ECONOMIC DEVELOPMENT CORPORATION

NOTICE

NOTICE OF PUBLIC HEARING TO BE HELD MARCH 2, 2011 PURSUANT TO §§201-204 OF THE EMINENT DOMAIN PROCEDURE LAW IN CONNECTION WITH THE WILLETS POINT DEVELOPMENT PLAN

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held by The City of New York (the "City") pursuant to §§201-204 of the New York State Eminent Domain Procedure Law ("EDPL") at the Flushing branch of the Queens Library, at 41-17 Main Street, Flushing, New York, from 4:00 P.M. to 8:00 P.M. on March 2, 2011 to consider the proposed acquisition by condemnation of certain property in furtherance of the Willets Point Development Plan (the "Plan"). The Plan is to be implemented in phases. The first phase of the Plan, which is the subject of this hearing, is referred to herein as "Phase I."

The purpose of the public hearing is to: (1) inform the public about Phase I; (2) review the public use to be served by Phase I, the proposed location of Phase I, and the impact Phase I may have on the environment and residents of the locality; and (3) give all interested persons an opportunity to present oral and written statements about Phase I.

Phase I Location and Description

The area encompassed by the Plan is a 61.4-acre industrial site in the north-central portion of the Borough of Queens, New York. The Phase I portion of the Plan area consists of approximately 20 acres generally bounded to the east by the 127th Street and the southerly portion of Block 1833, to the south by Roosevelt Avenue, to the west by 126th Street, and to the north by 35th Avenue.

The Plan envisions development of the Phase I area for residential, retail, hotel, open space, and parking uses, with residential and retail space as the core uses. To allow for the range of uses anticipated, the Plan included a change to the underlying zoning of the Plan area from M3-1 and R3-2 districts to a C4-4 district. The Plan also included creation of a special zoning district (the Special Willets Point District) to further guide development in the Project Area. The Plan was approved by the City Planning Commission and the City Council on September 24, 2008 and November 13, 2008, respectively.

Proposed Property Acquisition

Schedule A, attached to this notice and made a part hereof, lists the properties that the City proposes to acquire by eminent domain. Several of the properties listed on Schedule A are already owned by the City, and condemnation is proposed with respect to those properties in order to terminate tenancies and other property interests held by others. All references to blocks and lots on Schedule A are to the Queens Tax Blocks and Lots as they appear on the official New York City Tax Map. The addresses on Schedule A are for the convenience of the reader. In the event of any conflict between the address and the Tax Block and Lot, the Tax Block and Lot shall control. As the Plan contemplates the changing of the street grid in the area, the City may also seek to use its eminent domain power to eliminate interests in the streets in the Phase I portion of the Plan area held by others.

Availability of Environmental Review Documents An analysis of the environmental impact of the entire Plan, which was prepared by the Office of the Deputy Mayor for Economic Development as lead agency, is included within the Final Generic Environmental Impact Statement ("FGEIS"), additional Technical Memoranda and Findings Statement, including those elements associated with Phase I. The FGEIS for the Plan, the Technical Memoranda, the Findings Statement and other environmental review documents are available for viewing at the websites http://www.nycedc.com/willetspoint, and http://www.nyc.gov/oec.

Copies of the executive summary of the FGEIS, the Technical Memoranda and Findings Statement are available, without charge, to anyone requesting copies at the office of the New York City Law Department, 100 Church Street, New York, NY 10007, 4th Floor reception, or by calling Lisa Bova-Hiatt at (212) 788-0705.

Receipt of Comments

Comments on the proposed acquisitions are requested and may be made orally or in writing at the hearing on March 2, 2011, or presented in writing to The City of New York, Law Department, 100 Church Street, Room 5-241, New York, New York 10007 (Attention: Lisa Bova-Hiatt) on or before 5:00 P.M., March 18, 2011. Comments received after 5:00 P.M. on March 18, 2011 will not be considered.

Proposed Rule Amendment

The Environmental Control Board proposes to amend subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. These rules create penalties for offenses heard and decided by the Environmental Control Board. Sections 1049-a and 1043(b) of the New York City Charter give the Environmental Control Board the authority to create penalties

The penalties in this rule are for notices of violation issued by the Department of Health and Mental Hygiene (DOHMH). Previously these notices of violation would have been heard at the DOHMH. Now these notices will be heard at the Environmental Control Board.

New matter in the following rule is underlined, and deleted material is in brackets. This rule was not included in the Environmental Control Board's regulatory agenda because it was not anticipated at the time the agenda was created.

Statement of Basis and Purpose of Proposed Rule

The Environmental Control Board is amending its Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York.

West Nile Virus (WNV) is a serious or even fatal disease. The virus is carried and spread by mosquitoes that mainly breed in stagnant water. Since its discovery in 1999, this virus has reemerged in New York City each year during the adult mosquito season (April through October). From 1999 through 2010, a total of 239 human cases of WNV disease, including 27 deaths, have occurred in New York City. In the 2010 New York City mosquito season, there were 41 human cases, including one death.

