

The Trustees of the Queens Borough Public Library have operated a traveling station at Woodside for several months, consisting merely of a loan of a junior employee, together with a number of books taken from other branches, in the corner of a small store, the rent of which was granted free of charge. The use of this traveling branch has been so extensive, in the experience of the Trustees, as to seem to them to demand the establishment of a branch in this locality. Urgent application has been made by the citizens of Woodside, and the places adjacent to it for this branch for some time.

Application was made in the Budget for 1909, for maintenance of this branch for the year 1909, but an amount was provided in the Budget for its maintenance.

I understand that it is considered by the City authorities to be desirable in the case of establishing a new branch, that special application be made to the Board of Aldermen and the Board of Estimate and Apportionment for the maintenance thereof, apart from the annual Budget for maintenance of the libraries, the purpose being to have each case considered upon its merits as to whether it is desirable for the City to incur an additional running cost for the maintenance of a new library.

For this reason I am led to understand the application of the Trustees in the estimates for 1909 was denied in the Budget for 1909, and we have been led to believe that a special application for funds for maintenance of new branches in each case would receive due consideration by your Honorable Body, acting in conjunction with the Board of Estimate and Apportionment. The Trustees of this corporation are active as Trustees of City funds in their application for the maintenance of libraries in the Borough. It is in the province of the Board of Aldermen and the Board of Estimate and Apportionment to determine as to whether library facilities are to be granted impartially to the people of the Borough. The district of Woodside is not now served by any suitable library, and the Trustees have received demands on the part of the citizens for the maintenance of a library in that territory. They have examined into the matter of the desirability of establishing a library at Woodside, and are prepared to open a library in this section in case the City authorizes the expenditure of money therefor, and appropriates money for this purpose.

I have, therefore, respectfully to transmit to you on behalf of the Trustees of the Queens Borough Public Library, their approval of the application of the citizens of Woodside for the establishment of a library in their section, and to request, for the carrying on of the library and the maintenance thereof for the year 1909, the appropriation of funds as follows:

|                                        |                   |
|----------------------------------------|-------------------|
| Salaries .....                         | \$1,000 00        |
| Books, periodicals and binding .....   | 1,650 00          |
| Postage, stationery and sundries ..... | 250 00            |
| Furniture and repairs of .....         | 500 00            |
| Light, heat, rent, repairs, etc. ....  | 1,000 00          |
| Telephone service .....                | 100 00            |
| <b>Total .....</b>                     | <b>\$4,500 00</b> |

The citizens of Woodside and the Trustees of the Queens Borough Public Library will be glad to be heard on this application should it be required, and I have, in any event, in request on their behalf the adoption of a resolution by the Board of Aldermen, requesting the Board of Estimate and Apportionment to appropriate funds as above stated, for the maintenance of this library during the year 1909.

Very respectfully,

ALANSON T. BRIGGS, Attorney for the Queens Borough Public Library.

Nos. 604 to 628 West Forty-third Street,  
New York, April 9, 1909.

Hon. P. F. McGOWAN, President, Board of Aldermen, City Hall, New York:

Dear Sir—The Street Cleaning Department have revoked our permit for dumping ashes at the foot of West Forty-seventh street, Manhattan, claiming that they have not received an appropriation from your Board to tow same to the dumping ground.

This is a very serious matter with us, as we have not got the room to store a considerable amount of ashes, of which we accumulate two loads a day.

We would strongly recommend that when the matter of appropriation for this particular purpose comes before your Honorable Board on Tuesday next, that the Street Cleaning Department be appropriated the necessary money to handle this line of business.

Trusting that you will see your way clear to approve of this appropriation, we are,  
Very respectfully yours,

Gentlemen—The following proceedings were this day directed by the Police Commissioner:

Whereas, In pursuance of resolution adopted by the Commissioners of the Sinking Fund directing that heads of Departments who desire the leasing of premises not heretofore leased or included in the statement presented to the Budget Committee, before making application to the Commissioners of the Sinking Fund they apply to the Board of Aldermen for an issue of Special Revenue Bonds covering the amount wherein the City will have to pay if leases are authorized by the Commissioners of the Sinking Fund; and

Whereas, The exigencies of the Police Department require accommodation for a Branch Office of the Detective Bureau in the building corner Broadway and Stockton street, Williamsburg, Borough of Brooklyn;

Ordered, That the Board of Aldermen be and are respectfully requested to authorize the issue of Special Revenue Bonds in the sum of \$800 for purpose of paying the rent of the said premises for eight months in the year 1909, provided the Commissioners of the Sinking Fund authorize the said lease.

