THE CITY RECORD.

OFFICIAL JOURNAL.

VOL. XXVI.

NEW YORK, FRIDAY, MARCH 4, 1898.

NUMBER 7,547.

DEPARTMENT OF DOCKS AND FERRIES.

At a regular meeting of the Board of Docks, held Friday, February 11, 1898, at 2 o'clock P. M. Present—The full Board.

The minutes of the two meetings held February 4, 1898, were approved. Jere Pangburn, Jr., appeared on behalf of the coal dealers and requested that Pier, new 43, North river, be left open to commerce. He was informed that the matter would receive the con-sideration of the Board.

The communication from the Consolidated Canal and Lake Company, inclosing bill for top wharfage of 250 tons of material stored on the bulkhead foot of West Fifty-fourth street, North river, from November 4, 1897, to January 31, 1898, amounting to \$1,112.50, was referred to the Corporation Counsel for advice.

The communication from Ignatz Gross, requesting privilege of maintaining refreshment stands on the East Third Street Recreation Pier during the coming summer season, was referred to the Treasurer with power. The communication from David McClure stating that the owners of the one hundred feet of

bulkhead and the water rights next southerly of Perry street, North river, are willing to execute a contract for the purchase of same by the City in accordance with the agreement heretofore entered into, provided the matter is attended to promptly, was referred to Commissioner Meyer.

The following communications were tabled for one week :

From the Corporation Counsel-Transmitting forms of leases of certain wharf property between West Eleventh and Gansevoort streets, North river, approved as to form.

From the Finance Department-In relation to the ferry operated by the Central Railroad Company of New Jersey, between Whitehall street and Communipaw.

From the Associates of the Jersey Company-Withdrawing their application of the 22d ultimo, in relation to the franchises of the ferries between Desbrosses and Cortlandt streets and Jersey City, and requesting a renewal of said franchises for a term of ten years, and for a further term of ten years immediately thereafter.

From the Engineer-in-Chief—Submitting an amendment to the plan adopted January 14, 1898, for the improvement of the water front in the vicinity of Twenty-third street, North river. The communication from the New York and Monmouth Transportation Company, requesting a lease of Pier, new I, North river, for a term of ten years with the privilege of renewal for a further term of ten years at an annual rental of \$35,100, was tabled for one week, and the Engi-neer-in-Chief directed to submit a statement as to the cost of making necessary repairs to said pier.

neer-in-Chief directed to submit a statement as 50,100, making necessary repairs to said pier. The following permits were granted, to continue during the pleasure of the Board : George Morton, to land the steamers "Peekskill" and "Fannie Woodall" at the outer end of Pier, old 42, North river, compensation to be fixed by the Treasurer. Benjamin Griggs, to berth the steamer "William V. Wilson" at the south side of Pier, old 58, North river, compensation to be fixed by the Treasurer. Union Ice Company, to use and occupy the bulkhead between Piers, new 54 and 55, North river, and to maintain ice bridge, etc., thereon, compensation to be paid thereafter at the rate of \$1,500 per annum, payable quarterly in advance to the Treasurer, commencing May 1, 1898, the date of the expiration of the present lease to said company. Joseph May, to maintain float at the north side of pier at West Thirty-fifth street, and to land naphtha or steam launches at the man-of-war landing foot of West Forty-second street, compensa-tion for said privileges to be fixed by the Treasurer. J. A. Hollister, to use and occupy during the pleasure of the Board the bulkhead extending from the northerly side of One Hundred and Fifteenth street to the centre line of the block between One Hundred and Fourteenth and One Hundred and Fifteenth streets, Harlem river, with privilege of maintaining derick thereon, provided said permit does not interfere with the landing of the Department of Charities ; compensation to be fixed by the Treasurer. The following permits were granted, the work to be done under the supervision of the Engi-

The following permits were granted, the work to be done under the supervision of the Engineer-in-Chief :

neer-in-Chief: New York Central and Hudson River Railroad Company, to dredge to a depth of 12 feet at mean low water in the slips on both sides of the coal dock at Port Morris. New York, New Haven and Hartford Railroad Company, to drive 12 piles at the outboard end of its pier 600 feet south of Cabot street, Borough of The Bronx, and also a cluster of eight mooring piles about 175 feet south of said pier. Arbuckle Brothers, to dredge in the slips foot of Adams and Jay streets, Borough of Brooklyn, it being understood that the granting of this permit shall not in any way prejudice any rights The City of New York may have in said premises. The following permits were granted on the usual terms:

The following permits were granted on the usual terms: Lowell M. Palmer, to make general repairs to the docks between North Fourth and North Tenth streets, and between Freeman and Pink streets, Borough of Brooklyn, during the ensuing six months.

Merritt & Chapman Derrick and Wrecking Company, to land reel of wire on the bulkhead foot of Eighteenth street, North river.

