REPORTS.

(G. O. 356.)

The Committee on Finance, to whom was referred the assessment rolls of the estates, real and personal, subject to taxation within the City and County of New York, submitted to the Board of Aldermen by the Commissioners of Taxes and Assessments on July 5, 1886; also a statement setting forth the amounts by law authorized to be raised by tax in the year 1886, submitted to the Board of Aldermen by the Comptroller, June 9, 1886; also a certificate submitted to the Board of Aldermen by said Comptroller on July 14, 1886, of the amount to be added to and included in the taxes to be raised in the year 1886, pursuant to the authority of chapter 597 of the Laws of 1886, and of certain amounts included in the Final Estimate of 1886, which have been revised by the current vote of all the members of the Board of Estimate and Apportionment, and stricken from said Final Estimate, pursuant to the authority conferred upon that board by chapter 660 of the Laws of 1886; and also an estimate of the amount of revenues of the General Fund during the year 1886, available for the reduction of taxation, respectfully submit the following

REPORT:

The assessed valuations of the real and personal estates subject to taxation in the City and County of New York for the year 1886, as shown by the assessment rolls submitted by the Commissioners of Taxes and Assessments, amount to the sum of fourteen hundred and twenty million nine hundred and sixty-eight thousand two hundred and eighty-six dollars (\$1,420,968,286), being a net increase over the amount of the assessed valuations for the preceding year 1885 of forty-nine million eight hundred and fifty-one thousand two hundred and eighty-three dollars (\$49,851,283).

The total amount of the appropriations made by the Board of Estimate and Apportionment in the Final Estimate for the year 1886, made and adopted on December 31, 1885, is thirty-five million seven hundred and thirty-six thousand three hundred and twenty dollars and fifty-nine cents (\$35,736,320.59), being an increase of one million eight hundred and fifty-four thousand four hundred and fifteen dollars and eighteen cents (\$1,854,415.18) over the amount of the appropriations made for the preceding year 1885, arising from the then existing necessity to provide for certain objects and purposes by taxation instead of by the issue of bonds, on account of the prohibition of an increase of "municipal indebtedness," required by the State Constitution as amended in 1884.

The restriction of the Constitutional Amendment upon the issue of bonds of the City of New York having been removed by a decision of the Court of Appeals, the Board of Estimate and Apportionment have revised said appropriations pursuant to the authority conferred upon that Board by chapter 660 of the Laws of 1886, and stricken from the Final Estimate for the year 1886 the sum of two million and forty-four thousand dollars (\$2,044,000), the amount of said revised appropriations, as appears by the Comptroller's certificate submitted to the Board of Aldermen.

The estimated amount of the revenues of the General Fund available for the reduction of taxation is two million two hundred and fifty thousand dollars (\$2,250,000), which sum has been deducted from the Final Estimate for the year 1886.

By chapter 597 of the Laws of 1886, the Board of Police was authorized to increase the police force of the city by appointing additional patrolmen, and the Board of Estimate and Apportionment was empowered to insert in the Final Estimate an amount necessary to provide for their compensation during the year 1886. The Board of Estimate and Apportionment has authorized the addition of one hundred and ten thousand dollars (\$110,000) for this purpose to the Final Estimate, to be included in the tax levy of 1886.

The Board of Aldermen is directed by section 830 of the "New York City Consolidation Act of 1882," to provide for deficiencies in the actual product of taxes arising from insolvencies, discounts for prompt payments, erroneous valuations, etc., as follows:

"It shall be the duty of the said Board of Aldermen to include in any and every ordinance or resolution passed by them, imposing and levying taxes for any purpose or purposes authorized by law, such sum, in addition to the aggregate amount required for such purposes, as they shall deem necessary, not exceeding three per cent., of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

