#### REASONS FOR THE PROVISIONAL ESTIMATE, 1894.

Resolved, That the Provisional Estimate made by the Board of Estimate and Apportionment, on the 30th day of October, 1893, of the amount required to pay the expenses of conducting the public business in the City and County of New York, in each Department and branch thereof and the Board of Education for the ensuing financial year, to wit, for the year one thousand eight hundred and ninety-four, be submitted to the Board of Aldermen, with the reasons for it in detail, as required by section 189 of the New York City Consolidation Act of 1882, as follows:

#### THE LEGISLATIVE DEPARTMENT.

The amount appropriated for the Common Council in the Provisional Estimate for 1894, is eighty-eight thousand dollars (\$88,000), being the amount of the Departmental Estimate for 1894, and the Final Estimate for 1893.

#### THE MAYORALTY.

The amount appropriated is twenty-eight thousand dollars (\$28,000), being the same amount as asked for in the Departmental Estimate for 1894, and as allowed in the Final Estimate for 1893, for the expenses of the Mayor's Office in 1894, which includes the salary of the Mayor, as fixed by law at ten thousand dollars per annum. For the Mayor's Marshal's Office, the sum of thirteen thousand seven hundred dollars (\$13,700) was asked for in the Departmental Estimate for 1894, and that amount has been allowed as necessary and reasonable in the Provisional Estimate, being a decrease of one hundred and fifty dollars from the Final Estimate of 1893.

#### THE FINANCE DEPARTMENT.

The sum of \$301,700 was asked for in the Departmental Estimate for 1894, as required for the several objects and purposes therein, and is allowed as reasonable and necessary, including the salary of the Comptroller, fixed by law at \$10,000 per annum, and the compensation of the Chamberlain, also provided for by law, at \$25,000, including the sum of \$40,000 for cleaning markets. The total is the same as that allowed in the Final Estimate for 1893.

#### INTEREST ON THE CITY DEBT.

In accordance with the statements submitted by the Comptroller with the Departmental Estimates, the amount appropriated for interest becoming due and payable in 1894 on bonds and

stocks of the City of New York, exclusive of interest on bonds and stocks in the Sinking Fund, made payable therefrom, by chapter 178 of the Laws of 1889, and including interest on bonds of the towns of Morrisania and West Farms issued prior to their annexation to the city, and also interest on the estimated amount of revenue bonds to be issued in 1894, amounting in all to \$5,080,217.45, and included in the Provisional Estimate to be raised by tax in 1894.

#### THE REDEMPTION OF THE CITY DEBT.

The sum of \$19,426.91 is included in the Provisional Estimate for the redemption of revenue bonds made payable in 1894, by special acts of the Legislature; and also the sum of \$17,000 for the redemption of the debt of the towns of Morrisania and West Farms, which become due in 1894, and also the sum of \$1,312,310.66, pursuant to article 8, section 11 of the State Constitution, as amended in 1884, requiring installments to be raised by tax annually for the redemption at maturity of bonds issued after December 31 of that year, for the supply of water.

Stocks amounting to the sum of \$1,494,000 become due in 1894, for which no appropriation is included in the Provisional Estimate, as the amount has been provided for by installments, and will be paid from the Sinking Fund for the Redemption of the City Debt, pursuant to the provisions of section 192 of the Consolidation Act of 1882, as amended by section 178 of the Laws of 1889.

#### THE STATE TAXES.

The State Taxes for 1894, as certified by the State Comptroller, amounted to \$4,708,080.01, which is more by \$1,166,123.91 than the amount allowed in 1893; and to which would have to be added \$12,465.68, for compensation and expenses of the Shore Inspector, as provided by law. The total State Tax, as certified by the State Comptroller, consists of the following items:

For Schools, .98 mill	\$1,788,340 47
For State Care of Insane, .33 1/3 mill	608,279 07
For General Purposes, .89 mill	
For Canals, .37 1/2 mill	2,311,460 47
Total, 2.58 mills	\$4,708,080.01

The amount charged for State Care of Insane, viz.: \$608,279.07 has not been allowed in the Provisional Estimate, upon the ground that chapter 126 of the Laws of 1890 do not justify the imposition of said tax. The amount allowed, therefore, in the Provisional Estimate for 1894, is \$4,099,800.94, to which has been added \$12,465.68, for compensation and expenses of the Shore Inspector.

