

Local Law 79 Runaway and Homeless Youth (RHY) Services Access Report

January 1, 2022 to June 30, 2022 Summary to the NYC Council

DYCD funds Runaway and Homeless Youth Services, including residential programs for youth ages 16-24. DYCD-funded Drop in Center, Crisis Services and TIL Support Program providers are required to report each young person who is unable to access an RHY bed on the date they sought services.

RHY providers reported daily bed availability over the six-month report period. During the period of January 1 to June 30, 2022:

- 1,169 young people were placed in a crisis services or transitional independent living support program.
- One youth in April who had been a resident at several residential RHY programs, was referred outside of the RHY continuum.
- In June, two youth sought RHY residential placements. One minor youth had ACS involvement and was referred to ACS's Children's Center. The second youth was accepted one day after initiating their referral through an RHY drop-in center.

DYCD will continue to monitor service referrals to ensure that placement protocols are followed.
