No. 10

**CD 9** **C 170420 PPK**

**IN THE MATTER OF** an application submitted by the Department of Citywide Administrative Services (DCAS), pursuant to Section 197-c of New York City Charter, for the disposition of one city-owned property located at 1555 Bedford Avenue (Block 1274, Lot 1), pursuant to zoning.

**NOTICE**

On Tuesday, September 19, 2017, at 9:00 A.M., in the Manhattan Municipal Building, Mezzanine level, 1 Centre Street, New York, NY 10007 (access through the North Entrance), a public hearing is being held by the City Planning Commission to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City (NYC) Economic Development Corporation (EDC), on behalf of the New York City (NYC) Office of the Deputy Mayor for Housing and Economic Development (ODMHED), in coordination with Bedford Courts LLC (the "Applicant"), and along with the New York City Department of Citywide Administrative Services (DCAS), for a series of discretionary actions including a zoning text amendment, a zoning map amendment, a special permit for a large-scale plan, and a parking related special permit (the "Proposed Actions"), to facilitate the redevelopment of the historic Bedford Union Armory (the "Armory") located at 1555 Bedford Avenue (Block 1274, Lot 1) in the Crown Heights neighborhood of Brooklyn (the "Project Site") into an approximately 542,393 gross square feet (gsf) three-building mixed-use development. DCAS is the applicant only for the disposition action. In addition, in the future the Applicant may seek public financing by the New York City Department of Housing Preservation and Development (HPD) and/or the New York City Housing Development Corporation (HDC) to facilitate the Proposed Development. Depending on the public funding source additional review under the State Environmental Quality Review Act (SEQRA) may be required at a later point in time.

The redevelopment of the historic Armory would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the "Proposed Development", or "Analysis Scenario 1"). In order to provide a conservative analysis, the DEIS also considers a second Reasonable Worst Case Development Scenario (RWCDS), "Analysis Scenario 2", which assumes 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the

18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

Written comments on the DEIS are requested and will be received and considered by the Office of the Deputy Mayor for Housing and Economic Development, the Lead Agency, through Friday, September 29, 2017, at 5:00 P.M.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 16DME005K.

### "Compete To Win" More Contracts!

*Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

- Win More Contracts at [nyc.gov/competetowin](http://nyc.gov/competetowin)

*"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."*

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

**NOTE:**

As of January 1, 2017, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2017, the contractor will no longer be deducting the tax credit as a separate line item on the invoice. Should the tax credit be extended, it will once again appear as deduction and line item on the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

**REMINDER FOR ALL AGENCIES:**

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

**Authority:**             **SRO, Administrative Code §27-2093**

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment.