The following communications were ordered on file :

From the Corporation Counsel-

From Shipman, Larocque & Choate—In relation to the removal of the frame buildings, etc., at the foot of Houston street, East river, in front of the premises occupied by the Nassau Ferry Company. Secretary directed to notify the Commissioner of Highways that the Board has no objections to the structures remaining there until May I, 1898, provided the Nassau Ferry Com-pany file an agreement to remove the same on or before that date.

From the Society for the Reformation of Juvenile Delinquent in The City of New York-Reporting repairs required to float foot of One Hundred and Twenty-fifth street, Harlem river. Engineer-in-Chief directed to repair.

From the Terminal Warehouse Company—In relation to the condition of the approaches to Piers, new 57. 58 and 59, North river; with report of the Engineer-in-Chief thereon, recom-mending that the new made land be paved in front of said piers, between the westerly line of Thirteenth avenue and the easterly line of the pavement already laid along the bulkhead-wall thereat.

On motion, the report of the Engineer-in-Chief was approved, and the Treasurer authorized to order said paving to be done under Treasurer's Order.

From J. B. & J. M. Cornell-Surrendering the premises heretofore used by them between Twenty-sixth and Twenty-seventh streets, North river.

On motion, the permit granted J.B. & J. M. Cornell to use and occupy said premises was revoked, to take effect February 15, 1898.

From Hugh Doherty-Requesting permission to place an ice bridge on Pier 37, East river, together with the report of the Dock Superintendent recommending that the application be denied owing to the crowded condition of the traffic at said pier. Application denied.

From Charles S. Hirsch & Company-Requesting an extension of time for the completion of the delivery of yellow pine timber under Contract No. 607.

On motion, the following resolution was adopted : Resolved, That the time for the completion of the delivery of yellow pine timber under Con-tract No. 607, Charles S. Hirsch & Company, contractors, be and hereby is extended for a period of forty days, provided the written consent of the sureties on said contract is filed in this Department. Department.

From the Treasurer— 1st. Recommending that the action of the Board of February 4, 1898, granting permits to the Consolidated Ice Company to use and occupy certain wharf property be reconsidered, and sub-mitting resolution providing for a lease of the following described property to said company for a term of ten years.

On motion, the recommendation of the Treasurer was approved, and the following resolution adopted :

Resolved, That by virtue of the power aud authority vested in this Board, and in pursuance of the statutes in such case made and provided, this Board hereby agrees to lease, assign and to farm let to the Consolidated Ice Company for a term of ten years from March 1, 1898, all and singular, the wharfage which may arise, accrue and become due in the manner and at the rates prescribed by law, for the use and occupancy of the following wharf property, to wit :

Bulkhead between Piers, new 24 and 25, North river, Borough of Manhattan, rental to be paid therefor at the rate of \$1,500 per annum. Pier at the foot of West Forty-sixth street, Borough of Manhattan, rental to be paid therefor

at the rate of \$2,500 per annum. Pier at the foot of East Thirty-third street, Borough of Manhattan, rental to be paid therefor

at the rate of \$1,800 per annum. Pier at the foot of East Ninety-first street, Borough of Manhattan, with reservation for berth for public bath during the summer season, rental to be paid therefor at the rate of \$1,500 per annum.

Pier 2, Wallabout Basin, Borough of Brooklyn, rental to be paid therefor at the rate of \$2,500 per annum, with reservation for hay barges, if required. All rentals to be paid quarterly in advance to the Treasurer, commencing March 1, 1898. The lessees shall have the privilege of erecting and maintaining on said wharf property, ice bridges, scales and tally-house; said structures to be erected under the direction and supervision of the Engineer-in-Chief of this Department.

The above resolution shall be of no force or effect unless the Consolidated Ice Company shall, within five days after receipt thereof, file in this Department their written acceptance of the terms and conditions of the above resolution, and agree to execute leases when called upon to do so, containing the usual covenants and conditions embodied in leases of wharf property now used by this Department.

2d. Recommending that permission be granted M. Kane & Son to unload sand at the bulk-head between Piers, old 41 and 42, North river, during the pleasure of the Board; compensation to be paid therefor at the rate of \$350 per annum, payable monthly in advance to the Treasurer, commencing February 15, 1898. Recommendation adopted.

3d. Recommending that permission be granted Murray & Reid to use and occupy during the pleasure of the Board, the land under the jurisdiction of this Department, between One Hundred and First and One Hundred and Second streets, Harlem river, about 80 by 100 feet; compensation to be paid therefor at the rate of \$50 per month, payable monthly in advance to the Treasurer, commencing February 15, 1898. Recommendation adopted.