Getting rid of standing water is the easiest and most environmentally sound way to reduce the number of mosquitoes that may transmit WNV. Mosquitoes can breed even in small amounts of water in vehicle tires, planters and trash cans. Enforcing the Health Code sections that do not allow for standing water is key to preventing the spread of this disease in the City.

The violations are issued during the WNV season to property owners whose property has amounts of standing water and decomposing matter. The standing water and decomposing matter may be in containers or freestanding. Violations are not issued to owners of wetlands.

The penalties for these violations are labeled "minor,"

"moderate" or "extensive." These labels reflect the amount and kind of standing water conditions that could occur. They are described in the head note found in Section 1 of the proposed rule. The penalty amounts that may be charged for violations of the Health Code are found in Health Code section 3.11.

Section 1.The Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by revising the current head note and adding an additional head note directly following the title of that penalty schedule, "\$3-110 Health Code and Misc. Food Vendor Violations Penalty Schedule," to read as follows:

> New matter is <u>underlined</u>. Deleted material is in [brackets].

For vector (mosquito)/standing water violations, consisting of conditions contributing to breeding and sheltering of mosquitoes, violations are issued under NYC Health Code 151.02 (a) or 151.03, Violations are considered minor, moderate or extensive.

(H1) Minor violations consist of small amounts of standing water and decomposing matter in one or more outdoor containers with a diameter of three to 24 inches and $\underline{a\ capacity\ of\ five\ or\ fewer\ gallons\ of\ water.\ Examples\ of\ types}$ of containers include trash cans, buckets, birdbaths, fountains, roof gutters and roof puddles and in accumulations of one to four tires.

(H2) Moderate violations consist of larger amounts of standing water and decomposing matter than the amounts stated for minor violations. These include ponded water accumulations of less than 10 square feet. Examples of where this amount of water and decomposing matter may be found include ditches, swimming pool covers, ponds, outdoor containers without lids holding five or more gallons of water $\underline{\text{and in five to 20 tires.}}$

(H3) Extensive violations consist of standing water and decomposing matter accumulations covering 10 or more square feet. Examples of where this amount of water and decomposing matter may be found include open foundation construction sites, swimming pools with stagnant untreated or improperly treated water and in more than 20 tires.

Section 2. The Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by adding three new charges immediately after the entry in that penalty schedule for NYC Health Code 139.07(a), "Smoking on Public Transport Facility," to read as follows:

> New matter is underlined. Deleted material is in [brackets].

Section/Rule	Description	Penalty	Default

CITY PLANNING

NOTICE

Department of Housing Preservation and Development Substantial Amendment to the 2010 Consolidated Plan 15-day Public Comment Period Addendum - Neighborhood Stabilization Program -Round 3

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) regulation Sec. 1497(a) the City of New York announces the 15-day public comment period for the substantial amendment to the 2010 Consolidated Plan: Addendum - Neighborhood Stabilization Program - Round 3 (NSP-3).

The Public Comment period will begin Thursday, February 10 and end Thursday, February 24, 2011.

The Neighborhood Stabilization Program (NSP) was created by Congress to provide grants to States and localities for the redevelopment of foreclosed and abandoned homes and residential properties. The grants are intended to prevent further declines in neighborhoods most severely impacted by foreclosures.

The City of New York is expected to receive \$9,787,800 in NSP-3 funds which must be used to undertake any or all of the following eligible activities:

- establish financing mechanisms for purchase and redevelopment of foreclosed upon homes and residential properties, including such mechanisms as soft-seconds, loan loss reserves, and sharedequity loans for low- and moderate-income homebuyers;
- purchase and rehabilitate homes and residential properties that have been abandoned or foreclosed upon, in order to sell, rent, or redevelop such homes and properties:
- establish land banks for homes that have been foreclosed upon;
- demolish blighted structures; and
 redevelop demolished or vacant properties.

Under existing U.S. Department of Housing and Urban Development (HUD) Consolidated Plan citizen participation regulations, substantial amendments to an approved Plan are required to undergo a 30-day comment period. However, in order to expedite the localities receiving the funds, Congress has waived this regulation and requires the Program to undergo only a 15-day public review period instead.

All comments received at the end of the comment period (close of business) will be summarized and the City's responses incorporated into the 2010 Consolidated Plan

amendment addendum for submission to HUD. The City of New York must submit the amendment by March 1, 2011 in order to be eligible to receive its allocation. Copies of the 2010 Consolidated Plan – Addendum: Neighborhood Stabilization Program Round 3 (NSP-3) will be made available at: The City Planning Bookstore, 22 Reade Street, New York, NY (Monday 12:00 P.M. to 4:00 P.M., Tuesday thru Friday 10:00 A.M. to 1:00 P.M.). In addition, on Thursday, February 10, 2011 an Adobe PDF version of the amendment will be available for free downloading from the internet via both the Department of Housing Preservation and Development's and the Department of City Planning's websites at: www.nyc.gov/planning, respectively.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the $\it CR$.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