Your Committee have conferred with the Comptroller in regard to the amount required to provide for deficiencies in the product of taxes to be imposed in the present year, and recommend that for this purpose the sum of eight hundred and sixty-nine thousand two hundred and twenty-nine dollars and fifty-six cents (\$869,229.56), be added to and included in the amount necessary to be raised by tax for the support of the Government of the City and County of New York, and for other purposes as authorized by law, which amount is less than three per centum of the sum of thirty-one million five hundred and fifty-two thousand three hundred and twenty dollars and fifty-nine cents (\$31,552,320.59), the amount to be raised by tax for such objects and purposes in and for the year 1886, as follows:

Total appropriations of the Final Estimate of 1886.....	\$35,736,320 59
Deduct amount of estimated revenues of the General Fund not otherwise specifically appropriated by law.....	2,250,000 00
	\$33,486,320 59
Deduct for amounts revised and stricken from appropriations pursuant to chapter 660 of the Laws of 1886.....	2,044,000 00
	\$31,442,320 59
Add for amount of appropriation made pursuant to chapter 597 of the Laws of 1886.....	110,000 00
	\$31,552,320 59
Add estimated amount of deficiencies in the actual product of the taxes levied, as provided by section 830 of the New York City Consolidation Act of 1882	869,229 56
Total	\$32,421,550 15

Section 3 of chapter 361 of the Laws of 1881 provides, that "Every corporation, joint stock company or association whatever, now or hereafter incorporated or organized under any law of this State, or now or hereafter incorporated or organized by or under the laws of any other State or country, and doing business in this State, except savings banks and institutions for savings, life insurance companies, banks and foreign insurance companies, and manufacturing corporations carrying on manufacture within this State, which exception shall not be taken to include gas companies or trust companies, shall be subject to and pay a tax, as a tax upon its corporate franchise or business, into the treasury of the State annually, to be computed as follows, etc.":

Section 8 of chapter 361 of the Laws of 1881 also provides that the personal estate of all such corporations, joint-stock companies or associations, doing business within the State of New York, "Shall hereafter be exempt from assessment and taxation for State purposes, except upon their real estate and as herein provided; but they shall in all other respects be liable to assessment and taxation as heretofore."

The amount of the assessed valuations of the personal estate of such corporations, joint-stock companies or associations, doing business in the City of New York, which are exempt, in the year 1886, from assessment and taxation in said city for "State purposes," in pursuance of said statute, is forty million one hundred and forty-three thousand three hundred and forty-six dollars (\$40,143,346), as shown by statements filed in the office of the Comptroller of the City of New York, specifying the corporations which are exempted from assessment and taxation upon their personal estate, for State purposes, in pursuance of the provisions of section 8 of chapter 361 of the Laws of 1881.

Under these provisions of law it becomes necessary to impose two distinct rates of tax, one rate to be imposed upon all the estates, real and personal, subject to taxation of and within the City and County of New York, excepting the personal estates of corporations which are exempted by said

statute of 1881 from assessment and taxation thereon for "State purposes"; while another rate is to be imposed upon the real and personal estates of such corporations for municipal purposes only.

Upon all the assessed valuations of the real and personal estates, subject to taxation of and within the City and County of New York, excepting the personal estate of corporations, joint-stock companies or associations exempted by law from assessment and taxation, the aggregate amount of which is one thousand three hundred and eighty million eight hundred and twenty-four thousand nine hundred and forty dollars (\$1,380,824,940), the rate of tax it is necessary to impose is 2.29 per centum; and upon the assessed valuations of such excepted corporations, joint-stock companies and associations, amounting to the sum of forty million one hundred and forty-three thousand three hundred and forty-six dollars (\$40,143,346), the rate of tax it is necessary to impose is 1.9945 per centum to produce the sum of thirty-two million four hundred and twenty-one thousand five hundred and fifty dollars and fifteen cents (\$32,421,550.15), the total amount required for the tax levy in the present year, as above stated.