4th. In relation to the proposition of Robert M. Ferris, Agent, to use and occupy Pier 19, East river

On motion, permission was granted Robert M. Ferris, Agent, to repair Pier 19, East river,

On motion, permission was granted Robert M. Ferris, Agent, to repair Pier 19, East river, and the following resolution adopted : Resolved, That permission be and hereby is granted Robert M. Ferris, Agent, to use and occupy during the pleasure of the Board, the southerly half of Pier 19, East river; compensation to be paid therefor at the rate of two thousand dollars per annum, payable quarterly in advance to the Treasurer, commencing February 15, 1898, it being understood that said Robert M. Ferris, Agent, is to put the pier in good order at an expenditure of between three thousand and our thousand dollars; and it being further understood that should the time of occupancy be extended after a period of one year, at the expiration of that time the matter of compensation for the use of said pier be again submitted to the Treasurer for adjustment.

From the Dock Superintendent— Ist. Report for the week ending February 5, 1898. 2d. Recommending that the permit granted J. E. Nagle, April 8, 1897, to maintain boat-house and runway between Lexington and Fourth avenues, Harlem river, be revoked, to take effect July 1, 1897. Recommendation adopted.

by the Enginee lease of the offices occupied Ist. Advising that application for a lease of the offices occupied by the Engineer of the Wallabout Improvement at Wallabout Market, Borough of Brooklyn, should be presented to the Commissioners of the Sinking Fund, and if granted by said Commissioners, the lease should be executed by the Comptroller.

On motion, the Secretary was directed to request the Commissioners of the Sinking Fund to consent to the leasing of said offices. 2d. Requesting copy of the water grant to William R. Peters, referred to in Senate Bill

No. 28.

On motion, the Secretary was directed to request the Secretary of State to furnish this Department with copy of said grant.

From the Police Department-Reporting repairs required to backing log on Pier 55, East river. Engineer-in-Chief directed to repair.

From the Department of Highways-In relation to the condition of pavement at the entrance to Pier, new I. North river. Engineer-in-Chief directed to raise said pavement to conform with

the grade of the deck of the pier. From the Secretary of State—Transmitting notice of application of David W. Fenton for grant of lands under water of the East river at Long Island City; and notice of application of Patrick J. Mara for grant of lands under water at Flushing Bay, College Point, Borough of Queens.

On motion, the Secretary was directed to state that this Board has no objections to the granting of said applications, provided the usual covenants as prepared by the Corporation Counsel are inserted in the grants.

From Hon. George C. Austin-Inclosing copy of petition in relation to the release to William R. Peters of the claim to the title to certain lands referred to in Senate Bill No. 28. From the Long Island Railroad Company-In relation to lease to be executed for the franchise of the ferry between Pine street, East river, and Long Island City. Secretary directed to request the Corporation Counsel to prepare the proper form of lease.

From Dock Master Fleming-Reporting dredging required in slip on south side of Pier East river.

On motion, the Engineer-in-Chief was directed to order dredging thereat to a depth of 25 feet at mean low water, under Contract No. 562.

From the Engineer-in-Chief-

From the Engineer-in-Chief— Ist. Report for the week ending February 5, 1898. 2d. Recommending that the Corporation Counsel and the Comptroller be requested to advise this Board when the proper papers shall have been executed in relation to the title to premises between Ninety-eighth and Ninety-ninth streets, East river. Recommendation adopted. 3d. Recommending that the plans submitted by the Erie Railroad Company for the erection of a shed on the bulkhead between Piers, new 20 and 21, North river, in accordance with the resolution adopted January 14, 1898, be approved as amended in red. Recommendation adopted. 4th. Recommending that an order be issued directing him to proceed with the work of building new piers foot of East Twentieth and West Thirty-fourth streets. On motion the following resolutions were unanimously adopted :

building new piers foot of East Twentieth and West Thirty-fourth streets. On motion, the following resolutions were unanimously adopted : Resolved, That the Engineer-in-Chief be and is hereby directed to proceed with the construc-tion of a new pier under the "New Plan," about sixty feet in width and about seven hundred and ninety-five feet in length, at the foot of East Twentieth street, East river, and a temporary approach thereto within the established lines for the same, and that all the work hereby ordered be performed otherwise than by contract as provided by section 821 of the new Charter, and that it be done by the force of the Department by day's work, except so much of the labor and material as is now or may hereafter be contracted for, or which may not hereafter be contracted for, be purchased by the Treasurer otherwise than by contract. Resolved, That the Engineer-in-Chief be and is hereby directed to proceed with the removal of the pier foot of West Thirty-fourth street, North river, and with the construction of a new pier under the "New Plan," about one hundred feet in width and about seven hundred

THE CITY RECORD.

feet in length, at the foot of said West Thirty-fourth street, within the established lines for the same, and that all the work hereby ordered be performed otherwise than by contract, as provided by section S21 of the new Charter, and that it be done by the force of the Department by day's work, except so much of the labor and material as is now or may hereafter be contracted for, and that all the materials, tools and dredging necessary therefor, and not heretofore con tracted for, or which may not hereafter be contracted for, be purchased by the Treasurer otherwise than by contract. wise than by contract.