The name of the owner is J. G. Gianbalvo.

The property to be leased is the second and third floors of a three-story brick building.

The terms, for two years, with privilege of renewal for two years at the same rate. Rental, \$1,200 per annum, payable quarterly, the owner to keep the property in repair.

The owner pays the water rent, but does not pay for janitor services, nor light, but will furnish heat required for the premises, days, nights, Sundays and holidays.

The lease is necessary for a headquarters for a Detective Branch of about 150 men. The premises are available and are the most reasonable that can be secured in the neighborhood for the purpose desired.

Respectfully,

THEO. A. BINGHAM, Police Commissioner.

No. 2049.

No. 299 Broadway,  
April 12, 1909.

To the Hon. PATRICK F. McGOWAN, President of the Board of Aldermen, New York City:

Dear Sir—I would respectfully suggest that, pursuant to the provisions of section 188 of the Charter of The City of New York, your Honorable Board will request the Board of Estimate and Apportionment to authorize the issue of Special Revenue Bonds to the amount of \$5,000 to enable me to carry out the provisions of chapter 90 of the Laws of 1909. By section 488 of the Code of Criminal Procedure the duty of executing the judgments of the Court of Special Sessions of the First Division of The City of New York devolves upon the Sheriff of New York County, and the creation of an additional part of this Court made it necessary for me to appoint six Special Deputy Sheriffs on April 5, 1909, to serve until November 30, 1909. The duties of these Special Deputy Sheriffs will be to take the prisoners from the Court Room at the corner of Second avenue and First street to the City Prison or the Penitentiary, and in other cases, where the prisoners are remanded for sentence, to retransport them back to the Court for judgment.

Trusting that this request will receive the earliest possible attention, I am,  
Very respectfully yours,

No. 2050.

Department of Street Cleaning, City of New York,  
Nos. 13 to 21 Park Row,  
New York, April 13, 1909.

Hon. PATRICK F. McGOWAN, President, Board of Aldermen, City of New York:

Sir—The appropriation for the final disposition of ashes and other light refuse and rubbish in the three Boroughs of Manhattan, The Bronx and Brooklyn as allowed in the Budget for this year will not be sufficient to enable this Department to handle what is known as "trade waste" in addition to the ordinary household wastes.

I have therefore issued an order revoking all permits for the handling of trade wastes by this Department.

If it is deemed advisable by your Board and in the public interests that this Department should continue to handle trade waste as it has done in former years, it will be necessary that an increase be made in the allowance of moneys for final disposition to the amount of one hundred and fifty thousand dollars (\$150,000).

I therefore request your Board, pursuant to subdivision 8 of section 188 of the Greater New York Charter, to recommend to the Board of Estimate and Apportionment the issue of Special Revenue Bonds to the said amount of one hundred and fifty thousand dollars (\$150,000).

If this Department does not take the trade waste in the three Boroughs, there will be no question about the appropriation being sufficient.

Respectfully,

WM. H. EDWARDS, Commissioner.

#### REPORTS OF STANDING COMMITTEES.

Reports of Committee on Finance—

No. 1927.

The Committee on Finance, to which was referred on March 23, 1909 (Minutes, page 922), the annexed communication from Borough President Coler asking for \$9,000 Special Revenue Bonds for maintenance of new Hamburg avenue bath, respectfully

#### REPORTS:

That Superintendent Lawrence, of the Bureau of Public Buildings and Offices, appeared before the Committee and explained that in accordance with the established policy of the Board of Estimate and Apportionment, no allowance was made in the Budget for the maintenance of this bath, as it was not to be ready until April 1, 1909. It is now ready for operation, and the Department is anxious to secure this appropriation so that this very useful improvement may be utilized. It is proposed to employ 2 Engineers at \$4.50 and 3 Stokers at \$3 per diem, 4 male Attendants at \$2.00 and 4 female Attendants at \$1.75 per annum. The amount asked for will pay for the operation of this bath for the balance of the year. The Committee recommends the adoption of the accompanying resolution.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of nine thousand dollars (\$9,000), the proceeds whereof to be used by the

