PROCUREMENT**“Compete To Win” More Contracts!**

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

MAYOR'S FUND TO ADVANCE NEW YORK CITY

NOTICE

The Mayor's Fund is seeking appropriately qualified Community Based Organizations (CBOs) to establish and operate the Connections to Care (C2C) program. The C2C program is funded primarily through a Healthy Futures grant from the Social Innovation Fund of the Corporation for National and Community Service. In C2C, CBOs partner with clinical mental health providers (MHPs) to integrate evidence-based mental health services (treatment, promotion, and/or prevention) into existing programs that serve at-risk populations. The program's goal is to improve mental health and program-related outcomes for low-income (1) expectant mothers and parents of children 0-4; (2) out of school, out of work young adults ages 16-24; and/or (3) unemployed or underemployed low-income working-age adults ages 18 and over receiving workforce development services. In addition, C2C aims to increase access to and utilization of quality mental health care services in order improve mental health outcomes and CBO programmatic outcomes. Expecting C2C to be a five-year program, the Mayor's Fund anticipates awarding grants to approximately twelve CBOs in New York City. Grant sizes are expected to range between \$100,000 and \$250,000 per year, which are required to be matched 1:1 by non-federal funds (for total annual subgrantee budgets of \$200,000 to \$500,000). This proposed rule was not included in regulatory agenda of the Department of Consumer Affairs for this Fiscal Year because it was not contemplated when the Department published the agenda.

Where can I find the rules of the Department of Consumer Affairs? The rules of the Department of Consumer Affairs are in Title 6 of the Rules of the City of New York.

What rules govern the rulemaking process? The Department of Consumer Affairs must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Section 20-464(d) of Subchapter 27 of Chapter 2 of Title 20 of the New York City Administrative Code prohibits a general vendor from selling, leasing or transferring his or her general vendor license or interest in the license unless authorized by the Commissioner of the Department of Consumer Affairs. Currently, the laws and rules applicable to general vendors do not specify the circumstances under which the Commissioner may authorize the transfer of a vending license. Section 35-a of Article 4 of Chapter 20 of the New York State General Business Law requires the transfer of a specialized vending license held by a disabled veteran to the spouse, children or guardian of surviving minor children of the vendor in certain circumstances upon the death or disability of the licensee. The proposed rule would provide that transfer of general vending licenses is subject to the same set of standards as the transfer of specialized vending licenses, which currently apply only to disabled veterans.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule

Subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York is amended by adding a new Section 2-317 to read as follows:

§2-317 Transfer of General Vending Licenses.

- (a) Upon the death of a licensed general vendor, the Department shall transfer the license to the surviving spouse, if any, of the general vendor if the spouse informs the Department he or she desires to use the license. If there is no surviving spouse or the surviving spouse elects not to use the license, the Department shall transfer the license to the guardian of a surviving minor child or children of the general vendor, provided the guardian intends to use the license for the support of the minor child or children. The Department shall issue a general vending license to the applicable party in his or her name upon submission to the Department of proof of the conditions upon which the transfer is based. The license shall revert to the Department for reassignment upon the death of the surviving spouse or when:

- (1) the surviving spouse remarries;
- (2) the youngest minor child of the surviving spouse reaches the age of eighteen; or
- (3) the surviving spouse, or the guardian of the minor child or children to whom the license has been transferred, elects not to use the license to vend in the city of New York or abandons the use of the license. Temporary periods when the surviving spouse or guardian do not vend shall not cause the license to revert to the Department in the absence of other evidence of

an intent to abandon the use of the license; however, a period of six months or more in which the holder of the license does not vend shall create a rebuttable presumption that the spouse or guardian has abandoned the use of the license.

- (b) If a licensed general vendor becomes totally and permanently disabled, he or she may transfer the license to his or her spouse or, if the licensee has no spouse, to an adult child if the child assumes the duty to support the licensee. The Department shall issue a general vending license to the applicable party in his or her name upon submission to the Department of proof of the conditions upon which such transfer is based. The license shall revert to Department when:
- (1) the general vendor who held the license immediately before the transfer dies;
 - (2) the spouse to whom the license has been transferred dies or divorces the general vendor who held the license immediately before the transfer; or
 - (3) the child to whom the license has been transferred dies or renounces the obligation to support the general vendor who held the license immediately before the transfer.
- (c) For purposes of this section, “spouse” includes a domestic partner.
- (d) Except as provided for in this section, no general vending license, and no interest in any general vending license, may be sold, lent, leased or transferred.