5th. Recommending that an order be issued directing him to keep the pavement between Pier A and West Eleventh street, North river, in good repair and condition at an aggregate cost not to exceed \$900. Recommendation adopted.

6th. Recommending that dredging be ordered in the slip between One Hundred and Thirty-first and One Hundred and Thirty-second streets, and the half slip north of Pier foot of One Hundred and Thirty-second street, North river. Engineer-in-Chief directed to order said dredging under Contract No. 601.

7th. Reporting damage to the Pier foot of East Thirty-third street by the ferryboat "Sag Harbor," and recommending that said damage be repaired by the force of this Department and the cost thereof collected from the Long Island Railroad Company. Recommendation adopted.

8th. Recommending that repairs be ordered made to Pier 55, East river ; Pier foot of East Thirty-third street, and bulkhead foot of East Forty-second street. Recommendation adopted.

The Treasurer, Commissioner Murphy, submitted his report of receipts for the week ending February 10, 1898, amounting to \$67,327.49, which was received and ordered to be spread in full on the minutes, as follows:

Respectfully submitted,

J. SERGEANT CRAM, | Auditing CHARLES F. MURPHY, Committee.

The action of the Secretary in transmitting the same, with requisitions for the amount to the

Finance Department for payment, approved. The Secretary reported that the pay-roll for the General Repairs and Construction Forces for the week ending February 4, 1898, amounting to \$6,509.42, had been approved, audited and transmitted to the Finance Department for payment. On motion, the Board adjourned.

GEO. S. TERRY, Secretary.

The Board went into executive session at 3.10 P.M. The communication from James M. Kerr, attorney, in relation to the discharge of Dock Masters and Clerk heretofore employed on the water front in the Borough of Brooklyn, was referred to the Corporation Counsel. The applications for appointment and reinstatement were referred to the Treasurer. The following communications were ordered on file: From the Treasurer—Recommending that the compensation of James Van Houten, Scowman, be fixed at the rate of \$18 per week, commencing February 12, 1898. On motion, the following resolution was adopted : Resolved, That the compensation of James Van Houten, Scowman, be and is hereby fixed at the rate of eighteen dollars per week, commencing February 12, 1898, subject to Civil Service regulations.

regulations.

From the Engineer-in-Chief-Reporting the need of the services of additional Dock Builders,

From the Engineer-in-Chief-Reporting the need of the services of additional Dock Builders, and recommending that same be appointed. On motion, the following resolution was adopted : Resolved, That the following-named persons, having been duly certified by the Municipal Civil Service Commission as eligible for such position, be and are hereby appointed Dock Builders in this Department, with compensation at the rate of thirty cents per hour while employed : Michael Lynch, James McCarthy, James Oakley, Peter Petersen, Michael Rodgers, George Sparks, Oscar Tompkins, John O, Hill and Thomas F. Lynch.

Oscar Tompkins, John O. Hill and Thomas F. Lynch. On motion, the Secretary was directed to request the Municipal Civil Service Commission to submit a list of persons eligible for appointment as Laborers to fill two vacancies. On motion of the Treasurer, the following resolutions were adopted : Resolved, That Michael Clark, Laborer, having served the City with credit to himself for a period of over three years in the Department, be and hereby is promoted to the position of Boatman, said position being in the direct line of his duty, with compensation at the rate of fifteen dollars per week, to take effect this date, subject to Civil Service regulations. Resolved, That the position of Superintendent of Repairs be and hereby is abolished from and after this date, and accordingly that Edward E. McCarney be and hereby is discharged from the service of this Department. Resolved, That the salaries of the following-named employees be reduced, as hereinaîter stated, to take effect this day: Joseph Canning, Foreman Ship Carpenter, from \$1,800 to 35 cents per hour.

ed, to take effect this day : Joseph Canning, Foreman Ship Carpenter, from \$1,800 to 35 cents per hour. Lucius C. Higgins, Clerk, from \$1,500 to \$900 per annum. Norman W. Resolved, That requisition be and is hereby made upon the Comptroller for the sum of five thousand dollars, being the amount transferred by the Board of Estimate and Apportionment December 30, 1897, from the appropriation made to the Bureau of Elections for the year 1897, entitled "Election Expenses—Printing Official Ballots," to the appropriation made to the Police Department for said year, entitled "Supplies for Police." Resolved, That requisition be and is hereby made upon the Comptroller for the sum of five thousand eight hundred and ninety-eight dollars and eighty cents, being the fourth payment on account of contract dated September 1, 1897, for the erection of the prison building on the lots Nos. 205 and 207 Mulberry street, Tenth Precinct ; and that the Treasurer is hereby authorized and directed to pay the amount herein specified to James R. F. Kelly, on receipt of warrant from the Comptroller.