President of the Borough of Brooklyn for the purpose of maintaining the new Hamburg Avenue Public Bath in the aforesaid Borough.  
R. S. DOULL, FRANK L. DOWLING, JOHN J. COLLINS, JOHN D. GUNTHER, JOHN J. HOGAN, JOHN DIEMER, Committee on Finance.

The City of New York,  
Office of the President of the Borough of Brooklyn,  
Brooklyn, March 16, 1909.

Honorable Board of Aldermen, Manhattan, N. Y.:

Gentlemen—Request is hereby made for an issue of Special Revenue Bonds to the amount of nine thousand dollars (\$9,000) for the maintenance of the new Hamburg Avenue Public Bath, in the Borough of Brooklyn, which bath will be ready for use on April 1. I forward to you herewith the report of the Superintendent of Public Buildings and Offices relative thereto.

Yours very truly,

BIRD S. COLER, President, Borough of Brooklyn.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Dowling moved the adoption of this report.

The President put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Baldwin, Barton, Bent, Beyer, J. W. Brown, Carter, Case, Cole, Colgan, Collins, Corbett, Crowley, Davis, Delaney, Diemer, Doull, Dowling, Downing, Drescher, Emener, Esterbrook, Finnigan, Flanagan, Flynn, Gaynor, Grimm, Gunther, Heffernan, Hickey, Hines, Hochdorffer, Kavanagh, Kennelly, Kenney, Levine, Loos, Martyn, Marx, McAleer, McCann, McDonald, Moskowitz, Muhlbauer, Mulcahy, Mulligan, Mulvaney, Nagle, Nugent, O'Reilly, Potter, Quinn, Reardon, Redmond, Rendt, Sandford, Smith, Velten, Walsh, Weston, and President Coler, by Thomas R. Farrell, Commissioner of Public Works—60.

No. 1946—(G. O. No. 159).

The Committee on Finance, to which was referred on March 23, 1909 (Minutes, page 253), the annexed communication from Borough President Cromwell, asking for \$2,500 Special Revenue Bonds for horses for street cleaning service, respectfully

#### REPORTS:

That Commissioner of Public Works Tribus appeared before the Committee and stated that the Borough President had applied to the Board of Estimate and Apportionment for permission to use an unexpended balance in Corporate Stock for this purpose, but such permission was refused. The necessity of replacing dead and crippled horses in the street cleaning service is imperative, and it is estimated that this amount will permit of the purchase of seven horses, at a maximum cost of \$350 each. The horses are always purchased at public letting. The Committee recommends the adoption of the accompanying resolution.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of twenty-five hundred dollars (\$2,500), the proceeds whereof to be used by the President of the Borough of Richmond for the purpose of buying seven horses for use in the street cleaning service of said Borough.

R. S. DOULL, FRANK L. DOWLING, JOHN J. COLLINS, JOHN D. GUNTHER, JOHN J. HOGAN, JOHN DIEMER, Committee on Finance.

Office of the President of the Borough of Richmond,  
Borough Hall, New Brighton,  
New York City, March 19, 1909.

Board of Aldermen, City Hall, New York City:

Gentlemen—Several years ago there was issued Corporate Stock for street cleaning plant purposes, including the purchase of horses. All of the horses purchased to date have been paid for from that account, but recently the Finance Department (indorsed by the Board of Estimate and Apportionment) has quite properly taken the view that it is not good business to issue fifty-year bonds for purchases that will wear out in ten or fifteen years.

Under date February 1, 1909, we applied to the Board of Estimate and Apportionment for a waiver of its resolution of December 18, so that we might use not to exceed \$2,500 of the balance remaining of the above Corporate Stock issue for the purchase of six or seven new horses for use in our street cleaning service, chiefly to replace animals that had died or are worn out. The Board of Estimate, however, declines to sanction that action, and recommends that we make application for an issue of Special Revenue Bonds in amount stated (\$2,500) to cover the immediate purchase, by public letting, of the requisite number of horses.

