Whereas, A proper regard for the convenience of the public requires that facilities for traveling from one side of the city to the other should be afforded, during all hours of the day and night; and

Whereas, The stoppage, after 12 o'clock, midnight, of all the cars of the Central Park, North and East River Railroad Company, on Fifty-ninth street, which are the only means of public conveyance for crossing the city north of Forty-second street, occasions great annoyance, and frequently hardship, to very many people, who are compelled to walk from the north to the east side of the city after that hour; and

Whereas, The act, chapter 511, Laws of 1860, granting the right to operate the railroad of this company, among other things provides, "That said railroad shall be constructed upon the most approved plan for the construction of city railroads, and the cars on the same shall run as often as the convenience of the public shall require, and shall be subject to such reasonable rules and regulations in respect thereto, in the transportation of passengers and freight in suitable cars, as the Common Council of the City of New York may, from time to time, by ordinance prescribe"; therefore

Pursuant to power and authority vested in the Common Council by section 2 of chapter 511 of the Laws of 1860, The Central Park, North and East River Railroad Company is hereby required and directed to cause its cars to be run and operated on its tracks in Fifty-ninth street as frequently as the convenience of the public shall require, not less than one car every fifteen minutes, between the hours of 12 o'clock, midnight, and 6 o'clock A. M., each and every day, both ways, for the transportation of passengers and freight.

Sec. 2. All ordinances or part of ordinances inconsistent or conflicting with the provisions of this ordinance are hereby repealed.

Sec. 3. This ordinance shall take effect immediately.

Adopted by the Board of Aldermen, May 13, 1890.
Approved by the Mayor, May 16, 1890.

Resolved, That the name of Henry Niebuhr be entered upon the Firemen's Register as a member of Hook and Ladder Company No. 2, to date from September 5, 1863, and the Clerk of the Common Council is hereby instructed to give effect to this resolution.

Adopted by the Board of Aldermen, May 13, 1890.

Resolved, That permission be and the same is hereby given to the New York Steam Power Company to connect the premises No. 39 Ann street with the premises No. 59 Ann street, by a steam-pipe, to cross underground on the north side of said street, such pipe not to exceed four inches in diameter as shown in the accompanying diagram; provided that said the New York Steam Power Company shall stipulate with the Commissioner of Public Works to save the city harmless from any loss or damage that may occur during the progress or subsequent to the completion of the work of laying said pipe, to any water-pipes, gas-pipes or sewer or from any other cause, the work to be done at its own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 6, 1890.

Received from his Honor the Mayor, May 17, 1890, without his approval or objections thereto; therefore, as provided in section 75, chapter 410, Laws of 1882, the same became adopted.

FRANCIS J. TWOMEY, Clerk of the Common Council.

Absent—Frederick Smyth, Recorder.

The minutes of the meeting held May 5, 1890, were read and approved.

The meeting of to-day was called specially to consider the application of the Secretary of the Treasury for a temporary lease of Castle Garden as a landing place for immigrants, now in charge of the Government, but, on account of the absence of the Recorder, who was detained in court, the matter was laid over until 1 o'clock on Thursday, May 15, 1890. The Board proceeded to the consideration of other business.

The Comptroller presented an application from the Commissioner of Public Works for a lease of wharf space for a free public bath, and a report and resolution to authorize it, as follows:

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, May 5, 1890.

Hon. HUGH J. GRANT, Mayor and Chairman, Commissioners of the Sinking Fund:

DEAR SIR—For a number of seasons past, one of the free public floating baths has been located at the foot of Nineteenth street, East river, the location having been selected as a very desirable one, being convenient to a densely-populated tenement district and no other proper location being available

in the vicinity. For the space occupied by the bath the City has to pay rental or wharfage to H. D. and J. U. Brookman, and I respectfully ask that the Commissioners of the Sinking Fund authorize a renewal of the lease for the berth at the rate of \$8 per day or \$240 per month, for the bathing season of 1890, beginning June 1 and ending October 15, or such other time as the bath may be required to remain at the berth, payment to be made only for the time that the bath is actually at the berth.

Very respectfully,

THOS. F. GILROY, Commissioner of Public Works.
CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
May 14, 1890.

