

# NYC DEPARTMENT OF HEALTH AND MENTAL HYGIENE'S PERMITTING AND LICENSING REPORT PURSUANT TO LOCAL LAW 47 OF 2016 AND THE NYC CHARTER CHAPTER 41-A § 1049-b(e)

# **COVERING THE PERIOD FROM JULY 1, 2017 TO JUNE 30, 2018**

(i) The total number of applications for licenses, permits or registrations received by such agency:

The Department received 169,068 applications for licenses, permits or registrations.

(ii) The total number of applications for licenses, permits or registrations that were denied pursuant to NYC Charter Chapter 41-A § 1049-b(a):

No applications for licenses, permits or registrations were denied solely on the basis of unpaid civil penalties. If licensees/permittees have unpaid civil penalties, they are notified prior to renewal. If the Department receives renewal applications from licensees/permittees who have outstanding unpaid fines, the applications are not processed until the licensees/permittees resolve the outstanding fines.

(iii) The total number of licenses, permits or registrations that were suspended, terminated or revoked pursuant to NYC Charter Chapter 41-A § 1049-b(a):

No applications for licenses, permits or registrations were suspended, terminated or revoked solely on the basis of unpaid civil penalties. If the Department takes action to suspend, terminate or revoke a permit, license or registration, then unpaid civil penalties may be a component of those actions. For example, if the Department seeks to suspend a permit for numerous uncorrected Health Code violations, the Department may include the collection of unpaid civil penalties as part of that action.