Accordingly, therefore, we make such request and urge the earliest possible favorable action.

Yours respectfully,

GEORGE CROMWELL, President of the Borough.

Under Rule 21, consideration of this report was deferred. Subsequently this report was laid over.

No. 1958.

The Committee on Finance, to which was referred on April 6, 1909 (Minutes, page 2), the annexed communication from President Coler asking for \$675 Special Revenue Bonds to pay salary of additional Elevator Conductor in Hall of Records, Brooklyn, respectfully

#### REPORTS:

That Superintendent Lawrence, of the Bureau of Public Buildings and Offices, appeared before the Committee and stated that in the Budget reductions were made by the Board of Estimate and Apportionment so that it was necessary to try to economize in the various Departments of the Borough government. One of the methods taken to bring about this result was to discharge one of the elevator men in the Hall of Records. A thorough trial of the work accomplished by the remaining men in this service shows conclusively that another man is needed to have the work done in regular shifts. The Committee recommends the adoption of the accompanying resolution.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of six hundred and seventy-five dollars (\$675), the proceeds whereof to be used by the President of the Borough of Brooklyn for the purpose of paying the salary of an additional Elevator Conductor.

R. S. DOULL, FRANK L. DOWLING, JOHN J. COLLINS, JOHN D. GUNTHER, JOHN J. HOGAN, JOHN DIEMER, Committee on Finance.

The City of New York,  
Office of the President of the Borough of Brooklyn,  
Brooklyn, March 30, 1909.

Honorable the Board of Aldermen, The City of New York:

Gentlemen—Request is hereby made for the issue of Special Revenue Bonds to the amount of \$675 to pay the salary of an additional Elevator Conductor, Borough of Brooklyn; and in connection therewith I inclose copy of a report of the Superintendent of Public Buildings and Offices.

Yours very truly,

BIRD S. COLER, President, Borough of Brooklyn.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Dowling moved the adoption of this report.

Alderman Doull, then in the chair, put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Baldwin, Barton, Bent, Beyer, J. W. Brown, Carter, Case, Colgan, Collins, Corbett, Crowley, Davis, Delaney, Diemer, Doull, Dowling, Downing, Drescher, Emener, Esterbrook, Finnigan, Flanagan, Flynn, Gaynor, Grimm,

Farrell, Commissioner of Public Works—61.

No. 2000.

The Committee on Finance, to which was referred, on April 6, 1909 (Minutes, page 5), the annexed resolution in favor of an issue of \$3,000 Special Revenue Bonds to purchase hose for the use of the Volunteer Fire Department of Newtown, Queens, respectfully

#### REPORTS:

That President Gresser, and Chief Weber, of the Volunteer Fire Department of Newtown, appeared before the Committee, and stated that so much hose had recently burst while in use that it was an absolute necessity that the Department should be provided with a fresh supply if it was to continue its work. The Chief stated that upon application to the Fire Department for the Boroughs of Brooklyn and Queens for additional hose, this being the source of supply heretofore, he was informed that there was none to spare, the appropriation for the current year being merely sufficient to provide for the needs of the paid Department. The Committee believes that the interests of the City demand prompt action in this case, and recommends that the accompanying substitute resolution be adopted.

#### (SUBSTITUTE.)

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of three thousand dollars (\$3,000), the proceeds whereof to be used by the Fire Commissioner of The City of New York for the purpose of meeting an urgent deficiency in the hose equipment of the Volunteer Fire Department of Newtown, in the Borough of Queens.

#### (ORIGINAL.)

Resolved, That, in pursuance of the provisions of subdivision 8 of section 181 of the amended Greater New York Charter, the Board of Aldermen be and it is hereby authorized to issue Special Revenue Bonds to an amount not to exceed three thousand dollars (\$3,000), the proceeds whereof to be applied to the purchase of hose to replenish the present deficiency in the Newtown Fire Department.