An ordinance to impose the taxes and fix the rates of tax to be levied to produce the amount required for the objects and purposes, as set forth in this report, is respectfully submitted for the approval and adoption of the Board of Aldermen.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

Section 1. There shall be and is hereby imposed upon the estates, real and personal, subject to taxation, of and within the City and County of New York, to pay the expenses of conducting the public business of said city and county, in each department and branch thereof, and of the Board of Education, and to pay such sums as may be necessary to be raised by tax to pay the principal and interest of all stocks and bonds due and payable by said city and county during the year eighteen hundred and eighty-six (1886); also the amount fixed and required to be paid as the quota of the State tax for the County of New York in said year; also the amounts required to be raised by tax in said year to provide for the payment of the stocks and bonds of the City and County of New York issued after June 3, 1878, which are payable from taxation, pursuant to the provisions of section 192 of the New York City Consolidation Act of 1882, the sum of thirty-one million five hundred and fifty-two thousand three hundred and twenty dollars and fifty-nine cents (\$31,552,320.59), which is the amount to be raised by tax in the year eighteen hundred and eighty-six (1886), for such objects and purposes, as certified to the Board of Aldermen by the Comptroller of the City of New York in his certificate of the aggregate amount of the Final Estimate for the year eighteen hundred and eighty-six, submitted on the ninth day of June last, the sum of two million and forty-four thousand dollars (\$2,044,000) having been deducted by the Board of Estimate and Apportionment from the said Final Estimate, pursuant to the provisions of chapter 660 of the Laws of 1886, and the sum of one hundred and ten thousand dollars (\$110,000) having been added thereto, pursuant to the provisions of chapter 597 of the Laws of 1886, as more fully appears by the certificate of the Comptroller submitted to the Board of Aldermen on July 14, 1886, which Final Estimate and certificate of the Comptroller, together with the communications transmitting the same, are as follows, to wit:

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
June 7, 1886.

To the Honorable the Board of Aldermen of the City of New York:

Section 212 of the New York City Consolidation Act of 1882 provides as follows:

"Section 212. It shall be the duty of the comptroller of said city to prepare and submit to the board of aldermen, at least four weeks before their annual meeting, in each and every year, for the purpose of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year on account of the corporation of the city of New York, or for city purposes within said city, and also an estimate of the probable amount of receipts into the city treasury during the then current year, from all the sources of revenue of said general fund, including surplus revenues from the sinking fund available in accordance with law, other than the surplus revenues of the sinking fund for the payment of the city debt; and the said board of aldermen are hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year for the purposes aforesaid, and to cause to be raised by tax only the balance of said aggregate amount, after making such deduction."

Pursuant to the foregoing statute I have prepared and have the honor to submit herewith a statement setting forth the amounts by law authorized to be raised by tax in the year 1886 on account of the City of New York, or for city purposes within said city, to wit:

The Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the said fiscal year 1886, as adopted by the Board of Estimate and Apportionment on Thursday, December 31, 1885, aggregating the sum of thirty-five million seven hundred and thirty-six thousand three hundred and twenty dollars and fifty-nine cents (\$35,736,320.59), which estimate includes the sums necessary to be raised by tax to pay the principal and interest of all stocks and bonds becoming due and payable by said city within said fiscal year; also the amount fixed and required to be paid as the quota of State tax for the County of New York in said year; and also the amounts required to be raised by tax and paid into the Sinking Fund annually to provide for the payment of the stocks and bonds of the City and County of New York payable by law from taxation and issued after June 3, 1878, pursuant to section 192 of the New York City Consolidation Act of 1882.

