- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) is proposing to repeal its Hudson River Park Trust Rules Penalty Schedule. This rule is currently found in Section 3-113 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). It contains penalties for violations of Section 751 of Chapter 16 of Title 21 of the New York Code of Rules and Regulations (NYCRR). The Hudson River Park Trust is proposing the adoption of significant portions of OATH's Hudson River Park Trust Penalty Schedule in an amendment to Section 751 of Chapter 16 of Title 21 of the NYCRR.

OATH ECB is currently in the process of repealing all penalty schedules in its rules, codified in Subchapter G of Chapter 3 of Title 48 of the RCNY, with the intent that the penalty schedules be incorporated into the rules of the applicable agencies. This is being done because it is the agencies, not OATH ECB, that possess the rule- and policy-making authority over the laws which underlie the violations detailed in the penalty schedules. In addition, such repeals will serve OATH's core function as an adjudicatory body, as well as help to alleviate any false public perceptions that OATH is an enforcement agency, rather than a neutral arbiter.

Although OATH ECB is empowered to impose penalties under the New York City Charter and has, until now, promulgated penalty schedules, the City's regulatory and enforcement agencies have the necessary expertise to determine appropriate penalties for violations of their own rules and laws, based on the severity of each violation and its effect on City residents. The shifting of penalty schedules from OATH ECB to the rules of the enforcement agency will also make it easier for the public to find these penalties, as they will be located within the same chapter as the agency rules that support the violations alleged in their summonses. (Unlike previous similar rule proposals, where the penalty schedule affected was moved to the Rules of the City of New York (RCNY), pursuant to the City Administrative Procedure Act, the HRPT penalty schedule will be promulgated under the State Administrative Procedure Act and will reside in the New York Code of Rules and Regulations (NYCRR).) Finally, the proposed rule repeal will speed up the rulemaking process by eliminating the need for OATH ECB to approve proposed or amended penalties for agency rules that have already been adopted by the City legislature and/or completed the steps required by the City Administrative Procedure Act, during which the public still has the opportunity to comment on proposed penalties.

Working with the City's rulemaking agencies, the NYC Law Department, the Mayor's Office of Management and Budget, and the Mayor's Office of Operations conducted a retrospective review of the City's existing rules, identifying those rules that could be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to increase public understanding and compliance. OATH's proposed rule repeal was identified as meeting the criteria for this initiative.

Section 1. Section 3-113 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is REPEALED.

CITYWIDE ADMINISTRATIVE SERVICES

■ **NOTICE**

Notice of Opportunity to Comment on Proposed Rules

What are we proposing? The Department of Citywide Administrative Services ("DCAS") is proposing to repeal the rule concerning license examinations as this rule is now obsolete.

When and where is the hearing? DCAS has determined that a public hearing on the proposed rule will serve no public purpose. Accordingly, there will not be a public hearing.

How do I comment on the proposed rules? Anyone can comment on the proposed rule by:

- **Website.** You can submit comments to DCAS through the NYC Rules website at <http://rules.cityofnewyork.us>.
- **Email.** You can email comments to rulecomments@dcas.nyc.gov.
- **Mail.** You can mail comments to The Department of Citywide Administrative Services, Office of General Counsel, 1 Centre Street – 19th Floor, New York, New York 10007.
- **Fax.** You can fax comments to The Department of Citywide Administrative Services at (646) 500-7348.

Is there a deadline to submit comments? Yes, you must submit written comments no later than July 22, 2020.

Can I review the comments made on the proposed rule? You can review the comments made online on the proposed rule at the NYC Rules website: <http://rules.cityofnewyork.us/>.

What authorizes DCAS to make this rule? Sections 1043, 814 and 820 of the City Charter authorize DCAS to make this proposed rule. This proposed rule was not included in DCAS's regulatory agenda for this Fiscal Year because it was not contemplated when DCAS published the agenda.