The Committee on Finance, to which was referred, on April 6, 1909 (Minutes, page 6), the annexed resolution in favor of an issue of \$50,000 Special Revenue Bonds for replenishing appropriation of Board of City Record for 1909, respectfully

#### REPORTS:

That the letter of the Supervisor of the City Record explains this situation. It would appear that the demands for stationery this year largely exceed the estimate of the Board of Estimate and Apportionment in allotting the Budget allowance for this purpose. Upon the statement that this request is authorized by the Board of City Record, consisting of the Mayor, the Comptroller and the Corporation Council, the Committee recommends the adoption of this resolution.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 189 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds in the sum of fifty thousand dollars (\$50,000), the proceeds whereof to be used to replenish the appropriation of the Board of City Record account.

No. 2003—(G. O. No. 160).

The Committee on Finance, to which was referred on April 6, 1909 (Minutes, page 7), the annexed resolution in favor of an issue of \$800 Special Revenue Bonds to pay rental of temporary quarters for Engine Company 12, while house is being repaired, respectfully

#### REPORTS:

That Deputy Commissioner Whitney appeared before the Committee and stated that this was really a convenience to the Department, and that it was a matter which should receive immediate consideration. Inasmuch as the repairs to this engine house have been contracted for, and some quarters must be secured, the Committee recommends the adoption of this resolution.

Whereas, The Commissioners of the Sinking Fund, at meeting held March 1, 1909, adopted a resolution calling the attention of the heads of Departments desiring to hire premises not heretofore leased or included in the statement presented to the Budget Committee to the necessity, before making application to said Commissioners to this end, of first applying to the Board of Aldermen for an issue of Special Revenue Bonds covering the amount of rent the City would be required to pay provided the lease should be authorized; therefore be it

Resolved, That in order to provide means for the payment for the remainder of the year 1909, of the rental of Lot No. 452 Pearl street, Manhattan, proposed to be leased by the City, at the instance of the Fire Commissioner, as a location upon which to erect temporary quarters for the use of Engine Company 12, located at No. 261 William street, in said Borough, pending the completion of extensive repairs and alterations thereto, the annual rental of said lot being twelve hundred dollars (\$1,200), the Board of Aldermen, pursuant to the provisions of subdivision 8, of section 189, of the amended Greater New York Charter, hereby requests the Board of Estimate and Apportionment to authorize the Comptroller to issue Special Revenue Bonds in an amount not to exceed the sum of eight hundred dollars (\$800),

to pay the rental of lot specified for the remainder of the current year, should the lease thereof be authorized by the Commissioners of the Sinking Fund.

#### No. 2007.

The Committee on Finance, to which was referred, on April 6, 1909 (Minutes, page 17), the annexed ordinance in favor of \$100,000 Corporate Stock for alterations and extension of fire headquarters, respectfully

#### REPORTS:

That Deputy Commissioner Whitney and Engineer Stevens appeared before the Committee and explained that this sum had been allowed by the Board of Estimate and Apportionment to complete alterations and extensions to the headquarters building of the Fire Department. That this amount supplemented an allowance of \$200,000 for this purpose, which had already been expended, and would complete in all details this much needed extension. The Committee believes that this work should be initiated, and recommends the adoption of this resolution.

They therefore recommend that the said ordinance be adopted.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of one hundred thousand dollars (\$100,000), to provide means for alterations to the present headquarters building of the Fire Department, on Sixty-seventh street, west of Third avenue, Borough of Manhattan, and for the completion and equipment of the extension thereto.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment April 2, 1909, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York, to an amount not exceeding one hundred thousand dollars (\$100,000), for the purpose of providing means for alterations to the present headquarters building of the Fire Department, on Sixty-seventh street, west of Third avenue, Borough of Manhattan, and for the completion and equipment of the extension thereto; and when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding one hundred thousand dollars (\$100,000), the proceeds whereof to be applied to the purposes aforesaid.

R. S. DOULL, FRANK L. DOWLING, JOHN J. COLLINS, JOHN J. HOGAN, JAMES W. REDMOND, WM. P. KENNEALLY, Committee on Finance.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Dowling moved the adoption of this report.

The President put the question whether the Board would agree to accept such report and adopt said ordinance.

