HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property ("Disposition Land") in the Borough of Manhattan:

Addresses	Block/Lots
538 – 548 West 53 rd Street ("Project Site 1")	1081/50 (formerly p/o Lot 1)
530 – 536 West 53 rd Street ("Project Site 2")	1081/1 (formerly p/o Lot 1)

and also known as Clinton Site 7 in HPD's Mixed Income Program, and has also proposed the sale of certain development rights associated with adjacent City-owned property on Block 1081, Lot 80

(formerly p/o Lot 1), known by the street address 543-551 West 52nd Street, located in the Borough of Manhattan ("Disposition Development Rights") (the Disposition Land and Disposition Development Rights are known collectively as the "Disposition Area"). The Disposition Development Rights consists of approximately 1,540 square feet of unused zoning floor area.

This submission seeks a new approval by the Mayor ("New Approval") which corrects and amends a previous approval dated November 24, 2014 (Cal. No. 5) ("Original Approval"). The Original Approval (i) contained incorrect sizes for commercial spaces in the project because it excluded the square footage for commercial spaces below grade, and (ii) incorrectly referred to a community facility for the project instead of open space. This submission provides that (i) the commercial space on Project 1 is 23,707 square feet (instead of 11,357 square feet as provided in the Original Approval) and that the commercial space on Project 2 is 30,700 square feet (instead of 22,550 square feet as provided in the Original Approval), and (ii) Project 1 contains 2,510 square feet of open space (instead of 2,510 square feet of community facility space on each of Project 1 and Project 2 as provided in the Original Approval). In addition, the number of dwelling units in Project 2 has decreased from 405 to 392.

The Disposition Land consists of Block 1081, Lots 50 (formerly p/o 1) and 1 (formerly p/o Lot 1), known by the street addresses 538-548 West 53rd St ("Project Site 1") and 530-536 West 53rd St ("Project Site 2"). The Disposition Development Rights consist of approximately 1,540 square feet of unused zoning floor area associated with the adjacent City-owned land located on Block 1081, Lot 80 (formerly p/o Lot 1), known by the street address 543-551 West 52nd Street. (The Disposition Land and Disposition Development Rights are known collectively as the "Disposition Area.")

Under the project described in the New Approval, the City will sell the Disposition Area to Clinton West 53rd Housing Development Fund Corporation ("Sponsor"), for the nominal price of one dollar per tax lot. Sponsor will also deliver an enforcement note and mortgage to the City for the remainder of the appraised value of Project Site 1. Sponsor will then sell Project Site 2 and the Disposition Development Rights to 525 West 52 Property Owner LLC (the "LLC") for not less than \$3,097,200 ("LLC Purchase Price"), and will retain Project Site 1. Sponsor will thereafter construct a housing project on Project Site 1 and the LLC will construct a housing project on Project Site 2.

Sponsor will construct one building on Project Site 1 that will contain approximately 102 rental dwelling units plus one unit for a superintendent and approximately 23,707 square feet of commercial space (consisting of 11,361 square feet of commercial space at the ground level and an additional approximately 12,346 square feet of commercial space at the cellar level), and will develop approximately 2,510 square feet of Project Site 1 as open space. The project will be partly funded with a portion of the proceeds from the LLC Purchase Price.

The LLC will construct one building on Project Site 2 that will contain approximately 391 rental dwelling units plus one unit for a superintendent and approximately 30,700 square feet of commercial space (consisting of 22,700 square feet of commercial space at the ground level and an additional approximately 8,000 square feet of commercial space at the cellar level), and the adjacent privately owned property at Block 1081, Lot 16 (formerly Lots 1001 through 1008), with financing from the New York State 80/20 Housing Program.

The appraisal and the proposed Land Disposition Agreements and Project Summaries are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on April 28, 2015 at Second Floor Conference Room, 22 Reade Street, Manhattan at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than five (5) business days prior to the public hearing. HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

Services (other than human services)

THIRD PARTY LOGISTICS (3PL) SERVICES - Negotiated Acquisition - PIN#01709N0001CNVN001 - Due 4-2-15 at 5:00 P.M.