the Comptroller. Resolved, That the bill of the Clerk of the Works, Mulberry Street Prison, be returned, with the direction that he be required to verify the same by affidavit, showing correctness of items charged in the bill. Resolved, That the Committee on Repairs and Supplies be requested to obtain bids for fur-

nishing the summer helmets for the Police Force, according to the sample approved. Resolved, That the Chief be directed to report to the Board the standing of Patrolman Henry

Woodley, and that pending the receipt of such report to the officer be suspended without pay. Resolved, That Patrolman John W. Redmond, Nineteenth Precinct, be granted permission to withdraw resignation, and the Chief directed to assign him to duty. Resolved, That the Treasurer be and is hereby directed to pay the pensioners of the Borough Biologrand.

Resolved, That the office of Auditor of the Department of Police be created, and that a com-mittee consisting of the President and Treasurer be authorized to report rules with reference to the government of such office.

government of such office. Resolved, That Thomas Carroll, No. 553 Pacific street, Brooklyn, be appointed Private Sec-retary to the Deputy Chief of Police in Brooklyn, at a salary of twelve hundred dollars per year. Resolved, That Carl Vogel, Jamaica, Borough of Queens, be appointed Chief Clerk in the Bureau of Elections, Borough of Queens, at a salary of \$1,200 per year. Resolved, That applications for licenses authorized by law to be issued by the Police Depart-ment of the City of New York be made on forms as prescribed by this Board ; that such applica-tions be filed with the Chief Clerk, and that the Chief Clerk cause such applications to be forth-with delivered to the Chief of Police for investigation and report, and that the Chief of Police cause such investigation to be made by the commanding officer of the Precinct within the boundaries of which the place sought to be licensed is located, unless he should be directed to cause investiga-tion to be made in another way.

of which the place asgin to be included in benefit unless the investor uncertained in the second structure of the second struc

only be asked through the Board of Police, and that the Only be directed to commanding officers of the Department. Resolved, That the complaint against Patrolman Martin Haify, Twenty-fourth Precinct, for failure to pay a debt, be dismissed. Resolved, That the report of the Chief of Police as to the following uniforms be approved,

Resolved, That the report of the Chief of Police as to the following uniforms be approved, and that the same be printed in the Rules and Regulations of the Department, namely : Uniform overcoat to be worn by Chief, Deputy Chiefs, Inspectors, Captains and Sergeants of Police—Material, closing by means of four black mohair netted frog buttons, one and three-quarter inches long, one-half inch diameter in centre, and tapering to one-quarter inch diameter at the ends; loops of black mohair square cord, about eight inches long, one-quarter inch diameter at the ends; loops of black mohair square cord, about eight inches long, one-quarter inch diameter at the ends; loops of black mohair square cord, about eight inches long, one-quarter inch diameter on each side down the front, with an oval-shaped knotted frogging of same cord, two and one-half inches long and one and one-quarter inches wide at the end of each loop. The back slit up from the bottom from twenty to twenty-five inches, according to the height of the wearer, and closing at will by button and button-holes, the latter placed in a concealed fly under left back, and buttons placed on a concealed flap on right back; length of coat seven inches below the knee; a rolling collar of the same material as the coat, two and three quarter inches wide; two horizontal side pockets on the outside just below the hip, covered with flaps, to be worn inside or out; two inside breast pockets; sleeves loose, without cuff or slit; back straps to consist of two straps, each about eight inches long and two inches wide, let into the side seams of back of coat; left hand strap to have two button-holes, and right hand strap to have two buttons; corresponding button-holes in a small band-like collar on cape; cape to meet and hook at top. Space for shield on front of coat. To designate rank there will be on both sleeves, near the lower edge, a knot of black mohair soutach braid not exceeding three-sixteenths of an inch in width, and composed as follows : For Chief of Police, five brai

inches in height, to hook at bottom. Two buttons at waist-seam in back, and a double-pointed side edge with a button at each point, making six buttons at the back of coat ; length of side edge not less than fifteen inches ; edge of coat single stitched ; two loops for shield on left breast ; buttons on left side of coat and back to be sunk and securely fastened with tins in the back. A pointed velvet cuff, six and three-eighth inches high at point, and balance to be three and three-quarter inches. Two rows of half-inch gold lace, known as Navy lace, on each cuff, top row on edge of cuff and lower row one-quarter inch below ; three small buttons on cuff, spaced at equal distances ; outside collar of velvet, and skirts to be cut whole and without wheel pieces. A gold star of five rays, known as "Navy Star," on each side of collar, one and three-quarter inches back from lower point of collar. THE COLLEGE OF THE CITY OF NEW YORK.

