HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held, on May 15, 2019, at Spector Hall, 22 Reade Street, Main Floor, Manhattan, Mezzanine, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD"), of the City of New York ("City"), has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Brooklyn:

Address	Block/Lot(s)
135 West 132 Street	1917/16
406 Lenox Avenue	1728/2
422 Lenox Avenue	1729/101
424 Lenox Avenue	1729/2
426 Lenox Avenue	1729/3
428 Lenox Avenue	1729/103
432 Lenox Avenue	1729/172

Under HPD's Affordable Neighborhood Cooperative Program, occupied City-Owned residential buildings are purchased by Restoring Communities Housing Development Fund Corporation ("Sponsor"), and then rehabilitated by a private developer selected through a request for qualifications. Upon conveyance to the Sponsor, buildings will be managed by the private developers. Following completion of rehabilitation, Sponsor conveys the building to a cooperative housing

development fund corporation ("Cooperative Corporation"), formed by the building's tenants. The cooperative interests attributable to occupied apartments will be sold to the existing tenants for \$2,500 per apartment. The cooperative interests attributable to vacant apartments will be sold for a price affordable to families earning no more than 165% of the area median income.

Under the proposed project, the City will sell the Disposition Area to Sponsor for the nominal price of one dollar (\$1.00) per building. When completed, the project will provide approximately 53 affordable cooperative dwelling units, approximately 1 storefront commercial space at 406 Lenox Avenue, and approximately 4 storefront commercial spaces at 422, 424, 426 and 428 Lenox Avenue.

At the time of sale, the Sponsor will be required to sign a rental regulatory agreement with HPD containing, among other things, restrictions on rents, incomes, and assets. When the Sponsor conveys the building to the Cooperative Corporation upon the completion of rehabilitation, the Cooperative Corporation will be required to sign a cooperative regulatory agreement with HPD containing, among other things, restrictions on sale prices, incomes, and assets as well as requirements for a flip tax and building reserve fund.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination, at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

Statement of Basis and Purpose

In May 2018, the New York City Taxi and Limousine Commission (TLC) promulgated rules updating the in-vehicle technology requirements for yellow and green taxis. Since then, the TLC has received further suggested amendments from drivers, medallion owners, E-Hail Licensees, Technology System Providers (TSP), and other City agencies. Based on that feedback these proposed rules:

- Clarify that all available methods of payment must be offered to passengers with visual impairments,
- Update the process of adding tolls and tips to the fare for greater passenger transparency, and
- Clarify requirements for integrating Technology Systems with licensed E-Hail Applications.

Additionally, these proposed rules would implement Local Law 217 of 2018, which requires the TLC to promulgate rules to prevent the costs of a failed credit card payment for a trip from being passed on to the driver.

Further, these proposed rules lower the maximum credit card processing fee from 5% to 3.75% to align with the lease cap rules amendments that were adopted in 2018. Other amendments change references to the Taxicab Passenger Enhancements Project (TPEP) and Street Hail Livery Technology System (LPEP) to the newly defined Technology System Provider (TSP).

The TLC is also proposing to streamline its taxi rates by officially closing the Group Ride Program, which is limited to two restricted routes in Manhattan, and which has been unused by passengers for years. TLC continues to encourage E-Hail application providers to offer updated shared-ride services through its two-year Flexible Fare Pilot Program.

Contractual Requirements.

In addition to updating functional requirements for Technology Systems, these proposed rules also update contractual requirements between TSPs and their customers.

Taxicab fleet owners have raised concerns that, due to long-term contractual obligations, it is difficult for large fleets to switch Technology System Providers without causing disruptions in taxi service. In the interest of fostering a competitive in-vehicle technology market, and to prevent fleet and medallion owners from being locked into agreements, TLC is proposing additional requirements for contracts offered by Technology System Providers, particularly regarding contract termination or renewal and equipment de-installation. Specifically, these proposed rules:

- Allow licensed Taximeter Shops with trained personnel to perform Technology System de-installations,
- Require that all TSP contracts include an optional monthly term,
- Set limits on fees charged to customers,
- Require advance notification of any fee increases, and
- Clarify the financial obligations of TSPs to their customers when their license expires or is revoked.

The Commission's authority for these rules is found in section 2303 of the New York City Charter and sections 19-503 and 19-511 of the Administrative Code.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