From the said aggregate amount of the Final Estimate for the year 1886 is to be deducted the sum of two million two hundred and fifty thousand dollars (\$2,250,000), supplied by the General Fund for the reduction of taxation, the receipts of said fund payable into the City Treasury during the said year 1886, derived from all sources of its revenues available for this object, being estimated at the sum of two million two hundred and fifty-eight thousand nine hundred and fifty-six dollars and sixty-one cents (\$2,258,956.61), as follows:

To the Honorable the Board of Aldermen:

I, Edward V. Loew, Comptroller of the City of New York, do hereby certify that, in pursuance of the provisions of chapter 597 of the Laws of 1886, the sum of one hundred and ten thousand dollars (\$110,000) is to be raised by taxation in the year 1886, for the payment of the services of additional Patrolmen, appointed by the Board of Police; and, also, that the sum of two million forty-four thousand dollars (\$2,044,000) is to be deducted from the Final Estimate of 1866, for the amounts of certain appropriations included therein and revised pursuant to the authority of chapter 660, Laws of 1885, as stated in a resolution of the Board of Estimate and Apportionment, adopted July 12, 1866, as follows, to wit:

Whereas, Chapter 660 of the Laws of 1886 authorizes and empowers the Board of Estimate and Apportionment of the City of New York "to revise, by the concurrent vote of all the members thereof, the Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York in each department and branch thereof, and of the Board of Education, for the year 1886, by striking therefrom such amounts as have been appropriated therein for the purposes for which there is authority under existing provisions of law to issue bonds of the Mayor, Aldermen and Commonalty of the City of New York"; and

Whereas, The Constitutional Amendment restricting municipal indebtedness, adopted by a vote of the people of the State of New York, November 4, 1884, to take effect January 1, 1885, provides that—

"No county containing a city of over one hundred thousand inhabitants, or any such city shall be allowed to become indebted for any purpose or in any manner to an amount which, including existing indebtedness, shall exceed ten per centum of the assessed valuation of the real estate of such county or city subject to taxation, as it appeared by the assessment-rolls of said county or city on the last assessment for state or county taxes prior to the incurring of such indebtedness; and all indebtedness in excess of such limitation, except such as may now exist, shall be absolutely void, except as herein otherwise provided"; and

Whereas, Under this provision of the State Constitution it was held by the authorities of the city that bonds of the City of New York could not be lawfully issued after January 1, 1885, excepting for certain objects and purposes specially therein excepted, and bonds were not issued after that date for several objects and purposes which could otherwise have been issued under the authority of existing laws; and

Whereas, It became necessary on account of this restriction upon the issue of bonds for such objects and purposes, to include in the Final Estimate for the year 1886, appropriations therefor, as follows, viz.:

"The Fund for Local Improvements".....	\$500,000 00
"Purchasing and Procuring School Sites for and Erecting New School Buildings and for Additions to School Buildings".....	894,000 00
"Construction of a Bridge over the Harlem River".....	750,000 00
Total.....	\$2,144,000 00

And Whereas, The Court of Appeals of the State of New York has decided in the case of The Bank for Savings in the City of New York against the Mayor, etc., April 30, 1886, that the constitutional prohibition upon the issue of bonds and the increase of municipal indebtedness is not now applicable to the City and County of New York, and therefore, bonds may now be issued for such objects and purposes; and

Whereas, The Counsel to the Corporation, in an opinion given to the Comptroller upon the powers conferred upon this Board by chapter 660 of the Laws of 1886, states that—

"If the Fund for Local Improvements should, for any reason, be insufficient to meet all probable claims upon it without using some part of the \$500,000 appropriation, then I advise you that it is competent for the Board of Estimate and Apportionment to revise the Final Estimate for the year by striking therefrom so much of the \$500,000 appropriation as will not be needed for the purpose to which it was appropriated"; and

Whereas, As appears by the report presented by the Comptroller, that he considers it advisable, for the reasons stated, and recommends that the sum of one hundred thousand dollars (\$100,000) be retained out of the appropriation of five hundred thousand dollars (\$500,000) to the Fund for Local Improvements and that the sum of four hundred thousand dollars (\$400,000) be stricken therefrom; and

