The Special Committee appointed to prepare and present to this Board resolutions expressive of the profound sorrow experienced by the people and government of this city for the death of ex-President Andrew Johnson, and to take measures to manifest respect for the memory of the illustrious deceased, respectfully submit the following preamble and resolutions:

Whereas, It has pleased the Creator of the Universe, by one of His inscrutable and immutable decrees, to remove by death from the sphere of his usefulness, while in the full vigor of his intellect, and in the possession of his usual physical powers, Andrew Johnson, ex-President of the United States and United States Senator for the State of Tennessee; and

Whereas, In view of this sad event, this Common Council, as the representatives of the people of this city and in common with the people of this Republic, are called upon to mourn the loss of one who, in every relation of life and in every position he filled—and they were more varied and diverse, perhaps, than those of any other prominent man this country has produced, his immediate predecessor in the Presidency not excepted—was pre-eminent for his sterling honesty, great administrative capacity, and the most determined devotion to duty, typifying more clearly than almost any other public man in the history of the country, the genius of Democratic and Republican form of government, as he demonstrated the theory, that it is in the power of the lowliest and humblest citizen to raise himself to the highest dignity and honor, and to the first place in the affections of the people; and

Whereas, his death is a public loss, and we may look in vain for one to fill his place, who possesses, equally his experience in the governmental affairs of this country, and will, with the same independence of thought and action, firmness of purpose, determination of will, and pure disinterestedness, use such attainments, as he did, solely for the benefit of the people; and

Whereas, it is therefore eminently proper that this Common Council should give expression to their sorrow, and the sorrow of the people of this city, for the death of ex-President Andrew Johnson, that they should place on record in the archives of the city government the expression of their appreciation of the many virtues he possessed, and the valuable services he rendered to his country, and that action be taken to pay an appropriate tribute of respect to his memory; therefore be it

Resolved, That the Common Council, for themselves and on behalf of the People of the City of New York whom they represent, do sincerely lament and deplore the death of ex-President Andrew Johnson, considering his loss a great public calamity at this peculiar juncture in the affairs of our government, as to few others of equal experience could our people look up to for counsel and guidance with the same certainty that honesty, candor, disinterestedness and truth would dictate his advice and govern his directions; and be it further

Resolved, That, in order to perpetuate the sentiments of sorrow we experience for the death of ex-President Andrew Johnson, and to pay a tribute of respect to his memory, it is hereby ordered that this report, with the preamble and resolutions herewith submitted, be entered at length in the Journal of the Board and published in the CITY RECORD, and that a duly certified copy thereof be engrossed and transmitted to the family of the deceased.

(G. O. 449.)

The Committee on Law Department, to whom was referred the annexed resolution, offered by Alderman McCarthy, directing the Counsel to the Corporation to take measures to have One Hundred and Fifty-fourth street, from Tenth avenue to Harlem river, opened, respectfully

#### REPORT:

That your Committee are at a loss to understand the object of the reference of a resolution of this character to them, unless it was that they should make the necessary inquiries to ascertain if the street had heretofore been ordered to be opened according to law. This they have done, and find that no action has yet been taken by the authorities to have the street so opened. The resolution is, therefore, a proper one, if it is desirable to have the improvement made at this time. Without, however,

expressing any opinion on this point, your Committee respectfully herewith report the resolution back to your Honorable Body for such action as you may deem necessary or advisable in the premises.

Resolved, That the Counsel to the Corporation be and he is hereby authorized and directed to take the necessary legal measures to have One Hundred and Fifty-fourth street, from the Tenth avenue to the Harlem river, opened according to law.

GENTLEMEN—I herewith transmit for your information a communication from the Commissioner of Public Works, to which I invite your prompt attention.

WM. H. WICKHAM, Mayor.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,  
NEW YORK, August 5, 1875.

Hon. WILLIAM H. WICKHAM,

Mayor of the City of New York :

SIR—Herewith I respectfully submit an ordinance for paving Tenth avenue, from Manhattan street to One Hundred and Thirty-fifth street, with granite-blocks, with the request that, if it meets your views, you would place it before the Board of Aldermen for early action.

The avenue has been regulated and graded at great expense, and, owing to the steep grade in some parts, the earth is washed away in large quantities whenever heavy rains occur. It will also furnish a more convenient and more appropriate route for the business traffic with the rapidly growing population of Carmansville and Washington Heights than the Boulevard and the Avenue St. Nicholas, which are intended and should be used principally for light pleasure travel, and should be relieved of the heavier class of vehicles, which, in time, would greatly injure their roadways.