#### RENTS.

The sum of \$141,480 is appropriated for rents of premises leased to the City for various departments, public offices, court rooms, etc., other than armories and drill rooms.

For rents of armories and drill rooms for the National Guard, not provided with quarters belonging to the City, the sum of \$27,350 is allowed.

#### JUDGMENTS.

For the payment of judgments against the City that have been or may be obtained, and not otherwise provided for, the sum of \$125,000 is included in the Provisional Estimate of 1894, and is deemed to be required and necessary for this purpose.

#### SPECIAL APPROPRIATIONS.

As provided by chapter 57, Laws of 1879, the sum of \$7,500 is appropriated for the Seventh Regiment New Armory Fund, and \$6,000 for the necessary expenses of the Commissioners of the Sinking Fund and of real estate belonging to the City.

#### LAW DEPARTMENT.

The sum of \$200,700 was asked for in the Departmental Estimate, being \$1,300 less than was allowed in the Final Estimate for 1893. The amount asked for was allowed in the Provisional Estimate for 1894, and there has been added thereto the sum of \$5,000 for payment of salary of an Attorney to the Department of Street Improvements of the Twenty-third and Twenty-fourth Wards, as fixed by chapter 331 of the Laws of 1893.

#### THE DEPARTMENT OF PUBLIC WORKS.

The sum of \$3,094,880 is appropriated for all objects and purposes, being \$522,852 less than the Departmental Estimate and \$80,860 more than the Final Estimate for 1893.

#### DEPARTMENT OF PUBLIC PARKS.

The sum of \$1,134,455 is appropriated as necessary and sufficient for all objects and purposes, which is less than the Departmental Estimate by \$286,880 and \$38,000 more than the Final Estimate for 1893.

#### THE DEPARTMENT OF STREET IMPROVEMENTS, TWENTY-THIRD AND TWENTY-FOURTH WARDS.

The sum of \$329,360 is appropriated for all the purposes and objects of this Department, being \$21,112 less than the Final Estimate for 1893 and \$333,605 less than the Departmental Estimate for 1894.

#### DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION.

The sum of \$2,273,175 is appropriated as necessary and sufficient for all purposes and objects, being \$417,077 less than the Departmental Estimate for 1894 and \$49,750 more than the Final Estimate for 1893.

#### THE HEALTH DEPARTMENT.

The sum of \$423,580 is appropriated as necessary and sufficient for all the purposes and objects of this Department. Reductions amount to \$62,668, being made in the various items of the Departmental Estimate, leaving the amount allowed \$46,668 less than the Final Estimate for 1893.

#### POLICE DEPARTMENT.

The sum of \$5,126,647.64 is appropriated as necessary and sufficient for all the purposes and objects, being \$823,950 less than the Departmental Estimate for 1894 and \$183,238.40 less than the Final Estimate for 1893.

#### DEPARTMENT OF STREET CLEANING.

The sum of \$2,361,410 is appropriated as necessary and sufficient for the purposes and objects, being \$777,521.21 less than the Departmental Estimate for 1894 and \$161,410 more than the Final Estimate for 1893.

#### FIRE DEPARTMENT.

mate shall furnish the same in a sealed envelope,  
indorsed "Bid or Estimate for Poultry, etc.," with his

or before the day and hour above named, at which time  
and place the bids or estimates received will be pub-  
licly opened by the head of said Department and read.

The Department of Public Charities and Correction  
reserves the right to decline any and all bids or esti-  
mates if deemed to be for the public interest, and to  
accept any bid or estimate as a whole, or for any one or  
more articles included therein. No bid or estimate will  
be accepted from, or contract awarded to, any person

who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made of Poultry on Tuesday, November 28, 1893, before 7 o'clock A. M., all in accordance with specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) percent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies delivered by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 1 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and let as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
NO. 31 CHAMBERS STREET,  
NEW YORK.

## TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works
