Attorney's Office (DANY) Equal Employment Opportunity Program (EEOP) from January 1, 2003 to December 31, 2004.

Dear Mr. Morgenthau:

Pursuant to Section 832 of Chapter 36 of the New York City Charter, staff of the Equal Employment Practices Commission (EEPC) was required to monitor audit compliance by the New York County District Attorney's Office (DANY) for a period not to exceed six months. The compliance period was June through November 2006. The DANY's Final Compliance Report was submitted on January 17, 2007.

The goal of monitoring was to determine if the DANY implemented all recommended corrective actions pursuant to our audit of compliance by your agency with the City's Equal Employment Opportunity Policy from January 1, 2003 to December 31, 2004.

After completing its review of the Compliance Reports submitted by your agency, EEPC staff submitted a Compliance Summary Report for Commission review. After reviewing the Report this Commission has determined that the DANY has implemented the recommended corrective actions as required by Chapter 35 and 36 of the New York City Charter to the Commission's satisfaction. The New York County District Attorney's Office is now in compliance with the requirements of the City's Equal Employment Opportunity Policy.

On behalf of this Commission, I want to thank you and EEO Officer Frederick J. Watts for the cooperation extended to the EEPC Compliance Unit during the compliance-monitoring period.

Sincerely,

Manuel A. Méndez