Whereas, In the opinion of the Counsel to the Corporation the Board of Estimate and Apportionment may also strike out the entire appropriation for the purchase of school sites and the erection of new school buildings, etc., and for the construction of a bridge over the Harlem river; and therefore

Resolved, That in pursuance of the provisions of chapter 660 of the Laws of 1886, the Board of Estimate and Apportionment hereby revises, by the concurrent vote of all the members thereof, the Final Estimate of the amounts required to pay the expense of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the year 1886, by striking therefrom the amounts set against each of the following appropriations, aggregating the sum of two million forty-four thousand dollars (\$2,044,000), viz.:

From the appropriation for "The Fund for Local Improvement" strike out.....	\$400,000 00
From the appropriation for "Purchasing and Procuring School Sites for and Erecting New School Buildings and for Additions to School Buildings" strike out.....	894,000 00
From the appropriation for "Construction of a Bridge over the Harlem River," strike out.....	750,000 00
Total.....	\$2,044,000 00

Resolved, That the above sum of two million forty-four thousand dollars (\$2,044,000) be deducted from the Final Estimate of 1886; and

Whereas, On June 9, 1886, the Board of Estimate and Apportionment adopted the following resolution, to wit:

"Resolved, That pursuant to the authority conferred upon the Board of Estimate and Apportionment by chapter 597 of the Laws of 1886, an appropriation be and is hereby made of the sum of one hundred and ten thousand dollars (\$110,000), to be entitled 'Additional Police Fund,' chapter 597, Laws of 1886, said amount to be included in the Final Estimate for the year 1886, for the redemption of the Revenue Bonds to be issued for the payment of the services of three hundred additional Patrolmen, appointed by the Board of Police of the City of New York, under the provisions of said act, and in compliance with a resolution adopted by the Police Board on June 7, 1886, requesting such an appropriation"; therefore

Resolved, That the sum of one hundred and ten thousand dollars (\$110,000) be added to the Final Estimate of 1886.

Total appropriations of the Final Estimate of 1886	\$35,736,320	59
Deduct amount of estimated revenues of the General Fund not otherwise specifically appropriated by law	2,250,000	00
	\$33,486,320	59
Deduct for amounts revised and stricken from appropriations, pursuant to chapter 660 of the Laws of 1886	2,044,000	00
	\$31,442,320	59
Add for amount of appropriation made pursuant to chapter 597 of the Laws of 1886	110,000	00
Total	\$31,552,320	59

Cella to place and keep a stand at No. 210 Sixth avenue, the said stand to be three feet wide by six feet long, the same to be in no way an obstruction to the free use of thoroughfare; such permission to continue only during the pleasure of the Common Council.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, August 20, 1886.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 28, 1886. In 1880, an act was passed to provide for the establishment of a public market place for farmers and market gardeners in the City of New York, for the acquisition of lands for this purpose, and for the regulation and arrangement of the same. By this act, certain lands in the Ninth Ward, being a part of the old Gansevoort property, were declared to be a public market-place for farmers' wagons, whereon farmers and market-gardeners, bringing their farm and market produce to the city in wagons, might dispose of the same.

Section 6 of this act places the exclusive charge and control of said public market-place and the wagons engaged in the business of selling farm and garden produce in said City of New York in the Finance Department, and under their own authority the Comptroller directed the removal of the gardeners' wagons from the streets in the lower part of the City, where they had become great obstructions to travel in the great thoroughfares, and they have generally gone to the Gansevoort market-place since it was prepared for occupation. I am of the opinion that the Board of Aldermen has no power or authority to pass an ordinance to permit the wagons of market-gardeners to stand in the public streets.

W. R. GRACE, Mayor.

Resolved, That farmers and market gardeners be and are hereby permitted to stand with their wagons in the public streets adjacent to all the public markets in the City of New York, for the sale of vegetables, etc., the products of their own farms and gardens, until 8 o'clock A. M., each market day, subject to regulations to be established by the Comptroller.

