The minutes of the meetings of the Board of Elections, on September 15, 16, 17 and 18, last, were severally read and approved.

The President announced that the opening of bids for supplying ballots for the general election of 1902 was in order.

Mr. John H. Andrews appeared as representing the Comptroller of The City of New York.

The Chief Clerk submitted an affidavit of Henry McMiller, Deputy Supervisor of the City Record, certifying that the advertisement inviting proposals for supplying the ballots required for the general election of the year 1902 had been regularly published in the "City Record" ten days consecutively, commencing September 27, 1902. Filed.

The box containing bids was then opened by the President, and was found to contain the following, viz: A bid for furnishing the ballots required for the general election of 1902, from Messrs. J. J. Little & Company, of Nos. 2 to 20 Astor place for the sum of \$30,171, accompanied by a check signed by J. J. Little & Co., by Joseph J. Little, President, drawn for \$1,000 on the Astor Place Bank, to the order of the Comptroller of The City of New York, and a bid from the Martin B. Radford Kelso, and by him indorsed to the order of the Comptroller of The City of New York. Said proposals appearing to be in due form the Board

Resolved, That the contract for supplying the Board of Elections of The City of New York with official and sample ballots for election purposes for the year 1902, as per proposals advertised for and this day publicly opened, be and hereby is awarded to the Martin B. Brown Company, of No. 49 Park place, City of New York, they being the lowest bidder, for the sum and price of \$28,995, and that the President be and hereby is authorized to execute such contract for and in behalf of the Board of Elections of The City of New York, on the approval of sureties by the Comptroller.

Resolved, That the Chief Clerk of the Board be and hereby is directed to forthwith transmit for approval to the Comptroller the proposal, with the tender of sureties received from the Martin B. Mr. J. E. The President and the Commissioners present assured Mr. Hardenberg that all would be done if possible to give the newspapers the returns desired.

The hearing in the matter of the charges preferred by Franklin H. Miller against two Republican Inspectors of Election, which was adjourned to this day for the production of further evidence, was taken up, but no further witnesses appearing, the parties in interest submitted their case, and the hearing was declared closed.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said department, and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the board of aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

The contracts must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of The City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by The City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the department to which the work is to be done.