Very respectfully,

FITZ JOHN PORTER,  
Commissioner of Public Works.

Resolved, That Tenth avenue, from Manhattan street to One Hundred and Fifty-fifth street, be paved with granite-block pavement, and that at the several intersecting streets and avenues crosswalks be laid where not now laid, and relaid where those now laid are, in the opinion of the Commissioner of Public Works, not in good repair, or are not upon a grade adapted to the grade of the proposed new pavement, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was referred to the Committee on Street Pavements.

NEW YORK, July 16, 1875.

AT A MEETING OF THE BOARD OF HEALTH of the Health Department, of the City of New York, held at its office, on the 16th day of July, 1875, the following resolutions were adopted:

Resolved, That section 29 of the Sanitary Code be and is hereby amended to read as follows: Sec. 29. That no meat, fish, birds or fowl, fruit or vegetables, nor any milk, not being then healthy, fresh, sound, wholesome, and safe for human food, nor any meat or fish that died by disease or accident, shall be brought within said city, or offered or held for sale in any public or private market, as such food, anywhere in said city.

Resolved, That section 34 of the Sanitary Code be and is hereby amended to read as follows: Sec. 34. That no decayed or unwholesome fruit or vegetables shall knowingly be brought into said city to be consumed or offered for sale for human food, nor shall any such articles be kept or stored therein.

Resolved, That section 37 of the Sanitary Code be and is hereby amended as follows: Sec. 37. That no meat, fish, fruit, vegetables, or milk, or unwholesome liquid, shall knowingly be bought, sold, held, offered for sale, labeled, or any representation made in respect thereof, under a false name or quality, or as being what the same is not, as respects wholesomeness, soundness, or safety for food or drink.

Resolved, That section 38 of the Sanitary Code be and is hereby amended to read as follows: Sec. 38. That every person, being the owner, lessee, or occupant of any room, stall, or place where any meat, fish, fruit, or vegetables, designed or held for human food, shall be stored or kept, or shall be held or offered for sale, shall put and keep such room, stall, and place, and its appurtenances, in a cleanly and wholesome condition; and every person having charge, or interested, or engaged, whether as principal or agent, in the care, or in respect to the custody or sale of any meat, fish, fruit, birds, fowl, or vegetables, designed for human food, shall put and preserve the same in a cleanly and wholesome condition, and shall not allow the same, or any part thereof, to be poisoned, infected, or rendered unsafe or unwholesome for human food.

Resolved, That section 40 of the Sanitary Code be and is hereby amended to read as follows: Sec. 40. That it shall be the duty of every person knowing of any fish, meat, fowl, birds, fruit, or vegetables being bought, sold, or offered, or held for sale as food for human beings, or being in any market, public or private, in said city, and not being sound, healthy, or wholesome for such food, to forthwith report such facts, and the particulars relating thereto, to this Department, or to one of its officers or inspectors.

Resolved, That section 42 of the Sanitary Code be and is hereby amended to read as follows: Sec. 42. That upon any cattle, meat, birds, fowl, fish, fruit, or vegetables being found by any inspector, or other officer of this Department, in a condition which is, in his opinion, unwholesome and unfit for use as human food, or in a condition of or a weight or quality in this code condemned or forbidden, he shall cause the same to be examined by two reputable persons, reasonably competent to judge in respect thereto, whom he may conveniently find; and if both said persons disagree with him in opinion in respect thereto, he shall take no action, and give no order, relative to the same, till he has been instructed by the Sanitary Superintendent; and if one or both of said persons agree with him in respect to said articles, then such inspector or officer may forbid the same being offered or exposed for sale, or being sold, for human food, till the owner or party in charge or other proper person has obtained the consent of the Sanitary Superintendent, or of this Board, to their being so offered, used, or sold. And if both such persons agree with him in opinion, he may order the same to be removed; and thereupon, or if this Board shall have approved the judgment of said inspector, it shall be the duty of the owner and party in charge to speedily remove such article from any market, street, or public place, and not to sell or dispose, or offer to sell or dispose thereof for the purpose of human food. And in default of such removal, and also in case of disobedience to such order, would, if allowed longer to remain, be dangerous to health, the same (as this Board may provide) may be caused to be removed by any inspector, police officer, or officer of this Department, to some suitable place, at the expense of the party who should have removed the same, and the owner and party in interest must take notice thereof.

## JURORS.

## NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist, or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.

THOMAS DUNLAP, Commissioner,  
County Court-house (Chambers street entrance).