SEALED PROPOSALS WILL BE RECEIVED by the Executive Committee for the care, etc., of the College of The City of New York, until 4 o'clock P. M., on Thursday, March 10, 1898, at No. 146 Grand street, Borough of Manhattan, for supplying the college buildings with two hundred and seventy-five (25) tons, more or less, of Broken Coal, all to be Plymouth Red Ash Coal, two thousand two hundred and forty (2,40) pounds to the ton, to be stored in the bins of the college at the expense of the contractor, and to be deliv-ered in such quantities as may be required. The Executive Committee reserves the right to reject any or all of the proposals submitted. The party submitting a proposal and the parties pro-posing to become sureties must each write this name and place of residence on said proposal. Two responsible and approved sureties, residents of this city, are required. The care, etc., of the College of The City of New York." HORACE E. DRESSER, Chairmen.

HORACE E. DRESSER, Chairman

A. EMERSON PALMER, Dated February 25, 1898.

DEPARTMENT OF PUBLIC CHARITIES.

DEPARTMENT OF PUBLIC CHARITIES, BOROUGHS OF MANHATTAN AND THE BRONX,

All bids to be at the rate of so much per 1,000 cubic

997

feet. THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 470, LAWS OF 1883. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Cor-poration upon debt or contract, or who is a defaulter, as surgey or otherwise, upon any obligation to the Cor-poration.

awarded to, any person who is in arrears to the Cor-poration upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Cor-poration. The award of the contract will be made as soon as practicable after the opening of the bids. Any bidder for this contract must be known to be en-gaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of 50 per cent. of the amount of the bid. The short of the same purpose and is in all respects fair and without collusion or fraud, and that no mem-ber of the bid. The distinctly state that lact; also that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no mem-ber of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the coath, in writing, of the party or parties making the estimate, the several matters stated therein are in all respects true. Where more than one person is inter-ested it is requisite that the varier arron be made and subscribe by all the parties interested. The bid or estimate shall be accompanied by the con-sting of the parts or partication to the corpora-tion is being so awarded, become bound as his sureties for its is heing so awarded, become bound as his sureties for its being so awarded, become bound as his sureties for its being so awarded, become bound as his sureties for its being the amount of the work by which the for-parting differen

whom he consents to become surery. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York. No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Camptroller, or money to the amount of five per centum of the amount of the security required for the taithful performance of inclosed in the scaled envelope containing the esti-mate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder shall re-fuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be foreited tamages for such neglect or refusas 1, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him. Budd the person or persons to whom the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and yeawarded neglect or refusas 1 and relet as pro-troller, in accordance with the terms of the contract. The form of the ontract, including specifications, and showing he manuer of payment, can be obtained at the office of General Bookkeeper and Auditor, No. 66 Third avenue, New York City, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities will insist upon their absolute enforcement in every particular. NEW YORK, February 25, 1898. SEALED PROPOSALS FOR FURNISHING ANTHRACITE COAL IN THE BOROUGHS OF BROOKLYN AND QUEENS, VIZ. :

BROOKLYN AND QUEENS, VIZ. : x,600 tons egg size, 300 tons furnace size
 -will be received by the Fire Commissioner, at the head of the Fire Department, at the office of said De-partment, Nos. 157 and 159 East Sixty-seventh street, in The City of New York, until 10,30 o'clock A. M., Wednesday, March O, 1808, at which time and place they will be publicly opened by the head of said De-partment and read.
 The could be the fourth.

The coal is to be free-burning, of the first quality of either of the kinds known and mined as follows: "Scranton," by the Delaware, Lackawanna and Western Railroad Company. "Lackawanna," by the Delaware and Hudson Canal Company. or by the New York Ontario and Western

names of the person or persons presenting the same, the date of its presentation, and a statement of the supply to which it relates. The Fire Commissioner reserves the right to decline any and all bids or estimates, if deemed to be for the

public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corpo-ration, upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation to the Corpo-

surety or otherwise, upon any obligation to the Corpo-ration. Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made with out any connection with any other person making an esti-mate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereot or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereot. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the varties interested.

that the verification be made and subscribed by all the parties interested. Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of of The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as surcties for its faithful performance in the sum of Four Thousand Five Hundred (4,500) Dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corpo-ration any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the per-son or persons to whom the contract may be awarded at any subsequent letting, the amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or afirma-tion, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract, over, and above all his debts of every nature, and over and above his liabil-ties as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of The City of New York before the award is made and prior to the signing of the contract.