Resolved, That all ordinances or parts of ordinances in conflict with the provisions of this ordinance be and are hereby repealed.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

Whereas, The corporation known as the New York Central and Hudson River Railroad Company has been for nearly forty years in the undisturbed exercise of a franchise granted them to construct, lay and operate a steam railroad south of Sixtieth street, on the Tenth and Eleventh avenues, West and Hudson streets; and

Whereas, At the period of the granting of this franchise, May 6, 1847, the district covered by the above-enumerated streets was but little built on and but sparsely settled; the then loss of life or limb being a rare occurrence; and

Whereas, Within the past twenty years portions of this district have become densely populated, the streets have become crowded thoroughfares, and, as a consequence, the loss of life or limb an almost every day occurrence; and

Whereas, This corporation still continues to operate a steam railroad on the above described streets, to the detriment of public convenience and actual suffering for those living along its line, due not only to the loss of life and limb already referred to, but to the long lines of freight cars, sometimes extending for blocks, and noises occasioned in moving them at all hours of the day and night; and

Whereas, The Common Council unquestionably possesses the right to regulate the uses of the streets of the City of New York for the public convenience and its welfare; therefore be it

Resolved, That the Committee on County Affairs be directed at the earliest possible moment to report to this Common Council some plan for its adoption that will rectify the evils set forth in the preambles.

Resolved, That the Clerk of the Common Council be directed to transmit to the New York Central and Hudson River Railroad Company a copy of this resolution, in the hope that this company will, of its own accord, use diligence in providing some relief for the numerous residents along the line of the said district.

Whereas, The Board of Estimate and Apportionment was pleased to reduce the estimate of the Health Department for salaries for the current year, which embraced the amounts specified as neces-

sary for the employment of Fruit Inspectors and a Summer Corps of Physicians, thereby depriving the Department of the services of employees who had hitherto proved themselves valuable in preventing sickness and keeping down the death rate in the tenement districts; and

Whereas, The recent records, which show an extraordinary mortality, especially among the children, warn us that a neglect to provide the customary advice and protection to the occupants of tenement-houses, through the services of a Summer Corps, through the present warm season, is likely to result in a great and unnecessary increase of mortality; therefore

Resolved, That the Board of Estimate and Apportionment be and are hereby respectfully requested and urged to reconsider their action, so far as it relates to the appropriation for salaries, and to appropriate and set aside for the immediate use of this Department the sum of \$10,900, the same to be used for the employment of six Fruit Inspectors and fifty physicians for two months' service.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

That it is made without any connection with any other person making an estimate for the same work, and is in

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Crockery and Lumber," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Seven (7) pairs Uniform Pants, for Captain and Sergeants.

Ten (10) pairs Uniform Pants, for mounted Parkkeepers.

One hundred and forty-three (143) pairs Uniform Pants, for Parkkeepers.

Each and every of the foregoing articles to be made of the best West Point Cadet cloth, 54 inches wide, 28 ounces to the yard for overcoats and 22 ounces to the yard for pants.

The time for the completion of the work of furnishing said Uniforms will be forty (40) days after the date of the contract.

The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the contract will be readvertised and relet, and so on until the contract be accepted and executed.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in these proposals, or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be encosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate that the several matters therein stated are in all respects true. When more than one person is interested in the estimate the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as surety in good faith and with an

intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial accordance with the specifications. No extra compensation beyond the amount payable for the work before enumerated which shall be actually performed, at the price therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

The amount of the security required is Five Hundred Dollars.

Bidders are informed that no deviation from the specifications will be allowed unless a written permission shall previously have been obtained from the Commissioners of the Department of Public Parks.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work can be obtained on application to the Secretary at this office.

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing statement, and shall not at any time after the submission of an estimate dispute or complain of such statement nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk thereof, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The price must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for items for which bids are herein called or which contain bids for items for which bids are not herein called for.