Where can I find DCAS rules? DCAS rules are found in Title 55 of the Rules of the City of New York.

What rules govern the rulemaking process? DCAS must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Section 820 of the City Charter provides that “[t]he commissioner [of Citywide Administrative Services] shall, unless otherwise provided by law, have power, upon request of any person charged with the duty of issuing licenses or permits, to conduct, under rules and regulations to be established by the commissioner, examinations and tests to determine the qualifications of persons applying for such licenses or permits. The commissioner shall certify to the person having power to issue the license or permit the result of any such examination or test.” In addition, Section 12-201 of the Administrative Code of the City of New York authorizes the Commissioner to administer examinations for and appoint city surveyors. In 1991, the Commissioner of Personnel, the predecessor to the DCAS Commissioner, adopted Section 11-02 of Title 55 of the Rules of the City of New York (“RCNY”) setting forth the rule for the administration of license examinations for 16 trades and occupations engaged in building work; motion picture projectionists; and, for examination for the appointment of city surveyors.

As a result of the enactment of Article 401 of Title 28 of the Administrative Code of the City of New York by Local Law 33 of 2007, and rules promulgated thereunder, the Department of Buildings now has responsibility for conducting licensing examinations for the 16 trades and occupations engaged in building work for which DCAS formerly administered license exams.

In 1999, the Department of Consumer Affairs adopted Section 2-81 of Title 6 of the Rules of the City of New York to transfer responsibility from DCAS to the Department of Consumer Affairs for the administration of examinations for motion picture projectionists. Section 24-423 of the Administrative Code, which required licensure of motion picture projectionists, was repealed by Local Law 66 of 2016.

When Section 11-02 of Title 55 of the RCNY was adopted in 1991, the Commissioner of Finance was authorized to require the certificate of a city surveyor in connection with the determination of annual vault charges pursuant to Chapter 27 of Title 11 of the Administrative Code. Local Law 47 of 1997 added subparagraph D to paragraph (a) of Section 11-2702 of the Administrative Code to provide that “[n]otwithstanding any provision of law to the contrary, no annual vault charge or additional charge shall be imposed pursuant to this chapter on or after June first, nineteen hundred ninety-eight.” DCAS no longer appoints city surveyors. In addition, in 1998, the Commissioner of Transportation adopted Rule 2-13 of Title 34 of the RCNY, which omits the need for a certificate of a city surveyor of the dimensions of a new vault before a license is issued. Consequently, DCAS no longer conducts examinations for the appointment of city surveyors.

These changes in the law have rendered the license examination rule obsolete. This proposed rule would repeal Section 11-02 of Title 55 of the Rules of the City of New York relating to License Examinations.

This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget. The initiative identified rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. The rules review initiative determined that the provisions of Section 11-02 of Title 55 of the RCNY were no longer needed; this proposed rule would repeal that section.

DCAS's authority for these rules is found in Sections 1043, 814 and 820 of the New York City Charter.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ NOTICE

In advance of the release of Request for Proposals for Family Enrichment Centers, NYC Administration for Children Services (ACS)

is issuing a concept paper presenting the purpose and plan for this program. The Family Enrichment Centers program is one of ACS' continuum of services to engage with families to address preventable, poverty-driven challenges and to strengthen families to help avert child welfare system involvement.

Through the RFP, ACS is seeking appropriately qualified vendors, to provide services, at the Family Enrichment Centers (FECs). The purpose of the FECs is to build protective factors that strengthen well-being and stability. Key aspects of the program approach that support this include creating a welcoming, safe, and accessible

home-like environment that is open to all, where neighbors can connect, contribute, to their community, find resources, support one another, and build protective factors that help their families thrive.

The Concept Paper will be posted on the ACS website, www.nyc.gov/acs from June 19, 2020 through August 10, 2020.

All comments in response, to the Concept Paper should be in writing via email to: FEC-CP@acs.nyc.gov, by 2:00 P.M. on August 10, 2020.
