From the Comptroller (67430)—Stating that claims have been filed in his office by the Deckhands and Laborers employed on the Municipal ferryboats for the difference between the rate of wages paid them and that paid to those holding similar titles in other branches of the service, and requesting information in relation thereto. Notified that there are three rates of wages paid to Deckhands in this Department; those on the ferryboats are paid at the rate of \$60 or \$75 per month as fixed in each case, those on tugs receive 37 1/2 cents per hour. Laborers employed on the ferryboats and terminals as Porters receive \$55 per month, while other Laborers in the Department, except where specifically fixed otherwise, are paid at the rate of 3 1/4 cents per hour; advised further that the persons holding the positions of Dock Laborers and Deckhands on the ferry accepted the appointment at the rates which they have received.

From Jacob C. Vollharder (67516)—Requesting permission to occupy plot of ground fronting on the line of the bank of Shad creek at Jamaica Bay, Borough of Queens. inches lower than formerly." Notified that as the old datum plane of this Department needed correction, in 1898 it was raised about three inches, but this does not necessarily indicate a change in the mean low tide level. PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the name of the bidder, and containing a statement of the supplies, materials, work or services for which the bid or estimate is made, with his or her name or names and the date of presentation of the bid or estimate, to the head of the Department at his or her office, on or before the date and hour named in the advertisement or in the contract in which time and place the estimates received will be publicly opened by the President or Board or head of said Department and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and if no other person is interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, department, or clerk, or any other officer of The City of New York, shall be or otherwise interested, directly or indirectly, as contracting party or parties, in the award of the contract, or in the performance of the contract, or in the supplies, work or business to be supplied or performed by the contractor or contractors. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of the several parties and freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be included in the envelope containing the bid or estimate, but should be either included in a separate envelope addressed to the head of the Department, President or Board, or the person or persons upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, work or business to be supplied or performed, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract may be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City. The bidder or bidders will write out the amount of their bids or estimates in addition to inserting the same in figures. Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which may be obtained by the bidder or bidders upon application thereto at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