Which was decided in the affirmative by the following vote:

#### No. 2008.

The Committee on Finance, to which was referred on April 6, 1909 (Minutes, page 18), the annexed resolution in favor of amending resolution providing for Corporate Stock for use of Park Department, Manhattan and Richmond, respectfully

#### REPORTS:

That Park Commissioner Smith appeared before the Committee and stated that this resolution was for the purpose of allowing the Department to use money already appropriated for one section of the park for similar purposes in the Department in large or, in other words, that all the money appropriated for repairs in a certain section of Central Park not being needed for that section, this resolution permits of the use of the balance for similar work in other sections of Central Park. #### Reports of Committee on Public Letting—

#### No. 1999—(G. O. No. 161).

The Committee on Public Letting, to which was referred on March 16, 1909 (Minutes, page 870), the annexed communication from the Commissioner of Parks for the Boroughs of Manhattan and Richmond, asking authority to enter into contract, without public letting, for exhibition cases, etc., for the Metropolitan Museum of Art, respectfully

#### REPORTS:

That Commissioner Smith and Mr. Robinson, Assistant Director, appeared before the Committee and set forth in detail the reasons why the authority sought should be granted. The main reason is that if the work were let in open competition it is likely that some contractor from a distant city might become the successful

bidder and in large measure preclude such supervision as the authorities in charge ought exercise. Other reasons are also set forth in the letter of Commissioner Smith.

The herewith annexed resolution is therefore recommended for adoption.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Parks for the Boroughs of Manhattan and Richmond be and he is hereby authorized and empowered to enter into contract, without public letting, for exhibition cases, furniture for the library and electric light fixtures for the library, all within the building of the Metropolitan Museum of Art, at a cost not to exceed the sum of thirty thousand dollars (\$30,000).

FRANK L. DOWLING, FREDERICK C. HOCHDORFFER, THOS. J. MULLIGAN, JOSEPH FLANAGAN, G. A. COLGAN, JAMES J. SMITH, Committee on Public Letting.

Department of Parks, Manhattan and Richmond,  
The Arsenal, Central Park,  
March 11, 1909.

To the Board of Aldermen, The City of New York:

Dear Sirs—Application has been made to me by the authorities of the Metropolitan Museum of Art to apply to your Honorable Board for authority to enter into contract, without public letting, for exhibition cases, furniture for the library and electric light fixtures for the library, all within the building of the Metropolitan Museum of Art, for a sum not to exceed thirty thousand dollars (\$30,000), from an issue of Corporate Stock which has already been authorized for the building and equipping of the Museum. Pursuant to such application, this Department hereby requests such authority.

The reasons therefor are:

First—It is desired that these exhibition cases be of the most modern type adopted by the best museums in the world, and that they be constructed of light metal frames with concealed locks and absolutely dust proof, and that in the interest of efficiency, as well as the economical use of City money, that they be built in this city by a firm of high standing, over whom the Museum authorities could exercise supervision during the progress of the work. If let by open competition, it may happen that some contractor from a distant city might be the lowest bidder, and the cost and inconvenience of proper inspection would be expensive and probably delay the work.

Second—The same reasons apply in connection with the furniture and fixtures for the library, which will be required to be designed and executed in an artistic manner, and constant artistic inspection exercised during the work of construction.

Third—The same reasons apply for the electric light fixtures for the library, which will be of special design consistent with the furnishings and purposes of the building.

It has been found by experience that public letting of such equipment is not satisfactory, and the best results are not obtained. The approximate estimate of the cost of the three items is as follows:

|                                                          |             |
|----------------------------------------------------------|-------------|
| 100 cases (approximate) at an average cost of \$200..... | \$20,000 00 |
| Furniture for the library.....                           | 3,500 00    |
| Electric light fixtures for the library.....             | 4,000 00    |
|                                                          | \$27,500 00 |

Respectfully,

HENRY SMITH, Commissioner.

Under Rule 21, consideration of this report was deferred. Subsequently this report was laid over.

The Committee on Public Letting, to which was referred on March 23, 1909 (Minutes, page 954), the annexed communication from the Board of Health requesting authority to purchase in the open market one automobile for the use of the Department at a total cost not exceeding \$1,750, respectfully