In order to avoid a gap in services, which would significantly impact the City's attempt to respond to an emergency event, NYCEM intends to negotiate with the incumbent vendor, Menlo Worldwide Government, to provide continuing third-party logistics (3PL) services. The current contract expires on November 30, 2015 and the proposed extension would commence on December 1, 2015 and terminate on November 30, 2016. In the meantime, the New York City Emergency Management Department intends to release an RFP for the provision of 3PL services.

NYCEM had determined that negotiated acquisition is the most competitive alternative method of source selection from those listed in PPB rules 3-01(d)(a) which is both appropriate under the circumstances and practicable and advantageous to the City because the proposed contract extends earlier contract for the minimum time necessary to meet need.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

■ NOTICE

HOME IMPROVEMENT BUSINESS TRUST FUND RULE

Notice of Public Hearing and Opportunity to Comment on Proposed Rule

What are we proposing? Section 2-224(c) of Title 6 of the Rules of the City of New York authorizes the Commissioner of the Department of Consumer Affairs (DCA) to pay out funds from the Home Improvement Business Trust Fund (the "Fund"). The proposed rule would increase the limit from \$20,000 to \$25,000 on the amount that DCA can pay out from the Fund for all awards, fines and judgments arising out of a single home improvement contract.

When and where is the Hearing? The Department of Consumer Affairs will hold a public hearing on the proposed rule. The public hearing will take place at 10:00 A.M. on April 27, 2015. The hearing will be in the Department of Consumer Affairs hearing room at 66 John Street, 11th Floor, New York, NY 10038.

How do I comment on the proposed rules? Anyone can comment on the proposed rule by:

Section 2203(e) of the City Charter and section 20-104 of Chapter 1 of Title 20 of the New York City Administrative Code authorize the Commissioner of the Department of Consumer Affairs to make this proposed rule. This proposed rule was not included in regulatory agenda of the Department of Consumer Affairs for this Fiscal Year because it was not contemplated when the Department published the agenda.

Statement of Basis and Purpose of Proposed Rule

Section 2-224(c) of Title 6 of the Rules of the City of New York

authorizes the Commissioner of the Department of Consumer Affairs (DCA) to pay out funds from the Home Improvement Business Trust Fund (the "Fund"). The proposed rule would increase the limit from \$20,000 to \$25,000 on the amount that DCA can pay out from the Fund for all awards, fines and judgments arising out of a single home improvement contract. This increase is necessary because the current limit is insufficient to cover judgments to aggrieved consumers. In the last 5 years, 287 restitution judgments were paid from the Fund. Approximately 35% of these cases involved awards in excess of \$20,000. The balance in the Fund is sufficient to cover the proposed increase.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule

Paragraph (3) of subdivision (c) of section 2-224 of subchapter V of chapter 2 of title 6 of the Rules of the City of New York is amended to read as follows:

- (3) Disbursements from the [f]und will be made at the discretion of the Commissioner or his or her designee[, provided, however, that invasion of the Fund] and shall be limited to no more than twenty-five thousand dollars for all awards, fines and judgments arising out of a single home improvement contract.

OFFICE OF MANAGEMENT AND BUDGET COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (CD) NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS,
GROUPS AND PERSONS:

This document constitutes the Notice of Intent to Request Release of Funds for the projects identified below. These projects are funded in the Forty-first Community Development Year (Federal Fiscal Year 2015/CD 41/Calendar Year 2015). On April 3, 2015 the City will submit to HUD its Request for Release of Funds for these projects. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under the programs listed below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The programs identified below do not involve new construction or the expansion of a building's footprint. This notice is prepared on a programmatic basis. This notice is not related to the Community Development Block Grant - Disaster Recovery Program.

7A PROGRAM

CD funds are used by the Department of Housing Preservation and Development (HPD) to address hazardous conditions by correcting code violations and to provide systems renovations through 7A Financial Assistance packages to buildings under the management of a 7A administrator. CD 41 Allocation: \$1,426,000.

