The balance of moneys standing to the credit of the Public Administrator and the Comptroller on the first day of January, 1885:

In the Importers and Traders' National Bank was the sum of eighty-seven thousand one hundred and thirty-seven dollars and twenty-seven cents (\$87,137.27), and in the Continental National Bank was the sum of ninety thousand four hundred and ninety-six dollars and sixty-nine cents (\$90,496.69), making together the sum of one hundred and seventy-seven thousand six hundred and thirty-three dollars and ninety-six cents (\$177,633.96), which includes the interest allowed by said banks on deposits.

The total amount of moneys which came into the hands of the Public Administrator during the year 1884 was the sum of one hundred and thirty thousand and sixty-seven dollars and twenty-two cents (\$130,067.22), and the amount distributed by him for expenses, payments to creditors and to next of kin, etc., was the sum of one hundred and forty-nine thousand six hundred and thirty-six dollars and fifty-five cents (\$149,636.55).

The total amount paid into the City Treasury during the year 1884 was the sum of ten thousand one hundred and nineteen dollars and twelve cents (\$10,119.12), being for commissions and intestate estates.

When the undersigned took possession of his office, he found that the account of the Public Administrator and Comptroller with the Guardian Savings Institution showed a balance due from that bank of fourteen thousand two hundred and thirty-three dollars and sixty cents (\$14,233.60).

The undersigned has made diligent efforts to collect the amount from the receiver of the said institution, and has succeeded in collecting the sum of two thousand dollars (\$2,000), leaving a balance still due amounting to the sum of twelve thousand two hundred and thirty-three dollars and sixty cents (\$12,233.60), exclusive of interest.

By reason of such uncollected balance, a number of estates cannot be finally closed.
Dated January 13, 1885.

ALGERNON S. SULLIVAN, Public Administrator.

Cases Heretofore Reported.

The person or persons making any bid or esti-

 dorsed "Bid or Estimate for Groceries, Dry Goods,
 Hardware, Crockery, Lumber, and Paints," with his
 or their name or names, and the date of presentation,

 before the day and hour above named, at which time and
 place the bids or estimates received will be publicly
 opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION
 RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES
 IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS
 PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract
 awarded to, any person who is in arrears to the Corpora-
 tion upon debt or contract, or who is a defaulter, as
 surety or otherwise, upon any obligation to the Corpora-
 tion.

The award of the contract will be made as soon as
 practicable after the opening of the bids.

Delivery will be required to be made from time to time,
 and in such quantities as may be directed by the said
 Commissioners.

Any bidder for this contract must be known to be en-
 gaged in and well prepared for the business, and must
 have satisfactory testimonials to that effect; and the
 person or persons to whom the contract may be awarded
 will be required to give security for the performance of
 the contract by his or their bond, with two sufficient sure-
 ties, in the penal amount of fifty (50) per cent. of the
 estimated amount of the contract.

Each bid or estimate shall contain and state the name
 and place of residence of each of the persons making the
 same; the names of all persons interested with him or
 them therein; and if no other person be so interested, it
 shall distinctly state that fact; also that it is made without
 any connection with any other person making an estimate
 for the same purpose, and is in all respects fair and without
 collusion or fraud; and that no member of the Common
 Council, Head of a Department, Chief of a Bureau,
 deputy thereof or clerk therein, or other officer of the
 Corporation, is directly or indirectly interested therein, or
 in the supplies or work to which it relates, or in any por-
 tion of the profits thereof. The bid or estimate must be
 verified by the oath, in writing, of the party or parties
 making the estimate, that the several matters stated there-
 in are in all respects true. Where more than one person
 is interested, it is requisite that the verification be made
 and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
 sent, in writing, of two householders or freeholders in the
 City of New York, with their respective places of busi-
 ness or residence, to the effect that if the contract be
 awarded to the person making the estimate, they will, on
 its being so awarded, become bound as his sureties for its
 faithful performance; and that if he shall omit or re-
 fuse to execute the same, they shall pay to the Corpora-
 tion any difference between the sum to which he would
 be entitled on its completion, and that which the Cor-
 poration may be obliged to pay to the person or per-
 sons to whom the contract may be awarded at any subse-
 quent letting; the amount in each case to be calculated
 upon the estimated amount of the work by which the bids
 are tested. The consent above mentioned shall be accom-
 panied by the oath or affirmation, in writing, of each of the
 persons signing the same that he is a householder or free-
 holder in the City of New York, and is worth the amount
 of the security required for the completion of this contract,
 over and above all his debts of every nature, and over and
 above his liabilities as bail, surety, or otherwise; and that
 he has offered himself as a surety in good faith and with the
 intention to execute the bond required by section 12 of
 chapter 7 of the Revised Ordinances of the City of New

York, if the contract shall be awarded to the person or
 persons for whom he consents to become surety. The
 adequacy and sufficiency of the security offered to be
 approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-
 panied by either a certified check upon one of the
 National banks of the City of New York, drawn to the
 order of the Comptroller, or money, to the amount of five
 per centum of the amount of the security required for the
 faithful performance of the contract. Such check or
 money must not be inclosed in the sealed envelope con-
 taining the estimate, but must be handed to the officer or
 clerk of the Department who has charge of the Estimate-
 box, and no estimate can be deposited in said box until
 such check or money has been examined by said officer
 or clerk and found to be correct. All such deposits,
 except that of the successful bidder, will be returned to
 the persons making the same within three days after the
 contract is awarded. If the successful bidder shall refuse
 or neglect, within five days after notice that the contract
 has been awarded to him, to execute the same, the
 amount of the deposit made by him shall be forfeited to
 and retained by the City of New York as liquidated
 damages for such neglect or refusal; but, if he shall exe-
 cute the contract within the time aforesaid, the amount
 of his deposit will be returned to him.

Should the person or persons to whom the contract may be
 awarded neglect or refuse to accept the contract within five
 days after written notice that the same has been awarded
 to him or their bid or proposal, or if he or they accept, but
 do not execute the contract and give the proper security,
 he or they shall be considered as having abandoned it,
 and as in default to the Corporation; and the contract
 will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and
 merchandise must conform in every respect to the sam-
 ples of the same, respectively, at the office of the said
 Department. Bidders are cautioned to examine the
 specifications for particulars of the articles, etc., re-
 quired, before making their estimates.

Bidders will state the prices for each article, by which
 the bids will be tested.

Bidders will write out the amount of their estimate in
 addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,
 issued on the completion of the contract, or from
 time to time, as the Commissioners may determine.

Bidders are informed that no deviation

The estimated quantities stated to be in the several lots are believed to be correct, but the Department will not make any allowance from the purchase-money for short delivery on any lot, and bidders must consider as to the correctness of the estimate for quantity when making their bids.

NEW YORK, June 1, 1883.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

M. of the 3d day of February 1885, at which time and place they will be publicly opened and read by said Commissioners.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the head of said Health Department, indorsed, "Estimate for Heating and Steam-fitting Apparatus at Administration, Kitchen and Boiler-house Buildings on North Brother Island, City and County of New York," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal sum of \$2,000.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received.

1st. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Health Department, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimate their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Health Department may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intent on to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation to the Corporation.