To the Commissioners of the Sinking Fund:

GENTLEMEN—An application of the Commissioner of Public Works for the renewal of the lease, for the coming season, of wharf space for a public bath at the foot of East Nineteenth street, on the same terms and conditions as the previous lease, is herewith enclosed.

The rent is considered fair and reasonable, and I submit a resolution to authorize a new lease.

Respectfully,

THEO. W. MYERS, Comptroller.

Resolved, That the Counsel to the Corporation be requested to prepare a lease to the City from H. D. and J. U. Brookman of wharfage space at the foot of East Nineteenth street, to be occupied by a public bath during the bathing season of the year 1890, beginning June 1 and ending October 15, or such other time as the bath may be required to remain at berth, at the rate of two hundred and forty dollars (\$240) per month, payable monthly, and payment to be made for the time only when the bath is actually in its position at the dock; the Commissioners of the Sinking Fund deeming the rent fair and reasonable, and that it would be for the interest of the City that such lease should be made; and the Comptroller is hereby authorized and directed to execute such lease when prepared and approved by the Counsel to the Corporation, as provided by sections 123 and 181 of the New York City Consolidation Act of 1882.

The report was accepted and the resolution unanimously adopted.

To the Honorable Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of the Board of Police, held this day, the following proceedings were had:

Resolved, That the Commissioners of the Sinking Fund be and are hereby respectfully requested to authorize the Comptroller to execute a renewal of the lease from Robert and Ogden Goelet to the Mayor, Aldermen and Commonalty of the City of New York, for one year, from May 1, 1890, of the premises No. 34 East Twenty-ninth street, at the yearly rent of \$2,000 (and Croton water rent and other taxes and assessments), the said premises being for the use of the Police Department of the City of New York as a station-house for the Seventeenth Precinct (formerly the Twenty-fifth Precinct).

Very respectfully,

WM. H. KIPP, Chief Clerk.

Whereas, The Board of Police have requested the Commissioners of the Sinking Fund to authorize a renewal of the lease to the City of the premises No. 34 East Twenty-ninth street for the term of one year, from May 1, 1890, upon the same terms and conditions as the old lease thereof;

Resolved, That the Comptroller be and is hereby authorized to renew the lease made the 5th day of April, 1886, between Robert Goelet and Ogden Goelet and The Mayor, Aldermen and Commonalty of the City of New York, of the premises No. 34 West Twenty-ninth street, for the use of the Police Department, as a station-house, lodging-house and prison for the Seventeenth (formerly Twenty-fifth) Police Precinct, for the term of one year, from May 1, 1890, at the same rental of two thousand dollars (\$2,000) per annum and upon the same terms and conditions, with the privilege of renewing the same as covenanted in said lease.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,
COMMISSIONERS' OFFICE, NO. 66 THIRD AVENUE,
NEW YORK, May 2, 1890.

Hon. HUGH J. GRANT, Chairman, Board of Commissioners of the Sinking Fund:

SIR—Permission is hereby asked to lease the premises in Fordham, known as No. 2456 Valentine avenue, for a reception hospital, for a term of five years, with privilege of renewal, at a rental of \$1,500 per annum, the Board of Estimate and Apportionment having made an appropriation for its establishment, as provided by act of Legislature, chapter 149, Laws of 1888. A description and proposal of owner are herewith transmitted.

We have personally examined the property and find it very well adapted for our purpose, and have consulted the Hon. Michael Coleman as to its value, and the fairness of the rent demanded, which he considers just and reasonable.

Very respectfully, yours,
H. H. PORTER.
CHAS. E. SIMMONS.
EDWARD C. SHEEHY.

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
May 14, 1890.

To the Commissioners of the Sinking Fund:

GENTLEMEN—I present herewith an application from the Department of Public Charities and Correction for a lease of certain premises in Fordham, known as No. 2456 Valentine avenue, for a reception hospital, for a term of five years, with privilege of renewal, at a rental of \$1,500 per annum.

An examination has been made of the premises by Mr. E. E. McLean, Engineer of the Finance Department, and he reports that the house and all its surroundings are in good condition, and that the rent asked is fair and reasonable.

The Commissioners of Charities and Correction consider the premises well adapted for the purpose of a reception hospital, which is greatly needed in that section of the city.