ALTERNATIVE ENFORCEMENT PROGRAM

The Alternative Enforcement Program is an additional HPD enforcement mechanism that is intended to alleviate the serious physical deterioration of the most distressed multiple dwellings in New York City by forcing the owner to make effective repairs or have city government do so in a more comprehensive fashion so that emergency conditions are alleviated and the underlying physical conditions related to the emergency housing code violations are addressed.

As described in the law, an owner will be notified by HPD that based upon criteria in the law, his or her multiple dwelling has been chosen for participation in the Alternative Enforcement Program. An owner will have four months to repair the violations, pay all outstanding HPD emergency repair charges and liens, submit a current and valid property registration statement and request an HPD re-inspection. If the owner fails to meet all of the requirements for discharge within the first four months, HPD will perform a building-wide inspection and issue an order outlining the action necessary to address the emergency conditions and the underlying causes of those conditions (to minimize recurrence of those conditions). HPD will prepare a scope of work that will address the conditions cited in the order. Should an owner fail to comply with the order, HPD will perform the work. CD 41 Allocation: \$8,565,000.

PROJECT OPEN HOUSE

Under Project Open House, CD funds are used to remove architectural barriers from the homes of low- and moderate-income New York City residents who have mobility impairments. The program is administered by the Mayor's Office for People with Disabilities. CD 41 Allocation: \$217,000.

LANDMARKS HISTORIC PRESERVATION GRANT PROGRAM

The Landmarks Historic Preservation Grant Program provides grants to homeowners and nonprofits that own or occupy a property that has been designated as a landmark, is located within a designated historic district or is listed in or is eligible to be listed in the National Register of Historic Places. Grants are awarded to homeowners and nonprofits for facade improvement. Additionally, nonprofits may be awarded grants for interior improvements provided the building has a designated interior. CD 41 Allocation: \$114,000.

CODE VIOLATION REMOVAL IN SCHOOLS

The Department of Education will use CD funds to prevent or remove code violations in New York City schools. The activities may include

the installation, repair, or replacement of emergency lighting, elevator guards, corridor doors, door closers, fire rated doors and hardware, panic hardware, fire alarm systems, fire suppression systems, fire extinguishers, sprinklers/standpipes, radiator shields, potable water systems, sewage systems, kitchen ventilation/exhaust systems, and heating/cooling/refrigeration systems; flame-proofing curtains; building elevator and sidewalk elevator upgrades; and the repair of bleachers, retaining walls, interior masonry, falling plaster, damaged flooring, ceilings, electrical fixtures, mandated signage, and wiring. To avoid archaeological concerns, playground resurfacing may be performed provided there is no increase in the playground area and no excavation is proposed. CD 41 Allocation: \$4,500,000.

DFTA SENIOR CENTER IMPROVEMENTS

CD funds will be used for the renovation of the physical plant and the rectification of code violations in senior centers. Activities may include plumbing upgrades; installation of lighting and emergency lighting systems, security systems, air conditioning/heating/ventilation systems, kitchen fire extinguishing systems, hot water heaters, fire doors, and ramps; window upgrade/replacement; ceiling and roof rehabilitation; kitchen upgrade; bathroom renovation; re-wiring; floor replacement; handicapped access; and security and elevator improvements. CD 41 Allocation: \$1,916,000.

Cataldo, Director of Community Development, Office of Management and Budget, 255 Greenwich Street, 8th Floor, New York, NY 10007.

OBJECTIONS TO RELEASE OF FUNDS

The City of New York will undertake the projects described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director, Dean Fuleihan, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act of 1969 and related laws and authorities and allows the City of New York to use CD program funds. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the City of New York's Certifying Officer, b) the City of New York has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58, c) the City of New York or other participants in the development process have committed funds, incurred costs, or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD, or d) another federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, NY 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after April 20, 2015 will be considered by HUD.