approved by the Comptroller of The City of New York before the award is made and prior to the signing of the contract. *No estimate will be considered unless accompanied by either a certified check upon one of the banks of The City of New York, drawn to the order of the Comptroller or money to the amount of Two Hundred and Twenty-five (225) Dollars.* Such check or money must not be in-closed in the sealed envelope containing the estimate. but must be handed to the officer or clerk of the Depart-ment who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be for-tieted to and retained by The City of New York as ilquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of this deposit in do zeroet that the some, may be awarded neglect or refuses to accept the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to not execute the contract, and give the proper security, he or they shall be considered as having abandoned it and as in default to The City of New York, and the contract will be readvertised and relet as provided by law. JOHN J. SCANNELL. Commissioner.

ead. For particulars as to the quality, kind and quantity of ach size of coal required, reference must be made to he specifications, blank torms of which may be brained at the office of the Chief Clerk in the Central each the obtai

the specifications, that to the Orlief Clerk in the Central obtained at the office of the Chief Clerk in the Central Bidders will state the kind of anthracite coal they propose to lurnish by giving the name of its mine or other business appellation. The attention of bidders is called to the following pro-visions of the contract: "And it is hereby expressly agreed by and between the, parties to this contract that the said parties of the second part may, and they amounts of coal required to be furnished herein, by an amount not to exceed ten per cent, without compen-sation to the said party of the first part, other than the prices per ton herein agreed upon to be paid for the amount actually furnished under this agreement." Bidders will state a price per ton of two thousand two hundred and forty pounds for the coal to be deliv-reri. The price must be written in the bid and stated in figures. Permission will not be given for the with-

drawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudical to the public interests. No estimates will be accepted from or a contract awarded to any person who is in arrears to the Cor-poration upon debt or contract, or who is a defaulter, as surety or otherwise, upon any ob'igation to the Corpora-tion.

tion. The entire quantity of coal is to be delivered within thirty days from the date of the execution and delivery

thirty days from the date of the execution and delivery of the contract. The person or persons to whom the contract may be awarded will be required to give security for the per-formance of the contract in the manner prescribed by law, in the sum of Five Thousand Dollars. Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a de-partment, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the sup-plies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therem are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

interested it is requisite that the verification be made and subscribed by all the parties interested. Each bid or estimate shall be accompanied by the con-sent, in writing, of two householders or treeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate they will upon its being so awarded become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference be-tween the sum to which the would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accom-panied by the oath or afirmation, in writing, of each of the persons signing the same that he is a house-holder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract and herein stated, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

to the signing of the contract. Should the person or persons to whom the contract may be awarded neglect or reluse to accept the con-tract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

the contract will be readvertised and refer as provided by law. No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the suc-cessful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall retues or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages tor such neglect or refusal; but if he shall exe-cute the contract within the time aloresaid the amount of his deposit will be returned to him. Blank forms for estimates may be obtained by applica tion to the undersigned at his office in the Central Department.

PROPOSALS FOR ESTIMATES FOR FURNISH. ING AND DELIVERING ABOUT 700 TONS OF ANTHRACITE COAL.

CF ANATES FOR FURNISHING AND DE-E livering about 700 tons of Anthracite Coal will be received by the Board of Commissioners at the head of the Department of Docks and Ferries, at the office of said Department, on Pier "A," foot of Battery place, North river, in The City of New York, until 1.45 o'clock F.M. of

The contract may be awarded at any subsciculated upon the estimated amount of the work to be colculated upon the estimated amount of the work to be conculated upon the bids are tested. The consent above men-tioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required tor the completion of the contract, over and above all his debts of every nature, and over and above all his debts of every nature, and over and above his liabilities as bail, surely and otherwise, and that he has offered himselt as surety in good faith and with the intention to execute the bond required by jaw. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York aiter the award is made and prior to the signing of the contract. The State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the state or National banks of The City of New York, drawn to the order of the Comptroller, or money to the contract. Such check or money must not be inclosed in the scaled envelope containing the esti-mate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be lorfeited damages tor such neglect or refusal ; but if he shall

(r) Bidders must satisfy themselves, by personal ex-amination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dis-pute or complain of the above statement of quantites, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

regard to the nature or amount of the work to be done. (a) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and Ferries, and in substantial accordance with the specifica-tions of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually per-formed, at the price therefor, to be specified by the lowerts bidder, shall be due or payable for the entire work.

lowest bidder, shall be due or payable for the entire work. The work to be done under the contract is to be com-menced within five days after the date of the receipt of a notification from the Engineer-in-Chief of the Depart-ment of Docks and Ferries, that the work or any part of it, is ready to be begun, and all the work to be done under this contract is to be fully completed on or before the expiration of sixty days after the date of service of said notification; and the damages to be paid by the con-tractor for each day that the contract may be unluifilled after the time fixed for the fulfillment thereof has ex-pired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day. Where The City of New York owns the wharf, pier or bulkhead at which the materials under this contract are to be delivered, and the same is not leased, no charge will be made to the contractor for wharfage upon ves-sels conveying said materials. Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved no or incidental to the fulfillment of the con-tract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular and respects. Bidders will distinctly write out, both in words and in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this