The establishment of such a hospital north of One Hundred and Seventy-fifth street and west of North Third avenue, the locality embracing the premises, was provided for by chapter 149, Laws of 1888, and in pursuance thereof the Board of Estimate and Apportionment made an appropriation of \$8,000 for the establishment of the hospital in the Final Estimate for 1889. This appropriation is unexpended and is applicable to this object.

I therefore submit a resolution to authorize a lease of said premises.

Respectfully,
THEO. W. MYERS, Comptroller.

Resolved, That the Counsel to the Corporation be and he is hereby requested to prepare a lease to the City from John H. Eden, of the premises known as No. 2456 Valentine avenue, in Fordham, in the Twenty-fourth Ward, for the use of the Department of Public Charities and Correction as a reception hospital, for the term of five years from June 1, 1890, with the privilege of renewal, at a yearly rent of one thousand and five hundred dollars (\$1,500), payable quarterly, with the usual conditions, and the lessee to pay Croton water rent; the Commissioners of the Sinking Fund deeming the rent fair and reasonable and that it would be for the interest of the City that such lease should be made; and the Comptroller is hereby authorized and directed to execute such lease when prepared and approved by the Counsel to the Corporation, as provided by sections 123 and 181 of the New York City Consolidation Act of 1882.

Which were laid over.

The Chairman of the Committee on Finance of the Board of Aldermen presented a report on a resolution relating to the leasing of a ferry, from foot of West Thirteenth street to Jersey City, with resolutions, as follows:

NEW YORK, May 14, 1890.

To the Honorable the Commissioners of the Sinking Fund:

GENTLEMEN—The Chairman of the Finance Committee of the Board of Aldermen, to whom was referred a resolution amending a resolution passed by the Commissioners of the Sinking Fund, April 16, 1890, relating to the establishment of a ferry from a point at or near the foot of West Thirteenth street, in the City of New York, respectfully reports:

That the adoption of the amended resolution, especially that part which strikes out from the original resolution the words "buildings and other property of the lessee," would be in direct opposition to the opinions of the Commissioners as expressed by them in the consideration of previous ferry franchises, and would not subserve the best interest of the City. That the object of this clause in the lease is to invite competition at the expiration of the lease, and if these words were stricken out the then owners of the ferry property would practically be able to dictate their own terms.

The adoption of the accompanying resolution is therefore recommended.

All of which is respectfully submitted.

WALTON STORM, Chairman Finance Committee, Board of Aldermen.

Resolved, That the resolution presented to the Commissioners of the Sinking Fund April 30, 1890, amending a resolution adopted by the said Commissioners of the Sinking Fund April 16, 1890, be and the same is hereby rejected; and

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund April 16, 1890, be and the same is hereby ratified and confirmed in all respects, and declared to be the terms and conditions upon which the franchise for operating a ferry between a point at or near the foot of West Thirteenth street, in the City of New York, and Jersey City, in the State of New Jersey, shall be granted by the Commissioners of the Sinking Fund of the City of New York.

Which were laid over.

No. 2, southeast corner of Fifth street and Lexington avenue, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 10 o'clock A. M. Wednesday, May 28, 1890, at which time and place they will be publicly opened by the head of said Department and read.

No estimate will be received or considered after the hour named.

For information as to the amount and kind of work to be done, bidders are referred to the specifications which form part of these proposals.

The form of the agreement and the specifications, showing the manner of payment for the work, and forms of proposals, may be obtained at the office of the Department.

Bidders must write out the amount of their estimate in addition to inserting the same in figures.

The work is to be completed and delivered within forty (40) days after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired are fixed and liquidated at ten (10) dollars.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of two thousand and five hundred (2,500) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred and twenty-five (125) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be

correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third avenue, in the City of New York, until 9:30 o'clock A. M. Friday, May 23, 1890. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed, "Bid or Estimate for Enlarging the Electric-lighting Plant, Ward's Island," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of FIVE THOUSAND (\$5,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the

estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, 1880, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of this security shall, in addition to the justification and acknowledgment, be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and provide such proper security as has been heretofore stated to be requisite, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonality, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot, that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,
Commissioner of Public Works.
