By Alderman Tuomey—

Whereas, It is alleged that by the provisions of a certain contract made in the year 1869 by William M. Tweed, then Street Commissioner, on the part of this city, and Benjamin C. Clark, a broker doing business in Wall street, which said contract expired during the incumbency of George M. Van Nort of the office of Commissioner of Public Works, and was by him renewed, without, in either case, being advertised for estimates or bids, the city is now paying sixty dollars per ton for iron water mains, when men engaged in the business of manufacturing such water pipes stand ready to furnish similar, if not superior, material for thirty-eight dollars per ton; and

Whereas, It is very questionable if the said contract, by reason of not having been open to competition, or advertised for public letting, is a valid one, or binding upon the city, particularly in view of the fact that the present contractor is not now, nor has he ever been, engaged in the work of manufacturing iron water pipes, and simply sub-contracts for the material required by the city,

realizing thereby twenty-two dollars per ton clear profit, which, in the aggregate, amounts to a vast sum of money, that should and can be saved to the tax-payers of this city, in the event of the contract being declared irregular or fraudulent; be it therefore

Resolved, That the Commissioner of Public Works be and he is hereby directed to report to this Board, at his earliest convenience, all the facts in his possession, or that he may be able to ascertain, in relation to the contract in question, together with such suggestions or recommendations as he may deem proper, touching the validity of said contract.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, March 16, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, without my signature or approval, the resolution adopted on the 9th inst., to cover the roadway of Seventh avenue, from Harlem river to St. Nicholas avenue, with sand.

To give effect to that resolution would probably ruin the avenue, which, as stated in my communication to you of this date, returning, without my approval General Order 83, that avenue is one of the best in the city, with a roadway which is now kept in excellent condition.

A covering of material so unstable as sand, which it would be impossible to keep rolled or compact, certainly could not be of benefit to the roadway.

W. H. WICKHAM, Mayor.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, March 16, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, without my approval or signature, General Order 83.

The carriageway of Seventh avenue is now in good order and is one of the best roads on the island ; and it appears from the report of the Chief Engineer of Roads and Avenues, that a force of men sufficient to pass over the entire length daily, is employed in removing all loose stones and droppings, etc., cleaning the gutters, and in otherwise caring for the good order of the road.

W. H. WICKHAM, Mayor.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, March 16, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, for your further consideration, General Order 70, which, in its present shape, I have not signed.

I think that justice to the property-owners in the locality referred to by the proposed ordinance requires that an enterprise such as is here contemplated should be prosecuted ; fair play would give them that, at least, after the heavy assessments to which they have been subjected without adequate benefit, as yet, to themselves.

But it seems proper that the work should be done by contract, with stringent specifications ; and I feel constrained to withhold my signature to the ordinance until it shall have been amended by insertion of such a provision.

W. H. WICKHAM, Mayor.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, March 16, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, without my signature or approval, General Order 95. An ordinance was approved September 23, 1875, for regulating, grading, etc., Broadway, as provided in this proposed ordinance, and for paving with Telford-macadam pavement. The expense of surveys for that work has been incurred, and the estimates have been prepared. It would appear proper to repeal that ordinance before effect is given to this one by the approval and signature of the Mayor. And, indeed, that course seems to be suggested by the report of your Committee, to which this case was referred.

W. H. WICKHAM, Mayor.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, March 13, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you General Order 68, without my signature or approval.

I feel constrained to withhold my signature for the reasons assigned in the annexed communication from the Department of Public Parks, to which your attention is invited.

W. H. WICKHAM, Mayor.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, March 13, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, without my signature or approval, General Order 63.

The Commissioner of Public Works advises me that the proposed basin and culvert are not necessary, and for that reason my signature is withheld.

W. H. WICKHAM, Mayor.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not; such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.

County Court-house (Chambers street entrance).
