

# INCIDENT BRIEF - COVID-19

## 03/30/20

### Purpose of Incident Brief

This Incident Brief provides resources for businesses seeking economic relief, information for workplaces, and guidance for donating services or supplies. In comparison, the Daily Brief provides more detailed information about the evolving COVID-19 situation, including travel and transit impacts and the number of COVID-19 cases in the City by borough.

### Incident Summary

NYC Emergency Management continues to coordinate with our partners at the City, State, and Federal levels as well as the private sector in response to COVID-19. As of March 29, 2020, there are **33,474** COVID-19 positive cases in New York City, an increase of **2,709** new cases from the previous day. Additionally:

- The USNS Comfort arrives in NYC Monday, 3/30, and will take patients starting Tuesday.
- NYS announces a new mobile test center at the Bay Plaza AMC Theater in Northeast Bronx opening Monday, 3/30. More information available [here](#).
- In accordance with the New York State Executive Order, every New Yorker must stay at home from work, unless they are an essential worker. More information regarding the New York State Executive Orders can be found [here](#).

There are no specific vaccines or treatments available for this novel coronavirus, or any other coronavirus. However, medication and vaccine research continues.

### Relief For Small Businesses

- The City will provide relief for small businesses across the City seeing a reduction in revenue because of COVID-19. Businesses with fewer than 100 employees who have seen sales decreases of 25% or more will be eligible for zero interest loans of up to \$75,000 to help mitigate losses in profit. The City is also offering small businesses with fewer than 5 employees a grant to cover 40% of payroll costs for two months (an average of \$6,000) to help retain employees. Eligible

owners who would like to learn more about these programs should visit this [link](#) to learn more about financial assistance for businesses impacted by COVID-19, fill out an interest [form](#) and much more.

- The **Small Business Administration (SBA)** will offer Small Businesses impacted by Coronavirus (COVID-19) **up to \$2 million in Economic Injury Disaster Loan Assistance (EIDL)**. Under the EIDL program the SBA makes loans available to small businesses and private non-profit organizations in designated areas of a state or territory to help alleviate economic injury caused by the Coronavirus (COVID-19). ## Service Offerings

Many individuals, businesses and non-profits have been reaching out to help the City and fellow New Yorkers during this COVID-19 crisis. To properly direct any donations or services, please see the links below:

- [Share Your Space](#): If you own or manage a large space, then take the Share Your Space Survey. The survey identifies spaces in your community that could potentially support the City's emergency operations, such as our response to COVID-19.
- [Donate NYC](#): The City of New York and its partners are committed to providing resources to those affected by COVID-19 crisis. DonateNYC, a program of NYC Department of Sanitation, has resources for individuals, businesses, schools, and agencies to give and receive donated items.
- [HelpNow NYC](#): Help Now NYC has guidance on how New Yorkers can help those affected by COVID-19 through volunteering and donation opportunities. It also can connect New York State licensed medical professionals for potential surge staffing shifts in response to COVID-19.
  - [New York Cares](#): If you are not a licensed medical professional, you can still help the COVID-19 response through New York Cares.
- You can give back by giving blood. New York City needs approximately 2,000 people to donate blood every day to maintain its supply. Find a [New York Blood Center](#) near you.

## Federal Service Offerings

- To **sell** medical supplies or equipment to the federal government, please submit a price quote under the [COVID-19 PPE and Medical Supplies Request for Quotation](#). Full details can be found in the solicitation ([Updated Notice ID 70FA2020R00000011](#)).
- If you have **medical supplies or equipment to donate**, please provide us details on what you are offering through our online medical supplies and equipment form at <https://www.fema.gov/covid19offers>.
- If you are interested in **doing business with FEMA** and supporting the response to COVID-19 with your company's **non-medical** goods and/or services, please submit your inquiry to the Department of Homeland Security's Procurement Action Innovative Response (PAIR) team at [DHSIndustryLiaison@hq.dhs.gov](mailto:DHSIndustryLiaison@hq.dhs.gov).
- In addition to these avenues to help, **licensed healthcare professionals that want to volunteer** can get information on eligibility, view credential levels by clinical competency and register with the Emergency System for Advance Registration of Volunteer Health Professionals in their state.