THE CITY OF NEW YORK, DEPARTMENT OF TAXES AND ASSESSMENTS, MAIN OFFICE, BOROUCH OF MANHATTAN, No. 280 BROADWAY, STEWART BUILDING, January 6, 1898. NOTICE IS HEREBY GIVEN, AS REQUIRED by section 892 of chapter 378 of the Laws of 1897, that the books called "The Annual Record of the As-sessed Valuation of Real and Personal Estate of the Boroughs of Manhattan and the Bronx," will be open for examination and correction on the second Monday o. January, and will remain open until the first day of May, 1898. During the time that the books are open to public inspection application may be made by any person or valuation claiming to be aggrieved by the assessed valuation of real or personal estate, to have the same corrected ; in the Borough of Manhattan at the main office of the Department of Taxes and Assessments, and in the Borough of the Bronx, at the Municipal Building, One Hundred and Seventy-seventh street and Third avenue. In ngures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the con-tract within five days from the date of the service of a notice to that effect, and in case of tailure or neglect so to do, he or they will be considered as having aban-doned it and as in default to the Corporation, and the contract will be readvertised and relet and so on until it be accepted and executed. Bidders are required to state in their estimates their

doned it and as in default to the Corporation, and the contract will be readvertised and relet and so on until it be accepted and executed. Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also that the estimate is made without any consul-tation, connection or agreement with, and the amount thereof has not been disclosed to any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or traud; that no combination or pool exists of which the bidder is a member, or in which the bidder is directly or indirectly interested, or of which the bidder has knowledge, either personal or otherwise, to bid a certain price or not less than a certain price for said labor or material, or to keep others from bidding thereon, or clerk therein, or any other officer or employee of the Corporation of The City of New York, or any of its departments, is directly or indirectly interested in this estimate, or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly any pecunary or other consideration by the bidder or any one in his behalf with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this department, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several mai-ters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subarbed to by all the parties interested.

In case a bid shall be submitted by or in behalf of any corporation it must be signed in the name of such cor-poration by some duly authorized officer or agent thereot, who shall also subscribe his own name and office. If practicable, the seal of the corporation should also be affixed.

office. If practicable, the seal of the corporation should also be affixed. Lach estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the *City of New York, with their respective places of busi-mess or residence,* to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or retuse to execute the contract, they will pay to the Corporation of The City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be awarded at any subsequent letting, the amount in each work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, ower and above all his debts of every nature, and over and above all his debts of every nature, and over and above all his debts of every nature, and over and above all his debts of every nature, and over and above all his debts of every nature, and over and above work alter the award is made and prior to the signing of the contract. No estimate will be received or considered unless accompanied by either a exciting check upon one of the WHEREAS, PRIOR TO JANUARY 1, 1898, under and in pursuance of chapter 189 of the Laws of 1893 and the laws amendatory thereof, proceed-ings were instituted on behalf of the Mayor, Aldermen and Commonalty of The City of New York, to acquire certain real estate, as the term "real estate" is defined in said act, for the purpose of providing for the sanitary protection of the sources of the water supply of The City of New York; and Whereas. In and hy said proceedings certain rules

THE CITY RECORD. of New York to apply to the Supreme Court of the State of New York, in the Second Judicial District or Department, at a Special Term thereof, to be held at the Court-house in the Village of White Plains, County of Westchester and State of New York, on the zoth day of March, 1896, at ten o'clock in the forenoon of that day, or as soon thereafter as counsel can be heard, for an order discontinuing the proceedings instituted under chapter 189 of the Laws of 1893, so far as the same affect the parcels of real estate hereinafter described or either of them, upon payment to any person or persons whose interests have been affected or whose real estate has been damaged by said rules, regulations or con-ditions and for such other and further relief as to the Court shall seem proper, and that the Court above-mentioned appoint three disinterested and competent freeholders, one of whom shall reside in The City of New York, and the other two of whom shall reside is the county or counties in which said real estate may be situated, or in an adjoining county, as Commissioners of Appraisal to ascertain and determine the competas-tion to be made for damages to the owners of and all persons interested in the real estate laid down on the several maps hereinafter relerred to and hereinafter specifically mentioned and described and for the further rule or order that upon payment by The City of New York to any person or persons whose interests have been affected or whose real estate has been damaged by soid rules, regulations and conditions that the said proceedings shall be decreed discontinued.

Bidders are requested, in making their bids or esti-mates, to use the blank prepared for tha 'purpose by the Department, a copy of which, together with the form of agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

J. SERGEANT CRAM, CHARLES J. MURPHY, PETER F. MEVER, Commissioners of Docks.

Dated NEW YORK, February 18, 1898.
